PRELIMINARY SUBJECT TO COMPLETION DATED JUNE 6, 2016

MERGER PROPOSED YOUR VOTE IS VERY IMPORTANT

The boards of directors of Cousins Properties Incorporated, a Georgia corporation (which we refer to as Cousins), and Parkway Properties, Inc., a Maryland corporation (which we refer to as Parkway), have each approved an agreement and plan of merger, dated as of April 28, 2016 (which we refer to, as amended from time to time, as the Merger Agreement), by and among Parkway, Parkway Properties LP, Cousins and Clinic Sub Inc., a wholly owned subsidiary of Cousins. Pursuant to the Merger Agreement, Cousins and Parkway will combine through a stock-for-stock merger (which we refer to as the Merger), followed by a spin-off of the Houston-based assets of both companies (which we refer to as the Houston Business) into a new publicly traded real estate investment trust (which we refer to as a REIT), called Parkway, Inc. (which we refer to as New Parkway). The transactions will create two independent and internally managed office REITs. Following the Merger and spin-off, assuming certain asset sales are consummated in accordance with the Merger Agreement, Cousins portfolio is expected to encompass 41 properties, comprising 18.4 million square feet of rentable space in Atlanta, Georgia; Austin, Texas; Charlotte, North Carolina; Phoenix, Arizona; and Orlando and Tampa, Florida. New Parkway s portfolio is expected to contain five Class A office properties encompassing 8.7 million rentable square feet in the Galleria, Greenway and Westchase submarkets of Houston, Texas.

The combination of Cousins and Parkway will be accomplished through the Merger of Parkway into Clinic Sub Inc., a wholly owned subsidiary of Cousins, which will continue as the surviving corporation of the Merger. In connection with the Merger, each Parkway common stockholder will have the right to receive 1.63 newly issued shares of Cousins common stock, par value \$1 per share, for each share of Parkway common stock, par value \$.001 per share, that they own immediately prior to the effective time of the Merger (which we refer to as the exchange ratio). The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to the closing of the Merger. Cousins common stock and Parkway common stock are each traded on the New York Stock Exchange (which we refer to as the NYSE) under the ticker symbols CUZ and PKY, respectively. Based on the closing price of Cousins common stock on the NYSE of \$10.71 on April 28, 2016, the last trading day before public announcement of the proposed transactions, the exchange ratio represented approximately \$17.46 in Cousins common stock for each share of Parkway common stock. Based on the closing price of Cousins common stock on the NYSE of \$10.79 on June 3, 2016, the latest practicable date before the date of this joint proxy statement/prospectus, the exchange ratio represented approximately \$17.59 in Cousins common stock for each share of Parkway common stock. **The value of the consideration will fluctuate with changes in the market price of Cousins common stock. We urge you to obtain current market quotations of Cousins common stock and Parkway common stock.**

On the business day following the effective time of the Merger, Cousins will effect a reorganization, on the terms and subject to the conditions of the Merger Agreement, pursuant to which Cousins will, among other things, separate the Houston Business from the remainder of the combined businesses (which we refer to as the Separation). In addition, on the business day following the effective time of the Merger, Cousins will distribute pro rata to its stockholders all of the outstanding shares of common stock and limited voting stock of New Parkway, which will contain the Houston Business (which we refer to as the Spin-Off). Cousins (or a subsidiary of Cousins) will retain all of the shares of a class of nonvoting preferred stock of New Parkway, subject to the terms and conditions of the Merger Agreement. In the Spin-Off, each holder of Cousins common stock and Parkway common stock immediately prior to the effective time of the Merger will each receive one share of New Parkway common stock for each share of Cousins common stock they own immediately following the effective time of the Merger, meaning that holders of Parkway common stock will receive 1.63 shares of New Parkway common stock for each share of Parkway common stock that they own immediately prior to the effective time of the Merger.

New Parkway will file a registration statement on Form 10 with the Securities and Exchange Commission registering shares of common stock of New Parkway. The Form 10 is not incorporated by reference into this joint proxy statement/prospectus.

Table of Contents

Pursuant to the Merger Agreement, Cousins and Parkway will reorganize the combined businesses through a series of transactions (which we refer to as the UPREIT Reorganization) such that, after the completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, both Cousins and New Parkway will operate as umbrella real estate investment trusts (which we refer to as UPREITs). This means that substantially all of the properties of each company will be held through an operating partnership at each company. Parkway currently operates as an UPREIT, through its operating partnership, Parkway Properties LP, a Delaware limited partnership (which we refer to as Parkway LP).

In addition, each limited partner of Parkway LP will continue to be entitled, prior to the effective time of the Merger, to redeem or exchange its partnership interests in Parkway LP for shares of Parkway common stock pursuant to the terms of the second amended and restated partnership agreement of Parkway LP, as amended. If partnership interests are so redeemed or exchanged prior to the effective time of the Merger, the shares of Parkway common stock will in turn be converted into the right to receive a number of newly issued shares of Cousins common stock in the Merger equal to the exchange ratio, upon the terms and subject to the conditions of the Merger Agreement. Each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

In addition, in connection with the Merger, each share of Parkway limited voting stock, par value \$.001 per share, will be converted into the right to receive 1.63 newly issued shares of Cousins limited voting preferred stock, par value \$1 per share, having terms materially unchanged from the terms of the Parkway limited voting stock. Moreover, in connection with the Spin-Off, holders of Parkway limited voting stock will receive one share of New Parkway limited voting stock for each share of Cousins limited voting preferred stock that they own immediately following the effective time of the Merger, meaning that holders of Parkway limited voting stock will receive 1.63 shares of New Parkway limited voting stock for each share of Parkway limited voting stock that they own immediately prior to the effective time of the Merger.

Based upon the number of outstanding shares on the record date of [], 2016 for the Cousins special meeting and [], 2016 for the Parkway special meeting, we anticipate that Cousins will issue [] shares of common stock and [] shares of limited voting preferred stock in connection with the Merger, and will reserve approximately [] shares of common stock for issuance in respect of Parkway equity awards that Cousins will assume in connection with the Merger.

Upon completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, we estimate that legacy Cousins common stockholders will own approximately 52% of the common stock of each of Cousins and New Parkway and legacy Parkway common stockholders will own approximately 48% of the common stock of each of Cousins and New Parkway. Legacy holders of Parkway limited voting stock will own 100% of each of the Cousins limited voting preferred stock and the New Parkway limited voting stock.

Holders of voting stock of Cousins and Parkway do not need to take any action at the Cousins or Parkway special meeting relating to the Separation, the UPREIT Reorganization or the Spin-Off. The Separation, the UPREIT Reorganization and the Spin-Off will only occur if the Merger is completed.

Cousins and Parkway will each hold special meetings of their respective stockholders on [], 2016 in connection with the Merger and related transactions.

At the special meeting of Cousins, Cousins stockholders will be asked to consider and vote on (i) a proposal to approve the issuance of Cousins common stock to Parkway stockholders in the Merger pursuant to the Merger

Agreement (which we refer to as the Cousins Issuance Proposal), (ii) a proposal to amend the Restated and Amended Articles of Incorporation of Cousins, effective as of the Merger, to increase the number of authorized shares of Cousins common stock (which we refer to as the Cousins Articles Amendment Proposal) and (iii) a proposal to approve the adjournment of the Cousins special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal if

Table of Contents

there are insufficient votes at the time of such adjournment to approve such proposals (which we refer to as the Cousins Adjournment Proposal).

At the special meeting of Parkway stockholders, Parkway stockholders will be asked to consider and vote on (i) a proposal to approve the Merger Agreement and the transactions contemplated thereby, including the Merger (which we refer to as the Parkway Merger Proposal), (ii) a proposal to approve, by advisory (nonbinding) vote, the compensation that may be paid or become payable to the named executive officers of Parkway in connection with the Merger (which we refer to as the Parkway Compensation Proposal) and (iii) a proposal to approve the adjournment of the Parkway special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Parkway Merger Proposal, if there are insufficient votes at the time of such adjournment to approve the Parkway Merger Proposal (which we refer to as the Parkway Adjournment Proposal). Holders of Parkway common stock are entitled to vote on the Parkway Merger Proposal, the Parkway Compensation Proposal and the Parkway Adjournment Proposal and holders of Parkway limited voting stock are entitled to vote only on the Parkway Merger Proposal.

Your vote is very important, regardless of the number of shares you own. The record dates for determining the stockholders entitled to receive notice of, and to vote at, the special meetings are [], 2016, with respect to the Cousins special meeting, and [], 2016, with respect to the Parkway special meeting. The Merger cannot be completed without the approval of both Cousins stockholders and Parkway stockholders. We urge you to read this joint proxy statement/prospectus carefully. The obligations of Cousins and Parkway to complete the Merger are subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement. More information about Cousins, Parkway, the special meetings, the Merger Agreement and the transactions contemplated thereby, including the Merger, the Separation, the UPREIT Reorganization, and the Spin-Off, is included in this joint proxy statement/prospectus. **You should also consider carefully the risks that are described in the Risk Factors section, beginning on page 40.**

Whether or not you plan to attend the Cousins special meeting or the Parkway special meeting, please submit your proxy as soon as possible to make sure that your shares of Cousins common stock, Parkway common stock or Parkway limited voting stock are represented at the applicable meeting.

The Cousins board of directors recommends that Cousins stockholders vote FOR the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, which approval is necessary to complete the Merger.

The Parkway board of directors recommends that Parkway stockholders vote FOR the Parkway Merger Proposal, which approval is necessary to complete the Merger, and FOR the Parkway Compensation Proposal.

We join our respective boards in their recommendation and look forward to the successful combination of Cousins and Parkway.

Sincerely,

Sincerely,

QUESTIONS AND ANSWERS

The following are answers to some questions that you, as a stockholder of Cousins Properties Incorporated, a Georgia corporation (which we refer to as Cousins), or a stockholder of Parkway Properties, Inc., a Maryland corporation (which we refer to as Parkway), may have regarding the proposed transactions between Cousins and Parkway and the other matters being considered at the special meeting of Cousins and at the special meeting of Parkway. Cousins and Parkway urge you to carefully read this joint proxy statement/prospectus because the information in this section does not provide all the information that might be important to you with respect to the Merger and the other matters being considered at the special meetings. Additional important information is also contained in the annexes to and the documents incorporated by reference into this joint proxy statement/prospectus.

Q: What is the Merger?

A: Cousins and Parkway have agreed to a series of transactions, pursuant to the terms of an agreement and plan of merger, dated as of April 28, 2016 (which we refer to, as amended from time to time, as the Merger Agreement), by and among Cousins, Parkway, Parkway Properties LP, a Delaware limited partnership (which we refer to as Parkway LP) and Clinic Sub Inc., a Maryland corporation (which we refer to as Merger Sub). Merger Sub is a wholly owned subsidiary of Cousins. A copy of the Merger Agreement is attached as Annex A to this joint proxy statement/prospectus.

Pursuant to the Merger Agreement, Parkway will merge with and into Merger Sub, with Merger Sub continuing its existence as a wholly owned subsidiary of Cousins (which we refer to as the Merger).

In connection with the Merger, each Parkway common stockholder will have the right to receive 1.63 newly issued shares of Cousins common stock, par value \$1 per share (which we refer to, both before and after giving effect to the Merger and other transactions contemplated thereby as Cousins common stock) for each share of Parkway common stock, par value \$.001 per share (which we refer to as Parkway common stock), that they own immediately prior to the effective time of the Merger (which we refer to as the exchange ratio). The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to the closing of the Merger.

Furthermore, in connection with the Merger, each share of Parkway limited voting stock, par value \$.001 per share (which we refer to as Parkway limited voting stock) and, collectively with the Parkway common stock, the Parkway common and limited voting stock), will be converted into 1.63 newly issued shares of Cousins limited voting preferred stock, par value \$1 per share (which we refer to as Cousins limited voting preferred stock), having terms materially unchanged from the terms of the Parkway limited voting stock.

In addition, each limited partner of Parkway LP will continue to be entitled, prior to the effective time of the Merger, to redeem or exchange its partnership interests in Parkway LP for shares of Parkway common stock, pursuant to the terms of the second amended and restated partnership agreement of Parkway LP, which will be amended pursuant to the terms of the Merger Agreement (which we refer to, as amended from time to time, as the Parkway Partnership Agreement). If partnership interests are so redeemed or exchanged prior to the effective

time of the Merger, the shares of Parkway common stock will in turn be converted into the right to receive a number of newly issued shares of Cousins common stock in the Merger equal to the exchange ratio, upon the terms and subject to the conditions of the Merger Agreement. Each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

Table of Contents

Q: What is the Separation?

A: Immediately following the effective time of the Merger, Cousins will effect a reorganization, on the terms and subject to the conditions of the Merger Agreement, pursuant to which Cousins will separate certain of its assets relating to the ownership of real properties in Houston, Texas (which we refer to as the Houston Business) from the remainder of its business (which we refer to as the Separation) and transfer such assets to a new real estate investment trust (which we refer to as a REIT), called Parkway, Inc. (which we refer to as New Parkway in this joint proxy statement/prospectus or HoustonCo in the annexes attached hereto).

Q: What is the UPREIT Reorganization?

A: In connection with the Merger and the Separation, Cousins and Parkway will reorganize their combined businesses through a series of transactions (which we refer to as the UPREIT Reorganization) such that, after the completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off (as hereinafter defined) both Cousins and New Parkway will operate as umbrella real estate investment trusts (which we refer to as UPREITs). This means that substantially all of the properties of each company will be held through the operating partnership of that company.

To that end, pursuant to the UPREIT Reorganization, Cousins and Parkway will form and transfer certain assets to a new operating partnership, Cousins Properties LP, a Delaware limited partnership (which we refer to as Cousins LP), through which Cousins will operate substantially all of its business after the effective time of the Merger.

Parkway currently operates as an UPREIT, through its operating partnership, Parkway LP. Pursuant to the UPREIT Reorganization, a newly formed Delaware limited partnership, Parkway Operating Partnership LP (which we refer to as New Parkway LP in this joint proxy statement/prospectus or Houston Sub LP in Annex A attached hereto), a subsidiary of Parkway LP, will become the operating partnership of New Parkway, through which New Parkway will operate substantially all of its business after the Spin-Off.

Q: What is the Spin-Off?

A: After the Separation and the UPREIT Reorganization, Cousins will distribute pro rata to its stockholders all of the outstanding shares of common stock and limited voting stock of New Parkway (which we refer to as the Spin-Off). Cousins, or a subsidiary of Cousins, will retain all of the shares of nonvoting preferred stock of New Parkway, upon the terms and subject to the conditions of the Merger Agreement. New Parkway is expected to have outstanding shares of preferred stock with a liquidation preference of \$5 million, a fixed market dividend rate and no voting rights, other than as required by law. Cousins and Parkway will enter into all agreements necessary to effect the Spin-Off, including a Separation and Distribution Agreement (as hereinafter defined), in each case on the terms and subject to the conditions of the Merger Agreement.

In the Spin-Off, holders of Cousins common stock (including Cousins common stock received in exchange for shares of Parkway common stock pursuant to the Merger) will each receive one share of New Parkway common stock for each share of Cousins common stock they own immediately following the effective time of the Merger, such that holders of Parkway common stock will receive 1.63 shares of New Parkway common stock for each share of Parkway common stock that they own immediately prior to the effective time of the Merger. In addition, each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

Table of Contents

Moreover, in connection with the Spin-Off, holders of Cousins limited voting preferred stock (which will be received in exchange for shares of Parkway limited voting stock pursuant to the Merger) will receive one share of New Parkway limited voting stock for each share of Cousins limited voting preferred stock they own immediately following the effective time of the Merger, such that holders of Parkway limited voting stock will receive 1.63 shares of New Parkway limited voting stock for each share of Parkway limited voting stock that they own immediately prior to the effective time of the Merger.

Upon completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, we estimate that legacy Cousins common stockholders will own approximately 52% of the common stock of each of Cousins and New Parkway and legacy Parkway common stockholders will own approximately 48% of the common stock of each of Cousins and New Parkway. Legacy holders of Parkway limited voting stock will own 100% of each of the Cousins limited voting preferred stock and the New Parkway limited voting stock.

You are not being asked to take any action relating to the Separation, the UPREIT Reorganization or the Spin-Off.

Q: Why will Cousins and New Parkway be structured as UPREITs following the transactions?

A: The parties believe that the UPREIT structure, by which each of Cousins and New Parkway will own substantially all of their respective assets and conduct substantially all of their respective operations through an operating partnership following completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, will give each of Cousins and New Parkway greater flexibility to acquire assets using a tax-deferred acquisition currency.

Q: What happens if the market price of shares of Cousins common stock or Parkway common stock changes before the closing of the Merger?

A: No change will be made to the exchange ratio of 1.63 if the market price of shares of Cousins common stock or Parkway common stock changes before the Merger. Because the exchange ratio is fixed, the value of the consideration to be received by Parkway stockholders in the Merger will depend on the market price of shares of Cousins common stock at the time of the Merger.

Q: Why am I receiving this joint proxy statement/prospectus?

A: The Merger cannot be completed, unless:

the holders of Cousins common stock vote to approve the issuance of Cousins common stock to Parkway stockholders in connection with the Merger (which we refer to as the Cousins Issuance Proposal);

the holders of Cousins common stock vote to amend the Restated and Amended Articles of Incorporation of Cousins (which we refer to as the Cousins Articles) to increase the number of authorized shares of Cousins common stock, effective at the effective time of the Merger (which we refer to as the Cousins Articles Amendment Proposal); and

the holders of Parkway common and limited voting stock vote to approve the Merger Agreement and the Merger contemplated thereby (which we refer to as the Parkway Merger Proposal).

Each of Cousins and Parkway will hold separate special meetings of their stockholders to obtain these approvals and approvals for other related proposals as described herein.

This joint proxy statement/prospectus contains important information about the Merger and the other proposals being voted on at the special meetings, and you should read it carefully. It is a joint proxy

statement because the Cousins board of directors is soliciting proxies from its stockholders and the Parkway board of directors is soliciting proxies from its stockholders. It is a prospectus because Cousins will issue shares of its common stock. The enclosed voting materials allow you to vote your shares without attending your respective meeting.

Holders of voting stock of Cousins and Parkway do not need to take any action at the Cousins special meeting or Parkway special meeting relating to the Separation, the UPREIT Reorganization or the Spin-Off. The Separation, the UPREIT Reorganization and the Spin-Off will only occur if the Merger is completed.

Your vote is important. We encourage you to vote as soon as possible.

Q: Why is Cousins proposing the Merger?

A: Among other reasons, the Cousins board of directors approved the Merger Agreement and recommended the approval of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal based on a number of strategic and financial benefits to Cousins, including the potential for Cousins, following the Merger and the Spin-Off, to be a leading REIT in the growing Sun Belt market and the improved cost of capital for Cousins future growth opportunities following the Merger and the Spin-Off. For more information, see *The Merger Cousins Reasons for the Merger; Recommendations of the Cousins Board of Directors.*

Q: Why is Parkway proposing the Merger?

A: Among other reasons, the Parkway board of directors approved the Merger Agreement and recommended its approval by Parkway stockholders based on a number of strategic and financial benefits, including the potential for Cousins to create additional value to stockholders due to its larger size and stronger balance sheet and the premium Parkway stockholders will receive in the Merger. For more information, see *The Merger Parkway s Reasons for the Merger; Recommendations of the Parkway Board of Directors.*

Q: What am I being asked to vote upon?

A: *Cousins.* Cousins stockholders are being asked to vote to approve the Cousins Issuance Proposal, to approve the Cousins Articles Amendment Proposal and to approve a proposal to adjourn the Cousins special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, if there are insufficient votes at the time of such adjournment to approve such proposals (which we refer to as the Cousins Adjournment Proposal).

Parkway. Holders of Parkway common and limited voting stock are being asked to vote to approve the Parkway Merger Proposal. Holders of Parkway common stock are also being asked to approve, by advisory (nonbinding) vote, the compensation that may be paid or become payable to the named executive officers of Parkway in connection with the Merger (which we refer to as the Parkway Compensation Proposal) and to approve a proposal to adjourn the Parkway special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Parkway Merger Proposal, if there are insufficient votes at the time of such adjournment to approve such proposal (which we refer to as the Parkway Adjournment Proposal).

The Merger cannot be completed without the approval by Cousins stockholders of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal and the approval by Parkway common and limited voting stockholders, voting together as a single class, of the Parkway Merger Proposal.

Holders of voting stock of Cousins and Parkway do not need to take any action at the Cousins or Parkway special meetings relating to the Separation, the UPREIT Reorganization or the Spin-Off. The Separation, the UPREIT Reorganization and the Spin-Off will only occur if the Merger is completed.

Q: What vote is required to approve each proposal?

A: *Cousins.*

The Cousins Issuance Proposal requires the affirmative vote of the majority of the votes cast by Cousins common stockholders, assuming a quorum is present.

The Cousins Articles Amendment Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Cousins common stock, assuming a quorum is present.

The Cousins Adjournment Proposal requires approval by the affirmative vote of holders of a majority of the shares of Cousins common stock represented, in person or by proxy, at the Cousins special meeting and entitled to vote on the proposal, whether or not a quorum is present.

Parkway.

The Parkway Merger Proposal requires the affirmative vote of the holders of a majority of the outstanding Parkway common and limited voting stock, voting together as a single class.

Table of Contents

The Parkway Adjournment Proposal requires the affirmative vote of the holders of a majority of the votes cast by holders of Parkway common stock at the Parkway special meeting, assuming a quorum is present. If a quorum is not present, the holders of a majority of Parkway common stock present in person or by proxy at the Parkway special meeting may adjourn the meeting.

Q: How do the boards of directors of Cousins and Parkway recommend that I vote?

A: *Cousins*. The Cousins board of directors unanimously recommends that holders of Cousins common stock vote **FOR** the Cousins Issuance Proposal, **FOR** the Cousins Articles Amendment Proposal and **FOR** the Cousins Adjournment Proposal.

Parkway. The Parkway board of directors unanimously recommends that holders of Parkway common and limited voting stock vote **FOR** the Parkway Merger Proposal and that the holders of Parkway common stock vote **FOR** the Parkway Compensation Proposal and **FOR** the Parkway Adjournment Proposal.

Q: How many votes do I have?

A: *Cousins*. You are entitled to one vote for each share of Cousins common stock that you owned as of the close of business on the record date. The holder of Parkway limited voting stock is not entitled to vote on the Parkway Compensation Proposal and the Parkway Adjournment Proposal.

Q: Have any stockholders already agreed to approve the Merger?

A: Yes. Pursuant to a voting agreement, TPG VI Pantera Holdings, L.P. (which we refer to as TPG Pantera) and TPG VI Management, LLC (which we refer to collectively with TPG Pantera as the TPG Parties), which, as of April 28, 2016, collectively beneficially owned approximately 21.2% of Parkway s outstanding common stock, have agreed to vote in favor of the Merger Agreement and the other transactions

contemplated thereby, including the Merger, and against actions or agreements that would reasonably be expected to result in a failure of a closing condition set forth in the Merger Agreement to be fulfilled, alternative acquisitions, any action that would reasonably be expected to materially delay, materially postpone or materially adversely affect the consummation of the transactions contemplated by the Merger or would dilute in any material respect the benefit of such transactions to Cousins or its stockholders, subject to the terms and conditions of the voting agreement. For more information, see The Merger Agreements with the TPG Parties Voting Agreement.

Q: If my shares of common stock are held in street name by my broker, will my broker vote my shares for me?

A: If you hold your shares of common stock in a stock brokerage account or if your shares of common stock are held by a bank or nominee (that is, in street name), you must provide the record holder of your shares with instructions on how to vote your shares of common stock. Please follow the voting instructions provided by your broker, bank or nominee. Please note that you may not vote shares of common stock held in street name by returning a proxy card directly to Cousins or Parkway or by voting in person at either special meeting unless you provide a legal proxy, which you must obtain from your broker, bank or nominee. Further, brokers who hold shares of Cousins common stock or Parkway common stock on behalf of their customers may not give a proxy to Cousins or Parkway to vote those shares without specific instructions from their customers.

Q: What will happen if I fail to instruct my broker, bank or nominee how to vote?

A: *Cousins.* If you are a Cousins stockholder and you do not instruct your broker, bank or nominee on how to vote your shares of common stock, your broker may not vote your shares on the Cousins Issuance Proposal, the Cousins Articles Amendment Proposal or the Cousins Adjournment Proposal. This will have the same effect as a vote against the Cousins Articles Amendment Proposal, and will have no effect on the Cousins Issuance Proposal, assuming a quorum is present, or the Cousins Adjournment Proposal.

Parkway. If you are a Parkway stockholder and you fail to instruct your broker, bank or nominee to vote your shares of Parkway common and limited voting stock, as applicable, your broker may not vote your shares on the Parkway Merger Proposal, the Parkway Compensation Proposal or the Parkway Adjournment Proposal. This will have the same effect as a vote against the Parkway Merger Proposal, but it will have no effect on the Parkway Compensation Proposal or the Parkway Adjournment Proposal, assuming a quorum is present. If a quorum is not present, and you are not present in person or by proxy at the Parkway special meeting, failure to instruct your broker, bank or nominee will have no effect on the Parkway Adjournment Proposal, and if you are present in person or by proxy, it will have the same effect as a vote against the Parkway Adjournment Proposal.

Q: What will happen if I fail to vote or I abstain from voting?

A: *Cousins.* If you are a Cousins stockholder and fail to vote or abstain from voting, it will have the same effect as a vote against the Cousins Articles Amendment Proposal, but it will have no effect on the Cousins Issuance

Proposal, assuming a quorum is present, or the Cousins Adjournment Proposal. If you are a Cousins stockholder and you attend the Cousins special meeting and fail to vote or abstain from voting, it will have the same effect as a vote against the Cousins Articles Amendment Proposal and the Cousins Adjournment Proposal, but it will have no effect on the Cousins Issuance Proposal, assuming a quorum is present.

Parkway. If you are a Parkway stockholder and fail to vote or abstain from voting, it will have the same effect as a vote against the Parkway Merger Proposal, but it will have no effect on the Parkway

Compensation Proposal or the Parkway Adjournment Proposal, assuming a quorum is present. If a quorum is not present, and you are not present in person or by proxy at the Parkway special meeting, failure to instruct your broker, bank or nominee will have no effect on the Parkway Adjournment Proposal, and if you are present in person or by proxy, it will have the same effect as a vote against the Parkway Adjournment Proposal.

Q: What if I return my proxy card without indicating how to vote?

A: If you sign and return your proxy card without indicating how to vote on any particular proposal, your shares of Cousins common stock, Parkway common stock or Parkway limited voting stock will be voted in accordance with the recommendation of the Cousins board of directors or Parkway board of directors, as applicable, with respect to such proposal.

Q: Can I change my vote after I have returned a proxy or voting instruction card?

A: Yes. You can change your vote at any time before your proxy is voted at your special meeting. You can do this in one of three ways:

you can send a signed notice of revocation;

you can grant a new, valid proxy bearing a later date; or

if you are a holder of record, you can attend your special meeting and vote in person, which will automatically cancel any proxy previously given, or you may revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given.

Attending the Cousins special meeting or the Parkway special meeting without voting will not, by itself, revoke your proxy. If your shares of Cousins common stock or Parkway common stock are held by a bank, broker or nominee, you should follow the instructions provided by the bank, broker or nominee.

If you choose either of the first two methods, you must submit your notice of revocation or your new proxy to the secretary of Cousins or secretary of Parkway, as appropriate, no later than the beginning of the applicable special meeting. If your shares of Cousins common stock or Parkway common stock are held in street name by your broker, bank or nominee, you should contact your broker, bank or nominee to change your vote. If your shares of Cousins common stock are held through a Cousins retirement plan, you should contact the trustee for the plan to change your vote.

Q: What are the material U.S. federal income tax consequences of the Merger and the Spin-Off to U.S. holders of Parkway common stock?

- A: The obligation of the parties to consummate the Merger is subject to the receipt by Cousins and Parkway of the opinions of their respective counsels to the effect that, on the basis of facts, representations and assumptions set forth in such opinions, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (which we refer to as the Code). If the Merger so qualifies, then a U.S. holder of Parkway common stock generally will not recognize any gain or loss upon receipt of shares of Cousins common stock in exchange for Parkway common stock in the Merger (other than gain or loss with respect to cash received in lieu of a fractional share of Cousins common stock, if any).

The particular consequences of the Merger to each Parkway stockholder depend on such holder's particular facts and circumstances. Parkway stockholders are urged to consult their tax advisors to understand fully the consequences to them of the Merger in their specific circumstances. For more information, see Material U.S. Federal Income Tax Consequences Material U.S. Federal Income Tax Consequences of the Merger.

Table of Contents

While the Merger generally is not expected to result in the recognition of gain or loss for stockholders of either Parkway or Cousins, the distribution of shares of New Parkway common stock in the Spin-Off will be treated as a taxable distribution to Cousins stockholders for U.S. federal income tax purposes. An amount equal to the fair market value of the shares of New Parkway common stock received by you in the Spin-Off will generally be treated as a taxable dividend to the extent of your ratable share of any current or accumulated earnings and profits of Cousins (including gain recognized by Cousins in connection with the Separation and the Spin-Off), with the excess treated first as a non-taxable return of capital to the extent of your tax basis in Cousins common stock and any remaining excess treated as capital gain.

The particular consequences of the Spin-Off to each Cousins stockholder (including stockholders who received shares of Cousins stock in exchange for shares of Parkway stock pursuant to the Merger) depend on such holder's particular facts and circumstances, and thus you are urged to consult your tax advisor to understand fully the consequences to you of the Spin-Off in your specific circumstances. For more information, see **Material U.S. Federal Income Tax Consequences of the Spin-Off to U.S. Stockholders.**

Q: Are there any conditions to closing of the Merger that must be satisfied for the Merger to be completed?

A: Yes. In addition to the approvals of the stockholders of each of Cousins and Parkway described herein, there are a number of conditions that must be satisfied or waived for the Merger to be consummated. For more information, see **The Merger Agreement - Conditions to Completion of the Merger.**

Q: When do you expect the Merger and the Spin-Off to be completed?

A: Cousins and Parkway are working to complete the Merger and the Spin-Off in the fourth quarter of 2016. However, the Merger and the Spin-Off are subject to various conditions, and it is possible that factors outside the control of Cousins and Parkway could result in the Merger and the Spin-Off being completed at a later time, or not at all. There may be a substantial amount of time between the respective Cousins special meeting and Parkway special meeting and the completion of the Merger and the Spin-Off. Cousins and Parkway hope to complete the Merger and the Spin-Off as soon as reasonably practicable following the satisfaction of all applicable conditions.

The Merger is expressly conditioned on the readiness of the Spin-Off and the effectiveness of the Registration Statement on Form 10 that New Parkway will file with the SEC (which we refer to as the **New Parkway Form 10**). This may further delay consummation of the Merger.

You are not being asked to take any action relating to the Separation, the UPREIT Reorganization or the Spin-Off.

Q: Are Parkway and Cousins stockholders entitled to appraisal rights in connection with the Merger?

A: No. Holders of Parkway common stock will not be entitled to appraisal rights or dissenters' rights in the Merger under Section 3-202 of the Maryland General Corporation Law (which we refer to as the "MGCL") because Parkway common stock is listed on a national securities exchange. Holders of Parkway limited voting stock do not have appraisal rights because they are denied the rights of objecting stockholders under the MGCL pursuant to the articles supplementary to the Articles of Incorporation of Parkway, as supplemented and amended (which we refer to as the "Parkway Articles") that established the class of Parkway limited voting stock. Under Section 14-2-1302 of the Georgia Business Corporations Code (which we refer to as the "GBCC"), holders of Cousins common stock do not have the right to receive the appraised value of their shares in connection with the Merger. For more information, see "The Merger - No Appraisal or Dissenters' Rights."

Q: What do I need to do now?

A: Carefully read and consider the information contained in and incorporated by reference into this joint proxy statement/prospectus, including its annexes.

In order for your shares to be voted at the Cousins special meeting or the Parkway special meeting:

you can attend the applicable special meeting in person;

Stock Options Held by Parkway Employees Transferring to New Parkway. For individuals who are employees of Parkway prior to the effective time of the Merger and who are transferring to New Parkway, their Parkway stock options that converted into Cousins stock options under the Merger Agreement will be converted into, or exchanged for, stock options of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway stock options prior to the effective time of the Merger.

Stock Options Held by Parkway Employees Not Transferring to New Parkway or Remaining with Cousins. For individuals who are employees of Parkway prior to the effective time of the Merger and who are not transferring to New Parkway but will not be offered employment with Cousins, their Parkway stock options that converted into Cousins stock options under the Merger Agreement will be fully vested upon the distribution and divided on a proportional basis into fully vested options in respect of Cousins common stock and fully vested options in respect of the common stock of New Parkway, which in each case will be exercisable for the remaining term of such stock option.

Equity Awards Held by Legacy Cousins Employees Remaining with Cousins. For individuals who are employees of Cousins prior to the effective time of the Merger and who will remain with Cousins following the distribution, their Cousins equity awards will remain fully denominated in respect of Cousins common stock, with the number of shares subject thereto adjusted in the distribution to preserve the value of the award.

Treatment of Parkway LP Units in the Merger and the Spin-Off (See page 134)

Each limited partner of Parkway LP will continue to be entitled, prior to the effective time of the Merger, to redeem or exchange its partnership interests (including LTIP Units) in Parkway LP for shares of Parkway common stock, which if so redeemed or exchanged prior to the effective time of the Merger, will in turn be converted in the Merger into the right to receive a number of newly issued shares of Cousins common stock equal to the exchange ratio, upon the terms and subject to the conditions of the Merger Agreement. For more information, see *The Merger Agreements with the TPG Parties New Parkway Stockholders Agreement*.

At the effective time of the Merger, the senior leadership of New Parkway will include Mr. James R. Heistand as chief executive officer and other senior management of Parkway in key executive roles. Mr. James A. Thomas, the current chairman of the Parkway board of directors, will be the chairman of the New Parkway board of directors at the effective time of the Merger.

For more information, see *The Merger Directors and Management Following the Merger* and *The Merger Agreements with the TPG Parties*.

The Separation (See page 145)

Immediately following the effective time of the Merger, Cousins will effect the Separation, a series of reorganization transactions, on the terms and subject to the conditions of the Merger Agreement, pursuant to which Cousins will separate the Houston Business and the Third-Party Services Business from the remainder of the combined businesses.

The UPREIT Reorganization (See page 145)

In connection with the Merger and the Separation, Cousins and Parkway will reorganize their combined businesses through the UPREIT Reorganization such that, after the completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, both Cousins and New Parkway will operate as UPREITs. This means that substantially all of the properties of Cousins and Parkway will be held through an operating partnership of each company.

To that end, pursuant to the UPREIT Reorganization, the parties will create a new operating partnership, Cousins LP, through which Cousins will operate substantially all of its business after the effective time of the Merger.

Parkway currently operates as an UPREIT, through its operating partnership, Parkway LP. Pursuant to the UPREIT Reorganization, New Parkway LP will become the operating partnership of New Parkway, through which New Parkway will operate substantially all of its business after the effective time of the Spin-Off.

The Spin-Off (See page 146)

New Parkway's charter will provide for three classes of stock: voting common stock, nonvoting preferred stock and limited voting stock. After the Separation and the UPREIT Reorganization, in the Spin-Off, Cousins will distribute (1) pro rata to its common stockholders, including legacy Cousins common stockholders and legacy Parkway common stockholders, all of the outstanding shares of common stock of New Parkway and (2) pro rata to its limited voting

stockholders, including legacy Parkway limited voting stockholders, all of the

Table of Contents

outstanding shares of limited voting stock of New Parkway. The Spin-Off will occur on the first business day following the closing of the Merger. Cousins, or a subsidiary of Cousins, will retain all of the nonvoting preferred stock of New Parkway, upon the terms and subject to the conditions of the Merger Agreement. New Parkway is expected to have outstanding shares of preferred stock with a liquidation preference of \$5 million, a fixed market dividend rate and no voting rights, other than as required by law.

Cousins and Parkway will enter into all agreements necessary to effect the Spin-Off, including a Separation and Distribution Agreement (as hereinafter defined), in each case, on the terms and subject to the conditions of the Merger Agreement.

In the Spin-Off, holders of Cousins common stock (including shares of Cousins common stock received in exchange for shares of Parkway common stock pursuant to the Merger) will each receive one share of New Parkway common stock for each share of Cousins common stock they own immediately following the effective time of the Merger, such that holders of Parkway common stock will receive 1.63 shares of New Parkway common stock for each share of Parkway common stock that they own immediately prior to the effective time of the Merger. In addition, each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

In connection with the Spin-Off, holders of Cousins limited voting preferred stock (which will be received in exchange for shares of Parkway limited voting stock pursuant to the Merger) will receive one share of New Parkway limited voting stock for each share of Cousins limited voting preferred stock they own immediately following the effective time of the Merger, meaning that holders of Parkway limited voting stock will receive 1.63 shares of New Parkway limited voting stock for each share of Parkway limited voting stock that they own immediately prior to the effective time of the Merger. Under the articles of incorporation of New Parkway, the terms of the New Parkway limited voting stock will be substantially identical to the terms of the Cousins limited voting preferred stock, as set forth in Exhibit E to the Merger Agreement.

