² See below for information regarding T+4 settlement.

T+4 Settlement. Under Rule 15c6-1 under the Securities Exchange Act of 1934, as amended, trades in the secondary market are required to settle in three business days (such settlement being referred to as T+3), unless the parties to any such trade expressly agree otherwise. Accordingly, purchasers who wish to trade these securities will be required, by virtue of the fact that these securities initially will settle on or about April 15, 2013, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement. Purchasers of these securities in the near term should consult their advisors.
