PROXY STATEMENT

This proxy statement contains information related to the annual meeting of shareholders of Clear Channel Outdoor Holdings, Inc. (referred to herein as Clear Channel Outdoor, CCOH, Company, we, our or us) to be held on May 27, 2016, beginning at 8:00 a.m. local time, in the Texas A Ballroom at the Hilton San Antonio Airport, located at 611 NW Loop 410, San Antonio, Texas 78216, and at any postponements or adjournments thereof. This proxy statement is first being sent to shareholders on or about April 20, 2016. The Company will bear the costs of preparing and mailing this proxy statement and other costs of the proxy solicitation made by the Board of Directors of Clear Channel Outdoor (the Board).

QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS AND THE ANNUAL MEETING

Q: Why am I receiving these materials?

A: The Board is providing these proxy materials to you in connection with Clear Channel Outdoor's annual meeting of shareholders (the annual meeting), which will take place on May 27, 2016. The Board is soliciting proxies to be used at the annual meeting. You also are invited to attend the annual meeting and are requested to vote on the proposals described in this proxy statement.

Q: What information is contained in these materials?

A: The information included in this proxy statement relates to the proposals to be voted on at the annual meeting, the voting process, the compensation of our directors and our most highly paid executive officers and certain other required information. Following this proxy statement are excerpts from Clear Channel Outdoor's 2015 Annual Report on Form 10-K, including the Consolidated Financial Statements, Notes to the Consolidated Financial Statements and Management's Discussion and Analysis of Financial Condition and Results of Operations, as well as certain other data (Appendix A). A proxy card and a return envelope also are enclosed.

Q: What proposals will be voted on at the annual meeting?

A: There are two proposals scheduled to be voted on at the annual meeting:

the election of the three nominees for directors named in this proxy statement; and
the ratification of the selection of Ernst & Young LLP as Clear Channel Outdoor's independent registered public accounting firm for the year ending December 31, 2016.

Q: Which of my shares may I vote?

Edgar Filing: Clear Channel Outdoor Holdings, Inc. - Form DEF 14A

- A: All shares of Class A and Class B common stock owned by you as of the close of business on April 7, 2016 (the Record Date) may be voted by you. These shares include shares that are: (1) held directly in your name as the shareholder of record and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee. Each share of Class A common stock is entitled to one vote at the annual meeting and each share of Class B common stock is entitled to 20 votes at the annual meeting. As of the Record Date, there were 46,563,608 shares of Class A common stock outstanding and 315,000,000 shares of Class B common stock outstanding. 215,000,000 shares of our Class B common stock are held by Clear Channel Holdings, Inc., a wholly owned indirect subsidiary of iHeartMedia, Inc. (iHeartMedia) and 100,000,000 shares of our Class B common stock are held by Broader Media, LLC, a wholly owned indirect subsidiary of iHeartMedia.

Table of Contents

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: Most shareholders of Clear Channel Outdoor hold their shares through a stockbroker, bank or other nominee rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Shareholder of Record: If your shares are registered directly in your name with Clear Channel Outdoor's transfer agent, Computershare, you are considered, with respect to those shares, the shareholder of record, and these proxy materials are being sent directly to you by Computershare on behalf of Clear Channel Outdoor. As the shareholder of record, you have the right to grant your voting proxy directly to Clear Channel Outdoor or to vote in person at the annual meeting. Clear Channel Outdoor has enclosed a proxy card for you to use. Please sign and return your proxy card.

Beneficial Owner: If your shares are held in a stock brokerage account or by a bank or other nominee, you are considered the beneficial owner of shares held in street name, and these proxy materials are being forwarded to you by your broker or nominee who is considered, with respect to those shares, the shareholder of record. As the beneficial owner, you have the right to direct your broker on how to vote and also are invited to attend the annual meeting. However, since you are not the shareholder of record, you may not vote these shares in person at the annual meeting, unless you obtain and present at the meeting a signed proxy from the record holder giving you the right to vote the shares. Your broker or nominee has enclosed a voting instruction card for you to use in directing the broker or nominee regarding how to vote your shares. Please sign and return your voting instruction card.

Q: What constitutes a quorum?

A: The holders of a majority of the total voting power of Clear Channel Outdoor's Class A and Class B common stock entitled to vote and represented in person or by proxy will constitute a quorum at the annual meeting. Votes withheld, abstentions and broker non-votes (described below) are counted as present for purposes of establishing a quorum.

Q: If my shares are held in street name by my broker, will my broker vote my shares for me?

A: Under New York Stock Exchange (NYSE) rules, brokers have discretion to vote the shares of customers who fail to provide voting instructions on routine matters, but brokers may not vote such shares on non-routine matters without voting instructions. When a broker is not permitted to vote the shares of a customer who does not provide voting instructions, it is called a broker non-vote. If you do not provide your broker with voting instructions, your broker will not be able to vote your shares with respect to the election of directors. Your broker will send you directions on how you can instruct your broker to vote.

As described above, if you do not provide your broker with voting instructions and the broker is not permitted to vote your shares on a proposal, a broker non-vote occurs. Broker non-votes will be counted for purposes of establishing a quorum at the annual meeting and will have no effect on the vote on any of the proposals at the annual meeting.

Q: How can I vote my shares in person at the annual meeting?

A: Shares held directly in your name as the shareholder of record may be voted by you in person at the annual meeting. If you choose to vote your shares held of record in person at the annual meeting, please bring the enclosed proxy card and proof of identification. Even if you plan to attend the annual meeting, Clear Channel Outdoor recommends that you also submit your proxy as described below so that your vote will be counted if you later decide not to attend the annual meeting. You may request that your previously

Table of Contents

submitted proxy card not be used if you desire to vote in person when you attend the annual meeting. Shares held in street name may be voted in person by you at the annual meeting only if you obtain and present at the meeting a signed proxy from the record holder giving you the right to vote the shares. Your vote is important. Accordingly, you are urged to sign and return the accompanying proxy card whether or not you plan to attend the annual meeting.

If you plan to attend the annual meeting, please note that space limitations make it necessary to limit attendance to shareholders and one guest per each shareholder. Admission to the annual meeting will be on a first-come, first-served basis. Registration and seating will begin at 7:45 a.m. local time. Each shareholder may be asked to present valid picture identification, such as a driver's license or passport. Shareholders holding stock in brokerage accounts (street name holders) will need to bring a copy of a brokerage statement reflecting stock ownership as of the Record Date. Cameras (including mobile telephones with photographic capabilities), recording devices and other electronic devices will not be permitted at the annual meeting.

Q: How can I vote my shares without attending the annual meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, when you return your proxy card or voting instruction card accompanying this proxy statement, properly signed, the shares represented will be voted in accordance with your directions. You can specify your choices by marking the appropriate boxes on the enclosed proxy card or voting instruction card.

For participants in the 401(k) plan who own shares of Clear Channel Outdoor through the plan, the plan permits you to direct the plan trustee on how to vote the Clear Channel Outdoor shares allocated to your account. Your instructions to the plan trustee regarding how to vote your shares will be delivered via the enclosed proxy card. Your proxy card for shares held in the 401(k) must be received by 11:59 p.m. Eastern Time on May 24, 2016. The trustee will vote shares as to which no instructions are received in proportion to voting directions received by the trustee from all plan participants who vote.

Q: What if I return my proxy card without specifying my voting choices?

A: If your proxy card is signed and returned without specifying choices, the shares will be voted as recommended by the Board.

Q: What if I abstain from voting or withhold my vote on a specific proposal?

A: If you withhold your vote on the election of directors, it will have no effect on the outcome of the vote on the election of directors. If you abstain from voting on the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2016, it will have the same effect as a vote against this proposal. Abstentions are counted as present for purposes of determining a quorum.

Q: What does it mean if I receive more than one proxy or voting instruction card?

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: What are Clear Channel Outdoor's voting recommendations?

A: The Board recommends that you vote your shares **FOR** :

each of the three nominees for directors named in this proxy statement; and
the ratification of the selection of Ernst & Young LLP as Clear Channel Outdoor's independent registered
public accounting firm for the year ending December 31, 2016.

Table of Contents

Q: What vote is required to elect the directors and approve each proposal?

A: The directors will be elected by a plurality of the votes properly cast. The ratification of the selection of Ernst & Young LLP as Clear Channel Outdoor's independent registered public accounting firm for the year ending December 31, 2016 will be approved by the affirmative vote of the holders of at least a majority of the total voting power of the voting stock present in person or by proxy at the annual meeting and entitled to vote on the matter.

Q: May I change my vote?

A: If you are a shareholder of record, you may change your vote or revoke your proxy at any time before your shares are voted at the annual meeting by sending the Secretary of Clear Channel Outdoor a proxy card dated later than your last submitted proxy card, notifying the Secretary of Clear Channel Outdoor in writing, or voting in person at the annual meeting. If your shares are held beneficially in street name, you should follow the instructions provided by your broker or other nominee to change your vote.

Q: Where can I find the voting results of the annual meeting?

A: Clear Channel Outdoor will announce preliminary voting results at the annual meeting and publish final results in a Current Report on Form 8-K, which we anticipate filing with the Securities and Exchange Commission (the SEC) by June 3, 2016.

Q: May I access Clear Channel Outdoor's proxy materials from the Internet?

A: Yes. These materials are available at www.envisionreports.com/cco.

THE BOARD OF DIRECTORS

Our Board, which currently consists of nine members, is responsible for overseeing the direction of Clear Channel Outdoor and for establishing broad corporate policies. However, in accordance with corporate legal principles, it is not involved in day-to-day operating details. Members of the Board are kept informed of Clear Channel Outdoor's business through discussions with the Chairman and Chief Executive Officer, the Chief Financial Officer and other executive officers, by reviewing analyses and reports sent to them, by receiving updates from Board committees and by otherwise participating in Board and committee meetings.

COMPOSITION OF THE BOARD OF DIRECTORS

Our Board is divided into three classes serving staggered three-year terms. At each annual meeting of our shareholders, directors will be elected to succeed the class of directors whose terms have expired. As long as iHeartMedia continues to indirectly own shares of our common stock representing more than 50% of the total voting power of our common stock, it will have the ability to direct the election of all the members of our Board, the composition of our Board committees and the size of the Board.

Because iHeartMedia controls more than 50% of the voting power of Clear Channel Outdoor, we have elected to be treated as a controlled company under the NYSE's Corporate Governance Standards. Accordingly, we are exempt from the provisions of the Corporate Governance Standards requiring that: (1) a majority of our Board consists of independent directors; (2) we have a nominating and governance committee composed entirely of independent directors and governed by a written charter addressing the nominating and governance committee's purpose and responsibilities; and (3) we have a compensation committee composed entirely of independent directors with a written charter addressing the compensation committee's purpose and responsibilities. However, notwithstanding this exemption, as described more fully below, we have a

Table of Contents

Compensation Committee composed entirely of independent directors with a written charter addressing the Compensation Committee's purpose and responsibilities.

BOARD MEETINGS

During 2015, the Board held nine meetings. All of Clear Channel Outdoor's directors, other than Mr. Scott R. Wells (who ceased serving as a member of our Board on March 3, 2015) attended at least 75% of the aggregate of all meetings of the Board held during the periods in which they served during 2015. All of Clear Channel Outdoor's directors also attended at least 75% of the aggregate of all meetings of the Board committees on which they served during 2015, other than Douglas L. Jacobs and Dale W. Tremblay with respect to the Intercompany Note Committee.

SHAREHOLDER MEETING ATTENDANCE

Clear Channel Outdoor encourages, but does not require, directors to attend the annual meeting of shareholders. None of the directors attended the annual meeting of shareholders in 2015.

INDEPENDENCE OF DIRECTORS

The Board has adopted a set of Governance Guidelines addressing, among other things, standards for evaluating the independence of Clear Channel Outdoor's directors. The full text of the Governance Guidelines can be found on the investor relations section of Clear Channel Outdoor's website at www.clearchanneloutdoor.com.

The Board has adopted the following standards for determining the independence of its members:

1. A director must not be, or have been within the last three years, an employee of Clear Channel Outdoor. In addition, a director's immediate family member (immediate family member is defined to include a person's spouse, parents, children, siblings, mother and father-in-law, sons and daughters-in-law and anyone (other than domestic employees) who shares such person's home) must not be, or have been within the last three years, an executive officer of Clear Channel Outdoor.
2. A director or immediate family member must not have received, during any 12 month period within the last three years, more than \$120,000 in direct compensation from Clear Channel Outdoor, other than director or committee fees and pension or other forms of deferred compensation for prior service (and no such compensation may be contingent in any way on continued service).
3. A director must not be a current partner or employee of a firm that is Clear Channel Outdoor's internal or external auditor. In addition, a director must not have an immediate family member who is (a) a current partner of such firm or (b) a current employee of such a firm and personally works on Clear Channel Outdoor's audit. Finally, neither the director nor an immediate family member of the director may have been, within the last three years, a partner or employee of such a firm and personally worked on Clear Channel Outdoor's audit within that time.
- 4.

A director or an immediate family member must not be, or have been within the last three years, employed as an executive officer of another company where any of Clear Channel Outdoor's present executive officers at the same time serve or served on that company's compensation committee.

5. A director must not be a current employee, and no director's immediate family member may be a current executive officer, of a material relationship party (material relationship party is defined as any company that has made payments to, or received payments from, Clear Channel Outdoor

Table of Contents

for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such other company's consolidated gross revenues).

6. A director must not own, together with ownership interests of his or her family, ten percent (10%) or more of a material relationship party.
7. A director or immediate family member must not be or have been during the last three years, an executive officer of a charitable organization (or hold a similar position), to which Clear Channel Outdoor makes contributions in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such organization's consolidated gross revenues.
8. A director must be independent as that term is defined from time to time by the rules and regulations promulgated by the SEC, by the listing standards of the NYSE and, with respect to at least two members of the compensation committee, by the applicable provisions of, and rules promulgated under, the Internal Revenue Code of 1986, as amended (collectively, the Applicable Rules). For purposes of determining independence, the Board will consider relationships with Clear Channel Outdoor and any parent or subsidiary in a consolidated group with Clear Channel Outdoor or any other company relevant to an independence determination under the Applicable Rules.

The above independence standards conform to, or are more exacting than, the director independence requirements of the NYSE applicable to Clear Channel Outdoor. The above independence standards are set forth on Appendix A of the Governance Guidelines.

Our Board currently consists of nine directors, one of whom currently serves as our Chairman and Chief Executive Officer. For a director to be independent, the Board must determine that such director does not have any direct or indirect material relationship with Clear Channel Outdoor. Pursuant to the Governance Guidelines, the Board has undertaken its annual review of director independence.

Our Board has affirmatively determined that Douglas L. Jacobs, Thomas R. Shepherd, Christopher M. Temple and Dale W. Tremblay are independent under the listing standards of the NYSE, as well as Clear Channel Outdoor's independence standards set forth above. In addition, the Board has determined that each member of the Compensation Committee is independent and that each member of the Audit Committee is independent under the heightened independence standards required for audit committee members by the rules and regulations of the SEC. In making these determinations, our Board reviewed information provided by the directors and by Clear Channel Outdoor with regard to the directors' business and personal activities as they relate to Clear Channel Outdoor and its affiliates. In the ordinary course of business during 2015, we entered into purchase and sale transactions for products and services with certain entities affiliated with members of our Board, as described below, and the following transactions were considered by our Board in making their independence determinations with respect to Messrs. Jacobs, Shepherd, Temple and Tremblay:

During 2015, a charity for which Mr. Temple serves on the Investment Committee paid us less than \$62,000 for advertising services.

All of the payments described above are for arms-length, ordinary course of business transactions and we generally expect transactions of a similar nature to occur during 2016. Our Board has concluded that such transactions or

relationships do not impair the independence of the director.

The rules of the NYSE require that non-management or independent directors of a listed company meet periodically in executive sessions. In addition, the rules of the NYSE require listed companies to schedule an executive session including only independent directors at least once a year. Clear Channel Outdoor's independent directors met separately in executive session one time during 2015.

Table of Contents

The Board has created the office of Presiding Director to serve as the lead non-management director of the Board. The office of the Presiding Director at all times will be held by an independent director, as that term is defined from time to time by the listing standards of the NYSE and as determined by the Board in accordance with the Board's Governance Guidelines. The Presiding Director has the power and authority to do the following:

- preside at all meetings of non-management directors when they meet in executive session without management participation;
- set agendas, priorities and procedures for meetings of non-management directors meeting in executive session without management participation;
- generally assist the Chairman of the Board;
- add agenda items to the established agenda for meetings of the Board;
- request access to Clear Channel Outdoor's management, employees and its independent advisers for purposes of discharging his or her duties and responsibilities as a director; and
- retain independent outside financial, legal or other advisors at any time, at the expense of Clear Channel Outdoor, on behalf of the Board or any committee or subcommittee of the Board.

The Presiding Director position is rotated among the independent directors, in alphabetical order of last name, effective the first day of each calendar quarter. As of the date of this proxy statement, Douglas L. Jacobs is serving as the Presiding Director.

COMMITTEES OF THE BOARD

The Board historically has had two standing committees: the Audit Committee and the Compensation Committee. Each committee has a written charter, which guides its operations. The written charters of the Audit Committee and the Compensation Committee are available on Clear Channel Outdoor's website at www.clearchanneloutdoor.com.

On October 19, 2013, in accordance with the terms of the settlement of certain derivative litigation relating to a promissory note (the "Due from iHeartCommunications Note") between iHeartCommunications, Inc., our indirect parent entity (iHeartCommunications), as maker, and Clear Channel Outdoor, as payee, our Board established an Intercompany Note Committee of the Board for the specific purpose of monitoring the Due from iHeartCommunications Note. The Intercompany Note Committee has the non-exclusive authority pursuant to the committee's charter approved as part of the settlement to demand repayment under the Due from iHeartCommunications Note under certain circumstances related to iHeartCommunications' liquidity or the amount outstanding under the Due from iHeartCommunications Note as long as the committee declares a simultaneous dividend equal to the amount so demanded. The Intercompany Note Committee receives monthly and annual reports from management pursuant to the committee's charter and the Intercompany Note Committee has the authority to retain, at Clear Channel Outdoor's expense, independent counsel and an independent financial advisor as the Intercompany Note Committee deems appropriate in order to perform its responsibilities.

The table below sets forth the members of each of these committees.

The Audit Committee

The Audit Committee assists the Board in its oversight of the quality and integrity of the accounting, auditing and financial reporting practices of Clear Channel Outdoor. Douglas L. Jacobs has been designated by our Board as an Audit Committee Financial Expert, as defined by the SEC. Mr. Jacobs also serves on the audit committees of three other public companies. Our Board has determined that such simultaneous service on these other audit committees and on our Audit Committee would not impair the ability of Mr. Jacobs to serve effectively on our Audit Committee. The Audit Committee met four times during 2015. All members of the Audit Committee are independent as defined by the listing standards of the NYSE and Clear Channel Outdoor's independence standards and satisfy the other requirements for audit committee membership, including the heightened independence standards, of the NYSE and the SEC.

The Audit Committee's primary responsibilities, which are discussed in detail within its charter, include the following, subject to the consent of our corporate parent:

- be responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm and any other registered public accounting firm engaged for the purpose of preparing an audit report or to perform other audit, review or attest services and all fees and other terms of their engagement;
- review and discuss reports regarding the independent registered public accounting firm's independence;
- review with the independent registered public accounting firm the annual audit scope and plan;
- review with management, the director of internal audit and the independent registered public accounting firm the budget and staffing of the internal audit department;
- review and discuss with management and the independent registered public accounting firm the annual and quarterly financial statements and the specific disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations prior to the filing of the Annual Report on Form 10-K and Quarterly Reports on Form 10-Q;
- review with the independent registered public accounting firm the critical accounting policies and practices used;
- review with management, the independent registered public accounting firm and the director of internal audit Clear Channel Outdoor's internal accounting controls and any significant findings and recommendations;
- discuss guidelines and policies with respect to risk assessment and risk management;
- oversee Clear Channel Outdoor's policies with respect to related party transactions; and
- review with management and the General Counsel the status of legal and regulatory matters that may have a material impact on Clear Channel Outdoor's financial statements and compliance policies.

The full text of the Audit Committee's charter can be found on our website at www.clearchanneloutdoor.com.

The Compensation Committee

The Compensation Committee administers Clear Channel Outdoor's incentive-compensation plans and equity-based plans, determines compensation arrangements for all executive officers, other than our current Chairman and Chief Executive Officer (our former Executive Chairman), Chief Financial Officer, Senior Vice President Corporate Finance, General Counsel and Chief Accounting Officer, and makes recommendations to the Board concerning compensation for directors of Clear Channel Outdoor and its subsidiaries. The Compensation Discussion and Analysis section of this proxy statement provides additional details regarding the basis on which the Compensation Committee determines executive compensation. The Compensation Committee met five times during 2015. All members of the

Compensation Committee are independent as defined by the listing standards of the NYSE and Clear Channel Outdoor's independence standards.

Table of Contents

The Compensation Committee has the ability, under its charter, to select and retain, at the expense of Clear Channel Outdoor, independent legal and financial counsel and other consultants necessary to assist the Compensation Committee as the Compensation Committee may deem appropriate, in its sole discretion. The Compensation Committee also has the authority to select and retain any compensation consultant to be used to survey the compensation practices in Clear Channel Outdoor's industry and to provide advice so that Clear Channel Outdoor can maintain its competitive ability to recruit and retain highly qualified personnel. The Compensation Committee has the sole authority to approve related fees and retention terms for any of its counsel and consultants.

The Compensation Committee's primary purposes, which are discussed in detail within its charter, are to:

- assist the Board in ensuring that a proper system of long-term and short-term compensation is in place to provide performance-oriented incentives to management, and that compensation plans are appropriate and competitive and properly reflect the objectives and performance of management and Clear Channel Outdoor;

- review and approve corporate goals and objectives relevant to the compensation of Clear Channel Outdoor's executive officers, evaluate the performance of the executive officers in light of those goals and objectives and, either as a committee or together with the other independent directors (as directed by the Board), determine and approve the compensation level of the executive officers based on this evaluation;

- review and adopt, and/or make recommendations to the Board with respect to, incentive-compensation plans for executive officers and equity-based plans;

- review and discuss with management the Compensation Discussion and Analysis to be included in Clear Channel Outdoor's proxy statement and determine whether to recommend to the Board the inclusion of the Compensation Discussion and Analysis in the proxy statement;

- prepare the Compensation Committee report for inclusion in Clear Channel Outdoor's proxy statement; and recommend to the Board the appropriate compensation for the non-employee members of the Board.

Our current Chairman and Chief Executive Officer (our former Executive Chairman), Chief Financial Officer, General Counsel, Chief Accounting Officer and Senior Vice President Corporate Finance simultaneously hold the same positions at iHeartCommunications and iHeartMedia, our indirect parent entities. The compensation of those officers is set by the board of directors and the Compensation Committee of the board of directors of iHeartMedia, and we are allocated a portion of the cost of the services of certain of those officers pursuant to the Corporate Services Agreement, dated November 16, 2005, by and between iHeartMedia Management Services, Inc. (iHMMS), an indirect subsidiary of iHeartMedia and us (the Corporate Services Agreement). Accordingly, our Compensation Committee charter does not govern the compensation arrangements, policies and practices of our current Chairman and Chief Executive Officer (our former Executive Chairman), Chief Financial Officer, General Counsel, Chief Accounting Officer and Senior Vice President Corporate Finance. The term executive officer used above in the description of the Compensation Committee's purposes refers to our employees (other than our current Chairman and Chief Executive Officer (our former Executive Chairman), Chief Financial Officer, General Counsel, Chief Accounting Officer and Senior Vice President Corporate Finance) who are (1) subject to the requirements of Section 16 of the Securities Exchange Act of 1934, as amended (the Securities Exchange Act), governing insider trading reporting or (2) covered by the regulations under Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code), governing qualified performance-based compensation. See the Compensation Discussion and Analysis section of this proxy statement. The Compensation Committee has the authority to delegate its responsibilities to subcommittees if the Compensation Committee determines such delegation would be in the best interest of Clear Channel Outdoor.

DIRECTOR NOMINATING PROCEDURES

The Board oversees the identification and consideration of candidates for membership on the Board, and each member of the Board participates in this process. It is the view of the Board that this function has been performed effectively by the Board, and that it is appropriate for Clear Channel Outdoor not to have a separate nominating committee or charter for this purpose.

The Board is responsible for developing and reviewing background information for candidates for the Board, including those recommended by shareholders. Our directors play a critical role in guiding Clear Channel Outdoor's strategic direction and overseeing the management of Clear Channel Outdoor. Clear Channel Outdoor does not have a formal policy with regard to the consideration of diversity in identifying director nominees, but the Board strives to nominate directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate mix of experience, skills and expertise to oversee Clear Channel Outdoor's businesses. Director candidates should have experience in positions with a high degree of responsibility, be leaders in the organizations with which they are affiliated and have the time, energy, interest and willingness to serve as a member of the Board. The Board evaluates each individual in the context of the Board as a whole, with the objective of recommending a group that can best perpetuate the success of our business and represent shareholder interests through the exercise of sound judgment using its diversity of experience. The Board evaluates each incumbent director to determine whether he or she should be nominated to stand for re-election, based on the types of criteria outlined above as well as the director's contributions to the Board during their current term.

Director Scott R. Wells resigned as a member of our Board on March 3, 2015. Pursuant to our bylaws, on March 3, 2015, our Board appointed Olivia Sabine as a member of our Board to fill the vacancy created by Mr. Wells' resignation. Ms. Sabine was recommended for election as a director by our Board members affiliated with Bain Capital Partners, L.P. (Bain Capital).

The Board will consider as potential nominees individuals properly recommended by shareholders. Recommendations concerning individuals proposed for consideration should be addressed to the Board, c/o Secretary, Clear Channel Outdoor Holdings, Inc., 200 East Basse Road, Suite 100, San Antonio, Texas 78209. Each recommendation should include a personal biography of the suggested nominee, an indication of the background or experience that qualifies the person for consideration and a statement that the person has agreed to serve if nominated and elected. The Board evaluates candidates recommended by shareholders in the same manner in which it evaluates other nominees. Shareholders who themselves wish to effectively nominate a person for election to the Board, as contrasted with recommending a potential nominee to the Board for its consideration, are required to comply with the advance notice and other requirements set forth in our bylaws, as described below under Shareholder Proposals for 2017 Annual Meeting and Advance Notice Procedures.

BOARD LEADERSHIP STRUCTURE

On October 2, 2011, Robert W. Pittman was appointed as our Executive Chairman and a member of our Board and, on January 24, 2012, C. William Eccleshare was appointed as our Chief Executive Officer. On March 2, 2015, Mr. Pittman was appointed as our Chairman and Chief Executive Officer and Mr. Eccleshare transitioned to become Chairman and Chief Executive Officer of our International division (CCI). The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of Clear Channel Outdoor to make that determination based on the position and direction of Clear Channel Outdoor, the membership of the Board and the individuals who occupy those roles. Mr. Pittman provides and Mr. Eccleshare provided our Board with insight into our operations and help facilitate the flow of information between management and the Board. In addition, the position of Presiding Director of our Board rotates quarterly

among our independent directors, providing an additional layer of independent director oversight, as described above under Independence of Directors. For the reasons described above, our Board believes that this leadership structure is appropriate for us at this time.

In addition, Mr. Pittman (as our Chairman and Chief Executive Officer) is and Mr. Eccleshare (as our former Chief Executive Officer) was able to provide our Board with valuable insight into our risk profile and the options to mitigate and address our risks based on their respective experiences with the daily management of our business. COMPENSATION DISCUSSION AND ANALYSIS

The following Compensation Discussion and Analysis contains statements regarding Company and individual performance measures and other goals. These goals are disclosed in the limited context of our executive compensation program and should not be understood to be statements of management's expectations or estimates of results or other guidance. Further, the Company performance measures used for purposes of executive compensation, as described more fully below, differ from segment results reported in our financial statements. Segment results are used to measure the overall financial performance of the Company's segments, while the performance measures used for compensation purposes are used in connection with assessing the performance of executives. We specifically caution investors not to apply the following discussion to other contexts.

OVERVIEW AND OBJECTIVES OF OUR COMPENSATION PROGRAM

We believe that compensation of our named executive officers should be directly and materially linked to operating performance. The fundamental objective of our compensation program is to attract, retain and motivate top quality executives through compensation and incentives which are competitive within the various labor markets and industries in which we compete for talent and which align the interests of our executives with the interests of our shareholders.

Overall, we have designed our compensation program to:

support our business strategy and business plan by clearly communicating what is expected of executives with respect to goals and results and by rewarding achievement;
recruit, motivate and retain executive talent; and
align executive performance with shareholder interests.

Table of Contents

We seek to achieve these objectives through a variety of compensation elements, as summarized below:

Element	Form	Purpose
Base salary	Cash	Provide a competitive level of base compensation in recognition of responsibilities, value to the Company and individual performance
Bonus	Cash	Through annual incentive bonuses, discretionary bonuses and additional bonus opportunities, recognize and provide an incentive for performance that achieves specific corporate and/or individual goals intended to correlate closely with the growth of long-term shareholder value
Long-term Incentive Compensation	Generally stock options, restricted stock, restricted stock units or other equity-based compensation	Incentivize achievement of long-term goals, enable retention and/or recognize achievements and promotions in each case aligning compensation over a multi-year period directly with the interests of shareholders by creating an equity stake
Other Benefits and Prerequisites	Retirement plans, health and welfare plans and certain perquisites (such as club dues, relocation benefits and payment of legal fees in connection with promotions/new hires, personal use of aircraft, transportation and other services)	Provide tools for employees to pursue financial security through retirement benefits, promote the health and welfare of all employees and provide other specific benefits of value to individual executive officers
Severance	Varies by circumstances of separation	Facilitate an orderly transition in the event of management changes

In May 2014, we held a shareholder advisory vote on the compensation of our named executive officers. More than 99% of the votes cast on the matter approved the compensation of our named executive officers as disclosed in our 2014 proxy statement. Accordingly, we made no significant changes to the objectives or structure of our executive compensation program. We currently hold our say-on-pay vote once every three years. Accordingly, we expect that the next say-on-pay advisory vote will occur at our annual meeting of shareholders in 2017. We also expect our next vote on the frequency of say-on-pay votes to occur at our annual meeting of shareholders in 2017.

COMPENSATION OF OFFICERS EMPLOYED BY IHEARTMEDIA

The following of our named executive officers were employed by and received compensation from iHeartMedia in 2015:

Robert W. Pittman, who became our Chief Executive Officer on March 2, 2015;
Richard J. Bressler, our Chief Financial Officer (Principal Financial Officer);

Steven J. Macri, our Senior Vice President - Corporate Finance; and

Scott D. Hamilton, our Senior Vice President, Chief Accounting Officer & Assistant Secretary.

Accordingly, the 2015 compensation for Messrs. Pittman, Bressler, Macri and Hamilton was set by the Compensation Committee of the Board of Directors of iHeartMedia. Clear Channel Outdoor's Compensation Committee had no involvement in recommending or approving their compensation.