Upon completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, we estimate that legacy Cousins common stockholders will own approximately 52% of the common stock of each of Cousins and New Parkway, and legacy Parkway stockholders will own approximately 48% of the common stock of each of Cousins and New Parkway. Legacy holders of Parkway limited voting stock will own 100% of each of the Cousins limited voting preferred stock and the New Parkway limited voting stock.

Accounting Treatment (See page 131)

Cousins and Parkway prepare their financial statements, respectively, in accordance with accounting principles generally accepted in the United States (which we refer to as GAAP). The Merger will be accounted for by applying the purchase method of accounting, with Cousins treated as the acquirer. For more information, see The Merger Accounting Treatment.

Regulatory Approvals (See page 131)

In connection with the issuance of Cousins common stock in the Merger, pursuant to the Merger Agreement, as a condition to the closing of the Merger, Cousins must file a registration statement with the SEC under the Securities Act, of which this joint proxy statement/prospectus forms a part, that is declared effective by the SEC. As a condition to the closing of the Merger, New Parkway must file the New Parkway Form 10, and the New Parkway Form 10 must

be declared effective by the SEC, with no stop order in effect with respect to the New Parkway Form 10 and no proceedings for such purpose pending or threatened by the SEC.

Closing; Effective Time of the Merger (See page 135)

Cousins and Parkway are working to complete the Merger and the Spin-Off in the fourth quarter of 2016. However, the Merger and the Spin-Off are subject to various conditions, and it is possible that factors outside the control of both companies could result in the Merger and the Spin-Off being completed at a later time, or not at all. There may be a substantial amount of time between the respective Cousins and Parkway special meetings and the completion of the Merger and the Spin-Off. Cousins and Parkway hope to complete the Merger and the Spin-Off as soon as reasonably practicable following the satisfaction of all applicable conditions. For more information, see Risk Factors Risks Relating to the Merger.

The Merger is expressly conditioned on the readiness of the Spin-Off and the effectiveness of the New Parkway Form 10, on which securities to be distributed in the Spin-Off will be registered. This may further delay consummation of the Merger.

Cousins stockholders and Parkway stockholders are not being asked to take any action relating to the Separation, the UPREIT Reorganization or the Spin-Off.

Conditions to Completion of the Merger (See page 152)

As more fully described in this joint proxy statement/prospectus and in the Merger Agreement, the completion of the Merger depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include:

receipt of the requisite approvals of Cousins stockholders and Parkway stockholders;

the approval for listing on the NYSE of shares of Cousins common stock to be issued or reserved for issuance in connection with the Merger;

the SEC having declared effective the registration statement of which this joint proxy statement/prospectus forms a part;

the absence of an injunction or law prohibiting the Merger;

the Spin-Off being fully ready to be consummated contemporaneously with the closing of the Merger, including that the SEC shall have declared the New Parkway Form 10 effective and the Spin-Off will close on the business day following the closing of the Merger;

the correctness of all representations and warranties made by the parties in the Merger Agreement and performance by the parties of their obligations under the Merger Agreement (subject in most cases to materiality or material adverse effect qualifications), and receipt of an officer's certificate from each party attesting thereto;

receipt by each of Cousins and Parkway of an opinion to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code; and

the receipt by each of Cousins and Parkway of an opinion regarding such party's qualification as a REIT. We cannot be certain when, or if, the conditions to the Merger will be satisfied or waived, or that the Merger will be completed.

Table of Contents

As more fully described in this joint proxy statement/prospectus and in the Merger Agreement, the completion of the Spin-Off depends on a number of conditions being satisfied or, where legally permissible, waived. These conditions include:

the effectiveness of the New Parkway Form 10, with no stop order in effect with respect thereto, and no proceedings for such purpose pending before or threatened by the SEC;

the receipt by each of Parkway and Cousins of solvency and surplus opinions;

the approval for listing on the NYSE of shares of New Parkway common stock to be issued or reserved for issuance in connection with the Spin-Off;

the mailing of the information statement;

the execution of all ancillary documents required by the Spin-Off;

the absence of injunction or law preventing consummation, or limiting the benefits, of the Spin-Off;

the consummation of the Separation and the UPREIT Reorganization; and

the entering into by New Parkway LP, of its credit facility, pursuant to which New Parkway LP shall cause \$200 million to be distributed to New Parkway and its other partners, which funds are then contributed to Cousins LP.

No Solicitation (See page 153)

Cousins and Parkway are subject to a customary no-shop provision that requires them to refrain from, and to cease discussions or solicitations with respect to, alternate transactions and subjects them to certain restrictions in considering and negotiating alternate transactions. If either of the parties receives a superior proposal (as hereinafter defined), the receiving party may provide nonpublic information to the proposing party and engage in discussions or negotiations with the party making such a proposal. Each party shall promptly notify the other party of any proposal for an alternative transaction within 24 hours and provide the other party with a copy of such proposal.

In response to a superior proposal, the board of directors of the party receiving such a proposal may change its recommendation with respect to such party's stockholder vote, and such party may terminate the Merger Agreement in order to accept such proposal. Prior to effecting such change, the board of directors of the party receiving the superior proposal must provide the other party with notice, reasons for such action and five days of good-faith negotiations to counter such proposal.

Termination of the Merger Agreement (See page 156)

The Merger Agreement may be terminated prior to the effective time of the Merger, whether before or after the required approvals of the Cousins stockholders and Parkway stockholders are obtained:

by mutual written consent of Cousins and Parkway;

by either Cousins or Parkway, if the Merger is not consummated by December 31, 2016, which either party may extend to March 31, 2017 if the only closing condition not yet satisfied relates to the readiness of the Spin-Off;

by either Cousins or Parkway, if a court or other governmental entity issues a final and nonappealable order prohibiting the Merger;

by either Cousins or Parkway, if the required approvals of either the Cousins stockholders or the Parkway stockholders are not obtained;

Table of Contents

by either Cousins or Parkway, if there is a breach of the representations or covenants of the other party that would result in the failure of the related closing condition to be satisfied, subject to a cure period;

by Cousins, if the Parkway board of directors changes its recommendation regarding approval of the Parkway Merger Proposal;

by Parkway, if the Cousins board of the directors changes its recommendation in favor of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal;

by either Cousins or Parkway, to enter into a superior proposal (as hereinafter defined), subject to compliance with certain terms of the Merger Agreement; and

by either Cousins or Parkway upon a material breach of the other party's nonsolicitation obligations under the Merger Agreement, subject to a five-day cure period.

Expenses and Termination Fees (See page 157)

Generally, all fees and expenses incurred in connection with the Merger and the transactions contemplated by the Merger Agreement will be paid by the party incurring those expenses. For more information, see The Merger The Merger Agreement Fees and Expenses. The Merger Agreement further provides that, upon termination of the Merger Agreement under certain circumstances, each party may be obligated to pay the other party a termination fee of \$65 million and either party may be obligated to reimburse \$20 million of the expenses of the other party. For more information, see The Merger The Merger Agreement Termination of the Merger Agreement.

No Appraisal or Dissenters Rights (See page 133)

Under Maryland and Georgia law, the holders of Parkway common and limited voting stock and Cousins common stock, respectively, are not entitled to appraisal rights in connection with the Merger. For more information, see The Merger No Appraisal or Dissenters Rights.

Agreements with the TPG Parties (See page 159)

Concurrently with the execution of the Merger Agreement, Cousins entered into a voting agreement with the TPG Parties, pursuant to which the TPG Parties agreed to vote all of their shares of Parkway common stock in favor of the Parkway Merger Proposal and the other actions contemplated by the Merger Agreement and against actions or agreements that would reasonably be expected to result in the failure of a closing condition set forth in the Merger Agreement, alternative acquisitions, any action that would reasonably be expected to materially delay, materially postpone or materially adversely affect the consummation of the transactions contemplated by the Merger or would dilute in any material respect the benefit of such transactions to Cousins or its stockholders. As of April 28, 2016, the TPG Parties held 23,663,397 shares of Parkway common stock, or approximately 21.2% of the common stock issued and outstanding.

Concurrently with the execution of the Merger Agreement, Cousins entered into a stockholders agreement with the TPG Parties (which we refer to as the Cousins stockholders agreement) in order to establish various arrangements with respect to governance of Cousins after the effective time of the Merger and certain rights with respect to shares of

Cousins common stock which will be beneficially owned by the TPG Parties following the effective time of the Merger. Effectiveness of the Cousins stockholders agreement is conditioned on the closing of the Merger.

Pursuant to the Cousins stockholders agreement, upon the terms and subject to the conditions thereof, TPG Pantera will have the right to nominate one director for inclusion on the Cousins board of directors and certain of its committees so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio

Table of Contents

companies of TPG Pantera or its affiliates) beneficially owns at least 5% of outstanding shares of Cousins common stock. The agreement will also grant the TPG Parties certain registration rights, and will subject TPG Pantera and its affiliates (other than non-private equity portfolio companies of TPG Pantera or its affiliates) to a standstill that will allow TPG Pantera or its affiliates to acquire up to 15% of the outstanding shares of Cousins common stock, subject to the terms and upon the conditions of the Cousins stockholders agreement.

In addition, in connection with the Merger Agreement, the Cousins board of directors granted to the TPG Parties an exemption from the ownership limit included in the Cousins Articles, establishing for the TPG Parties an aggregate substitute in lieu of the ownership limit to permit them to constructively and beneficially own (without duplication) (i) during the term of the standstill provided by the Cousins stockholders agreement, up to 15% of Cousins outstanding voting securities, subject to the terms and conditions thereof, and (ii) following the term of the standstill provided by the Cousins stockholders agreement, shares of Cousins common stock held by the TPG Parties at the expiration of the standstill, subject to the terms, conditions, limitations, reductions and terminations set forth in an executed investor representation letter to be entered into prior to the effective time of the Merger.

In addition, at the effective time of the Merger, New Parkway will enter into a stockholders agreement with the TPG Parties (which we refer to as the New Parkway stockholders agreement), pursuant to which TPG Pantera will have the right to nominate two directors to the New Parkway board of directors for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera) beneficially owns at least 5% of New Parkway common stock (or up to three directors if they beneficially own at least 30% of New Parkway common stock) and one director to the New Parkway board of directors for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera) own at least 2.5% of New Parkway common stock. The agreement will also grant the TPG Parties certain registration and preemptive rights.

Agreements to be Entered into in Connection with the Merger, the Separation and the UPREIT Reorganization (See page 163)

Prior to the effective time of the Merger, Parkway, as general partner of Cousins LP, and Parkway LP, as limited partner of Cousins LP, will execute the partnership agreement of Cousins LP which, immediately following the effective time of the Merger, will be amended and restated by Cousins as general partner and certain persons as limited partners. Cousins LP will function as the operating partnership of Cousins and will allow Cousins to operate as an UPREIT following the Merger and the UPREIT Reorganization.

In addition, immediately following the Spin-Off, New Parkway, as holder of the majority in interest of the limited partnership units of Parkway LP, and Parkway Properties General Partners, Inc., a Delaware corporation (which we refer to as Parkway GP), as general partner of Parkway LP, will enter into an amendment to the Parkway Partnership Agreement. Parkway LP will hold, as its sole asset, an approximately 47.5% limited partner interest in New Parkway LP. New Parkway LP will function as the operating partnership of New Parkway and will allow New Parkway to operate as an UPREIT following consummation of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off.

Material U.S. Federal Income Tax Consequences of the Merger (See page 174)

The Merger is intended to be non-taxable to stockholders, provided it qualifies as a reorganization within the meaning of Section 368(a) of the Code. U.S. holders of Parkway common stock are not expected to recognize any gain or loss for U.S. federal income tax purposes on the receipt of shares of Cousins common stock in exchange for Parkway common stock in the Merger, except with respect to any cash received in lieu of fractional shares of Cousins common stock. The obligations of Parkway and Cousins to complete the Merger are subject to,

Table of Contents

among other conditions described in this joint proxy statement/prospectus, the receipt by each of Parkway and Cousins of the opinion of its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code.

You should read **Material U.S. Federal Income Tax Consequences** **Material U.S. Federal Income Tax Consequences of the Merger** for a more complete discussion of the U.S. federal income tax considerations relevant to the Merger. The tax consequences of the Merger to you will depend on your particular tax situation. **You should consult your tax advisor to determine the particular tax consequences of the Merger to you.**

Material U.S. Federal Income Tax Consequences of the Spin-Off to U.S. Stockholders (See page 176)

While the Merger generally is not expected to result in the recognition of gain or loss for stockholders of either Parkway or Cousins, the distribution of shares of New Parkway common stock in the Spin-Off will be treated as a taxable distribution to Cousins stockholders for U.S. federal income tax purposes. An amount equal to the fair market value of the shares of New Parkway common stock received by Cousins stockholders in the Spin-Off will generally be treated as a taxable dividend to the extent of your ratable share of any current or accumulated earnings and profits of Cousins (including gain recognized by Cousins in connection with the Separation and the Spin-off), with the excess treated first as a non-taxable return of capital to the extent of your tax basis in Cousins common stock and any remaining excess treated as capital gain.

The particular consequences of the Spin-Off to each Cousins stockholder depend on such holder's particular facts and circumstances, and thus you are urged to consult your tax advisor to understand fully the consequences to you of the Spin-Off in your specific circumstances. For more information, see **Material U.S. Federal Income Tax Consequences of the Spin-Off to U.S. Stockholders**.

SUMMARY UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL INFORMATION

The following table shows summary unaudited pro forma condensed consolidated financial information about the combined financial condition and operating results of Cousins and Parkway after giving effect to the Merger and the Spin-Off. The unaudited pro forma combined condensed financial information assumes that the Merger is accounted for by applying the purchase method of accounting with Cousins treated as the acquirer. The unaudited pro forma combined condensed balance sheet data gives effect to the Merger and the Spin-Off as if they had occurred on March 31, 2016. The unaudited pro forma combined condensed statement of operations data gives effect to the Merger and the Spin-Off as if they had become effective at January 1, 2015, based on the most recent valuation data available. The summary unaudited pro forma combined condensed financial information listed below has been derived from and should be read in conjunction with (i) the more detailed unaudited pro forma combined condensed financial statements, including the notes thereto, appearing elsewhere in this joint proxy statement/prospectus and (ii) the consolidated financial statements and the related notes of both Cousins and Parkway contained in their respective Quarterly Reports on Form 10-Q for the period ended March 31, 2016 and in their respective Annual Reports on Form 10-K for the year ended December 31, 2015, all of which are incorporated by reference into this joint proxy statement/prospectus. For more information, see Unaudited Pro Forma Condensed Consolidated Financial Statements and Where You Can Find More Information.

The unaudited pro forma combined condensed financial information is presented for illustrative purposes only and is not necessarily indicative of the combined operating results or financial position that would have occurred if such transactions had been consummated on the dates and in accordance with the assumptions described herein, nor is it necessarily indicative of the future operating results or financial position of Cousins. The unaudited pro forma combined condensed income statement does not give effect to any transaction or integration costs relating to the Merger and the Spin-Off. In addition, as explained in more detail in the accompanying notes to the unaudited pro forma combined condensed financial information, the preliminary allocation of the pro forma purchase price reflected in the unaudited pro forma combined condensed financial information is subject to adjustment and may vary significantly from the definitive allocation of the final purchase price that will be recorded subsequent to completion of the Merger and the Spin-Off. The determination of the final purchase price will be based on the number of shares of Parkway common stock outstanding and the trading price of Cousins common stock at closing.

Table of Contents**EQUIVALENT AND COMPARATIVE PER SHARE INFORMATION**

The following table sets forth, for the three months ended March 31, 2016 and the year ended December 31, 2015, selected per share information for Cousins common stock on a historical and pro forma combined basis and for Parkway common stock on a historical and pro forma equivalent basis. You should read the table below together with the historical consolidated financial statements and related notes of Cousins and Parkway contained in their respective Quarterly Reports on Form 10-Q for the period ended March 31, 2016 and Annual Reports on Form 10-K for the year ended December 31, 2015, all of which are incorporated by reference into this joint proxy statement/prospectus. For more information, see [Where You Can Find More Information](#).

The Cousins pro forma combined earnings per share were calculated using the methodology as described above under the heading [Unaudited Pro Forma Combined Condensed Financial Information Giving Effect to the Merger and the Spin-Off](#), and are subject to all the assumptions, adjustments and limitations described thereunder. The unaudited pro forma combined condensed balance sheet data gives effect to the Merger and the Spin-Off, as indicated, as if they had occurred on March 31, 2016. The unaudited pro forma combined statements of operations data gives effect to the Merger and the Spin-Off, as indicated, as if they had become effective at January 1, 2015, based on the most recent valuation data available. The Parkway pro forma equivalent per common share amounts were calculated by multiplying the Cousins pro forma combined per share amounts by the exchange ratio of 1.63. You should not rely on the pro forma amounts as being indicative of the financial position or results of operations of Cousins that actually would have occurred had the Merger been completed as of the date indicated above, nor is it necessarily indicative of the future operating results or financial position of the Cousins.

Table of Contents**RISK FACTORS**

In addition to the other information included and incorporated by reference into this joint proxy statement/prospectus, including the matters addressed in Cautionary Statement Regarding Forward-Looking Statements, you should carefully consider the following risks before deciding how to vote. In addition, you should read and consider the risks associated with each of the businesses of Cousins and Parkway because these risks will also affect Cousins following completion of the transactions. These risks can be found in the respective Annual Reports on Form 10-K for the year ended December 31, 2015 and Quarterly Reports on Form 10-Q for the quarter ended March 31, 2016 of Cousins and Parkway, each of which is filed with the SEC and incorporated by reference into this joint proxy statement/prospectus. You should also read and consider the other information in this joint proxy statement/prospectus and the other documents incorporated by reference into this joint proxy statement/prospectus. For more information, see Where You Can Find More Information.

Risks Relating to the Merger

The Merger may not be completed on the terms or timeline currently contemplated, or at all.

The completion of the Merger is subject to certain conditions, including: (1) approval by Cousins common stockholders of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, and Parkway's common and limited voting stockholders of the Parkway Merger Proposal; (2) the Spin-Off being fully ready to be consummated contemporaneously with the Merger, including the effectiveness of the New Parkway Form 10; (3) approval for listing on the NYSE of Cousins common stock to be issued in the Merger or reserved for issuance in connection therewith; (4) no injunction or law prohibiting the Merger; (5) accuracy of each party's representations, subject in most cases to materiality or material adverse effect qualifications; (6) material compliance with each party's covenants; (7) receipt by each of Cousins and Parkway of an opinion to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code and of an opinion that each of Cousins and Parkway will qualify as a REIT under the Code; and (8) effectiveness of the registration statement of which this joint proxy statement/prospectus is a part. Cousins and Parkway cannot provide assurances that the Merger will be consummated on the terms or timeline currently contemplated, or at all.

The exchange ratio is fixed and will not be adjusted in the event of any change in the stock prices of either Cousins or Parkway.

At the effective time of the Merger, each share of Parkway common stock will be converted into the right to receive 1.63 newly issued shares of Cousins common stock, with cash paid in lieu of fractional shares, and each share of Parkway limited voting stock will be converted into the right to receive 1.63 newly issued shares of Cousins limited voting preferred stock. The exchange ratio is fixed in the Merger Agreement, and while it will be adjusted in certain limited circumstances, including a recapitalization, stock split, stock dividend or distribution, merger, subdivision, issuer tender or exchange offer or other similar transaction involving Cousins or Parkway, the exchange ratio will not be adjusted for changes in the market price of either Cousins common stock or Parkway common stock. Changes in the price of Cousins common stock prior to the Merger will affect the market value of the Merger consideration that Parkway stockholders will receive on the closing of the Merger. Stock price changes may result from a variety of factors (many of which are beyond the control of Cousins and Parkway), including the following factors:

changes in the respective businesses, operations, assets, liabilities and prospects of either company;

changes in market assessments of the business, operations, financial position and prospects of either company;

market assessments of the likelihood that the Merger will be completed;

interest rates, general market and economic conditions and other factors, including changes in prices of commodities such as crude oil, generally affecting the price of Cousins common stock and Parkway common stock;

Table of Contents

federal, state and local legislation, governmental regulation and legal developments in the businesses in which Cousins and Parkway operate; and

other factors beyond the control of Cousins or Parkway, including those described under this heading Risk Factors.

The price of Cousins common stock at the closing of the Merger may vary from its price on the date the Merger Agreement was executed, on the date of this joint proxy statement/prospectus and on the date of the special meetings of Cousins and Parkway. As a result, the market value of the Merger consideration represented by the exchange ratio will also vary. For example, based on the range of closing prices of Cousins common stock during the period from April 28, 2016, the last trading day before public announcement of the Merger, through June 3, 2016, the latest practicable date before the date of this joint proxy statement/prospectus, the exchange ratio of 1.63 represented a market value per share of Parkway common stock ranging from a low of \$17.47 to a high of \$17.91.

Because the Merger will be completed after the date of the special meetings, at the time of your special meeting, you will not know the exact market value of the Cousins common stock that Parkway stockholders will receive upon completion of the Merger. You should consider the following two risks:

if the price of Cousins common stock increases between the date the Merger Agreement was signed or the date of the Parkway special meeting and the closing of the Merger, Parkway stockholders will receive shares of Cousins common stock that have a market value upon completion of the Merger that is greater than the market value of such shares calculated pursuant to the exchange ratio on the date the Merger Agreement was signed or on the date of the Cousins special meeting, respectively; and

if the price of Cousins common stock declines between the date the Merger Agreement was signed or the date of the Parkway special meeting and the closing of the Merger, including for any of the reasons described above, Parkway stockholders will receive shares of Cousins common stock that have a market value upon completion of the Merger that is less than the market value of such shares calculated pursuant to the exchange ratio on the date the Merger Agreement was signed or on the date of the Parkway special meeting, respectively.

Therefore, while the number of shares of Cousins common stock to be issued per share of Parkway common or limited voting stock is fixed, Parkway stockholders cannot be sure of the market value of the consideration they will receive upon completion of the Merger.

Cousins and Parkway stockholders will be diluted by the Merger.

The Merger will dilute the ownership position of Cousins stockholders and result in Parkway stockholders having an ownership stake in Cousins that is smaller than their current stake in Parkway. Upon completion of the Merger, legacy Cousins stockholders will own approximately 52% of the issued and outstanding shares of Cousins common stock, and legacy Parkway stockholders will own approximately 48% of the issued and outstanding shares of Cousins common stock. Additionally, because Cousins is issuing shares of Cousins limited voting preferred stock to holders of Parkway limited voting stock in the Merger, and Cousins limited voting preferred stock will vote as a single class with Cousins common stock on certain matters, each outstanding share of Cousins common stock after the completion of the Merger will represent a smaller percentage of the voting power of Cousins than if such shares of limited voting preferred stock had not been issued in the Merger. Consequently, Cousins stockholders and Parkway stockholders, as

a general matter, will have less influence over the management and policies of Cousins after the effective time of the Merger than they currently exercise over the management and policies of Cousins and Parkway, respectively.

Table of Contents

Failure to complete the Merger could adversely affect the stock prices and the future business and financial results of Cousins and Parkway.

If the Merger is not completed, the ongoing businesses of Cousins or Parkway may be adversely affected and Cousins and Parkway will be subject to numerous risks, including the following:

Cousins or Parkway being required, under certain circumstances, to pay the other party a termination fee of \$65 million or reimburse the other party for \$20 million of its expenses in connection with the Merger;

each of Cousins and Parkway having to pay substantial costs relating to the Merger, such as legal, accounting, financial advisor, filing, printing and mailing fees and integration costs that have already been incurred or will continue to be incurred until the closing of the Merger;

the management of each of Cousins and Parkway focusing on the Merger instead of on pursuing other opportunities that could be beneficial to the companies, in each case, without realizing any of the benefits of having the Merger completed; and

reputational harm due to the adverse perception of any failure to successfully complete the Merger.

If the Merger is not completed, Cousins and Parkway cannot assure their stockholders that these risks will not materialize and will not materially affect the business, financial results and stock prices of Cousins or Parkway.

The Merger Agreement contains provisions that could discourage a potential competing acquirer of either Cousins or Parkway or could result in any competing proposal being at a lower price than it might otherwise be.

The Merger Agreement contains provisions that, subject to limited exceptions, restrict the ability of each of Cousins and Parkway to initiate, solicit, knowingly encourage or facilitate competing third-party proposals to effect, among other things, a merger, reorganization, share exchange, consolidation or the purchase or sale of 20% or more of the consolidated assets of Cousins or Parkway. In addition, either Cousins or Parkway generally has an opportunity to offer to modify the terms of the Merger Agreement in response to any competing acquisition proposal (as hereinafter defined) that may be made to the other party before the boards of directors of Cousins or Parkway, as the case may be, may withdraw or modify its recommendation in response to such competing acquisition proposal or terminate the Merger Agreement to enter into such a competing acquisition proposal. In some circumstances, on termination of the Merger Agreement, one of the parties may be required to pay a substantial termination fee or expense reimbursement fee to the other party. For more information, see [The Merger Agreement Termination of the Merger Agreement Termination Fees and Expense Reimbursement](#).

These provisions could discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of Cousins or Parkway from considering or proposing such an acquisition, even if it were prepared to pay consideration with a higher per share cash or market value than that market value proposed to be received or realized in the Merger, or might result in a potential competing acquirer proposing to pay a lower price than it might otherwise have proposed to pay because of the added expense of the termination fee or expense reimbursement fee that may become payable in certain circumstances under the Merger Agreement.

The pendency of the Merger could adversely affect the business and operations of Cousins and Parkway.

In connection with the pending Merger, some customers or vendors of each of Cousins and Parkway may delay or defer decisions, which could adversely affect the revenues, earnings, funds from operations, cash flows and expenses of Cousins and Parkway, regardless of whether the Merger is completed. Similarly, current and prospective employees of Cousins and Parkway may experience uncertainty about their future roles with Cousins

Table of Contents

following the Merger, which may materially adversely affect the ability of each of Cousins and Parkway to attract and retain key personnel during the pendency of the Merger. In addition, due to operating covenants in the Merger Agreement, each of Cousins and Parkway may be unable (without the other party's prior written consent), during the pendency of the Merger, to pursue strategic transactions, undertake significant capital projects, undertake certain significant financing transactions and otherwise pursue other actions, even if such actions would prove beneficial.

Some of the directors and executive officers of Cousins and directors and executive officers of Parkway have interests in seeing the Merger completed that are different from, or in addition to, those of the other Cousins stockholders and Parkway stockholders.

Certain of the directors and executive officers of Cousins and Parkway have interests in the Merger that are different from other Cousins and Parkway stockholders. Some of these interests include:

Pursuant to the Merger Agreement, at the effective time of the Merger, Mr. Taylor Glover will continue as the chairman of the Cousins board of directors and the Cousins board of directors will include five directors who were members of the Cousins board of directors as of April 28, 2016 and are so designated by the Cousins board of directors prior to the effective time of the Merger, three directors who were members of the Parkway board of directors as of April 28, 2016 (and not representatives of the TPG Parties) and are so designated by the Parkway board of directors prior to the effective time of the Merger and one director designated by TPG Pantera pursuant to the Cousins stockholders agreement;

At the effective time of the Merger, the New Parkway board of directors will have seven members, including three directors who were members of the Cousins board of directors as of April 28, 2016 and are so designated by the Cousins board of directors prior to the effective time of the Merger, two directors who were members of the Parkway board of directors as of April 28, 2016 (and not representatives of the TPG Parties) and are so designated by the Parkway board of directors prior to the effective time of the Merger and two directors designated by TPG Pantera pursuant to the New Parkway stockholders agreement;

In connection with the Merger, certain executive officers and directors of Parkway that own stock options, RSUs and LTIP Units of Parkway, in some cases, will have such securities converted into the right to receive options to purchase Cousins common stock, Cousins RSUs, Cousins common stock or common units of Parkway LP. For more information, see *The Merger* Interests of Parkway Directors and Executive Officers in the Merger. These interests may influence the directors and executive officers of Cousins and Parkway and their vote on the applicable stockholder proposals; and

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions of the Merger Agreement, at the effective time of the Merger, the senior leadership team of Cousins will include Mr. Larry Gellerstedt as president and chief executive officer, Mr. Gregg Adzema as executive vice president and chief financial officer, Mr. John McColl as executive vice president, Mr. Colin Connolly as executive vice president and chief investment officer, Ms. Pamela Roper as senior vice president, general counsel and corporate secretary and Mr. Jay Harris as senior vice president, chief accounting officer, treasurer and assistant corporate secretary.

Additionally, Parkway has entered into employment agreements with certain executive officers, pursuant to which such executive officers may become entitled to certain payments of benefits upon the consummation of a change in control and/or upon a related qualifying termination of employment. For more information, see The Merger Interests of Parkway Directors and Executive Officers in the Merger.

Table of Contents

The TPG Parties and Mr. James A. Thomas, the chairman of the Parkway board of directors, are significant stockholders in Parkway and may have interests that differ from Parkway's other stockholders.

The TPG Parties and Mr. James A. Thomas, the chairman of the Parkway board of directors, are significant stockholders in Parkway on a fully diluted basis. In connection with the Merger, the TPG Parties entered into the Cousins stockholders agreement and will enter into the New Parkway stockholders agreement that grant them certain rights, including, among other things, the right to nominate a specified number of directors to the Cousins board of directors and to the New Parkway board of directors following the Merger and the Spin-Off based on their ownership interest in the respective companies. Mr. Thomas, and certain other holders of units of Parkway LP that are affiliated with him, have entered into a letter agreement with Parkway and Parkway LP that provides, among other things, that Parkway will cause Mr. Thomas to be appointed chairman of New Parkway and that Parkway will modify certain existing tax protection agreements in favor of Mr. Thomas. Therefore, the interests of the TPG Parties and Mr. Thomas may differ from the interests of Parkway's other stockholders and, given their significant ownership in Parkway, they may have significant influence on the Parkway Merger Proposal.

If the Merger is not consummated by December 31, 2016 (unless extended under certain circumstances), either Cousins or Parkway may terminate the Merger Agreement.

Either Cousins or Parkway may terminate the Merger Agreement if the Merger has not been consummated by December 31, 2016, subject to an extension to March 31, 2017, if the sole condition to closing that has not been satisfied is full readiness of the Spin-Off. However, this termination right will not be available to a party if that party failed to fulfill its obligations under the Merger Agreement and that failure was the cause of, or resulted in, the failure to consummate the Merger. For more information, see [The Merger](#) [The Merger Agreement](#) [Termination of the Merger Agreement](#) [Termination Fees and Expense Reimbursement](#).

If the Merger does not qualify as a reorganization within the meaning of Section 368(a) of the Code, holders of Parkway common stock may be required to pay substantial U.S. federal income taxes.

Although Cousins and Parkway intend that the Merger qualify as a reorganization within the meaning of Section 368(a) of the Code, it is possible that the Internal Revenue Service (which we refer to as the "IRS") may assert that the Merger fails to qualify as such. If the IRS were to be successful in any such contention, or if for any other reason the Merger were to fail to qualify as a reorganization, each U.S. holder of Parkway common stock would recognize gain or loss with respect to all such U.S. holder's shares of Parkway common stock based on the difference between (i) that U.S. holder's tax basis in such shares and (ii) the aggregate cash and the fair market value of the Cousins common stock received. For more information, see [Material U.S. Federal Income Tax Consequences of the Merger](#).

Risks Relating to the Spin-Off

There can be no assurance that the Spin-Off of New Parkway will occur, and until it is fully ready to be consummated, the Merger Agreement cannot be consummated.

It is the intention of Cousins and Parkway for, and the Merger Agreement contains covenants relating to the steps to be taken by, Cousins and Parkway to enable the Spin-Off of New Parkway to be completed the business day following the closing of the Merger. However, there can be no assurance that the Spin-Off will occur within that time frame, or at all. It is a condition to the closing of the Merger that the Spin-Off be in a state of readiness to be consummated simultaneously with the closing of the Merger. Accordingly, if the Spin-Off is delayed, or preparations are not complete, the Merger may not be consummated. Additionally, if the Spin-Off is not fully ready to be consummated by

March 31, 2017, either party may terminate the Merger Agreement.

Table of Contents

The Spin-Off may not deliver its intended results.

There are several risks and uncertainties related to the Spin-Off, including but not limited to:

whether Cousins will be able to effect the Separation and the UPREIT Reorganization;

whether Cousins will be able to obtain the required regulatory approvals for the Spin-Off or the timing of such approvals;

whether New Parkway will qualify as a REIT, which involves the application of highly technical and complex provisions of the Code, as well as various factual determinations not entirely within the control of the parties;

whether changes in legislation, treasury regulations or IRS interpretations may adversely affect Cousins ability to engage in the Separation or the UPREIT Reorganization, or whether stockholders of New Parkway will benefit from New Parkway qualifying as a REIT;

whether New Parkway is able to complete financings and/or refinancing related to the Spin-Off within an acceptable time frame and on acceptable terms, if at all;

whether New Parkway may be able to conduct and expand its business following the Spin-Off;

whether there could be legal or other challenges to the Spin-Off, including changes in legal, regulatory, market and other circumstances that could lead to the Spin-Off not being pursued; and

whether New Parkway and/or its customers experience financial difficulties from interest rates, general market and economic conditions and other factors, including changes in prices of commodities such as crude oil.

Any one or more of these risks and uncertainties, or any other complexity or aspect of the Spin-Off or its implementation, may cause the Spin-Off to fail or prevent the Spin-Off from being able to be completed. If the Spin-Off is not completed, the Merger may fail to close, as described above.

If the Spin-Off of New Parkway is consummated, the distribution of shares of New Parkway common stock will not qualify for tax-free treatment and may be taxable to you in whole or in part as a dividend and Cousins could incur a corporate income tax liability.

If the Spin-Off of New Parkway is consummated, the distribution of shares of New Parkway common stock will not qualify for tax-deferred treatment and will be treated as a taxable distribution to Cousins stockholders for U.S. federal income tax purposes. An amount equal to the fair market value of the shares of New Parkway common stock received

by you on the distribution date in the Spin-Off will generally be treated as a taxable dividend to the extent of your ratable share of any current or accumulated earnings and profits of Cousins (including gain recognized by Cousins in connection with the Separation and the Spin-Off), with the excess treated first as a non-taxable return of capital to the extent of your tax basis in Cousins common stock and any remaining excess treated as capital gain. Your tax basis in shares of Cousins common stock held at the time of the distribution will be reduced (but not below zero) to the extent the fair market value of shares of New Parkway common stock distributed by Cousins to you in the Spin-Off exceeds your ratable share of Cousins' current and accumulated earnings and profits. Your holding period for such Cousins shares will not be affected by the distribution. Cousins will not be able to advise you of the amount of earnings and profits of Cousins until after the end of the 2016 calendar year. However, Cousins anticipates that it will recognize a substantial amount of gain for tax purposes in connection with the Separation that will have the effect of substantially increasing its earnings and profits for the year in which the Spin-Off occurs. In addition, Cousins or other applicable withholding agents may be required or permitted to withhold at the applicable rate on all or a portion of the distribution payable to non-U.S. stockholders, and any such withholding would be satisfied by Cousins or such agent by withholding and selling a portion of the shares of New Parkway common stock that otherwise would be distributable to non-U.S. stockholders or by withholding from other property held in the non-U.S. stockholder's account with the withholding agent.

Table of Contents

Although Cousins will be ascribing a value to the shares of New Parkway common stock in the distribution for tax purposes, this valuation is not binding on the IRS or any other tax authority. These taxing authorities could ascribe a higher valuation to those shares, particularly if shares of New Parkway common stock trade at prices significantly above the value ascribed to those shares by Cousins in the period following the distribution. Such a higher valuation may cause a larger reduction in the tax basis of your Cousins shares or may cause you to recognize additional dividend or capital gain income. You should consult your own tax advisor as to the particular tax consequences of the distribution to you.

Cousins anticipates that most of the gain it recognizes in connection with the Separation will be able to be offset, for U.S. federal income tax purposes, with net operating losses of Parkway that it will succeed to in the Merger, such that most of such gain will not be subject to U.S. federal income tax, but there can be no assurance that the IRS will not contend, perhaps successfully, that some or all of those losses are not available to offset such gain. If the IRS were successful in making such contention, Cousins could incur a significant corporate income tax liability in connection with the Separation and the Spin-Off.

New Parkway may be unable to obtain the financing required to consummate the Spin-Off.

