**Item 1.01 Entry Into a Material Definitive Agreement.**

On September 29, 2015, in connection with the consummation of the Transactions (as defined in Item 2.01 below), Dominion Midstream Partners, LP (the Partnership) entered into a Registration Rights Agreement (the NG Registration Rights Agreement) with North East Transmission Co., Inc. (NETCO) and National Grid IGTS Corp. (IGTS) and, together with NETCO, NG) and a Registration Rights Agreement (the NJNR Registration Rights Agreement) and, together with the NG Registration Rights Agreement, the Registration Rights Agreements) with NJNR Pipeline Company (NJNR).

Pursuant to the Registration Rights Agreements, the Partnership is required to register the common units representing limited partner interests in the Partnership (Common Units) issued to NG and NJNR in the Transactions for resale when the Partnership becomes eligible to file a registration statement on Form S-3, but the lockup periods (with limited exceptions, one year from the date the Registration Rights Agreements were executed) to which NG and NJNR are subject in connection with the Transactions remain unchanged. The Registration Rights Agreements also include provisions dealing with holdback agreements, indemnification and contribution and allocation of expenses. These registration rights are transferable to affiliates and, in certain circumstances, to third parties.

A copy of the NG Registration Rights Agreement is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference.

A copy of the NJNR Registration Rights Agreement is attached as Exhibit 10.2 to this Current Report on Form 8-K and is incorporated in this Item 1.01 by reference.

The foregoing description is qualified in its entirety by reference to the full text of the Registration Rights Agreements.

**Item 2.01 Completion of Acquisition or Disposition of Assets.**

On August 14, 2015, the Partnership and Iroquois GP Holding Company, LLC, a wholly-owned subsidiary of the Partnership (Iroquois Holding), entered into a Contribution Agreement (the NG Contribution Agreement) with NG and a Contribution Agreement (the NJNR Contribution Agreement) and, together with the NG Contribution Agreement, the Contribution Agreements) with NJNR.

On September 29 2015, pursuant to the Contribution Agreements, the Partnership completed the acquisition of a significant amount of assets, other than in the ordinary of business, specifically an aggregate 25.93% partnership interest in Iroquois Gas Transmission System, L.P., a Delaware limited partnership (Iroquois), as follows:

NG and NJNR contributed to the Partnership, and the Partnership accepted from NG and NJNR, a 20.4% partnership interest and a 5.53% partnership interest, respectively, in Iroquois; and

in exchange for the Iroquois partnership interests, the Partnership issued (i) 6,783,373 Common Units to NG and (ii) 1,838,932 Common Units to NJNR,

(such contributions of Iroquois partnership interests and issuances of Common Units in exchange therefor being referred to individually as a Transaction and collectively as the Transactions). The aggregate value of the Common Units issued to NG in the Transactions is approximately \$225.4 million

and the aggregate value of the Common Units issued to NJNR in the Transactions is approximately \$61.1 million, with such amounts determined as provided in the Contribution Agreements.

Pursuant to the Contribution Agreements, NG and NJNR have agreed to certain transfer restrictions applicable to the Common Units issued to such parties, including, with limited exceptions, a one-year lockup period following the closing of the Transactions. In addition, pursuant to the Registration Rights Agreements, the Partnership has agreed to grant to NG and NJNR certain registration rights and piggyback registration rights with respect to future offerings of Common Units by the Partnership.

Iroquois is a Delaware limited partnership that owns and operates a 416-mile, FERC-regulated natural gas transmission pipeline that extends from the Canada-United States border near Waddington, New York through the states of New York and Connecticut to South Commack, NY on Long Island and Hunts Point, NY in the Bronx. It was formed in 1985 and commenced full operations in 1992. Dominion Gas Holdings, LLC, a wholly-owned subsidiary of Dominion Resources, Inc. and an affiliate of the Partnership, indirectly holds a 24.72% partnership interest in Iroquois.

As provided in the Contribution Agreements, the Transactions, which involved the sale of equity securities in a transaction that was not registered under the Securities Act, was undertaken in reliance upon the exemption from the registration requirements in Section 4(a)(2) of the Securities Act. No market issuance of Common Units was undertaken in connection with the Transactions.

A copy of the NG Contribution Agreement is attached as Exhibit 2.1 to this Current Report on Form 8-K and incorporated in this Item 2.01 by reference. A copy of the NJNR Contribution Agreement is attached as Exhibit 2.2 to this Current Report on Form 8-K and incorporated in this Item 2.01 by reference.
