Lumentum Holdings Inc. (the Company) is filing this Notification of Late Filing on Form 12b-25 with respect to its Annual Report on Form 10-K for the fiscal year ended June 27, 2015 (the Annual Report). The Company has determined that it is unable to file its Annual Report within the prescribed time period without unreasonable effort or expense as a result of unexpected delays encountered by the Company in the preparation of the Company's financial statements for the fiscal year ended June 27, 2015. The Company commenced operations as an independent, publicly-traded company pursuant to the distribution by Viavi Solutions Inc. (Viavi) of a portion of the Company's shares to Viavi's stockholders effective August 1, 2015 (the Separation). The principal reason for the unexpected delays in the preparation of the Company's financial statements for the fiscal year ended June 27, 2015 related to a delay in obtaining information necessary for the attribution of accounts payable and property, plant and equipment for the period prior to the Separation. The Company expects to file the Annual Report on or before the fifteenth calendar day following the prescribed due date.

The statement concerning the Company's expectation regarding the timing of the filing of the Annual Report is a forward-looking statement as defined in the Private Securities Litigation Reform Act of 1995, and actual events may differ from those contemplated by this statement. This statement is subject to certain risks and uncertainties, including

the Company's, or its independent auditors, inability to complete the work required to file the Annual Report in the time frame that is anticipated.