In connection with the Merger and the Spin-Off, Parkway and Parkway LP have entered into a Commitment Letter pursuant to which certain Lenders have, among other things, agreed to provide to a subsidiary of Parkway (which subsidiary will be New Parkway LP), the New Parkway Term Loan with an aggregate principal amount of up to \$350 million, and the New Parkway Revolving Credit Facility with an aggregate principal amount of up to \$50 million, that may be increased to \$100 million subject to the satisfaction of certain conditions. The funding of the New Parkway Credit Facilities is contingent on the closing of the Merger and certain other conditions set forth in the Commitment Letter, including the completion by the financial institutions of certain confirmatory due diligence. There can be no assurance that the conditions to the funding of the New Parkway Credit Facilities will be satisfied or that, if the New Parkway Credit Facilities become unavailable, Cousins, Parkway, and New Parkway will be able to obtain alternative financing on similar terms or at all. If the New Parkway Credit Facilities become unavailable, and Cousins, Parkway and New Parkway are unable to obtain alternative financing, New Parkway may not be able to obtain a solvency opinion and a condition to the consummation of the Merger and the Spin-Off may not be satisfied. In addition, if the New Parkway Credit Facilities become unavailable, and Cousins, Parkway and New Parkway are unable to obtain alternative financing, Parkway LP may be unable to repay certain indebtedness of Parkway LP (which we refer to as the Parkway Credit Facilities). If the Parkway Credit Facilities are not repaid, the consummation of the Merger will result in an event of default thereunder.

Following the Spin-Off, New Parkway will have a substantial amount of indebtedness and may need to incur more in the future.

After the Spin-Off, New Parkway is expected to have a substantial amount of outstanding indebtedness under the New Parkway Credit Facilities. The amount of such indebtedness could have material adverse consequences for New Parkway, including:

hindering New Parkway's ability to adjust to changing market, industry or economic conditions;

limiting New Parkway's ability to access the capital markets to raise additional equity or refinance maturing debt on favorable terms or to fund acquisitions or emerging businesses;

limiting the amount of free cash flow available to New Parkway for future operations, acquisitions, dividends, stock repurchases or other use;

making New Parkway more vulnerable to economic or industry downturns, including changes in interest rate and changes in prices of commodities such as crude oil; and

placing New Parkway at a competitive disadvantage compared to less leveraged competitors.

Table of Contents

Moreover, to respond to competitive challenges, New Parkway may be required to raise substantial additional capital to execute its business strategy. New Parkway's ability to arrange additional financing will depend on, among other factors, its financial position and performance, as well as prevailing market conditions and other factors beyond its control. If New Parkway is able to obtain additional financing, its credit ratings could be further adversely affected, which could further raise borrowing costs and further limit future access to capital and its ability to satisfy its obligations under the New Parkway Credit Facilities.

Following the Spin-Off, New Parkway will be subject to various covenants that may limit its ability to take certain actions and would require New Parkway to meet certain financial maintenance tests. Failure to comply with these terms could have an adverse effect on the financial condition of New Parkway.

Pursuant to the Commitment Letter, certain Lenders have agreed to provide to New Parkway the New Parkway Term Loan and New Parkway Revolving Credit Facility. The credit agreement governing the New Parkway Credit Facilities is expected to contain restrictions on the amount of debt New Parkway may incur and other restrictions on its operations. These restrictions, as well as any additional restrictions to which New Parkway may become subject to in connection with additional financings or refinancings, could restrict its ability to pursue business initiatives, effect certain transactions or make other changes to its business that may otherwise be beneficial to it, which could adversely affect its results of operations. In addition, violations of these covenants could cause declaration of defaults under, and acceleration of, any related indebtedness, which would result in adverse consequences to New Parkway's financial condition. The credit agreement governing the New Parkway Credit Facilities is expected to contain cross-acceleration provisions that give the Lenders the right to declare a default if New Parkway is in default resulting in (or permitting the) acceleration of other debt in excess of certain amounts. In the event of a default, New Parkway may be required to repay such debt with capital from other sources, which may not be available to it on attractive terms, or at all, which would have a material adverse effect on New Parkway's business, financial condition and results of operations.

Following the Spin-Off, New Parkway's ability to refinance its indebtedness or dispose of certain assets may be adversely affected by the tax considerations of certain holders of Parkway LP units.

Mr. James A. Thomas and the Thomas Investors have significant deferred tax liabilities with respect to certain assets that will be owned by New Parkway. Concurrently with the execution of the Merger Agreement, Parkway and Parkway LP entered into a letter agreement with the Thomas Investors (which we refer to as the Thomas Letter Agreement) that, among other things, extended until October 2021 the period during which New Parkway would be required to provide debt guaranty or contribution opportunities to the Thomas Investors. For more information, see The Merger Thomas Letter Agreement. Although the Thomas Letter Agreement only requires that New Parkway use commercially reasonable efforts to provide replacement debt guaranty or contribution opportunities if the existing opportunities are no longer available, and the Parkway Partnership Agreement does not require the general partner to take into account the tax consequences of individual limited partners in its decisions regarding financing and individual asset sales, so long as the general partner acts in good faith, the New Parkway board of directors may nevertheless be influenced by the adverse tax consequences to the Thomas Investors when deciding how to refinance or sell New Parkway's assets, because of Mr. Thomas' role as chairman of the board and the magnitude of the consequences for the Thomas Investors.

Risks Relating to Cousins after Completion of the Merger and the Spin-Off

Cousins expects to incur substantial expenses related to the Merger and the Spin-Off.

Cousins expects to incur substantial expenses in completing the Merger and integrating the business, operations, networks, systems, technologies, policies and procedures of Cousins and Parkway, as well as in the Separation, the

UPREIT Reorganization and the Spin-Off. There are a large number of systems that must be integrated or separated in the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, including leasing, billing, management information, purchasing, accounting and finance, sales, payroll and benefits, fixed

Table of Contents

asset, lease administration and regulatory compliance. While Cousins and Parkway have assumed that a certain level of transaction and integration expenses would be incurred, there are a number of factors beyond their control that could affect the total amount or the timing of their integration expenses. Many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time. The expenses in connection with the Merger, the Separation, the UPREIT Reorganization and the Spin-Off are expected to be significant, although the aggregate amount and timing of such charges are uncertain at present.

Following the Merger and the Spin-Off, Cousins may be unable to integrate the business of Parkway successfully, separate the business of New Parkway successfully or realize the anticipated synergies and related benefits of the Merger and the Spin-Off or do so within the anticipated time frame.

The Merger involves the combination of two companies which currently operate as independent public companies. The Separation, the UPREIT Reorganization and the Spin-Off involve the separation, reorganization and distribution of combined assets of two companies that currently operate as independent public companies. Cousins will be required to devote significant management attention and resources to integrating the business practices and operations of Parkway, and each of Cousins and Parkway will be required to devote significant management attention and resources to the Separation, the UPREIT Reorganization and the Spin-Off. Potential difficulties Cousins, Parkway or New Parkway may encounter in the integration process or in the Separation, the UPREIT Reorganization and the Spin-Off include the following:

the inability to successfully combine the businesses of Cousins and Parkway and separate the business of New Parkway in a manner that permits Cousins to achieve the cost savings anticipated to result from the Merger, which would result in some anticipated benefits of the Merger not being realized in the time frame currently anticipated or at all;

lost sales and tenants as a result of certain tenants of either of Cousins or Parkway deciding not to do business with Cousins or New Parkway;

the complexities associated with managing Cousins out of several different locations and integrating personnel from the two companies, as well as complexities associated with the separation of personnel at New Parkway and integrating personnel from Cousins and Parkway in New Parkway;

the additional complexities of combining two companies with different histories, cultures, regulatory restrictions, markets and customer bases;

the failure by Cousins or New Parkway to retain key employees of either of the two companies;

potential unknown liabilities and unforeseen increased expenses, delays or regulatory conditions associated with the Merger and the Spin-Off; and

performance shortfalls at one or both of the two companies as a result of the diversion of management's attention caused by completing the Merger and integrating the companies' operations.

For all these reasons, you should be aware that it is possible that the integration process or the Separation, the UPREIT Reorganization and the Spin-Off could result in the distraction of Cousins', Parkway's or New Parkway's management, the disruption of Cousins' or New Parkway's ongoing business or inconsistencies in Cousins' or New Parkway's services, standards, controls, procedures and policies, any of which could adversely affect the ability of Cousins or New Parkway to maintain relationships with tenants, customers, vendors and employees or to achieve the anticipated benefits of the Merger, or could otherwise adversely affect the business and financial results of Cousins or New Parkway.

Following the Merger and the Spin-Off, Cousins or New Parkway may be unable to retain key employees.

The success of Cousins after the Merger will depend in part upon its ability to retain key Cousins and Parkway employees. The success of New Parkway after the Spin-Off will depend in part upon its ability to retain

Table of Contents

key Cousins and Parkway employees. Key employees may depart either before or after the Merger or Spin-Off because of issues relating to the uncertainty and difficulty of separation or integration or a desire not to remain with Cousins or New Parkway following the Merger or Spin-Off. Accordingly, no assurance can be given that Cousins, Parkway or, following the Merger and the Spin-Off, Cousins or New Parkway will be able to retain key employees to the same extent as in the past.

The Merger will result in changes to the Cousins board of directors that may affect the strategy of Cousins after the Merger. After the Spin-Off, New Parkway will have a different board of directors than either Cousins or Parkway prior to the Merger.

If the parties complete the Merger, the composition of the Cousins board of directors will change from the current boards of Cousins and Parkway. At the effective time of the Merger, the Cousins board of directors will have nine members, with Mr. Taylor Glover continuing as the chairman of the Cousins board of directors. The Cousins board of directors at the effective time of the Merger will consist of five directors who were members of the Cousins board of directors as of April 28, 2016 and are so designated by the Cousins board of directors prior to the effective time of the Merger, three directors who were members of the Parkway board of directors as of April 28, 2016 (and not representatives of the TPG Parties) and are so designated by the Parkway board of directors prior to the effective time of the Merger and one director designated by TPG Pantera pursuant to the Cousins stockholders agreement, as described below. For more information, see The Merger Agreements with the TPG Parties Cousins Stockholders Agreement.

If the parties complete the Spin-Off, the composition of the New Parkway board of directors will change from the current boards of Cousins and Parkway. Following the Spin-Off, the New Parkway board of directors will have seven members. The New Parkway board of directors at the effective time of the Merger will consist of three directors who were members of the Cousins board of directors as of April 28, 2016 and are so designated by the Cousins board of directors prior to the effective time of the Merger, two directors who were members of the Parkway board of directors as of April 28, 2016 (and not representatives of the TPG Parties) and are so designated by the Parkway board of directors prior to the effective time of the Merger and two directors designated by TPG Pantera pursuant to the New Parkway stockholders agreement, as described below. For more information, see The Merger Agreements with the TPG Parties New Parkway Stockholders Agreement.

The future results of Cousins will suffer if Cousins does not effectively manage its operations following the Merger and the Spin-Off.

Following the Merger, Cousins may continue to expand its operations through additional acquisitions, development opportunities and other strategic transactions, some of which involve complex challenges. The future success of Cousins will depend, in part, upon the ability of Cousins to manage its expansion opportunities, which poses substantial challenges for Cousins to integrate new operations into its existing business in an efficient and timely manner, to successfully monitor its operations, costs, regulatory compliance and service quality and to maintain other necessary internal controls. Cousins cannot assure you that its expansion or acquisition opportunities will be successful, or that it will realize its expected operating efficiencies, cost savings, revenue enhancements, synergies or other benefits.

The trading price of shares of Cousins common stock and New Parkway common stock following the Merger and the Spin-Off may be affected by factors different from those affecting the price of shares of Cousins common stock or Parkway common stock before the Merger and the Spin-Off.

If the Merger is completed, legacy Cousins stockholders will become holders of approximately 52% of the outstanding shares of Cousins common stock and legacy Parkway stockholders will become holders of approximately 48% of the outstanding shares of Cousins common stock. If the Spin-Off is completed, legacy Cousins stockholders will become holders of approximately 52% of the outstanding shares of the common stock of New Parkway, and legacy Parkway stockholders will become holders of approximately 48% of the

Table of Contents

outstanding shares of common stock of New Parkway. The results of operations of Cousins and New Parkway, as well as the trading price of Cousins common stock and New Parkway common stock, after the Merger and the Spin-Off may be affected by factors different from those currently affecting Cousins or Parkway's results of operations and the trading prices of Cousins common stock and Parkway common stock. These factors include:

a greater number of shares of Cousins common stock outstanding, as compared to the number shares of Cousins common stock outstanding;

different stockholders in both Cousins and New Parkway; and

Cousins and New Parkway owning different assets and maintaining different capitalizations. Accordingly, the historical trading prices and financial results of Cousins and Parkway may not be indicative of these matters for Cousins and New Parkway after the Merger and the Spin-Off. For more information, see [Where You Can Find More Information](#).

At the effective time of the Merger, the TPG Parties will become significant stockholders of Cousins and may have conflicts of interest with Cousins in the future.

At the effective time of the Merger, the TPG Parties will own approximately 10% of outstanding shares of Cousins common stock, based on their ownership of 23,663,397 shares of common stock of Parkway, or approximately 21.2%, as of April 28, 2016. This concentration of ownership in one stockholder could potentially be disadvantageous to the interests of other Cousins stockholders. In addition, if the TPG Parties were to sell or otherwise transfer all or a large percentage of their holdings, Cousins' stock price could decline, and Cousins could find it difficult to raise capital, if needed, through the sale of additional equity securities.

The interests of the TPG Parties may differ from the interests of other Cousins stockholders in material respects. For example, the TPG Parties may have an interest in directly or indirectly pursuing acquisitions, divestitures, financings or other transactions that, in their judgment, could enhance their other equity investments, even though such transactions might involve risks to Cousins. The TPG Parties are in the business of making or advising on investments in companies, and may, from time to time in the future, acquire interests in, or provide advice to, businesses that directly or indirectly compete with certain portions of Cousins' business. They may also pursue acquisition opportunities that may be complementary to Cousins' business, and, as a result, those acquisition opportunities may not be available to Cousins. The ability of the TPG Parties to influence the Cousins board of directors following the Merger might involve risks to Cousins, as the TPG Parties may have an interest in directly or indirectly pursuing acquisitions, divestitures, financings or other transactions that, in the TPG Parties' judgment, could enhance the TPG Parties or their affiliates' other equity investments, even though such transactions might involve risks to Cousins. For more information, see [The Merger Agreements with the TPG Parties Cousins Stockholders Agreement](#).

The Cousins stockholders agreement with the TPG Parties grants TPG Pantera certain rights that may restrain Cousins' ability to take various actions in the future.

In connection with the signing of the Merger Agreement, Cousins and the TPG Parties entered into the Cousins stockholders agreement, pursuant to which Cousins granted TPG Pantera certain board rights that could allow TPG Pantera to influence the Cousins board of directors. Under the Cousins stockholders agreement, and subject to the

terms and conditions of the Cousins stockholders agreement, for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera) beneficially owns at least 5% of Cousins common stock on an as-converted basis, TPG Pantera will have the right to nominate one director to the Cousins board of directors. In addition, for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera) beneficially owns at least 5% of Cousins common stock on an as-converted basis, TPG Pantera will have the right to have its nominee to the Cousins board of directors appointed to the Investment and the Compensation, Succession, Nominating and Governance Committees of the Cousins board of directors. For more information, see The Merger Agreements with the TPG Parties Cousins Stockholders Agreement.

Table of Contents***Counterparties to certain significant agreements with Cousins or Parkway may exercise contractual rights under such agreements in connection with the Merger, the Separation, the UPREIT Reorganization and the Spin-Off.***

Cousins and Parkway are each party to certain agreements that give the counterparty certain rights following a change in control, including in some cases the right to terminate the agreement. Under some such agreements, the Merger, the Separation, the UPREIT Reorganization or the Spin-Off will constitute a change in control and therefore the counterparty may exercise certain rights under the agreement during the pendency of the Separation, the UPREIT Reorganization or upon the closing of the Merger or the Spin-Off. Certain Cousins and Parkway funds, joint ventures, management and servicing contracts, leases and debt obligations have agreements subject to such provisions. Any such counterparty may request modifications of its respective agreements as a condition to granting a waiver or consent under its agreement. There is no assurance that such counterparties will not exercise their rights under the agreements, including termination rights where available, that the exercise of any such rights will not result in a material adverse effect or that any modifications of such agreements will not result in a material adverse effect.

Risks Relating to the Status of Cousins and Parkway as REITs***Cousins may incur adverse tax consequences if Parkway has failed or fails to qualify as a REIT for U.S. federal income tax purposes.***

It is a condition to the obligation of Cousins to complete the Merger that Parkway receive an opinion of counsel to the effect that, commencing with Parkway's taxable year ended December 31, 2010 and through the effective time of the Merger, Parkway has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code. The opinion will be subject to customary exceptions, assumptions and qualifications and will be based on customary representations made by Parkway, and if any such representations are or become inaccurate or incomplete, such opinion may be invalid and the conclusions reached therein could be jeopardized. In addition, the opinion will not be binding on the IRS or any court, and there can be no assurance that the IRS will not take a contrary position or that such position would not be sustained. If Parkway has failed or fails to qualify as a REIT for U.S. federal income tax purposes and the Merger is completed, Cousins generally would succeed to and may incur significant tax liabilities and Cousins could possibly fail to qualify as a REIT. In addition, if Parkway has failed or fails to qualify as a REIT for U.S. federal income tax purposes and the Merger is completed, for the five-year period following the effective time of the Merger, upon a taxable disposition of any of Parkway's assets, Cousins generally would be subject to corporate level tax with respect to any gain in such asset at the time of the Merger.

REITs are subject to a range of complex organizational and operational requirements.

As REITs, each of Cousins and Parkway must distribute to its stockholders with respect to each taxable year at least 90% of its REIT taxable income (which does not equal net income, as calculated in accordance with GAAP), without regard to the deduction for dividends paid and excluding net capital gain. A REIT must also meet certain requirements with respect to the nature of its income and assets and the ownership of its stock. For any taxable year that Cousins or Parkway fails to qualify as a REIT, it will not be allowed a deduction for dividends paid to its stockholders in computing taxable income, and thus would become subject to U.S. federal income tax as if it were a regular taxable corporation. In such an event, Cousins or Parkway, as the case may be, could be subject to potentially significant tax liabilities. Unless entitled to relief under certain statutory provisions, Cousins or Parkway, as the case may be, would also be disqualified from treatment as a REIT for the four taxable years following the year in which it lost its qualification, and dispositions of assets within five years after requalifying as a REIT could give rise to gain that would be subject to corporate income tax. If Cousins or Parkway failed to qualify as a REIT, the market price of Cousins common stock may decline, and Cousins may need to reduce substantially the amount of distributions to its stockholders because of its potentially increased tax liability.

Table of Contents

The tax on prohibited transactions will limit Cousins' ability to engage in certain transactions which would be treated as prohibited transactions for U.S. federal income tax purposes.

Net income that Cousins derives from a prohibited transaction will be subject to a 100% tax. The term "prohibited transaction" generally includes a sale or other disposition of property that is held primarily for sale to customers in the ordinary course of Cousins' trade or business. Cousins might be subject to this tax if it were to dispose of its property, including historic Parkway properties, in a manner that was treated as a prohibited transaction for U.S. federal income tax purposes.

Risks Relating to an Investment in Cousins Common Stock following the Merger and the Spin-Off

The market price of Cousins common stock may decline as a result of the Merger and the Spin-Off.

The market price of Cousins common stock may decline as a result of the Merger and the Spin-Off if Cousins does not achieve the perceived benefits of the Merger and the Spin-Off or the effect of the Merger and the Spin-Off on Cousins financial results is not consistent with the expectations of financial or industry analysts.

In addition, upon consummation of the Merger and the Spin-Off, Cousins stockholders and Parkway stockholders will own interests in Cousins, which will operate an expanded business with a different mix of properties, risks and liabilities. Current stockholders of Cousins and Parkway may not wish to continue to invest in Cousins, or for other reasons may wish to dispose of some or all of their shares of Cousins common stock. If, following the effective time of the Merger, large amounts of Cousins common stock are sold, the price of Cousins common stock could decline.

After the Merger and the Spin-Off is completed, Parkway stockholders who receive shares of Cousins common and limited voting preferred stock in the Merger and shares of New Parkway common and limited voting stock in the Spin-Off will have different rights that may be less favorable than their current rights as Parkway stockholders.

After the effective time of the Merger, Parkway stockholders who receive shares of Cousins common and limited voting preferred stock in the Merger will have different rights, which may be less favorable than their current rights as Parkway stockholders. For example, the Cousins Articles provide for a supermajority vote for transactions in which Cousins merges with or into another corporation, which may discourage takeover attempts and deprive stockholders from receiving a premium for their shares. For more information, see "Comparison of Rights of Cousins Stockholders and Parkway Stockholders."

The rights of New Parkway common stockholders and limited voting stockholders will be provided for in New Parkway's articles of incorporation and bylaws.

Following the Merger and the Spin-Off, Cousins may not continue to pay dividends at or above the rate currently paid by Cousins or Parkway.

Following the Merger and the Spin-Off, and on the terms and subject to the conditions of the Merger Agreement, the stockholders of Cousins may not receive dividends at the same rate that they did as stockholders of Cousins or Parkway prior to the Merger for various reasons, including the following:

Cousins may not have enough cash to pay such dividends due to changes in Cousins' cash requirements, capital spending plans, cash flow or financial position;

decisions on whether, when and in what amounts to pay any future dividends will remain at all times entirely at the discretion of the Cousins board of directors, which reserves the right to change Cousins dividend practices at any time and for any reason; and

the amount of dividends that Cousins subsidiaries may distribute to Cousins may be subject to restrictions imposed by state law and restrictions imposed by the terms of any current or future indebtedness that these subsidiaries may incur.

Table of Contents

Stockholders of Cousins will have no contractual or other legal right to dividends that have not been declared by the Cousins board of directors.

Other Risks

Prior to the effective time of the Merger, Parkway is planning to effect certain asset sales, and cannot guarantee that such asset sales will be consummated on favorable terms or at all.

In connection with the Merger, and on the terms and subject to the conditions of the Merger Agreement, Parkway has agreed to use commercially reasonable efforts to sell certain properties in Jacksonville and Miami, Florida and Philadelphia, Pennsylvania. There can be no guarantee that Parkway will be able to effect these asset sales on favorable terms or at all, which may have an adverse effect on the business, operations, leverage or liquidity of Cousins after the effective time of the Merger.

Following the Merger, Cousins will have a substantial amount of indebtedness and may need to incur more in the future.

Cousins has substantial indebtedness, and in connection with the Merger and the Spin-Off may incur additional indebtedness. The incurrence of new indebtedness could have adverse consequences on Cousins' business following the Merger and the Spin-Off, such as:

requiring Cousins to use a substantial portion of its cash flow from operations to service its indebtedness, which would reduce the available cash flow to fund working capital, capital expenditures, development projects, and other general corporate purposes and reduce cash for distributions;

limiting Cousins' ability to obtain additional financing to fund Cousins' working capital needs, acquisitions, capital expenditures, or other debt service requirements or for other purposes;

increasing the costs to Cousins of incurring additional debt;

increasing Cousins' exposure to floating interest rates;

limiting Cousins' ability to compete with other companies that are not as highly leveraged, as Cousins may be less capable of responding to adverse economic and industry conditions;

restricting Cousins from making strategic acquisitions, developing properties, or exploiting business opportunities;

restricting the way in which Cousins conducts its business because of financial and operating covenants in the agreements governing Cousins' existing and future indebtedness;

exposing Cousins to potential events of default (if not cured or waived) under covenants contained in Cousins' debt instruments that could have a material adverse effect on Cousins' business, financial condition, and operating results;

increasing Cousins' vulnerability to a downturn in general economic conditions; and

limiting Cousins' ability to react to changing market conditions in its industry.

The impact of any of these potential adverse consequences could have a material adverse effect on Cousins' results of operations, financial condition, and liquidity.

The historical and unaudited pro forma combined condensed financial information included elsewhere in this joint proxy statement/prospectus may not be representative of Cousins' results after the Merger and the Spin-Off, and accordingly, you have limited financial information on which to evaluate Cousins.

The unaudited pro forma combined condensed financial information included elsewhere in this joint proxy statement/prospectus has been presented for informational purposes only and is not necessarily indicative of the financial position or results of operations that actually would have occurred had the Merger and the Spin-Off been completed as of the dates indicated, nor is it indicative of the future operating results or financial position of Cousins after the Merger and the Spin-Off. The unaudited pro forma combined condensed financial information reflects adjustments, which are based upon preliminary estimates, to allocate the purchase price to Parkway's assets and liabilities. The purchase price allocation reflected in the unaudited pro forma combined condensed financial information included elsewhere in this joint proxy statement/prospectus is preliminary, and the final allocation of the purchase price will be based upon the actual purchase price and the fair value of the assets and liabilities of Parkway as of the date of the completion of the Merger. The unaudited pro forma combined condensed financial information does not reflect future events that may occur after the Merger and the Spin-Off, including the costs related to the planned integration of the two companies and any future nonrecurring charges resulting from the Merger and the Spin-Off, and does not consider potential impacts of current market conditions on revenues or expense efficiencies. The unaudited pro forma combined condensed financial information presented elsewhere in this joint proxy statement/prospectus is based in part on certain assumptions regarding the Merger and the Spin-Off that Cousins and Parkway believe are reasonable under the circumstances. Cousins and Parkway cannot assure you that the assumptions will prove to be accurate over time.

The business of New Parkway could be adversely affected by a decline in commodity prices.

Following the Spin-Off, New Parkway is expected to own approximately 8.7 million rentable square feet of commercial real estate in Houston, Texas. The Houston market is economically dependent on the petroleum industry. A key economic variable that affects the petroleum industry is the price of crude oil, which can be influenced by general economic conditions, industry inventory levels, production quotas imposed by the Organization of Petroleum Exporting Countries, weather-related damage and disruptions, competing fuel prices and geopolitical risk. If the Houston market faces significant exposure to fluctuations in global crude oil prices, particularly for extended periods of time, or oil prices continue to decrease, the Houston market may experience business layoffs, downsizing, consolidations, industry slowdowns and other similar factors. These potential risks to customers of New Parkway could adversely affect commercial real estate fundamentals and result in lower occupancy, increased market for sublease space, lower rental rates and declining values in the real estate portfolio of New Parkway.

Cousins, Parkway and New Parkway face other risks.

The risks listed above are not exhaustive, and you should be aware that, following the Merger and the Spin-Off, Cousins will face various other risks, including those discussed in reports filed by Cousins and Parkway with the SEC. For more information, see [Where You Can Find More Information](#).

You should be aware that, following the Spin-Off, New Parkway will face various other risks that New Parkway will discuss in its reports and filings with the SEC, which are not incorporated by reference into this joint proxy statement/prospectus.

THE MERGER

The following is a discussion of the Merger and the material terms of the Merger Agreement by and between Cousins and Parkway. You are urged to read the Merger Agreement carefully and in its entirety, a copy of which is attached as Annex A to this joint proxy statement/prospectus and incorporated by reference into this joint proxy statement/prospectus.

Background of the Merger

Each of the Cousins board of directors and Parkway board of directors, acting independently and with the advice of their respective management teams, periodically and in the ordinary course of business, reviews and assesses the performance, business, strategic direction and prospects of Cousins and Parkway, respectively, in light of the current business and economic environment, as well as developments in the office REIT sector, the broader commercial real estate market and the conditions of the capital markets in connection with consideration of their respective long-term business strategies to enhance value for their respective stockholders. From time to time, the boards of directors and management teams of Cousins and Parkway have evaluated and considered a variety of potential financial and strategic options in light of industry developments, changing economic and market conditions and challenges facing participants in the commercial real estate industry.

In this regard, members of the management teams of both Cousins and Parkway from time to time have met or otherwise communicated informally with representatives of other real estate companies and investors regarding industry trends and issues and the performance, business, strategic direction and prospects of their respective companies, including on occasion discussing the possible benefits and issues arising from potential business combinations or other strategic transactions. Cousins was among the companies with which members of Parkway's management team had informal communications from time to time, including on an informal basis at industry events and elsewhere, and each of Cousins and Parkway was generally familiar with the businesses and operations of the other company. The management teams of Cousins and Parkway regularly updated the members of their respective boards of directors on the status of these communications, both individually and in executive sessions at regularly scheduled board meetings.

On December 10, 2013, the Cousins board of directors met. In an executive session at the meeting, Mr. Larry Gellerstedt, president and chief executive officer of Cousins, reviewed and discussed with the directors the potential trend toward consolidation in the Sun Belt office REIT sector. In light of this potential trend, Mr. Gellerstedt reviewed and discussed with the directors the strategic advantages of a potential transaction that would result in Cousins becoming a larger and more diverse company with an expanded portfolio, greater tenant and geographic diversity and enhanced access to capital markets. Mr. Gellerstedt identified Parkway as a potential counterparty for a business combination transaction with Cousins based on its portfolio of Sun Belt office properties. Mr. Gellerstedt reviewed and discussed with the directors, on a preliminary basis, his views on a potential business combination transaction with Parkway, including with respect to, among other things, the pro forma portfolio of the combined company and the potential structure, terms and benefits of a transaction. Mr. Gellerstedt reviewed and discussed with the directors his view that, in order to achieve Cousins' strategic objectives in connection with a potential business combination transaction with Parkway, the combined company would have to sell certain of Parkway's real estate assets located in certain markets in which Cousins did not then own real estate assets. Following discussion, the Cousins board of directors directed Cousins to continue reviewing a potential business combination transaction with Parkway.

On January 28, 2014, Mr. Gellerstedt met with Mr. James R. Heistand, president and chief executive officer of Parkway, in order to discuss industry trends and issues and the performance, business, strategic direction and prospects of their respective companies. During the meeting, Mr. Heistand informally conveyed interest in exploring a

potential business combination with Cousins.

Following this meeting and over the next three months, Cousins continued reviewing a potential business combination transaction with Parkway. During this period, Mr. Gellerstedt regularly updated the members of the

Cousins board of directors on the status of this review, both individually and in executive sessions at regularly scheduled meetings of the Cousins board of directors and the members of the Cousins board of directors expressed support for continuing this review.

On May 6, 2014, the Cousins board of directors met. In an executive session at the meeting, Mr. Gellerstedt reviewed and discussed with the directors preliminary perspectives on a potential business combination transaction with Parkway, including with respect to, among other things, the potential structure, terms and benefits of a transaction. Following discussion, the Cousins board of directors directed Cousins to continue reviewing a potential business combination transaction with Parkway and to enter into discussions with Parkway about a potential business combination transaction.

Later on May 6, 2014, Mr. Gellerstedt met with Mr. Heistand to discuss industry trends and issues and the strategic direction of their respective companies. During the meeting, Mr. Heistand again informally conveyed interest in exploring a potential business combination transaction with Cousins, and Messrs. Heistand and Gellerstedt discussed the potential benefits of a business combination transaction involving the two companies.

During May and June 2014, representatives of Cousins and Parkway had further discussions by phone and in person regarding a potential business combination transaction involving the two companies that would be structured with a proposed exchange ratio that would reflect an at-the-market transaction based on the unaffected market prices of Cousins common stock and Parkway common stock and no payment of a control premium to stockholders of Cousins or Parkway. During this period, Messrs. Gellerstedt and Heistand regularly updated the members of their respective boards of directors on the status of these discussions, both individually and in executive sessions at regularly scheduled board meetings and the members of their respective boards of directors expressed continued support for these discussions. In addition, the members of the Cousins board of directors expressed support for representatives of Cousins sending Parkway a non-binding term sheet with respect to a potential business combination transaction involving the two companies that would be structured with a proposed exchange ratio that would reflect an at-the-market transaction based on the unaffected market prices of Cousins common stock and Parkway common stock and no payment of a control premium to stockholders of Cousins or Parkway.

On June 9, 2014, representatives of Cousins sent Parkway a non-binding term sheet, consistent with the terms discussed by the members of the Cousins board of directors, with respect to a potential business combination transaction involving the two companies that would be structured with a proposed exchange ratio that would reflect an at-the-market transaction based on the unaffected market prices of Cousins common stock and Parkway common stock and no payment of a control premium to stockholders of Cousins or Parkway.

On June 19, 2014, Messrs. Gellerstedt, Heistand and Taylor Glover, the non-executive independent chairman of the Cousins board of directors, met in person to discuss the potential structure, terms and benefits of a business combination transaction, including the potential pro forma business plans of the combined company, governance and operational matters and the potential management team of the combined company. Mr. Heistand informed Messrs. Gellerstedt and Glover that the Parkway board of directors and the TPG Parties, in their role as stockholders of Parkway (at the time, the TPG Parties held 23.9% of the outstanding shares of Parkway common stock), would not support a business combination transaction between Cousins and Parkway that did not involve a control premium paid to Parkway stockholders. Messrs. Gellerstedt and Glover reiterated that Cousins was interested in pursuing a potential business combination transaction that would be structured with a proposed exchange ratio that would reflect an at-the-market transaction based on the unaffected market prices of Cousins common stock and Parkway common stock and no payment of a control premium to stockholders of Cousins or Parkway.

During late June through August 2014, representatives of Cousins and Parkway held further informal discussions by phone and in person regarding a potential business combination transaction involving the two companies. During this period, Cousins continued to require that any such transaction between the two

Table of Contents

companies must be structured as an at-market transaction, while representatives of Parkway continued to state that the Parkway board of directors and the TPG Parties, in their role as stockholders of Parkway, would not support a business combination transaction between Cousins and Parkway that did not involve a control premium paid to Parkway stockholders.

On August 20, 2014, Messrs. Heistand and Gellerstedt spoke telephonically and mutually determined to terminate discussions regarding a potential business combination transaction given the inability to reach an agreement on an approach with respect to transaction consideration.

In early 2015, the Parkway board of directors held a series of meetings and decided to explore possible sale or business combination transactions in order to enhance stockholder value, including through a potential third-party solicitation process for indications of interest in a potential sale and/or business combination transaction (which we refer to as a third-party solicitation process). In taking this step, the Parkway board of directors took into consideration its view that the value of Parkway's real estate asset portfolio, which had been substantially reconstituted since 2011, was achieving historically high rental rates and low capitalization rates in markets in which it was operating, with the exception of the Houston market, which the Parkway board of directors expected, given the impact of declining crude oil prices on the Houston economy, would have a negative effect on the overall strong performance of Parkway in the short-to-medium term. The Parkway board of directors believed that, despite what they viewed as strong performance in all of Parkway's markets other than Houston, Parkway's access to capital would be limited by the negative effects of the Houston market on Parkway's stock price.

During this period, from time to time, Parkway's management and representatives engaged in informal discussions with four publicly traded REITs, one of which was Cousins, regarding potential strategic transaction opportunities. These four publicly traded REITs were identified based on their likely interest in a potential strategic transaction with Parkway, as well as their expected capacity to consummate such a transaction with Parkway. During this period, Messrs. Gellerstedt and Heistand regularly updated the members of their respective boards of directors on the status of these discussions, both individually and in executive sessions at regularly scheduled board meetings and the members of their respective boards of directors expressed continued support for these discussions.

On April 16, 2015, the Parkway board of directors held a special meeting to interview four investment banks, including BofA Merrill Lynch and Wells Fargo Securities, regarding their possible engagement as financial advisors to Parkway in its consideration of potential strategic options, including a potential third-party solicitation process. After these discussions, Mr. Jeremy R. Dorsett, executive vice president and general counsel of Parkway, reviewed the duties of Parkway's directors under Maryland law with respect to considering possible sale or business combination transactions in order to enhance stockholder value, including through a potential third-party solicitation process, and the directors engaged in discussions with Mr. Dorsett regarding their duties. After these discussions, the Parkway board of directors met in executive session in order to discuss further, among other things, general strategy with respect to possible sale or business combination transactions in order to enhance stockholder value, including a potential third-party solicitation process.

On April 29, 2015, the Parkway board of directors held a telephonic meeting to resume its discussion of the possible engagement of one or more financial advisors to assist Parkway in evaluating potential strategic options, including a possible sale or business combination transaction through a potential third-party solicitation process. Mr. Heistand also provided updates on recent informal discussions between Parkway's management and representatives of the four publicly traded REITs, one of which was Cousins, regarding potential strategic transaction opportunities. The directors engaged in discussions regarding these matters with Messrs. Heistand and Dorsett and a representative of Hogan Lovells US LLP (which we refer to as Hogan Lovells), Parkway's legal counsel.

On May 14, 2015, the Parkway board of directors held its regular quarterly meeting. Among other things, the directors met in executive session to receive and discuss additional updates provided by Mr. Heistand

regarding potential strategic transaction opportunities. A representative of Hogan Lovells present for the meeting reviewed the duties of the directors under Maryland law with respect to considering possible sale or business combination transactions in order to enhance stockholder value, including through a potential third-party solicitation process, and the directors engaged in discussions with the representative regarding their duties. The directors also resumed their discussion of the possible engagement of one or more financial advisors to assist Parkway in evaluating potential strategic options, including a possible sale or business combination transaction through a potential third-party solicitation process, and discussed the scope of each contemplated engagement and associated fee structures. After discussion, the Parkway board of directors approved the engagements of BofA Merrill Lynch and Wells Fargo Securities as financial advisors to assist Parkway in the exploration of potential strategic options, including a possible sale or business combination transaction through a potential third-party solicitation process.

