Item 1.01 Entry into a Material Definitive Agreement

Agreement and Plan of Merger

On June 29, 2012, Ingram Micro Inc., a Delaware corporation (*Ingram Micro*), Brightpoint, Inc., an Indiana corporation (*Brightpoint*) and Beacon Sub, Inc., an Indiana corporation and wholly-owned subsidiary of Ingram Micro (*Merger Subsidiary*) entered into an Agreement and Plan of Merger (the *Merger Agreement*) under which Ingram Micro will acquire Brightpoint. Pursuant to the Merger Agreement, and subject to the satisfaction or waiver of the conditions therein, Merger Subsidiary will be merged with and into Brightpoint (the *Merger*) and Brightpoint will become a wholly-owned subsidiary of Ingram Micro. As a result of the Merger, each share of Brightpoint common stock, par value \$0.01 per share (*Common Stock*), issued and outstanding immediately prior to the effective time of the Merger (the *Effective Time*), other than treasury shares and shares held by any direct or indirect subsidiary of Brightpoint or Ingram Micro, will be converted into the right to receive \$9.00 in cash, without interest.

The Merger Agreement also provides that at the Effective Time, each outstanding restricted stock unit, restricted stock award and restricted share of Common Stock granted under any company stock plan will be converted into the right to receive \$9.00 in cash.

The Merger Agreement contains customary representations, warranties and covenants by each of Ingram Micro and Brightpoint.

The parties' obligations to complete the Merger are conditioned upon (i) the receipt of antitrust approvals or the expiration or early termination of waiting periods, as applicable, in the United States, the European Union and certain other jurisdictions, (ii) approval of the Merger Agreement by the holders of a majority of the outstanding shares of Brightpoint's Common Stock and (iii) other customary closing conditions.

The Merger Agreement contains certain termination rights for both Ingram Micro and Brightpoint and further provides that, upon termination of the Merger Agreement under certain circumstances, Brightpoint may be obligated to pay Ingram Micro a termination fee of \$26 million.

The Merger Agreement has been filed as an exhibit to this Form 8-K to provide you with information regarding the terms of the agreement and is not intended to modify or supplement any factual disclosures about Ingram Micro in its public reports filed with the Securities and Exchange Commission (the *SEC*). In particular, the Merger Agreement and related summary are not intended to be, and should not be relied upon as, disclosures regarding any facts and circumstances relating to Ingram Micro or Brightpoint. The representations and warranties have been negotiated with the principal purpose of establishing the circumstances in which a party may have the right not to close the merger if the representations and warranties of the other party prove to be untrue due to a change in circumstance or otherwise, and allocate risk between the parties, rather than establishing matters as facts.

The foregoing description of the Merger Agreement does not purport to be complete, and is qualified in its entirety by reference to such agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Debt Commitment Letter

In connection with the Merger Agreement, Ingram Micro entered into a commitment letter (the *Debt Commitment Letter*) with Morgan Stanley Senior Funding, Inc. (*Morgan Stanley*) on June 29, 2012, pursuant to which Morgan Stanley has committed to provide up to \$300 million under a 364-day senior unsecured bridge term loan facility (the *Facility*). The Facility is intended to be used to finance a portion of the merger consideration and related fees and expenses to the extent that Ingram Micro does not finance such consideration through (i) available cash and borrowings under its existing credit agreement and/or (ii) the issuance of unsecured debt and equity securities or other debt financing at or prior to the closing of the Merger. If Ingram Micro chooses to draw under the Facility, it may refinance all or a portion of the Facility at a later date. Morgan Stanley will act as sole lead arranger, sole bookrunner and administrative agent for the Facility. The commitment to provide the Facility is subject to certain conditions, including the negotiation of definitive documentation and other customary closing conditions. The funding under the Facility is not a condition to the obligations of Ingram Micro under the terms of the Merger Agreement. Ingram Micro will pay customary fees and expenses in connection with obtaining the Facility and has agreed to indemnify the lenders if certain losses are incurred by the lenders in connection therewith.

The foregoing summary of certain terms of the Debt Commitment Letter does not purport to be complete and is subject to, and qualified in its entirety by, the full text of the Debt Commitment Letter, a copy which is filed as Exhibit 10.1 hereto and is incorporated herein by reference.

Item 8.01 Other Events

On July 2, 2012, Ingram Micro and Brightpoint issued a joint press release announcing that they had entered into the Merger Agreement.

A copy of the press release is furnished as Exhibit 99.1.
