*Proposed Notes Offering*

On February 20, 2013, Ashland Inc. (the Company ) announced that it has commenced a proposed offering (the Notes Offering ) of up to an aggregate of \$2.3 billion in principal amount of senior notes comprised of the following tranches: (i) senior notes due 2016, (ii) senior notes due 2018, (iii) senior notes due 2022 and (iv) senior notes due 2025 (collectively, the Notes ). The senior notes due 2016, the senior notes due 2018 and the senior notes due 2025 will each constitute a new series of senior notes. The senior notes due 2022 are being offered as additional notes under Ashland's existing indenture, dated August 7, 2012, pursuant to which Ashland previously issued \$500.0 million aggregate principal amount of 4.750% senior notes due 2022, and will form a single series of notes with the existing 4.750% senior notes due 2022. The Notes will be unsecured, unsubordinated obligations of the Company.

The Company intends to use the net proceeds of the offering (after deducting initial purchasers' discounts and other fees and expenses), together with cash on hand, to prepay a significant portion of the outstanding loans under its senior secured credit facility, to pay costs and expenses relating to such prepayment, including accrued and unpaid interest thereon, and to pay costs associated with terminating certain interest rate swaps entered into in connection with its senior secured credit facility.

The Notes have not been registered under the Securities Act of 1933, as amended (the Securities Act ), and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements. The Notes will be offered and sold only to qualified institutional buyers pursuant to Rule 144A under the Securities Act, and outside the United States pursuant to Regulation S under the Securities Act.

A copy of the news release announcing commencement of the Notes Offering is hereby incorporated by reference and attached hereto as Exhibit 99.1.

*Proposed Refinancing of Existing Credit Agreement*

On February 11, 2013, the Company entered into a debt financing commitment letter (the Commitment Letter ) with Citigroup Global Markets Inc., The Bank of Nova Scotia, Bank of America, N.A., Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Trust Company Americas, Deutsche Bank Securities Inc., PNC Bank, National Association and PNC Capital Markets LLC (together with one or more of their affiliates, the Commitment Parties ). Pursuant to the Commitment Letter, certain of the Commitment Parties will act as the initial lenders, joint lead arrangers and joint book running managers with respect to a proposed \$1.2 billion senior unsecured revolving credit facility (the Senior Credit Facility ), to be available on its closing date subject to the terms and conditions set forth in the Commitment Letter. If the Senior Credit Facility is entered into, the Company expects to make an initial borrowing under the Senior Credit Facility to repay any remaining amounts outstanding under the existing Credit Agreement dated as of August 23, 2011 (the Existing Credit Agreement ), among the Company, the lenders party thereto, The Bank of Nova Scotia, as Administrative Agent, Swing Line Lender and an L/C Issuer, Citibank, N.A., as Syndication Agent, and Bank of America, N.A., U.S. Bank National Association and PNC Bank, National Association, as Co-Documentation Agents, after the application of the proceeds from the Notes Offering described above. If the Senior Credit Facility is entered into, the Company will be permitted to make additional borrowings under the Senior Credit Facility from time to time and may do so for, among other things, ongoing working capital and other general corporate purposes of the Company.

The Senior Credit Facility is subject to the negotiation of a mutually acceptable credit agreement and other mutually acceptable definitive documentation, which will include certain representations and warranties, affirmative and negative covenants, financial covenants and events of default that are customarily required for similar financings. Additionally, the Commitment Parties' obligations to provide the financing are subject to the satisfaction of specified conditions, including the issuance of the

Notes and the use of the proceeds therefrom described above, the Commitment Parties obtaining at least \$375.0 million of additional commitments under the Senior Credit Facility, the accuracy of the representations and warranties and the absence of defaults.

The documentation governing the Senior Credit Facility has not been finalized and, accordingly, the actual terms may differ from the description of such terms in the foregoing summary of the Commitment Letter.