At various times from May 15 to May 27, 2015, BofA Merrill Lynch and Wells Fargo Securities discussed with members of Parkway's management strategy and process for soliciting third-party indications of interest, and assisted Parkway's management in the preparation of marketing materials regarding Parkway and its businesses and in uploading to an electronic data room certain materials and information about Parkway to be shared confidentially with prospective bidders.

On May 28, 2015, the Parkway board of directors held a telephonic meeting with Mr. Dorsett, Mr. David R. O'Reilly, executive vice president and chief financial officer of Parkway, and representatives of BofA Merrill Lynch and Wells Fargo Securities. With these members of management and representatives, the directors discussed the third-party solicitation process, a list of prospective bidders, the due diligence process and the potential timeline for inviting, receiving, evaluating and accepting bids. The directors directed Parkway and its financial advisors to contact a range of prospective bidders, including publicly traded REITs, private investment firms and institutional investors, for proposals for a possible acquisition of, or business combination transactions with, Parkway. These prospective bidders were identified based on their likely interest in a potential business combination transaction with Parkway, as well as their expected capacity to consummate such a transaction with Parkway.

During early June 2015, in accordance with the directives of the Parkway board of directors, representatives of BofA Merrill Lynch and Wells Fargo Securities began to contact prospective bidders regarding Parkway's third-party solicitation process. During June 2015, 57 prospective bidders were contacted, including Cousins, other publicly traded REITs, private investment firms and institutional investors. These prospective bidders were identified based on their likely interest in a potential business combination transaction with Parkway, as well as their expected capacity to consummate such a transaction with Parkway. In the course of discussions with various prospective bidders during June 2015, Parkway, with input from its financial advisors, assessed the level of interest of each prospective bidder in continuing to participate in the third-party solicitation process, and Parkway ultimately entered into confidentiality agreements with 20 parties, including Cousins on June 15, 2015. The confidentiality agreements generally provided for restrictions on the use and disclosure of confidential due diligence materials shared by Parkway and included customary standstill restrictions.

In addition, during early June 2015, Parkway's management, with the assistance of BofA Merrill Lynch and Wells Fargo Securities, continued to prepare materials regarding Parkway and its businesses, upload additional confidential due diligence materials to an electronic data room for prospective bidders and provide access to the electronic data room to prospective bidders that had entered into confidentiality agreements with Parkway.

On June 12, 2015, the Parkway board of directors held a telephonic meeting with Messrs. O'Reilly and Dorsett and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance. The directors discussed the affiliation of Mr. Edward M. Casal, a Parkway director who was not present for the meeting, with one of the prospective bidders that had executed a confidentiality agreement and was expected to participate in the third-party

solicitation process. Prior to the meeting, Mr. Casal had expressed his intention to be recused from the Parkway board of directors and all committee assignments during the course of the third-party solicitation

process and any potential strategic transaction involving the party with which he was affiliated. After these discussions, Mr. Heistand provided updates on the third-party solicitation process, including discussion of the parties that entered into confidentiality agreements and their commencement of due diligence. The directors engaged in discussions with the members of Parkway's management team and Parkway's financial advisors regarding, among other things, the list of prospective bidders and their stated levels of interest, timing considerations and overall process.

Also on June 12, 2015, Mr. Heistand called Mr. Gellerstedt and the two discussed, at a high level, the status and anticipated timing for Parkway's third-party solicitation process, as well as structuring options for a potential transaction.

On June 15, 2015, Parkway granted Cousins and its representatives access to its electronic data room and representatives of Cousins and Parkway met in person to discuss a potential business combination transaction in which Cousins would acquire all of Parkway's outstanding common stock in a merger for consideration consisting of Cousins common stock.

In addition, during the weeks of June 15 and June 22, 2015, at the direction of the Parkway board of directors, representatives of BofA Merrill Lynch and Wells Fargo Securities also conducted in-person meetings with 11 of the prospective bidders, including publicly traded REITs, private investment firms and institutional investors, that had expressed interest in holding an in-person meeting regarding a potential strategic transaction with Parkway.

On or around June 16, 2015, representatives of Cousins informed representatives of Parkway that Cousins was terminating conversations with Parkway, as Cousins was no longer interested in pursuing a potential business combination transaction with Parkway because Parkway held a significant number of real estate assets in markets in which Cousins did not then own real estate assets.

On or around June 19, 2015, Mr. Heistand contacted Mr. Gellerstedt to determine whether Cousins would be interested in exploring a two-step business combination transaction in which Parkway would sell certain of its real estate assets in markets in which Cousins did not then own real estate assets, following which Cousins would acquire all of Parkway's outstanding common stock in a merger for consideration consisting of Cousins common stock and cash proceeds from the real estate asset sales (which we refer to as a two-step asset sale/merger transaction). The representatives of Cousins indicated that Cousins would be interested in resuming discussions with Parkway in order to explore a two-step asset sale/merger transaction. From around June 19, 2015 until September 1, 2015, representatives of Cousins and Parkway participated in a series of meetings and telephonic discussions in order to discuss matters related to a two-step asset sale/merger transaction, including, among other things, due diligence matters and the potential structure, terms and benefits of such a transaction. During this period, the management teams of Cousins and Parkway regularly updated the members of their respective boards of directors on the status of these discussions, both individually and in executive sessions at regularly scheduled board meetings and the members of their respective boards of directors expressed continued support for these discussions.

Also on June 19, 2015, certain media outlets reported that Parkway was engaged in discussions regarding potential entity-level transactions or asset sales and that Cousins was one of the most likely bidders.

On June 22, 2015, Cousins retained Wachtell, Lipton, Rosen & Katz (which we refer to as Wachtell Lipton) as its legal advisor and Goldman Sachs as its financial advisor in connection with a potential business combination transaction involving Parkway.

On June 25, 2015, the Parkway board of directors held a special meeting. Mr. Dorsett and an observer designated by the TPG Parties were also present for the meeting. Mr. Heistand provided updates on the third-

party solicitation process, and BofA Merrill Lynch and Wells Fargo Securities, after joining the meeting by telephone, summarized their meetings with prospective bidders and relayed feedback received from such prospective bidders. The directors discussed various matters with the members of Parkway's management team and Parkway's financial advisors, including, with respect to each bidder, the probability of success, potential impediments to a transaction, available capital resources and process timeline. After these discussions, the representatives of Parkway's financial advisors were excused from the meeting and the Parkway board of directors continued its discussion of the voluntary recusal of Mr. Casal from the Parkway board of directors and all committee assignments and the reassignment of other directors to fill the committee vacancies. Mr. Casal was not present at the meeting. After discussion, the Parkway board of directors determined that it was in the best interests of Parkway that Mr. Casal cease being involved in the activities of the investment committee and the governance committee and appointed other board members to fill the resulting committee vacancies. Accordingly, thereafter, Mr. Casal did not attend any meetings of the Parkway board of directors or its committees until his affiliate was no longer involved in the third-party solicitation process.

During June 2015, in accordance with the directives of the Parkway board of directors, Parkway's financial advisors conducted follow-up calls with prospective bidders and responded to several requests by prospective bidders for additional due diligence materials on Parkway in connection with Parkway's third-party solicitation process.

On July 2, 2015, in accordance with the directives of the Parkway board of directors, BofA Merrill Lynch and Wells Fargo Securities sent process letters on behalf of Parkway to each prospective bidder that had entered into a confidentiality agreement with Parkway in connection with Parkway's third-party solicitation process, including Cousins, requesting that each such party submit a proposal with respect to a potential strategic transaction involving Parkway.

On July 22, 2015, in a series of separate telephonic conversations, members of Cousins' management team updated all of the members of the Cousins board of directors on the status of discussions with Parkway in connection with Parkway's third-party solicitation process. During these calls, members of Cousins' management team reviewed and discussed with the individual directors the strategic rationale for a potential two-step asset sale/merger transaction. In addition, during these calls, members of Cousins' management team reviewed and discussed with the individual directors a preliminary financial analysis prepared by Goldman Sachs of a potential two-step asset sale/merger transaction. Following these discussions, the members of the Cousins board of directors expressed their support for continued discussions with representatives of Parkway and directed members of Cousins' management team to send Parkway a non-binding proposal with respect to a potential two-step asset sale/merger transaction, consistent with the terms discussed with the directors on these calls.

From July 21 to July 23, 2015, Parkway received non-binding proposals from six bidders with respect to a potential strategic transaction involving Parkway, including:

a non-binding proposal, dated July 22, 2015, from Cousins with respect to a potential two-step asset sale/merger transaction in which Parkway would first sell certain real estate assets in Jacksonville, Orlando and Tampa, Florida and Houston, Texas (with such sales indicatively valued at approximately \$10.67 per share in the aggregate, based on due diligence materials provided by Parkway), and then Cousins would acquire all of Parkway's outstanding common stock in a merger for per share consideration consisting of 0.8971 of a share of Cousins common stock (valued at \$9.43 per share based on the 30-day volume-weighted average price of Cousins common stock as of July 21, 2015), such proposal representing a total value of approximately \$20.10 per share of Parkway's outstanding common stock;

a non-binding oral proposal, received on or around July 22, 2015, from the U.S. investment management division of a global insurance company (which we refer to as Company A), which proposed to acquire all of Parkway s outstanding common stock for \$20.00 per share in cash, subject to, among other things, the satisfaction of certain financing conditions and the receipt of approval from the board of directors of Company A s parent company;

Table of Contents

a non-binding proposal, dated July 21, 2015, from an NYSE-listed office REIT (which we refer to as Company B) to acquire all of Parkway s outstanding common stock for \$19.25 per share in cash, subject to, among other things, Parkway s sale of certain real estate assets in Jacksonville and Orlando, Florida, Austin and Houston, Texas, Charlotte, North Carolina, and Philadelphia, Pennsylvania;

a non-binding proposal, dated July 21, 2015, from an NYSE-listed office REIT to purchase certain of Parkway s real estate assets in Atlanta, Georgia, Orlando and Tampa, Florida, Charlotte, North Carolina, and Austin, Texas for an aggregate purchase price of up to approximately \$1.6 billion in cash, with such cash purchase price to be paid from cash on hand, a revolving credit facility and potential equity and debt offerings;

a non-binding proposal, dated July 21, 2015, from an NYSE-listed office REIT to purchase, for a combination of cash, stock and assumed debt valued at approximately \$1.25 billion in the aggregate, certain of Parkway s real estate assets in Austin and Houston, Texas, and Philadelphia, Pennsylvania; and

a non-binding oral indication of interest, received on or around July 22, 2015, from a global private investment firm, which was unwilling to submit a written proposal at that time given its ongoing due diligence review, but expressed interest in a potential acquisition of all of Parkway s outstanding common stock for potentially as much as \$20.00 per share in cash.

The other 14 parties that had entered into confidentiality agreements with Parkway ultimately did not submit proposals in connection with Parkway s third-party solicitation process.

On July 23, 2015, the Parkway board of directors held a telephonic meeting, with members of Parkway s management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance, to discuss the six non-binding proposals received in the first round of Parkway s third-party solicitation process. Mr. Heistand provided updates on the third-party solicitation process, and Parkway s financial advisors discussed the six non-binding proposals received and potential next steps for the second round of the process. The directors engaged in discussions with the members of Parkway s management team and Parkway s advisors regarding the bidders, including, among other things, the potential merits and disadvantages of each non-binding proposal and Parkway s strategy for the second round. After discussion, the Parkway board of directors recommended that Parkway s management and financial advisors contact Cousins, Company A and Company B for additional information regarding the terms of their non-binding proposals, as the Parkway board of directors determined that these three proposals were most likely to be value-enhancing for Parkway stockholders relative to the other proposals received in the third-party solicitation process.

Through late July 2015 and early August 2015, Parkway continued to discuss the terms of the non-binding proposals received from each of Cousins, Company A and Company B.

On August 5, 2015, Company B submitted a revised non-binding proposal to purchase certain of Parkway s real estate assets in Atlanta, Georgia for \$585 million in cash. This proposal was not accepted by the Parkway board of directors, which determined that asset-level sales of core properties in Atlanta would not be value-enhancing for Parkway stockholders relative to the other proposals for entity-level transactions presented in the third-party solicitation process. Throughout Parkway s third-party solicitation process, Company B did not improve its initial proposal, and negotiations between Parkway and Company B did not progress further.

In addition, on August 5, 2015, Cousins and Parkway amended their confidentiality agreement to permit the provision to Parkway of confidential due diligence materials on Cousins. Following the execution of the amendment to the confidentiality agreement, representatives of Cousins began sending representatives of Parkway certain due diligence information on Cousins.

On August 13, 2015, the Parkway board of directors held a telephonic meeting, with members of Parkway's management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance, to

discuss whether Parkway should conduct a separate process to consider transactions involving the potential disposition of Parkway's real estate assets in Florida and Houston, Texas, in order to satisfy the conditions of Cousins proposal for a two-step asset sale/merger transaction or to mitigate the financing issues raised by Company A's proposal. The members of Parkway's management team and Parkway's financial advisors discussed with the Parkway directors preliminary financial perspectives regarding the potential disposition of Parkway's real estate assets in Florida and Houston. The Parkway directors discussed that, in addition to some parties that had participated in the third-party solicitation process, eight other investors recently had entered into confidentiality agreements with Parkway and expressed interest in the potential purchase of Parkway's real estate assets in Florida or Houston. The Parkway directors directed Parkway's management, with the assistance of Parkway's financial advisors, to contact prospective investors regarding the potential purchase of Parkway's real estate assets in Florida or Houston.

Later that day, at the direction of Parkway's board of directors, Parkway's management, with the assistance of Parkway's financial advisors, prepared materials regarding Parkway's real estate assets in Florida and Houston and began to contact prospective investors, including the eight prospective investors that previously expressed interest, as well as publicly traded REITs, private investment firms and institutional investors, regarding the potential purchase of such real estate assets. These prospective investors were identified based on their likely interest in such a transaction, as well as their expected capacity to consummate such a transaction. A total of 19 prospective investors, including some parties that had executed confidentiality agreements in June 2015 to participate in Parkway's third-party solicitation process, were contacted to discuss Parkway's potential real estate asset-level sales in these markets. Over the next several days, prospective investors commenced due diligence reviews and communicated with Parkway's management and financial advisors regarding potential real estate asset purchases.

On August 20, 2015, Cousins submitted a revised non-binding proposal for a business combination transaction with Parkway based on Cousins' continued due diligence review of Parkway. Cousins' revised non-binding proposal contemplated a two-step asset sale/merger transaction in which Parkway would first sell its real estate assets in Jacksonville, Orlando and Tampa, Florida, Houston, Texas and Philadelphia, Pennsylvania and then Cousins would acquire all of Parkway's outstanding common stock in a merger for consideration consisting of 0.8230 of a share of Cousins common stock.

Also on August 20, 2015, Company A submitted a revised non-binding proposal for a business combination transaction with Parkway based on Company A's continued due diligence review of Parkway. Company A's revised non-binding proposal contemplated that Company A would acquire Parkway's real estate assets in Orlando and Tampa, Florida and Houston, Texas for an aggregate purchase price of \$1.78 billion in cash, and that Parkway and Company A would form a joint venture with respect to Parkway's real estate assets in Jacksonville, Florida, which would be owned 10% by Company A and 90% by a third party. Company A noted that its revised non-binding proposal remained subject to certain financing conditions and corporate approval by its parent company.

In late August 2015, there was general market volatility and the share prices of both Parkway and Cousins declined to 52-week lows, and the price of global crude oil declined to a multi-year low.

On September 1, 2015, Mr. Gellerstedt called Mr. Heistand to inform him that Cousins expected to withdraw from Parkway's third-party solicitation process because, in Cousins' view, market volatility and recent changes in Cousins and Parkway's relative stock prices (each of which, in Cousins' view, was driven in part by the continued decline in global crude oil prices) had negatively impacted the rationale for a transaction, and changes in market conditions (driven in part by volatility in the global crude oil market) had added uncertainty to Parkway's ability to execute on the contemplated pre-closing real estate asset sales on terms acceptable to the parties. On September 2, 2015, Cousins delivered to Parkway written notice of its decision to withdraw from Parkway's third-party solicitation process.

Table of Contents

Following Cousins' withdrawal from Parkway's third-party solicitation process, Parkway continued to pursue a potential transaction with Company A. On September 8, 2015, the Parkway board of directors held a telephonic meeting, with members of the management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance. Mr. Heistand and the financial advisors provided updates on the third-party solicitation process and discussed Cousins' withdrawal from the process, Company A's continued interest in the process and ongoing due diligence and updates regarding two other bidders. Parkway's financial advisors discussed the state of the financial markets since the last meeting of the Parkway board of directors, including, among other things, the recent decline in and greater volatility of U.S. equity prices, decline in commodity prices and concerns regarding China's economy. Parkway's financial advisors also discussed preliminary financial perspectives regarding Parkway's Houston real estate assets, discussed the outlook for crude oil prices and reviewed potential strategic alternatives to the third-party solicitation process, such as sales or joint ventures, as well as potential uses of any proceeds from those alternative transactions such as deleveraging Parkway, executing a share repurchase program or redeploying proceeds to value-added real estate assets.

On October 3, 2015, members of Parkway's management team met in person with members of Company A's management team. The parties discussed Company A's available capital, efforts to raise additional capital for the potential transaction and structuring options, including potential real estate asset sales or joint ventures.

On October 12, 2015, the Parkway board of directors held a telephonic meeting with members of Parkway's management team to discuss updates on Parkway's third-party solicitation process. The members of Parkway's management team summarized their recent meeting with Company A's management team, including attempts by the parties to structure a potential transaction and discussions of Company A's efforts to raise equity in connection with the potential transaction, and noted that Company A had not obtained corporate approval to proceed with any entity-level transaction at that time. Parkway's management team also offered its view that, as a result of recent declines in and volatility of global crude oil prices, Parkway had been unable to obtain bids for potential purchases of its real estate assets in Houston, Texas and Florida that would be value enhancing for its stockholders. Based on these developments, Parkway's management team recommended that Parkway terminate its process of seeking bids for potential purchases of its real estate assets in Houston, Texas and Florida, as well as its third-party solicitation process, and forego a potential sale or business combination transaction at that time, but to continue to maintain informal communications with representatives of Cousins and Company A. After discussion, the directors determined to terminate Parkway's real estate asset sale process and third-party solicitation process, but to continue to maintain informal communications with representatives of Cousins and Company A.

On October 13, 2015, Mr. Heistand met in person with Mr. Gellerstedt and the two informally discussed Parkway's and Cousins' mutual interest in continuing to explore potential strategic options in the future.

On October 14, 2015, Parkway closed its electronic data room and began to send letters to the parties that had entered into confidentiality agreements with Parkway, instructing such parties to return or destroy the confidential due diligence materials previously provided through the process.

On November 4, 2015, at Mr. Gellerstedt's invitation, Mr. Heistand, Mr. M. Jayson Lipsey, executive vice president and chief operating officer of Parkway, and Mr. Jason A. Bates, executive vice president and chief investment officer of Parkway, met in person with Mr. Gellerstedt and Mr. Colin Connolly, executive vice president and chief investment officer of Cousins. The parties discussed recent developments affecting their respective businesses, as well as the office REIT sector, the broader commercial real estate market and capital markets conditions, including recent declines in and volatility of global crude oil prices and U.S. equity prices as well as options for a potential combination of Parkway and Cousins, general strategy, growth opportunities and potential real estate asset sales. In order to address Cousins' concerns, as expressed on September 1, 2015, that changes in market conditions had added

uncertainty to Parkway's ability to execute on previously contemplated pre-closing real estate asset sales on terms acceptable to the parties, the representatives of Cousins and Parkway

Table of Contents

discussed a potential transaction structure in which Cousins would acquire all of Parkway's outstanding common stock in a merger for consideration consisting of shares of Cousins common stock and Parkway would be required to seek to sell certain of its real estate assets in markets in which Cousins did not then own real estate assets, but the closing of the merger would not be conditioned on the consummation of any such real estate asset sales (which we refer to as the stock-for-stock business combination transaction).

From November 4, 2015 until December 2, 2015, representatives of Cousins and Parkway participated in a series of meetings and telephonic discussions in order to discuss matters related to such a potential stock-for-stock business combination transaction, including, among other things, the potential structure, terms and benefits of a transaction, including transaction consideration, the business plans of the combined company, governance and operational matters and the management team of the combined company. During this period, members of the management teams of Cousins and Parkway regularly updated the members of their respective boards of directors on the status of these discussions, both individually and in executive sessions at regularly scheduled board meetings and the members of their respective boards of directors expressed continued support for these discussions.

On November 10, 2015, Parkway and Cousins again resumed providing certain due diligence materials to each other.

On November 20, 2015, the Cousins board of directors held a meeting. At the meeting, Mr. Gellerstedt reported to the Cousins board of directors on the status of discussions with Parkway. Representatives of Goldman Sachs reviewed with the Cousins board of directors their financial analysis of a potential stock-for-stock business combination transaction, which would result in the combined company being structured as an UPREIT and which would not be conditioned on the consummation of any real estate asset sales by Parkway, but would require Parkway to seek to sell certain real estate assets in Houston, Texas, Philadelphia, Pennsylvania and Jacksonville, Miami and Orlando, Florida. In addition, the Cousins board of directors discussed potential transaction terms and the potential benefits of such a transaction and reviewed current market pricing, portfolio characteristics of Parkway and the pro forma market concentration and distribution of the combined company. Furthermore, the Cousins board of directors also reviewed and discussed the strategy for short-term actions to reduce the Houston portfolio of the combined company. Representatives of Wachtell Lipton and Goldman Sachs reviewed and discussed with the directors a proposed non-binding term sheet for a potential business combination transaction. In addition, representatives of Wachtell Lipton discussed with the members of the Cousins board of directors the legal standards applicable to its decisions and actions with respect to a potential business combination transaction. Following these discussions, the members of the Cousins board of directors expressed their support for continued discussions with representatives of Parkway and directed Mr. Gellerstedt to send Parkway a non-binding proposal for a stock-for-stock business combination transaction consistent with the terms discussed with the directors.

Later that same day, at the direction of the Cousins board of directors, representatives of Cousins sent a non-binding term sheet to Parkway, which proposed a stock-for-stock business combination transaction in which Cousins would acquire all of Parkway's outstanding common stock in a merger for consideration consisting of 1.68 shares of Cousins common stock for each outstanding share of Parkway common stock. The non-binding term sheet noted that the merger would not be conditioned on Parkway selling any real estate assets prior to closing of the merger, but that any definitive merger agreement would require Parkway to seek to sell certain real estate assets in Houston, Texas, Philadelphia, Pennsylvania and Jacksonville, Miami and Orlando, Florida. The non-binding term sheet contemplated that following the merger, the combined company would be structured as an UPREIT. The non-binding term sheet also proposed certain deal protections, including a mutual termination fee of 5.0% of Parkway's equity value and certain no-shop and force the vote provisions.

Later in the day on November 20, 2015, Parkway again granted Cousins and its representatives access to an electronic data room containing due diligence information on Parkway.

On the morning of November 23, 2015, the Parkway board of directors held a telephonic meeting, with members of Parkway's management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance, to discuss the non-binding term sheet received from Cousins. The members of Parkway's management team provided a detailed summary of the non-binding term sheet and Parkway's financial advisors discussed with the Parkway board of directors preliminary financial perspectives regarding Parkway, Cousins and the proposed business combination transaction.

Later that day, Messrs. Heistand and Gellerstedt, Cousins chairman Mr. Taylor Glover and a representative of the TPG Parties met in person. Mr. Heistand initiated the meeting as an opportunity for Cousins to meet and assess the TPG Parties' willingness to support a potential business combination transaction involving Parkway and Cousins.

On November 25, 2015, the Parkway board of directors held a telephonic meeting with members of Parkway's management team to resume discussion and evaluation of Cousins' non-binding term sheet. The members of Parkway's management team provided an overview of additional materials on the non-binding term sheet, which included discussion of potential benefits of a combined company and other potential considerations. The members of Parkway's management team also provided a detailed comparison of the two companies' Houston portfolios and a discussion of the Atlanta and Charlotte markets. The directors engaged in discussions with the management team regarding these matters. After these discussions, the members of Parkway's management team, except for Mr. Heistand, were excused from the meeting and the Parkway board of directors continued in executive session to discuss the potential combination of Parkway and Cousins. Among other things, the directors discussed the proposed exchange ratio, current dividend payout ratio, current leverage levels and potential efficiencies associated with the greater scale of a combined company, the concentration of both companies' real estate assets in Houston and Atlanta and potential risks that such concentration might pose for the combined company and several aspects of the companies' respective portfolios, including asset quality, tenant quality/credit, lease rollover and re-tenancing cost. At the directors' request, Mr. Heistand discussed alternative strategic options for Parkway if Parkway were not to consummate a potential business combination transaction with Cousins. The Parkway board of directors directed the members of Parkway's management team to continue conducting a due diligence review of Cousins.

Later that day, Mr. Heistand called Mr. Gellerstedt to provide an update regarding the recent discussions of the Parkway board of directors.

On December 2, 2015, Mr. Heistand informed Mr. Gellerstedt that the Parkway board of directors and the TPG Parties, in their role as stockholders of Parkway, had each expressed concerns that the potential stock-for-stock business combination transaction would result in Parkway's legacy stockholders having increased exposure to Houston and that, as such, Parkway would need additional time to conduct due diligence before entering into any such transaction. Following this conversation, Mr. Gellerstedt updated certain members of the Cousins board of directors, individually, on the conversation with Mr. Heistand, and such members of the Cousins board of directors recommended that Cousins terminate negotiations with Parkway regarding a potential business combination transaction because (1) such directors had concerns that a near-term sale of certain of the Houston real estate assets of the combined company might not be value enhancing for stockholders of the combined company, and that changes in market conditions (driven in part by volatility in the global crude oil market) had added uncertainty to the ability to execute on such a sale on terms acceptable to the parties and (2) in their view, market volatility and recent changes in Cousins' and Parkway's relative stock prices (each of which, in the view of the Cousins directors, was driven in part by the continued decline in global crude oil prices) had negatively impacted the rationale for a transaction. Following these conversations, Mr. Gellerstedt informed Mr. Heistand that Cousins was terminating negotiations with Parkway regarding a potential business combination transaction.

From time to time, Parkway's management team continued to engage in discussions with Company A's management team regarding one or more potential transactions between the companies, including potential real

estate asset sales and joint ventures and the proposed structuring of such transactions. On December 8, 2015, Mr. Heistand met with members of Company A's management team to discuss potential transaction structures and Company A's continued efforts to raise equity and obtain corporate approval for a possible transaction.

In early February 2016, following periodic discussions, Company A informed Parkway that it did not intend to make a proposal for a potential acquisition or other transaction involving Parkway. Company A indicated that it had been unable to obtain corporate approval from its parent company for an entity-level transaction.

From time to time between August 2015 and February 2016, Parkway's management team and financial advisors continued to review potential strategic options, including a potential transaction structure in which Cousins would acquire Parkway in a stock-for-stock merger, followed by the simultaneous spin-off of the Houston-based real estate assets of the combined company into a new publicly traded REIT, New Parkway, which transaction would result in Cousins and New Parkway each being structured as an UPREIT (which we refer to as a two-step merger/spin transaction). On February 4, 2016, Parkway's management team and financial advisors discussed preliminary financial perspectives regarding a two-step merger/spin transaction.

On February 10, 2016, Mr. Lipsey and Mr. Connolly had a conversation, and proposed re-initiating conversations in order to explore informally Cousins' interest in a potential two-step merger/spin transaction.

From February 10, 2016 until March 7, 2016, representatives of Cousins and Parkway held several informal, high-level telephonic discussions regarding the potential structuring of a two-step merger/spin transaction. During this period, Cousins did not conduct any due diligence on Parkway and did not prepare any substantive financial analysis of a two-step merger/spin transaction.

On February 18, 2016, the Parkway board of directors held its regular quarterly meeting in person. Among other things, the directors discussed various strategic alternatives, including the potential two-step merger/spin transaction with Cousins.

On March 3, 2016, the Parkway board of directors held a telephonic meeting, with members of Parkway's management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance, to discuss the potential two-step merger/spin transaction with Cousins. Parkway's financial advisors discussed with the Parkway board of directors the potential two-step merger/spin transaction with Cousins, and the directors engaged in discussions with input from the members of Parkway's management regarding financial matters pertaining to Parkway, Cousins and the combined company, the proposed merger and spin-off and potential alternative strategic options for Parkway, such as a share repurchase program. In connection with these discussions, the Parkway board of directors requested that the members of Parkway's management team continue analyzing the potential two-step merger/spin transaction with Cousins.

On March 4, 2016, Mr. Heistand called Mr. Gellerstedt and the two informally discussed at a high-level the potential benefits of a two-step merger/spin transaction.

From March 7, 2016 until the execution of the Merger Agreement, representatives of Cousins and Parkway participated in a series of meetings and telephonic discussions in order to discuss matters related to a potential two-step merger/spin transaction, including, among other things, due diligence matters and the potential structure, terms and benefits of a transaction, including transaction consideration, the timing of the spin-off, the taxability of the transaction, the business plans of the combined company, governance and operational matters and the management team of the combined company. As part of these discussions, Cousins gave clear direction to Parkway that the Cousins board of directors would not consider any proposed terms for a potential transaction until fully approved by

the Parkway board of directors and Cousins had assurance of the support of the TPG Parties. During this period, Mr. Gellerstedt regularly updated the members of the Cousins board of directors individually on the status of discussions with Parkway, and the members of the Cousins board of directors expressed continued support for these discussions.

On March 21, 2016, the Parkway board of directors held a telephonic meeting, with members of Parkway's management team and representatives of BofA Merrill Lynch and Wells Fargo Securities in attendance, to discuss updates regarding the potential two-step merger/spin transaction with Cousins. The directors again discussed various aspects of the potential transaction, including, among other things, proposed real estate asset sales, transaction structure, expected tax consequences, anticipated transaction costs, financial information pertaining to the combined company and New Parkway, potential cash net operating income growth of the combined company and New Parkway and the roll-out strategy for New Parkway. In connection with these discussions, the Parkway board of directors requested additional materials from the members of Parkway's management team regarding the potential two-step merger/spin transaction with Cousins, including with respect to the proposed governance and pro forma balance sheet for New Parkway.

On March 22, 2016, Mr. Gellerstedt called Mr. Heistand and the two discussed the potential two-step merger/spin transaction, recent discussions of the Parkway board of directors and Cousins board of directors, potential governance arrangements and related matters. Mr. Heistand indicated that Parkway intended to submit a non-binding term sheet to Cousins with respect to a potential two-step merger/spin transaction.

On the afternoon of March 24, 2016, the Parkway board of directors held a telephonic meeting with members of Parkway's management team to continue discussion of the potential two-step merger/spin transaction with Cousins. Among other things, the directors discussed a proposed non-binding term sheet and potential governance arrangements for the combined company and New Parkway, as well as the appropriate cash and leverage levels for each company. In executive session, after discussion, the Parkway board of directors unanimously approved and authorized the members of Parkway's management team to send a non-binding term sheet to Cousins.

Later that day, Parkway sent a non-binding term sheet to Cousins, which Parkway indicated had been approved by its board of directors and had the support of the TPG Parties. The term sheet proposed that Cousins would acquire Parkway in a stock-for-stock merger, for consideration consisting of 1.68 shares of Cousins common stock for each outstanding share of Parkway common stock and contemplated a simultaneous spin-off of the Houston-based real estate assets of the combined company into a new publicly traded REIT, which would result in Cousins and New Parkway each being structured as an UPREIT. In addition, the term sheet contemplated that Cousins would continue to be led by Mr. Gellerstedt and Cousins' existing management team, Cousins' board of directors would initially consist of five directors designated by the Cousins board of directors, three directors designated by the Parkway board of directors and one director designated by TPG Pantera, and New Parkway's board of directors would initially consist of three directors designated by the Cousins board of directors, two directors designated by the Parkway board of directors and two directors designated by TPG Pantera. The term sheet also proposed that the TPG Parties would receive certain registration rights and preemptive rights at Cousins and New Parkway following the merger, in each case consistent with the TPG Parties' existing rights with respect to Parkway pursuant to the TPG Parties' existing stockholders agreement with Parkway.

Following receipt of the term sheet, Mr. Gellerstedt consulted a number of Cousins' directors individually and determined to counter Parkway's proposal orally, subject to full discussion with and approval by the Cousins board of directors.

On March 25, 2016, Mr. Heistand called Mr. Gellerstedt and the two discussed Parkway's non-binding term sheet. Mr. Gellerstedt orally responded to Mr. Heistand with a proposed exchange ratio of 1.51 shares of Cousins common stock for each outstanding share of Parkway common stock (which reflected the trading ratio between Cousins common stock and Parkway common stock as of the close of trading on March 24, 2016). Mr. Gellerstedt also discussed certain other aspects of Parkway's non-binding term sheet, including the TPG Parties' proposed post-closing rights with Cousins and New Parkway, the timing and conditionality of the Houston spin-off, the tax treatment of the

spin-off and the proposed post-closing governance provisions.

On March 29, 2016, the Cousins board of directors held a meeting. At the meeting, members of Cousins' management team and representatives of Wachtell Lipton and Goldman Sachs reported to the Cousins board of directors on the status of discussions with Parkway. In addition, representatives of Wachtell Lipton discussed with the members of the Cousins board of directors the legal standards applicable to its decisions and actions with respect to a potential business combination transaction. Following discussion, the Cousins board of directors approved Cousins' continued review and investigation of a potential two-step merger/spin transaction with Parkway and approved Cousins entering into a non-binding term sheet with Parkway with terms consistent with those discussed at the meeting.

Following that meeting, on March 29, 2016, Cousins delivered to Parkway a revised non-binding term sheet providing for, among other things, a proposed exchange ratio of 1.60 shares of Cousins common stock for each outstanding share of Parkway common stock, a potentially delayed Houston spin-off and requirement that it qualify as a tax-free transaction, a voting agreement by the TPG Parties and significant changes to the proposed governance arrangements.

On April 1, 2016, the Parkway board of directors held a telephonic meeting, with members of Parkway's management team and representatives of BofA Merrill Lynch, Wells Fargo Securities and Hogan Lovells in attendance, to continue discussion of the potential transaction, including the revised non-binding term sheet from Cousins. The financial advisors discussed with the directors various financial aspects of the proposed transaction. The directors also engaged in discussions with the management team and Parkway's legal and financial advisors regarding material changes in Cousins' term sheet. After discussions, the Parkway board of directors determined that the tax-free treatment to Cousins stockholders should not be a condition to consummating the potential transaction, consummation of the Houston spin-off should not be meaningfully delayed following consummation of the merger and New Parkway should not have less than \$150 million in cash on its balance sheet immediately following the spin-off. In executive session, after discussion, the Parkway board of directors unanimously approved and authorized the members of Parkway's management team to send a revised non-binding term sheet to Cousins incorporating these positions.

Later that day, Parkway delivered to Cousins a revised non-binding term sheet, which provided for a potential stock-for-stock merger of Parkway into Cousins with a proposed exchange ratio of 1.66 shares of Cousins common stock for each outstanding share of Parkway common stock, a contemporaneous spin-off of the Houston real estate assets, no condition that the spin-off would qualify as a tax-free transaction and a requirement that New Parkway's initial balance sheet have at least \$150 million cash on hand. The revised non-binding term sheet noted that all governance arrangements remained open for discussion by the parties.

On April 3, 2016, each of Parkway and Cousins opened its electronic data room for continued due diligence.

Also on April 3, 2016, Mr. Heistand called Mr. Gellerstedt and the two discussed the potential transaction and recent discussions of the Parkway board of directors, including that the tax-free treatment to Cousins stockholders could not be a condition to consummating the potential transaction, consummation of the Houston spin-off should not be meaningfully delayed following consummation of the merger and New Parkway should not have less than \$150 million in cash on its opening balance sheet.

On April 5, 2016, a group of Parkway directors unaffiliated with the TPG Parties, which consisted of chairman Mr. James A. Thomas, Mr. Charles T. Cannada, Ms. Laurie L. Dotter, Ms. Brenda J. Mixson and Mr. Heistand, held a

telephonic meeting to discuss proposed governance arrangements for the TPG Parties in connection with the potential transaction. After discussions, this group approved parameters for the governance

of New Parkway and authorized the TPG Parties to negotiate directly with Cousins regarding the TPG Parties governance rights in both Cousins and New Parkway following the proposed transaction and a possible voting agreement by the TPG Parties in support of the potential transaction with Cousins. After the meeting, a representative of Hogan Lovells communicated these parameters and instructions to representatives of the TPG Parties. On April 6, 2016, Mr. Gellerstedt and a representative of the TPG Parties had a telephone meeting regarding the proposed governance arrangements for the TPG Parties and a possible voting agreement in connection with the potential merger of Cousins and Parkway.