Table of Contents

As described below under Certain Relationships and Related Party Transactions iHeartMedia, Inc. Corporate Services Agreement, a portion of the 2015 compensation for Messrs. Bressler, Macri and Hamilton was allocated to us in recognition of their services provided to us pursuant to a Corporate Services Agreement between us and a subsidiary of iHeartMedia. Those allocated amounts are reflected in the Summary Compensation Table below, along with any compensation that we or our subsidiaries provided to them directly. See footnote (g) to the Summary Compensation Table below for a description of the allocations. Additionally, upon termination or a change in control, a portion of certain payments that would be due to Mr. Bressler would be allocated to us, as reflected in the Potential Payments Upon Termination or Change in Control table set forth below. These allocations were or would be made, as applicable, based on Clear Channel Outdoor's OIBDAN (as defined below) as a percentage of iHeartMedia's OIBDAN for the prior year, each as reported in connection with year-end financial results. For purposes of these allocations, OIBDAN is defined as: consolidated net income (loss) adjusted to exclude non-cash compensation expenses and amortization of deferred system implementation costs as well as the following line items presented in the Statement of Operations: income tax benefit (expense); other income (expense), net; equity in earnings (loss) of nonconsolidated affiliates; interest expense; interest income on the Due from iHeartCommunications Note; other operating income, net; depreciation and amortization; and impairment charges.

All references in this Compensation Discussion and Analysis to compensation policies and practices for our executive officers should be read to exclude the compensation policies and practices applicable to Messrs. Pittman, Bressler, Macri and Hamilton and any other executive officers whose compensation was determined by iHeartMedia, other than with respect to Clear Channel Outdoor equity awards provided to those individuals. Accordingly, except as otherwise indicated below, references in this Compensation Discussion and Analysis to our named executive officers are intended to include:

C. William Eccleshare, who served as our Chief Executive Officer (Principal Executive Officer) until March 2, 2015, when he became Chairman and Chief Executive Officer of CCI; and

Scott R. Wells, who became Chief Executive Officer of our Americas division (CCOA) on March 3, 2015.

COMPENSATION PRACTICES

The Compensation Committee typically determines total compensation, as well as the individual components of such compensation, of our named executive officers (other than Messrs. Pittman, Bressler, Macri and Hamilton) on an annual basis. All compensation decisions are made within the scope of each named executive officer's employment agreement, if any.

In making decisions with respect to each element of executive compensation, the Compensation Committee considers the total compensation that may be awarded to the executive, including salary, annual incentive bonus and long-term incentive compensation. Multiple factors are considered in determining the amount of total compensation awarded to the named executive officers, including:

- the terms of our named executive officers' employment agreements, if any;
- the recommendations of the Chief Executive Officer;
- the value of previous equity awards;
- internal pay equity considerations; and
- broad trends in executive compensation generally.

The goal is to award compensation that is reasonable when all elements of potential compensation are considered.

Table of Contents

ELEMENTS OF COMPENSATION

As described above, we believe that a combination of various elements of compensation best serves the interests of Clear Channel Outdoor and its shareholders. Having a variety of compensation elements enables us to meet the requirements of the highly competitive environment in which we operate while ensuring that our named executive officers are compensated in a way that advances the interests of all shareholders. Under this approach, executive compensation generally involves a significant portion of pay that is at risk, namely, the annual incentive bonus. The annual incentive bonus is based entirely on financial performance, individual performance or a combination of both. In conjunction with the annual incentive bonus awards, the Compensation Committee also may provide annual discretionary bonuses or additional bonus opportunities to our named executive officers, which also would be based on financial performance, individual performance or a combination of both. Equity awards constitute a significant portion of long-term remuneration that is tied directly to stock price appreciation, which benefits all shareholders.

Our practices with respect to each of the elements of executive compensation are set forth below, followed by a discussion of the specific factors relevant to the named executive officers.

Base Salary

Administration. Base salaries for executive officers typically are reviewed on an annual basis and at the time of promotion or other change in responsibilities. In general, any increases in salary will be based on the subjective evaluation of factors such as the level of responsibility, individual performance, level of pay both of the executive in question and other similarly situated executives and competitive pay practices. All decisions regarding increasing or decreasing an executive officer's base salary are made within the scope of the executive's respective employment agreement, if any. In the case of our named executive officers who have employment agreements with us, each of their employment agreements contains a minimum level of base salary, as described below under Executive Compensation Employment Agreements with the Named Executive Officers.

In reviewing base salaries, the Compensation Committee considers the importance of linking a significant proportion of the named executive officer's compensation to performance in the form of the annual incentive bonus (plus any annual discretionary bonuses or additional bonus opportunities), which is tied to financial performance measures, individual performance, or a combination of both, as well as long-term incentive compensation.

Analysis. Mr. Eccleshare's base salary increased to \$1,000,000 in connection with his promotion to serve as our Chief Executive Officer on January 24, 2012. Mr. Eccleshare's base salary remained at that level for 2015.

In March 2015, we hired Mr. Wells as Chief Executive Officer of our Americas division. Under his employment agreement, Mr. Wells was provided an initial base salary of \$750,000.

For a more detailed description of the employment agreements of the named executive officers, please refer to Executive Compensation Employment Agreements with the Named Executive Officers.

Annual Incentive Bonus

Administration. Each of our named executive officers participates in our 2015 Executive Incentive Plan (the Annual Incentive Plan), other than Messrs. Pittman, Bressler, Macri and Hamilton, who participate in iHeartMedia's 2015 Executive Incentive Plan. The Annual Incentive Plan is administered by the Compensation Committee and is intended to provide an incentive to the named executive officers and other selected key executives to contribute to the growth, profitability and increased shareholder value and to retain such executives. Under the Annual Incentive Plan,

participants are eligible for performance-based awards, which represent the conditional right to receive cash or other property based upon the achievement of pre-established

Table of Contents

performance goals within a specified performance period. No single participant may receive more than \$15,000,000 in awards in any calendar year. The Annual Incentive Plan is designed to allow awards to qualify for the performance-based compensation exception under Section 162(m) of the Code.

The performance goals for our named executive officers are set pursuant to an extensive annual operating plan developed by the Chief Executive Officer in consultation with the Board, the Chief Financial Officer and other senior executive officers of Clear Channel Outdoor, within any parameters specified within each executive's employment agreement. The Chief Executive Officer makes recommendations as to the compensation levels and performance goals of our named executive officers (other than his own) to the Compensation Committee for its review, consideration and approval. The Compensation Committee has complete discretion to accept, reject or modify the recommendations of the Chief Executive Officer.

The 2015 annual incentive bonuses were based on the following performance goals (as further described below): (1) Mr. Eccleshare's performance goals were based upon achievement of a targeted OIBDAN level for CCI and certain qualitative performance objectives, which contributed to CCI's performance and (2) Mr. Wells' performance goals were based on the achievement of a targeted OIBDAN level for CCOA, excluding Latin America, and Latin America and certain qualitative performance objectives, which contributed to CCOA's performance. Pursuant to his employment agreement, for 2015, Mr. Eccleshare was provided with an additional bonus opportunity based on achievement of certain qualitative performance objectives directly relevant to his position and responsibilities.

The annual incentive bonuses and the payments made in 2015 under Mr. Eccleshare's additional bonus opportunities are reflected in the Non-Equity Incentive Compensation Plan column of the Summary Compensation Table. The annual incentive bonus amounts are determined according to the level of achievement of the objective OIBDAN-based performance goals and the individual qualitative performance goals. No award is earned under the objective performance goal below a minimum threshold of performance (90% of the applicable target OIBDAN for each individual) and a maximum amount is earned under the objective performance goal for performance at or above a maximum level (115% of the applicable target OIBDAN for each individual). The Compensation Committee may, in its discretion, reduce the awards earned pursuant to either the objective or individual qualitative performance goals, as applicable.

The Compensation Committee follows the process set forth below to determine the annual incentive bonuses and additional bonus opportunities for Messrs. Eccleshare and Wells:

at the outset of the fiscal year:

- set performance goals for the year for Clear Channel Outdoor and the operating divisions;
- set individual performance goals for each participant; and
- set a target and maximum annual incentive bonus and a maximum additional bonus opportunity for each applicable participant; and

after the end of the fiscal year, determine the earned amounts by measuring actual performance against the predetermined goals of Clear Channel Outdoor and the operating divisions, as well as any individual performance goals.

For 2015, Clear Channel Outdoor's OIBDAN performance was negatively impacted by the macroeconomic environment. As a result, Clear Channel Outdoor and its operating divisions did not meet their OIBDAN targets and the annual incentive bonus awards were paid below the target bonus levels. Pursuant to his employment agreement, the Compensation Committee awarded an additional bonus opportunity for Mr. Eccleshare with respect to 2015 performance. To enhance the retention value of the additional bonus award, as described below, a significant portion of the earned additional bonus for Mr. Eccleshare will be paid at a later date subject to Mr. Eccleshare's continued employment.

Table of Contents

Analysis. In determining whether the 2015 financial performance goals were met, the Compensation Committee considered the financial results of Clear Channel Outdoor and its operating divisions from January 1, 2015 to December 31, 2015. For 2015, the performance-based goals applicable to our named executive officers are set forth below.

C. William Eccleshare

Pursuant to his employment agreement, Mr. Eccleshare's target bonus for 2015 was set at \$1,000,000, with 70% based on the achievement of OIBDAN at CCI of \$312.7 million and 30% based on the achievement of the other qualitative performance objectives described below. His maximum bonus for 2015 was set at \$2,000,000. For purposes of calculating Mr. Eccleshare's bonus, OIBDAN was calculated as CCI's reportable OIBDAN before restructuring charges, which is defined as consolidated net income (loss) adjusted to exclude the following items: non-cash compensation expense; income tax benefit (expense); other income (expense)-net; equity in earnings (loss) of nonconsolidated affiliates; gain (loss) on marketable securities; gain (loss) on extinguishment of debt; interest expense; other operating income (expense)-net; depreciation and amortization; impairment charges; restructuring charges; the impact of foreign currency and other items. Mr. Eccleshare's individual qualitative performance objectives for 2015 consisted of: (1) undertaking a full review of CCI and proposing changes to reduce costs and increase efficiency; (2) hiring a new Chief Executive Officer for CCOA; (3) growing CCOH's reputation with advertisers and agencies; (4) developing and adopting the use of audience measurement systems, including mobile data; (5) providing strategic leadership of the global outdoor business; and (6) ensuring a focus on customers in leadership meetings, presentations and internal committees. CCI's 2015 OIBDAN was approximately \$289.7 million, which was below the OIBDAN target but above the OIBDAN minimum. Based on the achieved OIBDAN level, together with Mr. Eccleshare's level of achievement of his qualitative performance objectives described above, Mr. Eccleshare received an annual incentive bonus of \$712,686.

Pursuant to an additional bonus opportunity approved for Mr. Eccleshare by our Compensation Committee with respect to 2015 performance, Mr. Eccleshare also earned an additional \$240,000 supplemental bonus based on achieving the following additional performance objectives established by our Compensation Committee for Mr. Eccleshare with respect to our business: (1) hiring a new Chairman for Clear Media Limited; (2) building interactive outdoor networks in all major countries; and (3) developing a programmatic platform plan for CCI. Of the \$240,000 supplemental bonus earned with respect to 2015 performance, \$80,000 was paid at the end of February 2016, and the remaining \$160,000 will be paid in equal installments of \$80,000 each at the same time as the annual incentive bonus payments in 2017 and 2018 if Mr. Eccleshare remains employed on the applicable payment dates. In addition, at the end of February 2016, Mr. Eccleshare was paid the third of three \$84,000 installments earned pursuant to his additional bonus with respect to 2013 performance. He was also paid the second of three \$85,000 installments pursuant to his additional bonus with respect to 2014 performance. The final \$85,000 installment of the 2014 additional bonus will be paid at the same time as the annual incentive bonus payments are paid generally in 2017 if Mr. Eccleshare remains employed on the payment date.

Scott R. Wells

Pursuant to his employment agreement, Mr. Wells' target bonus for 2015 was set at \$624,658, with 65% based on the achievement of OIBDAN at CCOA, excluding Latin America, of \$493.5 million, 5% based on the achievement of Latin America OIBDAN of \$34.7 million and 30% based on the achievement of the other qualitative performance objectives described below. His maximum bonus for 2015 was set at \$1,249,316. For purposes of calculating Mr. Wells' bonus, OIBDAN was calculated as CCOA's reportable OIBDAN before restructuring charges, which is defined as consolidated net income (loss) adjusted to exclude the following items: non-cash compensation expense; income tax benefit (expense); other income (expense)-net; equity in earnings (loss) of nonconsolidated affiliates; gain

(loss) on marketable securities; gain (loss) on extinguishment of debt; interest expense; other operating income (expense)-net; depreciation and amortization; impairment charges; restructuring charges; the impact of foreign currency and other items. Mr. Wells individual qualitative

Table of Contents

performance objectives for 2015 consisted of: (1) driving CCOA's footprint to expand its audience; (2) reversing national advertiser demand trends; (3) hiring in key leadership positions and upgrading where necessary; (4) managing operating and capital expenditures; and (5) re-engaging the U.S markets in the CCOA business. The 2015 CCOA OIBDAN, excluding Latin America, was approximately \$466.7 million which was below the OIBDAN target but above the OIBDAN minimum. The Latin America OIBDAN was approximately \$24.7 million which was below the OIBDAN minimum. Based on the achieved OIBDAN levels, together with Mr. Wells' level of achievement of his qualitative performance objectives described above, Mr. Wells received an annual incentive bonus of \$483,067.

Long-Term Incentive Compensation

Administration. Our named executive officers participate in our 2012 Stock Incentive Plan or our previous 2005 Stock Incentive Plan (collectively, the 2005 Stock Incentive Plan and the 2012 Stock Incentive Plan are referred to as the Stock Incentive Plan), which allow for the issuance of incentive and non-statutory stock options, restricted stock and other equity awards. The Stock Incentive Plan is administered by our Compensation Committee. See Executive Compensation Grants of Plan-Based Awards for a more detailed description of the Stock Incentive Plan. As of December 31, 2015, there were 325 employees holding outstanding stock incentive awards under the Stock Incentive Plan. In general, the level of long-term incentive compensation is determined based on an evaluation of competitive factors in conjunction with total compensation provided to the executive officers and the overall goals of the compensation program described above. Long-term incentive compensation typically has been paid in stock options and/or restricted stock or restricted stock units with time-vesting conditions and/or vesting conditions tied to predetermined performance goals. The Board believes equity ownership is important for purposes of executive retention and alignment of interests with shareholders.

Stock Options, Restricted Stock and Restricted Stock Units. Long-term incentive compensation may be granted to our named executive officers in the form of stock options, with exercise prices of not less than fair market value of our Class A common stock on the date of grant and with a 10-year term. We typically define fair market value as the closing price on the date of grant. Long-term incentive compensation also may be granted to our named executive officers in the form of restricted stock or restricted stock unit awards. Vesting schedules are set by the Compensation Committee in its discretion and vary on a case by case basis. All vesting is contingent on continued employment, with rare exceptions made by the Compensation Committee. See Executive Compensation Potential Post-Employment Payments for a description of the treatment of the named executive officers' equity awards upon termination or change in control. All decisions to award the named executive officers stock options, restricted stock or restricted stock units are in the sole discretion of the Compensation Committee.

Analysis. On February 24, 2015, the Compensation Committee granted Messrs. Pittman and Bressler awards of 85,197 and 31,948 shares of restricted stock, respectively, which vest based on time.

Effective as of January 8, 2016 and February 5, 2016, in lieu of dividends that were paid to shareholders, the Compensation Committee granted Mr. Eccleshare awards of 38,138 and 55,315 restricted stock units, respectively, which vest based on time according to the original vesting schedules of the outstanding restricted stock unit awards. These awards are not included in the Summary Compensation Table herein as they were recognized as 2016 compensation and will be included in the 2016 Summary Compensation Table.

On March 3, 2015, the Compensation Committee granted Mr. Wells an award of 338,600 options of which 50% vest based on time and 50% vest upon satisfaction of performance conditions. Also, on June 15, 2015, the Compensation Committee granted Mr. Wells an award of 37,764 options and 45,830 restricted shares, both of which vest based on time.

As mentioned above, the Compensation Committee typically considers internal pay equity when determining the amount of long-term incentive compensation to grant to our named executive officers. However,

Table of Contents

the Committee does so broadly and does not have a specific policy, or seek to follow established guidelines or formulas, to maintain a particular ratio of long-term incentive compensation among the named executive officers or other executives. For further information about the 2015 long-term incentive awards, please refer to the Grants of Plan-Based Awards and the Employment Agreements with the Named Executive Officers sections appearing later under the Executive Compensation heading in this proxy statement.

Equity Award Grant Timing Practices

Regular Annual Equity Award Grant Dates. The grant date for regular annual stock options and other equity awards, as applicable, for employees, including the named executive officers and for our independent directors, typically is in the first half of the year. During 2015, our Board granted equity awards to our independent directors in June 2015. See

Director Compensation set forth below in this proxy statement for additional information regarding the new compensation program for our independent directors.

Employee New Hires/Promotions Grant Dates. Grants of stock options and other equity awards, if any, to newly-hired or newly promoted employees generally are made at the time of hire or promotion or at the regularly scheduled meeting of the Compensation Committee immediately following the hire or promotion. However, timing may vary as provided in a particular employee's agreement or to accommodate the Compensation Committee.

Initial Equity Award Grant Dates for Newly-Elected Independent Directors. Grants of stock options and other equity awards, as applicable, to newly-elected independent directors generally are made at the regularly scheduled meeting of the Board following their election. If an independent director is appointed between regularly scheduled Board meetings, then grants of stock options and other equity awards, as applicable, generally are made at the first meeting in attendance after such appointment.

Timing of Equity Awards. We do not have a formal policy on the timing of equity awards in connection with the release of material non-public information to affect the value of compensation. In the event that material non-public information becomes known to the Compensation Committee prior to granting equity awards, the Compensation Committee will take the existence of such information under advisement and make an assessment in its business judgment regarding whether to delay the grant of the equity award in order to avoid any potential impropriety.

Executive Benefits and Perquisites

We provide certain personal benefits to our named executive officers. The primary personal benefits provided to one or more of the named executive officers include: (1) certain pension benefits (or payments in lieu thereof) in the United Kingdom; (2) personal club dues; (3) company matching 401(k) contributions in the U.S.; (4) relocation expenses; (5) housing and related expenses and tax gross-ups; (6) private medical insurance for officers who are not U.S. citizens; and (7) transportation, automobile allowances, a leased car and the use of a car service.

Mr. Eccleshare participates in a private pension scheme (not sponsored by Clear Channel Outdoor) and, pursuant to his employment agreement, is entitled to have the Company contribute a portion of his salary to the private pension scheme. The pension scheme provides pension income at retirement based upon contributions made during the employee's years of participation. Mr. Eccleshare is required to make contributions to this scheme in order for the Company to make contributions (or provide cash benefits to him as salary in lieu of such contributions). He also receives a car allowance and leased car in the United Kingdom, private medical insurance and we have agreed to make a car service available for his business use in the United States. In addition, Mr. Eccleshare is reimbursed for the annual dues for memberships in certain clubs and we provide private medical insurance benefits to Mr. Eccleshare.

Table of Contents

Since 2009, we have recruited and hired several new executive officers and have promoted and relocated executive officers, as well as other officers and key employees. As part of this process, the Compensation Committee considered the benefits that would be appropriate to provide to facilitate and/or accelerate their relocation to our corporate locations. After experience recruiting and hiring several new executive officers and other key personnel since 2009, in October 2010 the Compensation Committee adopted a new Company-wide tiered relocation policy reflecting these types of relocation benefits. The Company-wide new relocation policy applies only in the case of a Company-requested relocation and provides different levels of benefits based on the employee's level within the organization. In connection with his promotion to serve as our Chief Executive Officer, Mr. Eccleshare relocated from our offices in London to our offices in New York City and then relocated back to London upon his transition to Chairman and Chief Executive Officer of CCI in March 2015. Through the negotiation of his employment agreement, we agreed to provide Mr. Eccleshare with the additional benefits described under Executive Compensation Employment Agreements with the Named Executive Officers below in consideration of his international relocation.

The Compensation Committee believes that the above benefits provide a more tangible incentive than an equivalent amount of cash compensation. In determining the named executive officers' total compensation, the Compensation Committee will consider these benefits. However, as these benefits and perquisites represent a relatively small portion of the named executive officers' total compensation (or, in the case of benefits such as relocation benefits, are not intended to occur frequently for each named executive officer), it is unlikely that they will materially influence the Compensation Committee's decision in setting such named executive officers' total compensation. For further discussion of these benefits and perquisites, including the methodology for computing their costs, please refer to the Summary Compensation Table included in this proxy statement, as well as the All Other Compensation table included in footnote (d) to the Summary Compensation Table. For further information about other benefits provided to the named executive officers, please refer to Executive Compensation Employment Agreements with the Named Executive Officers.

Severance Arrangements

Pursuant to their respective employment agreements, each of our named executive officers is entitled to certain payments and benefits in certain termination situations or upon a change in control. We believe that our severance arrangements facilitate an orderly transition in the event of changes in management. For further discussion of severance payments and benefits, see Executive Compensation Potential Post-Employment Payments set forth below in this proxy statement.

Roles and Responsibilities

Role of the Committee. The Compensation Committee is primarily responsible for conducting reviews of our executive compensation policies and strategies, overseeing and evaluating our overall compensation structure and programs, setting executive compensation, setting performance goals and evaluating the performance of executive officers against those goals and approving equity awards. The responsibilities of the Compensation Committee are described above under The Board of Directors Committees of the Board.

Role of Executive Officers. The Chief Executive Officer provides reviews and recommendations regarding executive compensation programs, policies and governance for the Compensation Committee's consideration. His responsibilities included, but are not limited to:

providing an ongoing review of the effectiveness of the compensation programs, including competitiveness and alignment with Clear Channel Outdoor's objectives;
recommending changes and new programs, if necessary, to ensure achievement of all program objectives;
and
recommending pay levels, payout and awards for executive officers other than himself.

Table of Contents

The Compensation Committee has the responsibility for administering performance awards under the Annual Incentive Plan. These duties included, among other things, setting the performance period, setting the performance goals and certifying the achievement of the predetermined performance goals by each named executive officer.

Use of Compensation Consultants. As described below under **Certain Relationships and Related Party Transactions** iHeartMedia, Inc. Corporate Services Agreement, our parent entity provides us with certain services, including human resources support. During 2015, iHeartMedia's management retained Mercer (US) Inc. to provide, using its existing sources of data, market competitive compensation data for the Chief Financial Officer and Chief Operating Officer positions at companies similar to iHeartMedia. Mercer (US) Inc. is affiliated with Marsh & McLennan Companies (together with its affiliated companies, MMC). During 2015, MMC was retained by management to provide services unrelated to executive or director compensation, including: an equity plan overhang analysis, consulting regarding international long-term incentive practices, leasing services, as well as insurance and brokerage services. MMC's fees during 2014 with respect to its review of Chief Financial Officer and Chief Operating Officer compensation were \$10,984, and the aggregate fees for the other services provided by MMC during 2015 were approximately \$1.6 million.

iHeartMedia requested and received responses from MMC addressing its independence, including the following factors: (1) other services provided to iHeartMedia and its subsidiaries by MMC; (2) fees paid iHeartMedia and its subsidiaries as a percentage of MMC's total revenue; (3) policies or procedures maintained by MMC that are designed to prevent a conflict of interest; (4) any business or personal relationships between the individual consultants involved in the engagements and a member of the Compensation Committee; (5) any iHeartMedia or Clear Channel Outdoor stock owned by the individual consultants involved in the engagements; and (6) any business or personal relationships between our executive officers and MMC or the individual consultants involved in the engagements. The Compensation Committee discussed these considerations and concluded that MMC's work does not raise any conflict of interest.

TAX AND ACCOUNTING TREATMENT

Deductibility of Executive Compensation

Section 162(m) of the Code places a limit of \$1,000,000 on the amount of compensation Clear Channel Outdoor may deduct for Federal income tax purposes in any one year with respect to certain senior executives of Clear Channel Outdoor, which we referred to herein as the Covered Employees. However, performance-based compensation that meets certain requirements is excluded from this \$1,000,000 limitation.

In reviewing the effectiveness of the executive compensation program, the Compensation Committee considers the anticipated tax treatment to Clear Channel Outdoor and to the Covered Employees of various payments and benefits. However, the deductibility of certain compensation payments depends upon the timing of a Covered Employee's vesting or exercise of previously granted equity awards, as well as interpretations and changes in the tax laws and other factors beyond the control of the Compensation Committee. For these and other reasons, including to maintain flexibility in compensating the named executive officers in a manner designed to promote varying corporate goals, the Compensation Committee will not necessarily, or in all circumstances, limit executive compensation to that which is deductible under Section 162(m) of the Code and has not adopted a policy requiring all compensation to be deductible. The Compensation Committee may consider various alternatives to preserving the deductibility of compensation payments and benefits to the extent reasonably practicable and to the extent consistent with its other compensation objectives.

Accounting for Stock-Based Compensation

Clear Channel Outdoor accounts for stock-based payments, including awards under the Stock Incentive Plan, in accordance with the requirements of FASB ASC 718 (formerly Statement of Financial Accounting Standards No. 123(R)).

Except as described below with respect to aircraft usage, the value of all benefits included in the All Other Compensation column is based on actual costs. For a description of the items reflected in the table above, see Employment Agreements with the Named Executive Officers below.

From time to time, our officers use aircraft owned or leased by iHeartMedia, pursuant to iHeartMedia's Aircraft Policy. The value of personal aircraft usage reported above is based on iHeartMedia's direct variable operating costs.

This methodology calculates an average variable cost per hour of flight. iHeartMedia applies the same methodology to aircraft that are covered by contracts with an outside aircraft management company under which iHeartMedia reimburses the aircraft management company for costs that would otherwise be incurred directly by iHeartMedia (including crew salaries, insurance, fuel and hangar rent) and pays them a monthly management fee for the oversight and administrative services that would otherwise have to be provided by iHeartMedia. On certain occasions, an executive's spouse or other family members and guests may accompany the executive on a flight and the additional direct operating cost incurred in such situations is included under the foregoing methodology.

Table of Contents**Robert W. Pittman**

On October 2, 2011, iHeartMedia entered into an employment agreement with Robert W. Pittman, pursuant to which he serves as Chief Executive Officer of iHeartMedia and served as Executive Chairman of the Board of Directors of CCOH. On March 2, 2015, Mr. Pittman became the Chairman and Chief Executive Officer of CCOH. The October 2, 2011 employment agreement superseded the consulting agreement that Mr. Pittman previously entered into with iHeartMedia and Pilot Group Manager LLC, dated November 15, 2010, and had an initial term ending on December 31, 2016, with automatic 12-month extensions thereafter unless either party provided prior notice electing not to extend the employment agreement. On January 13, 2014, iHeartMedia entered into an amended and restated employment agreement with Mr. Pittman. The amended and restated employment agreement has an initial five-year term ending on January 13, 2019, with automatic 12-month extensions thereafter unless either party gives prior notice electing not to extend the agreement.

Pursuant to his amended and restated employment agreement, Mr. Pittman's minimum base salary increased from \$1,000,000 per year under his previous employment agreement to \$1,200,000 per year. His base salary may be increased (but not decreased) at the discretion of iHeartMedia's Board or its compensation committee. Mr. Pittman also has the opportunity to earn an annual performance bonus for the achievement of reasonable performance goals established annually by iHeartMedia's Board or its compensation committee after consultation with Mr. Pittman. Under Mr. Pittman's previous employment agreement, his aggregate target annual bonus that could be earned upon achievement of all of his performance objectives was not less than \$1,650,000. Under the amended and restated employment agreement, beginning in 2014, Mr. Pittman's aggregate target annual performance bonus is 150% of his annual base salary. For 2015, Mr. Pittman received an annual incentive bonus of \$1,700,000, including a discretionary bonus of \$174,932. See Compensation Discussion and Analysis Elements of Compensation Annual Incentive Bonus.

In addition, during the term of his employment, iHeartMedia will make an aircraft (which, to the extent available, will be a Dassault-Breguet Mystere Falcon 900) available to Mr. Pittman for his business and personal use and will pay all costs associated with the provision of the aircraft. iHeartMedia leases this aircraft from a company controlled by Mr. Pittman. See Certain Relationships and Related Party Transactions Commercial Transactions. If a company aircraft is not available due to service or maintenance issues, iHeartMedia will charter a comparable aircraft for Mr. Pittman's business and personal use. iHeartMedia also will make a car and driver available for Mr. Pittman's business and personal use in and around the New York area as well as anywhere else on company business. See Outstanding Equity Awards at Fiscal Year-End below. In connection with the amended and restated employment agreement, on January 13, 2014, iHeartMedia and Mr. Pittman amended his stock option to terminate and forfeit 200,000 of the options. The termination and forfeiture applied ratably such that, effective January 13, 2014, 252,000 of the options were vested and 378,000 of the options vest ratably on the third, fourth and fifth anniversary of the October 2, 2011 grant date.

The Tranche 1 Shares vest in two equal parts on each of December 31, 2017 and December 31, 2018. The

Mr. Pittman's amended and restated employment agreement contains a 280G gross-up provision that applies in certain circumstances in which any payments (the Company Payments) received by Mr. Pittman are deemed to be excess parachute payments subject to excise taxes under Section 4999 of the Code. If, at the time any such excise tax is imposed, the shareholder approval rules of Q&A 6 in the applicable Section 280G regulations (the Cleansing Vote Rules) are applicable and Mr. Pittman declines to submit such excess parachute payments for approval by iHeartMedia's shareholders, iHeartMedia will pay to Mr. Pittman an amount equal to the excise tax imposed by Section 4999 of the Code. If, at the time any excise tax is imposed, the Cleansing Vote Rules are not applicable, Mr. Pittman will be entitled to a gross-up payment equal to (1) the excise tax and (2) any U.S. Federal, state and local income or payroll tax imposed on the gross-up payment (excluding any U.S. Federal, state and local income or payroll taxes otherwise imposed on the Company Payments); provided that if the Company Payments are found to be equal to or less than 110% of the safe harbor amount referenced in the amended and restated employment agreement, the Company Payments will be reduced to equal the safe harbor amount, such that no excise tax will be imposed by Section 4999 of the Code.

Under the employment agreement, Mr. Pittman is required to protect the secrecy of the confidential information of iHeartMedia, CCOH and the subsidiaries of each (the Company Group). He also is prohibited by the agreement from engaging in certain activities that compete with the Company Group during employment and for 18 months after his employment terminates, and he is prohibited from soliciting employees or customers of the Company Group during employment and for 18 months after termination of employment. iHeartMedia agreed to defend and indemnify Mr. Pittman for acts committed in the course and scope of his employment.

