Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**(e) Amendment and Restatement of the Seattle Genetics, Inc. Amended and Restated 2007 Equity Incentive Plan**

On May 21, 2010, at the Company's 2010 Annual Meeting of Stockholders (the "Annual Meeting"), the stockholders of Seattle Genetics, Inc. (the "Company") approved the amendment and restatement of the Company's Amended and Restated 2007 Equity Incentive Plan (the "2007 Plan") to (i) increase the number of shares authorized for issuance under the 2007 Plan by 7,500,000 shares of the Company's common stock, (ii) revise the definition of "change in control" in the 2007 Plan to clarify that in no event will a change in control be deemed to occur upon announcement or commencement of a tender offer or upon a potential takeover or upon shareholder approval of a merger or other transaction, in each case without a change in control actually occurring, and (iii) revise the list of "qualifying performance criteria" set forth in the 2007 Plan to add U.S. Food and Drug Administration or other regulatory approval of a product candidate, and expand the list of permitted adjustments to such performance criteria. The amendment and restatement of the 2007 Plan (as so amended and restated, the "Restated 2007 Plan"), previously had been approved, subject to stockholder approval, by the Board of Directors of the Company. The Restated 2007 Plan became effective immediately upon stockholder approval at the Annual Meeting. The approval of the Restated 2007 Plan at the Annual Meeting is also intended to satisfy the stockholder approval requirements under Section 162(m) of the Internal Revenue Code of 1987, as amended (the "Code"), so as to permit the Company to deduct under federal income tax law certain amounts paid under the Restated 2007 Plan to executive officers that might otherwise not be deductible, and to permit the Company to grant "incentive stock options" eligible for special tax treatment under Code Section 422. In addition, as a result of the approval of the Restated 2007 Plan, the Company may issue stock awards under the Restated 2007 Plan to the Company's Chief Executive Officer and its three other most highly compensated officers (other than the Company's Chief Financial Officer) as awards for meeting the performance criteria set forth under the Company's Long Term Incentive Plan.

A more detailed summary of the material features of the Restated 2007 Plan is set forth in the Company's definitive proxy statement for the Annual Meeting filed with the Securities and Exchange Commission on April 9, 2010 (the "Proxy Statement"). That summary and the foregoing description is qualified in its entirety by reference to the text of the Restated 2007 Plan, which is filed as Exhibit 10.1 hereto and incorporated herein by reference.

Item 5.07. Submission of Matters to a Vote of Security Holders.
