**Item 1.01. Entry into a Material Definitive Agreement**

*Merger Agreement*

On October 9, 2011, Complete Production Services, Inc., a Delaware corporation (the Company), Superior Energy Services, Inc., a Delaware corporation (SPN), and SPN Fairway Acquisition, Inc., a newly formed Delaware corporation and an indirect wholly owned subsidiary of SPN (Merger Sub), entered into an Agreement and Plan of Merger (the Merger Agreement). Pursuant to the Merger Agreement, each share of common stock, par value \$0.01 per share, of the Company (Company Common Stock) issued and outstanding immediately prior to the effective date of the merger, will be converted automatically into the right to receive 0.945 shares of common stock, par value \$0.001 per share, of SPN (SPN Common Stock) and \$7.00 in cash (collectively, the Merger Consideration). Pursuant to the terms of the Merger Agreement, the Company will merge with and into Merger Sub (the Merger) with Merger Sub continuing as the surviving corporation and an indirect wholly owned subsidiary of SPN. The completion of the Merger is subject to customary conditions, including approvals of the Company's and SPN's stockholders and receiving certain antitrust approvals (including under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended).

Under the terms of the Merger Agreement and subject to certain limited exceptions, all outstanding options to acquire Company Common Stock will convert into options to acquire SPN Common Stock based on an exchange ratio described in the Merger Agreement and on the same economic terms and conditions as were applicable to such options immediately prior to the Merger. Similarly, subject to certain limited exceptions, all outstanding restricted Company Common Stock subject to vesting restrictions will convert into restricted shares of SPN Common Stock based on an exchange ratio described in the Merger Agreement and with the same economic terms and conditions as were applicable to the restricted shares of Company Common Stock immediately prior to the Merger.

The Merger Agreement contains customary representations, warranties and covenants by the Company and SPN. Both parties have agreed, among other things, not to solicit alternative transactions, and, subject to certain exceptions, not to enter into discussions concerning, or provide confidential information in connection with, any alternative transaction. Each party has agreed to use its reasonable best efforts to cause the Merger to be consummated. Subject to certain exceptions, the Merger Agreement requires the Company to call and hold a stockholders' meeting (the Company Stockholder Meeting) and for the Company's board of directors to recommend that the Company's stockholders adopt the Merger Agreement. The Merger Agreement also requires SPN to call and hold a stockholders' meeting (the SPN Stockholder Meeting) and for SPN's board of directors to recommend that SPN's stockholders vote to amend SPN's certificate of incorporation to increase the number of authorized shares of SPN common stock to 250,000,000 shares and approve the issuance of SPN Common Stock in connection with the Merger.

The Merger Agreement may be terminated under certain circumstances, including by either the Company or SPN if either party fails to obtain the required stockholder vote at the Company Stockholder Meeting or the SPN Stockholder Meeting, as applicable. In addition, either party may choose to terminate the Merger Agreement if: (i) prior to its stockholder vote, the party receives a Superior Proposal, as defined in the Merger Agreement, and after providing the other party with adequate notice and paying the required Termination Fee (described below), the party enters into a definitive agreement in connection with a Superior Proposal; or (ii) the other party's board of directors withdraws, amends, modifies or qualifies its recommendation in support of the Merger or fails to include its recommendation in support of the Merger in the joint proxy materials distributed to each party's respective stockholders. In each of these cases, either the Company or SPN, as applicable, may be required to pay the other party a termination fee in the amount of \$70 million (the Termination Fee).

If (i) an Alternative Proposal, as defined in the Merger Agreement, has been publicly disclosed and is not withdrawn at the time of the Company Stockholder Meeting or the SPN Stockholder Meeting, as applicable; and (ii) the Merger Agreement is terminated because the requisite stockholder vote is not obtained at such stockholder meeting, then the party that does not obtain the requisite vote of its stockholders may be required to repay the transaction costs incurred by the other party in connection with the Merger, up to a maximum of \$5 million. If within twelve (12) months of such termination the party that does not obtain the requisite vote of its stockholders enters into a definitive agreement for, or completes, an Alternative Proposal with the third party that made the Alternative Proposal prior to the applicable stockholder meeting, then such party may be required to pay the other party the Termination Fee, less the amount of any transaction costs previously paid. If an Alternative Proposal is not outstanding at the time of a party's meeting of stockholders and such party fails to obtain the requisite vote of its stockholders, such party may be required to repay all of the transaction costs incurred by the other party in connection with the Merger, which, in no event shall exceed \$4 million in the case of SPN's expenses and \$7.5 million in the case of the Company's expenses.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1 and incorporated herein by reference. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the Company or SPN. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential disclosure letters provided by each party to the other in connection with the signing of the Merger Agreement. The confidential disclosure letters contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between the Company and SPN rather than establishing matters of fact. Accordingly, you should not rely on the representations and warranties in the Merger Agreement as characterizations of the actual state of facts about the Company or SPN.
