Dear JBT Corporation Stockholder:

It is my pleasure to invite you to attend the 2013 Annual Meeting of Stockholders of John Bean Technologies Corporation, which will be held on Thursday, May 16, 2013 at 9:30 a.m., Central Time, at the offices of Kirkland & Ellis LLP, 300 North LaSalle Street, 7th Floor, Chicago, Illinois. At the meeting, we will ask our stockholders to approve our nominees for directors, approve on an advisory basis the compensation of our named executive officers described in our Proxy Statement and ratify the appointment of KPMG LLP as our auditor for 2013. You may vote at the Annual Meeting if you were a stockholder of record as of the close of business on March 20, 2013.

At our Annual Meeting, I will also report on our performance in 2012 and answer your questions. We look forward to your participation. Please refer to the accompanying Proxy Statement for additional information about the matters to be considered at the meeting. The Proxy Statement includes a description of our executive compensation program, which is designed to provide competitive, performance-based compensation that places a significant portion of our named executive officers' compensation at risk depending on our achievement of pre-approved performance metrics designed to ensure we provide long-term value to our stockholders. As required by the Dodd-Frank Wall Street Reform and Consumer Protection Act, our proxy requests an advisory vote from stockholders on our named executive officer compensation, a proxy we request annually in accordance with the advisory vote of our stockholders and the direction of our Board of Directors.

MANAGEMENT RECOMMENDS A VOTE FOR THE RE-ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR, FOR OUR PROPOSED RESOLUTION REGARDING NAMED EXECUTIVE OFFICER COMPENSATION, AND FOR THE RATIFICATION OF THE APPOINTMENT OF OUR AUDITOR.

Your vote is important. To be sure that your vote counts and to assure a quorum, please submit your vote promptly whether or not you plan to attend the meeting. You can revoke a proxy prior to its exercise at the meeting by following the instructions in the accompanying Proxy Statement.

Our stockholders have a choice of voting on the Internet, by telephone or by mailing a proxy card. If you are a stockholder of record and you plan to attend the meeting, please mark the appropriate box on your proxy card or use the alternative Internet or telephone voting options in accordance with the voting instructions you have received. If you vote by telephone or on the Internet, you do not need to return your proxy card. If your shares are held by a bank, broker or other intermediary and you plan to attend the Annual Meeting of Stockholders, please send written notification to our Investor Relations Department, 70 West Madison Street, Suite 4400, Chicago, Illinois 60602, and enclose evidence of your ownership (such as a letter from the bank, broker or intermediary confirming your ownership or a bank or brokerage firm account statement). The names of all those indicating they plan to attend the Annual Meeting of Stockholders will be placed on an admission list held at the registration desk for the meeting.

Stockholders may help us reduce printing and mailing costs and conserve resources by opting to receive future proxy materials by e-mail. Information about how to do this is included in the accompanying Proxy Statement.

Sincerely,

Charles H. Cannon, Jr.

INFORMATION ABOUT VOTING

Who is soliciting my vote? The Board of Directors (the Board) of John Bean Technologies Corporation (JBT Corporation or the Company, we, us or our) is soliciting proxies for use at our 2013 Annual Meeting of Stockholders (the Annual Meeting) and any adjournments of that meeting. On April 1, 2013, we began to mail to our stockholders of record as of the close of business on March 20, 2013, either a notice containing instructions on how to access this Proxy Statement and our Annual Report through the Internet or a printed copy of these proxy materials. As permitted by Securities and Exchange Commission rules, we are making this Proxy Statement and our Annual Report available to our stockholders electronically via the Internet. The notice of electronic availability contains instructions on how to access this Proxy Statement and our Annual Report and vote online. If you received a notice by mail or electronically delivered by e-mail, you will not receive a printed copy of the proxy materials in the mail. Instead, the notice or e-mail instructs you on how to access and review all of the important information contained in this Proxy Statement and Annual Report through the Internet. The notice also instructs you on how you may submit your proxy over the Internet or by telephone. If you received a notice by mail or e-mail and would like to receive a printed copy of our proxy materials, you should follow the instructions for requesting such materials contained on the notice or e-mail.

What am I voting on? The agenda for the Annual Meeting is to:

1. Re-elect three directors: Edward (Ted) L. Doheny II, Alan D. Feldman, and James E. Goodwin;
2. Approve on an advisory basis our named executive officer compensation as described in this Proxy Statement;
3. Ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2013; and
4. Conduct any other business properly brought before the meeting and any adjournment or postponement thereof.