Also on April 6, 2016, Cousins delivered to Parkway a revised non-binding term sheet, which provided revised terms with respect to, among other things, a potential stock-for-stock merger of Parkway into Cousins, a proposed exchange ratio of 1.60 shares of Cousins common stock for each outstanding share of Parkway common stock, the contemporaneous spin-off of New Parkway and governance arrangements for the combined company and for New Parkway. The revised non-binding term sheet also removed other provisions to which Parkway had objected, including the delay of the spin-off of New Parkway and the condition that the spin-off qualify as a tax-free transaction, and provided that New Parkway would have \$150 million in cash on its pro form a balance sheet following the spin-off.

On April 7, 2016, the Parkway board of directors held a telephonic meeting with members of Parkway's management team and representatives of Hogan Lovells to continue discussion of the potential transaction, including Cousins further revised non-binding term. The directors discussed, among other things, Mr. Heistand's recent discussions with Mr. Gellerstedt, governance arrangements for the combined company and New Parkway, including additional governance proposals of the TPG Parties and other terms of the potential transaction. The directors also engaged in discussions with the members of Parkway's management team and the representatives of Hogan Lovells regarding proposed revisions to the non-binding term sheet. After discussion, the Parkway board of directors unanimously approved and authorized the management team to send a revised non-binding term sheet to Cousins.

Later that day, Parkway delivered to Cousins a revised non-binding term sheet, which provided further revised terms with respect to, among other things, a potential stock-for-stock merger of Parkway into Cousins with a proposed exchange ratio of 1.64 shares of Cousins common stock for each outstanding share of Parkway common stock, the contemporaneous spin-off of New Parkway and governance arrangements for the combined company and for New Parkway.

On April 7 and April 8, 2016, representatives of Cousins held several calls with representatives of Parkway to discuss Parkway's latest non-binding term sheet. The representatives of Cousins noted that Cousins would not agree to an exchange ratio greater than 1.63 shares of Cousins common stock for each outstanding share of Parkway common stock.

Also on April 7 and April 8, 2016, Mr. Heistand contacted members of the Parkway board of directors to provide an update regarding discussions with Cousins as to the terms of the potential transaction, including the proposed exchange ratio. On April 8, 2016, the Parkway board of directors determined to send a revised non-binding term sheet to Cousins proposing, among other things, an exchange ratio of 1.63 shares of Cousins common stock for each outstanding share of Parkway common stock in connection with the potential merger.

In addition, the term sheet contemplated that Cousins would continue to be led by Mr. Gellerstedt and the existing Cousins management team, Cousins' board of directors would initially consist of five directors designated by the Cousins board

of directors, three directors designated by the Parkway board of directors and one director designated by TPG Pantera, and New Parkway's board of directors would initially consist of three directors designated by the Cousins board of directors, two directors designated by the Parkway board of

directors and two directors designated by TPG Pantera. The term sheet also proposed that the TPG Parties would receive certain registration rights at Cousins and certain registration rights and preemptive rights at New Parkway following the merger and the spin-off, in each case consistent with the TPG Parties' existing rights with respect to Parkway pursuant to the TPG Parties' existing stockholders agreement with Parkway. On that date, the parties each accepted and agreed to this non-binding term sheet. The management teams of Parkway and Cousins contacted their respective board members to inform them of the parties' acceptance of the term sheet and received their authorization to proceed with negotiations of the proposed transactions and related agreements.

Later on April 9, 2016, Wachtell Lipton, on behalf of Cousins, provided an initial draft of the merger agreement to Parkway and Hogan Lovells. On April 15, 2016, Hogan Lovells, on behalf of Parkway, provided initial comments on the draft merger agreement to Cousins and Wachtell Lipton. Over the next few weeks, Cousins, Parkway and their respective legal representatives continued to negotiate the terms of the merger agreement and related transaction documents and to finalize their respective due diligence reviews. Representatives of Cousins and Parkway exchanged several drafts of the merger agreement and related transaction documents and held several conference calls to discuss these drafts and identify items to be discussed between Cousins and Parkway, including deal protection provisions, termination rights, interim operating covenants, conditions of certain real estate asset sales, structuring of the reorganization and spin-off, the financing of New Parkway and the terms of a voting agreement that would obligate the TPG Parties to vote their shares in favor of the merger, subject to certain exceptions. During April 2016, the parties continued discussions on these and other items and made significant progress in drafting the merger agreement and related transaction documents and conducting their respective due diligence. Throughout this process, each of the management teams of Parkway and Cousins informed the members of its respective board of directors regarding key developments on an ongoing basis.

Concurrently with these discussions, the TPG Parties and their legal counsel engaged in negotiations with each of Cousins and Parkway regarding the proposed transaction and exchanged several drafts of the voting agreement and the stockholders agreements for Cousins and New Parkway. The parties negotiated these agreements consistent with the agreed-upon non-binding term sheet.

Also in early- to mid-April 2016, in connection with evaluating the potential Houston spin-off, Parkway management discussed with the members of the Parkway board of directors certain matters relating to the expected capitalization of, and proposed financing for, New Parkway. During the course of these discussions, Parkway management indicated that it believed it would be beneficial if BofA Merrill Lynch and Wells Fargo Securities and/or certain of their respective affiliates were to arrange and/or provide the proposed financing for New Parkway, particularly given BofA Merrill Lynch's and Wells Fargo Securities' familiarity with Parkway and the assets to be included in the Houston spin-off by virtue of their engagement in connection with the Merger and related transactions and as existing lenders to Parkway, Cousins and/or their respective affiliates. After considering the benefits and potential conflicts of interest that might arise, the Parkway board of directors concurred and authorized Parkway's management to request BofA Merrill Lynch's and Wells Fargo Securities' participation in such financing. Thereafter, Cousins, Parkway and their respective legal counsels engaged in negotiations with the Lenders and their counsel regarding the proposed financing for New Parkway in connection with the Houston spin-off and exchanged several drafts of the merger agreement and related transaction documents, including drafts of the commitment letter and related documents associated with such financing.

Also throughout this process, Parkway and Mr. Thomas and their respective representatives engaged in negotiations regarding the modifications to the existing tax protection and governance arrangements in favor of Mr. Thomas and certain of his affiliates in connection with the proposed transaction. On April 11, 2016, representatives of Mr. Thomas sent to Parkway a draft of a letter agreement that proposed modifications to Mr. Thomas' governance rights and tax protection arrangements in the event of a merger of Parkway and Cousins and a spin-off of the combined Houston real

estate assets into a separate publicly traded REIT. Over the next two weeks, the parties exchanged drafts of the letter agreement and reached general agreement regarding the modifications to the governance rights and tax protection arrangements for the investors related to Mr. Thomas and the term of the proposed arrangements. Parkway provided a draft of the letter agreement to Cousins for its

Mr. Heistand and other members of Parkway's management team provided an update on due diligence and the negotiation of documents in connection with the proposed transaction. The directors discussed, among other things, management's due diligence review of Cousins. Mr. O'Reilly also provided a status update with respect to the proposed financing for New Parkway and members of the Parkway board of directors discussed these matters. Next, a representative of Hogan Lovells reviewed the duties of the directors under Maryland law with respect to considering the proposed transaction with Cousins and the directors engaged in discussions with the representative regarding their duties, including that the merger agreement was being negotiated to include deal protection provisions consistent with these duties, that disinterested members of the Parkway board of directors should independently consider any potential conflicts of interest of individual directors and that any change-in-control transaction should be approved by a majority of disinterested directors in addition to the full Parkway board of directors. Hogan Lovells then summarized the legal due diligence investigation of Cousins and discussed the draft merger agreement and related transaction documents. The directors also discussed, among other things, the structure of the transaction as a REIT-level stock-for-stock merger with a reorganization and spin-off of the Houston real estate assets, the proposed exchange ratio, merger mechanics, representations and warranties, interim operating covenants, closing conditions, termination rights and general provisions of the draft merger agreement. The directors, members of Parkway's management team and representatives of Hogan Lovells also discussed that, during negotiations, Parkway had rejected and indicated it would continue to reject Cousins' proposal to include force the vote provisions in the draft merger agreement and that Parkway would continue to require fiduciary-out termination rights to allow either party to accept a superior proposal from a third party. The members of Parkway's management team indicated that these and other items remained subject to ongoing negotiations among the parties and that Parkway's management team would continue to inform the Parkway board of directors regarding developments on an ongoing basis.

In addition, on April 22, 2016, the audit committee of the Cousins board of directors held a meeting. At the meeting, among other things, representatives of Deloitte & Touche LLP (which we refer to as Deloitte & Touche) reviewed with the directors the results of their tax due diligence review of Parkway.

On April 22 and April 23, 2016, the parties continued to negotiate the final terms of the proposed transaction and the parties ultimately reached an agreement in principle on certain outstanding points, including agreement that the merger agreement would not contain a force the vote provision and would contain fiduciary-out termination rights to allow either party to accept a superior proposal from a third party and agreement to a termination fee in the amount of \$65 million (following initial proposals ranging from \$50 million to \$115 million), and an expense reimbursement amount of \$20 million (following initial proposals ranging from \$5 million to \$35 million). As of the morning of April 24, 2016, the draft merger agreement and related transaction documents were substantially complete.

On April 24, 2016, the Cousins board of directors held a meeting. Representatives of Wachtell Lipton discussed with the members of the Cousins board of directors the legal standards applicable to its decisions and actions with respect to the proposed two-step merger/spin transaction. Following discussion, the members of the Company's management and representatives of Deloitte & Touche and Wachtell Lipton reviewed with the directors the results of their due diligence review of Parkway. In addition, the

representatives of Wachtell Lipton discussed with the members of the Cousins board of directors the terms of the proposed merger agreement and related transaction documents.

Representatives of Goldman Sachs then reviewed with the Cousins board of directors their preliminary financial analysis of a potential two-step merger/spin transaction. The Cousins board of directors discussed potential transaction terms and the potential benefits of such a merger/spin transaction and reviewed current market pricing, portfolio characteristics of Parkway and the pro forma market concentration and distribution of the combined company.

Thereafter, over the next few days, the parties continued to negotiate the final terms of the proposed transaction and finalize the related transaction documents. Representatives of Wachtell Lipton and Hogan Lovells continued to exchange drafts of the merger agreement and related transaction documents and held several telephone calls to discuss these drafts and finalize the few remaining outstanding points.

On April 27, 2016, the compensation committee of the Parkway board of directors held a telephonic meeting to discuss and evaluate the proposed treatment of equity awards for executives expected to be employed by New Parkway. Also that day, the compensation committee discussed the terms of and adopted, by unanimous written consent, a severance plan and retention plan and recommended such plans for approval by the Parkway board of directors.

On April 28, 2016, the Parkway board of directors held a telephonic conference, with members of Parkway's management team and representatives of BofA Merrill Lynch, Wells Fargo Securities and Hogan Lovells in attendance, to discuss updates regarding the potential transaction and for the Parkway board of directors to consider approving the proposed merger agreement and the transactions contemplated thereby. Representatives of Hogan Lovells summarized the terms of the merger agreement and related transaction documents and responded to questions from the directors. The directors also reviewed and discussed each of the proposed resolutions. Also at this meeting, the Parkway board of directors discussed and considered information previously provided by BofA Merrill Lynch and Wells Fargo Securities regarding certain material investment banking, commercial banking and similar financial services of each of BofA Merrill Lynch and Wells Fargo Securities to Cousins, including the general nature of such services and the aggregate amount of fees or revenues from such services, as well as the involvement of and estimated fees payable to BofA Merrill Lynch, Wells Fargo Securities and/or certain of their respective affiliates in connection with the proposed New Parkway Credit Facilities. During executive sessions, from which interested directors were excused during the portions applicable to them, the disinterested directors discussed any potential conflicts of interest in connection with the proposed transaction. The disinterested directors discussed the transaction generally and the related arrangements involving Mr. Heistand, Mr. Thomas and the TPG Parties and recommended that the full board approve the transaction. The meeting was temporarily adjourned and all members of the Parkway board of directors reconvened after the close of trading on April 28, 2016. At the reconvened meeting, the directors continued discussion and evaluation of the proposed transaction. BofA Merrill Lynch and Wells Fargo Securities reviewed with the Parkway board of directors their respective financial analyses and each separately rendered an oral opinion, confirmed by delivery of a written opinion dated April 28, 2016, to the Parkway board of directors to the effect that, as of that date and based on and subject to the assumptions, limitations and qualifications described in the opinion, the exchange ratio provided for in the Merger was fair, from a financial point of view, to the holders of Parkway common stock. After discussion, the Parkway board of directors unanimously determined that the Merger Agreement and other transaction documents were advisable and fair to and in the best interests of Parkway and its stockholders and approved the Merger, the Merger Agreement, the other transaction documents and the transactions contemplated thereby and further resolved to recommend to Parkway stockholders that they vote to approve the Merger.

On April 28, 2016, the Cousins board of directors held a meeting after the close of trading. At the meeting, representatives of Wachtell Lipton, Goldman Sachs and Cousins' management team reported to the Cousins board of directors on the status of discussions with Parkway. Representatives of Wachtell Lipton discussed with the members of the Cousins board of directors the legal standards applicable to its decisions and actions with respect to the proposed two-step merger/spin transaction. In addition, the representatives of Wachtell Lipton discussed with the

members of the Cousins board of directors the terms of the proposed merger agreement and

related transaction documents. Representatives of Goldman Sachs then reviewed with the Cousins board of directors their financial analysis summarized below under **Opinion of Cousins Financial Advisor Opinion of Goldman, Sachs & Co.** and rendered the oral opinion of Goldman Sachs, confirmed by delivery of a written opinion dated April 28, 2016 to the Cousins board of directors to the effect that, as of that date and based on and subject to the assumptions, limitations and qualifications described in the opinion, the exchange ratio of 1.63 shares of Cousins common stock to be issued for each share of Parkway common stock pursuant to the Merger Agreement was fair, from a financial point of view, to Cousins. Following these discussions, the Cousins board of directors determined that the proposed two-step merger/spin transaction with Parkway was advisable to and in the best interests of Cousins and its stockholders and unanimously voted to approve the Merger Agreement. The Cousins board of directors also unanimously resolved to recommend that Cousins stockholders vote in favor of the adoption and approval of the Merger Agreement.

Later on April 28, 2016, representatives of Parkway and Cousins executed the Merger Agreement and related transaction documents. A joint press release announcing the Merger was released prior to the opening of trading on April 29, 2016.

Following the execution of the Merger Agreement, in accordance with the terms thereof, Parkway sent letters to the parties that had entered into confidentiality agreements with Parkway during its third-party solicitation process in 2015, which letters waived the standstill provisions of such agreements that otherwise would prohibit such parties from making an acquisition proposal to the Parkway board of directors.

Cousins Reasons for the Merger; Recommendations of the Cousins Board of Directors

After careful consideration, the Cousins board of directors, by a unanimous vote of all directors, at a meeting held on April 28, 2016, approved the Merger Agreement and the transactions contemplated thereby, including the Merger, the UPREIT Reorganization and the Spin-Off. In the course of evaluating the Merger Agreement and the transactions contemplated thereby, the Cousins board of directors consulted with Cousins management and Cousins legal and financial advisors and considered a number of factors that the Cousins board of directors believed supported its decision to approve the Merger Agreement and recommend adoption and approval by Cousins stockholders of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, including the following material factors:

its belief that the transactions contemplated by the Merger Agreement will result in two independent and internally-managed office REITs: (1) a larger and more diverse Cousins, which will continue its strategy of owning Class A office towers in high-growth urban Sun Belt markets, and (2) a new, well-capitalized New Parkway seeded with a Class A office portfolio and led by a seasoned management team;

its views on macroeconomic and industry trends, including a potential trend towards consolidation in the Sun Belt office properties market to develop larger and more diverse companies with expanded portfolios, greater tenant and geographic diversity and enhanced access to capital markets;

its belief that, following the Merger and the Spin-Off, Cousins will be a leading REIT in the growing Sun Belt market, and a larger and more diverse company with an expanded portfolio, greater tenant and geographic diversity and enhanced access to capital markets;

its expectation that, following the Merger and the Spin-Off, assuming certain asset sales are consummated in accordance with the Merger Agreement, Cousins will have a portfolio encompassing 41 high-quality properties comprising 18.4 million square feet of rentable space in Atlanta, Georgia, Austin, Texas, Charlotte, North Carolina, Phoenix, Arizona and Orlando and Tampa, Florida;

its expectation that, following the Merger and the Spin-Off, Cousins will operate in markets that are currently experiencing rent, employment and population growth ahead of the U.S. national average and low levels of new office space construction for such markets;

Table of Contents

its belief that the Spin-Off will allow Cousins and Parkway to unlock the value of their combined Houston assets through a new, separate publicly traded REIT, which it expects will be positioned to take advantage of an expected recovery in the energy sector;

its belief that the Spin-Off will provide Cousins stockholders with the ability to control their asset allocation decision, including the opportunity to invest in New Parkway;

its expectation that New Parkway will commence operations with five Class A office properties encompassing 8.7 million rentable square feet in the Galleria, Greenway and Westchase submarkets of Houston, Texas;

its belief that New Parkway will have a large roster of tenants, with limited near-term lease expirations;

its expectation that New Parkway will have a conservative balance sheet with \$150 million of cash surplus on hand, plus an additional \$50 million undrawn under the New Parkway Credit Facilities;

that, pursuant to the terms and conditions of the Merger Agreement, New Parkway will distribute \$200 million to a subsidiary of Cousins in the UPREIT Reorganization. For more information, see The Merger Agreement The Separation and the UPREIT Reorganization ;

its expectation that upon completion of the Merger and Spin-Off, legacy Cousins common stockholders will own approximately 52% of the common stock of both Cousins and New Parkway;

its expectation that Cousins and New Parkway will each be structured as an UPREIT following the Merger and the Spin-Off, which it believes will give each of Cousins and New Parkway greater flexibility to acquire assets using a tax-deferred acquisition currency;

its belief that the businesses of Cousins and Parkway are highly complementary and that the integration of the two companies, as well as the Separation, the UPREIT Reorganization and the Spin-Off of New Parkway, will be completed in a timely and efficient manner with minimal disruption to tenants and employees;

its expectation that the Merger and the Spin-Off will result in approximately \$18 million of annual run-rate general and administrative savings, which are expected to be derived primarily by the elimination of duplicative operating costs in the markets where both companies have a presence;

its expectation that, following the Merger and the Spin-Off, Cousins and New Parkway will both realize immediate operational and leasing synergies through increased market scale, enabling each company to

leverage pricing power in lease and vendor negotiations, to attract, hire and retain best-in-class local teams, to capitalize on emerging investment opportunities and to create flexibility to meet changing tenant space demands;

its expectation that the Merger and Spin-Off will be generally FFO neutral on a per share basis in 2017, when comparing Cousins on a standalone basis to Cousins and New Parkway, combined;

that, following the Merger and the Spin-Off, Cousins will continue to be led by Cousins' president and chief executive officer, Mr. Larry Gellerstedt, and the existing Cousins senior management team, and New Parkway will be led by Parkway's president and chief executive officer, and several members of the existing Parkway senior management team;

that, following the Merger and the Spin-Off, the Cousins board of directors will be composed of nine members, five of whom will be designated by the Cousins board of directors, with Mr. Taylor Glover continuing as the chairman of the Cousins board of directors, and the New Parkway board of directors will be composed of seven members, three of whom will be designated by the Cousins board of directors, with Mr. James A. Thomas, current chairman of the Parkway board of directors, serving as chairman of the New Parkway board of directors;

that the TPG Parties, which owned approximately 21.2% of the outstanding shares of Parkway common stock as of the date of the Merger Agreement, have agreed to vote in favor of the transactions

contemplated by the Merger Agreement, pursuant to the terms and conditions of the voting agreement. For more information, see [Agreements with the TPG Parties Voting Agreement](#) ;

the other terms and conditions of the Merger Agreement.

The Cousins board of directors also considered a number of risks and other factors identified in its deliberations as weighing negatively against the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, including the following:

the risk of not capturing all of the anticipated estimated annual savings and operational and leasing synergies and the risk that other anticipated benefits of the transactions might not be realized on the expected timeframe or at all;

the challenges of combining Cousins with Parkway and separating the Houston assets of Cousins following the Merger, and structuring both Cousins and New Parkway as UPREITs, including technical, operational, accounting and other challenges, and the risk of diverting management resources for an extended period of time to accomplish this combination and related separation;

the risk that New Parkway might not be able to complete the contemplated financings and/or refinancings related to the Spin-Off within an acceptable timeframe and on acceptable terms, if at all;

the restrictions on the conduct of Cousins' business during the period between execution of the Merger Agreement and the consummation of the Merger. For more information, see The Merger Agreement Conduct of Business Pending the Merger ;

the possibility that the Merger, the Separation, the UPREIT Reorganization and the Spin-Off may not be completed, or that completion may be unduly delayed, including for reasons beyond the control of Cousins or Parkway;

the risk that the Cousins stockholders may fail to approve the Cousins Issuance Proposal or the Cousins Articles Amendment Proposal or that Parkway stockholders may fail to approve the Parkway Merger Proposal;

that the Spin-Off is expected to be taxable to Cousins stockholders;

the substantial costs to be incurred in connection with the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, including the costs of integrating the businesses of Cousins and Parkway and separating New Parkway and the transaction expenses arising from the Merger, the Separation, the UPREIT Reorganization and the Spin-Off;

the risk that Cousins, Parkway or New Parkway may be unable to retain key employees;

the ownership dilution to legacy Cousins stockholders as a result of the issuance of Cousins common stock and Cousins limited voting preferred stock pursuant to the Merger Agreement;

the Merger Agreement's provisions imposing restrictions on Cousins from soliciting acquisition proposals and requiring Cousins to pay Parkway a termination fee of \$65 million and/or an expense reimbursement payment of \$20 million if the Merger Agreement is terminated under certain circumstances. the Merger Agreement's provisions permitting Parkway to terminate the Merger Agreement in order to enter into a superior proposal (as hereinafter defined) (subject to compliance with the provisions of the Merger Agreement regarding nonsolicitation of acquisition proposals), upon payment by Parkway to Cousins of a termination fee of \$65 million. For more information, see [The Merger Agreement Termination of the Merger Agreement](#) ;

the risk that payment by Parkway to Cousins of a termination fee of \$65 million and/or an expense reimbursement payment of \$20 million if the Merger Agreement is terminated under certain circumstances may not be sufficient to fully compensate Cousins for its losses in such circumstances. the risk that failure to complete the Merger, the Reorganization, the Separation and the Spin-Off could negatively affect the price of Cousins common stock and future business and financial results of Cousins; and

the potential risk of diverting management focus and resources from operational matters and other strategic opportunities while working to implement the Merger.

In addition to considering the factors described above, the Cousins board of directors considered the fact that some of Cousins' directors and executive officers have other interests in the Merger that are different from, or in addition to, the interests of Cousins' stockholders generally, as discussed herein under "Interests of Cousins Directors and Executive Officers in the Merger."

The Cousins board of directors concluded that the potentially negative factors associated with the Merger, the Separation, the UPREIT Reorganization and the Spin-Off were outweighed by the potential benefits that it expected the Cousins stockholders would achieve as a result of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off. Accordingly, the Cousins board of directors determined that the Merger Agreement and the transactions contemplated thereby, including the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, are advisable, fair to, and in the best interests of, Cousins and its stockholders.

Table of Contents

The foregoing discussion of the factors considered by the Cousins board of directors is not intended to be exhaustive, but, rather, includes the material factors considered by the Cousins board of directors. In reaching its decision to approve the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, the Cousins board of directors did not quantify or assign any relative weights to the factors considered, and individual directors may have given different weights to different factors. The Cousins board of directors considered all these factors as a whole, including discussions with, and questioning of, Cousins management and Cousins financial and legal advisors, and overall considered the factors to be favorable to, and to support, its determination. The Cousins board of directors also relied on the experience of Goldman Sachs, its financial advisor.

This explanation of Cousins reasons for the Merger and other information presented in this section is forward-looking in nature and should be read in light of the sections herein entitled Risk Factors, beginning on page 40 and Cautionary Statement Concerning Forward-Looking Statements.

For the reasons set forth above, the Cousins board of directors unanimously declared that the Merger Agreement, the Merger, the Reorganization, the Separation, the Spin-Off and the other transactions contemplated by the Merger Agreement are advisable and fair to, and in the best interests of, Cousins and its stockholders and unanimously approved the Merger Agreement. The Cousins board of directors unanimously recommends to Cousins stockholders that they vote FOR the Cousins Issuance Proposal and FOR the Cousins Articles Amendment Proposal.

Parkway s Reasons for the Merger; Recommendations of the Parkway Board of Directors

After careful consideration, the Parkway board of directors, by a unanimous vote of all directors, at a meeting held on April 28, 2016, approved the Merger Agreement and the transactions contemplated thereby, including the Merger, the Separation, the UPREIT Reorganization, and the Spin-Off. In the course of evaluating the Merger Agreement and the transactions contemplated thereby, the Parkway board of directors consulted with Parkway s management and Parkway s legal and financial advisors and considered a number of factors that the Parkway board of directors believed supported its decision to approve the Merger Agreement and recommend adoption and approval by Parkway stockholders of the Merger Agreement, including the following material factors:

Strategic Considerations. The Parkway board of directors believes that the Merger will provide a number of strategic and financial benefits that have the potential to create additional value for Parkway stockholders, including the following:

as a result of its larger size and stronger balance sheet, Cousins following the Merger and the Spin-Off is expected to have an improved credit profile, a lower cost of borrowing and enhanced access to capital compared to Parkway s current position;

Cousins following the Merger and the Spin-Off will have a substantial portfolio of properties in high growth submarkets in the Sun Belt region that would provide an enhanced competitive advantage across this region and drive opportunistic growth and capital deployment;

the combination of Cousins and Parkway will provide greater portfolio diversification and critical mass in attractive markets such as Austin, Texas and Charlotte, North Carolina;

the combination of Cousins and Parkway will provide to Parkway stockholders the ability to participate in a company with a strong development platform, which can be critical at various points in the real estate economic cycle;

the combination and separation of the Houston assets of Cousins and Parkway into a separate company with a strong balance sheet, which will provide an opportunity to maximize the value of

Table of Contents

Parkway's Houston investments because of the larger scale of the combined portfolio and the possibility of attracting investors interested in participating in the upside potential of the Houston market; and

the larger size of Cousins following the Merger and the Spin-Off, together with anticipated cost synergies, is expected to result in lower general and administrative expenses relative to its asset base.

Premium Over Share Trading Price. The value of shares of Cousins common stock that Parkway stockholders will receive in the Merger represents a premium of approximately 13%, based on the closing prices per share of Parkway common stock and Cousins common stock on April 28, 2016 (the last trading day before the Merger was announced);

Participation in Future Appreciation. The Merger consideration will be paid in shares of Cousins common stock, which will provide Parkway stockholders with the opportunity to participate in any potential appreciation of Cousins common stock following the Merger;

Best Available Strategic Alternative. The Parkway board of directors conducted the third-party solicitation process in mid-2015. In connection with that process and thereafter, the Parkway board of directors reviewed possible alternatives to the Merger and other transactions contemplated by the Merger Agreement and consulted with Parkway's financial advisors regarding the possible alternatives, including continuing to operate Parkway as an independent company or seeking a business combination with another party. After considering the alternatives, the Parkway board of directors believes that the Merger and the other transactions contemplated by the Merger Agreement are the best available option for Parkway and its stockholders;

New Parkway Spin-Off. The Parkway board of directors considers the Spin-Off of New Parkway as an integral part of the consideration offered to Parkway stockholders under the Merger Agreement. The Spin-Off will potentially unlock the value of certain Houston assets through a new, separate publicly traded REIT that is expected to be the largest landlord in Houston, Texas. New Parkway is expected to have a strong balance sheet and has high-growth potential through intense management of large-scale, top quality assets;

Superior Proposals. Upon receipt of a superior proposal (as hereinafter defined) by a third party as specified in the Merger Agreement, the Parkway board of directors has the ability to modify or withdraw its recommendation that Parkway stockholders vote in favor of the Merger, if failure to take such action would reasonably be expected to result in a breach of the directors' duties to Parkway stockholders and after compliance with the requirements set forth in the Merger Agreement. The Parkway board of directors evaluated, in consultation with Parkway's legal and financial advisors, the termination fee of \$65 million and the expense reimbursement of \$20 million payable by Parkway in such circumstances, and determined that such fee and expense reimbursements are reasonable and will not unduly impede the ability of a third party to make a superior proposal;

Opinions of Financial Advisors. The Parkway board of directors considered the separate opinions, each dated April 28, 2016, of BofA Merrill Lynch and Wells Fargo Securities to the Parkway board of directors, as to the fairness from a financial point of view and as of such date, to the holders of Parkway common stock of the exchange ratio provided for in the Merger, which opinions were based on and subject to the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken as more fully described in the sections entitled *Opinions of Parkway's Financial Advisors* *Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated* and *Opinions of Parkway's Financial Advisors* *Opinion of Wells Fargo Securities, LLC* ;

Familiarity with Businesses. The Parkway board of directors considered its knowledge of the business, operations, financial condition, earnings and prospects of both Parkway and Cousins, taking into account the results of Parkway's due diligence review of Cousins, as well as its knowledge of the

Table of Contents

current and prospective environment in which Parkway and Cousins operate, including economic and market conditions;

Management Experience at Realizing Value Opportunities. The Parkway board of directors considered that New Parkway will be led by Mr. James. R. Heistand and several members of the existing Parkway senior management team, who have significant experience in all areas of real estate operation, financing and investment, as well as extensive relationships with real estate industry entrepreneurs, investors, owners and financiers and a track record of success built on identifying opportunities, assessing risk, structuring transactions with investment partners, and optimizing returns, including realizing the intrinsic value in undervalued real estate.

High Likelihood of Consummation. The Parkway board of directors deems it highly likely that the Merger will be completed in a timely manner given the likelihood that stockholder approvals would be obtained, the commitment of both parties to complete the business combination pursuant to their respective obligations under the Merger Agreement and the absence of any significant closing conditions under the Merger Agreement, other than the stockholder approvals, the full readiness for consummation of the Spin-Off and the effectiveness of the New Parkway Form 10.

The Parkway board of directors also considered various risks and other potentially negative factors concerning the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement, including the following:

the Merger consideration is a fixed exchange ratio that will not fluctuate as a result of changes in the price of Parkway common stock or Cousins common stock prior to the effective time of the Merger, which means that the market value of the merger consideration could decrease prior to the effective time of the Merger if the trading price of Cousins common stock decreases;

under certain circumstances, the Cousins board of directors can modify or withdraw its recommendation that Cousins stockholders vote in favor of the Merger;

the obligation to pay Cousins a termination fee of \$65 million and expense reimbursement of \$20 million if the Merger Agreement is terminated under certain circumstances;

the possibility that the Merger or the other transactions contemplated by the Merger Agreement may not be completed, or that their completion may be delayed for reasons that are beyond the control of Parkway or Cousins, including the failure of Parkway stockholders or Cousins stockholders to approve the Merger, or the failure of Parkway or Cousins to satisfy other requirements that are conditions to closing the Merger;

the risk that failure to complete the Merger could negatively affect the price of Parkway common stock and/or the future business and financial results of Parkway;

the potential diversion of management focus and resources from operational matters and other strategic opportunities while working to implement the Merger;

the risk of not realizing all of the anticipated operating efficiencies, cost savings or other anticipated benefits of the Merger within the expected time frame or at all;

the substantial costs to be incurred in connection with the transaction, including the costs of integrating the businesses of Parkway and Cousins, and the transaction expenses arising from the Merger;

the terms of the Merger Agreement placing certain limitations on the ability of Parkway to initiate, solicit or knowingly encourage or facilitate any inquiries or the making of any proposal or offer by or with a third party with respect to an acquisition proposal and to furnish nonpublic information or data to, or engage in discussions or negotiations with, a third party interested in pursuing an alternative business combination transaction (unless such third party has made an unsolicited bona fide written acquisition proposal (as hereinafter defined) that constitutes or is reasonably likely to result in a

Table of Contents

superior proposal (as hereinafter defined) and such third party enters into a confidentiality agreement with Parkway having provisions that are no less favorable to such party than those contained in the confidentiality agreement between Cousins and Parkway);

the restrictions on the conduct of Parkway's business between the date of the Merger Agreement and the effective time of the Merger;

the absence of appraisal rights for Parkway stockholders under Maryland law;

while the Merger is expected to qualify as a tax-free transaction to Parkway stockholders for U.S. federal income tax purposes, the Spin-Off will be a taxable transaction for shareholders of Cousins following the Merger, including the former Parkway stockholders; and

the other factors described herein under Risk Factors.

In addition to the factors described above, the Parkway board of directors considered the fact that some of Parkway's directors and executive officers have other interests in the Merger that are different from, or in addition to, the interests of Parkway's stockholders generally, as discussed herein under Interests of Parkway Directors and Executive Officers in the Merger.

The above discussion of the factors considered by the Parkway board of directors is not intended to be exhaustive, but does set forth material factors considered by the Parkway board of directors. In view of the wide variety of factors considered in connection with its evaluation of the Merger and the other transactions contemplated by the Merger Agreement and the complexity of these matters, the Parkway board of directors did not consider it practicable to, and did not attempt to, quantify or otherwise assign relative or specific weight or values to any of these factors, and individual directors may have held varied views of the relative importance of the factors considered. The Parkway board of directors viewed its position and recommendation as being based on an overall review of the totality of the information available to it and overall considered these factors to be favorable to, and to support, its determination regarding the Merger.

This explanation of Parkway's reasons for the Merger and other information presented in this section is forward-looking in nature and should be read in light of the section titled Cautionary Statement Regarding Forward-Looking Statements.

For the reasons set forth above, the Parkway board of directors unanimously declared that the Merger Agreement, the Merger and the other transactions contemplated by the Merger Agreement are advisable and fair to, and in the best interests of, Parkway and its stockholders and unanimously approved the Merger Agreement. The Parkway board of directors unanimously recommends to Parkway's stockholders that they vote FOR the approval and adoption of the Merger Agreement and the Merger, including the exchange ratio and stock conversion provisions, and the other transactions contemplated by the Merger Agreement.

Goldman Sachs did not express any opinion as to the prices at which shares of Cousins common stock or the shares of New Parkway common stock would trade at any time or as to the impact of the Merger on the solvency or viability of Cousins, Parkway, Cousins following the Merger and the Spin-Off or New Parkway or the ability of Cousins, Parkway, Cousins following the Merger and the Spin-Off or New Parkway to pay their respective obligations when they come due. Goldman Sachs calculated an implied value of \$16.92 for the exchange ratio of 1.63 shares of Cousins common stock to be paid for each share of Parkway common stock by multiplying the closing price of \$10.38 per share of Cousins common stock on April 22, 2016 by the exchange ratio of 1.63. Goldman Sachs also calculated the premium (or discount) represented by both (i) the closing price of \$15.06 for shares of Parkway common stock on April 22, 2016 (which Goldman Sachs calculated as 1.451x with the price per share of Cousins common stock on April 22, 2016) and (ii) the implied value of \$16.92 for the exchange ratio (calculated as described above) in relation to:

the closing price per share of Parkway common stock as of April 22, 2016;

the average closing price per share of Parkway common stock over the 1-month, 2-month, 6-month and 12-month periods ended April 22, 2016;

the lowest and highest closing price per share of Parkway common stock over the 52-week period ended April 22, 2016; and

the volume weighted average price per share of Parkway common stock over the 1-month, 2-month, 6-month and 12-month periods ended April 22, 2016.

The results of those calculations are as follows:

Reference Price for the Parkway Shares	Implied Premium (Discount) Represented by April 22, 2016 Parkway Closing Price	Implied Premium (Discount) Represented by Implied Value of \$16.92 for the Exchange Ratio

In addition, Goldman Sachs calculated implied equity values for Parkway by using the closing price per share of Parkway common stock as of April 22, 2016, (which we refer to as the *Implied Parkway Standalone Equity Value*) and by using the implied value of the exchange ratio (which we refer to as the *Implied Parkway Transaction Equity Value*), multiplying those prices per share by the number of fully diluted outstanding shares of Parkway common

stock as of April 22, 2016, excluding outstanding unvested time- and performance-based RSU awards, and outstanding unvested LTIP Units, calculated using information provided by Parkway's management. Goldman Sachs also calculated implied enterprise values for Parkway using the closing price per share of Parkway common stock as of April 22, 2016 (which we refer to as the Implied Parkway Standalone Enterprise Value) and using the implied value of the exchange ratio (which we refer to as the Implied Parkway Transaction Enterprise Value) by adding to the Implied Parkway Standalone Equity Value and the Implied Parkway Transaction Equity Value, respectively, the estimate of Parkway's net debt (defined as debt less cash) as of June 30, 2016, as reflected in the Projections.