On January 24, 2012, Mr. Eccleshare was promoted to serve as Chief Executive Officer of Clear Channel Outdoor, overseeing both our Americas and International divisions. In connection with his promotion, Clear Channel Outdoor and Mr. Eccleshare entered into a new employment agreement. Mr. Eccleshare's employment agreement has an initial term beginning on January 24, 2012 and continuing until December 31, 2014, with automatic 12-month extensions thereafter, beginning on January 1, 2015, unless either Clear Channel Outdoor or Mr. Eccleshare gives prior notice electing not to extend the employment agreement. The employment agreement replaces Mr. Eccleshare's Contract of Employment dated August 31, 2009.

As our Chief Executive Officer, Mr. Eccleshare relocated from our offices in London to our offices in New York City in 2012. In his new position, Mr. Eccleshare receives an annual base salary of \$1,000,000; provided, however, that until Mr. Eccleshare relocated to the United States, his base salary was to be paid in British pounds (using an exchange rate of £1=\$1.49). His salary will be reviewed at least annually for possible increase by our Board. During the term of the employment agreement, Mr. Eccleshare is eligible to receive an annual performance bonus with a target of not less than \$1,000,000 and the opportunity to earn up to 200% of the target amount based on the achievement of the performance goals specified in his employment agreement for 2012 and the performance goals to be set by the Compensation Committee of our Board for years after 2012. See Compensation Discussion and Analysis Elements of Compensation Annual Incentive Bonus.

We continue to contribute to Mr. Eccleshare's personal pension plan registered under Chapter 2, Part 4 of the Finance Act of 2004 in the United Kingdom, as provided in his previous Contract of Employment. We also agreed to reimburse Mr. Eccleshare for the reasonable costs and expenses (not to exceed \$25,000 annually, fully grossed-up for applicable taxes) associated with filing his U.S. and U.K. personal income tax returns, as applicable. If Mr. Eccleshare's actual U.S. and U.K. income tax and Social Security/National Insurance in a given year exceeds the tax obligations that he would have incurred on the same income (excluding all taxable income not paid by us or a subsidiary or affiliate) had he remained subject only to U.K. income tax and National Insurance over the same period, we will reimburse this excess tax on a fully-grossed up basis for applicable taxes. We also agreed to make a car service available for Mr. Eccleshare's business use and paid all fees associated with the immigration applications for Mr. Eccleshare and his spouse. Mr. Eccleshare is eligible to receive health, medical, welfare and life insurance benefits and paid vacation on a basis no less favorable than provided to our similarly-situated senior executives; provided, however, that his life insurance benefit shall be for an amount equal to four times his annual base salary. Further, we agreed to make a car service available to Mr. Eccleshare for his business use. Mr. Eccleshare is also to be reimbursed for travel and entertainment related expenses, consistent with past practices pursuant to Company policy.

Mr. Eccleshare also is subject to customary confidentiality, work product and trade secret provisions. During the term of the employment agreement, Mr. Eccleshare may continue to perform non-executive services with Hays plc. Upon his service with Hays plc ceasing, Mr. Eccleshare will be permitted to perform another non-executive role at any time with a business that does not compete with us or our affiliates, subject to our prior written consent that will not be unreasonably withheld.

December 17, 2015 Amendment to January 24, 2012 Employment Agreement. Effective December 17, 2015, Mr. Eccleshare and Clear Channel Outdoor entered into an amendment (the "Second Eccleshare Amendment") to Mr. Eccleshare's Prior Employment Agreement. Pursuant to the terms of the Second Eccleshare Amendment, (1) Mr. Eccleshare's term of employment was extended until December 31, 2017 and thereafter provided for automatic one-year extensions, unless either Clear Channel Outdoor or Mr. Eccleshare gives prior notice electing not to extend the agreement, (2) in the event there is a disposition of the European assets of CCI, Mr. Eccleshare will be considered for a cash payment in an amount to be determined by Clear Channel Outdoor in its sole discretion, (3) commencing in 2016, Mr. Eccleshare is eligible for an additional long-term incentive opportunity from Clear Channel Outdoor, consistent with other comparable positions pursuant to the terms of the award agreement(s), taking into consideration demonstrated performance and potential, and subject to approval by Mr. Eccleshare's manager and the Board or the compensation committee of Clear Channel Outdoor, and (4) in consideration of Mr. Eccleshare entering into the First Eccleshare Amendment and the Second Eccleshare Amendment and as a result of the change in his position and duties related to the First Eccleshare Amendment and provided Mr. Eccleshare's employment has not ended prior to March 1, 2016, Mr. Eccleshare shall receive, subject to certain conditions, (a) the severance payment he would have been entitled to pursuant to the Prior Employment Agreement, except it shall be paid in two annual installments of \$1.1 million on March 1, 2016 and \$1.1 million on March 1, 2017 and (b) vesting of one-half of any then unvested restricted stock units on March 1, 2016 and vesting of the other half of such restricted stock units on March 1, 2017.

Scott R. Wells

Effective March 3, 2015 (the "Effective Date"), CCOH entered into an employment agreement (the "Wells Employment Agreement") with Mr. Wells. The Wells Employment Agreement has an initial term (the "Initial Term") that ends on March 2, 2019 and thereafter provides for automatic four-year extensions, unless either CCOH or Mr. Wells gives prior notice electing not to extend the agreement. Subject to the termination provisions described below, Mr. Wells will receive a base salary from CCOH at a rate no less than \$750,000 per year, which shall be increased at CCOH's discretion. Mr. Wells will also have the opportunity to earn an annual performance bonus (the "Performance Bonus") from CCOH for the achievement of financial and performance criteria established by CCOH and approved in the annual budget. The target performance bonus that may be earned will be not less than 100% of Mr. Wells' base salary amount (the "Target Bonus"). In addition to the annual bonus, Mr. Wells is also eligible for an additional long-term incentive opportunity (the "Long-Term Incentive Amount") from CCOH with an approximate value of \$1,000,000 for each award, consistent with other comparable positions pursuant to the terms of the award agreement(s), taking into consideration demonstrated performance and potential, and subject to approval by the board of directors or the compensation committee of CCOH, as applicable. The Wells Employment Agreement also entitles Mr. Wells to participate in all employee welfare benefit plans in which other similarly situated employees of CCOH may participate. CCOH will reimburse Mr. Wells for the attorneys' fees incurred by Mr. Wells in connection with the negotiation of the Wells Employment Agreement and ancillary documents, up to a maximum reimbursement of \$25,000 in the aggregate. The Wells Employment Agreement also contains a customary confidentiality provision that survives Mr. Wells' termination of employment, as well as customary non-competition and non-solicitation provisions that apply during employment and for the 12-month period thereafter.

If Mr. Wells' employment with CCOH is terminated by CCOH without Cause (as defined in the Wells Employment Agreement), if Mr. Wells terminates his employment for Good Reason (as defined in the Wells

Table of Contents

Employment Agreement) or if Mr. Wells' employment is terminated following CCOH's notice of non-renewal, CCOH shall pay to Mr. Wells: (i) Mr. Wells' accrued and unpaid base salary; (ii) any earned but unpaid prior year bonus, if any, through the date of termination; (iii) any unreimbursed business expenses; and (iv) any payments to which he may be entitled under any applicable employee benefit plan according to the terms of such plans and policies (collectively, the "Accrued Obligations"). In addition, if Mr. Wells has signed and returned (and has not revoked) a general release of claims in a form satisfactory to CCOH by the thirtieth (30th) day following the date of his termination, CCOH will: (i) pay to Mr. Wells, in periodic payments over a period of 18 months following such date of termination in accordance with ordinary payroll practices and deductions in effect on the date of termination, Mr. Wells' base salary; (ii) pay Mr. Wells in a lump sum an amount equal to the COBRA premium payments Mr. Wells would be required to pay for continuation of healthcare coverage during the 12-month period following the date of Mr. Wells' termination (less the amount that Mr. Wells would have had to pay for such coverage as an active employee); (iii) pay to Mr. Wells a prorated bonus, calculated based upon performance as of the termination date as related to overall performance at the end of the calendar year; (iv) pay to Mr. Wells a separation bonus in an amount equal to the Target Bonus to which Mr. Wells would be entitled for the year in which Mr. Wells' employment terminates; and (v) any unvested Time Vesting Options (as defined below) scheduled to vest within the twelve (12) month period following the date of termination will vest in full on the date of termination and any unvested Performance Vesting Options (as defined below) will remain eligible to vest for the three (3) month period following the date of termination.

If Mr. Wells' employment with CCOH is terminated due to Mr. Wells' death or disability or Mr. Wells elects not to renew his employment, CCOH will pay to Mr. Wells or to his designee or estate the Accrued Obligations.

As provided in the Wells Employment Agreement, the compensation committee of the board of directors of CCOH approved an award by CCOH, effective as of March 3, 2015, of options to purchase shares of CCOH's Class A common stock having a value equal to \$1,500,000 as of the award date (based on the Black-Scholes valuation method). Fifty percent of the award has performance-based vesting (the "Performance Vesting Options") and fifty percent of the award vests over time (the "Time Vesting Options"). The Time Vesting Options will vest in equal amounts on the first, second, third and fourth anniversaries of the Effective Date, so long as Mr. Wells remains employed on the vesting date (except as previously set forth in the event of a termination by CCOH without Cause (as defined in the Wells Employment Agreement), if Mr. Wells terminates his employment for Good Reason (as defined in the Wells Employment Agreement) or if Mr. Wells' employment is terminated following CCOH's notice of non-renewal). The Performance Vesting Options will vest on the date that CCOA achieves certain financial and performance criteria, so long as Mr. Wells remains employed on the vesting date (except as previously set forth in the event of a termination by CCOH without Cause (as defined in the Wells Employment Agreement), if Mr. Wells terminates his employment for Good Reason (as defined in the Wells Employment Agreement) or if Mr. Wells' employment is terminated following CCOH's notice of non-renewal).

GRANTS OF PLAN-BASED AWARDS

Stock Incentive Plans

Clear Channel Outdoor grants equity incentive awards to named executive officers and other eligible participants under its Stock Incentive Plan. The Stock Incentive Plan is intended to facilitate the ability of Clear Channel Outdoor to attract, motivate and retain employees, directors and other personnel through the use of equity-based and other incentive compensation opportunities.

The Stock Incentive Plan allows for the issuance of restricted stock, incentive and non-statutory stock options, stock appreciation rights, director shares, deferred stock rights and other types of stock-based and/or performance-based awards to any present or future director, officer, employee, consultant or advisor of or to Clear Channel Outdoor or its subsidiaries.

Table of Contents

The Stock Incentive Plan is administered by the Compensation Committee, except that the entire Board has sole authority for granting and administering awards to non-employee directors. The Compensation Committee determines which eligible persons receive an award and the types of awards to be granted as well as the amounts, terms and conditions of each award including, if relevant, the exercise price, the form of payment of the exercise price, the number of shares, cash or other consideration subject to the award and the vesting schedule. These terms and conditions will be set forth in the award agreement furnished to each participant at the time an award is granted to him or her under the Stock Incentive Plan. The Compensation Committee also makes other determinations and interpretations necessary to carry out the purposes of the Stock Incentive Plan. For a description of the treatment of awards upon a participant's termination of employment or change in control, see Potential Post-Employment Payments.

Cash Incentive Plan

As discussed above, named executive officers also are eligible to receive awards under the Annual Incentive Plan. See Compensation Discussion and Analysis Elements of Compensation Annual Incentive Bonus for a more detailed description of the Annual Incentive Plan and the grant of awards to the named executive officers thereunder.

The following table sets forth certain information concerning plan-based awards granted to the named executive officers during the year ended December 31, 2015. As described below under Certain Relationships and Related Party Transactions iHeartMedia, Inc. Corporate Services Agreement, our parent entities provide us with, among other things, certain executive officer services. A portion (38.72%, 19.36% and 38.72%) of the annual incentive awards provided by our parent entities to Messrs. Bressler, Macri and Hamilton, respectively, with respect to 2015 was allocated to us in recognition of their services provided to us. Those allocated amounts are reflected in the Grants of Plan-Based Awards During 2015 table below and 100% of the annual incentive awards to the named executive officers of iHeartMedia are reflected by iHeartMedia in the comparable table in its proxy statement.

PENSION BENEFITS

Clear Channel Outdoor does not have any pension plans in which the named executive officers participate.

NONQUALIFIED DEFERRED COMPENSATION PLANS

iHeartCommunications historically has offered a nonqualified deferred compensation plan for a select group of management or highly compensated employees, pursuant to which participants could make an annual election to defer up to 50% of their annual salary and up to 80% of their bonus before taxes. Any matching credits on amounts would be made in iHeartCommunications' sole discretion. Participants in the plan could allocate their deferrals and any matching credits among different investment options, the performance of which would be used to determine the amounts to be paid to participants under the plan.

The committee that administers the nonqualified deferred compensation plan decided to suspend all salary and bonus deferral contributions and matching contributions for the 2010 plan year and all succeeding plan years until reinstated by such committee. None of the named executive officers currently participates in the plan.

POTENTIAL POST-EMPLOYMENT PAYMENTS

The following narrative and table describe the potential payments or benefits upon termination, change in control or other post-employment scenarios for each of our named executive officers, using an assumed December 31, 2015 trigger event for each scenario.

As described below under **Certain Relationships and Related Party Transactions** iHeartMedia, Inc. Corporate Services Agreement, iHeartCommunications, our indirect parent entity, makes available to us, and we are obligated to use, the services of certain executive officers of iHeartCommunications and a portion of their salary and other personnel costs are allocated to us in recognition of their services provided to us. The provisions of their agreements are described below to the extent that amounts payable thereunder would be allocated to us under the Corporate Services Agreement upon termination, change in control or other post-employment scenario.

Robert W. Pittman

Termination by iHeartMedia for Cause, by Mr. Pittman without Good Cause or Upon Non-Renewal of the Agreement by Mr. Pittman. Robert W. Pittman's employment agreement provides for the following payments and benefits upon termination by us for Cause, by Mr. Pittman without Good Cause or due to the non-renewal of the agreement by Mr. Pittman.

Under the agreement, Cause is defined as: (1) conduct by Mr. Pittman constituting a material act of willful misconduct in connection with the performance of his duties; (2) continued, willful and deliberate non-performance by Mr. Pittman of his duties under the agreement (other than by reason of physical or mental illness, incapacity or disability) where such non-performance has continued for more than 15 business days after written notice; (3) Mr. Pittman's refusal or failure to follow lawful directives consistent with his job responsibilities where such refusal or failure has continued for more than 15 business days after written notice; (4) a criminal conviction of, or plea of nolo contendere by, Mr. Pittman for a felony or material violation of any securities law including, without limitation, a conviction of fraud, theft or embezzlement or a crime involving moral turpitude; (5) a material breach of the agreement by Mr. Pittman; or (6) a material violation by Mr. Pittman of iHeartMedia's employment policies regarding harassment. In the case of (1), (3), (5) or (6), those acts will not constitute Cause unless Mr. Pittman has been given written notice specifying the conduct qualifying for Cause and Mr. Pittman fails to cure within 15 business

days after receipt of the notice.

The term "Good Cause" includes, subject to certain exceptions: (1) a repeated willful failure by iHeartMedia to comply with a material term of the agreement after written notice by Mr. Pittman specifying the

Table of Contents

alleged failure; (2) a substantial and adverse change in Mr. Pittman's position, material duties, responsibilities or authority; or (3) a material reduction in Mr. Pittman's base salary, performance bonus opportunity or additional bonus opportunity. To terminate for Good Cause, Mr. Pittman must provide iHeartMedia with 30 days' notice, after which iHeartMedia has 15 days to cure.

If iHeartMedia terminates Mr. Pittman's employment for Cause, iHeartMedia will pay Mr. Pittman a lump sum cash payment equal to Mr. Pittman's accrued and unpaid base salary through the date of termination and any payments to which he may be entitled under applicable employee benefit plans ("Accrued Amounts"). If Mr. Pittman terminates his employment without Good Cause or elects not to renew his employment agreement, iHeartMedia will pay Mr. Pittman a lump sum cash payment equal to his Accrued Amounts and any earned but unpaid annual bonus with respect to a previous year ("Earned Prior Year Annual Bonus").

Termination by iHeartMedia without Cause, by Mr. Pittman for Good Cause, Upon Non-Renewal of the Agreement by iHeartMedia or Upon Change in Control. If iHeartMedia terminates Mr. Pittman's employment without Cause, if Mr. Pittman terminates his employment for Good Cause or if iHeartMedia gives Mr. Pittman a notice of non-renewal, Mr. Pittman will receive a lump-sum cash payment equal to his Accrued Amounts and any Earned Prior Year Annual Bonus. In addition, provided he signs and returns a release of claims in the time period required, iHeartMedia will: (1) pay Mr. Pittman, over a period of two years, an amount equal to two times the sum of his base salary and target bonus; (2) reimburse Mr. Pittman for all COBRA premium payments paid by Mr. Pittman for continuation of healthcare coverage during the 18-month period following the date of Mr. Pittman's termination; and (3) pay Mr. Pittman a prorated annual bonus with respect to the days he was employed in the year that includes the termination, calculated as if he had remained employed through the normal payment date ("Prorated Annual Bonus"). Mr. Pittman's employment agreement does not provide for payments or benefits upon a change in control. Accordingly, if he is terminated without Cause after a change in control, Mr. Pittman will be entitled to the benefits described for a termination without Cause.

Termination due to Death or Disability. If Mr. Pittman is unable to perform his duties under the agreement on a full-time basis for more than 180 days in any 12-month period, iHeartMedia may terminate his employment. If Mr. Pittman's employment is terminated due to death or disability, iHeartMedia will pay to Mr. Pittman or his designee or estate: (1) a lump sum cash payment equal to his Accrued Amounts; (2) any Earned Prior Year Annual Bonus; and (3) a Prorated Annual Bonus. If a release of claims is signed and returned in the time period required, iHeartMedia will reimburse Mr. Pittman or his estate for all COBRA premium payments paid by Mr. Pittman or his estate for continuation of healthcare coverage during the 18-month period following Mr. Pittman's date of termination.

Impact of Termination on October 2, 2011 and October 15, 2012 Equity Awards. Except as described below, upon termination of Mr. Pittman's employment, all of his outstanding and unvested iHeartMedia stock options granted on October 2, 2011 and restricted stock granted on October 15, 2012 will be cancelled. If Mr. Pittman's employment is terminated by iHeartMedia without Cause or by Mr. Pittman for Good Cause within 12 months after a change of control of iHeartMedia where the Sponsors do not receive cash as a direct result of such transaction in an amount equal to at least 75% of their equity interest in iHeartMedia immediately prior to the transaction, his unvested options will vest and become immediately exercisable. If Mr. Pittman's employment is terminated by iHeartMedia without Cause or by Mr. Pittman for Good Cause (in circumstances other than as described in the previous sentence), the portion of his unvested options that would have vested within 12 months after the date of termination will vest on the date of termination and become immediately exercisable. Upon termination of his employment due to death or disability, Mr. Pittman's vested stock options will continue to be exercisable for the shorter of one year or the remaining 10-year term of the options. In the case of any termination of employment for a reason other than death or disability, Mr. Pittman's vested stock options will continue to be exercisable for the shorter of six months or the remaining 10-year term of the options. If both of the following conditions occur during the six-month period after

termination of Mr. Pittman's employment, the period in which to exercise a vested option will be extended by an additional six months (in no event beyond the 10-year term of the options): (1) the average closing value of the Dow Jones Industrial Average

Table of Contents

for the 10 consecutive trading days immediately prior to the date the options would otherwise expire pursuant to the previous two sentences (the Exercise Measurement Period) is at least 20% less than for the 10 consecutive trading days ending on the date Mr. Pittman's employment terminated (the Base Measurement Period) and (2) the average closing price of the Class A common stock as reported on the principle exchange on which it is listed for trading during the Exercise Measurement Period is at least 25% less than the average closing price of the Class A common stock reported on such exchange for the Base Measurement Period. If Mr. Pittman's employment is terminated by iHeartMedia without Cause within 12 months after a change of control, his time-vesting iHeartMedia restricted stock granted on October 15, 2012 will vest.

On January 13, 2014, Mr. Pittman and iHeartMedia amended and restated Mr. Pittman's employment agreement, providing certain additional benefits to Mr. Pittman, as described below.

Impact of Termination on Equity Awards Granted on January 13, 2014. In connection with Mr. Pittman's amended and restated employment agreement, he was granted awards of restricted stock by iHeartMedia and CCOH on January 13, 2014.

The iHeartMedia restricted stock award granted on January 13, 2014 is divided into the Tranche 1 Shares and the Tranche 2 Shares. The Tranche 1 Shares will: (1) continue to vest in accordance with the terms of the award agreement upon a Change in Control (as defined in the award agreement); (2) vest with respect to 50,000 shares in the event Mr. Pittman's employment is terminated by iHeartMedia without Cause or by Mr. Pittman for Good Cause, because iHeartMedia does not renew his employment agreement or because of Mr. Pittman's death or disability (each, a Good Leaver Termination); and (3) vest with respect to 100% of any unvested shares if a Good Leaver Termination occurs within 90 days of a Change in Control. The Tranche 2 Shares will: (1) in the case of a Good Leaver Termination, be subject to continued vesting for the six-month period following such termination in accordance with the Qualifying Return to Investor metrics set forth in the award agreement; (2) in the case of a Standalone CIC (defined as a Change in Control that the Board determines is not effected by an entity with material operating assets and after which the business and assets of iHeartMedia continue on a standalone basis materially consistent with immediately prior to the Change in Control), be converted to a dollar vesting schedule such that the Tranche 2 Shares will vest, if at all, at 100% on the date that the Fair Market Value (as defined in the award agreement) of one share of iHeartMedia's Class A common stock reaches \$36; (3) in the case of a Good Leaver Termination that occurs during the 18-month period following a Standalone CIC, vest as to 75% of any unvested Tranche 2 Shares if such Standalone CIC takes place prior to the first anniversary of the grant date; vest as to 50% of any unvested Tranche 2 Shares if such Standalone CIC takes place on or after the first anniversary of the grant date but prior to the second anniversary of the grant date; and vest as to 25% of any unvested Tranche 2 if such Standalone CIC takes place on or after the second anniversary of the grant date but prior to the fifth anniversary of the grant date; and (4) in the case of a Change of Control that is not a Standalone CIC, vest as to 75% of any unvested Tranche 2 Shares if such Change in Control takes place prior to the first anniversary of the grant date; vest as to 50% of any unvested Tranche 2 Shares if such Change in Control takes place on or after the first anniversary of the grant date but prior to the second anniversary of the grant date; and vest as to 25% of any unvested Tranche 2 Shares if such Change in Control takes place on or after the second anniversary of the grant date but prior to the third anniversary of the grant date. Any unvested shares that do not vest as described above will terminate on the date his employment terminates.

With respect to the CCOH restricted stock, in the event that Mr. Pittman's employment with iHeartMedia and its subsidiaries is terminated by iHeartMedia for a reason other than Cause or by Mr. Pittman for Good Cause, 50% of any shares of CCOH restricted stock that would otherwise vest within 12 months after such termination will remain outstanding and vest on the date such shares would otherwise have vested, except that if such termination occurs during the 90-day period prior to or the 12-month period following a Change in Control (as defined in the award agreement), 100% of any unvested CCOH restricted stock will vest upon the consummation of such Change in

Control (or on the termination date in the case of a termination following a Change in Control). If Mr. Pittman ceases to be Executive Chairman of the Board of CCOH but continues to be employed by iHeartMedia, all unvested shares of CCOH restricted stock outstanding as of such termination will

Table of Contents

be converted into a number of shares of restricted stock of iHeartMedia having an aggregate Fair Market Value (as defined in iHeartMedia's Stock Incentive Plan) equal to the aggregate Fair Market Value of such unvested shares, in each case, as of the date of such termination, with such iHeartMedia restricted stock vesting on the terms and conditions as are set forth in the CCOH award agreement (substituting iHeartMedia for CCOH). In the event of Mr. Pittman's termination of employment or service from iHeartMedia for any other reason, then all unvested shares of CCOH restricted stock will be immediately forfeited.

Gross-Up Provisions under Mr. Pittman's January 13, 2014 Amended and Restated Employment

Agreement. Mr. Pittman's amended and restated employment agreement contains a 280G gross-up provision that applies in certain circumstances in which any Company Payments received by Mr. Pittman are deemed to be excess parachute payments subject to excise taxes under Section 4999 of the Code. If, at the time any excise tax is imposed, the Cleansing Vote Rules are applicable and Mr. Pittman declines to submit such excess parachute payments for approval by iHeartMedia's shareholders, iHeartMedia will pay to Mr. Pittman an amount equal to the excise tax imposed by Section 4999 of the Code. If, at the time any excise tax is imposed, the Cleansing Vote Rules are not applicable, Mr. Pittman will be entitled to a gross-up payment equal to (1) the excise tax and (2) any U.S. Federal, state and local income or payroll tax imposed on the gross-up payment (excluding any U.S. Federal, state and local income or payroll taxes otherwise imposed on the Company Payments); provided that if the Company Payments are found to be equal to or less than 110% of the safe harbor amount referenced in Mr. Pittman's employment agreement, the Company Payments will be reduced to equal the safe harbor amount, such that no excise tax will be imposed by Section 4999 of the Code.

In the event that Mr. Pittman's employment is terminated due to his death, disability or retirement, then subject to Mr. Pittman's or his estate's execution and non-revocation of a release within 60 days of Mr. Pittman's termination, iHeartMedia will pay him (or his estate) a lump sum amount equal to any taxes paid by Mr. Pittman in accordance with Section 83(b) of the Code with respect to the iHeartMedia restricted stock awarded on January 13, 2014 that, at the time of such death, disability or retirement, remains unvested. For purposes of Mr. Pittman's employment agreement, retirement is deemed to occur if, for the 12-month period following Mr. Pittman's termination by reason of non-renewal of the employment agreement by either party (excluding termination by iHeartMedia for Cause or due to disability) or by Mr. Pittman without Good Cause, Mr. Pittman does not commence employment with or provide significant services as an advisor or consultant to iHeartMedia or any unaffiliated companies.

Richard J. Bressler

Termination by iHeartMedia for Cause, by Mr. Bressler without Good Cause or Upon Non-Renewal of the Agreement by Mr. Bressler. Richard J. Bressler's employment agreement provides for the following payments and benefits upon termination by iHeartMedia for Cause, by Mr. Bressler without Good Cause or due to the non-renewal of the agreement by Mr. Bressler.

Under the agreement, Cause is defined as: (1) conduct by Mr. Bressler constituting a material act of willful misconduct in connection with the performance of his duties; (2) continued, willful and deliberate non-performance by Mr. Bressler of his duties under the agreement (other than by reason of physical or mental illness, incapacity or disability) where such non-performance has continued for more than 15 business days after written notice; (3) Mr. Bressler's refusal or failure to follow lawful directives consistent with his job responsibilities where such refusal or failure has continued for more than 15 business days after written notice; (4) a criminal conviction of, or plea of *nolo contendere* by, Mr. Bressler for a felony or material violation of any securities law including, without limitation, a conviction of fraud, theft or embezzlement or a crime involving moral turpitude; (5) a material breach of the agreement by Mr. Bressler; or (6) a material violation by Mr. Bressler of iHeartMedia's employment policies regarding harassment. In the case of (1), (3), (5) or (6), those acts will not constitute Cause unless Mr. Bressler has

been given written notice specifying the conduct qualifying for Cause and Mr. Bressler fails to cure within 15 business days after receipt of the notice.

Table of Contents

The term "Good Cause" includes, subject to certain exceptions: (1) a repeated willful failure by iHeartMedia to comply with a material term of the agreement after written notice by Mr. Bressler specifying the alleged failure; (2) a substantial and adverse change in Mr. Bressler's position, material duties, responsibilities or authority; or (3) a material reduction in Mr. Bressler's base salary, performance bonus opportunity or additional bonus opportunity. The removal of Mr. Bressler from the position of Chief Financial Officer of Clear Channel Outdoor will not constitute Good Cause. To terminate for Good Cause, Mr. Bressler must provide iHeartMedia with 30 days' notice, after which iHeartMedia has 30 days to cure.

If iHeartMedia terminates Mr. Bressler's employment for Cause, iHeartMedia will pay Mr. Bressler a lump sum cash payment equal to Mr. Bressler's Accrued Amounts. If Mr. Bressler terminates his employment without Good Cause or elects not to renew his employment agreement, iHeartMedia will pay Mr. Bressler a lump sum cash payment equal to his Accrued Amounts and any Earned Prior Year Annual and Additional Bonus.

Termination by iHeartMedia without Cause, by Mr. Bressler for Good Cause, Upon Non-Renewal of the Agreement by iHeartMedia or Upon Change in Control. If iHeartMedia terminates Mr. Bressler's employment without Cause, if Mr. Bressler terminates his employment for Good Cause or if Mr. Bressler's employment is terminated following iHeartMedia's notice of non-renewal after the initial term of the employment agreement, iHeartMedia will pay to Mr. Bressler a lump sum amount equal to: (1) Mr. Bressler's Accrued Amounts; and (2) any Earned Prior Year Annual and Additional Bonus. In addition, provided he signs and returns a release of claims in the time period required, iHeartMedia will: (1) pay to Mr. Bressler, in periodic ratable installment payments twice per month over a period of 18 months following the date of termination, an aggregate amount equal to 1.5 times the sum of Mr. Bressler's base salary and target annual bonus; (2) reimburse Mr. Bressler for all COBRA premium payments paid by Mr. Bressler for continuation of healthcare coverage during the 18-month period following the date of Mr. Bressler's termination; (3) pay to Mr. Bressler a Prorated Annual Bonus; and (4) pay to Mr. Bressler a prorated bonus under his additional bonus opportunity, based on actual results for such year (the "Prorated Additional Bonus").

Termination due to Death or Disability. If Mr. Bressler is unable to perform his duties under the agreement on a full-time basis for more than 180 days in any 12 month period, iHeartMedia may terminate his employment. If Mr. Bressler's employment is terminated due to death or disability, iHeartMedia will pay to Mr. Bressler or to his designee or estate: (1) a lump sum equal to Mr. Bressler's Accrued Amounts; (2) any Earned Prior Year Annual and Additional Bonus; (3) Mr. Bressler's Prorated Annual Bonus; and (4) Mr. Bressler's Prorated Additional Bonus. If a release of claims is signed and returned in the time period required, iHeartMedia will reimburse Mr. Bressler or his estate for all COBRA premium payments paid by Mr. Bressler or his estate for continuation of healthcare coverage during the 18-month period following Mr. Bressler's date of termination.