Who can vote? You can vote at the Annual Meeting if you were a holder of John Bean Technologies Corporation common stock (Common Stock) as of the close of business on March 20, 2013. Each share of Common Stock is entitled to one vote. As of March 20, 2013, we had 28,937,699 shares of Common Stock outstanding and entitled to vote. The shares you may vote include those held directly in your name as a stockholder of record and shares held for you as a beneficial owner through a broker, bank or other nominee.

Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their name. If your shares are registered directly in your name with our transfer agent, Computershare Investor Services, you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy to the persons appointed by us or to vote in person at the Annual Meeting. If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker or nominee on how to vote your shares, and you are also invited to attend the Annual Meeting. However, if you are not a stockholder of record, you may not vote these shares in person at the Annual Meeting unless you bring with you a legal proxy, executed in your favor, from the stockholder of record. Your broker or nominee is obligated to provide you with a voting instruction card for you to use.

Table of Contents

How do I vote? If you received a notice of electronic availability, you cannot vote your shares by filling out and returning the notice. The notice, however, provides instructions on how to vote by Internet, by telephone or by requesting and returning a paper proxy card or voting instruction card. Whether you hold shares directly as a registered stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held beneficially in street name, by submitting voting instructions to your broker, nominee or trustee. You may vote your shares in one of the following ways:

You can attend the Annual Meeting and cast your vote there if you are a stockholder of record as of the close of business on the record date or you have a proxy from the record holder designating you as the proxy.

If you received printed proxy materials, you may submit your proxy by mail by signing, dating and returning your proxy card to us prior to the Annual Meeting. If you do, the individuals named on the card will vote your shares in the way you indicate.

You can vote by telephone or through the Internet in accordance with the instructions provided in the electronic distribution through e-mail, notice of electronic availability, or if you received a printed version of the proxy materials by mail, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

You can provide voting instructions to the bank, broker or other nominee that is the holder of record of shares of Common Stock that you beneficially own, if you hold your shares in street name (such as through a bank or broker), by the method communicated to you by such bank, broker or other nominee.

If you hold your shares in street name (through a bank, broker or other nominee) it is critical that you cast your vote if you want it counted on Proposals 1 and 2 described on pages 3, 4 and 5. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted, your bank or broker was allowed to vote those shares on your behalf for routine matters. Changes in regulations were made to clarify that annual meeting proposals like Proposals 1 and 2 are not routine matters, and therefore your bank or broker may not vote your uninstructed shares on Proposals 1 or 2 on a discretionary basis. As a result, if you hold your shares in street name, and you do not instruct your bank or broker how to vote on Proposals 1 or 2, no votes will be cast on those Proposals on your behalf. If you are a registered stockholder and you do not cast your vote, no votes will be cast on your behalf on any of the items of business at the Annual Meeting.

Telephone and Internet voting for stockholders of record will be available 24 hours a day, seven days a week, and will close at 1:00 a.m. Central Time on May 16, 2013. If you vote by telephone or through the Internet, you do not have to return a proxy card.

Who counts the votes? Our Board of Directors will designate individuals to serve as inspectors of election for the Annual Meeting. The inspectors will determine the number of shares outstanding and the number of shares represented at the Annual Meeting. They will also determine the validity of proxies and ballots, count all of the votes and determine the results of the actions taken at the Annual Meeting.

How many votes must be present to hold the meeting? Your shares are counted as present at the Annual Meeting if you attend the meeting and vote in person or if you properly return a proxy by Internet, telephone or mail. In order for us to hold our Annual Meeting, holders of a majority of our outstanding shares of Common Stock as of March 20, 2013, must be present in person or by proxy at the meeting. This is referred to as a quorum. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the Annual Meeting.

What is a broker non-vote? If a broker does not have discretion to vote shares held in street name on a particular proposal and does not receive instructions from the beneficial owner on how to vote the shares, the broker may return a proxy card without voting on that proposal. This is known as a *broker non-vote*. Broker non-votes will have no effect on the vote for any matter properly introduced at the Annual Meeting, but will be counted for purposes of establishing a quorum at the meeting.

Table of Contents

If you are a beneficial owner, your bank, broker or other holder of record is permitted to vote your shares on ratification of the appointment of our auditor even if the broker does not receive voting instructions from you.

How many votes are needed to approve the proposals? A plurality of the votes cast is required for the election of directors. This means that the three director nominees with the most votes will be elected to the Board of Directors. Only votes FOR or WITHHELD affect the outcome. Abstentions and broker non-votes are not counted for purposes of the election of directors. Approval, on an advisory basis, of our named executive officer compensation and ratification of our appointment of KPMG LLP as our independent public accounting firm for 2013 both require the affirmative vote of the majority of shares present in person or represented by proxy and entitled to vote at the meeting.

