R.R. Donnelley & Sons Company (the Company), as borrower, has entered into a \$1.75 billion revolving credit agreement (the Credit Agreement), dated as of December 17, 2010, among the Company, the lenders party thereto (the Lenders), and Bank of America, N.A., as administrative agent (the Agent). Citibank, N.A., JPMorgan Chase Bank, N.A., Morgan Stanley MUFG Loan Partners, LLC and Wells Fargo Bank, National Association acted as syndication agents for the Credit Agreement and Merrill Lynch, Pierce, Fenner & Smith Incorporated, Citigroup Global Markets Inc., J.P. Morgan Securities LLC, Morgan Stanley MUFG Loan Partners, LLC and Wells Fargo Securities LLC acted as joint lead arrangers and joint book runners for the Credit Agreement. The Credit Agreement expires December 17, 2013 (subject to a possible one-year extension if agreed to by the Lenders), at which time all outstanding amounts under the Credit Agreement will be due and payable. The Credit Agreement is available for borrowings by the Company if certain conditions precedent to each borrowing are met, including that (i) no event of default having occurred and being continuing and (ii) that the representations and warranties made in the Credit Agreement (other than the representation with respect to material adverse changes) are correct.

The Credit Agreement replaces the Company's previous credit agreement, dated as of January 8, 2007 among the Company, the banks party thereto and Bank of America, N.A., as administrative agent (the Existing Credit Agreement). All amounts outstanding under the Existing Credit Agreement were repaid with borrowings under the Credit Agreement.

At the Company's option, borrowings under the Credit Agreement will bear interest at a rate dependent on the Company's credit ratings at the time of such borrowing and will be calculated according to a base rate or a Eurocurrency rate plus an applicable margin, as the case may be. The Company must pay interest on borrowings not less often than quarterly. In addition, the Company must pay facility commitment fees quarterly in arrears at rates dependent on the Company's credit ratings.

The Credit Agreement contains customary covenants for transactions of this type, including two financial covenants: (i) an interest coverage ratio, as defined in the Credit Agreement, that must be maintained at a level of not less than 3.0 to 1 and (ii) a leverage ratio, as defined in the Credit Agreement, that must be maintained at a level of not greater than 4.0 to 1.

The Credit Agreement provides for customary events of default that are subject, in certain cases, to customary grace periods, including failure to pay any principal or interest when due, failure to comply with covenants, any representation made by the Company proving to be incorrect, defaults relating to other indebtedness of at least \$100,000,000 in the aggregate, certain insolvency and receivership events affecting the Company or its subsidiaries, judgments in excess of \$100,000,000 in the aggregate being rendered against the Company or its subsidiaries, the acquisition of 50% or more by any person of any outstanding class of capital stock having ordinary voting power in the election of directors of the Company, and the incurrence of certain ERISA liabilities.

In the event of a default by the Company, the Agent may, and at the direction of the requisite number of Lenders will, terminate the Lenders commitments to make loans under the Credit Agreement, declare the obligations under the Credit Agreement immediately due and payable and enforce any and all rights of the Lenders or Agent under the Credit Agreement and related documents. For certain events of default related to insolvency and receivership, the commitments of the Lenders are automatically terminated and all outstanding obligations become immediately due and payable.

Certain of the lenders, agents and other parties to the Credit Agreement, and their affiliates, have in the past provided, and may in the future provide, investment banking, underwriting, lending, commercial banking and other advisory services to the company and its subsidiaries. Such lenders, agents and other parties have received, and may in the future receive, customary compensation from the Company and its subsidiaries for such services.

The foregoing description of the Credit Agreement and related matters is qualified in its entirety by reference to the Credit Agreement, which is filed as Exhibit 99.1 hereto and incorporated herein by reference.
