NEW YORK, NY January 20, 2015 BGC Partners, Inc. (NASDAQ: BGCP) ( BGC Partners, the Company, or BGC ) a leading global brokerage company primarily servicing the financial and real estate markets, today announced that it has increased its fully financed, all-cash tender offer to acquire all of the outstanding shares of GFI Group Inc. (NYSE: GFIG) ( GFI Group or GFI ) to \$6.10 per share.

In addition, the Company extended the expiration date for the tender offer to 5:00 PM ET on February 3, 2015, unless extended. The deadline was changed because the relevant rules require an extension of the expiration date if a material change to the tender offer is made. The offer was previously scheduled to expire at 5:00 PM ET, on January 29, 2015. BGC's revision to its cash offer of \$6.10 per share represents a premium of \$0.25, or approximately 4%, to the \$5.85 per share stock and cash consideration offered by the CME and GFI management.

Howard Lutnick, Chairman and Chief Executive Officer of BGC, said: We are fully committed to completing this transaction and our revised offer is clearly superior to the current agreement in place between CME and GFI management. For too long the GFI special committee and board have failed to act in the best interest of all GFI shareholders and have instead chosen to focus on outrageous, deceptive and self-serving arguments made by GFI management.

We continue to remind GFI shareholders to vote against the proposed \$5.85 CME/GFI management stock and cash transaction at the January 27, 2015 special meeting of shareholders and also urge them to tender their shares into our obviously superior all-cash offer. We are prepared to move quickly to complete our fully-financed tender offer and deliver the higher value to which GFI shareholders are entitled.

Mr. Lutnick concluded: We remain confident that BGC's stockholders and bondholders will benefit from a combination of GFI and BGC, as it will result in increased productivity per broker and meaningful synergies, which should enable us to increase revenues, profitability, and cash flows, while maintaining our investment grade rating. We also continue to believe that GFI's customers, trading counterparties, vendors, brokers, and support staff would all benefit from GFI's wholesale brokerage becoming part of a much larger, better capitalized, and more diversified company.
