Section 8 Other Events

Item 8.01. Other Events.

On June 30, 2010, Commonwealth Edison Company (ComEd) requested Illinois Commerce Commission (ICC) approval to increase electric distribution rates beginning in June 2011 to allow the utility to continue modernizing its electric delivery system and recover the cost of substantial investments made since the last rate filing in 2007. ComEd has requested an annual increase of \$396 million, which if granted, would increase the average residential customer's monthly electric bill by approximately seven percent. Attached as Exhibits 99.1 and 99.2 to this Current Report on Form 8-K are ComEd's press release regarding its filing with the ICC and the slide presentation summarizing the details of the electric distribution rate case.