Gross-Up Provisions. Mr. Bressler's employment agreement contains a 280G gross-up provision that applies in certain circumstances in which any Company Payments received by Mr. Bressler are deemed to be "excess parachute payments" subject to excise taxes under Section 4999 of the Code. If, at the time any excise tax is imposed, the Cleansing Vote Rules are applicable and Mr. Bressler declines to submit the excess parachute payments for approval by iHeartMedia's shareholders, iHeartMedia will pay to Mr. Bressler an amount equal to the excise tax imposed by Section 4999 of the Code. If, at the time any excise tax is imposed, the Cleansing Vote Rules are not applicable, Mr. Bressler will be entitled to a gross-up payment equal to (1) the excise tax and (2) any U.S. Federal, state and local income or payroll tax imposed on the gross-up payment (excluding any U.S. Federal, state and local income or payroll taxes otherwise imposed on the Company Payments); provided that if the Company Payments are found to be equal to or less than 110% of the "safe harbor" amount referenced in Mr. Bressler's employment agreement, the Company Payments will be reduced to equal the safe harbor amount, such that no excise tax will be imposed by Section 4999 of the Code.

Impact of Termination on Equity Awards. In connection with Mr. Bressler's employment agreement, he was granted an award of 271,739 restricted shares of Clear Channel Outdoor Class A common stock on July 29, 2013. In the event of Mr. Bressler's termination of employment or service for any reason, then, except as

Table of Contents

otherwise provided in the award agreement, all unvested shares of the restricted stock will be immediately forfeited. In the event that Mr. Bressler's employment with iHeartMedia, Clear Channel Outdoor and its subsidiaries is terminated by iHeartMedia or Clear Channel Outdoor for a reason other than Cause or by Mr. Bressler for Good Cause, 50% of any shares of the restricted stock that would otherwise vest within 12 months after such termination will remain outstanding and vest on the date such shares would otherwise have vested, except that if such termination occurs during the 90-day period prior to or the 12-month period following a Change in Control (as defined in the award agreement), 100% of any unvested restricted stock will vest upon the consummation of such Change in Control (or on the termination date in the case of a termination following a Change in Control). If Mr. Bressler ceases to be employed by Clear Channel Outdoor and its subsidiaries by reason of termination by Clear Channel Outdoor with or without Cause or at the written request of iHeartMedia but continues to be employed by iHeartMedia, all unvested shares of the restricted stock outstanding as of such termination will be converted into a number of shares of restricted stock of iHeartMedia having an aggregate Fair Market Value (as defined in the iHeartMedia 2015 Executive Long Term Incentive Plan) equal to the aggregate Fair Market Value of such unvested shares, in each case, as of the date of such termination, with such iHeartMedia restricted stock vesting on the terms and conditions as are set forth in the Clear Channel Outdoor award agreement (substituting iHeartMedia for Clear Channel Outdoor).

C. William Eccleshare

Termination by Clear Channel Outdoor for Cause or by Mr. Eccleshare without Good Reason. Mr. Eccleshare's employment agreement provides for the following payments and benefits upon termination by Clear Channel Outdoor for Cause or by Mr. Eccleshare without Good Reason.

Under the agreement, Cause is defined as: (1) conduct by Mr. Eccleshare constituting a material act of willful misconduct in connection with the performance of his duties; (2) continued, willful and deliberate non-performance by Mr. Eccleshare of his duties (other than by reason of physical or mental illness, incapacity or disability) where such non-performance has continued for more than 15 business days following written notice of such non-performance; (3) Mr. Eccleshare's refusal or failure to follow lawful and reasonable directives consistent with his job responsibilities where such refusal or failure has continued for more than 15 business days following written notice of such refusal or failure; (4) a criminal conviction of, or a plea of *nolo contendere* by, Mr. Eccleshare for a felony or material violation of any securities law including, without limitation, conviction of fraud, theft or embezzlement or a crime involving moral turpitude; (5) a material breach by Mr. Eccleshare of any of the provisions of his employment agreement; or (6) a material violation by Mr. Eccleshare of Clear Channel Outdoor's employment policies regarding harassment; provided, however, that Cause shall not exist under clauses (1), (3), (5) or (6) unless Mr. Eccleshare has been given written notice specifying the act, omission or circumstances alleged to constitute Cause and he fails to cure or remedy such act, omission or circumstances within 15 business days after receipt of such notice.

The term Good Reason includes: (1) a change in Mr. Eccleshare's reporting line; (2) a material change in his titles, duties or authorities (provided that Mr. Eccleshare shall not have Good Reason to terminate employment if, after a restructuring or reorganization of Clear Channel Outdoor or a sale or spinoff of all or a portion of Clear Channel Outdoor's operations, Mr. Eccleshare continues as Chief Executive Officer of CCI (or any of its successors)); (3) a reduction in Mr. Eccleshare's base salary or target bonus, other than an across-the-board reduction applicable to all senior executive officers of Clear Channel Outdoor; (4) a required relocation within the domestic United States of more than 50 miles of his primary place of employment; or (5) a material breach by Clear Channel Outdoor of the terms of the employment agreement. To terminate for Good Reason, Mr. Eccleshare must provide Clear Channel Outdoor with 30 days' written notice, after which Clear Channel Outdoor has 30 days to cure, and Mr. Eccleshare must terminate employment within ten (10) days following the expiration of the Company's cure period, if he still intends to terminate.

If Mr. Eccleshare's employment is terminated by Clear Channel Outdoor for Cause or by Mr. Eccleshare without Good Reason, Clear Channel Outdoor will pay to Mr. Eccleshare his accrued and unpaid base salary through the date of termination and any unreimbursed business expenses and any payments or benefits (including

accrued but untaken vacation, if any) required under applicable employee benefit plans or equity plans in accordance with such plans and/or policies (the Accrued Amounts). In addition, if Mr. Eccleshare terminates his employment without Good Reason and he signs and returns a release of claims in the time period required, Clear Channel Outdoor will pay to Mr. Eccleshare any annual bonus and additional bonus earned but unpaid with respect to the calendar year prior to the year of termination (the Earned Prior Year Annual and Additional Bonus) and, if Clear Channel Outdoor terminates Mr. Eccleshare's employment after receipt of Mr. Eccleshare's notice of termination, Clear Channel Outdoor will pay any base salary for any remaining portion of the 90-day advance notice period.

If Mr. Eccleshare is terminated for Cause, his Clear Channel Outdoor stock options will be cancelled and any unvested Clear Channel Outdoor restricted stock units will be forfeited. If Mr. Eccleshare terminates his employment without Good Reason, any unvested Clear Channel Outdoor stock options will be cancelled, he will have three months to exercise any vested Clear Channel Outdoor stock options and any unvested Clear Channel Outdoor restricted stock units will be forfeited. If his employment is terminated due to retirement (resignation from employment when the sum of his full years of age and full years of service equals at least 70, and he is at least 60 years of age with five full years of service at the time), all of his issued Clear Channel Outdoor stock options will continue to vest for the shorter of five years or the remainder of their original 10-year terms, and any unvested Clear Channel Outdoor restricted stock units will continue to vest as if he were employed.

Termination by Clear Channel Outdoor without Cause, by Mr. Eccleshare for Good Reason, Upon Non-Renewal of the Agreement by Clear Channel Outdoor or Upon Change in Control. If Clear Channel Outdoor terminates Mr. Eccleshare's employment without Cause (and not by reason of disability), if Clear Channel Outdoor does not renew the initial term or any subsequent renewal terms of the employment agreement or if Mr. Eccleshare terminates his employment for Good Reason, Clear Channel Outdoor will pay to Mr. Eccleshare any Accrued Amounts. In addition, if Mr. Eccleshare signs and returns a release of claims in the time period required, Clear Channel Outdoor will: (1) pay to Mr. Eccleshare a severance payment in an amount equal to 120% of his then-applicable base salary and 100% of his then-applicable target annual bonus in respect of the year of termination (the Severance Payment), with such Severance Payment to be paid in equal monthly installments for a period of 12 months after such termination; (2) reimburse his family's reasonable relocation expenses from New York City to London that are incurred during employment or within 12 months after his termination, including reimbursement of the New York City apartment lease breakage fee, subject to submission of expenses in accordance with the Company's reimbursement policy (the Relocation Fee); (3) pay to Mr. Eccleshare the Earned Prior Year Annual and Additional Bonus; (4) pay to Mr. Eccleshare a pro rata portion of his annual bonus for the year of termination, calculated based upon performance as of the termination date as related to overall performance at the end of the calendar year for which pro rata portion of the annual bonus Mr. Eccleshare shall be eligible only if a bonus would have been earned by the end of the calendar year (the Prorated Annual Bonus); and (5) provide for him and his dependents continued participation in Clear Channel Outdoor's group health plan that covers Mr. Eccleshare at Clear Channel Outdoor's expense for a period of three months as long as he timely elects continued coverage and continues to pay copayment premiums at the same level and cost as Mr. Eccleshare paid immediately prior to the termination (the COBRA Coverage Benefit). If Mr. Eccleshare violates the non-competition, non-interference or non-solicitation covenants contained in the employment agreement (after being provided a 10-day cure opportunity to the extent such violation is curable), Mr. Eccleshare will forfeit any right to the pro rata portion of the Severance Payment for the number of months remaining in the 18-month non-compete period after termination. In addition, no Relocation Fee or COBRA Coverage Benefit will be paid in the event of a violation of the non-competition, non-interference or non-solicitation covenants contained in the employment agreement (after being provided a 10-day cure opportunity to the extent such violation is curable) and Mr. Eccleshare will reimburse Clear Channel Outdoor for any forfeited pro-rata portion of the Severance Payment, Relocation Fee and/or COBRA Coverage Benefit already paid.

Furthermore, in the event that Mr. Eccleshare's employment is terminated by Clear Channel Outdoor without Cause or by Mr. Eccleshare for Good Reason, his unvested Clear Channel Outdoor restricted stock units awarded on July 26, 2012 will vest, his unvested Clear Channel Outdoor stock options will be cancelled and his

vested Clear Channel Outdoor stock options will continue to be exercisable for three months. Mr. Eccleshare's employment agreement does not provide for payments or benefits upon a change in control. Accordingly, if he is terminated without Cause after a change in control, Mr. Eccleshare will be entitled to the benefits described for a termination without Cause. Mr. Eccleshare's unvested Clear Channel Outdoor stock options and Clear Channel Outdoor restricted stock units will vest upon a change in control, with or without termination. Further in this event, Mr. Eccleshare shall receive any unpaid portion of the payment to which he is entitled as a result of the Second Eccleshare Amendment, and any unvested restricted stock units shall automatically vest on his last day of employment.

Termination due to Disability. If Mr. Eccleshare is unable to perform the essential functions of his full-time position for more than 180 consecutive days in any 12 month period, Clear Channel Outdoor may terminate his employment. If Mr. Eccleshare's employment is terminated, Clear Channel Outdoor will pay to Mr. Eccleshare or his designee any Accrued Amounts and the Relocation Fee for Mr. Eccleshare and his family. In addition, if Mr. Eccleshare signs and returns a release of claims in the time period required, Clear Channel Outdoor will pay to Mr. Eccleshare or his designee any Earned Prior Year Annual and Additional Bonus, Prorated Annual Bonus and the COBRA Coverage Benefit. If his employment is terminated due to disability, his unvested Clear Channel Outdoor stock options will continue to vest for the shorter of five years or the remainder of their original 10-year terms, and any unvested Clear Channel Outdoor restricted stock units will continue to vest as if he were employed.

Termination due to Death. If Mr. Eccleshare's employment is terminated by his death, Clear Channel Outdoor will pay to his designee or estate: (1) the Accrued Amounts; (2) any Earned Prior Year Annual and Additional Bonus; (3) the Prorated Annual Bonus; (4) the Relocation Fee; and (5) the COBRA Coverage Benefit. If Mr. Eccleshare is terminated due to his death, his unvested Clear Channel Outdoor stock options will vest and continue to be exercisable for the shorter of one year or the remainder of the original 10-year term and his unvested Clear Channel Outdoor restricted stock units will vest.

RELATIONSHIP OF COMPENSATION POLICIES AND PROGRAMS TO RISK MANAGEMENT

In consultation with the Compensation Committee, management conducted an assessment of whether Clear Channel Outdoor's compensation policies and practices encourage excessive or inappropriate risk taking by our employees, including employees other than our named executive officers. This assessment included discussions with members of the corporate Human Resources, Legal and Finance departments, as well as personnel in the business units, and a review of corporate and operational compensation arrangements. The assessment analyzed the risk characteristics of our business and the design and structure of our incentive plans and policies. Although a significant portion of our executive compensation program is performance-based, the Compensation Committee has focused on aligning Clear Channel Outdoor's compensation policies with the

Table of Contents

long-term interests of Clear Channel Outdoor and avoiding rewards or incentive structures that could create unnecessary risks to Clear Channel Outdoor.

Management reported its findings to the Compensation Committee, which agreed with management's assessment that our plans and policies do not encourage excessive or inappropriate risk taking and determined such policies or practices are not reasonably likely to have a material adverse effect on Clear Channel Outdoor.

DIRECTOR COMPENSATION

The individuals who served as members of our Board during 2015 are set forth in the table below. Olivia Sabine replaced Scott R. Wells as a member of our Board on March 3, 2015. Only our independent directors are compensated for serving as directors of Clear Channel Outdoor. As a result, only Messrs. Jacobs, Shepherd, Temple and Tremblay were compensated for their service as directors of Clear Channel Outdoor during 2015. (a) Amounts in the Stock Awards and Option Awards columns reflect the full grant date fair value of stock and options awarded under our 2012 Stock Incentive Plan during 2015, computed in accordance with the requirements of FASB ASC Topic 718, but excluding any impact of estimated forfeiture rates as required by SEC regulations. On June 24, 2015, each of Messrs. Jacobs, Shepherd, Temple and Tremblay received an annual award of 6,490 shares of time-vesting restricted stock and time-vesting stock options to purchase 15,868 shares of our Class A common stock.

We also may grant stock options or other stock-based awards to the independent directors, and the independent directors may elect to receive their fees in the form of shares of our common stock. None of the independent directors made this election during 2015. Directors also are reimbursed for their expenses associated with their service as directors of Clear Channel Outdoor.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act requires Clear Channel Outdoor's directors, executive officers and beneficial owners of more than 10% of any class of equity securities of Clear Channel Outdoor to file reports of ownership and changes in ownership with the SEC. To our knowledge, based solely on review of the copies of such reports furnished to us and written representations that no other reports were required, during the fiscal year ended December 31, 2015, our officers, directors and greater than 10% beneficial owners timely filed all required Section 16(a) reports, except that the following individuals failed to file timely reports for such fiscal year: Mr. Eccleshare was late in filing one Form 4 disclosing one transaction; Mr. Bressler was late in filing one Form 4 disclosing one transaction; Mr. Pittman was late in filing one Form 4 disclosing one transaction; and CC Finco, LLC was late in filing one Form 4 disclosing two transactions.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

IHEARTMEDIA, INC.

We are an indirect subsidiary of iHeartMedia. As of April 7, 2016, iHeartMedia, through its wholly owned subsidiaries, owned all of our outstanding shares of Class B common stock and 10,726,917 of our outstanding shares of Class A common stock, collectively representing approximately 90.1% of the outstanding shares of our common stock and approximately 99% of the total voting power of our common stock. Each share of our Class B common stock is convertible while owned by iHeartMedia or any of its affiliates (excluding us and our subsidiaries) at the option of the holder thereof into one share of Class A common stock. The agreements between us and iHeartMedia do not prohibit it from selling, spinning off, splitting off or otherwise disposing of any shares of our common stock.

Each of Blair E. Hendrix and Robert W. Pittman, two of our current directors, is a director of iHeartMedia and iHeartCommunications. In addition, Richard J. Bressler, C. William Eccleshare, Scott D. Hamilton, Steven J. Macri, Robert W. Pittman and Robert H. Walls, Jr. serve as executive officers of Clear Channel Outdoor, iHeartMedia and iHeartCommunications. Blair E. Hendrix and Olivia Sabine, two of our current directors, are employed as a managing director and an executive vice president, respectively, of Bain Capital. Daniel G. Jones and Vicente Piedrahita, two of our current directors, are employed as a managing director and a principal, respectively, of THL. Entities controlled by Bain Capital and THL hold all of the shares of iHeartMedia's Class B common stock and iHeartMedia's Class C common stock, and these shares represent a majority (whether measured by voting power or economic interest) of the equity of iHeartMedia.

We have entered into a number of agreements with certain subsidiaries of iHeartMedia setting forth various matters governing our relationship with iHeartMedia and iHeartCommunications, referred to collectively

Table of Contents

in this section as iHeartMedia. These agreements provide for, among other things, the allocation of employee benefit, tax and other liabilities and obligations attributable to our operations.

Set forth below are descriptions of certain agreements, relationships and transactions we have with iHeartMedia.

Master Agreement

We have entered into a master agreement (the Master Agreement) with iHeartMedia. Among other things, the Master Agreement sets forth agreements governing our relationship with iHeartMedia.

Auditors and Audits; Annual Financial Statements and Accounting. We have agreed that, for so long as iHeartMedia is required to consolidate our results of operations and financial position or account for its investment in our Company under the equity method of accounting, we will maintain a fiscal year-end and accounting periods the same as iHeartMedia, conform our financial presentation with that of iHeartMedia, we will not change our independent auditors without iHeartMedia's prior written consent (which will not be unreasonably withheld), and we will use commercially reasonable efforts to enable our independent auditors to complete their audit of our financial statements in a timely manner so as to permit timely filing of iHeartMedia's financial statements. We have also agreed to provide to iHeartMedia all information required for iHeartMedia to meet its schedule for the filing and distribution of its financial statements and to make available to iHeartMedia and its independent auditors all documents necessary for the annual audit of our Company as well as access to the responsible personnel so that iHeartMedia and its independent auditors may conduct their audits relating to our financial statements. We provide iHeartMedia with financial reports, financial statements, budgets, projections, press releases and other financial data and information with respect to our business, properties and financial positions. We have also agreed to adhere to certain specified disclosure controls and procedures and iHeartMedia accounting policies and to notify and consult with iHeartMedia regarding any changes to our accounting principles and estimates used in the preparation of our financial statements, and any deficiencies in, or violations of law in connection with, our internal control over financial reporting and certain fraudulent conduct and other violations of law.

Exchange of Other Information. The Master Agreement also provides for other arrangements with respect to the mutual sharing of information between iHeartMedia and us in order to comply with reporting, filing, audit or tax requirements, for use in judicial proceedings and in order to comply with our respective obligations after the separation. We have also agreed to provide mutual access to historical records relating to the other's businesses that may be in our possession.

Indemnification. We have agreed to indemnify, hold harmless and defend iHeartMedia, each of its affiliates (excluding us and our subsidiaries) and each of their respective directors, officers and employees, on an after-tax basis, from and against all liabilities relating to, arising out of or resulting from:

- the failure by us or any of our affiliates or any other person or entity to pay, perform or otherwise promptly discharge any liabilities or contractual obligations associated with our businesses, whether arising before or after the separation;
- the operations, liabilities and contractual obligations of our business;
- any guarantee, indemnification obligation, surety bond or other credit support arrangement by iHeartMedia or any of its affiliates for our benefit;
- any breach by us or any of our affiliates of the Master Agreement or our other agreements with iHeartMedia or our amended and restated certificate of incorporation or bylaws; and

any untrue statement of, or omission to state, a material fact in iHeartCommunications' public filings to the extent the statement or omission was as a result of information that we furnished to iHeartMedia or that iHeartMedia incorporated by reference from our public filings, if the statement or omission was made or occurred after November 16, 2005.

Table of Contents

iHeartMedia has agreed to indemnify, hold harmless and defend us, each of our subsidiaries and each of our and our subsidiaries' respective directors, officers and employees, on an after-tax basis, from and against all liabilities relating to, arising out of or resulting from:

- the failure of iHeartMedia or any of its affiliates or any other person or entity to pay, perform or otherwise promptly discharge any liabilities of iHeartMedia or its affiliates, other than liabilities associated with our businesses;
- the liabilities of iHeartMedia and its affiliates' businesses, other than liabilities associated with our businesses;
- any breach by iHeartMedia or any of its affiliates of the Master Agreement or its other agreements with us; and
- any untrue statement of, or omission to state, a material fact in our public filings to the extent the statement or omission was as a result of information that iHeartMedia furnished to us or that we incorporated by reference from iHeartCommunications' public filings, if the statement or omission was made or occurred after November 16, 2005.

The Master Agreement also specifies procedures with respect to claims subject to indemnification and related matters and provides for contribution in the event that indemnification is not available to an indemnified party.

Dispute Resolution Procedures. We have agreed with iHeartMedia that neither party will commence any court action to resolve any dispute or claim arising out of or relating to the Master Agreement, subject to certain exceptions. Instead, any dispute that is not resolved in the normal course of business will be submitted to senior executives of each business entity involved in the dispute for resolution. If the dispute is not resolved by negotiation within 45 days after submission to the executives, either party may submit the dispute to mediation. If the dispute is not resolved by mediation within 30 days after the selection of a mediator, either party may submit the dispute to binding arbitration before a panel of three arbitrators. The arbitrators will determine the dispute in accordance with Texas law. Most of the other agreements between iHeartMedia and us have similar dispute resolution provisions.

Other Provisions. The Master Agreement also contains covenants between iHeartMedia and us with respect to other matters, including the following:

- our agreement (subject to certain limited exceptions) not to repurchase shares of our outstanding Class A common stock or any other securities convertible into or exercisable for our Class A common stock, without first obtaining the prior written consent or affirmative vote of iHeartMedia, for so long as iHeartMedia owns more than 50% of the total voting power of our common stock;
- confidentiality of our and iHeartCommunications' information;
- our right to continue coverage under iHeartCommunications' insurance policies for so long as iHeartMedia owns more than 50% of our outstanding common stock;
- restrictions on our ability to take any action or enter into any agreement that would cause iHeartMedia to violate any law, organizational document, agreement or judgment;
- restrictions on our ability to take any action that limits iHeartCommunications' ability to freely sell, transfer, pledge or otherwise dispose of our stock;
- our obligation to comply with iHeartCommunications' policies applicable to its subsidiaries for so long as iHeartMedia owns more than 50% of the total voting power of our outstanding common stock, except (1) to the extent such policies conflict with our amended and restated certificate of incorporation or bylaws or any

of the agreements between iHeartMedia and us, or (2) as otherwise agreed with iHeartMedia or superseded by any policies adopted by our Board; and restrictions on our ability to enter into any agreement that binds or purports to bind iHeartMedia.

Approval Rights of iHeartMedia on Certain of our Activities. Until the first date on which iHeartMedia owns less than 50% of the total voting power of our common stock, the prior affirmative vote or written consent of iHeartMedia is required for the following actions (subject in each case to certain agreed exceptions):

a merger involving us or any of our subsidiaries (other than mergers involving our wholly owned subsidiaries or to effect acquisitions permitted under our amended and restated certificate of incorporation and the Master Agreement);

acquisitions by us or our subsidiaries of the stock or assets of another business for a price (including assumed debt) in excess of \$5 million;

dispositions by us or our subsidiaries of assets in a single transaction or a series of related transactions for a price (including assumed debt) in excess of \$5 million, other than transactions to which we and one or more wholly owned subsidiaries of ours are the only parties;

incurrence or guarantee of debt by us or our subsidiaries in excess of \$400 million outstanding at any one time or that could reasonably be expected to result in a negative change in any of our credit ratings, excluding our debt with iHeartMedia, intercompany debt (within our Company and its subsidiaries), and debt determined to constitute operating leverage by a nationally recognized statistical rating organization;

issuance by us or our subsidiaries of capital stock or other securities convertible into capital stock;

entry into any agreement restricting our ability or the ability of any of our subsidiaries to pay dividends, borrow money, repay indebtedness, make loans or transfer assets, in any such case to our Company or iHeartMedia;

dissolution, liquidation or winding up of our company or any of our subsidiaries;

adoption of a rights agreement; and

alteration, amendment, termination or repeal of, or adoption of any provision inconsistent with, the provisions of our amended and restated certificate of incorporation or our bylaws relating to our authorized capital stock, the rights granted to the holders of the Class B common stock, amendments to our bylaws, shareholder action by written consent, shareholder proposals and meetings, limitation of liability of and indemnification of our officers and directors, the size or classes of our Board, corporate opportunities and conflicts of interest between our Company and iHeartMedia and Section 203 of the Delaware General Corporation Law.

Corporate Services Agreement

We entered into the Corporate Services Agreement to provide us certain administrative and support services and other assistance. Pursuant to the Corporate Services Agreement, so long as iHeartMedia continues to own greater than 50% of the total voting power of our common stock then an affiliate of iHeartMedia (referred to as iHeartMedia for purposes of this description) will provide us with such services and other assistance which we must accept. These include, among other things, the following:

treasury, payroll and other financial related services;

certain executive officer services;

human resources and employee benefits;

legal and related services;

information systems, network and related services;

investment services;

corporate services; and

procurement and sourcing support.

The charges for the corporate services generally are intended to allow iHeartMedia to fully recover the allocated direct costs of providing the services, plus all out-of-pocket costs and expenses, generally without profit. The allocation of cost is based on various measures depending on the service provided, which measures include relative revenue, employee headcount or number of users of a service.

Table of Contents

Under the Corporate Services Agreement, we and iHeartMedia each have the right to purchase goods or services, use intellectual property licensed from third parties and realize other benefits and rights under the other party's agreements with third-party vendors to the extent allowed by such vendor agreements. The agreement also provides for the lease or sublease of certain facilities used in the operation of our respective businesses and for access to each other's computing and telecommunications systems to the extent necessary to perform or receive the corporate services.

The Corporate Services Agreement provides that iHeartMedia will make available to us, and we will be obligated to utilize, certain executive officers of iHeartMedia to serve as our executive officers. The Corporate Services Agreement may be terminated by mutual agreement or, after the date iHeartMedia owns shares of our common stock representing less than 50% of the total voting power of our common stock, upon six months written notice by us to iHeartMedia. iHeartMedia charges an allocable portion of the compensation and benefits costs of such persons based on a ratio of our financial performance to the financial performance of iHeartMedia. The compensation and benefits costs allocated to us include such executives' base salary, bonus and other standard employee benefits, but exclude equity-based compensation. See footnote (g) to the Summary Compensation Table for additional information regarding the allocations. For the year ended December 31, 2015, charges for the corporate and executive services provided to us by iHeartMedia under the Corporate Services Agreement totaled \$30.1 million.

Tax Matters Agreement

We and certain of our corporate subsidiaries continue to be included in the affiliated group of corporations that files a consolidated return for U.S. Federal income tax purposes of which iHeartMedia is the common parent corporation and, in certain cases, we or one or more of our subsidiaries may be included in a combined, consolidated or unitary group with iHeartMedia or one or more of its subsidiaries for certain state and local income tax purposes. We and iHeartMedia have entered into a tax matters agreement (the "Tax Matters Agreement") to allocate the responsibility of iHeartMedia and its subsidiaries, on the one hand, and we and our subsidiaries, on the other, for the payment of taxes resulting from filing tax returns on a combined, consolidated or unitary basis.

With respect to tax returns in which we or any of our subsidiaries are included in a combined, consolidated or unitary group with iHeartMedia or any of its subsidiaries for Federal, state or local tax purposes, we make payments to iHeartMedia pursuant to the Tax Matters Agreement equal to the amount of taxes that would be paid if we and each of our subsidiaries included in such group filed a separate tax return. We also reimburse iHeartMedia for the amount of any taxes paid by it on our behalf with respect to tax returns that include only us or any of our subsidiaries for Federal, state or local tax purposes, which tax returns are prepared and filed by iHeartMedia. With respect to certain tax items, such as foreign tax credits, alternative minimum tax credits, net operating losses and net capital losses, that are generated by us or our subsidiaries, but are used by iHeartMedia or its subsidiaries when a tax return is filed on a combined, consolidated or unitary basis for Federal, state or local tax purposes, we are reimbursed by iHeartMedia as such tax items are used.

Under the Tax Matters Agreement, iHeartMedia is appointed the sole and exclusive agent for us and our subsidiaries in any and all matters relating to Federal, state and local income taxes, and has sole and exclusive responsibility for the preparation and filing of all tax returns (or amended returns) related to such taxes and has the power, in its sole discretion, to contest or compromise any asserted tax adjustment or deficiency and to file, litigate or compromise any claim for refund on behalf of us or any of our subsidiaries with respect to such taxes. Additionally, iHeartMedia determines the amount of our liability to (or entitlement to payment from) iHeartMedia under the Tax Matters Agreement. This arrangement may result in conflicts of interest between iHeartMedia and us. For example, under the Tax Matters Agreement, iHeartMedia will be able to choose to contest, compromise or settle any adjustment or deficiency proposed by the relevant taxing authority in a manner that may be beneficial to iHeartMedia and detrimental to us.

Table of Contents

For U.S. Federal income tax purposes, each member of an affiliated group of corporations that files a consolidated return is jointly and severally liable for the U.S. Federal income tax liability of the entire group. Similar principles may apply with respect to members of a group that file a tax return on a combined, consolidated or unitary group basis for state and local tax purposes. Accordingly, although the Tax Matters Agreement will allocate tax liabilities between iHeartMedia and us during the period in which we or any of our subsidiaries are included in the consolidated group of iHeartMedia or any of its subsidiaries, we and our subsidiaries included in such consolidated group could be liable for the tax liability of the entire consolidated group in the event any such tax liability is incurred and not discharged by iHeartMedia. The Tax Matters Agreement provides, however, that iHeartMedia will indemnify us and our subsidiaries to the extent that, as a result of us or any of our subsidiaries being a member of a consolidated group, we or our subsidiaries becomes liable for the tax liability of the entire consolidated group (other than the portion of such liability for which we and our subsidiaries are liable under the Tax Matters Agreement).

Under Section 482 of the Code, the Internal Revenue Service has the authority in certain instances to redistribute, reapportion or reallocate gross income, deductions, credits or allowances between iHeartMedia and us. Other taxing authorities may have similar authority under comparable provisions of foreign, state and local law. The Tax Matters Agreement provides that we or iHeartMedia will indemnify the other to the extent that, as a result of the Internal Revenue Service exercising its authority (or any other taxing authority exercising a similar authority), the tax liability of one group is reduced while the tax liability of the other group is increased.

If iHeartMedia spins off our Class B common stock to its shareholders in a distribution that is intended to be tax-free under Section 355 of the Code, we have agreed in the Tax Matters Agreement to indemnify iHeartMedia and its affiliates against any and all tax-related liabilities if such a spin-off fails to qualify as a tax-free distribution (including as a result of Section 355(e) of the Code) due to actions, events or transactions relating to our stock, assets or business, or a breach of the relevant representations or covenants made by us in the Tax Matters Agreement. If neither we nor iHeartMedia is responsible under the Tax Matters Agreement for any such spin-off not being tax-free under Section 355 of the Code, we and iHeartMedia have agreed that we will each be responsible for 50% of the tax-related liabilities arising from the failure of such a spin-off to so qualify.

At December 31, 2015, the amount payable to iHeartMedia under the Tax Matters Agreement was \$139,357.

Employee Matters Agreement

We have entered into an employee matters agreement (the **Employee Matters Agreement**) with iHeartMedia covering certain compensation and employee benefit issues. In general, with certain exceptions, our employees participate in the iHeartMedia employee plans and arrangements along with the employees of other iHeartMedia subsidiaries. Our payroll is also administered by iHeartMedia.

