Item 1.01. Entry into a Material Definitive Agreement.Assignment Agreement

As previously announced, on October 22, 2013, Corning Incorporated (the Company), Corning Hungary Data Services Limited Liability Company (CHDS), Corning Japan K.K. (as the successor to Corning Holding Japan G.K., Corning Japan), and Corning Luxembourg S.à.r.l., (Corning Buyer), entered into a Framework Agreement (the Framework Agreement) with Samsung Display Co., Ltd. (SDC), providing for a series of transactions following the consummation of which Corning Buyer acquired SDC's interests in Samsung Corning Precision Materials Co., Ltd. (SCP). SCP and Samsung Corning Advanced Glass LLC (SCG) also became parties to the Framework Agreement in December 2013 via joinder. Following the acquisition by Corning Buyer, SCP was renamed Corning Precision Materials Co., Ltd. (CPM). The Framework Agreement provided for potential payments to be made between the parties in 2018: one based on certain measures of the revenues generated by the business of CPM, subject to a cap of \$665 million (the Commercial Projection Indemnities); and another based on the volumes of certain sales, subject to a separate cap of \$100 million (the Volume Price Indemnity).

In connection with a number of other commercial agreements, on December 29, 2015 the Company, SDC, CPM, Corning Buyer, CHDS, Corning Japan, and SCG entered into an Assignment Agreement (the Assignment Agreement), pursuant to which SDC assigned to CPM, and CPM assumed from SDC: a) any obligation of SDC to pay any amounts in excess of \$300 million to Corning Buyer, under the Commercial Projection Indemnities; b) any right of SDC to receive any amounts in excess of \$300 million from Corning Buyer, under the Commercial Projection Indemnities; and c) all rights of SDC to receive any payment from Corning Buyer under the Volume Price Indemnity. Each of Corning Buyer and SDC will remain obligated to pay to the other any liabilities it may have to the other under the Commercial Projection Indemnities if and to the extent that such liabilities are less than or equal to (but not in excess of) \$300 million. There will be no obligation (of Corning Buyer, CPM or any other entity) to pay SDC under the Volume Price Indemnity, and all amounts due under the Volume Price Indemnity will be paid by Corning Buyer to CPM. Capitalized terms used but not defined herein have the meanings ascribed to them in the Assignment Agreement.

The foregoing description of the Assignment Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the complete terms and conditions of such agreement which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.
