Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On April 25, 2014, Ferro Corporation (the "Company") held its 2014 Annual Meeting of Shareholders (the "2014 Annual Meeting"). At the 2014 Annual Meeting, shareholders of the Company approved proposals to amend (i) the Company's Amended and Restated Code of Regulations (the "Regulations") to provide for the annual election of all directors and (ii) the Company's Eleventh Amended Articles of Incorporation (the "Articles") to eliminate cumulative voting in elections of directors. The implementation of these proposals was expressly conditioned upon the approval by the Company's shareholders of both proposals. Because the Company's shareholders approved both proposals, the Company has implemented both proposals. The Company has filed the Articles, as amended, with the office of the Ohio Secretary of State and will include a copy as an exhibit to its Quarterly Report on Form 10-Q for the quarterly period ended June 30, 2014.

Following the 2014 Annual Meeting, the Board of Directors (the "Board") of the Company also adopted amendments to the Regulations, effective immediately, to revise provisions containing voting or participation requirements that had greater than a simple majority standard that could be lowered under Ohio law, specifically, those with respect to shareholders fixing the number of directors and amending the Regulations by written consent. These amendments were adopted in response to a shareholder proposal presented at the 2014 Annual Meeting, which was approved by the Company's shareholders, that requested the Board to take action to lower the voting standards contained in its charter documents.

The preceding description of the amendments to the Regulations is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Regulations, as so amended, a copy of which is attached hereto as Exhibit 3.1 and incorporated herein by this reference.
