Introductory Note

On October 1, 2013, Crimson Exploration Inc., a Delaware corporation (Crimson) became a wholly-owned subsidiary of Contango Oil & Gas Company, a Delaware corporation (Contango) as a result of the merger of Contango Acquisition, Inc., a Delaware corporation, and a direct, wholly-owned subsidiary of Contango (Merger Sub), with and into Crimson (the Merger). The Merger was effected pursuant to an Agreement and Plan of Merger, dated as of April 29, 2013, by and among Contango, Crimson and Merger Sub (the Merger Agreement).

Item 1.01 Entry into a Material Definitive Agreement

On October 1, 2013, Contango entered into a new credit agreement with the lenders party thereto, Royal Bank of Canada, as administrative agent and as issuing bank, Amegy Bank National Association, as swing line lender, The Royal Bank of Scotland PLC and Regions Bank, as syndication agents and Compass Bank and Capital One, National Association, as documentation agents (the New Credit Agreement). The New Credit Agreement provides for a four-year secured revolving credit facility for revolving loans, letters of credit and swing line loans in an aggregate amount not to exceed \$275 million, subject to certain sublimits. Proceeds of the loans made under the New Credit Agreement will be used to (i) refinance the outstanding obligations under Contango's Second Amended and Restated Credit Agreement, dated as of October 1, 2010, among Contango, Contango Operators, Inc., Amegy Bank National Association, as administrative agent and letter of credit issuer and the lenders signatory thereto (the Contango Credit Agreement), (ii) to refinance Crimson's outstanding obligations under its Amended and Restated Credit Agreement, dated as of May 31, 2007, among Crimson, the guarantor party thereto, the lender parties thereto and Wells Fargo Bank, National Association, as amended (the Crimson First Lien Credit Agreement), (iii) to refinance Crimson's outstanding obligations under its Second Lien Credit Agreement, dated as of December 27, 2010, among Crimson, as borrower, Barclays Bank PLC, as agent, and each lender from time to time party thereto, including an affiliate of OCM GW Holdings, LLC, Crimson's largest stockholder (the Crimson Second Lien Credit Agreement), (iv) to pay fees, commissions and expenses in respect of the New Credit Agreement and the Merger and (v) to finance ongoing working capital requirements and other general corporate purposes, including the acquisition of oil and gas properties.

Loans under the New Credit Agreement are made in the form of either base rate loans or LIBOR loans, at Contango's option, plus a specified margin. Base rate loans are subject to an interest rate fluctuating based upon the higher of the U.S. prime rate, the federal funds rate plus 0.50% per annum or the one month LIBOR rate plus 1.0% per annum, plus a margin ranging from 0.75% to 1.75%. LIBOR loans are subject to an interest rate equal to the quotient of (i) LIBOR for the applicable interest period divided by (ii) 1 minus the maximum rate (expressed as a decimal) on such date at which the administrative agent is required to maintain reserves on Eurocurrency Liabilities (as defined in and pursuant to Regulation D of the Board of Governors of the Federal Reserve System) for such loan for such interest period, plus a margin ranging from 1.75% to 2.75%.

Loans under the New Credit Agreement are secured by a perfected first priority lien on substantially all the assets of Contango and its material subsidiaries, including a security interest in the stock of Contango's material subsidiaries and a security interest in oil and gas properties having not less than 80% of the PV-9 reflected in Contango's most recent reserve report.

The New Credit Agreement restricts the declaration or payment of dividends by Contango and also contains certain other restrictive covenants which, among other things, require the maintenance (measured on a four-quarter basis) of a minimum ratio of Current Assets (as defined in the New Credit Agreement) to Current Liabilities (as defined in the New Credit Agreement) and a maximum ratio of total Debt (as calculated pursuant to the New Credit Agreement) to EBITDAX (as defined in the New Credit Agreement). The New Credit Agreement also contains events of default that permit the acceleration of the loans and the termination of the New Credit Agreement, including, but not limited to, payment defaults under the New Credit Agreement, the breach of certain covenants, the breach of other covenants

after applicable grace periods, the failure to pay material judgments, and the occurrence of bankruptcy, insolvency or change of control events.

As of October 1, 2013, there was \$110 million in outstanding borrowings under the New Credit Agreement.