We and iHeartMedia reserve the right to withdraw from or terminate our participation, as the case may be, in any of the iHeartMedia employee plans and arrangements at any time and for any reason, subject to at least 90 days notice. Unless sooner terminated, it is likely that our participation in iHeartMedia employee plans and arrangements will end if and at such time as we are no longer a subsidiary of iHeartMedia which, for this purpose, means iHeartMedia owns less than 80% of the total combined voting power of all classes of our capital stock entitled to vote. We will, however, continue to bear the cost of and retain responsibility for all employment-related liabilities and obligations associated with our employees (and their covered dependents and beneficiaries), regardless of when incurred.

Trademarks

We have entered into a trademark license agreement (the Trademark License Agreement) with a subsidiary of iHeartMedia that entitles us to use (1) on a nonexclusive basis, the iHeartMedia trademark and the iHeartMedia outdoor trademark logo with respect to day-to-day operations of our business worldwide and

Table of Contents

on the Internet, and (2) certain other iHeartMedia marks in connection with our business. Our use of the marks is subject to iHeartCommunications' approval. iHeartMedia may terminate our use of the marks in certain circumstances, including (1) a breach by us of a term or condition of our various agreements with iHeartMedia and (2) at any time after iHeartMedia ceases to own at least 50% of the total voting power of our common stock. In 2015, iHeartMedia did not charge us a royalty fee for our use of the trademarks and other marks. We also do not currently anticipate that we will be charged a royalty fee under the Trademark License Agreement in 2016.

Products and Services Provided between iHeartMedia and Us

We and iHeartMedia engage in transactions in the ordinary course of our respective businesses. These transactions include our providing billboard and other advertising space to iHeartMedia at rates we believe would be charged to a third party in an arms-length transaction.

Our branch managers have historically followed a corporate policy allowing iHeartMedia to use, without charge, domestic displays that they or their staff believe would otherwise be unsold. Our sales personnel receive partial revenue credit for that usage for compensation purposes. This partial revenue credit is not included in our reported revenues. iHeartMedia bears the cost of producing the advertising and we bear the costs of installing and removing this advertising. In 2015, we incurred approximately \$212,000 to install and remove this advertising.

Cash Management Notes

We maintain accounts that represent net amounts due to or from iHeartMedia, which is recorded as Due from/to iHeartCommunications on our consolidated balance sheets. The accounts represent our revolving promissory note issued by us to iHeartMedia and the revolving promissory note issued by iHeartMedia to us (the Due from iHeartCommunications Note), in each case in the face amount of \$1.0 billion, or if more or less than such amount, the aggregate unpaid principal amount of all advances. The accounts accrue interest pursuant to the terms of the promissory notes and are generally payable on demand or when they mature on December 15, 2017. Included in the accounts are the net activities resulting from day-to-day cash management services provided by iHeartMedia. Such day-to-day cash management services relate only to our cash activities and balances in the U.S. and exclude any cash activities and balances of our non-U.S. subsidiaries. At December 31, 2015, the asset recorded in Due from iHeartCommunications on our condensed consolidated balance sheet was \$930.8 million. At December 31, 2015, we had no borrowings under the cash management note to iHeartMedia. The net interest income for the year ended December 31, 2015 was \$61.4 million. At December 31, 2015, the fixed interest rate on the Due from iHeartCommunications account was 6.5%, which is equal to the fixed interest rate on the senior notes issued by our subsidiary. If the outstanding balance on the Due from iHeartCommunications Note exceeds \$1.0 billion and under certain other circumstances tied to iHeartMedia's liquidity, the rate will be variable, but will in no event be less than 6.5% nor greater than 20%.

COMMERCIAL TRANSACTIONS

As described above, we are an indirect subsidiary of iHeartMedia, and entities controlled by Bain Capital and THL hold all of the shares of iHeartMedia's Class B common stock and iHeartMedia's Class C common stock, representing a majority (whether measured by voting power or economic interest) of the equity of iHeartMedia. Two of our directors also serve as directors of iHeartMedia (one of whom is affiliated with Bain Capital) and three of our other directors are affiliated with Bain Capital or THL.

We are a global advertising company providing clients with advertising opportunities through billboards, street furniture displays, transit displays and other out-of-home advertising displays in more than 35 countries across five

continents. Bain Capital and THL are private equity firms that have investments in many companies. As a result of our worldwide reach, the nature of our business and the breadth of investments by Bain Capital and THL, it is not unusual for us to engage in ordinary course of business transactions with entities in which one of our directors, executive officers, greater than 5% shareholders or an immediate family member of any of them, may also be a director, executive officer, partner or investor or have some other direct or indirect interest.

Table of Contents

During 2015, we provided ordinary course of business advertising services and/or received ordinary course of business services relating to our businesses exceeding \$120,000 in value with respect to six companies in which Bain Capital and/or THL directly or indirectly owns a greater than 10% equity interest. These transactions were negotiated on an arms-length basis and, in the aggregate, we were paid approximately \$1.9 million by these entities and we paid approximately \$1.3 million to these entities with respect to these 2015 transactions. In addition, entities in which THL directly or indirectly owns a greater than 10% equity interest provided us (and our parent entities and subsidiaries) with payroll tax processing services and commercial credit card processing services pursuant to arms-length agreements at competitive market rates. The fees paid for these services in the aggregate were approximately \$223,994.

POLICY ON REVIEW, APPROVAL OR RATIFICATION OF TRANSACTIONS WITH RELATED PERSONS

We have adopted formal written policies and procedures for the review, approval or ratification of certain related party transactions involving us and one of our executive officers, directors or nominees for director, or owner of more than 5% of any class of our voting securities, and which may be required to be reported under the SEC disclosure rules. Such transactions must be pre-approved by the Audit Committee of our Board (other than the directors involved, if any) or by a majority of disinterested directors, except that no such pre-approval shall be required for an agreement, or series of related agreements, providing solely for ordinary course of business transactions made on standard terms and conditions where the aggregate amount to be paid to us is less than \$10 million or the aggregate amount paid by us is less than \$250,000. In addition, if our management, in consultation with our Chief Executive Officer or Chief Financial Officer, determines that it is not practicable to wait until the next Audit Committee meeting to approve or ratify a particular transaction, then the Board has delegated authority to the Chairman of the Audit Committee to approve or ratify such transactions. The Chairman of the Audit Committee reports to the Audit Committee any transactions reviewed by him or her pursuant to this delegated authority at the next Audit Committee meeting. The primary consideration with respect to the approval of related party transactions is the overall fairness of the terms of the transaction to us. The related person transactions described above in this proxy statement were ratified or approved by the Audit Committee or Board pursuant to these policies and procedures, to the extent required, with the exception of the transactions described above with respect to iHeartMedia because they occurred prior to the time the policies and procedures were adopted. We generally expect transactions of a similar nature to occur during 2016.

AUDIT COMMITTEE REPORT

The following Report of the Audit Committee concerns the Audit Committee's activities regarding oversight of Clear Channel Outdoor's financial reporting and auditing process and does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other filing under the Securities Act of 1933 or the Securities Exchange Act, except to the extent Clear Channel Outdoor specifically incorporates this Report by reference therein.

The Audit Committee is comprised solely of independent directors and it operates under a written charter adopted by the Board. The charter reflects standards set forth in SEC regulations and NYSE rules. In addition, the composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis. The full text of the Audit Committee's charter can be found on Clear Channel Outdoor's website at www.clearchanneloutdoor.com.

As set forth in more detail in the charter, the Audit Committee assists the Board in its general oversight of Clear Channel Outdoor's financial reporting, internal control and audit functions. Management is responsible for the preparation, presentation and integrity of Clear Channel Outdoor's financial statements, accounting and

financial reporting principles and internal controls and procedures designed to ensure compliance with accounting standards, applicable laws and regulations. Ernst & Young LLP, the independent registered public accounting firm that serves as Clear Channel Outdoor's independent auditor, is responsible for performing an independent audit of the consolidated financial statements and expressing an opinion on the conformity of those financial statements with United States generally accepted accounting principles, as well as expressing an opinion on the effectiveness of internal control over financial reporting.

The Audit Committee members are not professional accountants or auditors, and their functions are not intended to duplicate or to certify the activities of management and the independent auditor, nor can the Audit Committee certify that the independent auditor is independent under applicable rules. The Audit Committee serves a Board-level oversight role, in which it provides advice, counsel and direction to management and the auditors on the basis of the information it receives, discussions with management and the auditors and the experience of the Audit Committee's members in business, financial and accounting matters.

Among other matters, the Audit Committee monitors the activities and performance of Clear Channel Outdoor's internal and external auditors, including the audit scope and staffing, external audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit services. Subject to the consent of our corporate parent, the Audit Committee has ultimate authority and responsibility to select, evaluate and, when appropriate, replace Clear Channel Outdoor's independent auditor. The Audit Committee also reviews the results of the internal and external audit work with regard to the adequacy and appropriateness of Clear Channel Outdoor's financial, accounting and internal controls. Management and independent auditor presentations to and discussions with the Audit Committee also cover various topics and events that may have significant financial impact or are the subject of discussions between management and the independent auditor. In addition, the Audit Committee generally oversees Clear Channel Outdoor's internal compliance programs.

The Audit Committee has implemented procedures to ensure that during the course of each fiscal year it devotes the attention that it deems necessary or appropriate to each of the matters assigned to it under the Audit Committee's charter.

In overseeing the preparation of Clear Channel Outdoor's financial statements, the Audit Committee met with both management and Clear Channel Outdoor's independent auditors to review and discuss all financial statements prior to their issuance and to discuss significant accounting issues. Management advised the Audit Committee that the financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee's review included discussion with the independent auditors of matters required to be discussed pursuant to Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

With respect to Clear Channel Outdoor's independent auditors, the Audit Committee, among other things, discussed with Ernst & Young LLP matters relating to its independence, and received from the independent auditors their letter and the written disclosures required by applicable requirements of the Public Company Accounting Oversight Board regarding Ernst & Young LLP's communications with the Audit Committee concerning independence.

On the basis of these reviews and discussions, the Audit Committee recommended to the Board of Directors that Clear Channel Outdoor's audited financial statements be included in Clear Channel Outdoor's Annual Report on Form 10-K for the year ended December 31, 2015, for filing with the Securities and Exchange Commission.

Respectfully submitted,

THE AUDIT COMMITTEE
Douglas L. Jacobs, Chairman
Christopher M. Temple
Dale W. Tremblay

submitting the selection of Ernst & Young LLP to the shareholders for ratification as a matter of good corporate practice. If the appointment of Ernst & Young LLP is not ratified, the Audit Committee will evaluate the basis for the shareholders' vote when determining whether to continue the firm's engagement, but ultimately may determine to continue the engagement of the firm or another audit firm without re-submitting the matter to shareholders. Even if the appointment of Ernst & Young LLP is ratified, the Audit Committee may terminate the appointment of Ernst & Young LLP as the independent registered public accounting firm without shareholder approval whenever the Audit Committee deems termination necessary or appropriate.

Representatives of Ernst & Young LLP are expected to be present at the annual meeting of shareholders, will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

GENERAL

The cost of soliciting proxies will be borne by Clear Channel Outdoor. Following the original mailing of the proxy soliciting material, regular employees of Clear Channel Outdoor may solicit proxies by mail, telephone, facsimile, e-mail and personal interview. Proxy cards and materials will also be distributed to beneficial owners of stock, through brokers, custodians, nominees and other like parties. Clear Channel Outdoor expects to reimburse such parties for their charges and expenses connected therewith.

Table of Contents

The SEC has adopted rules that permit companies and intermediaries such as brokers to satisfy delivery requirements for proxy statements with respect to two or more shareholders sharing the same address by delivering a single proxy statement addressed to those shareholders. This process, which is commonly referred to as householding, potentially provides extra convenience for shareholders and cost savings for companies. Clear Channel Outdoor and some brokers household proxy materials, delivering a single proxy statement to multiple shareholders sharing an address unless contrary instructions have been received from the affected shareholders. Once you have received notice from your broker or us that they or we will be householding materials to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate proxy statement, please notify your broker if your shares are held in a brokerage account or us if your shares are registered in your name. You can notify us by sending a written request to Clear Channel Outdoor Holdings, Inc., Investor Relations, 200 East Basse Road, Suite 100, San Antonio, Texas 78209 or by calling (210) 832-3700. Upon written or oral request, we will promptly deliver a separate copy of this proxy statement to a beneficial owner at a shared address to which a single copy of the proxy statement was delivered.

An electronic copy of Clear Channel Outdoor's Annual Report on Form 10-K filed with the SEC on February 25, 2016 is available free of charge at Clear Channel Outdoor's website at www.clearchanneloutdoor.com. A paper copy of the Form 10-K also is available without charge to shareholders upon written request to: Investor Relations, Clear Channel Outdoor Holdings, Inc., 200 East Basse Road, Suite 100, San Antonio, Texas 78209.

Table of Contents**EXCERPTS FROM THE ANNUAL REPORT ON FORM 10-K****Our Business Segments**

We have two reportable business segments, Americas outdoor advertising (Americas) and International outdoor advertising (International), which represented 48% and 52% of our 2015 revenue, respectively.

We are a leading global outdoor advertising company providing clients with advertising opportunities through billboards, street furniture displays, transit displays and other out-of-home advertising displays. Through our extensive display inventory, we have the ability to deliver innovative, effective marketing campaigns for advertisers and marketing, creative and strategic partners in communities across the Americas and internationally.

We focus on building the leadership position of our diverse global assets and maximizing our financial performance while serving our local communities. We intend to continue to execute upon our long-standing outdoor advertising strategies, while closely managing expenses and focusing on achieving operating efficiencies throughout our businesses. Part of our long-term strategy is to pursue the technology of digital displays, including flat screens, LCDs and LEDs, as additions to traditional methods of displaying our clients' advertisements. We are currently installing these technologies in certain markets, both domestically and internationally.

For more information about our revenue, gross profit and assets by segment and our revenue and long-lived assets by geographic area, see Note 12 to our Consolidated Financial Statements located in Item 8 of Part II of the Annual Report on Form 10-K.

Americas Sources of Revenue

Americas generated 48%, 46% and 47% of our revenue in 2015, 2014 and 2013, respectively. Americas revenue is derived from the sale of advertising copy placed on our traditional and digital displays. Our display inventory consists primarily of billboards, street furniture displays and transit displays. The margins on our billboard contracts, including those related to digital billboards, tend to be higher than those on contracts for other displays, due to their greater size, impact and location along major roadways that are highly trafficked. Billboards comprise approximately two-thirds of our display revenues. The following table shows the approximate percentage of revenue derived from each category for our Americas inventory:

	Year Ended December 31,		
	2015	2014	2013
Billboards:			
Bulletins	58%	58%	56%
Posters	12%	12%	12%
Street furniture displays	6%	7%	7%
Transit displays	15%	16%	16%
Spectaculars/wallscapes	5%	3%	4%
Other	4%	4%	5%
Total	100%	100%	100%

Our Americas segment generates revenues from local and national sales. Our advertising rates are based on a number of different factors including location, competition, size of display, illumination, market and gross ratings points. Gross ratings points are the total number of impressions delivered, expressed as a percentage of a market population, of a display or group of displays. The number of impressions delivered by a display is measured by the number of people passing the site during a defined period of time. For all of our billboards in the United States, we use independent, third-party auditing companies to verify the number of impressions delivered by a display.

A-2

Table of Contents

While location, price and availability of displays are important competitive factors, we believe that providing quality customer service and establishing strong client relationships are also critical components of sales. In addition, we have long-standing relationships with a diversified group of advertising brands and agencies that allow us to diversify client accounts and establish continuing revenue streams.

International Sources of Revenue

Our International segment generated 52%, 54% and 53% of our revenue in 2015, 2014 and 2013, respectively. Our International display inventory consists primarily of street furniture displays, billboards, transit displays and other out-of-home advertising displays. The following table shows the approximate percentage of revenue derived from each inventory category of our International segment:

	Year Ended December 31,		
	2015	2014	2013
Street furniture displays	52%	50%	49%
Billboards	19%	20%	21%
Transit displays	9%	10%	10%
Other ⁽¹⁾	20%	20%	20%
Total	100%	100%	100%

⁽¹⁾ Includes advertising revenue from mall displays, other small displays, and non-advertising revenue from sales of street furniture equipment, cleaning and maintenance services, operation of SmartBike programs and production revenue.

Our International segment generates the majority of its revenue from the sale of advertising space on street furniture displays, billboards, retail displays and transit displays. Similar to our Americas business, advertising rates generally are based on the gross ratings points of a display or group of displays. In some of the countries where we have operations, the number of impressions delivered by a display is weighted to account for such factors as illumination, proximity to other displays and the speed and viewing angle of approaching traffic.

While location, price and availability of displays are important competitive factors, we believe that providing quality customer service and establishing strong client relationships are also critical components of sales. Our entrepreneurial culture allows local management to operate their markets as separate profit centers, encouraging customer cultivation and service.

ITEM 7. MANAGEMENT'S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

OVERVIEW

Format of Presentation

Management's discussion and analysis of our financial condition and results of operations (MD&A) should be read in conjunction with the consolidated financial statements and related footnotes contained in Item 8 of the Annual Report on Form 10-K. Our discussion is presented on both a consolidated and segment basis. Our reportable operating segments are Americas outdoor advertising (Americas) and International outdoor advertising (International). Our Americas and International segments provide outdoor advertising services in their respective geographic regions using various digital and traditional display types.

We manage our operating segments primarily focusing on their operating income, while Corporate expenses, Other operating income (expense), net, Interest expense, Interest income on Due from iHeartCommunications, Loss on marketable securities, Equity in earnings (loss) of nonconsolidated affiliates, Loss on extinguishment of debt, Gain (loss) on extinguishment of debt, Other income, net and Income tax benefit (expense) are managed on a total company basis and are, therefore, included only in our discussion of consolidated results.

Certain prior period amounts have been reclassified to conform to the 2015 presentation.

Description of Our Business

Our revenue is derived from selling advertising space on the displays we own or operate in key markets worldwide, consisting primarily of billboards, street furniture and transit displays. Part of our long-term strategy is to pursue the technology of digital displays, including flat screens, LCDs and LEDs, as additions to traditional methods of displaying our clients' advertisements. We are currently installing these technologies in certain markets, both domestically and internationally.

Management typically monitors our business by reviewing the average rates, average revenue per display, occupancy, and inventory levels of each of our display types by market.

We own the majority of our advertising displays, which typically are located on sites that we either lease or own or for which we have acquired permanent easements. Our advertising contracts with clients typically outline the number of displays reserved, the duration of the advertising campaign and the unit price per display.

The significant expenses associated with our operations include direct production, maintenance and installation expenses as well as site lease expenses for land under our displays including revenue-sharing or minimum guaranteed amounts payable under our billboard, street furniture and transit display contracts. Our direct production, maintenance and installation expenses include costs for printing, transporting and changing the advertising copy on our displays, the related labor costs, the vinyl and paper costs, electricity costs and the costs for cleaning and maintaining our displays. Vinyl and paper costs vary according to the complexity of the advertising copy and the quantity of displays. Our site lease expenses include lease payments for use of the land under our displays, as well as any revenue-sharing arrangements or minimum guaranteed amounts payable that we may have with the landlords. The terms of our site leases and revenue-sharing or minimum guaranteed contracts generally range from one to 20 years.

Americas

Our advertising rates are based on a number of different factors including location, competition, type and size of display, illumination, market and gross ratings points. Gross ratings points are the total number of

A-8

Table of Contents

impressions delivered by a display or group of displays, expressed as a percentage of a market population. The number of impressions delivered by a display is measured by the number of people passing the site during a defined period of time. For all of our billboards in the United States, we use independent, third-party auditing companies to verify the number of impressions delivered by a display.

Client contract terms typically range from four weeks to one year for the majority of our display inventory in the United States. Generally, we own the street furniture structures and are responsible for their construction and maintenance. Contracts for the right to place our street furniture and transit displays and sell advertising space on them are awarded by municipal and transit authorities in competitive bidding processes governed by local law or are negotiated with private transit operators. Generally, these contracts have terms ranging from 10 to 20 years.

International

Similar to our Americas business, advertising rates generally are based on the gross ratings points of a display or group of displays. The number of impressions delivered by a display, in some countries, is weighted to account for such factors as illumination, proximity to other displays and the speed and viewing angle of approaching traffic. In addition, because our International advertising operations are conducted in foreign markets, including Europe, Asia and Australia, management reviews the operating results from our foreign operations on a constant dollar basis. A constant dollar basis allows for comparison of operations independent of foreign exchange movements.

Our International display inventory is typically sold to clients through network packages, with client contract terms typically ranging from one to two weeks with terms of up to one year available as well. Internationally, contracts with municipal and transit authorities for the right to place our street furniture and transit displays typically provide for terms ranging from three to 15 years. The major difference between our International and Americas street furniture businesses is in the nature of the municipal contracts. In our International business, these contracts typically require us to provide the municipality with a broader range of metropolitan amenities in exchange for which we are authorized to sell advertising space on certain sections of the structures we erect in the public domain. A different regulatory environment for billboards and competitive bidding for street furniture and transit display contracts, which constitute a larger portion of our business internationally, may result in higher site lease costs in our International business. As a result, our margins are typically lower in our International business than in our Americas business.

Macroeconomic Indicators

Our advertising revenue for our Americas and International segments is highly correlated to changes in gross domestic product (GDP) as advertising spending has historically trended in line with GDP, both domestically and internationally. According to the U.S. Department of Commerce, estimated U.S. GDP growth for 2015 was 2.4%. Internationally, our results are impacted by fluctuations in foreign currency exchange rates as well as the economic conditions in the foreign markets in which we have operations.

Relationship with iHeartCommunications

There are several agreements which govern our relationship with iHeartCommunications including the Master Agreement, Corporate Services Agreement, Employee Matters Agreement, Tax Matters Agreement and Trademark and License Agreement. iHeartCommunications has the right to terminate these agreements in various circumstances. As of the date of the filing of the Annual Report on Form 10-K, no notice of termination of any of these agreements has been received from iHeartCommunications. Our agreements with iHeartCommunications continued under the same terms and conditions subsequent to iHeartCommunications merger.

Table of Contents

In accordance with the Master Agreement, our branch managers follow a corporate policy allowing iHeartCommunications to use, without charge, Americas displays they believe would otherwise be unsold. iHeartCommunications bears the cost of producing the advertising and we bear the costs of installing and removing this advertising.

Under the Corporate Services Agreement, iHeartCommunications provides management services to us. These services are charged to us based on actual direct costs incurred or allocated by iHeartCommunications based on headcount, revenue or other factors on a pro rata basis. For the years ended December 31, 2015, 2014 and 2013, we recorded approximately \$30.1 million, \$31.2 million and \$35.4 million, respectively, as a component of corporate expenses for these services.

On August 9, 2010, iHeartCommunications announced that its board of directors approved a stock purchase program under which iHeartCommunications or its subsidiaries may purchase up to an aggregate of \$100.0 million of our Class A common stock and/or the Class A common stock of iHeartMedia. As of December 31, 2014, an aggregate \$34.2 million was available under this program. In January 2015, a subsidiary of iHeartCommunications purchased an additional 2,000,000 shares of the Company's Class A common stock for \$20.4 million. On April 2, 2015, a subsidiary of iHeartCommunications purchased an additional 2,172,946 shares of the Company's Class A common stock for \$22.2 million, increasing iHeartCommunications' collective holdings to represent slightly more than 90% of the outstanding shares of the Company's common stock on a fully-diluted basis, assuming the conversion of all of the Company's Class B common stock into Class A common stock. As a result of this purchase, the stock purchase program concluded. The purchase of shares in excess of the amount available under the stock purchase program was separately approved by the iHeartCommunications' board of directors.

Executive Summary

The key developments in our business for the year ended December 31, 2015 are summarized below:

Consolidated revenue decreased \$155.1 million during 2015 compared to 2014. Excluding a \$229.0 million impact from movements in foreign exchange rates, consolidated revenue increased \$73.9 million during 2015 compared to 2014.

We spent \$20.3 million on strategic revenue and efficiency initiatives during 2015 to realign and improve our on-going business operations a decrease of \$10.0 million compared to 2014.

On December 16, 2015, Clear Channel International B.V. (CCIBV), our indirect wholly-owned subsidiary, issued \$225.0 million in aggregate principal amount of 8.75% Senior Notes due 2020. We used the proceeds of the offering to fund a special cash dividend in an aggregate amount equal to approximately \$217.8 million to our stockholders, which was paid on January 7, 2016.

Revenues and expenses excluding the impact of foreign exchange movements in this Management's Discussion & Analysis of Financial Condition and Results of Operations is presented because management believes that viewing certain financial results without the impact of fluctuations in foreign currency rates facilitates period to period comparisons of business performance and provides useful information to investors. Revenues and expenses excluding the impact of foreign exchange movements are calculated by converting the current period's revenues and expenses in local currency to U.S. dollars using average foreign exchange rates for the prior period.

decreased \$93.6 million during 2015 compared to 2014. Excluding the \$133.5 million impact from movements in foreign exchange rates, International direct operating expenses increased \$39.9 million during 2015 compared to 2014 primarily as a result of higher variable costs associated with higher revenue, as well as higher spending on strategic efficiency initiatives.

Excluding a \$51.1 million impact from movements in foreign exchange rates, consolidated SG&A expenses increased \$34.1 million during 2015 compared to 2014. International SG&A expenses decreased \$16.6 million during 2015 compared to 2014. Excluding the \$45.0 million impact from movements in foreign exchange rates, International SG&A expenses increased \$28.4 million during 2015 compared to 2014 primarily due to higher compensation expense, including commissions in connection with higher revenues.

Corporate Expenses

Corporate expenses decreased \$14.5 million during 2015 compared to 2014. Excluding the \$3.5 million impact from movements in foreign exchange rates, corporate expenses decreased \$11.0 million during 2015 compared to 2014. Corporate expenses were primarily impacted by lower spending related to our strategic revenue and efficiency initiatives, partially offset by higher variable compensation expense.

Revenue and Efficiency Initiatives

Included in the amounts for direct operating expenses, SG&A and corporate expenses discussed above are expenses of \$20.3 million incurred in 2015 in connection with our strategic revenue and efficiency initiatives. The costs were incurred to improve revenue growth, enhance yield, reduce costs, and organize each business to maximize performance and profitability. These costs consist primarily of severance related to workforce initiatives, consolidation of locations and positions, consulting expenses and other costs incurred in connection with streamlining our businesses. These costs are expected to provide benefits in future periods as the initiative results are realized. Of these costs for 2015, \$9.2 million are reported within direct operating expenses, \$4.3 million are reported within SG&A and \$6.8 million are reported within corporate expense. In 2014, such costs totaled \$3.5 million, \$6.7 million, and \$20.0 million, respectively.

Depreciation and Amortization

Depreciation and amortization decreased \$30.3 million during 2015 compared to 2014 primarily due to assets becoming fully depreciated or fully amortized as well as the impact of movements in foreign exchange rates.

Impairment Charges

Historically, we performed our annual impairment test on our goodwill, billboard permits, and other intangible assets as of October 1 of each year. Beginning in the third quarter of 2015, we began performing our annual impairment test on July 1 of each year. In addition, we test for impairment of property, plant and equipment whenever events and circumstances indicate that depreciable assets might be impaired. As a result of these impairment tests, during 2015, we recorded impairment charges of \$21.6 million during 2015 related to billboard permits in one Americas outdoor market. During 2014, we recognized a \$3.5 million other intangible assets impairment charge in our Americas

segment primarily related to a decline in the estimated fair value of permanent easements in two markets. Please see Note 2 to the consolidated financial statements included in Item 8 of Part II of the Annual Report on Form 10-K for a further description of the impairment charges.

Other Income (Expense), Net

Income Tax Benefit (Expense)

Our operations are included in a consolidated income tax return filed by iHeartMedia. However, for our financial statements, our provision for income taxes was computed as if we file separate consolidated federal income tax returns with our subsidiaries.

The effective tax rate for 2015 was (237.5%) and was primarily impacted by the \$32.9 million valuation allowance recorded during the period as additional deferred tax expense. The valuation allowance was recorded against a portion of the U.S. Federal and State net operating losses due to the uncertainty of the ability to utilize those losses in future periods. Additionally, the Company recorded additional taxes due to the inability to benefit from losses in certain foreign jurisdictions.

The effective tax rate for 2014 was (105.5%), primarily impacted by our benefits and charges from tax amounts associated with our foreign earnings that are taxed at rates different from the federal statutory rate and an inability to benefit from losses in certain foreign jurisdictions. In addition, we recorded \$20.0 million in net tax benefits associated with a decrease in unrecognized tax benefits resulting from the expiration of statutes of limitations to assess taxes in the United Kingdom and several state jurisdictions.

Our operations are included in a consolidated income tax return filed by iHeartMedia. However, for our financial statements, our provision for income taxes was computed as if we file separate consolidated federal income tax returns with our subsidiaries.

The effective tax rate for 2014 was (105.5%), primarily impacted by our benefits and charges from tax amounts associated with our foreign earnings that are taxed at rates different from the federal statutory rate and an inability to benefit from losses in certain foreign jurisdictions. In addition, we recorded \$20.0 million in net tax benefits associated with a decrease in unrecognized tax benefits resulting from the expiration of statutes of limitations to assess taxes in the United Kingdom and several state jurisdictions.

The effective tax rate for 2013 was (155.6%), primarily impacted by our benefits and charges from tax amounts associated with our foreign earnings that are taxed at rates different from the federal statutory rate and an inability to benefit from losses in certain foreign jurisdictions. In addition, we recorded additional foreign deferred tax expense of \$3.4 million on certain foreign earnings that are expected to be distributed in future periods from our Asia subsidiaries on which foreign withholding and other taxes have not previously been provided.

Our Americas outdoor revenue decreased \$35.1 million compared to 2013, including negative movements in foreign exchange of \$9.4 million. Excluding the impact of foreign exchange movements, Americas outdoor revenue decreased \$25.7 million driven primarily by lower spending by national accounts and the nonrenewal of certain airport contracts. Revenues were also lower in our Los Angeles market as a result of the impact of litigation as discussed further in Item 3 of Part I of the Annual Report on Form 10-K.

Direct operating expenses decreased \$4.9 million compared to 2013, including a decrease of \$6.0 million from movements in foreign exchange. Excluding the impact of foreign exchange movements, direct operating expenses in our Americas outdoor segment increased \$1.1 million. SG&A expenses decreased \$9.8 million compared to 2013, including a decrease of \$1.9 million from movements in foreign exchange. Excluding the impact of foreign exchange movements, SG&A expenses in our Americas outdoor segment decreased \$7.9 million primarily due to lower commission expense in connection with lower revenues and property tax refunds.

International outdoor revenue increased \$50.2 million compared to 2013, including a decrease of \$13.3 million from movements in foreign exchange. Excluding the impact of foreign exchange movements, revenues increased \$63.5 million primarily driven by revenue growth in Europe including Italy, due to a new contract for the Rome airports, as well as Sweden, France, and the UK. Revenue in emerging markets also increased, particularly in China primarily as a result of new contracts.

