Introduction

On January 15, 2014, Parametric Sound Corporation (the *Company*) completed the merger (the *Merger*) of its wholly-owned subsidiary, Paris Acquisition Corp., a Delaware corporation (*Merger Sub*), with and into VTB Holdings, Inc., a Delaware corporation (*VTBH*), in accordance with the terms and conditions of the Agreement and Plan of Merger dated August 5, 2013 among the Company, VTBH and Merger Sub (the *Merger Agreement*). As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company.

Item 1.01 Entry into a Material Definitive Agreement.

Effectiveness of Stock-Based Incentive Compensation Plan and Annual Incentive Bonus Plan

Effective upon completion of the Merger on January 15, 2014, the Company adopted the Parametric Sound Corporation 2013 Stock-Based Incentive Compensation Plan and the Parametric Sound Corporation Annual Incentive Bonus Plan (collectively the *Plans*). The Plans were approved by the Company's stockholders at the Special Meeting (as defined below), and by the Company's Board of Directors, but were not to be effective in accordance with their terms until the completion of the Merger.

For a description of the material features of the Plans, please refer to the sections entitled *Proposal 4 Approval of the 2013 Stock-Based Incentive Compensation Plan* and *Proposal 5 Approval of the Annual Incentive Bonus Plan* in the Company's Definitive Proxy Statement (the *Proxy Statement*) on Schedule 14A for the special meeting of stockholders held on December 27, 2013 (the *Special Meeting*), a copy of which was filed with the Securities and Exchange Commission on December 3, 2013, and is incorporated herein by reference.

Turtle Beach Credit Facility

The disclosure in Item 2.03 of this Current Report on Form 8-K (this *Current Report*) is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On January 15, 2014, the Company completed the Merger in accordance with the terms of the Merger Agreement. As a result of the Merger, VTBH, the surviving entity in the Merger, became a wholly-owned subsidiary of the Company.

In connection with the Merger, the Company issued to the former holders of VTBH common stock and Series A Preferred Stock an aggregate of 30,227,100 shares of Company common stock, par value \$0.001 per share (*Common Stock*). The number of shares of Common Stock issued was computed in accordance with the formula specified in the Merger Agreement using a Per Share Number (as defined in the Merger Agreement) of 0.35997. In addition, in accordance with the terms of the Merger Agreement, all outstanding options to purchase shares of VTBH common stock were converted into options to purchase shares of Common Stock and were assumed by the Company (the *Converted Options*). These newly issued shares of Common Stock, together with the Converted Options, represent approximately 80% of the total issued and outstanding shares of Common Stock, on a fully-diluted basis.

For accounting purposes, the Merger is treated as a reverse acquisition and VTBH is considered the accounting acquirer. Accordingly, VTBH's historical results of operations will replace the Company's historical results of operations for all periods prior to the Merger, and for all periods following the Merger, the results of operations of both companies will be included in the Company's financial statements.

The foregoing description of the Merger Agreement is not complete and is subject to, and qualified in its entirety by, the full text of the Merger Agreement, which was attached as Exhibit 2.1 to the Company's Current Report on Form 8-K filed with the SEC on August 5, 2013, the terms of which are incorporated herein by reference. For further details on the Merger and the transactions contemplated by the Merger Agreement, see the section entitled "The Merger" in the Proxy Statement, which is incorporated herein by reference.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Turtle Beach Credit Facility

On January 15, 2014, in connection with the consummation of the Merger, the Company and its subsidiaries entered into a Joinder Agreement, dated as of January 15, 2014, between the Company and PNC Bank, National Association ("PNC"), as administrative agent, and a Guaranty Agreement, dated as of January 15, 2014, among the

Company's subsidiaries and PNC (collectively the Joinder and Guarantee) and became an obligor and guarantor under the Credit Agreement, dated as of August 22, 2012, as amended (the Credit Agreement), among VTBH, Voyetra Turtle Beach, Inc., a Delaware corporation and wholly-owned subsidiary of VTBH (together with VTBH, Turtle Beach), PNC, as administrative agent for the lenders, and the lenders party thereto. The Credit Agreement provides for term loans and a revolving line of credit (together, the Credit Facility).

On January 15, 2014, Turtle Beach and PNC entered into a third amendment (the Third Amendment) to the Credit Agreement to permit Turtle Beach to incur an additional \$7.0 million of subordinated indebtedness (as described under the heading *Subordinated Debt* below), provide for the repayment of the term loan portion of the Credit Facility by February 28, 2014, change the maturity of the revolving line of credit portion of the Credit Facility to September 27, 2014, reduce the commitments under the revolving line of credit to \$35.0 million after March 1, 2014, increase the margin pursuant to which interest on outstanding amounts under the Credit Facility is calculated by 0.75%, and modify the financial covenants contained in the Credit Agreement, as described below. As of January 15, 2014, the outstanding balance of the term loans under the Credit Facility was \$7.5 million and the outstanding balance of the revolving line of credit was approximately \$39.7 million.

