PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 18, 2010

This statement is furnished in connection with the solicitation of proxies for use at the Annual Meeting of Shareholders of MVB Financial Corp. (MVB) to be held on May 18, 2010, at the time and for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders.

Solicitation of Proxies

The solicitation of proxies is made by the Board of Directors of MVB. These proxies enable shareholders to vote on all matters that are scheduled to come before the meeting. If the enclosed proxy is signed and returned, it will be voted as directed; or if not directed, the proxy will be voted FOR all of the proposals to be submitted to the vote of shareholders described in the enclosed Notice of Annual Meeting and this Proxy Statement. A shareholder executing the proxy may revoke it at any time before it is voted:

- (a) by notifying MVB representatives James R. Martin, Larry F. Mazza or Lisa J. Wanstreet in person;
- (b) by giving written notice to MVB. The revocation should be delivered to Lisa J. Wanstreet, Corporate Secretary, 301 Virginia Avenue, Fairmont, WV 26554;
- (c) by submitting to MVB a subsequently dated proxy; or
- (d) by attending the meeting and withdrawing the proxy before it is voted at the meeting.

The expenses of the solicitation of proxies will be paid by MVB. In addition to this solicitation by mail, directors, officers and employees of MVB or its subsidiary, MVB Bank, Inc. (the Bank) may solicit proxies personally or by telephone, although no person will be specifically engaged for that purpose.

Eligibility of Stock for Voting Purposes

Pursuant to the Bylaws of MVB, the Board of Directors has fixed March 31, 2010, as the record date for the purpose of determining the shareholders entitled to notice of, and to vote at, the meeting or any adjournment thereof, and only shareholders of record at the close of business on that date are entitled to such notice and to vote at such meeting or any adjournment thereof.

As of the record date for the Annual Meeting, approximately 1.6 million shares of the common stock of MVB, owned by approximately 1,000 shareholders, were issued and outstanding and entitled to vote. There are 4,000,000 shares authorized. The principal holders of MVB Common Stock are discussed under the section of this Proxy Statement entitled, Principal Holders of Voting Securities.

PURPOSES OF MEETING

1. ELECTION OF DIRECTORS

General

The Bylaws of MVB currently provide for a Board of Directors composed of five to twenty five members to be elected annually. The Board has set 17 as the number of directors of MVB for the upcoming year. This is one less than the 18 established in 2009. This decrease is the result of Director Bell's attaining the mandatory retirement age of 75 in July 2010.

As required by West Virginia law, each share is entitled to one vote per nominee, unless a shareholder requests cumulative voting for directors at least 48 hours before the meeting. If a shareholder properly requests cumulative voting for directors, then each MVB shareholder will have the right to vote the number of shares owned by that shareholder for as many persons as there are directors to be elected, or to cumulate such shares and give one candidate as many votes as the number of directors multiplied by the number of shares owned shall equal, or to distribute them on the same principle among as many candidates as the shareholder sees fit. If any shares are voted cumulatively for the election of directors, the proxies, unless otherwise directed, shall have full discretion and authority to cumulate their votes and vote for less than all such nominees. For all other purposes, each share is entitled to one vote.

Management Nominees to the Board of MVB

The Articles of Incorporation provide for staggered terms for directors. Approximately one-third of the Directors are elected to a three-year term each year. The five individuals identified below represent management nominees to the Board of Directors. As described above, five will be elected for a three year term.

There are no family relationships among the directors, director nominees or executive officers of MVB or MVB Bank, Inc.

Other than previously disclosed, no MVB Board member has been a member of another public company during the past five years.

The Board of Directors of MVB and Bank met twelve times during 2009. All directors attended 75% or more of the meetings of the Board of Directors and Committees thereof held of which the director is a member, except for Directors Cincinnati and Patel, who attended 68% and 69% of the meetings, respectively.

In order to meet their responsibilities, Directors are expected to attend board and committee meetings as well as the annual meeting of shareholders. All directors attended the 2009 Annual Meeting of Shareholders, except for Directors Nelson and Warash.

Leadership Structure of the Board

The Board Chair, Vice Chair and President/CEO are three separate people. Throughout MVB's history, this has been the leadership model. The President/CEO is responsible for the day-to-day operations and performance of MVB. The Chair and Vice Chair are involved in management of meetings and matters of governance and corporate oversight. The Chair and Vice Chair also focus on monitoring the effectiveness of the President/CEO in implementing MVB's corporate strategy and ensuring that the Directors receive sufficient information, on a timely basis, to provide proper risk oversight.

