Item 5.07 Submission of Matters to a Vote of Security Holders.

Ligand Pharmaceutical Incorporated (Ligand) held a special meeting of stockholders on September 9, 2010. Set forth below is a brief description of each matter voted on at the meeting and the final voting results.

Proposal 1. A proposal to approve a series of six separate amendments to Ligand s Amended and Restated Certificate of Incorporation to effect a reverse stock split of Ligand s outstanding common stock at exchange ratios of 1-for-5, 1-for-6, 1-for-7, 1-for-8, 1-for-9 and 1-for-10, as determined by the Board of Directors, and a corresponding decrease in the number of authorized shares of Ligand s common stock on a proportional basis, subject to the Board of Directors authority to abandon such amendment. In accordance with the results below, Proposal 1 was approved:

Votes For	Votes Against	Abstentions	Broker Non-Votes
85,059,947	18,651,895	537,115	

With the approval of Proposal 1, Ligand s Board of Directors, in its discretion, may elect to amend Ligand s Amended and Restated Certificate of Incorporation to effect a reverse stock split at one of the approved exchange ratios until the time of Ligand s 2011 annual meeting of stockholders, or the Board of Directors may determine, in its discretion, not to proceed with any such amendment and reverse stock split. In determining which of the approved exchange ratios to implement, if any, the Board of Directors may consider, among other things, factors such as:

the historical trading price and trading volume of Ligand s common stock;

the then prevailing trading price and trading volume of Ligand s common stock and the anticipated impact of a reverse stock split on the trading market for Ligand s common stock;

Ligand s ability to continue its listing on the Nasdaq;

which of the alternative exchange ratios would result in the greatest overall reduction in Ligand s administrative costs; and

prevailing general market and economic conditions.

Proposal 2. A proposal to approve the adjournment of the special meeting, if necessary, to solicit additional proxies if there are not sufficient votes at the time of the special meeting to approve Proposal No. 1. In accordance with the results below, Proposal 2 was approved.
