*Fiscal 2012 Annual Bonus*

The Compensation Committee determines the actual amount of bonus awarded to each named executive officer after the end of each fiscal year primarily by considering the financial results of the Company for the given year and the officer's individual performance and contribution to the Company. The bonus may be paid in cash or equity. The Committee generally sets potential target bonuses for each named executive officer at the beginning of each fiscal year as a percentage of his or her base salary. The target bonus percentages are generally set at a level which the Committee believes will assure that the executive's total compensation opportunity is attractive enough to motivate superior performance and that the executive is focused on key objectives, as well as being competitive with amounts paid for similar performance in comparable executive positions by the Company's peer companies.

Beginning in early 2013, the Committee met several times to consider bonuses based on the Company's performance in fiscal 2012. The following table sets forth the target bonus and actual bonus paid to the named executive officers for fiscal 2012:

Executive Officer	% of Fiscal 2012 Base Salary		Bonus For Fiscal 2012
	Target	Actual	
William E. Brown	75%	0%	\$ 0
Gus D. Halas	75%	0%	\$ 0
Steven LaMonte	50%	28%	\$ 45,000(1)
Frank P. Palantoni	50%	0%	\$ 0
Lori A. Varlas	50%	26%	\$ 105,000

- (1) Pro-rated for partial year of employment. Actual represents percentage of fiscal 2012 salary.  
 In determining whether to award bonuses to the named executive officers for fiscal 2012, the Committee considered the Company's disappointing financial performance in fiscal 2012, as measured by EBIT and earnings per share, among other factors, as well as progress made during fiscal 2012 in implementing the Company's transformational change initiative. The Committee

also considered individual performance. The Committee considered each of these measures against the comparable prior year performance and the Company's plan for fiscal 2012, as opposed to particular pre-determined targets or similar metrics within the Company's industries. Because of the disappointing financial performance in fiscal 2012, the Committee did not award a bonus to Mr. Brown. Because of the disappointing financial performance in fiscal 2012 and the transition of Mr. Halas and Mr. Palantoni to consulting positions in 2013, the Committee did not award bonuses to either Mr. Halas or Mr. Palantoni. Bonuses were awarded to Mr. LaMonte and Ms. Varlas for their individual efforts during fiscal 2012, including their work in implementing the Company's transformational change initiative.
