**NEWS RELEASE**

**TIMMINS GOLD INCREASES OFFER FOR CAPITAL GOLD**

**BY ADDING US\$0.25 CASH PER SHARE**

**VANCOUVER, B.C.** **Timmins Gold Corp.** (TSX-V:TMM) today announced that it has delivered an increased offer to the Capital Gold Board of Directors for the merger of Timmins Gold and Capital Gold. Under the increased offer, Capital Gold shareholders will now receive 2.27 Timmins Gold common shares and US\$0.25 in cash for each share of Capital Gold common stock.

The increased offer provides Capital Gold shareholders with total consideration of US\$5.89 per Capital Gold share and exceeds the value of the Gammon offer by US\$0.47 (or 8.7%) per Capital Gold share, based on closing prices on March 14, 2011.

Our increased offer underscores our strong commitment to the merger of Timmins Gold and Capital Gold and reinforces the clear superiority of our offer over the proposed sale of Capital Gold to Gammon, stated Bruce Bragagnolo, CEO of Timmins Gold.

Mr. Bragagnolo continued, Following numerous meetings with Capital Gold shareholders, we know there is widespread support for the merger of Timmins Gold and Capital Gold, including from some of Capital Gold's largest institutional shareholders. In light of our increased offer, we urge the Board of Capital Gold to determine that our new proposal is superior to the Gammon offer and to withdraw its support for the Gammon transaction. The Gammon transaction significantly increases Capital Gold shareholders' exposure to underperforming assets. We are confident that the Board of Capital Gold will support our increased offer, which now delivers even greater value to its shareholders.

Timmins will amend the terms of its exchange offer, which has not yet commenced, for all of the outstanding shares of Capital Gold common stock to reflect the increased offer.

Sprott Resource Lending Partnership has agreed to provide Timmins Gold with a C\$15.0 million credit line and a C\$5 million working capital facility. Availability under the credit line and working capital facility is not contingent on completion of the merger of Timmins Gold and Capital Gold.