Direct operating expenses increased \$7.1 million compared to 2013, including a decrease of \$5.9 million from movements in foreign exchange. Excluding the impact of movements in foreign exchange, direct operating expenses increased \$13.0 million primarily as a result of higher variable costs associated with new contracts, including the Rome airports contract in Italy. SG&A expenses increased \$14.8 million compared to 2013, including a decrease of \$2.7 million from movements in foreign exchange. Excluding the impact of movements in foreign exchange, SG&A expenses increased \$17.5 million primarily due to higher compensation expense, including commissions, in connection with higher revenues, as well as higher litigation expenses.

Share-Based Compensation Expense

As of December 31, 2015, there was \$17.8 million of unrecognized compensation cost related to unvested share-based compensation arrangements that will vest based on service conditions. Based on the terms of the award agreements, this cost is expected to be recognized over a weighted average period of approximately three years. In addition, as of December 31, 2015, there was \$0.6 million of unrecognized compensation cost related to unvested share-based compensation arrangements that will vest based on market, performance and service conditions. This cost will be recognized when it becomes probable that the performance condition will be satisfied.

Share-based compensation expenses are recorded in corporate expenses and were \$8.4 million, \$7.7 million and \$7.7 million for the years ended December 31, 2015, 2014 and 2013, respectively.

LIQUIDITY AND CAPITAL RESOURCES**Cash Flows**

Operating Activities

2015

Cash provided by operating activities was \$298.9 million in 2015 compared to \$348.4 million of cash provided in 2014. Our consolidated net loss included \$413.0 million of non-cash items in 2015. Our consolidated

net loss in 2014 included \$373.7 million of non-cash items. Non-cash items affecting our net loss include impairment charges, depreciation and amortization, deferred taxes, provision for doubtful accounts, amortization of deferred financing charges and note discounts, net, share-based compensation, gain on disposal of operating and fixed assets, gain on marketable securities, equity in (earnings) loss of nonconsolidated affiliates, loss on extinguishment of debt, and other reconciling items, net as presented on the face of the consolidated statement of cash flows. The decrease in cash provided by operating activities is primarily attributed to a decrease in net income as well as changes in working capital balances, particularly accrued expenses.

2014

Cash provided by operating activities in 2014 was \$348.4 million compared to \$414.6 million in 2013. Our consolidated net loss included \$373.7 million of non-cash items in 2014. Our consolidated net loss in 2013 included \$385.7 million of non-cash items. Non-cash items affecting our net loss include impairment charges, depreciation and amortization, deferred taxes, provision for doubtful accounts, amortization of deferred financing charges and note discounts, net, share-based compensation, gain on disposal of operating and fixed assets, gain on marketable securities, equity in (earnings) loss of nonconsolidated affiliates, loss on extinguishment of debt, and other reconciling items, net as presented on the face of the consolidated statement of cash flows. Cash paid for interest was \$1.0 million higher in 2014 compared to the prior year due to the timing of accrued interest payments from refinancing transactions.

2013

Cash provided by operating activities in 2013 was \$414.6 million compared to \$355.1 million of cash used in 2012. Our consolidated net loss included \$385.7 million of non-cash items in 2013. Our consolidated net loss in 2012 included \$481.0 million of non-cash items. Non-cash items affecting our net loss include depreciation and amortization, deferred taxes, provision for doubtful accounts, share-based compensation, gain on disposal of operating assets, amortization of deferred financing charges and note discounts, net and other reconciling items, net as presented on the face of the consolidated statement of cash flows. Cash paid for interest was \$34.5 million lower in 2013 compared to the prior year due to the repurchase of the \$2,500.0 million aggregate principal amount of Existing CCWH Senior Notes using the proceeds from the issuance of the \$2,725.0 million aggregate principal amount of CCWH Senior Notes during December 2012 that reduced the weighted average cost of debt.

Investing Activities***2015***

Cash used for investing activities of \$257.7 million during 2015 reflected our capital expenditures of \$218.3 million. We spent \$82.2 million in our Americas segment primarily related to the construction of new advertising structures such as digital displays, \$132.6 million in our International segment primarily related to street furniture advertising and digital billboard structures, and \$3.5 million by Corporate primarily related to equipment and software. Other cash provided by investing activities were \$11.3 million of proceeds from sales of other operating and fixed assets.

2014

Cash used for investing activities of \$206.4 million during 2014 reflected our capital expenditures of \$231.2 million. We spent \$97 million in our Americas segment primarily related to the construction of new advertising structures such as digital displays, \$130.2 million in our International segment primarily related to new advertising structures such as billboards and street furniture and renewals of existing contracts, and \$4.0 million by Corporate primarily related to

equipment and software. Other cash provided by investing activities were \$12.9 million of proceeds from sales of other operating and fixed assets.

We spent \$89.0 million in our Americas segment primarily related to the construction of new advertising structures such as digital displays, \$108.6 million in our International segment primarily related to new advertising structures such as billboards and street furniture and renewals of existing contracts, and \$8.6 million by Corporate primarily related to equipment and software. Other cash provided by investing activities were \$42.1 million of proceeds from sales of other operating and fixed assets.

Financing Activities

2015

Cash provided by financing activities of \$199.1 million during 2015 primarily reflected the proceeds from the issuance of \$225.0 million of senior notes by our subsidiary Clear Channel International B.V. We also received \$17.0 million in cash from iHeartCommunications, which represents the activity in the Due from/to iHeartCommunications account.

On December 20, 2015, our board of directors declared a special cash dividend of \$217.8 million that was paid on January 7, 2016 and will be reflected as cash used for financing activities in the first quarter of 2016.

2014

Cash used for financing activities of \$261.3 million during 2014 primarily reflected the \$175.0 million dividend paid as well as net transfers of \$68.8 million in cash to iHeartCommunications, which represents the activity in the Due from/to iHeartCommunications account. Other cash used for financing activities included net payments to noncontrolling interests of \$19.0 million.

2013

Cash used for financing activities of \$484.4 million during 2013 primarily reflected a \$200.0 million dividend as well as net transfers of \$150.0 million in cash to iHeartCommunications, which represents the activity in the Due from/to iHeartCommunications account. Other cash used for financing activities included net payments to noncontrolling interests of \$68.4 million and payments to repurchase noncontrolling interests of \$61.1 million.

Anticipated Cash Requirements

Our primary sources of liquidity are cash on hand, cash flow from operations, the revolving promissory note with iHeartCommunications and our senior revolving credit facility. As of December 31, 2015, we had \$412.7 million of cash on our balance sheet, including \$175.6 million of cash held outside the U.S. by our subsidiaries, a portion of which is held by non-wholly owned subsidiaries or is otherwise subject to certain restrictions and not readily accessible to us. We disclose in Item 8 of our Form 10-K within Note 1, Summary of Significant Accounting Policies, that our policy is to permanently reinvest the earnings of our non-U.S. subsidiaries as these earnings are generally redeployed in those jurisdictions for operating needs and continued functioning of their businesses. We have the ability and intent to indefinitely reinvest the undistributed earnings of consolidated subsidiaries based outside of the United States. If any excess cash held by our foreign subsidiaries were needed to fund operations in the United States, we could presently repatriate available funds without a requirement to accrue or pay U.S. taxes. This is a result of significant deficits, as calculated for tax law purposes, in our foreign earnings and profits, which gives us flexibility to

make future cash distributions as non-taxable returns of capital. In December 2015, Clear Channel International B.V. (CCIBV), one of our international indirect subsidiaries, distributed the proceeds of the 8.75% Senior Notes due 2020 it issued to one of our domestic subsidiaries and ultimately to us, for the purpose of funding a special dividend to our stockholders. As the \$217.8 million dividend was paid to our stockholders on January 7, 2016, the amount of the dividend is included in cash on hand as of December 31, 2015.

A-21

Table of Contents

Our primary uses of liquidity are for our working capital, capital expenditure, debt service, special dividend and other funding requirements. Based on our current and anticipated levels of operations and conditions in our markets, we believe that cash on hand, cash flows from operations, borrowing capacity under or repayment of amounts outstanding under the revolving promissory note with iHeartCommunications and borrowing capacity under our senior revolving credit facility will enable us to meet our working capital, capital expenditure, debt service, special dividend and other funding requirements, including the debt service on the CCWH Senior Notes, the CCWH Subordinated Notes and the CCIBV Senior Notes for at least the next 12 months. We believe our long-term plans, which include promoting outdoor media spending, capitalizing on our diverse geographic and product opportunities and the continued deployment of digital displays, will enable us to continue generating cash flows from operations sufficient to meet our liquidity and funding requirements long term. However, our anticipated results are subject to significant uncertainty. Our ability to fund our working capital, capital expenditures, debt service and other obligations depends on our future operating performance and cash from operations. If our future operating performance does not meet our expectations or our plans materially change in an adverse manner or prove to be materially inaccurate, we may need additional financing. We may not be able to secure any such additional financing on terms favorable to us or at all.

We recently paid special cash dividends to our stockholders. On December 16, 2015, CCIBV issued \$225.0 million in aggregate principal amount of 8.75% Senior Notes due 2020. We used the proceeds of the offering, which are included in the \$412.7 million of Cash and cash equivalents as of December 31, 2015, to pay a special dividend in an aggregate amount of \$217.8 million to our stockholders on January 7, 2016. In the first quarter of 2016, we sold our business in nine non-strategic markets within our Americas segment for approximately \$602 million in cash and certain advertising assets in Florida (the Americas Transactions). Following the sale, we notified iHeartCommunications of our intent to make a demand for repayment of \$300.0 million outstanding under the Due from iHeartCommunications note and simultaneously pay a special cash dividend of \$540.0 million, which was paid on February 4, 2016. We used the \$300.0 million from the repayment and \$240.0 million of the proceeds of the Americas Transactions to fund the special dividend. The repayment of the \$300.0 million under the Due from iHeartCommunications note reduced the amount of the Due from iHeartCommunications note asset that is available to us as a source of liquidity for future working capital, capital expenditure, debt service, special dividend and other funding requirements. In addition, the interest payments that we receive under the Due from iHeartCommunications note are expected to be lower in 2016 than in 2015 as a result of the lower outstanding indebtedness on the note. Future special cash dividends will be dependent upon us having sufficient available cash.

In addition to any special dividends that our board of directors may declare using the proceeds of any liquidity-generating transactions or other available cash, we may declare special dividends using the proceeds of payments from iHeartCommunications under the Due from iHeartCommunications note. Our board of directors has established a committee that has the non-exclusive authority to demand payments under the Due from iHeartCommunications note under certain specified circumstances tied to iHeartCommunications liquidity or the amount outstanding under the Due from iHeartCommunications note, as long as our board of directors declares a simultaneous dividend equal to the amount so demanded. Any future repayments and dividends would further reduce the amount of the Due from iHeartCommunications note asset that is available to us as a source of liquidity for ongoing working capital, capital expenditure, debt service, special dividend and other funding requirements.

As our controlling stockholder, iHeartCommunications may cause us to engage in transactions for the purpose of supporting its liquidity needs, such as financings or asset sales, which may negatively affect our business operations or our capital structure. In its Annual Report on Form 10-K filed with the SEC on February 25, 2016, iHeartCommunications stated that its ability to fund its ongoing capital needs depends on its future operating performance and cash from operations, as well as its ability to generate cash from liquidity-generating transactions, and that it is currently exploring, and expects to continue to explore, a variety of transactions to provide it with additional liquidity. These liquidity-generating transactions may involve us or our assets. As of December 31, 2015,

iHeartCommunications had \$772.7 million recorded as Cash and cash

equivalents on its consolidated balance sheets, of which \$412.7 million was held by us and our subsidiaries. Further deterioration in the financial condition of iHeartCommunications could also have the effect of increasing our borrowing costs or impairing our access to capital markets.

We were in compliance with the covenants contained in our material financing agreements as of December 31, 2015. Our ability to comply with the maintenance covenant in our senior secured credit facility may be affected by events beyond our control, including prevailing economic, financial and industry conditions.

In its Annual Report on Form 10-K filed with the SEC on February 25, 2016, iHeartCommunications stated that it was in compliance with the covenants contained in its material financing agreements as of December 31, 2015. iHeartCommunications similarly stated in its Annual Report that its anticipated results are also subject to significant uncertainty and there can be no assurance that actual results will be in compliance with the covenants. Moreover, iHeartCommunications stated in its Annual Report that its ability to comply with the covenants in its material financing agreements may be affected by events beyond its control, including prevailing economic, financial and industry conditions. As discussed therein, the breach of any covenants set forth in iHeartCommunications' financing agreements would result in a default thereunder, and an event of default would permit the lenders under a defaulted financing agreement to declare all indebtedness thereunder to be due and payable prior to maturity. Moreover, as discussed therein, the lenders under iHeartCommunications' receivables-based credit facility would have the option to terminate their commitments to make further extensions of credit thereunder. In addition, iHeartCommunications stated in its Annual Report that if iHeartCommunications is unable to repay its obligations under any secured credit facility, the lenders could proceed against any assets that were pledged to secure such facility. Finally, iHeartCommunications stated in its Annual Report that a default or acceleration under any of its material financing agreements could cause a default under other obligations that are subject to cross-default and cross-acceleration provisions. If iHeartCommunications were to become insolvent, we would be an unsecured creditor of iHeartCommunications. In that event, we would be treated the same as other unsecured creditors of iHeartCommunications and, if we were not entitled to the cash previously transferred to iHeartCommunications, or could not obtain such cash on a timely basis, we could experience a liquidity shortfall.

We frequently evaluate strategic opportunities both within and outside our existing lines of business. We expect from time to time to pursue additional acquisitions and may decide to dispose of certain businesses. These acquisitions or dispositions could be material.

We may from time to time repay our outstanding debt or seek to purchase our outstanding equity securities. Such transactions, if any, will depend on prevailing market conditions, our liquidity requirements, contractual restrictions and other factors.

Promissory Notes with iHeartCommunications

We maintain accounts that represent net amounts due to or from iHeartCommunications, which are recorded as Due from/to iHeartCommunications on our consolidated balance sheets. The accounts represent our revolving promissory note issued by us to iHeartCommunications and the Due from iHeartCommunications note, in each case in the face amount of \$1.0 billion, or if more or less than such amount, the aggregate unpaid principal amount of all advances. The accounts accrue interest pursuant to the terms of the promissory notes and are generally payable on demand or when they mature on December 15, 2017. Included in the accounts are the net activities resulting from day-to-day cash management services provided by iHeartCommunications. Such day-to-day cash management services relate only to our cash activities and balances in the U.S. and exclude any cash activities and balances of our non-U.S. subsidiaries. As of December 31, 2015 and December 31, 2014, the asset recorded in Due from iHeartCommunications on our consolidated balance sheet was \$930.8 million and \$947.8 million, respectively. As of December 31, 2015, we had no borrowings under the cash management note to iHeartCommunications.

In accordance with the terms of the settlement for the derivative litigation filed by our stockholders regarding the Due from iHeartCommunications note, as previously disclosed, we established a committee of our board of directors, consisting of our independent and disinterested directors, for the specific purpose of monitoring the Due from iHeartCommunications note. This committee has the non-exclusive authority to demand payments under the Due from iHeartCommunications note under certain specified circumstances tied to iHeartCommunications liquidity or the amount outstanding under the Due from iHeartCommunications note, as long as our board of directors declares a simultaneous dividend equal to the amount so demanded. The committee last made a demand under the Due from iHeartCommunications note on August 11, 2014. If future demands are made in accordance with the terms of the committee charter, we will declare a simultaneous dividend equal to the amount so demanded, which would further reduce the amount of the Due from iHeartCommunications asset that is available to us as a source of liquidity for ongoing working capital, capital expenditure, debt service and other funding requirements.

The net interest income for the years ended December 31, 2015, 2014 and 2013 was \$61.4 million, \$60.2 million and \$54.2 million, respectively. At December 31, 2015, the fixed interest rate on the Due from iHeartCommunications account was 6.5%, which is equal to the fixed interest rate on the CCWH senior notes. On October 23, 2013, in accordance with the terms of the settlement, the interest rate on the Due from iHeartCommunications note was amended such that if the outstanding balance on the Due from iHeartCommunications note exceeds \$1.0 billion and under certain other circumstances tied to iHeartCommunications liquidity, the rate will be variable but will in no event be less than 6.5% nor greater than 20%.

Our working capital requirements and capital for general corporate purposes, including acquisitions and capital expenditures, may be provided to us by iHeartCommunications, in its sole discretion, pursuant to a revolving promissory note issued by us to iHeartCommunications or pursuant to repayment of the Due from iHeartCommunications note. If we are unable to obtain financing from iHeartCommunications, we may need to obtain additional financing from banks or other lenders, or through public offerings or private placements of debt or equity, strategic relationships or other arrangements at some future date. As stated above, we may be unable to successfully obtain additional debt or equity financing on satisfactory terms or at all.

As long as iHeartCommunications maintains a significant interest in us, pursuant to the Master Agreement between iHeartCommunications and us, iHeartCommunications will have the option to limit our ability to incur debt or issue

equity securities, among other limitations, which could adversely affect our ability to meet our

A-24

liquidity needs. Under the Master Agreement with iHeartCommunications, we are limited in our borrowings from third parties to no more than \$400.0 million at any one time outstanding, without the prior written consent of iHeartCommunications.

CCWH Senior Notes

As of December 31, 2015, CCWH senior notes represented \$2.7 billion aggregate principal amount of indebtedness outstanding, which consisted of \$735.75 million aggregate principal amount of Series A Senior Notes due 2022 (the Series A CCWH Senior Notes) and \$1,989.25 million aggregate principal amount of Series B CCWH Senior Notes due 2022 (the Series B CCWH Senior Notes). The CCWH Senior Notes are guaranteed by us, Clear Channel Outdoor, Inc. (CCOI) and certain of our direct and indirect subsidiaries.

The CCWH Senior Notes are senior obligations that rank pari passu in right of payment to all unsubordinated indebtedness of CCWH and the guarantees of the CCWH Senior Notes rank pari passu in right of payment to all unsubordinated indebtedness of the guarantors. Interest on the CCWH Senior Notes is payable to the trustee weekly in arrears and to the noteholders on May 15 and November 15 of each year, which began on May 15, 2013.

At any time prior to November 15, 2017, CCWH may redeem the CCWH Senior Notes, in whole or in part, at a price equal to 100% of the principal amount of the CCWH Senior Notes plus a make-whole premium, together with accrued and unpaid interest, if any, to the redemption date. CCWH may redeem the CCWH Senior Notes, in whole or in part, on or after November 15, 2017, at the redemption prices set forth in the applicable indenture governing the CCWH Senior Notes plus accrued and unpaid interest to the redemption date. At any time on or before November 15, 2015, CCWH may elect to redeem up to 40% of the then outstanding aggregate principal amount of the CCWH Senior Notes at a redemption price equal to 106.500% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings, subject to certain restrictions. Notwithstanding the foregoing, neither CCOH nor any of its subsidiaries is permitted to make any purchase of, or otherwise effectively cancel or retire any Series A CCWH Senior Notes or Series B CCWH Senior Notes if, after giving effect thereto and, if applicable, any concurrent purchase of or other addition with respect to any Series B CCWH Senior Notes or Series A CCWH Senior Notes, as applicable, the ratio of (a) the outstanding aggregate principal amount of the Series A CCWH Senior Notes to (b) the outstanding aggregate principal amount of the Series B CCWH Senior Notes shall be greater than 0.25, subject to certain exceptions.

The indenture governing the Series A CCWH Senior Notes contains covenants that limit us and our restricted subsidiaries ability to, among other things:

incur or guarantee additional debt to persons other than iHeartCommunications and its subsidiaries (other than us) or issue certain preferred stock;

create liens on its restricted subsidiaries assets to secure such debt;

create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries that are not guarantors of the CCWH Senior Notes;

enter into certain transactions with affiliates; and

merge or consolidate with another person, or sell or otherwise dispose of all or substantially all of its assets. In addition, the indenture governing the Series A CCWH Senior Notes provides that if CCWH (i) makes an optional redemption of the Series B CCWH Senior Notes or purchases or makes an offer to purchase the Series B CCWH Senior Notes at or above 100% of the principal amount thereof, then CCWH shall apply a pro rata amount to make an optional redemption or purchase a pro rata amount of the Series A CCWH Senior Notes or

(ii) makes an asset sale offer under the indenture governing the Series B CCWH Senior Notes, then CCWH shall apply a pro rata amount to make an offer to purchase a pro rata amount of Series A CCWH Senior Notes.

The indenture governing the Series A CCWH Senior Notes does not include limitations on dividends, distributions, investments or asset sales.

The indenture governing the Series B CCWH Senior Notes contains covenants that limit us and our restricted subsidiaries ability to, among other things:

incur or guarantee additional debt or issue certain preferred stock;

redeem, repurchase or retire our subordinated debt;

make certain investments;

create liens on its or its restricted subsidiaries' assets to secure debt;

create restrictions on the payment of dividends or other amounts to it from its restricted subsidiaries that are not guarantors of the CCWH Senior Notes;

enter into certain transactions with affiliates;

merge or consolidate with another person, or sell or otherwise dispose of all or substantially all of its assets;

sell certain assets, including capital stock of its subsidiaries;

designate its subsidiaries as unrestricted subsidiaries; and

pay dividends, redeem or repurchase capital stock or make other restricted payments.

The Series A CCWH Senior Notes indenture and Series B CCWH Senior Notes indenture restrict our ability to incur additional indebtedness but permit us to incur additional indebtedness based on an incurrence test. In order to incur (i) additional indebtedness under this test, our debt to adjusted EBITDA ratios (as defined by the indentures) must be lower than 7.0:1 and 5.0:1 for total debt and senior debt, respectively, and (ii) additional indebtedness that is subordinated to the CCWH Senior Notes under this test, our debt to adjusted EBITDA ratios (as defined by the indentures) must be lower than 7.0:1 for total debt. The indentures contain certain other exceptions that allow us to incur additional indebtedness. The Series B CCWH Senior Notes indenture also permits us to pay dividends from the proceeds of indebtedness or the proceeds from asset sales if our debt to adjusted EBITDA ratios (as defined by the

indentures) are lower than 7.0:1 and 5.0:1 for total debt and senior debt, respectively. The Series A CCWH Senior Notes indenture does not limit our ability to pay dividends. The Series B CCWH Senior Notes indenture contains certain exceptions that allow us to pay dividends, including (i) \$525.0 million of dividends made pursuant to general restricted payment baskets and (ii) dividends made using proceeds received upon a demand by us of amounts outstanding under the revolving promissory note issued by iHeartCommunications to us.

Consolidated leverage ratio, defined as total debt divided by EBITDA (as defined by the CCWH Senior Notes indentures) for the preceding four quarters was 7.2:1 at December 31, 2015, and senior leverage ratio, defined as senior debt divided by EBITDA (as defined by the CCWH Senior Notes indentures) for the preceding four quarters was 3.8:1 at December 31, 2015. As required by the definition of EBITDA in the CCWH Senior Notes indentures, our EBITDA for the preceding four quarters of \$717.4 million is calculated as operating income (loss) before depreciation, amortization, impairment charges and other operating income (expense), net, plus share-based compensation, and is further adjusted for the following: (i) costs incurred in connection with severance, the closure and/or consolidation of facilities, retention charges, consulting fees and other permitted activities; (ii) extraordinary, non-recurring or unusual gains or losses or expenses; (iii) non-cash charges; and (iv) various other items.

The following table reflects a reconciliation of EBITDA (as defined by the CCWH Senior Notes indentures) to operating income and net cash provided by operating activities for the four quarters ended December 31, 2015:

CCWH Senior Subordinated Notes

As of December 31, 2015, CCWH Subordinated Notes represented \$2.2 billion of aggregate principal amount of indebtedness outstanding, which consist of \$275.0 million aggregate principal amount of 7.625% Series A Senior Subordinated Notes due 2020 (the Series A CCWH Subordinated Notes) and \$1,925.0 million aggregate principal amount of 7.625% Series B Senior Subordinated Notes due 2020 (the Series B CCWH Subordinated Notes). Interest on the CCWH Subordinated Notes is payable to the trustee weekly in arrears and to the noteholders on March 15 and September 15 of each year, which began on September 15, 2012.

The CCWH Subordinated Notes are CCWH's senior subordinated obligations and are fully and unconditionally guaranteed, jointly and severally, on a senior subordinated basis by us, CCOI and certain of our other domestic subsidiaries. The CCWH Subordinated Notes are unsecured senior subordinated obligations that rank junior to all of CCWH's existing and future senior debt, including the CCWH Senior Notes, equally with any of CCWH's existing and future senior subordinated debt and ahead of all of CCWH's existing and future debt that expressly provides that it is subordinated to the CCWH Subordinated Notes. The guarantees of the CCWH Subordinated Notes rank junior to each

guarantor's existing and future senior debt, including the CCWH Senior Notes, equally with each guarantor's existing and future senior subordinated debt and ahead of each guarantor's existing and future debt that expressly provides that it is subordinated to the guarantees of the CCWH Subordinated Notes.

At any time prior to March 15, 2015, CCWH may redeem the CCWH Subordinated Notes, in whole or in part, at a price equal to 100% of the principal amount of the CCWH Subordinated Notes plus a make-whole

premium, together with accrued and unpaid interest, if any, to the redemption date. CCWH may redeem the CCWH Subordinated Notes, in whole or in part, on or after March 15, 2015, at the redemption prices set forth in the applicable indenture governing the CCWH Subordinated Notes plus accrued and unpaid interest to the redemption date. At any time on or before March 15, 2015, CCWH may elect to redeem up to 40% of the then outstanding aggregate principal amount of the CCWH Subordinated Notes at a redemption price equal to 107.625% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings, subject to certain restrictions. Notwithstanding the foregoing, neither us nor any of our subsidiaries is permitted to make any purchase of, or otherwise effectively cancel or retire any Series A CCWH Subordinated Notes or Series B CCWH Subordinated Notes if, after giving effect thereto and, if applicable, any concurrent purchase of or other addition with respect to any Series B CCWH Subordinated Notes or Series A CCWH Subordinated Notes, as applicable, the ratio of (a) the outstanding aggregate principal amount of the Series A CCWH Subordinated Notes to (b) the outstanding aggregate principal amount of the Series B CCWH Subordinated Notes shall be greater than 0.25, subject to certain exceptions.

The indenture governing the Series A CCWH Subordinated Notes contains covenants that limit us and our restricted subsidiaries ability to, among other things:

incur or guarantee additional debt to persons other than iHeartCommunications and its subsidiaries (other than us) or issue certain preferred stock;

create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries that are not guarantors of the notes;

enter into certain transactions with affiliates; and

merge or consolidate with another person, or sell or otherwise dispose of all or substantially all of CCOH's assets.

In addition, the indenture governing the Series A CCWH Subordinated Notes provides that if CCWH (i) makes an optional redemption of the Series B CCWH Subordinated Notes or purchases or makes an offer to purchase the Series B CCWH Subordinated Notes at or above 100% of the principal amount thereof, then CCWH shall apply a pro rata amount to make an optional redemption or purchase a pro rata amount of the Series A CCWH Subordinated Notes or (ii) makes an asset sale offer under the indenture governing the Series B CCWH Subordinated Notes, then CCWH shall apply a pro rata amount to make an offer to purchase a pro rata amount of Series A CCWH Subordinated Notes.

The indenture governing the Series A CCWH Subordinated Notes does not include limitations on dividends, distributions, investments or asset sales.

The indenture governing the Series B CCWH Subordinated Notes contains covenants that limit us and our restricted subsidiaries ability to, among other things:

incur or guarantee additional debt or issue certain preferred stock;

make certain investments;

create restrictions on the payment of dividends or other amounts to us from our restricted subsidiaries that are not guarantors of the notes;

enter into certain transactions with affiliates;

merge or consolidate with another person, or sell or otherwise dispose of all or substantially all of our assets;

sell certain assets, including capital stock of our subsidiaries;

designate our subsidiaries as unrestricted subsidiaries; and

pay dividends, redeem or repurchase capital stock or make other restricted payments.

Table of Contents

The Series A CCWH Subordinated Notes indenture and Series B CCWH Subordinated Notes indenture restrict CCOH's ability to incur additional indebtedness but permit us to incur additional indebtedness based on an incurrence test. In order to incur additional indebtedness under this test, our debt to adjusted EBITDA ratios (as defined by the indentures) must be lower than 7.0:1. The indentures contain certain other exceptions that allow us to incur additional indebtedness. The Series B CCWH Subordinated Notes indenture also permits us to pay dividends from the proceeds of indebtedness or the proceeds from asset sales if its debt to adjusted EBITDA ratios (as defined by the indentures) is lower than 7.0:1. The Series A CCWH Senior Subordinated Notes indenture does not limit our ability to pay dividends. The Series B CCWH Subordinated Notes indenture contains certain exceptions that allow us to pay dividends, including (i) \$525.0 million of dividends made pursuant to general restricted payment baskets and (ii) dividends made using proceeds received upon a demand by us of amounts outstanding under the revolving promissory note issued by iHeartCommunications to us.

CCIBV Senior Notes

As of December 31, 2015, Clear Channel International B.V., an international subsidiary of ours, had \$225.0 million aggregate principal amount outstanding of its 8.75% Senior Notes due 2020 (*CCIBV Senior Notes*).

The CCIBV Senior Notes mature on December 15, 2020 and bear interest at a rate of 8.75% per annum, payable semi-annually in arrears on June 15 and December 15 of each year, beginning on June 15, 2016. The CCIBV Senior Notes are guaranteed by certain of our International outdoor business's existing and future subsidiaries. The Company does not guarantee or otherwise assume any liability for the CCIBV Senior Notes. The notes are senior unsecured obligations that rank pari passu in right of payment to all unsubordinated indebtedness of Clear Channel International B.V., and the guarantees of the notes are senior unsecured obligations that rank pari passu in right of payment to all unsubordinated indebtedness of the guarantors of the notes.

Clear Channel International B.V. may redeem the notes at its option, in whole or part, at any time prior to December 15, 2017, at a price equal to 100% of the principal amount of the notes redeemed, plus a make-whole premium, plus accrued and unpaid interest to the redemption date. Clear Channel International B.V. may redeem the notes, in whole or in part, on or after December 15, 2017, at the redemption prices set forth in the indenture plus accrued and unpaid interest to the redemption date. At any time on or before December 15, 2017, Clear Channel International B.V. may elect to redeem up to 40% of the aggregate principal amount of the notes at a redemption price equal to 108.75% of the principal amount thereof, plus accrued and unpaid interest to the redemption date, with the net proceeds of one or more equity offerings.

The indenture governing the CCIBV Senior Notes contains covenants that limit Clear Channel International B.V.'s ability and the ability of its restricted subsidiaries to, among other things: (i) pay dividends, redeem stock or make other distributions or investments; (ii) incur additional debt or issue certain preferred stock; (iii) transfer or sell assets; (iv) create liens on assets; (v) engage in certain transactions with affiliates; (vi) create restrictions on dividends or other payments by the restricted subsidiaries; and (vii) merge, consolidate or sell substantially all of Clear Channel International B.V.'s assets.

