This Amendment No. 5 (this Amendment) amends the Schedule 13D, dated April 1, 2008 (the Original 13D), subsequently amended by Amendment No. 1 to the Original 13D, dated June 10, 2008 (Amendment No. 1), Amendment No. 2 to the Original 13D, dated December 1, 2008 (Amendment No. 2), Amendment No. 3 to the Original 13D, dated January 30, 2009 (Amendment No. 3), and Amendment 4 to the Original 13D, dated May 7, 2009 (Amendment No. 4) filed by Cantor Fitzgerald, L.P., a Delaware limited partnership (CFLP), CF Group Management, Inc., a New York corporation (CFGM), and Howard W. Lutnick (together with CFLP and CFGM, the Reporting Persons). Capitalized terms not defined herein shall have the respective meanings ascribed to them in the Original 13D, Amendment No. 1, Amendment No. 2, Amendment No. 3 or Amendment No. 4, as the case may be.

Item 3. SOURCE AND AMOUNT OF FUNDS OR OTHER CONSIDERATION.

Item 3 is hereby amended and supplemented by adding the following:

See Item 4, which is incorporated by reference herein.

Item 4. PURPOSE OF THE TRANSACTION.

Item 4 is hereby amended and supplemented by adding the following:

This Amendment No. 5 is being filed principally to reflect (i) an increase in the reportable beneficial ownership of shares of Class A Common Stock of the Reporting Persons (other than CFLP) and certain of the other persons listed on Schedule A to the Original 13D as a result of the fact that they or their designee were entitled to receive distribution rights shares on October 1, 2009, (ii) the fact that CFLP offered to its partners an opportunity to defer receipt of their second tranche of distribution right shares and receive a distribution equivalent; (iii) certain updated beneficial ownership information of the Reporting Persons with respect to the deferral of receipt of their distribution right shares and (iv) reflect the accelerated issuance of 508,045 distribution right shares from CFLP to one of its partners; (v) reflect the conversion of certain shares of Class B Common Stock to Class A; and (vi) reflect the change in the outstanding number of Class A Common Stock of BGC Partners, Inc.

In connection with the Separation, CFLP received 67,138,052 BGC Holdings limited partnership units. On March 31, 2009, the first anniversary of the completion of the Separation, all such BGC Holdings limited partnership units became exchangeable with the Company for shares of Class B Common Stock (or, at CFLP's option, or if there are no additional authorized but unissued shares of Class B Common Stock, shares of Class A Common Stock) on a one-for-one basis (subject to customary anti-dilution adjustments). The Class B Common Stock is convertible at any time on a one-for-one basis (subject to customary anti-dilution adjustments) into Class A Common Stock. As of the date hereof, the Company had 58,500,000 shares of authorized but unissued Class B Common Stock.

After certain accelerated distributions of distribution rights shares described in Amendment No. 1 and Amendment No. 2, the aggregate number of shares of Class A Common Stock that CFLP was required to distribute to retained and founding partners was 26,145,740 shares (23,046,758 shares with respect to retained partners and 3,098,982 shares with respect to founding partners). The distribution rights provided to retained partners, including the Reporting Persons (other than CFLP) and certain other persons listed on Schedule A to the Original 13D, generally entitle the holder to receive a distribution of a fixed number of shares of Class A Common Stock from CFLP distributable in the following circumstances:

13D

with respect to distribution rights received in respect of CFLP limited partnership units, including units acquired at any time as a result of reinvestment in respect thereof, that were held three years or longer as of the completion of the Merger, one-third of the shares underlying the distribution rights on each of the 12-, 18- and 24-month anniversaries of the completion of the Merger; and

with respect to distribution rights received in respect of CFLP limited partnership units, including units acquired at any time as a result of reinvestment in respect thereof, that were held less than three years as of the completion of the Merger, one-fifth of the shares underlying the distribution rights on each of the 12-, 18-, 24-, 30- and 36-month anniversaries of the completion of the Merger,

in each case, if, as of the applicable anniversary date, that holder continues to provide services to CFLP and has not breached his, her or its CFLP partner obligations, including the non-competition and non-solicitation covenants contained in the limited partnership agreement of CFLP, to the extent applicable. The distribution rights provided by CFLP to founding partners entitle the holder to receive a fixed number of shares of Class A Common Stock from CFLP, with one-third of such shares distributable on each of the 12-, 24- and 36-month anniversaries of the completion of the Merger.

