NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(UNAUDITED)

NOTE 1 -- BASIS OF PRESENTATION AND NEW ACCOUNTING STANDARDS

Preparation of Interim Financial Statements

The accompanying consolidated financial statements were prepared by Clear Channel Outdoor Holdings, Inc. (the Company) pursuant to the rules and regulations of the Securities and Exchange Commission (SEC) and, in the opinion of management, include all normal and recurring adjustments necessary to present fairly the results of the interim periods shown. Certain information and footnote disclosures normally included in financial statements prepared in accordance with U.S. generally accepted accounting principles (GAAP) have been condensed or omitted pursuant to such SEC rules and regulations. Management believes that the disclosures made are adequate to make the information presented not misleading. Due to seasonality and other factors, the results for the interim periods are not necessarily indicative of results for the full year. The financial statements contained herein should be read in conjunction with the consolidated financial statements and notes thereto included in the Company s 2010 Annual Report on Form 10-K and Quarterly Reports on Form 10-Q for the periods ended March 31, 2011 and June 30, 2011.

The consolidated financial statements include the accounts of the Company and its subsidiaries and give effect to allocations of expenses from the Company s indirect parent entity, Clear Channel Communications, Inc. (Clear Channel Communications). These allocations were made on a specifically identifiable basis or using relative percentages of headcount or other methods management considered to be a reasonable reflection of the utilization of services provided. Also included in the consolidated financial statements are entities for which the Company has a controlling financial interest or is the primary beneficiary. Investments in companies in which the Company owns 20 percent to 50 percent of the voting common stock or otherwise exercises significant influence over operating and financial policies of the company are accounted for under the equity method. All significant intercompany transactions are eliminated in the consolidation process.

Certain prior-period amounts have been reclassified to conform to the 2011 presentation.

New Accounting Pronouncements

In December 2010, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2010-29, Business Combinations (Topic 805): Disclosure of Supplementary Pro Forma Information for Business Combinations. This ASU updates Topic 805 to specify that if a public entity presents comparative financial statements, the entity should disclose revenue and earnings of the combined entity as though the business combination that occurred during the current year had occurred as of the beginning of the comparable prior annual reporting period only. The amendments of this ASU are effective prospectively for business combinations for which the acquisition date is on or after the beginning of the first annual reporting period beginning on or after December 15, 2010. The Company adopted the provisions of ASU 2010-29 on January 1, 2011 without material impact to the Company s disclosures.

In April 2011, the FASB issued ASU No. 2011-04, Fair Value Measurement (Topic 820): Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and IFRSs. The amendments in this ASU change the wording used to describe many of the requirements in U.S. GAAP for measuring fair value and for disclosing information about fair value measurements. For many of the requirements, the FASB does not intend for the amendments in this ASU to result in a change in the application of the requirements in Topic 820. Some of the amendments clarify the FASB s intent about the application of existing fair value measurement requirements. Other amendments change a particular principle or requirement for measuring fair value or for disclosing information about fair value measurements. The amendments in this ASU are to be applied prospectively for interim and annual periods beginning after December 15, 2011. The Company does not expect the provisions of ASU 2011-04 to have a material effect on its financial position or results of operations.

In June 2011, the FASB issued ASU No. 2011-05, Comprehensive Income (Topic 220): Presentation of Comprehensive Income. This ASU improves the comparability, consistency, and transparency of financial reporting and increases the prominence of items reported in other comprehensive income by eliminating the option to present components of other comprehensive income as part of the statement of changes in stockholders equity. The amendments require that all nonowner changes in stockholders equity be presented either in a single continuous statement of comprehensive income or in two separate but consecutive statements. The changes apply for interim and annual financial statements and should be applied retrospectively, effective for fiscal years, and interim periods within those years, beginning after December 15, 2011. Early adoption is permitted. The Company currently complies with the provisions of this ASU by presenting the components of comprehensive income in a single continuous financial statement within its consolidated statement of operations for both interim and annual

periods.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

In September 2011, the FASB issued ASU No. 2011-08, *Intangibles-Goodwill and Other (Topic 350): Testing Goodwill for Impairment.* Under the revised guidance, entities testing goodwill for impairment have the option of performing a qualitative assessment before calculating the fair value of the reporting unit (i.e., step 1 of the goodwill impairment test). If entities determine, on the basis of qualitative factors, that the fair value of the reporting unit is more likely than not less than the carrying amount, the two-step impairment test would be required. The ASU does not change how goodwill is calculated or assigned to reporting units, nor does it revise the requirement to test goodwill annually for impairment. The amendments are effective for annual and interim goodwill impairment tests performed for fiscal years beginning after December 15, 2011. Early adoption is permitted. The Company adopted the provisions of this ASU as of October 1, 2011 and is currently evaluating the impact of adoption.

Indefinite-lived Intangible Assets

The Company s indefinite-lived intangibles consist primarily of billboard permits in its Americas segment. Due to significant differences in both business practices and regulations, billboards in the International segment are subject to long-term, finite contracts unlike the Company s permits in the United States and Canada. Accordingly, there are no indefinite-lived assets in the International segment.