Senior Revolving Credit Facility Due 2018

During the third quarter of 2013, we entered into a five-year senior secured revolving credit facility with an aggregate principal amount of \$75.0 million. The revolving credit facility may be used for working capital needs, to issue letters of credit and for other general corporate purposes. As of December 31, 2015, there were no amounts outstanding under the revolving credit facility, and \$59.4 million of letters of credit under the revolving credit facility which reduce availability under the facility. The revolving credit facility contains a springing covenant that requires us to

maintain a secured leverage ratio (as defined in the revolving credit facility) of not more than 1.5:1 that is tested at the end of a quarter if availability under the facility is less than 75% of the aggregate commitments under the facility. We were in compliance with the secured leverage ratio covenant as of December 31, 2015.

A-29

Table of Contents***Other Debt***

Other debt consists primarily of loans with international banks. As of December 31, 2015, approximately \$19.0 million was outstanding as other debt.

iHeartCommunications Debt Covenants

The iHeartCommunications senior secured credit facility contains a significant financial covenant which requires iHeartCommunications to comply on a quarterly basis with a financial covenant limiting the ratio of its consolidated secured debt, net of cash and cash equivalents, to consolidated EBITDA for the preceding four quarters (maximum of 8.75:1). In its Annual Report on Form 10-K filed with the SEC on February 25, 2016, iHeartCommunications stated that it was in compliance with this covenant as of December 31, 2015.

Dispositions and Other

In the first quarter of 2016, Americas outdoor sold nine non-strategic outdoor markets including Cleveland and Columbus, Ohio, Des Moines, Iowa, Ft. Smith, Arkansas, Memphis, Tennessee, Portland, Oregon, Reno, Nevada, Seattle, Washington and Wichita, Kansas for approximately \$602 million in cash and certain advertising assets in Florida.

During 2014, we sold our 50% interest in Buspak, recognizing a gain on the sale of \$4.5 million.

During 2013, our Americas segment divested certain outdoor advertising assets in Times Square for approximately \$18.7 million resulting in a gain of \$12.2 million included in Other operating income, net.

Uses of Capital***Capital Expenditures***

Our capital expenditures for the years ended December 31, 2015, 2014 and 2013 were as follows:

(In millions)	Years Ended December 31,		
	2015	2014	2013
Americas advertising	\$ 82.2	\$ 109.7	\$ 96.6
International advertising	132.6	117.5	100.9
Corporate	3.5	4.0	8.7
Total capital expenditures	\$ 218.3	\$ 231.2	\$ 206.2

Our capital expenditures are not of significant size individually and primarily relate to the ongoing deployment of digital displays and improvements to traditional displays in our Americas segment as well as new billboard and street furniture contracts and renewals of existing contracts in our International segment.

See the Contractual Obligations table under Commitments, Contingencies and Guarantees and Note 6 to our Consolidated Financial Statements located in Item 8 of Part II of the Annual Report on Form 10-K for the Company's future capital expenditure commitments.

Part of our long-term strategy is to pursue the technology of digital displays, including flat screens, LCDs and LEDs, as alternatives to traditional methods of displaying our clients' advertisements. We are currently installing these technologies in certain markets. We believe cash flow from operations will be sufficient to fund these expenditures because we expect enhanced margins through: (i) lower cost of production as the advertisements will be digital and controlled by a central computer network, (ii) decreased down time on displays

A-30

because the advertisements will be digitally changed rather than manually posted paper or vinyl on the face of the display, and (iii) incremental revenue through more targeted and time specific advertisements.

Commitments, Contingencies and Guarantees

We are currently involved in certain legal proceedings arising in the ordinary course of business and, as required, have accrued our estimate of the probable costs for resolution of those claims for which the occurrence of loss is probable and the amount can be reasonably estimated. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in our assumptions or the effectiveness of our strategies related to these proceedings. Please see Item 3. Legal Proceedings within Part I of the Annual Report on Form 10-K.

Our short and long term cash requirements include minimum annual guarantees for our street furniture contracts and operating leases. Noncancelable contracts and operating lease requirements are included in our direct operating expenses, which historically have been satisfied by cash flows from operations. For 2016, we are committed to \$367.2 million and \$296.7 million for minimum annual guarantees and operating leases, respectively. Our long-term commitments for minimum annual guarantees, operating leases and capital expenditure requirements are included in the table below.

Certain agreements relating to acquisitions provide for purchase price adjustments and other future contingent payments based on the financial performance of the acquired companies generally over a one to five year period. The aggregate of these contingent payments, if performance targets are met, would not significantly impact our financial position or results of operations.

In addition to the scheduled maturities on debt issued by CCWH and CCIBV, we have future cash obligations under various types of contracts. We lease office space, certain equipment and the majority of the land occupied by our advertising structures under long-term operating leases. Some of our lease agreements contain renewal options and annual rental escalation clauses (generally tied to the consumer price index), as well as provisions for our payment of utilities and maintenance.

We have minimum franchise payments associated with non-cancelable contracts that enable us to display advertising on such media as buses, trains, bus shelters and terminals. The majority of these contracts contain rent provisions that are calculated as the greater of a percentage of the relevant advertising revenue or a specified guaranteed minimum annual payment.

Table of Contents

The scheduled maturities of the CCWH Senior Notes, CCWH Subordinated Notes, CCIBV Senior Notes and other debt outstanding, and our future minimum rental commitments under non-cancelable lease agreements, minimum payments under other non-cancelable contracts, capital expenditure commitments and other long-term obligations as of December 31, 2015, are as follows:

- (1) Interest payments on long-term debt consist primarily of interest on the CCWH Senior Notes and the CCWH Senior Subordinated Notes.
- (2) The non-current portion of the unrecognized tax benefits is included in the Thereafter column as we cannot reasonably estimate the timing or amounts of additional cash payments, if any, at this time. For additional information, see Note 8 included in Item 8 of Part II of the Annual Report on Form 10-K.
- (3) Other long-term obligations consist of \$45.1 million related to asset retirement obligations recorded pursuant to ASC 410-20, which assumes the underlying assets will be removed at some period over the next 50 years. Also included in the table is \$47.5 million related to retirement plans and \$124.1 million related to other long-term obligations with a specific maturity.

SEASONALITY

Typically, both our Americas and International segments experience their lowest financial performance in the first quarter of the calendar year, with International historically experiencing a loss from operations in that period. Our International segment typically experiences its strongest performance in the second and fourth quarters of the calendar year. We expect this trend to continue in the future.

MARKET RISK

We are exposed to market risks arising from changes in market rates and prices, including movements in equity security prices and foreign currency exchange rates.

Foreign Currency Exchange Rate Risk

We have operations in countries throughout the world. Foreign operations are measured in their local currencies. As a result, our financial results could be affected by factors such as changes in foreign currency exchange rates or weak economic conditions in the foreign markets in which we have operations. We believe we mitigate a small portion of our exposure to foreign currency fluctuations with a natural hedge through borrowings in currencies other than the U.S. dollar. Our foreign operations reported net income of \$39.2 million for year ended December 31, 2015. We estimate a 10% increase in the value of the U.S. dollar relative to foreign

A-32

Table of Contents

currencies would have decreased our net income for the year ended December 31, 2015 by \$3.9 million. A 10% decrease in the value of the U.S. dollar relative to foreign currencies would have increased our net income for the year ended December 31, 2015 by a corresponding amount.

This analysis does not consider the implications that such currency fluctuations could have on the overall economic activity that could exist in such an environment in the U.S. or the foreign countries or on the results of operations of these foreign entities.

Inflation

Inflation is a factor in the economies in which we do business and we continue to seek ways to mitigate its effect. Inflation has affected our performance in terms of higher costs for wages, salaries and equipment. Although the exact impact of inflation is indeterminable, we believe we have offset these higher costs by increasing the effective advertising rates of most of our outdoor display faces.

NEW ACCOUNTING PRONOUNCEMENTS

During the first quarter of 2015, the Company adopted the Financial Accounting Standards Board's (FASB) ASU No. 2014-08, *Presentation of Financial Statements (Topic 205) and Property, Plant, and Equipment (Topic 360), Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity*. This update provides guidance for the recognition, measurement and disclosure of discontinued operations. The adoption of this guidance did not have a material effect on the Company's consolidated financial statements.

During the first quarter of 2015, the FASB issued ASU No. 2015-02, *Consolidation (Topic 810), Amendments to the Consolidation Analysis*. This new standard eliminates the deferral of FAS 167, which has allowed entities with interest in certain investment funds to follow the previous consolidation guidance in FIN 46(R), and makes other changes to both the variable interest model and the voting model. The standard is effective for annual periods, and for interim periods within those annual periods, beginning after December 15, 2015. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the second quarter of 2015, the FASB issued ASU No. 2015-03, *Interest-Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*. This update requires entities to present debt issuance costs related to a recognized debt liability as a direct deduction from the carrying amount of that direct debt liability. The standard is effective for annual periods, and for interim periods within those annual periods, beginning after December 15, 2015. The Company will adopt this standard in the first quarter of 2016.

During the third quarter of 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date*. This update provides a one-year deferral of the effective date for ASU No. 2014-09, *Revenue from Contracts with Customers*. ASU No. 2014-09 provides guidance for the recognition, measurement and disclosure of revenue resulting from contracts with customers and will supersede virtually all of the current revenue recognition guidance under U.S. GAAP. The standard is effective for the first interim period within annual reporting periods beginning after December 15, 2017. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the third quarter of 2015, the FASB issued ASU No. 2015-16, *Business Combinations (Topic 805): Simplifying the Accounting for Measurement-Period Adjustments*. This update eliminates the requirement for an acquirer in a business combination to account for measurement-period adjustments retrospectively. Instead, acquirers must recognize measurement-period adjustments during the period in which they determine the amounts, including the

effect on earnings of any amounts they would have recorded in previous periods if the

A-33

Table of Contents

accounting had been completed at the acquisition date. The standard is effective for fiscal years beginning after December 15, 2015, and interim periods within those fiscal years. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the fourth quarter of 2015, the Company adopted FASB's ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. This update requires companies to classify all deferred tax assets and liabilities as noncurrent on the balance sheet instead of separating deferred taxes into current and noncurrent amounts. The adoption of this guidance did not have a material effect on the Company's consolidated financial statements.

CRITICAL ACCOUNTING ESTIMATES

The preparation of our financial statements in conformity with U.S. GAAP requires management to make estimates, judgments and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of expenses during the reporting period. On an ongoing basis, we evaluate our estimates that are based on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. The result of these evaluations forms the basis for making judgments about the carrying values of assets and liabilities and the reported amount of expenses that are not readily apparent from other sources. Because future events and their effects cannot be determined with certainty, actual results could differ from our assumptions and estimates, and such difference could be material. Our significant accounting policies are discussed in the notes to our consolidated financial statements included in Item 8 of Part II of the Annual Report on Form 10-K. Management believes that the following accounting estimates are the most critical to aid in fully understanding and evaluating our reported financial results, and they require management's most difficult, subjective or complex judgments, resulting from the need to make estimates about the effect of matters that are inherently uncertain. The following narrative describes these critical accounting estimates, the judgments and assumptions and the effect if actual results differ from these assumptions.

Allowance for Doubtful Accounts

We evaluate the collectability of our accounts receivable based on a combination of factors. In circumstances where we are aware of a specific customer's inability to meet its financial obligations, we record a specific reserve to reduce the amounts recorded to what we believe will be collected. For all other customers, we recognize reserves for bad debt based on historical experience for each business unit, adjusted for relative improvements or deteriorations in the agings and changes in current economic conditions.

If our agings were to improve or deteriorate resulting in a 10% change in our allowance, we estimated that our bad debt expense for the year ended December 31, 2015 would have changed by approximately \$2.5 million.

Long-lived Assets

Long-lived assets, including structures and other property, plant and equipment and definite-lived intangibles, are reported at historical cost less accumulated depreciation. We estimate the useful lives for various types of advertising structures and other long-lived assets based on our historical experience and our plans regarding how we intend to use those assets. Advertising structures have different lives depending on their nature, with large format bulletins generally having longer depreciable lives and posters and other displays having shorter depreciable lives. Street furniture and transit displays are depreciated over their estimated useful lives or appropriate contractual periods, whichever is shorter. Our experience indicates that the estimated useful lives applied to our portfolio of assets have been reasonable, and we do not expect significant changes to the estimated useful lives of our long-lived assets in the future. When we determine that structures or other long-lived assets will be disposed of prior to the end of their useful

lives, we estimate the revised useful lives and

A-34

Table of Contents

depreciate the assets over the revised period. We also review long-lived assets for impairment when events and circumstances indicate that depreciable and amortizable long-lived assets might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. When specific assets are determined to be unrecoverable, the cost basis of the asset is reduced to reflect the current fair market value.

We use various assumptions in determining the remaining useful lives of assets to be disposed of prior to the end of their useful lives and in determining the current fair market value of long-lived assets that are determined to be unrecoverable. Estimated useful lives and fair values are sensitive to factors including contractual commitments, regulatory requirements, future expected cash flows, industry growth rates and discount rates, as well as future salvage values. Our impairment loss calculations require management to apply judgment in estimating future cash flows, including forecasting useful lives of the assets and selecting the discount rate that reflects the risk inherent in future cash flows.

If actual results are not consistent with our assumptions and judgments used in estimating future cash flows and asset fair values, we may be exposed to future impairment losses that could be material to our results of operations.

Indefinite-lived Intangible Assets

Indefinite-lived intangible assets, such as our billboard permits, are reviewed annually for possible impairment using the direct valuation method as prescribed in ASC 805-20-S99. Under the direct valuation method, the estimated fair value of the indefinite-lived intangible assets was calculated at the market level as prescribed by ASC 350-30-35. Under the direct valuation method, it is assumed that rather than acquiring indefinite-lived intangible assets as a part of a going concern business, the buyer hypothetically obtains indefinite-lived intangible assets and builds a new operation with similar attributes from scratch. Thus, the buyer incurs start-up costs during the build-up phase which are normally associated with going concern value. Initial capital costs are deducted from the discounted cash flows model which results in value that is directly attributable to the indefinite-lived intangible assets.

Our key assumptions using the direct valuation method are market revenue growth rates, market share, profit margin, duration and profile of the build-up period, estimated start-up capital costs and losses incurred during the build-up period, the risk-adjusted discount rate and terminal values. This data is populated using industry normalized information representing an average asset within a market.

Historically, the Company performed its annual impairment test on indefinite-lived intangible assets as of October 1 of each year. Beginning in the third quarter of 2015, the Company began performing its annual impairment test on July 1 of each year.

On July 1, 2015, we performed our annual impairment test in accordance with ASC 350-30-35 and recognized an impairment of \$21.6 million related to billboard permits in one of our outdoor markets.

In determining the fair value of our billboard permits, the following key assumptions were used:

Industry revenue growth forecast at 3.0% was used for the initial four-year period;

3.0% revenue growth was assumed beyond the initial four-year period;

Revenue was grown over a build-up period, reaching maturity by year 2;

Operating margins gradually climb to the industry average margin of up to 56.0%, depending on market size, by year 3; and

Assumed discount rate of 8.0%.

A-35

Table of Contents

While we believe we have made reasonable estimates and utilized appropriate assumptions to calculate the fair value of our indefinite-lived intangible assets, it is possible a material change could occur. If future results are not consistent with our assumptions and estimates, we may be exposed to impairment charges in the future. The following table shows the decline in the fair value of our indefinite-lived intangible assets that would result from a 100 basis point decline in our discrete and terminal period revenue growth rate and profit margin assumptions and a 100 basis point increase in our discount rate assumption:

(In thousands)

Description	Revenue growth rate	Profit margin	Discount rates
Billboard permits	\$ 959,600	\$ 161,500	\$ 965,100

The estimated fair value of our billboard permits at July 1, 2015 was \$3.1 billion while the carrying value was \$1.1 billion. The estimated fair value of our billboard permits at October 1, 2014 was \$2.6 billion while the carrying value was \$1.1 billion.

Goodwill

Goodwill represents the excess of the purchase price over the fair value of identifiable net assets acquired in business combinations. We test goodwill at interim dates if events or changes in circumstances indicate that goodwill might be impaired. The fair value of our reporting units is used to apply value to the net assets of each reporting unit. To the extent that the carrying amount of net assets would exceed the fair value, an impairment charge may be required to be recorded.

The discounted cash flow approach we use for valuing goodwill as part of the two-step impairment testing approach involves estimating future cash flows expected to be generated from the related assets, discounted to their present value using a risk-adjusted discount rate. Terminal values are also estimated and discounted to their present value.

Historically, the Company performed its annual impairment test on goodwill as of October 1 of each year. Beginning in the third quarter of 2015, the Company began performing its annual impairment test on July 1 of each year.

On July 1, 2015, we performed our annual impairment test in accordance with ASC 350-30-35, resulting in no goodwill impairment charge. In determining the fair value of our reporting units, we used the following assumptions:

Expected cash flows underlying our business plans for the periods 2015 through 2019. Our cash flow assumptions are based on detailed, multi-year forecasts performed by each of our operating segments, and reflect the advertising outlook across our businesses.

Cash flows beyond 2019 are projected to grow at a perpetual growth rate, which we estimated at 3.0%.

In order to risk adjust the cash flow projections in determining fair value; we utilized a discount rate of approximately 8.0% to 11.5% for each of our reporting units.

Based on our annual assessment using the assumptions described above, a hypothetical 25% reduction in the estimated fair value in each of our reporting units would not result in a material impairment condition.

A-36

Table of Contents

While we believe we have made reasonable estimates and utilized appropriate assumptions to calculate the estimated fair value of our reporting units, it is possible a material change could occur. If future results are not consistent with our assumptions and estimates, we may be exposed to impairment charges in the future. The following table shows the decline in the fair value of each of our reportable segments that would result from a 100 basis point decline in our discrete and terminal period revenue growth rate and profit margin assumptions and a 100 basis point increase in our discount rate assumption:

(In thousands)

Description	Revenue growth rate	Profit margin	Discount rates
Americas	\$ 920,000	\$ 190,000	\$ 890,000
International	\$ 450,000	\$ 230,000	\$ 420,000

Tax Accruals

Our estimates of income taxes and the significant items giving rise to the deferred tax assets and liabilities are shown in the notes to our consolidated financial statements and reflect our assessment of actual future taxes to be paid on items reflected in the financial statements, giving consideration to both timing and probability of these estimates. Actual income taxes could vary from these estimates due to future changes in income tax law or results from the final review of our tax returns by Federal, state or foreign tax authorities.

We use our judgment to determine whether it is more likely than not that our deferred tax assets will be realized. Deferred tax assets are reduced by valuation allowances if the Company believes it is more likely than not that some portion or the entire asset will not be realized.

We use our judgment to determine whether it is more likely than not that we will sustain positions that we have taken on tax returns and, if so, the amount of benefit to initially recognize within our financial statements. We regularly review our uncertain tax positions and adjust our unrecognized tax benefits (UTBs) in light of changes in facts and circumstances, such as changes in tax law, interactions with taxing authorities and developments in case law. These adjustments to our UTBs may affect our income tax expense. Settlement of uncertain tax positions may require use of our cash.

Litigation Accruals

We are currently involved in certain legal proceedings. Based on current assumptions, we have accrued an estimate of the probable costs for the resolution of those claims for which the occurrence of loss is probable and the amount can be reasonably estimated. Future results of operations could be materially affected by changes in these assumptions or the effectiveness of our strategies related to these proceedings.

Management's estimates have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies.

Asset Retirement Obligations

ASC 410-20 requires us to estimate our obligation upon the termination or nonrenewal of a lease, to dismantle and remove our billboard structures from the leased land and to reclaim the site to its original condition.

Due to the high rate of lease renewals over a long period of time, our calculation assumes all related assets will be removed at some period over the next 50 years. An estimate of third-party cost information is used with respect to the dismantling of the structures and the reclamation of the site. The interest rate used to calculate the present value of such costs over the retirement period is based on an estimated risk-adjusted credit rate for the same period. If our assumption of the risk-adjusted credit rate used to discount current year additions to the asset

A-37

Table of Contents

retirement obligation decreased approximately 1%, our liability as of December 31, 2015 would not be materially impacted. Similarly, if our assumption of the risk-adjusted credit rate increased approximately 1%, our liability would not be materially impacted.

Share-Based Compensation

Under the fair value recognition provisions of ASC 718-10, share-based compensation cost is measured at the grant date based on the fair value of the award. Determining the fair value of share-based awards at the grant date requires assumptions and judgments about expected volatility and forfeiture rates, among other factors. If actual results differ significantly from these estimates, our results of operations could be materially impacted.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Business

Clear Channel Outdoor Holdings, Inc. (the Company) is an outdoor advertising company which owns or operates advertising display faces domestically and internationally. On November 11, 2005, the Company became a publicly traded company through an initial public offering (IPO), in which 10%, or 35.0 million shares, of the Company's Class A common stock was sold. Prior to the IPO, the Company was an indirect wholly-owned subsidiary of iHeartCommunications, Inc. (iHeartCommunications), a diversified media and entertainment company. As of December 31, 2015, iHeartCommunications indirectly holds all of the 315.0 million shares of Class B common stock outstanding and 10,726,917 shares of Class A common stock, collectively representing slightly more than 90% of the shares outstanding and approximately 99% of the voting power. The holders of Class A common stock and Class B common stock have identical rights, except holders of Class A common stock are entitled to one vote per share while holders of Class B common stock are entitled to 20 votes per share. The Class B shares of common stock are convertible, at the option of the holder at any time or upon any transfer, into shares of Class A common stock on a one-for-one basis, subject to certain limited exceptions.

The Company operates in the outdoor advertising industry by selling advertising on billboards, street furniture displays, transit displays and other advertising displays. The Company has two reportable business segments: Americas and International. The Americas segment primarily includes operations in the United States, Canada and Latin America; the International segment primarily includes operations in Europe, Asia and Australia.

Agreements with iHeartCommunications

There are several agreements which govern the Company's relationship with iHeartCommunications including the Master Agreement, Corporate Services Agreement, Employee Matters Agreement, Tax Matters Agreement and Trademark and License Agreement. iHeartCommunications has the right to terminate these agreements in various circumstances. As of the date of the filing of this report, no notice of termination of any of these agreements has been received from iHeartCommunications.

Use of Estimates

The preparation of the consolidated financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires management to make estimates, judgments, and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes including, but not limited to, legal, tax and insurance accruals. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from those estimates.

Principles of Consolidation

The consolidated financial statements include the accounts of the Company and its subsidiaries. Also included in the consolidated financial statements are entities for which the Company has a controlling financial interest or is the primary beneficiary. Investments in companies in which the Company owns 20 percent to 50 percent of the voting common stock or otherwise exercises significant influence over operating and financial policies of the Company are

accounted for using the equity method of accounting. All significant intercompany accounts have been eliminated in consolidation.

Certain prior period amounts have been reclassified to conform to the 2015 presentation. Included in International Outdoor Direct operating expenses and Selling, general and administrative expenses are \$8.2

million and \$3.2 million, respectively, recorded in the fourth quarter of 2015 to correct for accounting errors included in the results for our Netherlands subsidiary reported in prior years. Such corrections are not considered to be material to current year or prior year financial results.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with an original maturity of three months or less.

Accounts Receivable

Accounts receivable are recorded at the invoiced amount, net of reserves for sales returns and allowances, and allowances for doubtful accounts. The Company evaluates the collectability of its accounts receivable based on a combination of factors. In circumstances where it is aware of a specific customer's inability to meet its financial obligations, it records a specific reserve to reduce the amounts recorded to what it believes will be collected. For all other customers, it recognizes reserves for bad debt based on historical experience of bad debts as a percent of revenue for each business unit, adjusted for relative improvements or deteriorations in the agings and changes in current economic conditions. The Company believes its concentration of credit risk is limited due to the large number and the geographic diversification of its customers.

Business Combinations

The Company accounts for its business combinations under the acquisition method of accounting. The total cost of an acquisition is allocated to the underlying identifiable net assets, based on their respective estimated fair values. The excess of the purchase price over the estimated fair values of the net assets acquired is recorded as goodwill. Determining the fair value of assets acquired and liabilities assumed requires management's judgment and often involves the use of significant estimates and assumptions, including assumptions with respect to future cash inflows and outflows, discount rates, asset lives and market multiples, among other items. Various acquisition agreements may include contingent purchase consideration based on performance requirements of the investee. The Company accounts for these payments in conformity with the provisions of ASC 805-20-30, which establish the requirements related to recognition of certain assets and liabilities arising from contingencies.

Property, Plant and Equipment

Property, plant and equipment are stated at cost. Depreciation is computed using the straight-line method at rates that, in the opinion of management, are adequate to allocate the cost of such assets over their estimated useful lives, which are as follows:

Buildings and improvements 10 to 39 years

Structures 3 to 20 years

Furniture and other equipment 2 to 20 years

Leasehold improvements shorter of economic life or lease term assuming renewal periods, if appropriate

For assets associated with a lease or contract, the assets are depreciated at the shorter of the economic life or the lease or contract term, assuming renewal periods, if appropriate. Expenditures for maintenance and repairs are charged to operations as incurred, whereas expenditures for renewal and betterments are capitalized.

The Company tests for possible impairment of property, plant and equipment whenever events and circumstances indicate that depreciable assets might be impaired and the undiscounted cash flows estimated to be generated by

those assets are less than the carrying amounts of those assets. When specific assets are determined to be unrecoverable, the cost basis of the asset is reduced to reflect the current fair market value.

Assets and businesses are classified as held for sale if their carrying amount will be recovered or settled principally through a sale transaction rather than through continuing use. The asset or business must be available for immediate sale and the sale must be highly probable within one year.

Land Leases and Other Structure Leases

Most of the Company's advertising structures are located on leased land. Americas land leases are typically paid in advance for periods ranging from one to 12 months. International land leases are paid both in advance and in arrears, for periods ranging from one to 12 months. Most international street furniture display faces are operated through contracts with municipalities for up to 20 years. The leased land and street furniture contracts often include a percent of revenue to be paid along with a base rent payment. Prepaid land leases are recorded as an asset and expensed ratably over the related rental term and rent payments in arrears are recorded as an accrued liability.

Intangible Assets

The Company's indefinite-lived intangible assets include billboard permits in its Americas segment. The Company's indefinite-lived intangible assets are not subject to amortization, but are tested for impairment at least annually. The Company tests for possible impairment of indefinite-lived intangible assets whenever events or changes in circumstances, such as a significant reduction in operating cash flow or a dramatic change in the manner for which the asset is intended to be used indicate that the carrying amount of the asset may not be recoverable.

The Company performs its annual impairment test for its permits using a direct valuation technique as prescribed in ASC 805-20-S99. The Company engages Corporate Valuation Consulting LLC (formerly Mesirow Financial Consulting Practice), a third party valuation firm, to assist the Company in the development of these assumptions and the Company's determination of the fair value of its permits.

Other intangible assets include definite-lived intangible assets and permanent easements. The Company's definite-lived intangible assets include primarily transit and street furniture contracts, site leases and other contractual rights, all of which are amortized over the shorter of either the respective lives of the agreements or over the period of time the assets are expected to contribute directly or indirectly to the Company's future cash flows. The Company periodically reviews the appropriateness of the amortization periods related to its definite-lived intangible assets. These assets are recorded at cost. Permanent easements are indefinite-lived intangible assets which include certain rights to use real property not owned by the Company.

The Company tests for possible impairment of other intangible assets whenever events and circumstances indicate that they might be impaired and the undiscounted cash flows estimated to be generated by those assets are less than the carrying amounts of those assets. When specific assets are determined to be unrecoverable, the cost basis of the asset is reduced to reflect the current fair market value.

Goodwill

At least annually, the Company performs its impairment test for each reporting unit's goodwill. Historically, we performed our annual impairment test on our goodwill, billboard permits, and other intangible assets as of October 1 of each year. Beginning in the third quarter of 2015, we began performing our annual impairment test

on July 1 of each year. In 2015 and 2014, the Company used a discounted cash flow model to determine if the carrying value of the reporting unit, including goodwill, is less than the fair value of the reporting unit. The Company identified its reporting units in accordance with ASC 350-20-55. The Company's U.S. outdoor advertising markets are aggregated into a single reporting unit for purposes of the goodwill impairment test. The Company also determined that within its Americas segment, Canada constitutes a separate reporting unit and each country in its International outdoor segment constitutes a separate reporting unit. The Company had no impairment of goodwill for 2015 and 2014. The Company recognized a non-cash impairment charge to goodwill of \$10.7 million based on declining future cash flows expected in one country in the International outdoor segment for 2013.

Nonconsolidated Affiliates

In general, investments in which the Company owns 20 percent to 50 percent of the common stock or otherwise exercises significant influence over the investee are accounted for under the equity method. The Company does not recognize gains or losses upon the issuance of securities by any of its equity method investees. The Company reviews the value of equity method investments and records impairment charges in the statement of operations as a component of Equity in earnings (loss) of nonconsolidated affiliates for any decline in value that is determined to be other-than-temporary.

Other Investments

Other investments are composed primarily of equity securities. Securities for which fair value is determinable are classified as available-for-sale or trading and are carried at fair value based on quoted market prices. Securities are carried at historical cost when quoted market prices are unavailable. The net unrealized gains or losses on the available-for-sale securities, net of tax, are reported in accumulated other comprehensive loss as a component of shareholders' equity (deficit).

The Company periodically assesses the value of available-for-sale and non-marketable securities and records impairment charges in the statement of comprehensive loss for any decline in value that is determined to be other-than-temporary. The average cost method is used to compute the realized gains and losses on sales of equity securities. Based on these assessments, no impairments existed at December 31, 2015, 2014 and 2013.

Financial Instruments

Due to their short maturity, the carrying amounts of accounts and notes receivable, accounts payable, accrued liabilities and short-term borrowings approximated their fair values at December 31, 2015 and 2014.

Asset Retirement Obligation

ASC 410-20 requires the Company to estimate its obligation upon the termination or non-renewal of a lease to dismantle and remove its advertising structures from the leased land and to reclaim the site to its original condition. The Company's asset retirement obligation is reported in Other long-term liabilities. The Company records the present value of obligations associated with the retirement of its advertising structures in the period in which the obligation is

incurred. When the liability is recorded, the cost is capitalized as part of the related advertising structures carrying amount. Over time, accretion of the liability is recognized as an operating expense and the capitalized cost is depreciated over the expected useful life of the related asset.

Income Taxes

The Company accounts for income taxes using the liability method. Under this method, deferred tax assets and liabilities are determined based on differences between financial reporting bases and tax bases of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if the Company believes it is more likely than not that some portion or the entire asset will not be realized. Generally, all earnings from the Company's foreign operations are permanently reinvested and not distributed. The Company has not provided U.S. federal income taxes for temporary differences with respect to investments in foreign subsidiaries, which at December 31, 2015, currently result in tax basis amounts greater than the financial reporting basis. It is not apparent that these unrecognized deferred tax assets will reverse in the foreseeable future. If any excess cash held by our foreign subsidiaries were needed to fund operations in the United States, we could presently repatriate available funds without a requirement to accrue or pay U.S. taxes. This is a result of significant deficits, as calculated for tax law purposes, in our foreign earnings and profits, which gives us flexibility to make future cash distributions as non-taxable returns of capital. We regularly review our tax liabilities on amounts that may be distributed in future periods and provide for foreign withholding and other current and deferred taxes on any such amounts. The determination of the amount of federal income taxes, if any, that might become due in the event that our foreign earnings are distributed is not practicable.

