**BLUCORA, INC.**

**NOTES TO UNAUDITED PRO FORMA CONDENSED COMBINED CONSOLIDATED  
FINANCIAL STATEMENTS**

**1. Basis of pro forma presentation.**

On August 22, 2013, Blucora, Inc. (the *Company* or *Blucora*) completed the acquisition of Monoprice, Inc. (*Monoprice*) pursuant to the terms of the Stock Purchase Agreement dated as of July 31, 2013. As a result of the acquisition, Blucora owns 100% of Monoprice, an online provider of self-branded electronics and accessories for both consumers and businesses. Monoprice generates revenue primarily through its website, www.monoprice.com.

The accompanying Unaudited Pro Forma Condensed Combined Consolidated Financial Statements consist of the historical statements of operations of Blucora and Monoprice for the year ended December 31, 2012 and the six months ended June 30, 2013, and the historical balance sheets of Blucora and Monoprice as of June 30, 2013, with adjustments to reflect the acquisition of Monoprice by the Company, as described in Note 3: Presentation adjustments and Note 4: Pro forma adjustments and assumptions.

The historical results of operations and financial position of the Company have been derived from the Company's Consolidated Financial Statements as previously reported in its Annual Report on Form 10-K as of and for the year ended December 31, 2012, and its Quarterly Reports on Form 10-Q as of and for the periods ended June 30, 2013. The historical information of Blucora has been prepared in accordance with accounting principles generally accepted in the United States of America (*GAAP*).

The historical operating results and financial position of Monoprice have been derived from Monoprice's historical unaudited consolidated financial statements of earnings for the six months ended June 30, 2013 and 2012, its unaudited consolidated balance sheet as of June 30, 2012, its audited consolidated financial statements of earnings for the years ended December 31, 2012 and 2011, and the notes thereto, included in Exhibit 99.2 of this Form 8-K/A.

The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements are presented for illustrative purposes only and are not necessarily indicative of the financial position or operating results that would have been achieved had the acquisition been completed as of the dates indicated above or the results that may be attained in the future.

**2. Acquisition of Monoprice.**

The Company acquired Monoprice for \$183.3 million, which was funded from available cash and is subject to a final working capital adjustment during the fourth quarter of 2013. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements present the acquisition of Monoprice, Inc. under the acquisition method of accounting, which reflects the allocation of the purchase price to the assets acquired and liabilities assumed based on their estimated fair value at the time of the merger. The Unaudited Pro Forma Condensed Combined Consolidated Financial Statements reflect the preliminary purchase price allocation based on the Company's best estimate of the fair value of the assets acquired and liabilities assumed. The primary areas of the acquisition accounting that are not yet finalized relate to income and non-income based taxes, certain contingent liability matters, indemnification assets, and residual goodwill. The Company does not anticipate the final purchase price allocation to be materially different. The purchase price allocation and excess acquisition date fair value over net assets after giving effect to the Monoprice acquisition as if it had occurred as of June 30, 2013 is as follows (amounts in thousands):

	<b>Fair Value</b>
Tangible assets acquired	\$ 46,465
Liabilities assumed	(22,905)
<b>Identifiable net assets acquired</b>	<b>\$ 23,560</b>
Fair value adjustments to intangible assets	
Customer relationships	\$ 30,900
Trade name	38,000
<b>Fair value of intangible assets acquired</b>	<b>\$ 68,900</b>
Purchase price:	
Cash paid	\$ 183,319
Less identifiable net assets acquired	(23,560)
Plus deferred tax liability related to intangible assets	24,823
Less fair value of intangible assets acquired	(68,900)
<b>Excess of purchase price over net assets acquired, allocated to goodwill</b>	<b>\$ 115,682</b>

The Company's preliminary estimates of the economic lives of the acquired intangible assets are two years for the business-to-consumer customer relationships, seven years for business-to-business customer relationships, approximately six years for the personal property assets, and the trade name is estimated to have an indefinite-life. The Company plans to amortize the definite-lived intangible assets over their respective estimated lives. The pro forma adjustments (see Note 4: Pro Forma Adjustments and Assumptions) include the amortization of the intangible assets over their respective useful lives and stock-based compensation expense for equity awards granted to Monoprice's employees upon acquisition. The purchase price in excess of the fair values of the net assets acquired and the identifiable intangible assets was allocated to goodwill. Goodwill and trade names are considered intangible assets with indefinite lives and will be tested for impairment at least annually, with the Company's other indefinite lived assets.

### 3. Presentation adjustments.

Certain adjustments were made to conform the presentation of Monoprice's historical balance sheet and statements of earnings in a manner consistent with the Company's presentation. These adjustments did not impact Monoprice's previously reported net earnings.

#### Presentation adjustments to the balance sheet:

- (A) To reclassify balances on merchant accounts from Cash to Accounts receivable per Blucora accounting policy.
- (B) To reclassify payment of estimated taxes from Prepaids to Other receivables per Blucora accounting policy.

Edgar Filing: BLUCORA, INC. - Form 8-K/A

- (C) To reclassify Security deposits to Other long-term assets for presentation purposes.

Sales and marketing	9,871	15,348
General and administrative	2,462	4,436
Depreciation	516	1,346
<b>Total</b>	<b>\$ 14,701</b>	<b>\$ 24,310</b>

- (I) To reclassify non-recurring, non-operating charges (including impairment of investments and gains or losses on asset disposals) from General and administrative to Other income (loss), net .

**4. Pro forma adjustments and assumptions.**

The pro forma adjustments reflected in the Unaudited Pro Forma Condensed Combined Consolidated Financial Statements represent estimated values and amounts based on available information and do not reflect cost savings that management believes would have resulted had the acquisition been completed as of the dates indicated above. For purposes of this pro forma information, the U.S. federal statutory tax rate of 37 percent has been used for all periods presented. This rate is an estimate and does not take into account any possible future tax events that may result for the ongoing combined company. Had the results of Monoprice's operations been included in the Company's U.S. federal consolidated return for the periods presented, the Company would have been able to offset Monoprice's U.S. taxable income against the Company's net operating loss carryforwards. The unaudited condensed combined consolidated pro forma balance sheet reflects the acquisition using the acquisition method as of June 30, 2013.

**Pro forma adjustments to the balance sheet:**

- (1) To record the cash consideration transferred to former Monoprice shareholders.
- (2) To record tax receivable for net operating losses derived from excess stock-based compensation deductions as a result of the acquisition.
