#### Item 4. Description of Securities.

#### Item 5. Interests of Named Experts and Counsel.

**Item 6. Indemnification of Directors and Officers.**

The Maine Business Corporation Act, Title 13-C M.R.S.A. Section 101, et seq. (the "MBCA"), sets forth the ability of a corporation organized under the laws of the State of Maine to indemnify its officers and directors. The MBCA provides that, subject to certain exceptions, a Maine corporation may indemnify an individual who is party to a proceeding because that individual is a director of the corporation against liability if (A)(i) the individual's conduct was in good faith, (ii) the individual reasonably believed that (a) in the case of conduct in the individual's official capacity, that the individual's conduct was in the corporation's best interests and (b) in all other cases, that the individual's conduct was at least not opposed to the corporation's best interests, and (iii) in the case of any criminal proceeding, the individual had no reasonable

cause to believe that the individual's conduct was unlawful or (B) the individual engaged in conduct for which indemnification is permissible or obligatory under the corporation's articles of incorporation. The MBCA further provides that a Maine corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

A Maine corporation may also, before final disposition of a proceeding, advance funds to pay for or reimburse the expenses incurred in connection with a proceeding by an individual who is a party to the proceeding because that individual is a member of the board of directors, provided that the individual makes certain written affirmation and undertakings. The corporation's board of directors or shareholders may authorize any such advancement of funds or reimbursement of expenses, provided that such authorization is effected in the manner contemplated by Section 854 of the MBCA.

A Maine corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because the officer is an officer of the corporation to the same extent as a director and, if the officer is an officer but not a director, to such further extent as may be provided in the corporation's articles of incorporation, the bylaws, a resolution of the corporation's board of directors or a contract, subject to certain exceptions. An officer of a Maine corporation who is not also a director is entitled under the MBCA to mandatory indemnification to the same extent to which a director may be entitled to such indemnification.

Notwithstanding the foregoing, a Maine corporation has no power to indemnify a director or officer unless it has made a determination that the person has met the relevant standard of conduct.

The bylaws of the Registrant set forth the circumstances under which the Registrant shall, and the requirements to be fulfilled in order for the Registrant to, provide indemnification to its directors and officers. The bylaws provide for mandatory indemnification, including that, subject to certain exceptions, the Registrant shall indemnify a director and officer in connection with any proceedings to which any such person is a party or is threatened to be made a party by reason of the fact that they are or were a director or officer of the Registrant or, while a director or officer of the Registrant, were serving at the request of the Registrant as a director, officer, partner or other agent of another entity, against expenses incurred by that person in connection with such action, provided, among other things, that the person to be indemnified acted in good faith. In addition, the bylaws provide for advancement of funds to pay for or reimbursement of reasonable expenses incurred by a director or officer in certain circumstances.

The Registrant maintains directors and officers liability insurance in amounts and on terms which the Registrant's Board of Directors deems reasonable. In the ordinary course of business, the Registrant's Board of Directors regularly reviews the scope and adequacy of such insurance coverage.

The Registrant has entered into an employment agreement with its President and Chief Executive Officer, which provides for reimbursement of expenses in certain instances. The Registrant has also entered into change in control agreements with certain of its officers, which provide for indemnification for expenses in some instances.

**Item 7. Exemption from Registration Claimed.**

Not applicable.

**Item 8. Exhibits.**

The exhibits to this Registration Statement are listed on the Exhibit Index attached hereto and incorporated by reference herein.

**Item 9. Undertakings.**

A. The undersigned Registrant hereby undertakes:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
