Disclaimer: Forward-looking statements This presentation contains forward-looking statements that reflect Nokia's and Alcatel-Lucent's current expectations and views of future events and developments. Some of these forward-looking statements can be identified by terms and phrases such as "anticipate," "should," "likely," "foresee," "believe," "estimate," "expect," "intend," "continue," "could," "may," "plan," "project," "predict," "will" and similar expressions. These forward-looking statements include statements relating to: the expected characteristics of the combined company; the expected ownership of the combined company by Nokia and Alcatel-Lucent shareholders; the expected customer reach of the combined group; the expected financial results of the combined group; the expected timing of closing of the proposed transaction and satisfaction of conditions precedent, including regulatory conditions; the expected benefits of the proposed transaction, including related synergies; the transaction timeline, including the Nokia shareholders' meeting; the expected organization and governance structure of the combined group and Nokia's commitment to conducting business in France and China. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause actual results to differ materially from such statements. These forward-looking statements are based on our beliefs, assumptions and expectations of future performance, taking into account the information currently available to us. These forward-looking statements are only predictions based upon our current expectations and views of future events and developments and are subject to risks and uncertainties that are difficult to predict because they relate to events and depend on circumstances that will occur in the future. Risks and uncertainties include: the ability of Nokia to integrate Alcatel-Lucent into Nokia operations; the performance of the global economy; the capacity for growth in internet and technology usage; the consolidation and convergence of the industry, its suppliers and its customers; the necessary stock exchange clearances to open the public exchange offers; minimum tender acceptances in the public exchange offers; shareholder approval to close the proposed transaction; consummation of the proposed transaction; the effect of changes in governmental regulations; disruption from the proposed transaction making it more difficult to maintain relationships with customers, employees or suppliers; and the impact on the combined company (after giving effect to the proposed transaction with Alcatel-Lucent) of any of the foregoing risks or forward-looking statements, as well as other risk factors listed from time to time in Nokia's and Alcatel-Lucent's filings with the U.S. Securities and Exchange Commission ("SEC"). The forward-looking statements should be read in conjunction with the other cautionary statements that are included elsewhere, including the Risk Factors section of the Registration Statement (as defined below), Nokia's and Alcatel-Lucent's most recent annual reports on Form 20-F, reports furnished on Form 6-K, and any other documents that Nokia or Alcatel-Lucent have filed with the SEC. Any forward-looking statements made in this presentation are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, us or our business or operations. Except as required by law, we undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

IMPORTANT ADDITIONAL INFORMATION This presentation relates to the proposed public exchange offer by Nokia to exchange all of common stock and convertible securities issued by Alcatel-Lucent for new ordinary shares of Nokia. This presentation is for informational purposes only and does not constitute an offer to purchase or exchange, or a solicitation of an offer to sell or exchange, any ordinary shares, ADSs or convertible securities of Alcatel Lucent, nor is it a substitute for the Tender Offer Statement on Schedule TO or the Preliminary Prospectus / Offer to Exchange included in the Registration Statement on Form F-4 (the "Registration Statement"), a preliminary draft of which was filed by Nokia with the SEC on August 14, 2015 (as amended on October 22, 2015 and November 6, 2015), the Solicitation / Recommendation Statement on Schedule 14D-9 to be filed by Alcatel Lucent with the SEC, the listing prospectus of Nokia filed by Nokia with and approved by the Finnish Financial Supervisory Authority on October 23, 2015 or the offer document (note d'information) filed by Nokia on October 29, 2015 with, and which is subject to the review of, the AMF or the response document (note en réponse) filed by Alcatel Lucent on October 29, 2015 with the AMF (including the letter of transmittal and related documents and as amended and supplemented from time to time, the "Exchange Offer Documents"). The proposed exchange offer referenced in this document has not yet commenced. No offering of securities shall be made in the United States except by means of a prospectus meeting the requirements of Section 10 of the U.S. Securities Act of 1933. The tender offer will be made only through the Exchange Offer Documents. The making of the proposed exchange offer to specific persons who are residents in or

nationals or citizens of jurisdictions outside France or the United States or to custodians, nominees or trustees of such persons (the “Excluded Shareholders”) may be made only in accordance with the laws of the relevant jurisdiction. It is the responsibility of the Excluded Shareholders wishing to accept an exchange offer to inform themselves of and ensure compliance with the laws of their respective jurisdictions in relation to the proposed exchange offer.

INVESTORS AND SECURITY HOLDERS ARE URGED TO READ THE EXCHANGE OFFER DOCUMENTS AND ALL OTHER RELEVANT DOCUMENTS THAT NOKIA OR ALCATEL-LUCENT HAS FILED OR MAY FILE WITH THE SEC, AMF, NASDAQ HELSINKI OR FINNISH FINANCIAL SUPERVISORY AUTHORITY WHEN THEY BECOME AVAILABLE BECAUSE THEY CONTAIN OR WILL CONTAIN IMPORTANT INFORMATION THAT INVESTORS AND SECURITY HOLDERS SHOULD CONSIDER BEFORE MAKING ANY DECISION REGARDING THE PROPOSED EXCHANGE OFFER. The Exchange Offer Documents and other documents referred to above, if filed or furnished by Nokia or Alcatel Lucent with the SEC are or will be available free of charge at the SEC’s website (www.sec.gov). Nokia’s offer document (note d’information) and Alcatel Lucent’s response document (note en réponse), containing detailed information with regard to the French public exchange offer, are available on the websites of the AMF (www.amf-france.org), Nokia (www.nokia.com) and Alcatel Lucent (www.alcatel-lucent.com).

Customer feedback Breadth of combined product portfolio Scale to deliver quickly and be locally relevant Innovation capabilities and financial strength We are looking for partners that can move quickly with us as we are sourcing and architecting our network. The Alcatel-Lucent story will really strengthen Nokia's portfolio and gives them a unique differentiator in the local market. Alcatel-Lucent's product lines will strengthen Nokia's current portfolio... as well as their reach to the North American market... the strategic fit with us will be higher if the deal goes through. The portfolios complement each other very well. The merger of Nokia and Alcatel-Lucent is a smart decision. Alcatel-Lucent is the leader in transmission and fiber technology...Our fiber operation is handled by Alcatel-Lucent and, following the merger with Nokia, we expect them to enhance their service quality by taking advantage of Nokia's capabilities. (We need) suppliers that (are) innovative and strong, with financial depth. Nokia (will) bring innovation and financial strength and the combination (will) create a stronger player in the supply chain. “ ”
