This Amendment No. 3 to the Tender Offer Statement on Schedule TO (the "Schedule TO") amends and supplements the Schedule TO relating to the tender offer by (i) Industrial Components and Attachments II, Inc., a Delaware corporation ("Purchaser") and an indirect wholly-owned subsidiary of Toyota Industries Corporation, a corporation formed under the laws of Japan ("Parent") and (ii) Parent, for all of the outstanding shares of common stock, par value \$.50 per share (the "Shares"), of Cascade Corporation, an Oregon corporation (the "Company"), at a price of \$65.00 per Share net to the seller in cash without interest and less any applicable withholding taxes, upon the terms and conditions set forth in the offer to purchase dated November 2, 2012 (the "Offer to Purchase"), a copy of which is attached as Exhibit (a)(1)(A), and in the related letter of transmittal (the "Letter of Transmittal"), a copy of which is attached as Exhibit (a)(1)(B), which, together with any amendments or supplements thereto, collectively constitute the "Offer Documents".

All information set forth in the Offer Documents is incorporated by reference herein in response to Items 1 through 9 and to Item 11 in this Schedule TO and is supplemented by the information specifically provided in this Schedule TO.

Capitalized terms used but not defined herein have the meanings assigned to such terms in the Offer to Purchase.

This Amendment No. 3 is being filed to amend and supplement Item 11 as reflected below.

Item 11

(a) **Agreements, Regulatory Requirements and Legal Proceedings.** Item 11(a) of the Schedule TO is hereby amended and supplemented by replacing the first paragraph in the sub-section captioned "German Antitrust Compliance" in Section 16 (Certain Legal Matters; Regulatory Approvals) of the Offer to Purchase with the following paragraph.

As described below, it is also a condition to Purchaser's obligation to accept for payment and pay for Shares tendered pursuant to the Offer that approvals in respect of the transactions contemplated by the Merger Agreement shall have been obtained under the German Act Against Restraints of Competition. Purchaser and the Company have agreed to make the requisite filings under the German Act Against Restraints of Competition. The German Act Against Restraints of Competition requires Parent and the Company to file a notification with the Federal Cartel Office ("FCO") and provides that the acquisition of Shares pursuant to the Offer shall not be consummated until a one-month waiting period has expired without the FCO having cleared the concentration or initiated an in-depth investigation. In the event of an in-depth investigation, the acquisition of Shares pursuant to the Offer may be consummated if a waiting period of four months from submission of a complete notification to the FCO has expired unless the FCO has cleared the concentration or the four-month period has been extended further. Parent submitted the filing in Germany on October 23, 2012. On November 22, 2012, the FCO cleared without conditions the acquisition of Shares pursuant to the Offer and the Merger under the German Act Against Restraints of Competition. Accordingly, the condition to the Offer relating to obtaining the approval of the FCO has been satisfied.
