ITEM 2.02 Results of Operations and Financial Condition

On February 21, 2012, Community Health Systems, Inc. (the Company) announced operating results for the fourth quarter and year ended December 31, 2011. A copy of the press release making this announcement is attached as Exhibit 99.1 to this Form 8-K and is incorporated by reference into this Item 2.02.

ITEM 7.01 Regulation FD Disclosure

The press release referred to in Item 2.02 above also includes the Company's 2012 annual earnings guidance. The 2012 guidance is based on the Company's historical operating performance, current trends and other assumptions that the Company believes are reasonable at this time as set forth on pages 13, 14 and 15 of this press release. A copy of the press release making this announcement is attached as Exhibit 99.1 to this Form 8-K and is incorporated by reference into this Item 7.01.

On February 15, 2012, the Company received from CtW Investment Group (CtW) a letter dated January 25, 2012. In 2011, the Company had received letters from CtW that applied a statistical analysis of short-stay admissions at the Company's hospitals and drew certain conclusions about billing practices at the Company's hospitals. CtW had also been critical of the Company's Board of Directors' response and oversight of the matters previously alleged by CtW. The January 25, 2012 letter from CtW discusses the inherent limitations in using only publicly available data to draw such conclusions and points out that other factors can affect admission and length of stay patterns. The letter also concludes that CtW is now satisfied with the commitment of the Company, its management, and its Board of Directors to acting in accordance with their respective duties and obligations. A copy of the January 25, 2012 letter is attached as Exhibit 99.2 to this Form 8-K and is incorporated by reference into this item 7.01.