A Governance Committee was established by MVB in December 2009. The Governance Committee's responsibilities are defined in its Charter. It is expected that the Committee will, among many things, review the committees of the Board and membership thereof, evaluate compliance with the Director Education Policy, evaluate the current Board areas of expertise and monitor such to determine if an adjustment of Board membership is necessary. The Governance Committee will also provide oversight on issues relating to the governance and operations of MVB.

The committee structure of MVB is such that the committees are responsible for and review the areas of greatest risk to MVB. Each is chaired by an independent director. Staff members are responsible to the Chairs of the committees for requested information necessary for proper committee functioning. The significant risk areas for a community banking organization include the evaluation of the quality of the loan portfolio, the interest rate sensitivity of the institution and the reliability of its financial statements. The related committees, the Loan Review Committee, the ALCO Committee and the Audit Committee, are described below.

The Board of MVB recently elected a Chief Risk Officer (CRO) whose responsibility is to evaluate the MVB enterprise risk, that being all areas of risk to MVB. It is expected that the CRO will make the first report to the Board in April 2010.

Committees of the Board

MVB or the Bank has a number of standing committees as described below.

Human Resources Committee. Composed of David B. Alvarez, Stephen R. Brooks- Chair, Berniece D. Collis, Kelly R. Nelson, John B. Spadafore, Louis Spatafore and Michael F. Trent. The purpose of this Committee is to address issues related to staffing, compensation and related policy matters. This Committee also is responsible for administration of the 2003 MVB Financial Corp. Stock Incentive Plan Option Program. Mazza is an ex-officio member of this Committee and make suggestions, which the Committee evaluates and, if considered appropriate, acts on. Mazza makes no recommendations nor participates in any portion of the meetings relating to his own salary. The Committee met six times in 2009.

ALCO Committee. Composed of Harvey M. Havlichek, James R. Martin, Larry F. Mazza, J. Christopher Pallotta- Chair, Timothy R. Procita, Eric L. Tichenor, Roger J. Turner and Samuel J. Warash. The purpose of this committee is to review the performance of the investment portfolio and policies related to investments, liquidity and asset and liability management. The Committee reports the results from these meetings to the Board of Directors. The Committee met three times in 2009.

Loan Review Committee. Composed of Harvey M. Havlichek, David A. Jones, Larry F. Mazza, G. Warren Mickey, Leonard W. Nossokoff, J. Christopher Pallotta, Wayne H. Stanley, Richard L. Toothman and Samuel J. Warash- Chair. The purpose of this Committee is to evaluate the adequacy of the Allowance for Loan Losses, review loans and groups of loans for risks and evaluate policies related to the Allowance for Loan Losses as necessary. The Committee met four times in 2009.

Governance Committee. Composed of John W. Ebert, G. Warren Mickey, Kelly R. Nelson- Chair, Leonard W. Nossokoff and Nitesh S. Patel. The purpose of the Committee is to maintain an appropriate board and committee structure by assessing skills and background to effectively staff MVB boards and committees and developing and updating governance and ethics policies for MVB. The initial meeting of the Governance was held in December 2009.

Audit Committee. Composed of John W. Ebert, Harvey M. Havlichek, Christine B. Ielapi, Kenneth F. Lowe, III, Louis Spatafore- Chair, and Michael F. Trent. The purpose is to review the results of the internal and external audits, Reports of Examination from regulatory authorities and discuss the financial statements with management and external auditors and to report such to the Board of Directors.

The Audit Committee of MVB does not include an individual who is considered to be an audit committee financial expert. This is true for the entire Board of Directors as well, because no one meets the guidelines set forth by Section 407 of the Sarbanes-Oxley Act of 2002, for an audit committee financial expert. In the small community market area of MVB, individuals meeting the required credentials under the Act are very rare. All members of the Board of Directors are successful business owners and have knowledge of the requirements to run such a successful business. The directors of MVB, including those who are members of the Audit Committee, believe that having separate internal and external audits and regulatory examinations assist in insuring proper supervision, evaluation and reporting of MVB activities.

The Audit Committee met four times in 2009. The Committee meets with representatives Conley CPA Group, PLLC, who is responsible for the internal audit function of MVB and S.R. Snodgrass, A.C., who is responsible for the annual certified audit, as well as with the members of the regulatory authorities upon completion of their examinations of the Bank or MVB. During these meetings, the active management of the Bank or MVB, including CEO Mazza and CFO Tichenor, may be asked to leave the room to provide comfort of questioners and responders.

