To our valued customers,

As we announced earlier today, Thoratec Corporation (Thoratec) is pleased to share we have a definitive agreement to become part of St. Jude Medical, Inc. (St. Jude Medical) later this year. When this transaction closes, Thoratec products will become cornerstone offerings in St. Jude Medical's emerging presence in the treatment of heart failure, a key strategic priority for the future of their organization.

From its beginnings as a mechanical heart valve manufacturer, St. Jude Medical—a Fortune 500 company—has grown largely by maintaining a strong commitment to funding R&D and by acquisition to become one of the largest cardiovascular device companies in the world. St. Jude Medical now has a global presence in heart failure, cardiac rhythm management and electrophysiology, as well as vascular, neuromodulation and structural heart solutions.

Thoratec will join a strong portfolio of products with St. Jude Medical's CardioMEMS HF System—the only FDA-approved implantable blood pressure and cardiac output monitor in the U.S., and benefit from St. Jude Medical's strengths in remote monitoring and catheter technology. By joining St. Jude Medical, Thoratec products will gain access to a larger global distribution network in new markets while St. Jude Medical's commitment to research and development will support ongoing product innovation.

I want to reassure you that this transaction will have no effect on the manner in which we do business together in the near term. You will continue to work with the same contacts as before and business will continue as usual. Over time, you can expect there will be some changes as Thoratec moves through the integration process with St. Jude Medical. The details of those changes are yet to be determined. As a valued Thoratec customer, you will be updated on any decisions that may affect how we work together.

Our acceptance of St. Jude Medical's offer includes a unique provision that enables us to consider competing offers for a period of 30 days. Still, it is our intention to join St. Jude Medical and we are excited about the potential this move will provide for our customers and our products. We will keep you informed if any aspects of the transaction change. In addition, the transaction is subject to other customary closing conditions for a transaction of this nature.

Please do not hesitate to contact Niamh Pellegrini (Niamh.Pellegrini@thoratec.com or 925-734-6926), or send an email to askthor@thoratec.com, if you have any questions. We look forward to continuing our relationship together.

Sincerely,

Keith Grossman

President, CEO and Director
