The Fund has one series of Preferred Stock outstanding which is classified as Series A Preferred Stock. Each Share is entitled to one vote at the Meeting with respect to matters to be voted on by the class to which such Share belongs, with pro rata voting rights for any fractional Shares. No Shares have cumulative voting rights. The holders of the Preferred Stock, voting as a class, however, have the sole right to elect the director designated as the Preferred Stock director. PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors currently consists of six Directors, four of whom are not interested persons of the Fund (as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")). The Directors are divided into three classes and are elected for staggered terms of three years each, with a term of office of one of the three classes of Directors expiring each year. Each Director will hold office for the term to which he is elected and until his successor is duly elected and qualifies.

The classes of Directors are indicated below:

Nominees to Serve Until 2015 Annual Meeting of Shareholders

Barry Cohen (Preferred Stock elected Director)

Elliot Stein, Jr.

Directors Serving Until 2013 Annual Meeting of Shareholders

Glenn N. Marchak

Todd J. Slotkin

Directors Serving Until 2014 Annual Meeting of Shareholders

Carl J. Rickertsen

John J. Hannan (Preferred Stock elected Director)

Under the Fund's Charter and the 1940 Act, holders of the Fund's Preferred Stock, voting as a separate class, are entitled, to the exclusion of holders of Common Stock, to elect two Directors, and holders of the Fund's Common Stock and Preferred Stock, voting together as a single class, are entitled to elect the remaining Directors. The holders of the Fund's outstanding Preferred Stock would be entitled to elect the minimum number of additional Directors that would represent a majority of the Directors in the event that dividends on the Fund's Preferred Stock are in arrears for two full years. No dividend arrearages exist as of the date of this Proxy Statement. Messrs. Cohen and Hannan are currently the Directors elected solely by the holders of the Fund's Preferred Stock. A quorum of the Preferred Stockholders must be present in person or by proxy at the Meeting in order for the proposal to elect Mr. Cohen to be considered. As noted above, the Fund holds a proxy for the holder of all of the outstanding Shares of Preferred Stock.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE NOMINEES NAMED IN THIS PROXY STATEMENT

Messrs. Cohen and Stein, each a Class I Director of the Fund, have each been nominated for a three-year term to expire at the Fund's 2015 Annual Meeting of Shareholders and when his successor is duly elected and qualifies. Mr. Cohen has been designated for election by the holders of Preferred Stock. Each of Messrs. Cohen and Stein has consented to continue to serve as a Director if elected at the Meeting.

It is intended that all properly executed proxies will be voted (unless such authority has been withheld in the proxy or revoked as described herein) **FOR** the nominees named in this Proxy Statement. The Board knows of no reason why any of the nominees will be unable to serve, but in the event of any such unavailability, the proxies received will be voted for such substitute nominee or nominees as the Board may recommend.

Additional information about each Director follows that describes some of the specific experiences, qualifications, attributes or skills that each Director possesses which the Board believes has prepared him to be an effective Director. The Board believes that the significance of each Director's experience, qualifications, attributes or skills is an individual matter (meaning that experience that is important for one Director may not have the same value for another) and that these factors are best evaluated at the Board level, with no single Director, or particular factor, being indicative of Board effectiveness. However, the Board believes that Directors need to have the ability to critically review, evaluate, question and discuss information provided to them, and to interact effectively with Fund management, service providers and counsel, in order to exercise effective business judgment in the performance of their duties. Experience relevant to having this ability may be achieved through a Director's educational background; business, professional training or practice (e.g., accounting, finance or law);

public service or academic positions; experience from service as a board member or as an executive of investment funds, public companies or significant private or not-for-profit entities or other organizations; and/or other life experiences. To assist them in evaluating matters under federal and state law, the Independent Directors are counseled by their own independent legal counsel, who participates in Board meetings and interacts with the Adviser, and also may benefit from information provided by the Fund's or the Adviser's counsel; both counsel to the Independent Directors and the Fund have significant experience advising funds and fund board members. The Board and its committees have the ability to engage other experts as appropriate. The Board evaluates its performance on an annual basis.

Board Composition and Leadership Structure

The 1940 Act requires that at least 40% of the Directors be Independent Directors. Currently, four of the six Directors are Independent Directors. The Independent Directors exercise their informed business judgment to appoint an individual of their choosing to serve as Chairman, regardless of whether the Director happens to be independent or a member of management. The Board has determined that its leadership structure, in which the Chairman of the Board is an interested person of the Fund, is appropriate because the Independent Directors believe that an interested Chairman has a personal and professional stake in the quality and continuity of services provided by management to the Fund. The Independent Directors have determined that they can act independently and effectively without having an Independent Director serve as Chairman and that a key factor for assuring that they are in a position to do so is for the Directors who are independent of management to constitute a substantial majority of the Board. In addition, the Independent Directors have designated a Lead Independent Director who chairs meetings or executive sessions of the Independent Directors, reviews and comments on Board meeting agendas, represents the views of the Independent Directors to management and facilitates communication among the Independent Directors and their counsel and between management and the Independent Directors.

