Dear Stockholder:

We are pleased to announce that your board of directors has nominated Gabi Seligsohn for election as a director at the Annual Meeting of Stockholders of DSP Group to be held on June 10, 2013, in addition to the previously nominated board candidates. Because this nomination adds Mr. Seligsohn to the slate of directors proposed to be elected at the Annual Meeting, we are providing additional information in the enclosed Supplement to our April 22, 2013 proxy statement, and an amended **GOLD** proxy card and voting instruction card to allow stockholders to vote on the election of Gabi Seligsohn to the DSP Group board.

We are excited about the experience that Mr. Seligsohn brings to our board. The current President and CEO of Nova Measuring Instruments, Mr. Seligsohn's extensive operating experience in the hi-tech sector will assist your Board in its continued goal of long-term value creation for all of DSP Group's stockholders. Mr. Seligsohn replaces Yair Shamir, our former director who resigned in connection with his appointment as the Israeli Minister of Agriculture and Rural Development.

We believe that DSP Group's operating results for the first quarter of 2013 demonstrate the success of your Board's strategic plan and the value of DSP Group's research and development investments in recent years. Gabi Seligsohn, together with the Company's nominees for election at the Annual Meeting, are uniquely positioned to guide DSP Group to continued operational success.

The election of Gabi Seligsohn as a director is being considered as a separate proposal (Proposal No. 6). You may vote on all seven proposals by one of the alternatives described in the Supplement. The receipt of your amended **GOLD** proxy card or voting instructions will revoke and supersede any proxy or voting instructions previously submitted. Properly executed proxies that do not contain voting instructions for any item will be voted in accordance with the recommendations of your board of directors. If you have already voted pursuant to an original **GOLD** proxy card or pursuant to voting instructions provided in the original **GOLD** proxy card, and do not submit an amended **GOLD** proxy card or voting instructions provided in the **GOLD** proxy card, your previously submitted **GOLD** proxy card or voting instructions provided in the **GOLD** proxy card will be voted at the Annual Meeting with respect to all other proposals presented at the Annual Meeting but will not be counted in determining the outcome of the sixth proposal, the election of Mr. Seligsohn to your board of director.

Please read the Proxy Statement that was previously made available to stockholders and the enclosed Supplement in their entirety, as together they contain information that is important to your decisions in voting at the Annual Meeting.

The results of this year's Annual Meeting will have a significant impact on DSP Group and its future so your vote is extremely important. Whether or not you plan to attend the Annual Meeting, we encourage you to review the proxy materials and hope you will vote as soon as possible.

Sincerely,

Ofer Elyakim

Chief Executive Officer

PROPOSAL NO. 6

ELECTION OF CLASS II DIRECTOR

Addition of Candidate for Election at the Annual Meeting

Our board of directors, acting upon the recommendation of the nomination and corporate governance committee, has authorized the addition of Mr. Gabi Seligsohn as a Class II director to our nominees for election to the board at the Annual Meeting. Mr. Seligsohn was appointed by the board as a Class II director effective May 2, 2013, to fill a vacancy caused by the resignation of our former director, Mr. Yair Shamir. Mr. Shamir tendered his resignation from the board and the board committees on which he served, effective May 2, 2013, as a result of his election to the Israeli Knesset and appointment as Minister of Agriculture and Rural Development. Mr. Seligsohn replaced Mr. Shamir on the compensation committee of the board. Mr. Thomas A. Lacey replaced Mr. Shamir on the audit committee of the board.

Mr. Seligsohn has been recommended as a Class II director nominee to stand for election to serve until the annual meeting of stockholders in 2014. Biographical and other information concerning Mr. Seligsohn is provided below.

Voting; Revocability of Proxies

Revocation of Starboard Proxy

We are using a **GOLD** form of proxy card of the Company for solicitation of votes at the Annual Meeting. You may receive solicitation materials from Starboard, including a white proxy card, seeking your proxy to vote for the Starboard nominees at the Annual Meeting. **THE BOARD OF DIRECTORS URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY STARBOARD, INCLUDING THE WHITE PROXY CARD.** Even if you have previously signed a white proxy card sent to you by Starboard, you have every right to change your vote. You may revoke the Starboard proxy and vote as recommended by our board of directors by completing, signing, dating and returning the Company's enclosed amended **GOLD** proxy card, voting by telephone or via the Internet by following the instructions on your amended **GOLD** proxy card, or attending the Annual Meeting and voting your shares in person. Only your latest dated proxy will be counted.

