PIMCO Income Strategy Fund II (formerly, PIMCO Floating Rate Strategy Fund) Announces Terms of Rights Offering

NEW YORK, March 11, 2010 (BUSINESS WIRE) PIMCO Income Strategy Fund II (NYSE:PFN) (formerly, PIMCO Floating Rate Strategy Fund) (the Fund) announced today that its Board of Trustees (the Board) approved the terms of a transferable rights offering of additional common shares of the Fund (the Offer). The Board, Allianz Global Investors Fund Management LLC, the Fund's investment manager (the Investment Manager), and Pacific Investment Management Company LLC, the Fund's sub-adviser (PIMCO), have determined that it would be in the best interests of the Fund and its shareholders to increase the assets of the Fund, in order to more fully take advantage of current and prospective investment opportunities. Consistent with the Fund name and investment policy changes that became effective on March 1, the Board, the Investment Manager and PIMCO believe there are more attractive opportunities in fixed rate securities. By increasing assets, the Fund will be able to cost-efficiently shift investment allocations into fixed rate assets, further diversify the portfolio and potentially enhance risk-adjusted returns, consistent with its high income objective. The Offer is also intended to enhance the market liquidity of the Fund's common shares, reduce the Fund's expense ratio modestly (not taking into account interest expense) and provide common shareholders with the opportunity to buy additional common shares at a discounted price to then-current market value.

The Fund will issue to its common shareholders of record (Record Date Shareholders) as of March 24, 2010 (the Record Date) one transferable right (the Rights) for each common share held. The Rights will entitle holders to subscribe for additional common shares of the Fund at a discount to the market price (the Subscription Price). Holders of Rights will be able to purchase one common share for every three Rights held. Any Record Date Shareholder who is issued fewer than three Rights may subscribe, at the Subscription Price, for one full common share. The Rights are transferable and are expected to be admitted for trading on the New York Stock Exchange (NYSE) under the ticker symbol PFN.RT. This may afford non-subscribing Record Date Shareholders the opportunity to sell their Rights for cash value, the receipt of which may be viewed as partial compensation for any dilution of their interests resulting from the Offer. The Offer will be made only by means of a prospectus to be distributed to Record Date Shareholders shortly after the Record Date.

The subscription period commences on March 24, 2010, and will expire at 5:00 p.m., New York time, on April 23, 2010, unless extended (the Expiration Date).

The Subscription Price will be determined on the Expiration Date based on a formula equal to 90% of the average of the last reported sale prices of the Fund's common shares on the NYSE on the Expiration Date and on each of the four preceding trading days (the Formula Price). If, however, the Formula Price is less than 80% of the net asset value per common share on the Expiration Date, then the Subscription Price will be 80% of the Fund's net asset value per common share on the Expiration Date.

Record Date Shareholders who exercise all Rights issued to them will be entitled to subscribe for additional common shares at the Subscription Price pursuant to an over-subscription privilege. If sufficient common shares are not available to honor all over-subscription requests, available common shares will be allocated pro rata among those Record Date Shareholders who over-subscribe, based on the number of Rights issued to them by the Fund on the Record Date.

To exercise the Rights, Record Date Shareholders who hold their common shares through a broker, custodian or trust company should contact them to forward their instructions to either exercise or sell their Rights on their behalf. Record Date Shareholders who do not hold their common shares through a broker, custodian or trust company should forward their instructions to either exercise or sell their Rights by completing the subscription certificate, which will be mailed shortly after the Record Date, and delivering it back to the Subscription Agent for the Offer, together with their payment, at one of the locations indicated on the subscription certificate or in the prospectus. Persons seeking further information regarding the Offer, or interested in obtaining a prospectus, when available, should contact their broker or nominee, or contact the Information Agent for the Offer: The Altman Group, Inc. at (866) 530-8655.