Board's Oversight Role

The Board's primary role is oversight of the management of the Fund. As is the case with virtually all investment companies (as distinguished from operating companies), service providers to the Fund, primarily the Adviser, have responsibility for the day-to-day management of the Fund, which includes responsibility for risk management (including management of investment performance and investment risk, valuation risk, issuer and counterparty credit risk, compliance risk and operational risk). As part of its oversight, the Board, acting at its scheduled meetings, or the Chairman or Lead Independent Director, acting between Board meetings, regularly interacts with and receives reports from senior personnel of service providers. The Board's Audit Committee (which consists of all the Independent Directors) meets regularly, and between meetings the Audit Committee Chair maintains contact with the Fund's independent registered public accounting firm and the Fund's Treasurer. The Board also receives periodic presentations from senior personnel of the Adviser or its affiliates regarding risk management, as well as periodic presentations regarding specific operational, compliance or investment areas and controls, such as business continuity, personal trading, valuation, credit and investment research. The Adviser and other service providers have adopted a variety of policies, procedures and controls designed to address the Fund's particular risks. However, it is not possible to eliminate, or mitigate, all of the risks applicable to the Fund. The Board receives reports from Fund counsel or counsel to the Adviser and the Independent Directors' own independent legal counsel regarding regulatory, compliance and governance matters. The Board's oversight role does not make the Board a guarantor of the Fund's investments or activities or the activities of any of the Fund's service providers.

Compensation of Directors and Executive Officers

During the fiscal year ended December 31, 2011, the Board held eight meetings. Each Director of the Fund attended at least 75% of the meetings of Directors and of any Committee of which he was a member. The compensation paid by the Fund to the Independent Directors for the fiscal year ended December 31, 2011 is set forth below. No compensation is paid by the Fund to the Interested Directors. Ms. Sarsfield, the Fund's Treasurer and Chief Financial Officer, received compensation from the Fund in the amount of \$92,523. No other officers received compensation from the Fund in excess of \$60,000. The Adviser waived the right to expense reimbursements and investment advisory fees totaling \$273,747 for the period ended December 31, 2011.

The Fund reimbursed the Independent Directors a total of \$4,539 for out-of-pocket expenses incurred in attending the Meetings for the period ended December 31, 2011.

The Board has an Audit Committee comprised of each of the Fund's Independent Directors, each of whom is also independent under the rules of the NYSE. The Audit Committee met five times during the Fund's fiscal year ended December 31, 2011. The functions of the Audit Committee are to (a) assist the Board in its oversight of (i) the integrity of the financial statements of the Fund; (ii) the independent registered public accounting firm's (the Independent Auditor) qualifications and independence; (iii) the performance of the Fund's internal audit function and Independent Auditor; and (iv) the compliance by the Fund with legal and regulatory requirements and (b) prepare an audit committee report as required by Regulation S-K under the 1934 Act. The Audit Committee Charter, which describes the Audit Committee's purpose and duties, is available at www.agmfunds.com/InvestmentInformation/FundDocuments.aspx. Audit Committee Report

The Audit Committee oversees the Fund's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal control over financial reporting. In fulfilling its oversight responsibilities, the Audit Committee reviewed and discussed with management the audited financial statements in the Fund's Annual Report for the fiscal year ended December 31, 2011.

The Audit Committee reviewed with the Independent Auditor, which is responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Fund's accounting principles and such other matters as are required to be discussed with the committee under the standards of the Public Company Accounting Oversight Board (United States) (PCAOB). In addition, the Audit Committee has discussed with the Independent Auditor the Independent Auditor's independence from management and the Fund, including the Independent Auditor's letter and the matters in the written disclosures required by the PCAOB provided to the Audit Committee.

The members of the Audit Committee are not, and do not represent themselves to be, professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management, or internal control purposes. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and/or financial reporting principles and policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not guarantee that the audit of the Fund's financial statements has been carried out in accordance with the standards of the PCAOB or that the financial statements are presented in accordance with generally accepted accounting principles (United States).

Based on its consideration of the audited financial statements and the discussions referred to above with management and the Independent Auditor, and subject to the limitations on the responsibilities and role of the Audit Committee set forth in the Audit Committee Charter and those discussed above, the Audit Committee recommended to the Fund's Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2011.

Nominating and Corporate Governance Committee

The Board has a Nominating and Corporate Governance Committee comprised of each of the Fund's Independent Directors. The Nominating and Corporate Governance Committee of the Fund met twice during the fiscal year ended December 31, 2011. The functions of the Nominating and Corporate Governance Committee include identifying, selecting or recommending qualified nominees to be elected to the Board at the annual meetings of shareholders (consistent with criteria approved by the Board); identifying, selecting or recommending qualified nominees to fill any vacancies on the Board or a committee thereof (consistent with criteria approved by the Board); overseeing the evaluation of the Board, any committees thereof and management; and undertaking such other duties and responsibilities as may from time to time be delegated by the Board to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee charter is available at www.agmfunds.com/InvestmentInformation/FundDocuments.aspx. This reference to the website does not incorporate the content of the website into this Proxy Statement.

The Nominating and Corporate Governance Committee has not established any specific minimum qualifications that must be met for the Committee to consider a nominee. In nominating candidates, including candidates recommended by shareholders as provided below, the Nominating and Corporate Governance Committee will take into consideration such factors as it deems appropriate, including to the extent required, compliance with the independence and other applicable requirements, of the federal securities laws, the listing standards of the NYSE and any other applicable laws, rules or regulations; a candidate's experiences, qualifications, attributes or skills described above under **Information About Each Director's Experience, Qualifications, Attributes or Skills**; and personal and professional integrity, character, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate. The Fund's Nominating and Corporate Governance Committee may consider whether a potential nominee's professional experience, education, skills, and other individual qualities and attributes, including gender, race or national origin, would provide beneficial diversity of skills, experience or perspective to the Board's membership and collective attributes. Such considerations will vary based on the Board's existing membership and other factors, such as the strength of a potential nominee's overall qualifications relative to diversity considerations. The Fund's Nominating and Corporate Governance Committee will consider Director candidates recommended by shareholders and submitted in accordance with applicable law and procedures as described in this Proxy Statement (see **Submission of Shareholder Proposals** below.)