The operations of the Company are included in a consolidated U.S. Federal income tax return filed by iHeartMedia. However, for financial reporting purposes, the Company's provision for income taxes has been computed on the basis that the Company files separate consolidated U.S. federal income tax returns with its subsidiaries.

Revenue Recognition

The Company's advertising contracts cover periods of a few weeks up to one year, and are generally billed monthly. Revenue for advertising space rental is recognized ratably over the term of the contract. Advertising revenue is reported net of agency commissions. Agency commissions are calculated based on a stated percentage applied to gross billing revenue for the Company's operations. Payments received in advance of being earned are recorded as deferred income. Revenue arrangements typically contain multiple products and services and revenues are allocated based on the relative fair value of each delivered item and recognized in accordance with the applicable revenue recognition criteria for the specific unit of accounting.

Advertising Expense

The Company records advertising expense as it is incurred. Advertising expenses were \$21.1 million, \$20.1 million and \$18.6 million for the years ended December 31, 2015, 2014 and 2013, respectively.

Share-Based Compensation

Under the fair value recognition provisions of ASC 718-10, share-based compensation cost is measured at the grant date based on the fair value of the award. For awards that vest based on service conditions, this cost is recognized as

expense on a straight-line basis over the vesting period. For awards that will vest based on market or performance conditions, this cost will be recognized when it becomes probable that the performance conditions will be satisfied. Determining the fair value of share-based awards at the grant date requires assumptions and judgments about expected volatility and forfeiture rates, among other factors.

Results of operations for foreign subsidiaries and foreign equity investees are translated into U.S. dollars using the average exchange rates during the year. The assets and liabilities of those subsidiaries and investees are translated into U.S. dollars using the exchange rates at the balance sheet date. New Accounting Pronouncements

During the first quarter of 2015, the Company adopted the Financial Accounting Standards Board's (FASB) ASU No. 2014-08, *Presentation of Financial Statements (Topic 205) and Property, Plant, and Equipment (Topic 360), Reporting Discontinued Operations and Disclosures of Disposals of Components of an Entity*. This update provides guidance for the recognition, measurement and disclosure of discontinued operations. The adoption of this guidance did not have a material effect on the Company's consolidated financial statements.

During the first quarter of 2015, the FASB issued ASU No. 2015-02, *Consolidation (Topic 810), Amendments to the Consolidation Analysis*. This new standard eliminates the deferral of FAS 167, which has allowed entities with interest in certain investment funds to follow the previous consolidation guidance in FIN 46(R), and makes other changes to both the variable interest model and the voting model. The standard is effective for annual periods, and for interim periods within those annual periods, beginning after December 15, 2015. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the second quarter of 2015, the FASB issued ASU No. 2015-03, *Interest-Imputation of Interest (Subtopic 835-30): Simplifying the Presentation of Debt Issuance Costs*. This update requires entities to present debt issuance costs related to a recognized debt liability as a direct deduction from the carrying amount of that direct debt liability. The standard is effective for annual periods, and for interim periods within those annual periods, beginning after December 15, 2015. The Company will adopt this standard in the first quarter of 2016.

During the third quarter of 2015, the FASB issued ASU 2015-14, *Revenue from Contracts with Customers (Topic 606): Deferral of the Effective Date*. This update provides a one-year deferral of the effective date for ASU No. 2014-09, *Revenue from Contracts with Customers*. ASU No. 2014-09 provides guidance for the recognition, measurement and disclosure of revenue resulting from contracts with customers and will supersede virtually all of the current revenue recognition guidance under U.S. GAAP. The standard is effective for the first interim period within annual reporting periods beginning after December 15, 2017. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the third quarter of 2015, the FASB issued ASU No. 2015-16, *Business Combinations (Topic 805): Simplifying the Accounting for Measurement-Period Adjustments*. This update eliminates the requirement for an acquirer in a business combination to account for measurement-period adjustments retrospectively. Instead, acquirers must recognize measurement-period adjustments during the period in which they determine the amounts, including the effect on earnings of any amounts they would have recorded in previous periods if the accounting had been completed

at the acquisition date. The standard is effective for fiscal years beginning after December 15, 2015, and interim periods within those fiscal years. The Company is currently evaluating the impact of the provisions of this new standard on its financial position and results of operations.

During the fourth quarter of 2015, the Company adopted FASB's ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. This update requires companies to classify all deferred tax assets

and liabilities as noncurrent on the balance sheet instead of separating deferred taxes into current and noncurrent amounts. The adoption of this guidance did not have a material effect on the Company's consolidated financial statements.

NOTE 2 PROPERTY, PLANT AND EQUIPMENT, INTANGIBLE ASSETS AND GOODWILL**Dispositions**

In the first quarter of 2016, Americas outdoor sold nine non-strategic outdoor markets including Cleveland and Columbus, Ohio, Des Moines, Iowa, Ft. Smith, Arkansas, Memphis, Tennessee, Portland, Oregon, Reno, Nevada, Seattle, Washington and Wichita, Kansas for approximately \$602 million in cash and certain advertising assets in Florida. As of December 31, 2015, eight of these disposals met the criteria to be classified as held-for-sale and as such, the related assets are separately presented on the face of the Consolidated Balance Sheet.

Property, Plant and Equipment

The Company's property, plant and equipment consisted of the following classes of assets as of December 31, 2015 and 2014, respectively.

<i>(In thousands)</i>	December 31, 2015	December 31, 2014

Property, plant and equipment, net	\$ 1,627,986	\$ 1,905,651

Indefinite-lived Intangible Assets

The Company's indefinite-lived intangible assets consist primarily of billboard permits. The Company's billboard permits are granted for the right to operate an advertising structure at the specified location as long as the structure is in compliance with the laws and regulations of each jurisdiction. The Company's permits are located on owned land, leased land or land for which we have acquired permanent easements. In cases where the Company's permits are located on leased land, the leases typically have initial terms of between 10 and 20 years and renew indefinitely, with rental payments generally escalating at an inflation-based index. If the Company loses its lease, the Company will

typically obtain permission to relocate the permit or bank it with the municipality for future use. Due to significant differences in both business practices and regulations, billboards in the International segment are subject to long-term, finite contracts unlike the Company's permits in the United States and Canada. Accordingly, there are no indefinite-lived intangible assets in the International segment.

Annual Impairment Test to Billboard Permits

Historically, the Company performed its annual impairment test on indefinite-lived intangible assets as of October 1 of each year. Beginning in the third quarter of 2015, the Company began performing its annual impairment test on July 1 of each year.

Table of Contents

CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

The impairment tests for indefinite-lived intangible assets consist of a comparison between the fair value of the indefinite-lived intangible asset at the market level with its carrying amount. If the carrying amount of the indefinite-lived intangible asset exceeds its fair value, an impairment loss is recognized equal to that excess. After an impairment loss is recognized, the adjusted carrying amount of the indefinite-lived asset is its new accounting basis. The fair value of the indefinite-lived asset is determined using the direct valuation method as prescribed in ASC 805-20-S99. Under the direct valuation method, the fair value of the indefinite-lived assets is calculated at the market level as prescribed by ASC 350-30-35. The Company engaged Corporate Valuation Consulting LLC (formerly a Mesirow Financial Consulting Practice), a third-party valuation firm, to assist it in the development of the assumptions and the Company's determination of the fair value of its indefinite-lived intangible assets.

The application of the direct valuation method attempts to isolate the income that is properly attributable to the indefinite-lived intangible asset alone (that is, apart from tangible and identified intangible assets and goodwill). It is based upon modeling a hypothetical greenfield build-up to a normalized enterprise that, by design, lacks inherent goodwill and whose only other assets have essentially been paid for (or added) as part of the build-up process. The Company forecasts revenue, expenses and cash flows over a ten-year period for each of its markets in its application of the direct valuation method. The Company also calculates a normalized residual year which represents the perpetual cash flows of each market. The residual year cash flow was capitalized to arrive at the terminal value of the permits in each market.

Under the direct valuation method, it is assumed that rather than acquiring indefinite-lived intangible assets as part of a going concern business, the buyer hypothetically develops indefinite-lived intangible assets and builds a new operation with similar attributes from scratch. Thus, the buyer incurs start-up costs during the build-up phase which are normally associated with going concern value. Initial capital costs are deducted from the discounted cash flow model which results in value that is directly attributable to the indefinite-lived intangible assets.

The key assumptions using the direct valuation method are market revenue growth rates, market share, profit margin, duration and profile of the build-up period, estimated start-up capital costs and losses incurred during the build-up period, the risk-adjusted discount rate and terminal values. This data is populated using industry normalized information representing an average billboard permit within a market.

During 2015, the Company recognized an impairment charge of \$21.6 million related to billboard permits in one market.

Other Intangible Assets

Other intangible assets include definite-lived intangible assets and permanent easements. The Company's definite-lived intangible assets consist primarily of transit and street furniture contracts, site-leases and other contractual rights, all of which are amortized over the shorter of either the respective lives of the agreements or over the period of time the assets are expected to contribute directly or indirectly to the Company's future cash flows. Permanent easements are indefinite-lived intangible assets which include certain rights to use real property not owned by the Company. The Company periodically reviews the appropriateness of the amortization periods related to its definite-lived intangible assets. These assets are recorded at cost.

As acquisitions and dispositions occur in the future, amortization expense may vary. The following table presents the Company's estimate of amortization expense for each of the five succeeding fiscal years for definite-lived intangible assets:

Annual Impairment Test to Goodwill

Historically, the Company performed its annual impairment test on goodwill as of October 1 of each year. Beginning in the third quarter of 2015, the Company began performing its annual impairment test on July 1 of each year.

Each of the Company's advertising markets are components. The U.S. advertising markets are aggregated into a single reporting unit for purposes of the goodwill impairment test using the guidance in ASC 350-20-55. The Company also determined that within its Americas segment, Canada constitutes a separate reporting unit and each country in its International segment constitutes a separate reporting unit.

The goodwill impairment test is a two-step process. The first step, used to screen for potential impairment, compares the fair value of the reporting unit with its carrying amount, including goodwill. If applicable, the second step, used to

measure the amount of the impairment loss, compares the implied fair value of the reporting unit goodwill with the carrying amount of that goodwill.

Each of the Company's reporting units is valued using a discounted cash flow model which requires estimating future cash flows expected to be generated from the reporting unit, discounted to their present value using a risk-adjusted discount rate. Terminal values were also estimated and discounted to their present value. Assessing the recoverability of goodwill requires the Company to make estimates and assumptions about sales, operating margins, growth rates and discount rates based on its budgets, business plans, economic projections, anticipated future cash flows and marketplace data. There are inherent uncertainties related to these factors and management's judgment in applying these factors.

Table of Contents**CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (Continued)****NOTE 4 ASSET RETIREMENT OBLIGATION**

The Company's asset retirement obligation is reported in Other long-term liabilities with the current portion recorded in Accrued liabilities and relates to its obligation to dismantle and remove outdoor advertising displays from leased land and to reclaim the site to its original condition upon the termination or non-renewal of a lease or contract. When the liability is recorded, the cost is capitalized as part of the related long-lived assets carrying value. Due to the high rate of lease renewals over a long period of time, the calculation assumes that all related assets will be removed at some point over the next 50 years. An estimate of third-party cost information is used with respect to the dismantling of the structures and the reclamation of the site. The interest rate used to calculate the present value of such costs over the retirement period is based on an estimated risk adjusted credit rate for the same period.

The following table presents the activity related to the Company's asset retirement obligation:

NOTE 6 COMMITMENTS AND CONTINGENCIES

Commitments and Contingencies

The Company accounts for its rentals that include renewal options, annual rent escalation clauses, minimum franchise payments and maintenance related to displays under the guidance in ASC 840.

The Company considers its non-cancelable contracts that enable it to display advertising on buses, bus shelters, trains, etc. to be leases in accordance with the guidance in ASC 840-10. These contracts may contain minimum annual franchise payments which generally escalate each year. The Company accounts for these minimum franchise payments on a straight-line basis. If the rental increases are not scheduled in the lease, such as an increase based on subsequent changes in the index or rate, those rents are considered contingent rentals and are recorded as expense when accruable. Other contracts may contain a variable rent component based on revenue. The Company accounts for these variable components as contingent rentals and records these payments as expense when accruable. No single contract or lease is material to the Company's operations.

The Company accounts for annual rent escalation clauses included in the lease term on a straight-line basis under the guidance in ASC 840-20-25. The Company considers renewal periods in determining its lease terms if at inception of the lease there is reasonable assurance the lease will be renewed. Expenditures for maintenance are charged to operations as incurred, whereas expenditures for renewal and betterments are capitalized.

The Company leases office space, equipment and the majority of the land occupied by its advertising structures under long-term operating leases. The Company accounts for these leases in accordance with the policies described above.

The Company's contracts with municipal bodies or private companies relating to street furniture, billboards, transit and malls generally require the Company to build bus stops, kiosks and other public amenities or advertising structures during the term of the contract. The Company owns these structures and is generally allowed to advertise on them for the remaining term of the contract. Once the Company has built the structure, the cost is capitalized and expensed over the shorter of the economic life of the asset or the remaining life of the contract.

In addition, the Company has commitments relating to required purchases of property, plant, and equipment under certain street furniture contracts. Certain of the Company's contracts contain penalties for not fulfilling its commitments related to its obligations to build bus stops, kiosks and other public amenities or advertising structures. Historically, any such penalties have not materially impacted the Company's financial position or results of operations.

Certain acquisition agreements include deferred consideration payments based on performance requirements by the seller, typically involving the completion of a development or obtaining appropriate permits that enable the Company to construct additional advertising displays. At December 31, 2015, the Company believes its maximum aggregate contingency, which is subject to performance requirements by the seller, is approximately \$30.0 million. As the contingencies have not been met or resolved as of December 31, 2015, these amounts are not recorded.

As of December 31, 2015, the Company's future minimum rental commitments under non-cancelable operating lease agreements with terms in excess of one year, minimum payments under non-cancelable contracts in excess of one year, capital expenditure commitments and employment contracts consist of the following:

Rent expense charged to operations for the years ended December 31, 2015, 2014 and 2013 was \$978.6 million, \$1,025.3 million and \$1,017.0 million, respectively.

In various areas in which the Company operates, outdoor advertising is the object of restrictive and, in some cases, prohibitive zoning and other regulatory provisions, either enacted or proposed. The impact to the Company of loss of displays due to governmental action has been somewhat mitigated by Federal and state laws mandating compensation for such loss and constitutional restraints.

The Company and its subsidiaries are involved in certain legal proceedings arising in the ordinary course of business and, as required, have accrued an estimate of the probable costs for the resolution of those claims for which the occurrence of loss is probable and the amount can be reasonably estimated. These estimates have been developed in consultation with counsel and are based upon an analysis of potential results, assuming a combination of litigation and settlement strategies. It is possible, however, that future results of operations for any particular period could be materially affected by changes in the Company's assumptions or the effectiveness of its strategies related to these proceedings. Additionally, due to the inherent uncertainty of litigation, there can be no assurance that the resolution of any particular claim or proceeding would not have a material adverse effect on the Company's financial condition or results of operations.

Although the Company is involved in a variety of legal proceedings in the ordinary course of business, a large portion of its litigation arises in the following contexts: commercial disputes; misappropriation of likeness and right of publicity claims; employment and benefits related claims; governmental fines; intellectual property claims; and tax disputes.

The Company records net amounts due from or to iHeartCommunications as Due from/to iHeartCommunications on the consolidated balance sheets. The accounts represent the revolving promissory note issued by the Company to iHeartCommunications and the revolving promissory note issued by iHeartCommunications to the Company in the face amount of \$1.0 billion, or if more or less than such amount, the aggregate unpaid principal amount of all advances. The accounts accrue interest pursuant to the terms of the promissory notes and are generally payable on demand or when they mature on December 15, 2017.

Included in the accounts are the net activities resulting from day-to-day cash management services provided by iHeartCommunications. As a part of these services, the Company maintains collection bank accounts swept daily into accounts of iHeartCommunications (after satisfying the funding requirements of the Trustee Accounts under the CCWH Senior Notes and the CCWH Subordinated Notes). In return, iHeartCommunications funds the Company's controlled disbursement accounts as checks or electronic payments are presented for payment. The Company's claim in relation to cash transferred from its concentration account is on an unsecured basis and is limited to the balance of the Due from iHeartCommunications account.

As of December 31, 2015 and December 31, 2014, the asset recorded in Due from iHeartCommunications on the consolidated balance sheet was \$930.8 million and \$947.8 million, respectively. As of December 31, 2015, the fixed interest rate on the Due from iHeartCommunications account was 6.5%, which is equal to the fixed interest rate on the CCWH Senior Notes. The net interest income for the years ended December 31, 2015, 2014 and 2013 was \$61.4 million, \$60.2 million, and \$54.2 million, respectively.

The Company provides advertising space on its billboards for radio stations owned by iHeartCommunications. For the years ended December 31, 2015, 2014 and 2013, the Company recorded \$2.7 million, \$3.4 million, and \$2.5 million, respectively, in revenue for these advertisements.

Under the Corporate Services Agreement between iHeartCommunications and the Company, iHeartCommunications provides management services to the Company, which include, among other things: (i) treasury, payroll and other financial related services; (ii) certain executive officer services; (iii) human resources and employee benefits services; (iv) legal and related services; (v) information systems, network and related services; (vi) investment services; (vii) procurement and sourcing support services; and (viii) other general corporate services. These services are charged to the Company based on actual direct costs incurred or allocated by iHeartCommunications based on headcount, revenue or other factors on a pro rata basis. For the years ended December 31, 2015, 2014 and 2013, the Company recorded \$30.1 million, \$31.2 million, and \$35.4 million, respectively, as a component of corporate expenses for these services.

Pursuant to the Tax Matters Agreement between iHeartCommunications and the Company, the operations of the Company are included in a consolidated federal income tax return filed by iHeartCommunications. The Company's provision for income taxes has been computed on the basis that the Company files separate consolidated federal income tax returns with its subsidiaries. Tax payments are made to iHeartCommunications on the basis of the Company's separate taxable income. Tax benefits recognized on the Company's employee stock option exercises are

retained by the Company.

The Company computes its deferred income tax provision using the liability method in accordance with the provisions of ASC 740-10, as if the Company was a separate taxpayer. Deferred tax assets and liabilities are determined based on differences between financial reporting basis and tax basis of assets and liabilities and are measured using the enacted tax rates expected to apply to taxable income in the periods in which the deferred tax asset or liability is expected to be realized or settled. Deferred tax assets are reduced by valuation allowances if the Company believes it is more likely than not some portion or all of the asset will not be realized.

Pursuant to the Employee Matters Agreement, the Company's employees participate in iHeartCommunications employee benefit plans, including employee medical insurance and a 401(k) retirement benefit plan. For the years ended December 31, 2015, 2014 and 2013, the Company recorded \$10.7 million, \$10.7 million and \$10.5 million, respectively, as a component of selling, general and administrative expenses for these services.

Stock Purchases

On August 9, 2010, iHeartCommunications announced that its board of directors approved a stock purchase program under which iHeartCommunications or its subsidiaries may purchase up to an aggregate of \$100 million of the Company's Class A common stock and/or the Class A common stock of iHeartMedia, Inc. (iHeartMedia). The stock purchase program did not have a fixed expiration date and could be modified, suspended or terminated at any time at iHeartCommunications' discretion. As of December 31, 2014, an aggregate \$34.2 million was available under this program. In January 2015, CC Finco, LLC (CC Finco), an indirect wholly-owned subsidiary of iHeartCommunications, purchased an additional 2,000,000 shares of the Company's Class A common stock for \$20.4 million. On April 2, 2015, CC Finco purchased an additional 2,172,946 shares of the Company's Class A common stock for \$22.2 million, increasing iHeartCommunications' collective holdings to represent slightly more than 90% of the outstanding shares of the Company's common stock on a fully-diluted basis, assuming the conversion of all of the Company's Class B common stock into Class A common stock. As a result of this purchase, the stock purchase program concluded. The purchase of shares in excess of the amount available under the stock purchase program was separately approved by the iHeartCommunications' board of directors.

NOTE 8 INCOME TAXES

The operations of the Company are included in a consolidated U.S. federal income tax return filed by iHeartMedia. However, for financial reporting purposes, the Company's provision for income taxes has been computed on the basis that the Company files separate consolidated U.S. federal income tax returns with its subsidiaries.

Significant components of the provision for income tax benefit (expense) are as follows:

For the year ended December 31, 2015 the Company recorded current tax expense of \$46.6 million as compared to \$24.8 million for the 2014 year. The change in current tax was due primarily to a reduction in unrecognized tax benefits during 2014, which resulted from the expiration of statutes of limitations to assess taxes in the

United Kingdom and several state jurisdictions. This decrease in unrecognized tax benefits resulted in a reduction to current tax expense of \$21.8 million during 2014.

For the year ended December 31, 2014 the Company recorded current tax expense of \$24.8 million as compared to \$46.0 million for the 2013 year. The change in current tax was due primarily to a reduction in unrecognized tax benefits during 2014, which resulted from the expiration of statutes of limitations to assess taxes in the United Kingdom and several state jurisdictions. This decrease in unrecognized tax benefits resulted in a reduction to current tax expense of \$21.8 million during 2014.

Deferred tax expense of \$3.5 million was recorded for 2015 compared with a deferred tax benefit of \$33.6 million for 2014. The change in deferred tax is primarily due to the valuation allowance of \$32.9 million recorded against the Company's current period federal and state net operating losses during 2015.

Deferred tax benefits increased \$2.4 million for the year ended December 31, 2014 compared to 2013, primarily due to an increase in federal and state losses in 2014.

Significant components of the Company's deferred tax liabilities and assets as of December 31, 2015 and 2014 are as follows:

<i>(In thousands)</i>	December 31, 2015	December 31, 2014
Deferred tax liabilities:

Net deferred tax liabilities	\$ 608,910	\$ 604,416

During the fourth quarter of 2015, the Company elected early adoption of ASU No. 2015-17, *Income Taxes (Topic 740), Balance Sheet Classification of Deferred Taxes*. This update requires companies to classify all deferred tax assets and liabilities as noncurrent on the balance sheet instead of separating deferred taxes into current and noncurrent amounts.

The deferred tax liabilities associated with intangibles and fixed assets primarily relates to the difference in book and tax basis of acquired billboard permits and tax deductible goodwill created from the Company's various stock acquisitions. In accordance with ASC 350-10, Intangibles—Goodwill and Other, the Company does not amortize its book basis in permits. As a result, this deferred tax liability will not reverse over time unless the Company recognizes future impairment charges related to its permits and tax deductible goodwill or sells its permits. As the Company continues to amortize its tax basis in its permits and tax deductible goodwill, the

Table of Contents**CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**

deferred tax liability will increase over time. The Company's net foreign deferred tax liabilities were \$6.4 million and \$10.7 million for the periods ended December 31, 2015 and 2014, respectively.

At December 31, 2015, the Company had recorded deferred tax assets for net operating loss carryforwards (tax effected) for federal and state income tax purposes of \$337.5 million, which expire in various amounts through 2035. The Company expects to realize the benefits of a portion of its deferred tax assets attributable to federal and state net operating losses based upon expected future taxable income from deferred tax liabilities that reverse in the relevant federal and state jurisdictions and carryforward periods. As of December 31, 2015, the Company has recorded a partial valuation allowance of \$32.9 million against these deferred tax assets attributable to federal and state net operating losses. In addition, the Company recorded \$8.8 million in additional valuation allowance against its foreign deferred tax assets during the year ended December 31, 2015, the effects of which are included in foreign tax expense. At December 31, 2015, the Company had recorded \$134.7 million (tax-effected) of deferred tax assets for foreign net operating losses, which are offset in part by an associated valuation allowance of \$132.1 million. The remaining deferred tax valuation allowance of \$20.1 million offsets other foreign deferred tax assets that are not expected to be realized. Realization of these foreign deferred tax assets is dependent upon the Company's ability to generate future taxable income in appropriate tax jurisdictions to obtain benefits. Due to the Company's evaluation of all available evidence, including significant negative evidence of cumulative losses in these jurisdictions, the Company continues to record valuation allowances on the foreign deferred tax assets that are not expected to be realized. The Company expects to realize its remaining gross deferred tax assets based upon its assessment of deferred tax liabilities that will reverse in the same carryforward period and jurisdiction and are of the same character as the net operating loss carryforwards and temporary differences that give rise to the deferred tax assets. Any deferred tax liabilities associated with billboard permits and tax deductible goodwill intangible assets are not relied upon as a source of future taxable income, as these intangible assets have an indefinite life.

At December 31, 2015 and 2014, net deferred tax assets include a deferred tax asset of \$16.4 million and \$16.2 million, respectively, relating to stock-based compensation expense under ASC 718-10, *Compensation Stock Compensation*. Full realization of this deferred tax asset requires stock options to be exercised at a price equaling or exceeding the sum of the grant price plus the fair value of the option at the grant date and restricted stock to vest at a price equaling or exceeding the fair market value at the grant date. Accordingly, there can be no assurance that the stock price of the Company's Common Stock will rise to levels sufficient to realize the entire deferred tax benefit currently reflected in our balance sheet. See Note 10 for additional discussion of ASC 718-10.

During 2015, the Company recorded tax expense of approximately \$50.2 million. The 2015 income tax expense and (237.5%) effective tax rate were impacted primarily by a \$32.9 million valuation allowance recorded against the Company's current period federal and state net operating losses during 2015. Additionally, the Company recorded additional taxes due to the inability to benefit from losses in certain foreign jurisdictions. Foreign income before income taxes was approximately \$48.5 million for 2015, and it should be noted that with limited exceptions, tax rates in our foreign jurisdictions are lower than that of the U.S. federal statutory rate.

During 2014, the Company recorded tax benefits of approximately \$8.8 million. The 2014 income tax benefit and (105.5%) effective tax rate were impacted primarily by the Company's benefits and charges from tax amounts associated with its foreign earnings that are taxed at rates different from the federal statutory rate and an inability to benefit from losses in certain foreign jurisdictions. Additionally, the Company recorded \$20.0 million in net tax benefits associated with a decrease in unrecognized tax benefits resulting from the expiration of statutes of limitations to assess taxes in the United Kingdom and several state jurisdictions. Foreign income before income taxes was approximately \$95.5 million for 2014, and it should be noted that with limited exceptions, tax rates in our foreign jurisdictions are lower than that of the U.S. federal statutory rate.

During 2013, the Company recorded tax expense of approximately \$14.8 million. The 2013 income tax expense and (155.6%) effective tax rate were impacted primarily by the Company's benefits and charges from tax amounts associated with its foreign earnings that are taxed at rates different from the federal statutory rate and an inability to benefit from losses in certain foreign jurisdictions. In addition the Company recorded additional foreign deferred tax expense of \$3.4 million on certain foreign earnings that are expected to be distributed in future periods from its Asia subsidiaries on which foreign withholding and other taxes have not previously been provided. Foreign income before income taxes was approximately \$47.5 million for 2013.

The Company provides for any related tax liability on undistributed earnings that the Company does not intend to be indefinitely reinvested outside the United States or would otherwise become taxable upon remittance within our foreign structure. Substantially all of the Company's undistributed international earnings are intended to be indefinitely reinvested in home country operations outside the United States. If any excess cash held by our foreign subsidiaries were needed to fund operations in the U.S., we could presently repatriate available funds without a requirement to accrue or pay U.S. taxes. This is a result of significant deficits, as calculated for tax law purposes, in our foreign earnings and profits, which give us flexibility to make future cash distributions as non-taxable returns of capital. All tax liabilities owed by the Company are paid either by the Company or on behalf of the Company by iHeartCommunications through an operating account that represents net amounts due to or from iHeartCommunications.

The Company continues to record interest and penalties related to unrecognized tax benefits in current income tax expense. The total amount of interest accrued at December 31, 2015 and 2014, was \$3.6 million and \$3.2 million, respectively. The total amount of unrecognized tax benefits and accrued interest and penalties at December 31, 2015 and 2014, was \$43.5 million and \$42.4 million, respectively, of which \$23.8 million and \$25.3 million is included in Other long-term liabilities. In addition, \$19.7 million and \$17.0 million of unrecognized tax benefits are recorded net with the Company's deferred tax assets for its net operating losses as opposed to being recorded in Other long-term liabilities at December 31, 2015 and 2014, respectively. The total amount of unrecognized tax benefits at

December 31, 2015 and 2014 that, if recognized, would impact the effective income tax rate is \$18.2 million and \$24.7 million, respectively.

Share-Based Awards***Stock Options***

The Company has granted options to purchase shares of its Class A common stock to certain employees and directors of the Company and its affiliates under its equity incentive plan at no less than the fair value of the underlying stock

on the date of grant. These options are granted for a term not exceeding ten years and are forfeited, except in certain circumstances, in the event the employee or director terminates his or her employment or relationship with the Company or one of its affiliates. These options vest solely on continued service over a period of up to five years. The equity incentive plan contains anti-dilutive provisions that permit an adjustment for any change in capitalization.

The Company accounts for its share-based payments using the fair value recognition provisions of ASC 718-10. The fair value of the options is estimated using a Black-Scholes option-pricing model and amortized straight-line to expense over the vesting period. ASC 718-10 requires the cash flows from the tax benefits resulting from tax deductions in excess of the compensation cost recognized for those options (excess tax benefits) to be classified

Table of Contents**CLEAR CHANNEL OUTDOOR HOLDINGS, INC. AND SUBSIDIARIES****NOTES TO CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**

as financing cash flows. The excess tax benefit that is required to be classified as a financing cash inflow after application of ASC 718-10 is not material.

The fair value of each option awarded is estimated on the date of grant using a Black-Scholes option-pricing model. Expected volatilities are based on historical volatility of the Company's stock over the expected life of the options. The expected life of options granted represents the period of time that options granted are expected to be outstanding. The Company uses historical data to estimate option exercise and employee terminations within the valuation model. The Company includes estimated forfeitures in its compensation cost and updates the estimated forfeiture rate through the final vesting date of awards. The risk free interest rate is based on the U.S. Treasury yield curve in effect at the time of grant for periods equal to the expected life of the option. The following assumptions were used to calculate the fair value of the Company's options on the date of grant:

	Years Ended December 31,

Expected volatility	37%	56%	54%	56%	55%	56%

The restricted stock units represent the right to receive shares upon vesting, which is generally over a period of up to five years. Both restricted stock awards and restricted stock units are forfeited, except in certain circumstances, in the event the employee terminates his or her employment or relationship with the Company prior to the lapse of the restriction.