On October 1, 2009, the 18-month anniversary of the completion of the Merger, Cantor was required to distribute an aggregate of 6,999,532 shares of Class A Common Stock to retained partners, not including shares previously sold. In connection with the previous issuance of distribution rights shares and in connection with the 18-month anniversary, Cantor has offered to its partners the opportunity to elect to defer their receipt of the distribution right shares and receive a distribution equivalent rather than making an immediate issuance of such shares in the form of Class A Common Stock. Cantor partners who elect to defer their right to such shares are entitled to receive their shares of Class A Common Stock upon written notice to Cantor. Shares will be delivered on such subsequent dates as shall be determined by Cantor in its administrative discretion and Cantor shall have a right to defer such issuances for up to 3 months, although Cantor generally makes such issuances on a quarterly basis to its partners. Accordingly, of the 6,317,385 distribution rights shares to be distributed by Cantor in April 2009, partners having rights to 5,540,486 of such distribution rights shares elected to defer their receipt of shares. In May 2009, Cantor converted shares of Class B Common Stock and delivered 534,067 shares of Class A Common Stock in satisfaction of its distribution rights obligations effective April 1, 2009. On August 3, 2009, Cantor accelerated the issuance of distribution rights shares to a partner and transferred 508,045 shares of its Class A Common Stock to such partner, in full satisfaction of its distribution rights obligation to such partner. In September 2009, Cantor converted 2,700,000 shares of Class B Common Stock and delivered 134,226 shares of Class A Common Stock in satisfaction of its distribution rights obligations effective April 1, 2009. On October 1, 2009, Cantor was required to distribute to the retained partners a cumulative aggregate of 12,648,624 distribution rights shares. Cantor has offered these partners the opportunity to defer their receipt of this second tranche of distribution rights shares.

Upon completion of this October 1 distribution, the aggregate number of remaining shares of Class A Common Stock that Cantor will be required to distribute to retained and founding partners will be 24,969,402 shares of Class A Common Stock (22,262,680 shares with respect to retained partners and 2,706,722 shares with respect to founding partners).

Specifically, each of the Reporting Persons, which on October 1, 2009 were entitled to receive in the aggregate 7,099,512 distribution rights shares, have indicated that they will defer receipt of their cumulative distribution rights shares until such time as they request them in writing from Cantor and receive a distribution equivalent rather than receiving such distribution rights shares at the present time.

13D

As noted above, retained partners, including the Reporting Persons (other than CFLP) and certain of the other persons listed on Schedule A to the Original 13D, are expected to receive distribution rights shares. The following table shows, the total number of distribution rights shares which may be receivable by each of the Reporting Persons (other than CFLP) and the other persons listed on Schedule A to the Original 13D, the number of distribution rights deferred by each such person effective April 1, 2009 and the number of distribution rights which each reporting person was entitled to receive on October 1, 2009:

13D

As previously reported in the Original 13D, CFLP has the right to purchase from BGC Holdings any non-exchangeable BGC Holdings limited partnership units held by any founding partner that are redeemed by BGC Holdings upon termination or bankruptcy of the founding partner. Any such BGC Holdings limited partnership units purchased by CFLP from BGC Holdings will be exchangeable by CFLP for shares of Class B Common Stock or, at CFLP's election, shares of Class A Common Stock, in each case on a one-for-one basis (subject to customary anti-dilution adjustments), from the Company, on the same basis as CFLP's other BGC Holdings limited partnership units. As a result of the termination of an aggregate of 29 BGC Holdings founding partners since April 1, 2008, BGC Holdings has the right to redeem an aggregate of 1,731,384 BGC Holdings limited partnership units. To date, BGC Holdings has not redeemed any of the limited partnership units held by these 29 former founding partners. Upon the redemption of any of the founding partners' BGC Holdings limited partnership units, CFLP will have the right to purchase from BGC Holdings an equivalent number of exchangeable BGC Holdings limited partnership units pursuant to terms yet to be determined.

As of September 24, 2009, the Company has issued an aggregate of 3,190,462 shares of Class A Common Stock to partners of BGC Holdings upon exchange of their exchangeable Founding Partnership Units. All of these shares are eligible for sale. In order to facilitate receipt of the shares by the partners of BGC Holdings and receipt of distribution rights shares to be received by partners of BGC Holdings and Cantor, the Company and Cantor have made arrangements for such partners to open brokerage accounts with an investment bank. These accounts will facilitate repayment by any such partners of any partnership loans or other amounts payable to Cantor or the Company.
