**Item 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS**

On June 16, 2015, Patterson Companies, Inc. ( Patterson ) completed its previously announced acquisition of Animal Health International, Inc., a Colorado corporation ( Animal Health ), pursuant to the terms of an Agreement and Plan of Merger dated as of May 2, 2015 (the Merger Agreement ) by and among Patterson, Rams Merger Sub, Inc., a Colorado corporation and a wholly owned subsidiary of Patterson ( Merger Sub ), Animal Health and Leonard Green & Partners, L.P., a Delaware limited partnership (solely in its capacity as representative of Animal Health equityholders).

The acquisition was accomplished by the merger of Merger Sub with and into Animal Health, and upon consummation of the merger, Merger Sub ceased to exist and Animal Health became a wholly owned subsidiary of Patterson. Under the Merger Agreement, each share of Animal Health 's no par value Series A Preferred Stock issued and outstanding was canceled and converted automatically into one share of Animal Health 's no par value common stock; each share of Animal Health 's no par value common stock was canceled and converted automatically into the right to receive the common pro rata percentage of the aggregate merger consideration, which was approximately \$1.1 billion in cash (the Merger Consideration ). A portion of the Merger Consideration is being held in escrow to secure the indemnification obligations of Animal Health 's equityholders.

The above descriptions of the Merger Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by reference to the full text of the Merger Agreement, which was filed as Exhibit 10.1 to the Current Report on Form 8-K filed by Patterson on May 4, 2015 and which is incorporated herein by reference.

**Item 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT**

To provide the financing necessary to close the merger with Animal Health, Patterson entered into a Credit Agreement dated as of June 16, 2015, by and among Patterson, the Lenders identified therein, The Bank of Tokyo-Mitsubishi UFJ, Ltd., as administrative agent, and Bank of America, N.A., as syndication agent, (the Credit Agreement ). Pursuant to the Credit Agreement, the lenders will provide Patterson with senior unsecured lending facilities of up to \$1.5 billion. Patterson will use the facilities to (1) pay the Merger Consideration and fees and expenses associated with the merger transaction, (2) to repay in full all outstanding indebtedness under Patterson 's existing bank credit facility, (3) to repay certain of Animal Health 's existing indebtedness and (4) for general corporate purposes. On June 16, 2015, the lenders made an initial disbursement of \$1.2 billion under the Credit Agreement.

Borrowings under the Credit Agreement will bear interest at a rate equal to, at the option of Patterson, either (a) a customary Eurocurrency interbank offered rate (the Eurocurrency Rate ) or (b) a customary base rate (the Floating Rate ), in each case plus an applicable margin. The applicable margins for borrowings under the Credit Agreement will be based on Patterson 's leverage ratio and range from 1.125% to 2.000% with respect to the Eurocurrency Rate and 0.125% and 1.000% with respect to the Floating Rate. Patterson also agreed to pay quarterly commitment fees based on the available aggregate loan commitment.

The Credit Agreement requires Patterson to maintain a leverage ratio of not more than 4.00 to 1.00 as of the last day of each of the first four fiscal quarters, commencing with the first quarter of fiscal 2016, and not more than 3.50 to 1.00 for each fiscal quarter thereafter. Patterson is also required to maintain an interest expense coverage ratio of not less than 3.00 to 1.00 as of the end of each fiscal quarter. The Credit Agreement contains customary representations and warranties, affirmative and negative covenants, and events of default. The term loans and revolving credit facilities will mature no later than June 16, 2020. In the event of certain significant asset dispositions, Patterson agreed to use the proceeds from such dispositions to effect prepayment of outstanding loan balances under the Credit Agreement.

The above description of the Credit Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the full text of the Credit Agreement, which is filed as Exhibit 10.2 to this Current Report on Form 8-K and which is incorporated herein by reference.