Using the foregoing, Goldman Sachs calculated the following multiples:

Implied Parkway Standalone Enterprise Value and Implied Parkway Transaction Enterprise Value, as a multiple of estimated earnings before interest, taxes, depreciation and amortization, or EBITDA, of Parkway for 2017, as reflected in the Projections;

Table of Contents

Implied Parkway Standalone Equity Value and Implied Parkway Transaction Equity Value, as a multiple of estimated funds from operations, or FFO, of Parkway for 2017, as reflected in the Projections;

Implied Parkway Standalone Equity Value and Implied Parkway Transaction Equity Value, as a multiple of estimated funds available for distribution, or FAD, of Parkway for 2017, as reflected in the Projections; and

Estimated cash net operating income, or NOI, of Parkway for 2017, as reflected in the Projections, divided by the implied value of the real estate of Parkway, or the Implied Real Estate Value, derived by subtracting from the Implied Parkway Standalone Enterprise Value and Implied Parkway Transaction Enterprise Value, as applicable, the estimated net book value as of June 30, 2016 of Parkway's non-real estate assets (excluding cash), and non-debt liabilities, as reflected in the Projections.

The results of these calculations were as follows:

	Implied Multiples using April 22, 2016 Parkway Closing Price	Implied Multiples using Implied Value of \$16.92 for the Exchange Ratio
Enterprise Value as a multiple of 2017E EBITDA	13.8x	14.9x
Equity Value as a multiple of 2017E FFO	11.1x	12.6x
Equity Value as a multiple of 2017E FAD	26.1x	29.6x
2017E NOI as a percentage of Implied Real Estate Value	7.0%	6.5%

Goldman Sachs also calculated an implied equity value for Cousins using the closing price per share of Cousins common stock as of April 22, 2016 (which we refer to as the Implied Cousins Standalone Equity Value) and multiplying the price per share by the number of fully diluted outstanding shares of Cousins common stock, calculated based on information provided by Cousins' management. Goldman Sachs then calculated the implied pro forma ownership of Cousins following the Merger and the Spin-Off for legacy Parkway common stockholders using the relative values of the Implied Cousins Standalone Equity Value as compared to both the Implied Parkway Standalone Equity Value and Implied Parkway Transaction Equity Value. The results of these calculations were as follows:

	Implied Parkway Standalone Equity Value	Implied Parkway Transaction Equity Value
Implied Pro Forma Parkway Ownership	45%	48%

General

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Goldman Sachs' opinion. In arriving at its fairness determination, Goldman Sachs considered the results of all its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman Sachs made its determination as to fairness on the basis of its experience and professional judgment, after considering the results of all its analyses. No company used in the above analyses as a comparison is directly comparable to Cousins, Parkway, Cousins following the Merger and the Spin-Off or New Parkway.

Goldman Sachs prepared these analyses for purposes of providing its opinion to the Cousins board of directors as to the fairness, from a financial point of view, to Cousins, as of the date of the opinion, of the exchange ratio pursuant to the Merger Agreement. These analyses do not purport to be appraisals, nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon projections of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of Cousins, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The exchange ratio was determined through arm's-length negotiations between Cousins and Parkway and was approved by the Cousins board of directors. Goldman Sachs provided advice to Cousins during these negotiations. Goldman Sachs did not, however, recommend any specific exchange ratio to Cousins or that any specific exchange ratio constituted the only appropriate exchange ratio for the Merger.

As described above, Goldman Sachs' opinion was one of many factors taken into consideration by the Cousins board of directors in considering the proposed transactions. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with the delivery of its fairness opinion to the Cousins board of directors and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex B to this joint proxy statement/prospectus.

Opinions of Parkway's Financial Advisors***Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated***

Parkway has engaged BofA Merrill Lynch as a financial advisor in connection with the Merger. BofA Merrill Lynch is an internationally recognized investment banking firm which is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Parkway selected BofA Merrill Lynch to act as a financial advisor in connection with the Merger on the basis of BofA Merrill Lynch's experience in similar transactions, its reputation in the investment community and its familiarity with Parkway and its business.

At an April 28, 2016 meeting of the Parkway board of directors held to evaluate the Merger, BofA Merrill Lynch rendered an oral opinion, confirmed by delivery of a written opinion dated April 28, 2016, to the Parkway board of directors to the effect that, as of that date and based on and subject to various assumptions, limitations and qualifications described in the opinion, the exchange ratio provided for in the Merger was fair, from a financial point of view, to the holders of Parkway common stock.

The full text of BofA Merrill Lynch's written opinion, dated April 28, 2016, delivered to the Parkway board of directors is attached as Annex C to this joint proxy statement/prospectus and is incorporated in this document by reference. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by BofA Merrill Lynch in

rendering its opinion. The following summary of BofA Merrill Lynch's opinion is qualified in its entirety by reference to the full text of the opinion. **BofA Merrill Lynch delivered its opinion to the Parkway board of directors for the benefit and use of the Parkway board of directors (in its capacity as such) in connection with and for purposes of its evaluation of the exchange ratio from a financial point of view. BofA Merrill Lynch also expressed no opinion or recommendation as to how any stockholder should vote or act in connection with the Merger, any related transactions or any other matter.**

In connection with its opinion, BofA Merrill Lynch, among other things:

considered the results of the efforts on behalf of Parkway to solicit, at the direction of the Parkway board of directors, indications of interest and definitive proposals from selected third parties with respect to a possible acquisition of all or a portion of Parkway;

reviewed a draft, dated April 28, 2016, of the Merger Agreement; and

performed such other analyses and studies and considered such other information and factors as BofA Merrill Lynch deemed appropriate.

BofA Merrill Lynch did not rely, for purposes of its opinion, on a comparison of the financial terms of the Merger to the financial terms of other transactions given, in its view, the lack of sufficient comparability or publicly available information with respect to other transactions similar to the Merger. In arriving at its opinion, BofA Merrill Lynch assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with BofA Merrill Lynch and relied upon the assurances of the managements of Parkway and Cousins

that they were not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the Parkway Forecasts, BofA Merrill Lynch was advised by Parkway, and BofA Merrill Lynch assumed, that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Parkway as to the future financial performance of Parkway and the other matters covered thereby. With respect to the Cousins Forecasts, BofA Merrill Lynch was advised by Cousins, and BofA Merrill Lynch assumed, with the consent of Parkway, that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Cousins as to the future financial performance of Cousins and the other matters covered thereby. At the direction of Parkway, BofA Merrill Lynch relied upon the assessments of the managements of Parkway and Cousins as to, among other things, (i) the potential impact on Parkway and Cousins of certain market and other trends in and prospects for the real estate industry and related credit and financial markets, including in the Southeastern and Southwestern United States markets generally and the Houston, Texas market specifically, (ii) existing and future relationships, agreements and arrangements with, and the ability to attract and retain, key employees and tenants of Parkway and Cousins and (iii) the ability to integrate the businesses and operations of Parkway and Cousins as contemplated. BofA Merrill Lynch assumed, with the consent of Parkway, that there would be no developments with respect to any such matters that would have an adverse effect on Parkway, Cousins, the Merger or any related transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to BofA Merrill Lynch's analyses or opinion.

BofA Merrill Lynch assumed, with the consent of Parkway, that (i) the pro forma entities resulting from the Merger and related transactions would retain or acquire all assets, properties and rights necessary for their respective operations, (ii) appropriate reserves, indemnification arrangements or other provisions had been made with respect to liabilities that such pro forma entities and/or their respective subsidiaries assumed in connection with the Merger and related transactions and (iii) neither such pro forma entities nor any of their respective subsidiaries would directly or indirectly retain, assume or incur any liabilities that were contemplated to be excluded as a result of the Merger, related transactions or otherwise. BofA Merrill Lynch made no analysis of, nor did BofA Merrill Lynch express any opinion or view as to, the adequacy or sufficiency of allowances for credit losses with respect to leases or other matters and BofA Merrill Lynch was advised by the managements of Parkway and Cousins and therefore assumed, with the consent of Parkway, that any such allowances for credit losses with respect to leases were, and on a pro forma basis would be, in the aggregate appropriate to cover such losses. BofA Merrill Lynch also did not evaluate the solvency or fair value of Parkway, Cousins or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. BofA Merrill Lynch assumed, at the direction of Parkway, that the Merger and related transactions would be consummated in accordance with their respective terms and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Merger and related transactions, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, would be imposed that would have an adverse effect on Parkway, Cousins, the Merger or related transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to BofA Merrill Lynch's analyses or opinion. BofA Merrill Lynch also assumed, at the direction of Parkway, that the Merger would qualify for U.S. federal income tax purposes as a reorganization under the provisions of Section 368(a) of the Code, and that the contributions contemplated as part of the related transactions would qualify as contributions of property pursuant to Section 721 of the Code. BofA Merrill Lynch was advised by Parkway and Cousins, and BofA Merrill Lynch assumed, at the direction of Parkway, that each of Parkway and Cousins has operated in conformity with the requirements for qualification as a REIT for U.S. federal income tax purposes since its election to be taxed as a REIT and assumed, at

Agreement would not differ in any material respect from the draft of the Merger Agreement reviewed by BofA Merrill Lynch.

BofA Merrill Lynch expressed no view or opinion as to any related transactions or any terms or other aspects or implications of the Merger (other than the exchange ratio to the extent expressly specified in its opinion), including, without limitation, the form or structure of the Merger, the form or structure, or financial or other terms, of any related transactions or any terms, aspects or implications of any voting and support agreement, stockholders agreements or separation and distribution agreement or any governance or other arrangements, agreements or understandings entered into in connection with or related to the Merger, any related transactions or otherwise. BofA Merrill Lynch's opinion was limited to the fairness, from a financial point of view, of the exchange ratio to holders of Parkway common stock, without regard to individual circumstances of specific holders that may distinguish such holders or the securities of Parkway held by such holders (including any rights, preferences, restrictions or limitations that may be attributable to shares of Parkway common stock or other securities of Parkway), and BofA Merrill Lynch expressed no opinion or view with respect to, or the relative fairness of, any consideration received in connection with the Merger or related transactions by the holders of any other class of securities, creditors or other constituencies of any party. In addition, BofA Merrill Lynch expressed no opinion or view with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Merger or related transactions or any related entities or class of such persons, relative to the exchange ratio or otherwise. BofA Merrill Lynch also expressed no opinion as to the actual value of Cousins common stock when issued or the prices at which Cousins common stock, Parkway common stock or any other securities (including, without limitation, the securities of New Parkway) would trade or otherwise be transferable at any time, including following announcement or consummation of the Merger and related transactions. BofA Merrill Lynch also expressed no view or opinion with respect to, and BofA Merrill Lynch relied at the direction of Parkway upon the assessments of Parkway and Cousins and their respective representatives regarding, legal, regulatory, accounting, tax and similar matters relating to Parkway and Cousins, their related entities and stockholders and the Merger and related transactions, as to which BofA Merrill Lynch understood that Parkway and Cousins obtained such advice as they deemed necessary from qualified professionals.

BofA Merrill Lynch's opinion was necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to BofA Merrill Lynch as of, the date of its opinion. As BofA Merrill Lynch noted in its opinion to the Parkway board of directors, the credit, financial and stock markets, and the industries and regions in which Parkway and Cousins operate, have experienced and continue to experience volatility and BofA Merrill Lynch expressed no opinion or view as to any potential effects of such volatility on Parkway, Cousins (or their respective businesses), the Merger or related transactions (including the contemplated benefits thereof). Although subsequent developments may affect BofA Merrill Lynch's opinion, BofA Merrill Lynch does not have any obligation to update, revise or reaffirm its opinion. The issuance of BofA Merrill Lynch's opinion was approved by BofA Merrill Lynch's Americas Fairness Opinion Review Committee. Except as described in this summary, the Parkway board of directors imposed no other instructions or limitations on the investigations made or procedures followed by BofA Merrill Lynch in rendering its opinion.

Miscellaneous

As noted above, the discussion set forth above is a summary of the material financial analyses and other factors reviewed by BofA Merrill Lynch with the Parkway board of directors in connection with the Merger and is not a comprehensive description of all analyses undertaken or factors considered by BofA Merrill Lynch. The preparation of a financial opinion or analyses is a complex process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description. BofA Merrill Lynch believes that the analyses summarized above must be considered as a whole. BofA Merrill Lynch further believes that selecting portions of its analyses considered or focusing on information presented in tabular format, without considering all analyses or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying BofA Merrill Lynch's analyses and opinion. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary.

In performing its analyses, BofA Merrill Lynch considered industry performance, general business and economic conditions and other matters, many of which are beyond the control of Parkway and Cousins. The estimates of the future performance of Parkway and Cousins in or underlying BofA Merrill Lynch's analyses are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those estimates or those suggested by BofA Merrill Lynch's analyses. These analyses were prepared solely as part of BofA Merrill Lynch's analysis of the fairness, from a financial point of view, of the exchange ratio provided for in the Merger and were provided to the Parkway board of directors in connection with its evaluation of the Merger. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or acquired or the prices at which any securities have traded or may trade at any time in the future. Accordingly, the estimates used in, and the ranges of valuations resulting from, any particular analysis described above are inherently subject to

substantial uncertainty and should not be taken to be BofA Merrill Lynch's view of the actual value of Parkway or Cousins.

The type and amount of consideration payable in the transaction were determined through negotiations between Parkway and Cousins, rather than by any financial advisor, and were approved by the Parkway board of directors. The decision to enter into the Merger Agreement was solely that of the Parkway board of directors. As

Table of Contents

described above, BofA Merrill Lynch's opinion and analyses were only one of many factors considered by the Parkway board of directors in its evaluation of the Merger and should not be viewed as determinative of the views of the Parkway board of directors, management or any other party with respect to the Merger or the exchange ratio.

Parkway has agreed to pay BofA Merrill Lynch for its services as a financial advisor to Parkway in connection with the Merger an aggregate fee currently estimated to be approximately \$7 million, of which \$1.5 million was payable upon delivery of its opinion and the balance is contingent upon consummation of the Merger. In addition, at the request of the Parkway board of directors, BofA Merrill Lynch and certain of its affiliates expect to arrange and participate in the financing for New Parkway (or an affiliate thereof), for which services BofA Merrill Lynch and its affiliates will receive an aggregate fee currently estimated to be approximately \$2.5 million, including acting as joint lead arranger, joint bookrunner and administrative agent for, and as a lender under, a senior secured credit facility of New Parkway (or an affiliate thereof). In addition, Parkway has agreed to reimburse BofA Merrill Lynch for its expenses incurred in connection with BofA Merrill Lynch's engagement and to indemnify BofA Merrill Lynch, any controlling person of BofA Merrill Lynch and each of their respective directors, officers, employees, agents and affiliates against specified liabilities, including liabilities under the federal securities laws.

BofA Merrill Lynch and its affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of its businesses, BofA Merrill Lynch and its affiliates may invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of Parkway, Cousins and certain of their respective affiliates.

BofA Merrill Lynch and its affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Parkway and certain of its affiliates and have received or in the future may receive compensation for the rendering of these services, including (i) having acted or acting as a lender to Parkway, (ii) having acted or acting as a joint bookrunner on certain equity offerings for Parkway and (iii) having provided or providing certain treasury and trade management services and products to Parkway. From April 1, 2014 through March 31, 2016, BofA Merrill Lynch and its affiliates derived aggregate revenues from Parkway and its affiliates of approximately \$5.5 million for investment and corporate banking services. In addition, BofA Merrill Lynch and/or certain of its affiliates currently lease or in the past have leased various properties from Parkway and, as of January 1, 2016, were one of Parkway's 20 largest tenants in terms of annualized rental revenue. BofA Merrill Lynch and certain of its affiliates may continue to maintain significant commercial (including vendor and/or customer) relationships with Parkway and certain of its affiliates in the future.

In addition, BofA Merrill Lynch and its affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Cousins and certain of its affiliates and have received or in the future may receive compensation for the rendering of these services, including (i) having acted or acting as an administrative agent, co-lead arranger and bookrunner for, and as a lender to, Cousins, (ii) having acted or acting as a joint bookrunner on an equity offering for Cousins and (iii) having provided or providing certain treasury and trade management services and products to Cousins. Opinion of Wells Fargo Securities, LLC

Parkway also has engaged Wells Fargo Securities as a financial advisor in connection with the Merger. As part of Wells Fargo Securities' engagement, the Parkway board of directors requested that Wells Fargo Securities evaluate the fairness, from a financial point of view, to holders of Parkway common stock of the exchange ratio provided for in the Merger. On April 28, 2016, at a meeting of the Parkway board of directors held to evaluate the Merger, Wells Fargo Securities rendered to the Parkway board of directors an oral opinion, confirmed by delivery of a written opinion dated April 28, 2016, to the effect that, as of such date and based on and subject to various assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken stated in its opinion, the exchange ratio provided for in the Merger was fair, from a financial point of view, to the holders of Parkway common stock.

The full text of Wells Fargo Securities' written opinion, dated April 28, 2016, to the Parkway board of directors is attached as Annex D to this joint proxy statement/prospectus and is incorporated herein by reference. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations and qualifications on the review undertaken by Wells Fargo Securities in rendering its opinion. The following summary is qualified in its entirety by reference to the full text of the opinion. The opinion was addressed to the Parkway board of directors (in its capacity as such) for its information and use in connection with its evaluation of the exchange ratio from a financial point of view and did not address any related transactions or any other terms, aspects or implications of the Merger. Wells Fargo Securities' opinion did not address the merits of the underlying decision by Parkway to enter into the Merger Agreement or the relative merits of the Merger or related transactions compared with other business strategies or transactions available or that have been or might be considered by Parkway or the Parkway board of directors or in which Parkway might engage. Wells Fargo Securities' opinion does not constitute a recommendation to the Parkway board of directors or any other person or entity in respect of the Merger or any related transactions, including as to how any stockholder should vote or act in connection with the Merger, any related transactions or any other matters.

The terms of the Merger and related transactions were determined through negotiations between Parkway and Cousins, rather than by any financial advisor, and the decision to enter into the Merger Agreement was solely that of the Parkway board of directors. Wells Fargo Securities did not recommend any specific form of consideration to the Parkway board of directors or that any specific form of consideration constituted the only appropriate consideration for the Merger. The opinion was only one of many factors considered by the Parkway board of directors in its evaluation of the Merger and should not be viewed as determinative of the views of the Parkway board of directors, management or any other party with respect to the Merger or the exchange ratio.

In arriving at its opinion, Wells Fargo Securities, among other things:

reviewed a draft, dated April 28, 2016, of the Merger Agreement, including the financial terms thereof;

ended December 31, 2015;

reviewed certain other business and financial information regarding Parkway and Cousins furnished to Wells Fargo Securities by and discussed with the managements of Parkway and Cousins, including financial forecasts and estimates relating to Parkway prepared by the management of Parkway (we refer to such financial forecasts and estimates as the Parkway Forecasts solely for purposes of this section entitled

Opinion of Wells Fargo Securities, LLC) and financial forecasts and estimates relating to Cousins prepared by the management of Cousins and approved by the management of

Parkway (we refer to such financial forecasts and estimates as the Cousins Forecasts solely for purposes of this section entitled Opinion of Wells Fargo Securities, LLC);

discussed with the managements of Parkway and Cousins the operations and prospects of Parkway and Cousins, including the historical financial performance and trends in the results of operations of Parkway and Cousins;

discussed with the managements of Parkway and Cousins the strategic rationale for the Merger and related transactions;

participated in discussions and negotiations among representatives of Parkway, Cousins and their respective advisors regarding the Merger and related transactions;

reviewed reported prices and trading activity for Parkway common stock and Cousins common stock;

analyzed the estimated net asset value of each of Parkway's and Cousins' real estate portfolios and other assets based upon the financial forecasts and estimates referred to above and assumptions relating thereto discussed with and confirmed as reasonable by the managements of Parkway and Cousins;

compared certain financial data of Parkway and Cousins with similar data of certain publicly traded companies that Wells Fargo Securities deemed relevant in evaluating Parkway and Cousins;

analyzed the estimated present value of the future dividends per share of Parkway and Cousins based upon the financial forecasts and estimates referred to above and assumptions relating thereto discussed with and confirmed as reasonable by the managements of Parkway and Cousins; and

considered such other information, such as financial studies and analyses, as well as financial, economic and market criteria, and made such other inquiries, as Wells Fargo Securities deemed relevant.

Wells Fargo Securities did not rely, for purposes of its opinion, on a comparison of the proposed financial terms of the Merger to the financial terms of other transactions given, in Wells Fargo Securities' view, the lack of sufficient comparability or publicly available information with respect to other transactions similar to the Merger. In connection with Wells Fargo Securities' review, Wells Fargo Securities assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or otherwise made available to Wells Fargo Securities, including all accounting, tax, regulatory and legal information, and Wells Fargo Securities did not make (and did not assume any responsibility for) any independent verification of such information. Wells Fargo Securities relied upon assurances of the managements of Parkway and Cousins that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts, estimates and other information relating to Parkway and Cousins that Wells Fargo Securities was directed to utilize in its analyses, Wells Fargo Securities was advised by the respective managements of Parkway and Cousins and Wells Fargo Securities assumed that they were reasonably prepared and reflected the best currently available estimates, judgments and

assumptions of the managements of Parkway and Cousins, as the case may be, as to the future financial performance of Parkway and Cousins, as the case may be, and the other matters covered thereby. Wells Fargo Securities assumed no responsibility for, and expressed no view as to, such forecasts, estimates or other information utilized in Wells Fargo Securities analyses or the judgments or assumptions upon which they were based. Wells Fargo Securities also assumed that there had been no meaningful changes in the condition (financial or otherwise), results of operations, businesses or prospects of Parkway or Cousins since the respective dates of the most recent financial statements and other information provided to Wells Fargo Securities. Wells Fargo Securities relied, at the direction of Parkway, upon the assessments of the managements of Parkway and Cousins as to, among other things, (i) the potential impact on Parkway and Cousins of certain market and other trends in and prospects for the real estate industry and related credit and financial markets, including in the Southeastern and Southwestern United States markets generally and the Houston, Texas market specifically, (ii) existing and future relationships, agreements and arrangements with, and the ability to attract and retain, key employees and tenants of Parkway and Cousins and (iii) the ability to integrate the businesses and operations of Parkway and Cousins as contemplated. Wells Fargo

Securities assumed, with Parkway's consent, that there would be no developments with respect to any such matters that would have an adverse effect on Parkway, Cousins, the Merger or any related transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to Wells Fargo Securities' analyses or opinion.

In arriving at its opinion, Wells Fargo Securities did not conduct physical inspections of the properties or assets of Parkway, Cousins or any other entity, and Wells Fargo Securities did not make and was not provided with any evaluations or appraisals of the properties, assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Parkway, Cousins or any other entity. Wells Fargo Securities assumed, with Parkway's consent, that (i) the pro forma entities resulting from the Merger and related transactions would retain or acquire all assets, properties and rights necessary for their respective operations, (ii) appropriate reserves, indemnification arrangements or other provisions had been made with respect to liabilities that such pro forma entities and/or their respective subsidiaries assumed in connection with the Merger and related transactions and (iii) neither such pro forma entities nor any of their respective subsidiaries would directly or indirectly retain, assume or incur any liabilities that were contemplated to be excluded as a result of the Merger, related transactions or otherwise. Wells Fargo Securities also did not evaluate the solvency or fair value of Parkway, Cousins or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters.

In rendering its opinion, Wells Fargo Securities assumed, at the direction of Parkway, that the final form of the Merger Agreement, when signed by the parties thereto, would not differ from the draft Merger Agreement reviewed by Wells Fargo Securities in any respect meaningful to Wells Fargo Securities' analyses or opinion, that the Merger and related transactions would be consummated in accordance with the terms described in the Merger Agreement and related documents and in compliance with all applicable laws, documents and other requirements without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary governmental, regulatory or third party consents, approvals or agreements for the Merger and related transactions, no delay, limitation or restriction, including any divestiture or other requirements, would be imposed or action would be taken that would have an adverse effect on Parkway, Cousins, the Merger or related transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to Wells Fargo Securities' analyses or opinion. Wells Fargo Securities also assumed, at the direction of Parkway, that the Merger would qualify for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code, and that the contributions contemplated as part of the related transactions would qualify as contributions of property pursuant to Section 721 of the Code. Wells Fargo Securities was advised by Parkway and Cousins, and Wells Fargo Securities assumed, at the direction of Parkway, that each of Parkway and Cousins has operated in conformity with the requirements for qualification as a REIT for U.S. federal income tax purposes since its election to be taxed as a REIT and Wells Fargo Securities further assumed, at the direction of Parkway, that the Merger and related transactions would not adversely affect such REIT status or the operations of the pro forma combined entity resulting from the Merger.

Wells Fargo Securities did not express any opinion as to the actual value of Cousins common stock when issued pursuant to the Merger or the prices at which Cousins common stock, Parkway common stock or any other securities (including, without limitation, the securities of New Parkway) would trade or otherwise be transferable at any time, including following announcement or consummation of the Merger and related transactions. Wells Fargo Securities' opinion was necessarily based on economic, market, financial and other conditions existing, and information made available to Wells Fargo Securities, as of the date of Wells Fargo Securities' opinion. As Wells Fargo Securities noted in its opinion to the Parkway board of directors, the credit, financial and stock markets, and the industries and regions in which Parkway and Cousins operate, have experienced and continue to experience volatility and Wells Fargo Securities expressed no opinion or view as to any potential effects of such volatility on Parkway, Cousins (or their respective businesses), the Merger or related transactions (including the contemplated benefits thereof). Although subsequent developments may affect the matters set forth in its opinion, Wells Fargo Securities does not have any

obligation to update, revise, reaffirm or withdraw its opinion or otherwise comment on or consider any such events occurring or coming to Wells Fargo Securities' attention after the date of its opinion.

Wells Fargo Securities' opinion only addressed the fairness, from a financial point of view and as of the date of the opinion, to holders of Parkway common stock of the exchange ratio to the extent expressly specified in Wells Fargo Securities' opinion, without regard to individual circumstances of specific holders that may distinguish such holders or the securities of Parkway held by such holders (including any rights, preferences, restrictions or limitations that may be attributable to shares of Parkway common stock or other securities of Parkway), and no opinion or view was expressed with respect to, or the relative fairness of, any consideration received in connection with the Merger or related transactions by holders of any class of securities, creditors or other constituencies of any party. Wells Fargo Securities' opinion did not address any related transactions or any other terms, aspects or implications of the Merger, including, without limitation, the form or structure of the Merger, the form or structure, or financial or other terms, of any related transactions or any terms, aspects or implications of any voting and support agreement, stockholders agreements or separation and distribution agreement or any governance or other arrangements, agreements or understandings entered into in connection with or contemplated by the Merger, related transactions or otherwise. In addition, Wells Fargo Securities' opinion did not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger or related transactions or any related entities, or class of such persons, relative to the exchange ratio or otherwise. Wells Fargo Securities' opinion did not address the merits of the underlying decision by Parkway to enter into the Merger Agreement or the relative merits of the Merger or related transactions compared with other business strategies or transactions available or that have been or might be considered by Parkway or the Parkway board of directors or in which Parkway might engage. Wells Fargo Securities also did not express any opinion or view with respect to, and at the direction of Parkway relied upon the assessments of representatives of Parkway and Cousins regarding, accounting, tax, regulatory, legal or similar matters as to which Wells Fargo Securities understood that Parkway and Cousins obtained such advice as they deemed necessary from qualified professionals.

In connection with rendering its opinion, Wells Fargo Securities performed certain financial, comparative and other analyses as summarized below. This summary is not a complete description of the financial analyses performed and factors considered in connection with such opinion. In arriving at its opinion, Wells Fargo Securities did not ascribe a specific value to Parkway or Cousins but rather made its determinations as to the fairness, from a financial point of view, of the exchange ratio on the basis of various financial and comparative analyses taken as a whole. The preparation of a financial opinion is a complex process and involves various determinations as to the most appropriate and relevant methods of financial and comparative analyses and the application of those methods to the particular circumstances. Therefore, a financial opinion is not readily susceptible to summary description.

In arriving at its opinion, Wells Fargo Securities did not attribute any particular weight to any single analysis or factor considered but rather made qualitative judgments as to the significance and relevance of each analysis and factor relative to all other analyses and factors performed and considered and in the context of the circumstances of the particular transaction. Accordingly, the analyses must be considered as a whole, as considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying such opinion. The fact that any specific analysis has been referred to in the summary below is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary. No company is identical to Parkway or Cousins and an evaluation of Wells Fargo Securities' analyses is not entirely mathematical; rather, such analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies reviewed.

In performing its analyses, Wells Fargo Securities considered industry performance, general business and economic conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Parkway, Cousins or any other parties to the Merger and related transactions. None of Parkway, Cousins, Wells Fargo Securities or any other person assumes responsibility if future results are different from those described whether or not any such

difference is material. Any estimates contained in these analyses and the ranges of values resulting from any particular analysis are not necessarily indicative of actual values or predictive

of future results or values, which may be significantly more or less favorable than as set forth below. In addition, analyses relating to the value of properties, businesses or securities do not purport to be appraisals or necessarily reflect the prices at which properties, businesses or securities may actually be sold or acquired. Accordingly, the assumptions and estimates used in, and the results derived from, the following analyses are inherently subject to substantial uncertainty.

The following is a summary of the material financial analyses provided on April 28, 2016 to the Parkway board of directors by Wells Fargo Securities in connection with its opinion. **Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of such financial analyses.** In calculating implied exchange ratio reference ranges as reflected in such analyses, Wells Fargo Securities (a) compared the low end of the approximate implied per share equity value reference ranges derived for Parkway from such analyses to the high end of the approximate implied per share equity value reference ranges derived for Cousins from such analyses in order to calculate the low end of the implied exchange ratio reference ranges and (b) compared the high end of the approximate implied per share equity value reference ranges derived for Parkway from such analyses to the low end of the approximate implied per share equity value reference ranges derived for Cousins from such analyses in order to calculate the high end of the implied exchange ratio reference ranges.

Cousins Unaudited Prospective Financial Information

Cousins does not as a matter of course make public long-term projections as to future revenues, earnings or other results, except for annual FFO guidance, due to, among other reasons, the uncertainty of the underlying assumptions and estimates. In connection with the Merger, Cousins' management prepared and provided to the Cousins board of directors in connection with its evaluation of the transaction, and to Goldman Sachs, its financial advisor, in connection with its financial analyses described above under the section entitled "Opinion of Cousins' Financial Advisor" and "Opinion of Goldman, Sachs & Co.," certain nonpublic, internal financial projections regarding Cousins' future operations for fiscal years 2016 through 2018, financial projections regarding Cousins' future operations on a standalone basis for fiscal years 2016 through 2018, after giving effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization and the proceeds of financing incurred in connection with the Merger and the Spin-Off, and financial projections regarding New Parkway's future operations for fiscal years 2016 through 2018, after giving effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization and the proceeds of financing incurred in connection with the Merger and the Spin-Off. For more information, see "Background of the Merger," "Opinions of Parkway's Financial Advisors" and "Opinion of Merrill Lynch, Pierce, Fenner & Smith Incorporated and Opinions of Parkway's Financial Advisors" and "Opinion of Wells Fargo Securities, LLC." In addition, in connection with the Merger, Cousins' management prepared and provided to the Cousins board of directors and Goldman Sachs certain

For more information, see Parkway Unaudited Prospective Financial Information. Cousins has included below a summary of these projections for the purpose of providing stockholders and investors access to certain nonpublic information that was furnished to certain parties in connection with the Merger, and such information may not be appropriate for other purposes, and is not included to influence your decision, if you are a Cousins stockholder, to vote for the Cousins Issuance Proposal, the Cousins Articles Amendment Proposal, or, if you are a Parkway stockholder, to vote for the Parkway Merger Proposal or the Parkway Compensation Proposal.

These internal financial projections were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with published guidelines established by the American Institute of Certified Public Accountants for preparation and presentations of financial projections. This information is not fact and should not be relied upon as being necessarily indicative of future results, and readers of this joint proxy statement/prospectus are cautioned not to place undue reliance on the prospective financial information. The prospective financial information included in this section of the joint proxy statement/prospectus has been prepared by, and is the responsibility of, Cousins' management. Neither the independent registered public accounting firm of Cousins, nor any independent accountants, have examined, compiled or performed any procedures with respect to the accompanying prospective financial information and, accordingly, the independent registered accounting firm of Cousins does not express an opinion or any other form of assurance on such information or its achievability, and assume no responsibility for, and disclaim any association with, the prospective financial information. The independent registered public accounting firm's report, contained in the Annual Report on Form 10-K for the year ended December 31, 2015, which is incorporated by reference into this joint proxy statement/prospectus, relates to Cousins' historical financial information. It does not extend to the unaudited prospective financial information and should not be read to do so. Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared.

While presented with numeric specificity, these internal financial projections were based on numerous variables and assumptions (including, but not limited to, the assumption that each of Cousins and Parkway would not engage in any acquisitions other than the Merger, other than in connection with certain planned developments, and other assumptions related to industry performance and general business, economic, market and financial conditions and additional matters specific to Cousins' and Parkway's businesses, as applicable) that are inherently subjective and uncertain and are beyond the control of Cousins' management. Important factors that may affect actual results and cause these internal financial projections to not be achieved include, but are not limited to, risks and uncertainties relating to Cousins' and Parkway's businesses (including their ability to achieve strategic goals, objectives and targets over applicable periods), industry performance, general business and economic conditions and other factors described in the sections entitled Cautionary Statement Regarding Forward-Looking Statements and Risk Factors, beginning on page 40. These internal financial projections also reflect numerous variables, expectations and assumptions available at the time they were prepared as to certain business decisions that are subject to change. As a result, actual results may differ materially from those contained in these internal financial projections. Accordingly, there can be no assurance that the projected results summarized below will be realized. Cousins stockholders and Parkway stockholders are urged to review the most recent SEC filings of Cousins for a description of the reported and anticipated results of operations and financial condition and capital resources during 2016, including in Management's Discussion and Analysis of Financial Condition and Results of Operations in Cousins' Annual Report on Form 10-K for the year ended December 31, 2015, and subsequent quarterly reports on Form 10-Q, which are incorporated by reference into this joint proxy statement/prospectus.

The inclusion of a summary of these internal financial projections in this joint proxy statement/prospectus should not be regarded as an indication that any of Cousins, Parkway or their respective officers, directors, affiliates, advisors or

other representatives considered these internal financial projections to necessarily be predictive of actual future events, and these internal financial projections should not be relied upon as such nor

should the information contained in these internal financial projections be considered appropriate for other purposes. None of Cousins, Parkway or their respective officers, directors, affiliates, advisors or other representatives can give you any assurance that actual results will not differ materially from these internal financial projections. Cousins undertakes no obligation to update or otherwise revise or reconcile these internal financial projections to reflect circumstances existing after the date these internal financial projections were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying these projections are shown to be in error. Since the projections cover multiple years, such information by its nature becomes less predictive with each successive year.

Cousins and Parkway may calculate certain non-GAAP financial metrics, including NOI, EBITDA, FFO and FAD, using different methodologies. Consequently, the financial metrics presented in each company's prospective financial information disclosures and in the sections of this joint proxy statement/prospectus with respect to the opinions of the financial advisors to Cousins and Parkway may not be directly comparable to one another.

Cousins has not made and makes no representation to Parkway or any stockholder in the Merger Agreement or otherwise, concerning these internal financial projections or regarding Cousins' ultimate performance compared to the information contained in these internal financial projections or that the projected results will be achieved. Cousins urges all stockholders to review Cousins' most recent SEC filings for a description of Cousins' reported financial results.

Cousins Standalone Projections

The following is a summary of the unaudited Cousins prospective financial information for calendar years ended 2016 through 2018, prepared by Cousins' management (which we refer to as the Cousins Standalone Projections). The Cousins Standalone Projections were prepared by Cousins' management beginning on March 7, 2016, and are based solely on the information available to Cousins' management at that time. The Cousins Standalone Projections were finalized on April 24, 2016.

The Cousins Standalone Projections were based on numerous variables and assumptions, including the variables and assumptions discussed above as well as the following material assumptions: (1) Cousins does not make any acquisitions throughout the projection period, other than in connection with certain planned developments; (2) Cousins completes planned developments of certain of its properties, including the headquarters of NCR Corporation, the headquarters of Dimensional Fund Advisors, the Avalon project in Alpharetta, Georgia and a development in Downtown Decatur, Georgia; (3) Cousins disposes of the American Cancer Society building in late 2017 and disposes of none of its properties in 2018; (4) Cousins refinances certain of its properties, including a mortgage on the Colorado Tower in 2016, based on a 65% loan to value (which we refer to as LTV), a mortgage loan on the Fifth Third Center in 2017, based on a 65% LTV and a refinancing of the 191 Peachtree mortgage loan in 2018, based on a 65% LTV; and (5) Cousins pays out a dividend that equates to 70% of funds available for distribution (which we refer to as FAD) over the projection period (see Footnote 4 to the table below for a definition of FAD). The Cousins Standalone Projections do not give effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization or the proceeds of financing incurred in connection with the Merger and the Spin-Off.

