On

March

31,

2014,

SWS

entered

into

an

agreement

to

merge  
into  
a  
subsidiary  
of  
Hilltop  
SWS  
Board  
(other  
than  
Messrs.  
Ford  
1  
and  
Crandall  
2  
,  
who  
recused  
themselves  
from  
voting)  
unanimously  
approved  
the  
merger  
agreement  
and

FOR  
the  
merger  
on  
or  
before  
the  
Special Meeting of Stockholders to be held on November 21, 2014  
SWS  
holders  
of  
record  
on  
October  
3,  
2014  
are  
entitled

to  
vote

importantly,  
failing  
to  
vote  
has  
the  
same  
effect  
as a vote against the transaction

Hilltop's price represents a significant premium to SWS's unaffected stock price<sup>3</sup> and a substantial multiple in light of SWS's historical losses and low prospective earnings

Hilltop's  
merger  
delivers  
immediate  
cash  
value  
and  
allows  
SWS  
stockholders  
to  
participate  
in  
significant  
upside  
potential of a larger, more profitable, more diversified organization with ample capital to grow

Hilltop is the ideal buyer for SWS:  
Hilltop owns complementary broker / dealer and banking businesses based in Dallas, TX  
Low risk execution from regulatory and financing perspective

Alleviated  
SWS  
repayment  
risk

debt  
and

Transaction Background

Esposito Global & Party B

2/18/14:

Esposito Global publicly disclosed a proposal to acquire SWS for \$8.00 per share, expressly contingent on third-party financing being arranged

2/20/14:

Special Committee instructed Sandler and Davis Polk to speak with Esposito Global and its legal advisor to understand their plans for arranging outside financing and their ability to obtain regulatory approval

2/24/14:

Esposito Global and its legal advisors indicated that Esposito Global was not in a position to obtain regulatory approval and would require additional resources to meet financing requirements

2/27/14:

Esposito Global informed the Special Committee that it would be working with Party B, a bank holding company

Over the ensuing several weeks, multiple conversations were held with Esposito Global, Party B, and their financial and legal advisors

Party B informed the Special Committee that significant external financing would be required to complete a transaction; multiple private equity firms would need to be involved

3/17/14:

Party B's financial advisor indicated that sixty days would be required to finalize price and secure necessary financing

3/20/14:

Special Committee informed Party B that it was uncomfortable with the uncertainty surrounding their extended timeline to secure financing, complete due diligence and affirm their price

2/18/14:

Initial conversation with Party A regarding a potential acquisition of SWS

During late February and early March, SWS's financial advisor had several calls with Party A

3/18/14:

CEO of Party A stated they were valuing SWS at approximately \$8.00 per share, though the price could be higher

3/25/14:

SWS and Party A executed a non-disclosure agreement

Party

3/29/14

3/31/14:

Party A conducted in-person due diligence at SWS headquarters in Dallas

3/31/14:

SWS received a letter from Party A stating they:

Party A indicated an interest in acquiring SWS at a price approximating tangible book value of SWS liquid assets ; believed approximate the fully diluted tangible book value of \$8.15 per share as of December 31, 2013

Also discussed were issues regarding the Merger Covenant, due diligence and terms of a non-disclosure agreement

Party A provided a non-binding indication of interest to acquire SWS for \$8.65 per share, subject to due diligence and describing the process that it would require to meet the March 31, 2014 deadline

Transaction Background

Hilltop

3/3/14:

Special Committee rejected Hilltop's original offer

3/5/14:

Hilltop

indicated

that

it

did

not

believe

book  
value  
(\$8.15  
per  
share)  
was  
the  
correct  
method  
to  
value  
SWS,  
based  
on,  
among  
other  
things,

its lack of historical and prospective earnings

3/19/14:

Hilltop submitted a revised proposal at \$7.50 per share, 75% stock / 25% cash

Hilltop indicated that it was approaching its limit on price and  
would not leave the offer outstanding for a prolonged period time

3/20/14:

Hilltop  
agreed  
to  
increase

offer

price

to

\$7.75

per

share,

75%

stock

/

25%

Hilltop reiterated its intention not to waive the Merger Covenant with respect to any deal with another party

3/24/14:

Hilltop said that if the merger agreement was not signed by March 31, 2014, Hilltop would withdraw its offer; this position was  
subsequently repeated on several occasions

3/31/14:

Special Committee members met with Hilltop to negotiate remaining issues of merger agreement

Hilltop refused again to eliminate the force the vote

provision and refused to accept a possible two-tier termination fee that would provide

for a lower payment if a deal was done with Party A

Hilltop did agree to reduce the termination fee to \$8 million from original \$12 million

3/31/14:

Later in the day, SWS Board (other than Messrs. Ford and Crandall, who were recused from voting) unanimously approved the

agreement and recommended its adoption by SWS stockholders based on, among other things:

Enhanced value and improved terms (including higher price and lower termination fee) achieved through negotiations with Hilltop

Risk of Hilltop withdrawing its offer without a binding proposal

from either of the interested parties

Concern over the repayment risk of the \$100 million of loans under the 2011 Credit Agreement and Hilltop's unwillingness to

Bank credit losses,

2011 Credit Agreement

Credit Agreement Rationale

Southwest Securities, FSB ( Bank ) suffered from significant credit losses  
and was operating under a Cease & Desist Order with heightened capital  
requirements

Bank had a \$68 million pre-tax loss over 12 months preceding

Credit Agreement

Bank issues were negatively impacting core brokerage businesses and  
jeopardizing SWS viability

Efforts to raise capital in public and private markets were unsuccessful

2014 Consent and Warrant Exercises

Hilltop has exercised **100%** of its warrant for 8.7 million SWS shares eliminating its rights under Credit Agreement

At the time the merger was announced, Oak Hill agreed to consent to the merger with Hilltop and exchange any outstanding  
warrants for same merger consideration as SWS common holders plus Make-Whole Premium it is entitled to for its outstanding

Oak Hill has subsequently exercised **75%** of its warrant for 6.5 million shares preserving its rights under Credit Agreement

eliminating 75% of its Make-Whole Premium