As amended by the Third Amendment, the Credit Facility contains certain affirmative and negative covenants that restrict the Company's and Turtle Beach's ability to take certain actions, including the payment of dividends to stockholders of the Company and the incurrence of additional indebtedness. The Company is required to dissolve HyperSound Health, Inc. within two days of the closing of the Merger. Turtle Beach is also required to comply with the following financial covenants: (i) a maximum total leverage ratio of between 2.00 and 3.50 to 1 (with total leverage defined as the ratio of total debt outstanding to EBITDA); (ii) a minimum trailing twelve months EBITDA amount of \$12 million; (iii) a maximum amount of capital expenditures that can be incurred during a given fiscal year of between \$10 million and \$12.5 million; and (iv) a minimum liquidity level of between \$5 million and \$10 million (with liquidity defined as the sum of cash on hand and availability under the revolving line of credit). The levels at which these covenants are set vary over the remaining term of the Credit Agreement. The Third Amendment removed the financial covenant requiring the Company to achieve a specified total fixed charge coverage ratio that previously existed in the Credit Agreement.

As of January 15, 2014 the interest rate on the outstanding balance of the term loans was 6.50% and the interest rates on the outstanding balances under the revolving line of credit was 6.50% and 7.25%.

In connection with the Joinder and Guarantee, the Company granted a first-priority lien on substantially all of the Company's assets to the lenders under the Credit Facility. Failure by the Company or Turtle Beach to comply with the financial covenants described above and other restrictions contained in the Credit Agreement could result in a default which could cause the lender to accelerate the timing of payments and exercise its lien on substantially all of the Company's and Turtle Beach's assets.

The foregoing descriptions of the Joinder and Guarantee, the Credit Agreement and the Third Amendment are not complete and are subject to, and qualified in their entirety by, the full text of such documents, which are attached to this Current Report as Exhibits 10.1 through 10.6, and are incorporated herein by reference. For a further description of the Credit Facility and the Credit Agreement, refer to the sections entitled *Turtle Beach's Management's Discussion and Analysis of Financial Condition and Results of Operations*, *Liquidity and Capital Resources*, *Debt Obligations* and *Risk Factors*, *Risks Related to Turtle Beach's Business* in the Proxy Statement, which are incorporated herein by reference.

Subordinated Note

In connection with the Third Amendment, on January 15, 2014, Turtle Beach issued a \$7.0 million Subordinated Note (the Subordinated Note) to SG VTB Holdings, LLC, an affiliate of the Company, the proceeds of which were applied

against the outstanding balance of the term loan under the Credit Facility. The Subordinated Note bears interest at a rate of (i) 10% per annum until December 31, 2014 (which is the maturity date of the Subordinated Note) and (ii) 20% per annum for all periods thereafter, with interest accruing and being added to the principal amount of the Subordinated Note quarterly.

The foregoing description of the Subordinated Note is not complete and is subject to, and qualified in its entirety by, the full text of the Subordinated Note, which is attached to this Current Report as Exhibit 10.10, and is incorporated herein by reference. For a description of the additional subordinated indebtedness issued by Turtle Beach, see the section entitled Management of Parametric Following the Merger Certain Relationships and Related Transactions Involving Turtle Beach and its Affiliates Subordinated Notes in the Proxy Statement, which is incorporated herein by reference.

Item 3.03 Material Modification to Rights of Security Holders.

The disclosure in Item 2.03 of this Current Report is incorporated herein by reference.

Item 5.01 Changes in Control of Registrant.

Immediately after the closing of, and giving effect to, the Merger, the former VTBH security holders (including option holders) held approximately 80% of the issued and outstanding shares of Common Stock on a fully diluted basis, while the security holders of the Company immediately prior to the Merger held approximately 20% of the issued and outstanding shares of Common Stock on a fully diluted basis, and accordingly, a change of control of the Company occurred on January 15, 2014.

The disclosure in Item 2.01 of this Current Report is incorporated herein by reference. For further details on the Merger and the transactions contemplated by the Merger Agreement, see the section entitled "The Merger" in the Proxy Statement, which is incorporated herein by reference.

Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Potashner as Executive Chairman, Mr. Norris as President, and James A. Barnes as Chief Financial Officer, Treasurer and Secretary.

Fox, Ronald Doornink, Juergen Stark, William E. Keitel and Laureen DeBuono.

Immediately following the completion of the Merger, the Board of Directors appointed Mr. Doornink Chairman of the Board, determined that Mr. Keitel, Ms. DeBuono and Dr. Wolfe were independent within the meaning of the independent director standards of the Securities and Exchange Commission and under the NASDAQ Stock Market qualification standards, and reconstituted the following committees of the Board of Directors as follows, effective immediately:
