Pricing Supplement No. 26 (continued)

Series: This is a reopening of the Notes that we initially issued on August 7, 2012. As of September 6, 2012, there is \$15,000,000 in aggregate principal amount of the Notes outstanding, not including the Notes offered by this pricing supplement. All of the Notes being offered hereby are a part of the same series of, and have the same CUSIP as, the Notes that initially settled on August 7, 2012. Upon settlement, the Notes offered by this pricing supplement will be fungible with the \$15,000,000 in aggregate principal amount of the Notes that we have previously issued.

We may reopen this series of Notes, and issue additional Notes of this series, under the Indenture in the future.

Interest Accrual: Because these Notes form a part of the same series of Notes that were first issued on August 7, 2012, Investors who purchase these Notes will be required to pay, in addition to the purchase price of the Notes set forth above, an amount equal to the interest that has accrued on the Notes from and including the Interest Accrual Date (August 7, 2012) up to, but not including, the Reopening Settlement Date (expected to be September 11, 2012) or \$3.31 per Note.

Optional Redemption: The Notes are not redeemable prior to September 15, 2013. Commencing September 15, 2013, the Notes may be redeemed in whole, but not in part, on such date or on any interest payment date thereafter. Zions Bancorporation will provide notice, in writing, of the optional redemption not less than five business days before the redemption date.

Redemption Price: 100% of the principal amount of the Notes being redeemed plus accrued interest thereon up to, but not including, the redemption date.

Use of Proceeds: The net cash proceeds from the sale will be used for general corporate purposes. Pending such use, we may temporarily invest net proceeds in interest-bearing, investment-grade securities.

Exchange Listing: We have not determined whether we will file an application to list the Notes on the New York Stock Exchange. However, in the event that we elect to file such an application, there can be no assurance that the NYSE will approve the Notes for listing.

Denomination: We will issue the Notes in denominations of \$1,000 and in integral multiples thereof.

Book-Entry System: The Notes will be issued only in fully registered form without interest coupons. Beneficial interests in the Notes will be shown on, and transfers of those beneficial interest can only be made through, records maintained by the Depository Trust Company and its participants.