The Cousins Standalone Projections were provided to the Cousins board of directors and its financial advisor, Goldman Sachs, and to Parkway and its financial advisors, BofA Merrill Lynch and Wells Fargo Securities. For more information, see Background of the Merger. The following table presents a summary of

the Cousins Standalone Projections, as prepared by Cousins management, with all figures rounded to the nearest million.

	Year Ended December 31,		
	2016E	2017E	2018E
	(in millions)		
Net Operating Income (NOI)⁽¹⁾	\$ 241	\$ 267	\$ 295

- (1) Cousins defines net operating income (NOI) as rental property revenues less rental property operating expenses, excluding other components of GAAP net income: fee income, reimbursed expenses, general and administrative expenses, interest expense, depreciation and amortization, acquisition and related costs and other costs and expenses. NOI is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance. Cousins does not provide guidance on NOI in its public filings.
- (2) Cousins defines EBITDA as funds from operations plus consolidated and Cousins share of unconsolidated interest expense, non-real estate depreciation and amortization, income taxes, impairment losses, predevelopment charges, loss on debt extinguishment, gain on sale of third party business, participation interest income, acquisition and related costs and preferred stock dividends and original issuance costs. EBITDA is a non-GAAP financial measure and should not be considered as an alternative to operating income or net income as a measure of operating performance or cash flows or as a measure of liquidity. Cousins does not provide guidance on EBITDA in its public filings.
- (3) Cousins defines Funds from Operations Available to Common Stockholders (FFO) in accordance with the National Association of Real Estate Investment Trusts definition, which is net income (loss) available to common stockholders (computed in accordance with GAAP) excluding extraordinary items, cumulative effect of change in accounting principle and gains or losses from sales of depreciable real property, plus depreciation and amortization of real estate assets, impairment losses on depreciable investment property and after adjustments for unconsolidated partnerships and joint ventures to reflect FFO on the same basis. FFO is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance.
- (4) Cousins defines Funds Available for Distribution (FAD) as FFO, adjusted to exclude the effect of straight-line rent and above and below market lease amortization less 2nd generation tenant improvements and leasing costs and building capital expenditures, which are those expenditures necessary for operating and maintaining existing properties at historic performance levels. FAD is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance or cash provided by operating activities as a cashflow measurement. Cousins does not provide guidance on FAD in its public filings.

Parkway Adjusted Standalone Projections

The following is a summary of the Parkway Management Projections (as hereinafter defined), which were provided to Cousins management by Parkway s management, and thereafter adjusted by Cousins management (we refer to these projections, as adjusted by Cousins management, as the Parkway Adjusted Standalone Projections). For more information regarding the Parkway Management Projections, see Parkway Unaudited Prospective Financial Information. The Parkway Adjusted Standalone Projections were prepared by Cousins management beginning on April 13, 2016, and are based solely on the information available to Cousins management at that time. The Parkway Adjusted Standalone Projections were finalized on April 24, 2016.

The Parkway Adjusted Standalone Projections were also based on numerous variables and assumptions, including the variables and assumptions discussed above as well as the following material assumptions: (1) Parkway completes planned asset sales in Jacksonville and Miami, Florida, and Philadelphia, Pennsylvania;

Table of Contents

(2) Parkway does not engage in any further asset sales or acquisitions; (3) Parkway maintains net debt of \$1.23 billion as of June 30, 2016; and (4) Parkway pays down or refinances existing debt of \$161 million in 2016, \$142 million in 2017 and \$185 million in 2018. In addition, Cousins management adjusted the Parkway Management Projections to conform the metrics in the Parkway Management Projections to comparable metrics in certain Cousins projections, based on the definitions of certain terms used by Cousins in its own projections. The Parkway Adjusted Standalone Projections do not give effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization or the proceeds of financing incurred in connection with the Merger and the Spin-Off.

The Parkway Adjusted Standalone Projections were provided to the Cousins board of directors and its financial advisor, Goldman Sachs, but were not provided to Parkway or its financial advisors, BofA Merrill Lynch and Wells Fargo Securities. For more information, see Background of the Merger. The following table presents a summary of the Parkway Adjusted Standalone Projections, as prepared by Cousins management.

- (1) Cousins defines net operating income (NOI) as rental property revenues less rental property operating expenses, excluding other components of GAAP net income: fee income, reimbursed expenses, general and administrative expenses, interest expense, depreciation and amortization, acquisition and related costs and other costs and expenses. NOI is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance. Cousins does not provide guidance on NOI in its public filings.
- (2) Cousins defines EBITDA as funds from operations plus consolidated and Cousins share of unconsolidated interest expense, non-real estate depreciation and amortization, income taxes, impairment losses, predevelopment charges, loss on debt extinguishment, gain on sale of third party business, participation interest income, acquisition and related costs and preferred stock dividends and original issuance costs. EBITDA is a non-GAAP financial measure and should not be considered as an alternative to operating income or net income as a measure of operating performance or cash flows or as a measure of liquidity. Cousins does not provide guidance on EBITDA in its public filings.
- (3) Cousins defines Funds from Operations Available to Common Stockholders (FFO) in accordance with the National Association of Real Estate Investment Trusts definition, which is net income (loss) available to common stockholders (computed in accordance with GAAP) excluding extraordinary items, cumulative effect of change in accounting principle and gains or losses from sales of depreciable real property, plus depreciation and amortization of real estate assets, impairment losses on depreciable investment property and after adjustments for unconsolidated partnerships and joint ventures to reflect FFO on the same basis. FFO is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance.
- (4) Cousins defines Funds Available for Distribution (FAD) as FFO, adjusted to exclude the effect of straight-line rent and above and below market lease amortization less 2nd generation tenant improvements and leasing costs and building capital expenditures, which are those expenditures necessary for operating and maintaining existing properties at historic performance levels. FAD is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance or cash provided by operating activities as a

cashflow measurement. Cousins does not provide guidance on FAD in its public filings.

The following is a summary of the unaudited prospective financial information reflecting a combination of Cousins and Parkway, for calendar years ended 2016 through 2018, prepared by Cousins management (which we refer to as the New Cousins Projections). The New Cousins Projections were prepared by Cousins management, beginning on March 7, 2016 and are based solely on the information available to Cousins management at that time. The New Cousins Projections were finalized on April 24, 2016,

The New Cousins Projections were based on numerous variables and assumptions, including the variables and assumptions discussed above as well as the following material assumptions: (1) the closing of the Merger and the Spin-Off on June 30, 2016; (2) certain levels of cash flows from Cousins and Parkway properties, based on existing leases and Cousins managements assumptions for new and renewal leases; (3) the incurrence by Cousins of an additional \$4 million in incremental general and administrative expense to manage Parkway's portfolio; (4) a diluted share count of 402 million shares; (5) the absence of other acquisitions by Cousins throughout the projection period, other than the Merger and in connection with certain planned developments; (6) the maintenance by Parkway of net debt of \$1.23 billion as of June 30, 2016; and (7) the transfer by New Parkway of \$200 million in cash from the proceeds of financing incurred by New Parkway to Cousins in connection with the Spin-Off. The New Cousins Projections were prepared based on a combination of the Cousins Standalone Projections and the Parkway Adjusted Standalone Projections, excluding all Houston-based assets of Cousins and Parkway and any potential general and administrative expense synergies, prior to the assumed June 30, 2016 close. Following the assumed June 30, 2016 close, the New Cousins Projections give effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization and the proceeds of financing incurred in connection with the Merger and the Spin-Off.

The New Parkway Projections were finalized on April 24, 2016.

The New Parkway Projections were based on numerous variables and assumptions, including the variables and assumptions discussed above, as well as the following material assumptions: (1) certain levels of cash flows from Cousins and Parkway properties, based on existing leases and Cousins management s assumptions for new and renewal leases; (2) \$14 million of general and administrative expenses at New Parkway; (3) a share count of 402 million shares; (4) the use of \$150 million of cash to fund acquisitions; (5) the incurrence of a \$350 million new term loan financing, and the transfer of \$200 million of the proceeds of such financing to Cousins LP; (6) the refinancing of mortgage debt on San Felipe Plaza, based on a 65% LTV; and (7) a dividend per share of New Parkway common stock of \$0.06. Parkway Unaudited Prospective Financial Information

Parkway does not as a matter of course make public long-term projections as to future revenues, earnings or other results, due to, among other reasons, the uncertainty of the underlying assumptions and estimates. In connection with the Merger, Parkway's management prepared and provided to the Parkway board of directors and Parkway's financial advisors, BofA Merrill Lynch and Wells Fargo Securities, for their use and reliance in connection with their respective financial analyses and opinions, certain nonpublic, internal financial projections regarding Parkway's future operations for fiscal years 2016 through 2018. As described below, these financial projections were also provided to Cousins and its financial advisor, Goldman Sachs, in connection with its financial analyses and opinion. For more information, see Background of the Merger. Parkway has included below a summary of these projections for the purpose of providing stockholders and investors access to certain nonpublic information that was furnished to certain parties in connection with the Merger, and such information may not be appropriate for other purposes, and is not included to influence your decision, if you are a Parkway stockholder, to vote for the Parkway Merger Proposal or the Parkway Compensation Proposal, or, if you are a Cousins stockholder, to vote for the Cousins Issuance Proposal or the Cousins Articles Amendment Proposal.

These internal financial projections were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with published guidelines established by the American Institute of Certified Public Accountants for preparation and presentations of financial projections, but in the view of management, were prepared on a reasonable basis and reflect the best judgments and estimates available at the time they were prepared. The prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in Parkway's historical GAAP financial statements. The prospective financial information included in this joint proxy statement/prospectus has been prepared by, and is the responsibility of, Parkway's management. Ernst & Young LLP (which we refer to as E&Y), Parkway's independent registered public accounting firm, has neither examined, compiled nor performed any procedures with respect to the accompanying prospective financial information and, accordingly, E&Y does not express an opinion or any other form of assurance with respect thereto. The report of E&Y, Parkway's independent registered public accounting firm, contained in the Annual Report on Form 10-K for the year ended December 31, 2015, which is incorporated by reference into this joint proxy statement/prospectus, relates to Parkway's historical financial information. It does not extend to the unaudited prospective financial information and should not be read to do so. Furthermore, the unaudited prospective financial

information does not take into account any circumstances or events occurring after the date it was prepared.

Table of Contents

While presented with numeric specificity, these internal financial projections were based on numerous variables and assumptions (including but not limited to the assumption that Parkway has sold three assets, the Stein Mart Building in Jacksonville, Florida, Two Liberty Place in Philadelphia, Pennsylvania and Lincoln Place in Miami, Florida, and other assumptions related to industry performance and general business, economic, market and financial conditions and additional matters specific to Parkway) that are inherently subjective and uncertain and are beyond the control of Parkway's management. Important factors that may affect actual results and cause these internal financial projections to not be achieved include, but are not limited to, risks and uncertainties relating to Parkway's and Cousins' business (including its ability to achieve strategic goals, objectives and targets over applicable periods), industry performance, general business, economic, competitive, regulatory and financial market conditions and other factors described in the sections entitled Cautionary Statement Regarding Forward-Looking Statements, and Risk Factors, beginning on page 40 and the risks described in the periodic reports filed by Parkway with the SEC, which reports can be found as described under Where You Can Find More Information. These internal financial projections also reflect numerous variables, expectations and assumptions available at the time they were prepared as to certain business decisions that are subject to change. As a result, actual results may differ materially from those contained in these internal financial projections. Accordingly, there can be no assurance that the projected results summarized below will be realized. Parkway stockholders and Cousins stockholders are urged to review the most recent SEC filings of Parkway for a description of the reported and anticipated results of operations and financial condition and capital resources during 2016, including in Management's Discussion and Analysis of Financial Condition and Results of Operations in Parkway's Annual Report on Form 10-K for the year ended December 31, 2015, and subsequent quarterly reports on Form 10-Q, which are incorporated by reference into this joint proxy statement/prospectus.

The inclusion of a summary of these internal financial projections in this joint proxy statement/prospectus should not be regarded as an indication that any of Parkway, Cousins or their respective officers, directors, affiliates, advisors or other representatives considered these internal financial projections to necessarily be predictive of actual future events, and these internal financial projections should not be relied upon as such nor should the information contained in these internal financial projections be considered appropriate for other purposes. None of Parkway, Cousins or their respective officers, directors, affiliates, advisors or other representatives can give you any assurance that actual results will not differ materially from these internal financial projections. Parkway undertakes no obligation to update or otherwise revise or reconcile these internal financial projections to reflect circumstances existing after the date these internal financial projections were generated or to reflect the occurrence of future events, even in the event that any or all of the assumptions underlying these projections are shown to be in error. Since the projections cover multiple years, such information by its nature becomes less predictive with each successive year.

Parkway and Cousins may calculate certain non-GAAP financial metrics, including NOI, EBITDA, FFO and FAD, using different methodologies. Consequently, the financial metrics presented in each company's prospective financial information disclosures and in the sections of this joint proxy statement/prospectus with respect to the opinions of the financial advisors to Parkway and Cousins may not be directly comparable to one another.

Parkway has not made and makes no representation to any Parkway stockholder or Cousins stockholder in the Merger Agreement or otherwise, concerning these internal financial projections or regarding Parkway's ultimate performance compared to the information contained in these internal financial projections or that the projected results will be achieved. Parkway urges all stockholders to review Parkway's most recent SEC filings for a description of Parkway's reported financial results.

beginning on January 21, 2016 and are based solely on the information available to Parkway's management at that time. The Parkway Management Projections were finalized on April 12, 2016.

The Parkway Management Projections were based on numerous variables and assumptions, including the variables and assumptions discussed above, as well as the following material assumptions: (1) the anticipated sales of three assets, the Stein Mart Building in Jacksonville, Florida, Two Liberty Place in Philadelphia, Pennsylvania and Lincoln Place in Miami, Florida; (2) cash flow projections based on Parkway's business plan for 2016 through 2018; (3) certain levels of property-level NOI and capital costs based on property-specific assumptions; (4) scheduled amortization for existing debt, with no refinancing upon maturity; (5) no share issuances or buybacks during the projections period; and (6) an annual dividend on Parkway common stock of \$0.75, Parkway's current dividend rate, during the projections period. The Parkway Management Projections do not give effect to the Merger, the Spin-Off, the Separation, the UPREIT Reorganization and the proceeds of financing incurred in connection with the Merger and the Spin-Off.

The Parkway Management Projections were provided to the Parkway board of directors and Parkway's financial advisors, BofA Merrill Lynch and Wells Fargo Securities. The Parkway Management Projections were also provided to the Cousins board of directors and Cousins' financial advisor, Goldman Sachs. The following table presents a summary of the Parkway Management Projections for the fiscal years ending 2016 through 2018 for Parkway on a standalone basis and include Parkway's share of partnerships and joint ventures.

- (1) Parkway defines net operating income (NOI) as income from office properties less property operating expenses. NOI is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance.
- (2) Parkway defines Adjusted EBITDA as net income before interest expense, income taxes and depreciation and amortization expense, acquisition costs, gains and losses on early extinguishment of debt, impairment of real estate, share-based compensation expense, realignment expenses, and gains and losses on sales of real estate. Adjusted EBITDA does not represent cash generated from operating activities in accordance with GAAP, and should not be considered an alternative to operating income or net income as an indicator of performance or as an alternative to cash flows from operating activities as an indicator of liquidity. Adjusted EBITDA measures 100% of the operating performance of Parkway LP in which Parkway owns an interest. Parkway does not provide guidance on EBITDA in its public filings.
- (3)

Parkway defines funds from operations (FFO) in accordance with the National Association of Real Estate Investment Trusts' definition, which is net income (computed in accordance with GAAP), reduced by preferred dividends, excluding gains or losses from the sale of previously depreciable real estate assets, impairment charges related to depreciable real estate under GAAP, plus depreciation and amortization related to depreciable real estate, and after adjustments to derive Parkway's pro rata share of FFO of consolidated and unconsolidated joint ventures. Further, Parkway does not adjust FFO to eliminate the effects of non-recurring charges. FFO measures 100% of the operating performance of Parkway LP, in which Parkway owns an interest. FFO is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance.

Table of Contents

- (4) Parkway defines funds available for distribution (FAD) as FFO, excluding straight line rent adjustments, amortization of above and below market leases, share-based compensation expense, acquisition costs, amortization of loan costs, other non-cash charges, gain or loss on extinguishment of debt, amortization of mortgage interest premium and reduced by recurring non-revenue enhancing capital expenditures for building improvements, tenant improvements and leasing costs. Adjustments for Parkway's share of partnerships and joint ventures are included in the computation of FAD on the same basis. FAD is a non-GAAP financial measure and should not be considered as an alternative to net income as a measure of operating performance or cash provided by operating activities as a cashflow measurement. Parkway does not provide guidance on FAD in its public filings.

Employment Agreements

Parkway has entered into employment agreements with each of its executive officers, Messrs. Heistand, Lipsey, O'Reilly, Dorsett, Francis, and Bates, pursuant to which the executive officer may become entitled to certain payments or benefits upon the consummation of a change in control and/or upon a qualifying termination of employment that occurs within a certain period of time prior to or following a change in control. The Merger will constitute a change in control under each such employment agreement.

Employment Agreement with James R. Heistand. Pursuant to his employment agreement, if Mr. Heistand's employment is terminated by Parkway without cause, by Mr. Heistand for good reason or as a result of Mr. Heistand's death or disability (as such terms are defined in Mr. Heistand's employment agreement), in each case within the 90 days prior to or the two-year period following a change in control, Mr. Heistand is entitled to (i) an amount equal to 2.9 times the sum of (A) his then-current base salary plus (B) his then-current target bonus, payable in a lump sum following his termination of employment if the change in control constitutes a change in the ownership or effective control of Parkway or a change in the ownership of a substantial portion of Parkway's assets within the meaning of Section 409A of the Code or in equal installments over a 12-month period if it does not and (ii) continued coverage for him and his eligible dependents under Parkway's group health plans for up to 18 months following his termination of employment. The Merger would constitute a change in the ownership of Parkway within the meaning of Section 409A of the Code.

Mr. Heistand's employment agreement also provides that all of Mr. Heistand's outstanding equity or equity-based awards that are subject to time-based vesting will immediately vest and be paid in full upon a change in control, except that if accelerated payment is not permitted under Section 409A of the Code, the awards will be paid on the

original payment schedule.

Mr. Heistand's employment agreement has a three-year term ending July 8, 2016. Prior to the Merger and Spin-Off and in anticipation of Mr. Heistand becoming the president and chief executive officer of New Parkway

Table of Contents

in connection with the Spin-Off, Parkway and Mr. Heistand intend to extend Mr. Heistand's employment agreement, which is expected to be assumed by New Parkway in connection with the Merger and the Spin-Off.

Employment Agreements with Messrs. Lipsey, O'Reilly, Dorsett, Francis, and Bates. While the employment agreements with each of Messrs. Lipsey, O'Reilly, Dorsett, Francis and Bates have a three-year term, which is subject to automatic renewal for additional one-year periods unless either party provides the other with 90 days' notice of such party's intent not to renew the employment agreement, upon a change in control, the employment agreement will automatically extend until the later of (i) the second anniversary of the change in control, and (ii) the date on which the term of the employment agreement would otherwise have ended.

Pursuant to each executive's employment agreement, if the executive's employment is terminated by Parkway without cause or by the executive for good reason (as such terms are defined in the executive's employment agreement), in either case within the 90 days prior to or the two-year period following a change in control, or if Parkway delivers notice of its intent not to renew the term of the employment agreement within the 90-day period prior to a change in control, the executive is entitled to (i) continued coverage for him and his eligible dependents under Parkway's group health plans for up to 12 months following his termination of employment; (ii) an amount equal to the sum of (A) 24 months of the executive's then-current base salary and (B) two times his then-current target bonus, payable in a lump sum following his termination of employment if the change in control constitutes a change in the ownership or effective control of Parkway or a change in the ownership of a substantial portion of Parkway's assets within the meaning of Section 409A of the Code, or in equal installments over a 12-month period if it does not; and (iii) accelerated vesting of all of the executive's outstanding equity or equity-based awards subject to time-based vesting upon the date of the executive's termination. The Merger would constitute a change in the ownership of Parkway within the meaning of Section 409A of the Code.

Section 280G of the Code. Each employment agreement includes a Section 280G "better off" provision, meaning, if any of the payments or benefits provided to the executive under the applicable employment agreement or otherwise would constitute parachute payments within the meaning of Section 280G of the Code and be subject to the excise tax imposed under Section 4999 of the Code, the payments or benefits will be reduced by the amount required to avoid the excise tax if such a reduction would give the executive a better after-tax result than if he received the full payments and benefits.

Waiver Agreements. Concurrently with the execution of the Merger Agreement, Messrs. Heistand, Lipsey, Francis and Bates entered into limited waivers of certain rights under their existing employment agreements with Parkway. Pursuant to each waiver, each executive agreed that, if he is offered continued employment with New Parkway in connection with the Spin-Off pursuant to the assignment of his existing employment agreement to New Parkway or to a new employment agreement with New Parkway that is no less favorable than his existing employment agreement, the executive may not terminate his employment for good reason under certain provisions of his existing employment agreement with Parkway. The waivers preclude Mr. Heistand from being able to terminate his employment with Parkway or Cousins solely on account of the consummation of the Merger and preclude each executive from being able to terminate his employment with Parkway or Cousins on account of a material diminution in his position, duties or responsibilities, Parkway's or Cousins' material breach of any other material provision of the employment agreement, or a change of his principal place of employment by more than 50 miles, in each case as a result of the consummation of the Merger or Spin-Off. In addition, pursuant to each waiver, each executive has agreed that his 2016 annual incentive award will be discretionary, that certain outstanding equity awards of Parkway may be converted into new RSU awards of Parkway immediately prior to consummation of the Merger, and that a lock-up period will apply to any New Parkway common shares the executive holds by reason of equity awards of Parkway vesting in connection with the Merger or Spin-Off.

Treatment of Outstanding Equity Awards

The executive officers of Parkway have outstanding equity and equity-based awards from Parkway and Parkway LP, including (i) stock options and RSUs of Parkway and (ii) LTIP Units of Parkway LP. In the Merger,

Table of Contents

certain of these securities will be converted into the right to receive certain securities of Cousins common stock as described under the headings The Merger Agreement Merger Consideration and The Merger Agreement Treatment of Parkway Share Options and Other Equity-Based Awards in the Merger.

Stock Options. In connection with the Merger, each outstanding Parkway stock option will be converted automatically into an option to purchase a number of shares of Cousins common stock determined based on the exchange ratio. For each executive officer, the following table shows (i) the number and exercise price of the Parkway stock options held by such executive officer and (ii) the number and exercise price of the options with respect to shares of Cousins common stock into which such Parkway stock options will be converted.

Name	Number of Parkway Options (#)	Exercise Price of Parkway Options (\$)	Number of Cousins Options (#)⁽¹⁾	Exercise Price of Cousins Options (\$)⁽²⁾
James R. Heistand	712,500	17.21	1,161,375	10.56
M. Jayson Lipsey	168,750	17.21	275,062	10.56
David R. O Reilly	337,500	17.21	550,125	10.56
Jeremy R. Dorsett	75,000	17.21	122,250	10.56
Scott E. Francis				
Jason A. Bates				

- (1) Each number in this column is the product of (i) the number of Parkway stock options, multiplied by (ii) the exchange ratio (1.63).
- (2) Each value in this column is the quotient of (i) the exercise price of the applicable Parkway stock option, divided by (ii) the exchange ratio (1.63).

At the effective time of the Spin-Off, such converted options held by Messrs. Heistand and Lipsey are expected to be converted into, or exchanged for, stock options of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway stock options prior to the effective time of the Merger. At the effective time of the Spin-Off, such converted options held by Messrs. O Reilly and Dorsett are expected to be fully vested upon the distribution and divided on a proportional basis into fully vested options in respect of Cousins common stock and fully vested options in respect of the common stock of New Parkway, which in each case will be exercisable for the remaining term of such stock option.

Restricted Stock Units. In connection with the Merger, certain Parkway RSU awards will be fully vested and converted into the right to receive a number of shares of Cousins common stock determined based on the exchange ratio. For each executive officer, the following table shows (i) the number of Parkway RSU awards that will be fully vested and (ii) the number of shares of Cousins common stock into which such Parkway RSU awards shall be converted:

Name	Number of Parkway RSUs (#)	Number of Shares of Cousins
-------------	-----------------------------------	------------------------------------

		Common Stock (#)
James R. Heistand ⁽¹⁾	100,000	163,000
M. Jayson Lipsey		
David R. O Reilly		
Jeremy R. Dorsett		
Scott E. Francis		
Jason A. Bates		

- (1) This number represents 100,000 Parkway RSU awards that Parkway expects to grant to Mr. Heistand prior to the Merger in replacement of 100,000 Parkway LTIP Units that Mr. Heistand will forfeit as of July 7, 2016.

Table of Contents

Certain other Parkway RSU awards will be converted into Cousins RSU awards in respect of a number of shares of Cousins common stock determined based on the exchange ratio and will generally vest in four equal annual installments, commencing on the closing date of the Merger and concluding on the third anniversary thereof (which we refer to as the modified Parkway RSU awards). The modified Parkway RSU awards will be granted to each executive officer other than Messrs. O Reilly and Dorsett prior to the Merger in exchange for the forfeiture of the executive officer's outstanding time-based and performance-based Parkway RSU awards. The current outstanding Parkway RSU awards of Messrs. O Reilly and Dorsett will be converted into Cousins RSU awards in respect of a number of shares of Cousins common stock determined based on the exchange ratio but will then immediately vest, pursuant to the executive officer's employment agreement, upon such executive officer's termination of employment in connection with the Merger. For each executive officer, the following table shows (i) the number of Parkway RSU awards held, (ii) the total number of Cousins RSU awards into which such modified Parkway RSU awards shall be converted, (iii) the number of Cousins RSU awards that will vest on the closing date of the Merger, and (iv) the number of Cousins RSU awards that will be subject to further vesting on each of the first, second, and third anniversaries of the closing date of the Merger:

Name	Number of Parkway RSU Awards (#)	Total Number of Cousins RSU Awards (#)⁽¹⁾	Number of Cousins RSU Awards Vesting on the Closing Date (#)⁽²⁾⁽³⁾	Number of Unvested Cousins RSU Awards (#)⁽⁴⁾
James R. Heistand	92,476	150,736	37,684	113,052
M. Jayson Lipsey	59,527	97,029	24,257	72,772
David R. O Reilly	70,977	115,692	115,692	
Jeremy R. Dorsett	43,898	71,553	71,553

Jason A. Bates	33,916	55,283	13,820	41,463

- (1) Each number in this column is the product of (i) the number of Parkway RSU awards multiplied by (ii) the exchange ratio (1.63).
- (2) For Messrs. Heistand, Lipsey, Francis and Bates, each number in this column represents 25% of the total number of Cousins RSU awards.
- (3) For Messrs. O Reilly and Dorsett, each number in this column represents 100% of the total number of Cousins RSU awards.
- (4) For Messrs. Heistand, Lipsey, Francis and Bates, each number in this column represents 75% of the total number of Cousins RSU awards.

At the effective time of the Spin-Off, such converted RSUs held by Messrs. Heistand, Lipsey, Francis and Bates are expected to be converted into, or exchanged for, RSUs of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway RSU awards prior to the effective time of the Merger.

LTIP Units. In connection with the Merger, certain Parkway LTIP Units are expected to become fully vested and converted into common units of Parkway LP, on a one-for-one basis, with performance conditions deemed to be satisfied at the maximum level. For each executive officer, the following table shows (i) the number of Parkway LTIP

Units held by each executive officer which are expected to become fully vested and converted

-125-

into common units of Parkway LP and (ii) the number of resulting common units of Parkway LP for each executive officer:

Name	Number of Parkway LTIP Units (#)	Number of Parkway LP Common Units (#)
James R. Heistand	68,400	68,400
M. Jayson Lipsey	35,640	35,640
David R. O Reilly	24,000	24,000
Jeremy R. Dorsett	28,800	28,800
Scott E. Francis	26,040	26,040
Jason A. Bates	23,760	23,760

In connection with the Merger, certain other outstanding Parkway LTIP Units will be converted into Cousins RSU awards on the terms described above for the modified Parkway RSU awards. For Messrs. O Reilly and Dorsett only, certain outstanding Parkway LTIP Units will be converted into Cousins RSU awards in respect of a number of shares of Cousins common stock determined (i) based on Parkway's actual achievement of the performance-based criteria applicable to the Parkway LTIP Units as of immediately prior to the Merger and (ii) based on the exchange ratio. As of the date of this joint proxy statement/prospectus, Parkway anticipates that the performance-based criteria applicable to the Parkway LTIP Units of Messrs. O Reilly and Dorsett will not be achieved and that Messrs. O Reilly and Dorsett will receive no Cousins RSU awards upon such conversion. For each executive officer, the following table shows (i) the number of Parkway LTIP Units, (ii) the total number of Cousins RSU awards into which such Parkway LTIP Units shall be converted, (iii) the number of Cousins RSU awards that will vest on the closing date of the Merger, and (iv) the number of Cousins RSU awards that will be subject to further vesting on each of the first, second, and third anniversaries of the closing date of the Merger:

Name	Number of Parkway LTIP Units (#)	Total Number of Cousins RSU Awards (#)⁽¹⁾	Number of Cousins RSU Awards Vesting on the Closing Date (#)⁽²⁾	Number of Unvested Cousins RSU Awards (#)⁽³⁾
James R. Heistand	93,331	152,129	38,032	114,097

Jason A. Bates	15,473	25,221	6,305	18,916

- (1) For Messrs. Heistand, Lipsey, Francis and Bates, each number in this column is the product of (i) the number of Parkway LTIP Units multiplied by (ii) the exchange ratio (1.63). This column assumes that the performance-based criteria applicable to the Parkway LTIP Units of Messrs. O Reilly and Dorsett will not be achieved in full or in part and that Messrs. O Reilly and Dorsett will receive no Cousins RSU awards upon the

conversion of the Parkway LTIP Units.

(2) Each number in this column represents 25% of the total number of Cousins RSU awards.

(3) Each number in this column represents 75% of the total number of Cousins RSU awards.

At the effective time of the Spin-Off, such converted RSUs held by Messrs. Heistand, Lipsey, Francis and Bates are expected to be converted into, or exchanged for, RSUs of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway RSU awards prior to the effective time of the Merger.

Mr. James A. Thomas, chairman of the Parkway board of directors, and certain affiliated investors are limited partners of Parkway LP. In connection with the Merger, each limited partner of Parkway LP will be entitled to redeem or exchange its partnership interests in Parkway LP for shares of Parkway common stock, which will in turn be converted in the Merger into the right to receive a number of newly issued shares of Cousins common stock equal to the exchange ratio. Each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

As of April 28, 2016, Mr. Thomas and affiliated investors held 4,213,104 common limited partnership units in Parkway LP.

Indemnification

The Merger Agreement provides that, from and after the effective time of the Merger, Cousins will exculpate and indemnify, to the fullest extent permitted by applicable law, all present and former officers and directors of Parkway, and any persons who become a director or officer of Parkway prior to the effective time of the Merger against claims arising with respect to acts or omissions occurring prior to the effective time of the Merger to the same extent such persons were entitled to exculpation or indemnification, or the right of advancement of expenses as of the date of the Merger Agreement pursuant to any organization documents of Parkway or applicable law.

Thomas Letter Agreement

Concurrently with execution of the Merger Agreement, Parkway and Parkway LP entered into the Thomas Letter Agreement with Mr. James A. Thomas, the chairman of the Parkway board of directors, and the Thomas Parties. In connection with the Thomas Letter Agreement, Mr. Thomas will have certain interests in New Parkway that are different from, or in addition to, those of other stockholders, including with respect to certain governance rights, registration rights, and tax protection agreements. For more information, see The Merger Thomas Letter Agreement.

Executive Compensation Payable in Connection with the Merger

The following table sets forth the information required by Item 402(t) of Regulation S-K promulgated by the SEC, regarding certain compensation that each of Parkway's named executive officers may receive that is based on, or that otherwise relates to, the Merger. Parkway's named executive officers for purposes of the disclosure in this joint proxy statement/prospectus are James R. Heistand, M. Jayson Lipsey, David R. O'Reilly, Jeremy R. Dorsett, and Scott E. Francis. The figures in the table are estimated based on compensation and benefit levels as of the date of this joint proxy statement/prospectus and an assumed effective date of October 1, 2016 for both the Merger and the termination of the named executive officer's employment. The amounts reported below are estimates based on multiple assumptions that may or may not actually occur or be accurate on the relevant date, including an assumption that the employment of each of Parkway's named executive officers will terminate without cause immediately following consummation of the Merger (or otherwise within the 90-day period prior to the consummation of the Merger or the two-year period following the consummation of the Merger) and other assumptions described in this joint proxy statement/prospectus. As of the date of this joint proxy statement/prospectus and as discussed elsewhere, the employment of Messrs. Heistand, Lipsey and Francis is expected to continue with New Parkway in similar capacities, in which case, they would not be expected to receive certain of the benefits and payments described below. As a result of the assumptions set forth above or otherwise specified below, the actual amounts, if any, to be received by a named

executive officer may materially differ from the amounts set forth below.

-127-

Table of Contents

The Merger-related compensation payable to Parkway's named executive officers is subject to a nonbinding advisory vote of Parkway's stockholders, as described below. For additional details regarding the terms of the payments described below, see the discussion in **Interests of Parkway Directors and Executive Officers in the Merger**.

Golden Parachute Compensation

Name	Cash⁽¹⁾ (\$)	Equity⁽²⁾ (\$)	Benefits⁽³⁾ (\$)	Total⁽⁴⁾ (\$)

M. Jayson Lipsey ⁽⁵⁾	1,710,000	2,343,419	8,161	4,061,580
David R. O'Reilly	1,634,000	1,633,272	8,161	3,275,433
Jeremy R. Dorsett	1,280,000	1,250,151	8,161	2,538,312
Scott E. Francis ⁽⁵⁾	1,120,000	1,382,306	8,161	2,510,467

- (1) Each amount in this column is based on the cash portion of the severance payment payable pursuant to the named executive officer's employment agreement as described under **Interests of Parkway's Directors and Executive Officers in the Merger**, assuming that the named executive officer's employment is terminated without cause immediately following consummation of the Merger (or otherwise within the 90-day period prior to the consummation of the Merger or the two-year period following the consummation of the Merger). Each amount does not include the named executive officer's annual base salary and other benefits earned and accrued prior to the date of termination, reimbursement of expenses incurred prior to the date of termination or any cash or equity bonus compensation earned and accrued prior to the date of termination. Each amount is attributable to a double trigger arrangement.
- (2) All amounts in this column are determined by multiplying (i) the number of Parkway equity awards that would be accelerated, times (ii) the exchange ratio (1.63), times (iii) a per share price of Cousins common stock of \$10.55 (which, as required by applicable SEC rules, is the average closing market price of Cousins common stock over the first five business days following the public announcement of the merger on April 29, 2016). Assuming for purposes of amounts reported in the table that the named executive officer's employment is terminated without cause by Cousins or New Parkway, as applicable, immediately following consummation of the Merger as of October 1, 2016 (or otherwise within the 90-day period prior to the consummation of the Merger or the two-year period following the consummation of the Merger), the amount shown is based on the following holdings of Parkway equity awards that would be accelerated: (i) for Mr. Heistand, 237,500 Parkway stock options or approximately \$0 of the amount shown above, 285,807 Parkway RSU awards or approximately \$4,914,880 of the amount shown above, and 68,400 Parkway LTIP Units or approximately \$1,176,241 of the amount shown above; (ii) for Mr. Lipsey, 56,250 Parkway stock options or approximately \$0 of the amount shown above, 100,633 Parkway RSU awards or approximately \$1,730,535 of the amount shown above, and 35,640 Parkway LTIP units or approximately \$612,883 of the amount shown above; (iii) for Mr. O'Reilly, 112,500 Parkway stock options or approximately \$0 of the amount shown above, 70,977 Parkway RSU awards or approximately \$1,220,556 of the amount shown above, and 24,000 Parkway LTIP units or approximately \$412,716 of the amount shown above; (iv) for Mr. Dorsett, 25,000 Parkway stock options or approximately \$0 of the amount shown above, 43,898 Parkway RSU awards or approximately \$754,892 of the amount shown above, and 28,800 Parkway LTIP units or approximately \$495,259 of the amount shown above; and (v) for Mr. Francis, 54,343 Parkway RSU awards or approximately \$934,509 of the amount shown above and 26,040 Parkway LTIP units or approximately \$447,797 of the amount shown above. No value has been attributed to the acceleration of the Parkway stock options because the Cousins stock options resulting from the conversion of the Parkway stock options are out of the

money (the per share exercise price of Parkway stock options as converted (\$10.56) exceeds the per share price of Cousins common stock (\$10.55)).