The following table presents the changes in the carrying amount of goodwill in each of the Company s reportable segments.

Clear Channel Communications Refinancing Transactions

Edgar Filing: Clear Channel Outdoor Holdings, Inc. - Form 10-Q

During the first six months of 2011 Clear Channel Communications amended its senior secured credit facilities and its receivables based credit facility (the Amendments) and issued \$1.75 billion aggregate principal amount of 9.0% Priority Guarantee Notes due 2021 (the 9.0% Priority Guarantee Notes). In February 2011, Clear Channel Communications issued \$1.0 billion aggregate principal amount of the 9.0% Priority Guarantee Notes (the February 2011 Offering), and in June 2011, Clear Channel Communications issued \$750.0 million aggregate principal amount of the 9.0% Priority Guarantee Notes (the June 2011 Offering). Clear Channel Communications used a portion of the proceeds from the February 2011 Offering to prepay \$500.0 million of the indebtedness outstanding under its senior secured credit facilities. As a result of the prepayment, the revolving credit commitments under Clear Channel Communications revolving credit facility were permanently reduced from \$2.0 billion to \$1.9 billion and the sub-limit under which certain of the Company s international subsidiaries may borrow (to the extent that Clear Channel Communications has not already borrowed against this capacity) was reduced from \$150.0 million to \$145.0 million. The Amendments, among other things, provide greater flexibility for the Company and its subsidiaries to incur new debt, provided that the net proceeds distributed to Clear Channel Communications from the issuance of such new debt are used to pay down senior secured credit facility indebtedness.

NOTE 4 -- SUPPLEMENTAL DISCLOSURES

Income tax benefit (expense)

The Company s income tax benefit (expense) for the three and nine months ended September 30, 2011 and 2010, respectively, consisted of the following components:

| (In thousands) | Three Mos Septen | | Nine Months Ended September 30, | | | |
|--------------------------------|---------------------|----------------|---------------------------------|----------|------------|--|
| | 2011 | 2010 | | 2011 | 2010 | |
| Current tax expense | \$ (8,321) | \$ (1,418) | \$ | (24,751) | \$(19,106) | |
| Deferred tax benefit (expense) | (2,681) | (17,411) | | 13,744 | 11,722 | |
| Income tax expense | \$ (11,002) | \$ (18,829) | \$ | (11,007) | \$ (7,384) | |

The effective tax rate for the three and nine months ended September 30, 2011 was 52.9% and 24.7%, respectively. The effective tax rate for the three months ended September 30, 2011 was primarily impacted by increases in tax expense attributable to an increase in unrecognized tax benefits and the Company s inability to record the benefit of losses in certain foreign jurisdictions. The effective tax rate for the nine months ended September 30, 2011 was primarily impacted by the Company s settlement of U.S. Federal and state tax examinations during the period. Pursuant to the settlements, the Company recorded a reduction to income tax expense of approximately \$3.5 million to reflect the net tax benefits of the settlements. In addition, the effective tax rate for the nine months ended September 30, 2011 was impacted by the Company s ability to benefit from certain tax loss carryforwards in foreign jurisdictions due to increased taxable income during 2011, where the losses previously did not provide a benefit. The effects of these items were partially offset by the items mentioned above related to the three months ended September 30, 2011.

The Company s effective tax rate for the three and nine months ended September 30, 2010 was (144.3%) and (9.7%), respectively. The 2010 effective tax rates were impacted primarily as a result of the Company s inability to benefit from tax losses in certain foreign jurisdictions due to the uncertainty of the ability to utilize those losses in future years. In addition, during the three months ended September 30, 2010, the Company recorded a valuation allowance of \$13.4 million against deferred tax assets in foreign jurisdictions due to the uncertainty of the ability to realize those assets in future periods.

During the nine months ended September 30, 2011 and 2010, cash paid for interest and income taxes, net of U. S. Federal income tax refunds of \$51.0 million for the nine months ended September 30, 2010, was as follows:

| (In thousands) | Nine Months Ende | d September 30, |
|----------------|------------------|-----------------|
| | 2011 | 2010 |
| Interest | \$ 176,070 | \$ 175,919 |
| Income taxes | \$ 27,050 | \$ (29,656) |

NOTE 5 -- FAIR VALUE MEASUREMENTS

The Company holds marketable equity securities classified in accordance with the provisions of ASC 320-10. These marketable equity securities are measured at fair value on each reporting date using quoted prices in active markets. Due to the fact that the inputs used to measure the marketable equity securities at fair value are observable, the Company has categorized the fair value measurements of the securities as Level 1.

Edgar Filing: Clear Channel Outdoor Holdings, Inc. - Form 10-Q

The Company records its investments in these marketable equity securities on the balance sheet as Other Assets.

