We have prepared this report to provide our investors with our audited consolidated statements of financial position as of December 31, 2012 and 2011, and January 1, 2011, and the related consolidated income statements, consolidated statements of comprehensive income, consolidated statements of changes in equity and consolidated statements of cash flows for the years ended December 31, 2012 and 2011 (our annual consolidated financial statements). Our annual consolidated financial statements as of and for the year ended December 31, 2012 were prepared in accordance with International Financial Reporting Standards as issued by the International Accounting Standards Board (IFRS). The annual consolidated financial statements as of and for the year ended December 31, 2011 were prepared in accordance with IFRS, but they differ from the information previously published for 2011 because they were originally presented in accordance with Mexican FRS. These annual consolidated financial statements supplement our previously issued and audited IFRS consolidated financial statements as of the same date and for the same periods.

Our annual consolidated financial statements included in this Form 6-K differ from those included in our annual report on Form 20-F (No. 001-12260), filed with the SEC on March 15, 2013, only because these statements include the information required under Rule 3-10 of Regulation S-X in relation to guarantors that we expect to add in any amendment to our Registration Statement on Form F-3. Our previously issued and audited IFRS consolidated financial statements included in our annual report on Form 20-F did not contain any errors.
