Item 1.01 Entry into a Material Definitive Agreement.

On December 30, 2011, Badger Meter, Inc. (the Company), RFI Acquisition Corp., a wholly-owned subsidiary of the Company ( Merger Sub ), Racine Federated Inc. ( Racine Federated ) and the Shareholders Representative named therein entered into an Acquisition Agreement (the Acquisition Agreement ). Pursuant to the Acquisition Agreement, the Company has agreed, subject to the terms and conditions set forth in the Acquisition Agreement, to acquire all of the outstanding shares of Racine Federated through a merger of Merger Sub with and into Racine Federated, with Racine Federated surviving and becoming a wholly-owned subsidiary of the Company. The Company will pay cash consideration of \$57.1 million, subject to certain adjustments (the transaction consideration ), plus an additional \$200,000 in consideration for certain of Racine Federated s shareholders agreeing to certain restrictive covenants, including non-competition, non-solicitation and confidentiality covenants. The transaction consideration is subject to post-closing adjustments based on a determination of closing net working capital and closing indebtedness. In accordance with the Acquisition Agreement, \$5.5 million of the transaction consideration will be held back by the Company to support the post-closing working capital and indebtedness adjustments, and to support the indemnification obligations of Racine Federated s shareholders.

The Acquisition Agreement includes customary representations, warranties and covenants of Racine Federated, the Company and Merger Sub. The consummation of the transaction is subject to the approval of Racine Federated s shareholders and other customary closing conditions. The Acquisition Agreement contains certain termination rights for both the Company and Racine Federated.

The foregoing description of the Acquisition Agreement does not purport to be complete and is qualified in its entirety by reference to the Acquisition Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

There are representations and warranties contained in the Acquisition Agreement which were made by the parties to each other as of specific dates. The assertions embodied in these representations and warranties were made solely for purposes of the Acquisition Agreement and may be subject to important qualifications and limitations agreed to by the parties in connection with negotiating its terms. Moreover, certain representations and warranties may not be accurate or complete as of any specified date because they are subject to a contractual standard of materiality that is different from certain standards generally applicable to shareholders or were used for the purpose of allocating risk between the parties rather than establishing matters as facts. For the foregoing reasons, the representations and warranties in the Acquisition Agreement should not be relied on as statements of factual information.

Item 9.01 Financial Statements and Exhibits.

The exhibit listed in the accompanying Exhibit Index is filed as part of this Current Report on Form 8-K.