Certain of the lenders and/or their affiliates have had, and may in the future have, investment banking, financial advisory and other commercial dealings with Contango and certain of Contango's affiliates, for which such lenders or their affiliates have received and may in the future receive customary compensation.

The foregoing description is qualified in its entirety by reference to the full text of the New Credit Agreement, which is attached as Exhibit 10.1 to this Current Report on Form 8-K and incorporated in this Item 1.01 by reference.

Item 1.02 Termination of a Material Definitive Agreement

Termination of Contango Credit Facility

On October 1, 2013, concurrent and in connection with the Merger, Contango terminated the Contango Credit Agreement. The Contango Credit Agreement provided for a \$40 million credit facility supported by Contango's hydrocarbon borrowing base and was secured by liens on substantially all of Contango's assets. No early termination or prepayment penalties were incurred as a result of the termination of the Contango Credit Agreement.

Termination of Crimson Credit Facilities

On October 1, 2013, concurrent and in connection with the Merger, Crimson (a wholly-owned subsidiary of Contango as a result of the Merger) terminated the Crimson First Lien Credit Agreement. The Crimson First Lien Credit Agreement provided for aggregate borrowings up to \$400 million and for the issuance of letters-of-credit up to a \$5.0 million sub-limit and was secured by liens on substantially all of Crimson's assets. No early termination or prepayment penalties were incurred as a result of the termination of the Crimson First Lien Credit Agreement.

Additionally, on October 1, 2013, concurrent and in connection with the Merger, Crimson terminated the Crimson Second Lien Credit Agreement. The Crimson Second Lien Credit Agreement provided for a term loan, made to Crimson in a

single draw, in an aggregate principal amount of \$175.0 million and was secured by liens on substantially all of Crimson's assets. The prepayment of indebtedness under the Crimson Second Lien Credit Agreement required the payment of a prepayment fee equal to 1% of the principal amount repaid at or immediately following the Effective Time.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On October 1, 2013, pursuant to the previously announced Merger Agreement, Contango completed its merger with Crimson, which was accomplished through the merger of Merger Sub with and into Crimson, with Crimson surviving the merger as a wholly-owned subsidiary of Contango.

Subject to the terms and conditions set forth in the Merger Agreement, at the effective time of the Merger (the Effective Time), each share of Crimson common stock, par value \$0.001 per share (Crimson Common Stock), issued and outstanding (except Crimson Common Stock held directly or indirectly by Crimson or Contango, which was cancelled) was converted into the right to receive 0.08288 shares of common stock, par value \$0.04 per share, of Contango (Contango Common Stock) or, in the case of fractional shares, cash (without interest) in an amount equal to the product of (i) such fractional part of a share of Contango Common Stock multiplied by (ii) the closing price for a share of Contango Common Stock as reported on the NYSE MKT on the first trading day following the date on which the Effective Time occurred (the Merger Consideration). Based on the number of shares of Crimson Common Stock issued and outstanding immediately prior to the Effective Time, former holders of Crimson Common Stock have the right to receive up to approximately 3,900,000 shares of Contango Common Stock, in the aggregate, pursuant to the Merger Agreement, subject to adjustment for the payment of cash-in-lieu of fractional shares, as described in the preceding sentence.

Pursuant to the Merger Agreement, each option that was previously granted by Crimson to purchase shares of Crimson Common Stock was converted at the Effective Time into a comparable option to purchase Contango Common Stock. The conversion was accomplished by using the same exchange ratio for the Crimson Common Stock described above. Immediately prior to the Effective Time, each restricted share of Crimson Common Stock became fully vested and unrestricted, and the holders thereof became entitled to receive the Merger Consideration.

The foregoing description of the Merger Agreement and the Merger is only a summary, does not purport to be complete, and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 to Contango's Current Report on Form 8-K filed with the Securities and Exchange Commission (the SEC) on May 1, 2013 and incorporated herein by reference.

Eligible Individuals. The persons eligible to receive awards are the employees, consultants and directors of Contango and its affiliates (other than individuals who were employed by, or providing services to, Contango or its subsidiaries at the time the Merger was consummated).

Administration. The Crimson Plan is administered by the compensation committee of the Board (the Compensation Committee). The Compensation Committee has full authority to select the individuals who will receive Awards, to determine the form and amount of each of the Awards to be granted and to establish the terms and conditions of the Awards.