The cost, unrealized holding gains or losses, and fair value of the Company s investments at September 30, 2011 and December 31, 2010 are as follows:

| (In thousands) | | September | 30, 2011 | | December 31, 2010 | | | | | | |

CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

(UNAUDITED)

NOTE 6 -- COMMITMENTS AND CONTINGENCIES

The Company and its subsidiaries are currently involved in certain legal proceedings arising in the ordinary course of business and, as required, the Company has accrued its estimate of the probable costs for resolution of those claims for which the occurrence of loss is probable and the amount can be reasonably estimated. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in the Company s assumptions or the effectiveness of its strategies related to these proceedings.

On or about July 12, 2006 and April 12, 2007, two of the Company s operating businesses (L&C Outdoor Ltda. (L&C) and Publicidad Klimes Sao Paulo Ltda. (Klimes), respectively) in the São Paulo, Brazil market received notices of infraction from the state taxing authority, seeking to impose a value added tax (VAT) on such businesses, retroactively for the period from December 31, 2001 through January 31, 2006. The taxing authority contends that these businesses fall within the definition of communication services and as such are subject to the VAT.

L&C and Klimes have filed separate petitions to challenge the imposition of this tax. L&C s challenge was unsuccessful at the first administrative level, but successful at the second administrative level. The state taxing authority filed an appeal to the third and final administrative level, which required consideration by a full panel of 16 administrative law judges. On September 27, 2010, L&C received an unfavorable ruling at this final administrative level, which concluded that the VAT applied. L&C intends to appeal this ruling to the judicial level. In addition, L&C has filed a petition to have the case remanded to the second administrative level for consideration of the reasonableness of the amount of the penalty assessed against it. The amounts allegedly owed by L&C are approximately \$8.8 million in taxes, approximately \$17.5 million in penalties and approximately \$31.6 million in interest (as of September 30, 2011 at an exchange rate of 0.547). On August 8, 2011, Brazil s National Council of Fiscal Policy (CONFAZ) published a rule authorizing sixteen states, including the State of São Paulo, to reduce the principal amount of VAT allegedly owed for communications services; the rule also authorizes the states to reduce or waive related interest and penalties. The State of São Paulo ratified the amnesty in late August 2011. However, it is not required to reduce the principal amount of VAT or waive the payment of penalties and interest. In late 2011 or early 2012, the Company expects the São Paulo state legislature to pass legislation setting forth the precise terms of the amnesty. Based on the uncertainty of any amnesty terms that may be offered, the Company does not know whether the offered terms will be acceptable. Accordingly, the Company continues to vigorously pursue its case in the administrative courts and, if necessary, in the relevant appellate courts. At September 30, 2011, the range of reasonably possible loss is from zero to approximately \$58 million. The maximum loss that could ultimately be paid depends on the timing of the final resolution at the judicial level and applicable future interest rates. Based on the Company s review of the law, the outcome of similar cases at the judicial level and the advice of counsel, the Company has not accrued any costs related to these claims and believes the occurrence of loss is not probable.

Klimes challenge was unsuccessful at the first administrative level, and denied at the second administrative level on or about September 24, 2009. On January 5, 2011, the administrative law judges at the third administrative level published a ruling that the VAT applies but significantly reduced the penalty assessed by the taxing authority. With the penalty reduction, the amounts allegedly owed by Klimes are approximately \$9.9 million in taxes, approximately \$4.9 million in penalties and approximately \$19.3 million in interest (as of September 30, 2011 at an exchange rate of 0.547). In late February 2011, Klimes filed a writ of mandamus in the 13th lower public treasury court in São Paulo, State of São Paulo, appealing the administrative court s decision that the VAT applies. On that same day, Klimes filed a motion for an injunction barring the taxing authority from collecting the tax, penalty and interest while the appeal is pending. The court denied the motion in early April 2011. Klimes filed a motion for reconsideration with the court and also appealed that ruling to the São Paulo State Higher Court, which affirmed in late April 2011. On June 20, 2011, the 13th lower public treasury court in São Paulo reconsidered its prior ruling and granted Klimes an injunction suspending any collection effort by the taxing authority until a decision on the merits is obtained at the first judicial level. On August 8, 2011, Brazil s National Council of Fiscal Policy (CONFAZ) published a rule authorizing sixteen states, including the State of São Paulo, to reduce the principal amount of VAT allegedly owed for communications services; the rule also authorizes the states to reduce or waive related interest and penalties. The State of São Paulo ratified the amnesty in late August 2011. However, it is not required to reduce the principal amount of VAT or waive the payment of penalties and interest. In late 2011 or early 2012, the Company expects the São Paulo state legislature to pass legislation setting forth the precise terms of the amnesty. Based on the uncertainty of any amnesty terms that may be offered, the Company does not know whether the offered terms will be acceptable. Accordingly, the Company continues to vigorously pursue its appeal in the 13th lower public treasury court. At September 30, 2011, the range of reasonably possible loss is from zero to approximately \$34 million.

Edgar Filing: Clear Channel Outdoor Holdings, Inc. - Form 10-Q

The maximum loss that could ultimately be paid depends on the timing of the final resolution at the judicial level and applicable future interest rates. Based on the Company s review of the law, the outcome of similar cases at the judicial level and the advice of counsel, the Company has not accrued any costs related to these claims and believes the occurrence of loss is not probable.
