Item 1.01 Entry Into Material Definitive Agreements.

The registrant's wholly-owned subsidiary, Dover International Speedway, Inc. (Speedway), has entered into six Sanction Agreements with NASCAR Event Management, Inc. (NEM) pursuant to which Speedway will organize and promote the following:

Event	Date
NASCAR Sprint Cup Series	May 31, 2015
NASCAR XFINITY Series	May 30, 2015
NASCAR Camping World Truck Series	May 29, 2015
NASCAR Sprint Cup Series	October 4, 2015
NASCAR XFINITY Series	October 3, 2015
NASCAR K&N Pro Series East	October 2, 2015

Sanction agreements are entered into with NEM on an annual basis. Pursuant to the typical NEM sanction agreement, NEM grants its sanction to a promoter, such as Speedway, to organize, promote and hold a particular competition. The promoter sells tickets to the competition, sells or arranges for the sale of merchandise and concessions, and sells advertising, sponsorships and hospitality services. NEM conducts the competition, arranges for the drivers, and has sole control over the competition, including the right to require alterations to the promoter's facility and the right to approve or disapprove any advertising or sponsorship of the promoter. NEM also has exclusive rights to exploit live broadcast and certain broadcast and intellectual property rights related to the competition, and exclusive rights to sponsorship and promotional rights relative to the series to which a particular competition belongs. The promoter must pay the sanction fee and purse monies and receives a share of the live broadcast revenue contracted for by NEM. The promoter is responsible for the condition of the facility, for compliance with laws, for control of the public, for fire and medical equipment and personnel, for security, for insurance and for providing facilities and services required by NEM officials and the live broadcast personnel.

The economic terms of these sanction agreements between NEM and Speedway are as follows: Total purse and sanction fee to be paid by Speedway is approximately \$16.2 million for the 2015 events compared to \$15.6 million for the 2014 events. Estimated live broadcast revenue to be recognized by Speedway is approximately \$29.7 million for the 2015 events compared to \$28.2 million for the 2014 events. Live broadcast revenue figures are based on the assumption that all events on the 2015 NASCAR national series schedule take place and that all promoters will be entitled to their respective percentage allocations as set by NEM.

The sanction agreements for the two NASCAR Sprint Cup Series competitions in 2015 are attached as exhibits to this Form 8-K as they represent agreements upon which our business is substantially dependent.