Revocation of DSP Group Proxy

If the shares of common stock are held in your name, you may revoke your proxy given pursuant to this solicitation at any time before the Company's **GOLD** proxy card is voted by: (i) delivering to us (to the attention of Dror Levy, our Secretary), at the address of our principal executive offices at 2580 North First Street, Suite 460, San Jose, CA 95131, a written notice of revocation or a duly executed proxy bearing a later date, or (ii) attending the Annual Meeting and voting in person. If your shares are held in street name, you should follow the directions provided by your broker regarding how to revoke your proxy. Your attendance at the Annual Meeting after having executed and delivered a valid proxy card will not in and of itself constitute a revocation of your proxy.

Voting Requirements

The contested election of directors is not a routine matter and, therefore, may not be voted upon by brokers without instruction from beneficial owners. Consequently, proxies submitted by brokers for shares beneficially owned by other persons may not, in the absence of specific instructions from such beneficial owners, vote the shares in favor of a director nominee or withhold votes from a director nominee at the brokers' discretion.

The director nominees will be elected by a plurality of the votes cast. Abstentions and broker non-votes will not affect the election of any Class I or Class II director nominee who receives a plurality of votes. Nevertheless, the Company's bylaws specify that in an uncontested election, any director nominee who receives a greater number of votes withheld from his election than votes for his election shall promptly tender his resignation following the vote. Abstentions will not count as a vote cast with respect to a director nominee. The

nominating and governance committee of our board of directors will consider the resignation offered by a director nominee who receives a greater number of votes withheld from his election than votes for his election and recommend to our board whether to accept the resignation offer. Our board will disclose its determination within ninety days from the date of the certification of the stockholder vote for the relevant annual meeting.

In addition to Item 1 of the Proxy Statement, in which our board of directors requested that stockholders vote for the election of three Class I directors, Messrs. Eliyahu Ayalon, Zvi Limon and Patrick Tanguy, for a three-year term expiring in 2016, the board is pleased to inform you that a new candidate, Mr. Seligsohn, has been nominated for election as a Class II director to the board. The nomination and corporate governance committee assisted in the identification and evaluation of the Class II director nominee. That process has resulted in the naming of Mr. Seligsohn as a Class II director nominee. His qualifications and skills as a director are disclosed below, as is his biographical information.

Our board of directors has nominated Mr. Seligsohn for election as a Class II director nominee, to serve until the annual meeting of stockholders in 2014. If elected, the nominee will hold office until his term expires and until a successor is elected and qualified. The board has determined that Mr. Seligsohn is independent, as that term is defined in the published listing requirements of NASDAQ.

Qualifications and Skills of Directors and Nominees

Our board of directors believes that the board, as a whole, should possess a combination of skills, professional experience, and diversity of backgrounds necessary to oversee the Company's business. In addition, the board believes that there are certain attributes that every director should possess, as reflected in the board's membership criteria. Accordingly, the board and the nomination and corporate governance committee consider the qualifications of directors and director candidates individually and in the broader context of the board's overall composition and the Company's current and future business and operations.

The nomination and corporate governance committee is responsible for developing and recommending board membership criteria to the board for approval. The criteria include the candidate's business experience, qualifications, attributes and skills relevant to the management and oversight of the Company's business, independence, judgment and integrity, the ability to commit sufficient time and attention to board activities, and any potential conflicts with the Company's business and interests. In addition, the board and the nomination and corporate governance committee annually evaluate the composition of the board to assess the skills and experience that are currently represented on the board, as well as the skills and experience that the board will find valuable in the future, given the Company's current situation and strategic plans. The board and the nomination and corporate governance committee seek a variety of occupational and personal backgrounds on the board in order to obtain a range of viewpoints and perspectives and to enhance the diversity of the board. This annual evaluation of the board's composition enables the board and the nomination and corporate governance committee to update the skills and experience they seek in the board as a whole, and in individual directors, as the Company's needs evolve and change over time and to assess the effectiveness of efforts at pursuing diversity. In identifying director candidates from time to time, the board and the nomination and corporate governance committee may identify specific skills and experience that they believe the Company should seek in order to constitute a balanced and effective board.

In considering and recommending nominees to the board, the nomination and corporate governance committee has considered a variety of factors. These include each nominee's independence, financial literacy, personal and professional accomplishments, and experience in light of the needs of the Company. With respect to the company's additional nominee, Mr. Seligsohn, the board has determined that he has the following skills and qualifications that support his service on the board:

Mr. Seligsohn brings a history of executive leadership and management experience including as a Chief Executive Officer of a semiconductor company, and his deep understanding of technology companies operating in the U.S. and Israel.

The board of directors recommends a vote FOR the election of Mr. Gabi Seligsohn as a Class II director.
