Item 7.01 Regulation FD Disclosure.

On November 30, 2015, Transatlantic Reinsurance Company (TRC), an indirect, wholly owned subsidiary of Alleghany Corporation (Alleghany), entered into a commutation and release agreement with AIG Property Casualty, Inc., National Indemnity Company and Resolute Management, Inc. with respect to certain reinsurance contracts (the Commutation Agreement), including contracts covering asbestos-related illness and environmental liabilities for 1986 and prior years (the Commuted A&E Liabilities).

Pursuant to the Commutation Agreement, TRC will make a settlement payment of \$400 million in the 2015 fourth quarter to terminate certain TRC liabilities and obligations, including for the Commuted A&E Liabilities. Based on a preliminary analysis of its asbestos-related illness and environmental impairment (A&E) loss and loss adjustment expense reserves, TRC estimates that this settlement payment will eliminate approximately 90 percent of its liabilities for A&E losses occurring in 1986 and prior years.

As a result of the Commutation Agreement, Alleghany currently expects that it will incur an after-tax charge, net of reinsurance, of approximately \$20 million in the 2015 fourth quarter.

The information hereunder shall not be deemed to be filed for the purposes of Section 18 of the Securities Exchange Act of 1934 (the Exchange Act) or otherwise subject to the liabilities of that section, nor shall it be incorporated by reference into a filing under the Securities Act of 1933 or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.