Could other matters be decided at the Annual Meeting? As of the date this Proxy Statement was printed, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement.

If other matters are properly presented at the Annual Meeting for consideration, the proxy holders designated on proxy cards or designated in the other voting instructions you have submitted will have the discretion to vote on those matters for you.

Can I access the Notice of Annual Meeting, Proxy Statement and 2012 Annual Report on the Internet? The Notice of Annual Meeting, Proxy Statement and 2012 Annual Report may be viewed and downloaded from the website www.edocumentview.com/JBT.

Can I revoke a proxy after I submit it? You may revoke your proxy at any time before it is exercised. You can revoke a proxy by:

Delivering a written notice revoking your proxy to our Secretary at our principal executive offices at 70 West Madison Street, Suite 4400, Chicago, Illinois 60602 prior to the cut-off for voting;

Delivering a properly executed, later-dated proxy prior to the cut-off for voting;

Voting again by telephone or through the Internet in accordance with the instructions provided to you for voting your shares;
or

Attending the Annual Meeting and voting in person.

Who can attend the Annual Meeting? The Annual Meeting is open to all holders of JBT Corporation Common Stock. Each holder is permitted to bring one guest. Security measures will be in effect in order to ensure the safety of attendees.

Do I need a ticket to attend the Annual Meeting? Yes, you will need an admission ticket or proof of ownership of JBT Corporation Common Stock to enter the Annual Meeting. If your shares are registered in your name and you received the proxy materials by mail, you will find an admission ticket attached to the proxy card sent to you. If your shares are in the name of your broker or bank or you received your materials electronically, you will need to bring evidence of your stock ownership, such as your most recent brokerage statement. All stockholders will be required to present valid picture identification. IF YOU DO NOT HAVE VALID PICTURE IDENTIFICATION AND EITHER AN ADMISSION TICKET OR PROOF THAT YOU OWN JBT CORPORATION COMMON STOCK, YOU MAY NOT BE ADMITTED INTO THE ANNUAL MEETING.

PROPOSALS TO BE VOTED ON

Proposal 1: Election of Directors

We have three classes of directors, each class being of as nearly equal size as possible. The term for each class is three years. Class terms expire on a rolling basis, so that one class of directors is elected each year. The term for the nominees for director at the 2013 Annual Meeting will expire at the 2016 Annual Meeting.

The nominees for director this year are Edward (Ted) L. Doheny II, Alan D. Feldman, and James E. Goodwin. Information about the nominees, the continuing directors and the Board of Directors as a whole is contained in the section of this Proxy Statement entitled Board of Directors.

The Board of Directors expects that all of the nominees will be able and willing to serve as directors. If any nominee is not available:

the proxies may be voted for another person nominated by the current Board of Directors to fill the vacancy;

the Board of Directors may decide to leave the vacancy temporarily unfilled; or

the size of the Board of Directors may be reduced.

Vote Required

A plurality of the votes cast is required for the election of directors. This means that the three director nominees with the most votes will be elected to the Board of Directors.

The Board of Directors recommends a vote FOR the re-election of

Edward (Ted) L. Doheny II, Alan D. Feldman, and James E. Goodwin.

Proposal 2: Advisory Vote on Named Executive Officer Compensation

In accordance with Section 951 of the Dodd-Frank Wall Street Reform and Consumer Protection Act (the Dodd-Frank Act), we are seeking a stockholder vote on a non-binding advisory resolution from our stockholders on the compensation of our executive officers whose compensation is included in the Summary Compensation Table of this Proxy Statement (our named executive officers). This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and our compensation philosophy, policies and practices, as disclosed under the Executive Compensation section of this Proxy Statement.

At our 2012 Annual Meeting, our stockholders approved the compensation of our named executive officers as disclosed in our 2012 proxy statement in a non-binding say on pay vote by over 95% percent of the votes cast. The Compensation Committee of our Board of Directors took this approval into account in deciding to generally follow the same policies, practices and framework to set our fiscal 2012 executive pay. We hold an advisory say on pay vote every year.