In the opinion of MVB's Board of Directors, none of the Board of Directors, except for Directors Martin and Mazza, has a relationship with MVB that would interfere with the exercise of independent judgment in carrying out their responsibilities as directors. None of them are or have for the past three years been employees of MVB, except for Directors Martin and Mazza, and none of their immediate family members are or have for the past three years been executive officers of MVB or Bank. In the opinion of MVB and its Board of Directors, the entire Board of Directors, except for Directors Martin and Mazza, are independent directors, as that term is defined in Rule 4200(a)(15) of the Rules of the Financial Industry Regulatory Authority. The Board of Directors of MVB has adopted a written charter for the Audit Committee, a copy of which was attached as Appendix A included in the Proxy Statement for the 2009 Annual Meeting of Shareholders as required by the Securities and Exchange Commission.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited financial statements for the year ended December 31, 2009, with management. The Audit Committee has also discussed the audited financial statements with S.R. Snodgrass, A.C., MVB's independent accountants, as well as the matters required to be discussed by Statement on Auditing Standards No. 61. (having to do with accounting methods used in the financial statements). The Audit Committee has received the written disclosures and the letter from S.R. Snodgrass, A.C. required by Independence Standards Board Standard No. 1 (having to do with matters that could affect the auditor's independence) and has discussed with S.R. Snodgrass, A.C., the independent accountants' independence. Based on this, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in MVB's Annual Report on Form 10-K for the year ended December 31, 2009, filed with the Securities and Exchange Commission.

Submitted by The Audit Committee,	
John W. Ebert	Kenneth F. Lowe, III
Harvey M. Havlichek	Louis Spatafore
Christine B. Ielapi	Michael F. Trent

March 10, 2010

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, unless MVB specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

Nominating Committee. The Board of Directors has not established a formal nominating committee as the entire Board serves in this capacity. The Board of Directors of MVB does not maintain a separate nominating committee, nor does it have a nominating committee charter, because the Board of Directors is relatively small and vacancies are rare. Because the full Board of Directors serves the function of the nominating committee, not all directors are independent.

The Board of Directors believes that candidates for director should have certain minimum qualifications, including:

Directors should be of the highest ethical character.

Directors should have excellent personal and professional reputations in MVB's market area.

Directors should be accomplished in their professions or careers.

Directors should be able to read and understand financial statements and either have knowledge of, or the ability and willingness to learn, financial institution law.

Directors should have relevant experience and expertise to evaluate financial data and provide direction and advice to the chief executive officer and the ability to exercise sound business judgment.

Directors must be willing and able to expend the time to attend meetings of the Board of Directors of MVB and the Bank and to serve on Board committees.

The Board of Directors will consider whether a nominee is independent, as legally defined. In addition, directors should avoid the appearance of any conflict and should be independent of any particular constituency and be able to serve all shareholders of MVB.

Because the directors of MVB may also serve as directors of the Bank, a majority of directors must be residents of West Virginia, as required by state banking law.

Directors must be acceptable to MVB's and the Bank's regulatory agencies, including the Federal Reserve Board, the Federal Deposit Insurance Corporation and the West Virginia Division of Banking and must not be under any legal disability which prevents them from serving on the Board of Directors or participating in the affairs of a financial institution.

Directors must own or acquire sufficient capital stock to satisfy the requirements of West Virginia law and the Bylaws of the Bank.

Directors must be at least 21 years of age. The Board of Directors of MVB reserves the right to modify these minimum qualifications from time to time, except where the qualifications are required by the laws relating to financial institutions.

The Board of Directors does not maintain a formal diversity policy with respect to the identification or selection of directors for nomination to the Board of Directors. Diversity is just one of many factors the Board of Directors considers in the identification and selection of director nominees. We define diversity broadly to include differences in race, gender, ethnicity, age, viewpoint, professional experience, educational background, skills and other personal attributes that can foster board heterogeneity in order to encourage and maintain board effectiveness. While diversity and variety of experiences and viewpoints represented on the board should always be considered, a director nominee should not be chosen nor excluded solely or largely because of race, color, gender, national origin or sexual orientation or identity. In selecting a director nominee, the Board of Directors focuses on skills, expertise or background that would complement the existing board, recognizing that MVB's businesses and operations are regional in nature. Our directors are residents of North Central West Virginia and of the Eastern Panhandle of West Virginia, our primary two markets. Our directors come from diverse backgrounds including the financial, industrial, professional and retail areas and information technology.

