Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2014 Cleveland BioLabs, Inc. (the *Company*) received notice from Bioprocess Capital Partners, LLC, a Russian limited liability company (*BCP*), of the funding by their affiliated fund, AMC close-end Russian Venture Investment Fund Bioprocess Capital Ventures (*BCV*) of the Second Milestone Payment pursuant to the Participation Agreement dated December 9, 2009, as amended by the Third Amendment to Participation Agreement dated June 17, 2014, that governs their jointly-owned subsidiary, Incuron LLC (*Incuron*). As a result of *BCV*'s funding of the Second Milestone Payment, the Company will own a 46.96% participation interest in Incuron and *BCV* will own a 53.04% participation interest. The funding of the Second Milestone Payment also resulted in certain changes in the governance of Incuron, including the director voting rights of each party. Following the Second Milestone Payment, the Company and *BCP* will each appoint two directors and the fifth director will be nominated by a majority of the Company and *BCP* directors voting together, provided that a *BCP* director shall have the deciding vote in the event of a tie. Due to the ownership and governance changes, the Company will be required, under United States Generally Accepted Accounting Principals (US GAAP) to deconsolidate Incuron and account for its ownership interest using the equity method of accounting. This description is qualified in its entirety by the Participation Agreement and the Third Amendment to Participation Agreement, a copy of which is filed as Exhibit 10.1 hereto and is incorporated by reference herein.