As described in more detail in the Compensation Discussion and Analysis section of this Proxy Statement, we have structured our executive compensation program to attract and retain talented individuals and motivate them to create long-term stockholder value by achieving performance objectives, strategic goals and appropriately manage risk. Our program is designed to:

Closely link compensation with company performance targets and achievement of individual objectives

Edgar Filing: John Bean Technologies CORP - Form DEF 14A

Drive our key business strategies

Align the interests of our executives with our stockholders

Provide competitive compensation opportunities that attract and retain talented people

Table of Contents

In the section of this Proxy Statement entitled "Compensation Discussion and Analysis," we have provided stockholders with a description of our executive compensation programs, including the philosophy and strategy underpinning the programs, the individual elements of the compensation programs, and information about how our compensation plans are administered. We encourage stockholders to review this section of the Proxy Statement.

Our compensation programs consist of elements designed to complement each other and reward achievement of short-term and long-term objectives linked to financial performance metrics. We have chosen the selected metrics to align the compensation of our named executive officers to our business strategy.

The Compensation Committee regularly reviews best practices related to executive compensation to ensure alignment between our business strategy and compensation philosophy. Over the past several years, under the leadership of our Compensation Committee, we have made modifications to the structure of our executive compensation program such that the proportion of annual incentive compensation that is based upon objective, business performance results has been increased, and the alignment between business performance measures for annual incentive compensation awards and our company's core strategic objectives has been strengthened. Over time, we have significantly increased the proportion of long-term equity incentive awards given to our executives that are based on achievement of objective performance metrics. In addition, performance metrics have been incorporated into long-term equity incentive awards for those employees who directly report to our named executive officers.

As illustrated by these actions, the Compensation Committee has strived to structure our executive compensation practices in a manner that is performance-based with a view towards maximizing long-term stockholder value. Our Compensation Committee and the Board of Directors believes that the policies and programs described in the Compensation Discussion and Analysis are effective in achieving our objectives and have contributed to our positive financial performance in a challenging economic environment.

Vote Required

In order for this proposal to be adopted by stockholders, at least a majority of the votes cast at the Annual Meeting in person or by proxy by the stockholders entitled to vote on the matter must be voted in its favor.

The Board of Directors recommends a vote FOR the following non-binding resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation discussion and analysis, the compensation tables and narrative descriptions that accompany those tables in this Proxy Statement, is hereby approved.

Effect of Proposal

Since the required vote is advisory, the result of the vote is not binding upon the Board of Directors and will not require the Board of Directors or the Compensation Committee to take any action regarding our executive compensation practices. The Board of Directors values the opinions of our stockholders as expressed through their votes and other communications. Although the resolution is non-binding, the Board will carefully consider the outcome of the advisory vote on named executive officer compensation and those opinions when making future compensation decisions.

Table of Contents**Proposal 3: Ratification of Appointment of Independent Registered Public Accounting Firm**

KPMG LLP has served as our independent public accountants since our inception in July 2008. The Audit Committee of the Board of Directors has approved KPMG LLP continuing to serve as the independent auditors for us for the fiscal year ending December 31, 2013. For the years 2011 and 2012, KPMG LLP's fees were as follows:

	\$(000)	
	2011	2012
Audit Fees (1)	1,860	1,886
Audit-Related Fees (2)	7	7
Tax Fees (3)	129	81
All Other Fees (4)	0	0
Total	1,996	1,974

- (1) Audit Fees consist of fees for the annual audit of our consolidated financial statements, foreign statutory audits and reviews of interim financial statements in our Quarterly Reports on Form 10-Q.
- (2) Audit-Related Fees are assurance and related services that are traditionally performed by the independent auditor.
- (3) Tax Fees consist of fees for compliance, consultation and planning with respect to various corporate tax matters.
- (4) All Other Fees include fees for tax services for expatriates and miscellaneous services.

The Audit Committee of the Board of Directors considered the effect of KPMG LLP's non-audit services in assessing the independence of such accountants and concluded that the provision of such services by KPMG LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions.

The Audit Committee of the Board of Directors reviews all relationships between KPMG LLP and us, including the provision of non-audit services which have an increased potential of impairing the auditor's independence. The Audit Committee pre-approved all audit and non-audit services provided by KPMG LLP summarized in the table above during 2011 and 2012.

We have been advised by KPMG LLP that it will have a representative in attendance at the Annual Meeting. The representative will have an opportunity to make a statement if he or she desires and also will be available to respond to appropriate questions.

Vote Required

In order for this proposal to be adopted by stockholders, at least a majority of the votes cast at the Annual Meeting in person or by proxy by the stockholders entitled to vote on the matter must be voted in its favor.

The Board of Directors recommends a vote FOR ratification of the appointment of KPMG LLP

as JBT Corporation's independent registered public accountant for 2013.
