\* Broker non-votes represent shares held by broker nominees for beneficial owners that were not voted with respect to a non-routine proposal because the broker nominee did not receive voting instructions from the beneficial owner and lacked discretionary authority to vote the shares. If a broker does not receive voting instructions from the beneficial owner, a broker may vote on routine matters, such as the ratification of the Independent Registered Public Accounting Firm, but may not vote on non-routine matters. Broker non-votes are counted for the purpose of determining the presence of a quorum but are not counted for the purpose of determining the number of shares entitled to vote on non-routine matters such as the election of Directors, approval of the Gallagher Employee Stock Purchase Plan, approval of the Gallagher Senior Management Incentive Plan and the advisory vote on the compensation of Gallagher's named executive officers.