The process of the Board of Directors for identifying and evaluating nominees is as follows: In the case of incumbent directors whose terms are set to expire, the Board of Directors considers the directors' overall service to MVB or the Bank during their term, including such factors as the number of meetings attended, the level of participation, quality of performance and any transactions between such directors and MVB and the Bank. The Board of Directors also reviews the payment history of loans, if any, made to such directors by the Bank to ensure that the directors are not chronically delinquent and in default. The Board considers whether any transactions between the directors and the Bank have been criticized by any banking regulatory agency or the Bank's external auditors and whether corrective action, if required, has been taken and was sufficient. The Board of Directors also confirms that such directors remain eligible to serve on the Board of Directors of a financial institution under federal and state law. For new director candidates, the Board of Directors uses its network of contacts in MVB's market area to compile a list of potential candidates. The Board of Directors then meets to discuss each candidate and whether he or she meets the criteria set forth above. The Board of Directors then discusses each candidate's qualifications and chooses a candidate by majority vote.

The Board of Directors will consider director candidates recommended by stockholders for nomination by the Board of Directors, provided that the recommendations are received at least 120 days before the next annual meeting of shareholders. In addition, the procedures set forth below must be followed by stockholders for submitting nominations.

The Board of Directors does not intend to alter the manner in which it evaluates candidates, regardless of whether or not the candidate was recommended or nominated by a shareholder.

MVB's Bylaws provide that nominations for election to the Board of Directors must be made by a shareholder in writing delivered or mailed to the president not less than 14 days nor more than 50 days prior to the meeting called for the election of directors; provided, however, that if less than 21 days notice of the meeting is given to shareholders, the nominations must be mailed or delivered to the president not later than the close of business on the seventh day following the day on which the notice of meeting was mailed. The notice of nomination must contain the following information, to the extent known:

Name and address of proposed nominee(s);

Principal occupation of nominee(s);

Total shares to be voted for each nominee;

Name and address of notifying shareholder; and

Number of shares owned by notifying shareholder.

Nominations not made in accordance with these requirements may be disregarded by the chairman of the meeting and in such case the votes cast for each such nominee will likewise be disregarded. All nominees for election at the meeting are incumbent directors. No shareholder recommendations or nominations have been made.

The base salary is \$200,000 and is subject to adjustment annually by the Board of Directors. If terminated without cause, Mazza shall receive an amount equal to that payable under the Agreement over a period of twelve months and such benefits as provided at the time of termination. If terminated as a result of the legal disability, Mazza shall be entitled to receive benefits under MVB's long-term disability policy. Mazza, for the remaining term of the agreement, shall be entitled to receive an amount equal to the remaining term of the agreement less the long-term disability benefits. If terminated under a change in control of MVB or the Bank, Mazza would be entitled to receive compensation equal to that remaining on the contract and for an additional twelve months.

Turner's contract is for an initial term of five years, dated March 4, 2005. At the end of the contract, it may be renewed on an annual basis or he may become a part-time employee. Under the contract of Turner, the base salary is \$155,000, and is subject to adjustment annually at the discretion of the Board of Directors. If an individual is terminated without cause, the terminated party shall receive an amount equal to the balance remaining on the agreement and such benefits as provided at the time of termination. If terminated as a result of the legal disability of the individual, the disabled party shall be entitled to receive benefits under MVB's long-term disability policy. The disabled party, for the remaining term of the agreement, shall be entitled to receive an amount equal to the remaining term of the agreement less the long-term disability benefits. Upon change in control of MVB or the Bank, the individual has a one-year window during which they may elect to leave without any covenants not to compete. After one year from the change in control, the leaving window expires.

Under the terms of the contract signed by Procita, dated and effective March 5, 2007, Procita became President and Chief Executive Officer of MVB-East, Inc. The term of the contract is for three years. The agreement automatically renews for an additional three years on January 1 of each year unless written notice of non-renewal of the agreement is provided by December 1 of each year. Under the contract of Procita, the base salary is \$150,000, plus an incentive based upon loan production. Subsequently, the loan production incentive was deleted and the base salary adjusted to \$183,750 annually, and is subject to an adjustment annually at the discretion of the Board of Directors. If an individual is terminated without cause, the terminated party shall receive an amount equal to the balance remaining on the agreement and such benefits as provided at the time of termination. If terminated as a result of the legal disability of the individual, the disabled party shall be entitled to receive benefits under MVB's long-term disability policy. The disabled party, for the remaining term of the agreement, shall be entitled to receive an amount equal to the remaining term of the agreement less the long-term disability benefits. Upon change in control of MVB or the Bank, the individual has a one-year window during which they may elect to leave without any covenants not to compete. After one year from the change in control, the leaving window expires.

As a means of standardizing employment agreements, all contracted employees with rolling three-year renewal provisions in their contract received a letter of non-renewal prior to December 1, 2009, including Procita. It is anticipated that all currently contracted employees will be offered a one-year contract to include an annual renewal, including Turner and Procita.
