e. Recent Developments

In March 2011, in order to actively target the increasing market for financial services for the lower-income class and diversify its business portfolio, Woori Finance Holdings established a new subsidiary, Woori FG Savings Bank Co., Ltd., which purchased certain assets and assumed certain liabilities of Samhwa Mutual Savings Bank.

Table of Contents

In September 2012, Woori FG Savings Bank acquired certain assets and assumed certain liabilities of Solomon Savings Bank, which allowed it to increase its asset base as well as its operational network in the metropolitan Seoul area.

Woori Financial Holdings aims to build a competitive savings bank through the creation of synergy between its subsidiaries and the reduction of non-performing assets. Woori FG Savings Bank will promote the Korean government's policy to vitalize the financial services industry for the lower-income class by providing stable and reliable financial services.

In December 2012, Woori Finance Research Institute was established as a separate legal entity to enhance the operational efficiency of Woori Financial Group's internal research function and to increase its research capacity. Woori Finance Research Institute will assist the sustainable growth of Woori Financial Group by serving as its think tank and aim to become an opinion leader in the Korean financial industry.