A portion of this accelerated vesting is based on a single trigger change in control arrangement, and a portion of this accelerated vesting is based on a double trigger change in control arrangement. For more

information, see the discussion under **Interests of Parkway Directors and Executive Officers in the Merger** Treatment of Outstanding Equity Awards.

- (3) Each amount in this column represents the value of health continuation benefits provided pursuant to the named executive officer's employment agreement as described under **Interests of Parkway's Directors and Executive Officers in the Merger**, assuming that the named executive officer's employment is terminated without cause immediately following consummation of the Merger (or otherwise within the 90-day period prior to the consummation of the Merger or the two-year period following the consummation of the Merger). Each amount is attributable to a double trigger arrangement.
- (4) These amounts are subject to reduction to the extent the payments would be considered parachute payments within the meaning of Section 280G of the Code, if such reduction would give the named executive officer a better after-tax result than if he received the payments in full.
- (5) While this table assumes that each executive will be terminated without cause immediately following consummation of the Merger (or otherwise within the 90-day period prior to the consummation of the Merger or the two-year period following the consummation of the Merger), as of the date of this joint proxy statement/prospectus and as discussed elsewhere, the employment of Messrs. Heistand, Lipsey and Francis is expected to continue with New Parkway in similar capacities. In addition, each of Messrs. Heistand, Lipsey and Francis have entered into good reason waiver agreements pursuant to which (i) Mr. Heistand is precluded from terminating his employment with Parkway or Cousins under his employment agreement for good reason solely on account of the consummation of the Merger and (ii) Messrs. Heistand, Lipsey and Francis are precluded from terminating their employment with Parkway or Cousins under their employment agreements for good reason on account of a material diminution in the executive's position, duties or responsibilities, Parkway's or Cousins' material breach of any other material provision of the employment agreement, or a change of the executive's principal place of employment by more than 50 miles, in each case as a result of the consummation of the Merger or Spin-Off. For additional details regarding the waiver agreements, see the discussion in **Interests of Parkway Directors and Executive Officers in the Merger**.

Treatment of Parkway Stock Options and Other Equity-Based Awards in the Merger

Pursuant to the Merger Agreement, as of the effective time of the Merger, outstanding Parkway equity awards will be adjusted as follows:

Restricted Stock Units. Certain Parkway RSU awards will be fully vested and converted into the right to receive a number of shares of Cousins common stock determined based on the exchange ratio. For purposes of such conversion, any performance conditions will be deemed to be satisfied at the maximum level. Certain other Parkway RSU awards will be converted into RSU awards in respect of a number of shares of Cousins common stock determined based on the exchange ratio, and will generally vest in four equal annual installments, commencing on the closing date and concluding on the third anniversary thereof.

Stock Options. Each outstanding Parkway stock option will be converted automatically into an option to purchase a number of shares of Cousins common stock determined based on the exchange ratio.

LTIP Units. Certain outstanding LTIP Units will be converted into Cousins RSU awards on the terms described above for the modified RSU awards. Certain other LTIP Units will be fully vested and converted into common units of Parkway LP, on a one-for-one basis and for purposes of such conversion, any performance conditions will be deemed to be satisfied at the maximum level. Certain other LTIP Units are anticipated to be forfeited to the extent that the applicable performance conditions are not satisfied as of the effective time of the Merger.

Treatment of Cousins and Parkway Stock Options and Other Equity-Based Awards in the Spin-Off

Pursuant to the Merger Agreement, as of the effective time of the Spin-Off, outstanding Cousins equity awards are expected to be adjusted as follows:

Restricted Stock Units Held by Parkway Employees Transferring to New Parkway. For individuals who are employees of Parkway prior to the effective time of the Merger and who are

transferring to New Parkway, their Parkway RSU awards that converted into Cousins RSU awards under the Merger Agreement will be converted into, or exchanged for, RSUs of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway RSU awards prior to the effective time of the Merger.

Restricted Stock Units Held by Parkway Employees Not Transferring to New Parkway or Remaining with Cousins. For individuals who are employees of Parkway prior to the effective time of the Merger and who are not transferring to New Parkway but will not be offered employment with Cousins, their Parkway RSU awards that converted into Cousins RSU awards under the Merger Agreement will be fully vested upon the distribution and treated in the same manner as common stock held by Cousins stockholders generally.

Stock Options Held by Parkway Employees Transferring to New Parkway. For individuals who are employees of Parkway prior to the effective time of the Merger and who are transferring to New Parkway, their Parkway stock options that converted into Cousins stock options under the Merger Agreement will be converted into, or exchanged for, stock options of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Parkway stock options prior to the effective time of the Merger.

Stock Options Held by Parkway Employees Not Transferring to New Parkway or Remaining with Cousins. For individuals who are employees of Parkway prior to the effective time of the Merger and who are not transferring to New Parkway but will not be offered employment with Cousins, their Parkway stock options that converted into Cousins stock options under the Merger Agreement will be fully vested upon the distribution and divided on a proportional basis into fully vested options in respect of Cousins common stock and fully vested options in respect of the common stock of New Parkway, which in each case will exercisable for the remaining term of such stock option.

Equity Awards Held by Legacy Cousins Employees Remaining with Cousins. For individuals who are employees of Cousins prior to the effective time of the Merger and who will remain with Cousins following the Spin-Off, their Cousins equity awards will remain fully denominated in respect of Cousins common stock, with the number of shares subject thereto adjusted in the distribution to preserve the value of the award.

Equity Awards Held by Legacy Cousins Employees Transferring to New Parkway. For individuals who are employees of Cousins prior to the effective time of the Merger and who are transferring to New Parkway, their Cousins equity awards will be converted into, or exchanged for, equity awards of substantially equivalent value in respect of the common stock of New Parkway, with terms and conditions substantially similar to the terms applicable to the Cousins equity awards prior to the effective time of the Spin-Off.

Accounting Treatment

The Merger will be accounted for as a purchase, as that term is used under GAAP, for accounting and financial reporting purposes. Under purchase accounting, the assets (including identifiable intangible assets) and liabilities (including executory contracts and other commitments) of Parkway as of the effective time of the Merger will be recorded at their respective fair values and added to those of Cousins. Any excess of purchase price over the fair values is recorded as goodwill.

Regulatory Approvals

General

Cousins and Parkway have each agreed to use their reasonable best efforts to take all actions and to do all things necessary, proper or advisable to consummate and make effective the Merger and the other transactions contemplated by the Merger Agreement, including the Separation, the UPREIT Reorganization and the Spin-Off. The following is a summary of the material regulatory approvals required for completion of the Merger, the Separation, the UPREIT Reorganization and the Spin-Off.

There can be no assurances that all of the regulatory approvals described below will be obtained and, if obtained, there can be no assurances as to the timing of any approvals, Cousins and Parkway's ability to obtain the approvals on satisfactory terms or the absence of any litigation challenging such approvals. For more information, see Risk Factors, beginning on page 40.

The parties' respective obligations to complete the Merger are conditioned, among other matters, upon (1) the absence of any temporary restraining order, preliminary or permanent injunction or other legal restraint, prohibition or binding order of any court or other governmental entity that prohibits the Merger; (2) the absence of any action taken or statute, rule, regulation or order enacted by any governmental entity which makes the

consummation of the Merger illegal; and (3) the SEC having declared effective the registration statement of which this joint proxy statement/prospectus forms a part, with no stop order in effect with respect thereto no proceedings for such purpose shall be pending before, or threatened by, the SEC.

The parties' respective obligations to complete the Spin-Off are conditioned, among other matters, upon (1) the absence of injunction or law preventing consummation, or limiting the benefits of, the Spin-Off; and (2) the effectiveness of the New Parkway Form 10, with no stop order in effect with respect thereto, and no proceedings for such purpose pending before, or threatened by, the SEC.

Securities and Exchange Commission

In connection with the Cousins Issuance Proposal, Cousins must file a registration statement with the SEC under the Securities Act, of which this joint proxy statement/prospectus is a part, that is declared effective by the SEC. As a condition to the closing of the Merger, Cousins and Parkway must file the New Parkway Form 10 in connection with the Spin-Off, and the New Parkway Form 10 must be declared effective by the SEC, with no stop order in effect with respect to the New Parkway Form 10 and no proceedings for such purpose shall be pending before, or threatened by, the SEC.

Exchange of Shares in the Merger

At or prior to the effective time of the Merger, Cousins will appoint the Exchange Agent to handle the exchange of certificates formerly representing Parkway common stock for shares of Cousins common stock. After the Merger is completed, if a stockholder held certificates representing Parkway common stock immediately prior to the effective time of the Merger, the Exchange Agent, within five business days after the effective time of the Merger, will send such stockholder a letter of transmittal and instructions for exchanging its shares of Parkway common stock for the Merger consideration of 1.63 shares of Cousins common stock. Upon surrender of the certificates for cancellation (or affidavits of loss in lieu thereof) along with the executed letter of transmittal and other required documents described in the instructions, a holder of shares of Parkway common stock will receive the Merger consideration of 1.63 shares of Cousins common stock.

Holders of shares of Parkway common stock in book-entry form immediately prior to the effective time of the Merger will not need to take any action to receive the Merger consideration of 1.63 shares of Cousins common stock. Holders of shares of Parkway limited voting stock in book-entry form immediately prior to the effective time of the Merger will not need to take any action to receive the Merger consideration of 1.63 shares of Cousins limited voting preferred stock.

If you are a Cousins stockholder, you are not required to take any action with respect to your Cousins stock certificates. Such certificates will continue to represent shares of Cousins common stock after the Merger.

You are not being asked to take any action with respect to the Separation, the UPREIT Reorganization or the Spin-Off.

Dividends

Cousins and Parkway plan to continue their respective current dividend policies until the closing of the Merger. The parties each intend to pay quarterly dividends to their respective common stockholders at a rate not in excess of \$0.08 per share of Cousins common stock and \$0.1875 per share of Parkway common stock. Cousins and Parkway have agreed to coordinate their regular quarterly dividends for their common stockholders so that, if one group of common

stockholders receives any dividend for a quarter, the other group of common stockholders will also receive a dividend for such quarter at the same time. Cousins and Parkway have agreed that the other party, with notice to the other, can declare or pay the minimum dividend as may be required in order for such party to qualify as a REIT and to avoid to the extent reasonably possible the incurrence of income or excise tax (which we refer to as a REIT dividend). If one party declares a REIT dividend, the other party can declare a

dividend per share in the same amount, as adjusted by the exchange ratio. For the first two fiscal quarters following the Spin-Off, the parties shall coordinate their dividends such that the sum of the New Parkway dividend and the Cousins dividend shall not be greater than the Cousins dividend prior to the effective time of the Merger.

Listing of Cousins Common Stock in the Merger

It is a condition to the completion of the Merger that the Cousins common stock issuable in the Merger and the Cousins common stock to be authorized and reserved for issuance upon exchange or redemption of partnership units by limited partners in Parkway LP or upon exercise or settlement of options and other equity awards to purchase Cousins common stock issued in substitution for Parkway options and other equity awards be approved for listing on the NYSE, subject to official notice of issuance.

De-Listing and Deregistration of Parkway Common Stock

Pursuant to the Merger Agreement, when the Merger is completed, the Parkway common stock currently listed on the NYSE will cease to be quoted on the NYSE and will be deregistered under the Exchange Act.

No Appraisal or Dissenters Rights

Under Section 3-202(c) of the MGCL, holders of Parkway common stock do not have the right to receive the appraised value of their shares in connection with the Merger because they are listed on the NYSE. Holders of Parkway limited voting stock do not have appraisal rights because the articles supplementary to the Parkway Articles which established the class of Parkway limited voting stock expressly excludes the rights of objecting stockholders under the MGCL for such class of stock.

Under Section 14-2-1302 of the GBCC, holders of Cousins common stock do not have the right to receive the appraised value of their shares in connection with the Merger.

Merger Agreement instead of establishing these matters as facts, and may apply standards of materiality in a way that is different from what may be viewed as material by you or other investors. The representations and warranties contained in the Merger Agreement do not survive the effective time of the Merger. Investors should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or conditions of Cousins, Parkway or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in public disclosures by Cousins or Parkway.

Form of the Merger

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Parkway will merge with and into Merger Sub, with Merger Sub continuing its existence as a wholly owned subsidiary of Cousins.

The legacy holders of Cousins common stock and the legacy holders of Parkway common stock will own approximately 52% and 48%, respectively, of the outstanding shares of Cousins common stock following the effective time of the Merger. The legacy holders of Parkway limited voting stock will own 100% of Cousins limited voting preferred stock following the effective time of the Merger.

Merger Consideration

In connection with the Merger, upon the terms and subject to the conditions of the Merger Agreement, each Parkway common stockholder will receive 1.63 newly issued shares of Cousins common stock for each share of Parkway common stock that such holder owns immediately prior to the effective time of the Merger, with cash paid in lieu of fractional shares. The exchange ratio is fixed and will not be adjusted to reflect stock price changes prior to the closing of the Merger.

In addition, each limited partner of Parkway LP will be entitled to redeem or exchange its partnership interests in Parkway LP for shares of Parkway common stock, pursuant to the terms of the Parkway Partnership Agreement, which will be amended pursuant to the Merger Agreement. If partnership interests are so redeemed or exchanged prior to the effective time of the Merger, the shares of Parkway common stock will in turn be converted in the Merger into the right to receive a number of newly issued shares of Cousins common stock equal to the exchange ratio, upon the terms and subject to the conditions of the Merger Agreement. Limited partners in Parkway LP who do not elect to redeem their partnership units will retain their partnership units in Parkway LP and, following the UPREIT Reorganization, will hold 1.63 common partnership units of Parkway LP and 1.63 common partnership units of Cousins LP for each common partnership unit of Parkway LP that they hold immediately prior to the Merger.

Furthermore, in connection with the Merger, upon the terms and subject to the conditions of the Merger Agreement, each share of Parkway limited voting stock will be converted into 1.63 newly issued shares of Cousins limited voting preferred stock having rights, privileges, powers and preferences substantially identical to those of the Parkway limited voting stock.

For more information, see Exchange of Shares in the Merger.

Treatment of Parkway Stock Options and Other Equity-Based Awards in the Merger

At the effective time of the Merger, upon the terms and subject to the conditions of the Merger Agreement, outstanding Parkway equity awards will be adjusted as follows:

Restricted Stock Unit Awards. Certain Parkway RSU awards will be fully vested and converted into the right to receive a number of shares of Cousins common stock determined based on the exchange ratio.

Table of Contents

For purposes of such conversion, any performance conditions will be deemed to be satisfied at the maximum level. Certain other Parkway RSU awards will be converted into Cousins RSU awards based on the exchange ratio, and will generally vest in four equal annual installments, commencing on the closing date and concluding on the third anniversary thereof;

Stock Options. Each outstanding Parkway stock option will be converted automatically into an option to purchase a number of shares of Cousins common stock determined based on the exchange ratio;

LTIP Units. Certain outstanding LTIP Units will be converted into Cousins RSU awards on the terms described above for the modified RSU awards. Certain other LTIP Units will be fully vested and converted into common units of Parkway LP, and for purposes of such conversion, any performance conditions will be deemed to be satisfied at the maximum level. Certain other LTIP Units are anticipated to be forfeited to the extent that the applicable performance conditions are not satisfied as of the effective time of the Merger.

Closing; Effective Time of the Merger

Unless the parties otherwise agree, upon the terms and subject to the conditions of the Merger Agreement, the closing of the Merger will take place on the date that is the second business day after the satisfaction or waiver of the conditions set forth in the Merger Agreement (other than those conditions that, by their terms, are to be satisfied on the closing date, but subject to the satisfaction or waiver of those conditions at the time of closing).

Unless the parties otherwise agree, pursuant to the Merger Agreement, and upon the terms and subject to the conditions of the Merger Agreement, the Merger will become effective before the open of business on the first business day following the closing date. After the Merger becomes effective, Cousins will continue with the name Cousins Properties Incorporated.

Subject to the terms and conditions of the Merger Agreement, the parties shall use reasonable best efforts to effect the Spin-Off on the business day following the closing of the Merger.

Charter and Bylaws

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions of the Merger Agreement, the Cousins Articles in effect immediately prior to the Merger will be the articles of incorporation of Cousins following the Merger and, if the Cousins Articles Amendment Proposal is approved by Cousins stockholders at the Cousins special meeting, such articles amendment will become effective at the effective time of the Merger. Furthermore, prior to the effective time of the Merger, Cousins will adopt another amendment to the Cousins Articles in substantially the form of Exhibit E to the Merger Agreement, which articles amendment will become effective at the effective time of the Merger and will authorize a class of Cousins limited voting preferred stock to have rights, privileges, powers and preferences materially unchanged from the terms of the Parkway limited voting stock prior to the Merger.

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions of the Merger Agreement, unless the parties otherwise agree, Cousins has agreed to use its reasonable best efforts to submit the Cousins Articles Amendment Proposal to the vote of its stockholders. The approval of the Cousins Articles Amendment Proposal is a

condition to the parties obligations to effect the Merger and the other transactions contemplated by the Merger Agreement.

Definition of Material Adverse Effect

Many of the representations of Cousins and Parkway are qualified by a material adverse effect standard (that is, they will not be deemed to be untrue or incorrect unless their failure to be true or correct, individually or in the aggregate, would have a material adverse effect). Material adverse effect, for purposes of the Merger Agreement, means any event, development, change or occurrence that is materially adverse to the financial condition, business or results of operations Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, except that no event, development, change or occurrence arising out of, relating to or resulting from any of the following will constitute a material adverse effect:

changes generally affecting the economy, financial or securities markets or political or regulatory conditions, to the extent such changes do not have a materially disproportionate effect on the financial condition, business or results of operations of Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, relative to other similarly situated owners, operators and developers in the parties' industry;

changes in the parties' industry or changes generally affecting owners, operators or developers in the parties' industry, to the extent such changes do not have a materially disproportionate effect on the financial

condition, business or results of operations of Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, relative to other similarly situated owners, operators and developers in the parties industry;

any change after the date hereof in law or the interpretation thereof or GAAP or the interpretation thereof, to the extent such changes do not have a materially disproportionate effect on the financial condition, business or results of operations of Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, relative to other similarly situated owners, operators and developers in the parties industry;

acts of war, armed hostility or terrorism or any worsening thereof, to the extent such changes do not have a materially disproportionate effect on the financial condition, business or results of operations of Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, relative to other similarly situated owners, operators and developers in the parties industry;

earthquakes, hurricanes, tornados or other natural disasters or calamities, to the extent such changes do not have a materially disproportionate effect on the financial condition, business or results of

operations of Cousins or Parkway, as applicable, in each case including its subsidiaries, taken as a whole, relative to other similarly situated owners, operators and developers in the parties' industry;

any change to the extent attributable to the negotiation, execution or announcement of the Merger Agreement, including the Spin-Off, including any litigation resulting therefrom, and any adverse change in customer, distributor, employee, supplier, financing source, licensor licensee, sub-licensee, stockholder, joint venture partner or similar relationships, including as a result of the identity of the other party;

any failure by Cousins or Parkway, as applicable, to meet any internal or published industry analyst projections or forecasts or estimates of revenues or earnings for any period (although facts and circumstances giving rise to such failure that are not otherwise excluded from the definition of material adverse effect may be taken into account in determining whether there has been a material adverse effect);

any change in the price or trading volume of the Cousins common stock or Parkway common stock, as applicable (although facts and circumstances giving rise to such change that are not otherwise excluded from the definition of material adverse effect may be taken into account in determining whether there has been a material adverse effect);

compliance with the terms of, or the taking of any action required by, the Merger Agreement, including certain asset sales undertaken subject to the terms and conditions of the Merger Agreement, the Separation, the UPREIT Reorganization and the Spin-Off;

the outcome of certain litigation, claims or other proceedings; and

any bankruptcy, insolvency or reorganization of any tenant under any lease of Cousins or Parkway, as applicable.

Notwithstanding the above, any event, development, change or occurrence that has caused or is reasonably likely to cause Cousins or Parkway, as applicable, to fail to qualify as a REIT for federal tax purposes will be considered a material adverse effect, unless such failure has been, or is able to be, cured on commercially reasonable terms under the applicable provisions of the Code.

In addition, Parkway shall inform Cousins within 10 calendar days after the end of each fiscal quarter regarding its current levels of net debt, meaning Parkway's share of the total outstanding principal balance of indebtedness of Parkway on a consolidated basis, *minus* Parkway's share of the total amount of unrestricted and unencumbered cash and cash equivalents on a current basis, and current cash at the end of such quarter, along with an internally generated roll forward schedule of such net debt and cash for the succeeding three quarters.

the use by Cousins and Parkway of reasonable best efforts to cause the Merger to qualify as a reorganization under the Code, and to effect the Separation and the UPREIT Reorganization in a manner such that the Separation and the UPREIT Reorganization are treated as taxable transactions to both Cousins and the stockholders of Cousins under the Code.

Financing

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Parkway shall use its reasonable best efforts to cause New Parkway LP to obtain the proceeds of the New Parkway Credit Facilities, including by taking enforcement action against the Lenders. Without Cousins' consent (which shall not be unreasonably withheld), Parkway may not amend or modify the commitments with respect to the New Parkway Credit Facilities in a manner materially adverse to Cousins, including any amendment or modification that reduces the net proceeds to be funded, expands the conditions to funding, or materially adversely impacts Parkway or New Parkway LP's ability to enforce their rights against the Lenders. The Merger Agreement also provides for Parkway and Cousins to provide to each other reasonable and customary cooperation in connection with the arranging, obtaining and syndication of any necessary or advisable financing arrangements (including the New Parkway Credit Facilities) in connection with the Merger and the Spin-Off.

Asset Sales

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Parkway shall use commercially reasonable efforts to take all actions necessary, proper or advisable under law to effect asset sales of certain of Parkway's properties in Jacksonville and Miami, Florida and Philadelphia, Pennsylvania, as set forth in Exhibit A to the Merger Agreement. Such asset sales are subject to the approval of Cousins unless conducted in accordance with certain terms in Parkway's confidential disclosure letter, and may be conditioned upon the closing of the Merger. Parkway has agreed to use commercially reasonable efforts to take all actions necessary, proper or advisable under law to effect modifications to the asset sales that are mutually agreed between Cousins and Parkway. Parkway shall also cooperate with Cousins in developing and implementing a strategy and process for effecting the asset sales, consult with Cousins on a regular basis and in

Table of Contents

good faith in carrying out such strategy and process and use commercially reasonable efforts to take or cause to be taken all actions necessary, proper or advisable to obtain such authorizations, approvals or consents as promptly as practicable.

The Separation and the UPREIT Reorganization

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each of the parties has agreed to take all actions reasonably necessary, proper or advisable to effect the Separation and the UPREIT Reorganization, including but not limited to the following steps:

Prior to the effective time of the Merger, Parkway and Parkway LP will organize two new Delaware limited partnerships, Cousins LP and New Parkway LP, each of which initially will be wholly owned by Parkway as the initial general partner and Parkway LP as the initial limited partner and will have partnership agreements with provisions that are customary for UPREIT partnerships.

Prior to the effective time of the Merger, Parkway will form New Parkway as a wholly owned Maryland corporation.

Immediately following the effective time of the Merger, Parkway LP will contribute its non-Houston properties and certain other assets specified in the Separation and Distribution Agreement (as hereinafter defined) to Cousins LP in exchange for interests in Cousins LP, and retain its interest in the assets related to the Houston Business. Parkway LP will then distribute all of the interests of Cousins LP that it received from these contributions ratably to its partners. Parkway GP will distribute the Cousins LP interests that it receives to Merger Sub, which will be the sole stockholder of Parkway GP following the effective time of the Merger.

Parkway LP will then contribute its assets related to the Houston Business to New Parkway LP, and Cousins will contribute its assets related to the Houston Business to New Parkway LP (other than a 1% interest in certain entities, which Cousins will contribute to New Parkway) in exchange for limited partner interests in New Parkway LP. Cousins will then contribute its 1% interest in certain entities referred to in the preceding sentence and limited partner interests in New Parkway LP to New Parkway, and Merger Sub will contribute to New Parkway its limited partner interests in Parkway LP and its stock of Parkway GP. Through a series of transactions, Cousins LP will contribute \$5 million to New Parkway in exchange for non-voting preferred stock of New Parkway (with aggregate liquidation preference of \$5 million and bearing a market dividend rate), New Parkway will contribute \$5 million to Parkway LP in exchange for preferred limited partner units of Parkway LP (with aggregate liquidation preference of \$5 million and bearing a market dividend rate), and Parkway LP will contribute \$5 million to New Parkway LP in exchange for preferred limited partner units of New Parkway LP (with aggregate liquidation preference of \$5 million and bearing a market dividend rate). Merger Sub will contribute its general partner interest in New Parkway LP to Parkway GP.

New Parkway will elect to be taxed as a corporation for federal income tax purposes, effective prior to the distributions discussed below, and will elect to be treated as a REIT for federal income tax purposes for the taxable year ending on December 31 of the year for which the election to be treated as a corporation is effective.

New Parkway LP will enter into the New Parkway Credit Facilities for aggregate availability of \$350 million, and subject to satisfaction of the conditions thereto, New Parkway LP will draw \$350 million. Through a series of transactions, New Parkway LP will distribute pro rata portions of \$200 million of the \$350 million draw to each of Parkway LP, Parkway GP (which subsequently will distribute such proceeds to New Parkway, its sole stockholder), and New Parkway (which New Parkway will subsequently distribute, along with the cash received from Parkway GP and Parkway LP, to Merger Sub, its sole stockholder, which will distribute the cash to Cousins, its sole stockholder). Parkway LP will distribute its pro rata share of the \$200 million in loan proceeds ratably to Parkway and its other partners, if each of its other partners agrees to cause its share of the distributed cash to be

Table of Contents

contributed to Cousins LP in exchange for units of Cousins LP; if a limited partner of Parkway LP does not agree to contribute its share of the distributed cash to Cousins LP, Parkway LP will use a portion of its pro rata share of the \$200 million to redeem Parkway LP units held by New Parkway and each other partner that agrees to cause its share of distributed cash to be contributed to Cousins LP in exchange for units of Cousins LP, at a redemption price based upon the Parkway Partnership Agreement.

Limited partners of Parkway LP who received cash in the above step will contribute such cash to Cousins LP, in exchange for units of Cousins LP.

Cousins will contribute to Cousins LP its non-Houston assets (including the portion of the \$200 million of loan proceeds that it received through Merger Sub in the pro rata distribution, as described above), in exchange for units of Cousins LP. Other limited partners of Parkway LP will continue as limited partners of Cousins LP.

Cousins LP will then repay, or cause to be repaid, certain indebtedness of Cousins and its subsidiaries, including Parkway's existing credit facilities.

Merger Sub will distribute to Cousins, its sole stockholder, 100% of the common stock of New Parkway, 100% of the New Parkway limited voting stock, the general partner interest in Cousins LP and all of the units of Cousins LP that Merger Sub received in the foregoing distributions from Parkway LP and Parkway GP.

Prior to market opening on the day following the closing of the Merger, in connection with the Spin-Off, common stock and limited voting stock of New Parkway will be distributed to Cousins stockholders (including holders of Cousins stock who received shares of Cousins stock in exchange for shares of Parkway stock pursuant to the Merger).

The UPREIT Reorganization will result in Cousins functioning as an UPREIT following the effective time of the Merger, with substantially all of its assets held and activities conducted through Cousins LP, its operating partnership. The original limited partners of Parkway LP who have not elected to exchange or redeem their units for Parkway common stock prior to the Merger will retain a pro rata portion of the limited partner interests in Cousins LP following the effective time of the Merger. Pursuant to the partnership agreement of Cousins LP, which will be entered into in connection with the UPREIT Reorganization, Cousins shall be the general partner of Cousins LP and, as of the effective time of the Merger, will hold approximately 98% of the limited partnership interests of Cousins LP. For more information, see [Information About the Companies Cousins Properties LP](#).

Pursuant to the UPREIT Reorganization, New Parkway LP will become the operating partnership of New Parkway, through which New Parkway will operate substantially all of its business after the effective time of the Spin-Off. For more information, see [Information About the Companies Parkway Properties LP](#).

The Spin-Off

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, immediately after the effective time of the Merger, after all of the steps of the Separation and the UPREIT Reorganization, Cousins will effect the Spin-Off of New Parkway to all of Cousins stockholders, which will include legacy Cousins stockholders and legacy Parkway stockholders who received shares of Cousins common and limited voting preferred stock in connection with the Merger.

In the Spin-Off, common stockholders of Cousins will receive shares of New Parkway common stock, and holders of Cousins limited voting preferred stock will receive shares of New Parkway limited voting stock. Limited partners of Parkway LP who elected not to redeem or exchange their partnership interests in Parkway LP for shares of Parkway common stock, will retain their pro rata interest in Parkway LP. New Parkway LP will function as the operating partnership of New Parkway for purposes of the UPREIT structure. Further, Cousins or

Table of Contents

Cousins LP will retain all of the shares of nonvoting preferred stock of New Parkway. New Parkway is expected to have outstanding shares of nonvoting preferred stock with a liquidation preference of \$5 million, a fixed market dividend rate and no voting rights, other than as required by law.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Cousins and Parkway have agreed to use reasonable best efforts to prepare and cause New Parkway to file a prospectus relating to securities of New Parkway to be issued in the Spin-Off, and the parties shall use reasonable best efforts and cooperate to cause New Parkway to file with the SEC the New Parkway Form 10. The parties have agreed to use reasonable best efforts to cooperate in order to effect the Spin-Off on the business day following the closing of the Merger.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, prior to the Spin-Off, the parties will enter into a separation and distribution agreement (which we refer to as the Separation and Distribution Agreement), which will govern the rights and responsibilities of each of Cousins and New Parkway with respect to its relationship with the other following the closing of the Merger and the Spin-Off and contain, among other things, the terms set forth on Exhibit C to the Merger Agreement.

The parties will also execute and deliver such instruments of conveyance as may be necessary to effect the Separation and the UPREIT Reorganization, upon the terms and subject to the conditions of the Merger Agreement. Additionally, all intercompany agreements between New Parkway, Cousins and their respective subsidiaries will be terminated in connection with the Spin-Off, other than agreements that are specifically identified. Pursuant to the Separation and Distribution Agreement, upon the terms and subject to the conditions of the Separation and Distribution Agreement, New Parkway and the TPG Parties will enter into the New Parkway stockholders agreement in connection with the closing of the Spin-Off. For more information, see Agreements with the TPG Parties New Parkway Stockholders Agreement.

Pursuant to the Separation and Distribution Agreement, upon the terms and subject to the conditions of the Separation and Distribution Agreement, New Parkway, through its subsidiaries, will retain all assets primarily related to the Houston Business, including:

\$150 million of unrestricted cash proceeds from the New Parkway Credit Facilities;

all issued capital stock or other equity interests in subsidiaries, joint ventures, partnerships or similar entities that primarily relate to the Houston Business, as well as the Third-Party Services Business and Parkway's minority ownership interest in 2121 Market Street Associates, L.P. all rights, claims, demands, causes of action, judgments, decrees, property tax appeals and rights to indemnify or contribution in favor of Cousins that are primarily related to the Houston Business; and

other assets mutually agreed by the parties prior to the Spin-Off.

In addition, pursuant to the Separation and Distribution Agreement, upon the terms and subject to the conditions of the Separation and Distribution Agreement, New Parkway, through its subsidiaries, will retain all of the liabilities arising out of the Houston Business, including:

other liabilities mutually agreed upon by the parties prior to the Spin-Off.

Pursuant to the Separation and Distribution Agreement, upon the terms and subject to the conditions of the Separation and Distribution Agreement, Cousins will retain all assets other than the Houston, Texas assets, and all liabilities other than those explicitly distributed to New Parkway pursuant to the foregoing.

The Separation and Distribution Agreement will include the following terms and conditions, among others:

Segregation of Accounts. Cousins and New Parkway will use commercially reasonable efforts to de-link any common bank or brokerage accounts between them, and any outstanding checks issued or payments initiated prior to the effective time of the Merger will be honored after the effective time of the Merger by the party then owning the account on which the check is drawn. The parties will cooperate to pay over any amounts received rightfully owed to the other party, subject to regulatory compliance.

Novation. Cousins and New Parkway will use commercially reasonable efforts to obtain any consent or amendment required to novate or assign all liabilities to the appropriate party, based on the separation of liabilities described above. Additionally, each party will use commercially reasonable efforts to have the other party removed as the guarantor or obligor with respect to any obligations or liabilities of such party. To the extent the release or removal cannot be obtained, the party benefiting from the guarantee or obligation will indemnify and hold harmless the other from any liability arising from such guarantee or obligation, and will not renew or extend the term of the applicable obligation or liability.

Table of Contents

Mortgage Debt. Cousins and New Parkway will acquire properties previously owned by other parties, subject to existing mortgage debt. Each party will use commercially reasonable efforts to have the other party released from all debt documents, including guarantees, relating to properties no longer owned by such other party.

Financing. At the effective time of the Merger, New Parkway will cause New Parkway LP to borrow \$350 million under the New Parkway Credit Facilities, and, in the Separation and the UPREIT Reorganization, \$200 million will be distributed through New Parkway to Merger Sub and Merger Sub shall be contributed to Cousins LP. New Parkway, through New Parkway LP, will retain \$150 million of unrestricted cash.

Employee Matters. The initial post-Spin-Off employment terms for Parkway and Cousins employees transferring to New Parkway generally will be consistent with those applicable to continuing Parkway employees under the Merger Agreement. For more information, see Employee Benefits Matters. Cousins generally will retain assets and liabilities related to benefit plans and employees who are not transferring to New Parkway, while New Parkway generally will assume assets and liabilities related to benefit plans and employees who are transferring to New Parkway; *provided, however*, liability for claims incurred under a health and welfare benefit plan prior to the distribution will remain the liability of the party who sponsors such benefit plan following the distribution.

Employee Non-Solicit. The non-solicit provision contained in the Merger Agreement will continue for two years following the closing of the Merger Agreement.

Tax Matters. Each of Cousins and New Parkway will enter into a tax matters agreement that will address the following:

preparation of post-Spin-Off tax returns;

preparation of any tax returns relating to Parkway LP, reflecting certain tax items arising out of the Separation and the UPREIT Reorganization;

apportionment of taxes among Cousins and New Parkway;

refunds, tax attributes and deductions; and

conduct of tax proceedings.

Intellectual Property. Cousins shall retain all rights to intellectual property of Cousins immediately prior to the Spin-Off, including the Cousins name and all related intellectual property, including Internet domain

names and the CUZ ticker symbol. New Parkway shall retain all rights to the Parkway name and all related intellectual property, including Internet domain names and the PKY ticker symbol.

Transition Services. The parties will enter into a transition services agreement, pursuant to which it will cooperate with regards to various post-Spin-Off matters, including property level audits and financial reporting, and provide certain continuing administrative services with respect to the assets previously owned by it prior to the closing of the Merger.

Insurance. Cousins and Parkway will work in good faith to consider the appropriateness (from an economic cost and liability standpoint) of Cousins, Parkway and New Parkway continuing coverage on properties owned by Cousins and New Parkway after the Spin-Off under their existing property (casualty) insurance coverage through December 31, 2016, but in no event will Cousins or New Parkway be required to extend such coverage on the Houston assets and non-Houston assets, respectively, past December 31, 2016; *provided*, that allocation and reimbursement of premiums will be required in connection with any such continuation. Following the Spin-Off, Cousins and New Parkway will each be solely responsible for any uninsured loss (including deductible) on property it owns after the Spin-Off. At the effective time of the Merger, Parkway's existing property insurance coverage shall be transferred to New Parkway and shall remain in place (for such properties which

continue to be owned by Cousins) through and until April 1, 2017, which is the expiration of the current term thereunder.

Information Sharing. Cousins and New Parkway will use commercially reasonable efforts after the Spin-Off to share with the other party all information relating to matters prior to the Spin-Off, and such other party's assets held by the disclosing party. The parties will agree on records retention policies and will keep copies of all historic records and agreements to support future diligence and audits. The Separation and Distribution Agreement will include a customary confidentiality agreement.

Indemnification. Each of New Parkway and Cousins will indemnify the other for any claims relating to:

liabilities of New Parkway or Cousins, and the failure of New Parkway or Cousins to pay any such liability in accordance with its terms;

third-party claims relating to the indemnifying party's business or assets;

breach of the Separation and Distribution Agreement or any other ancillary document thereto;

guarantees, credit support agreements or similar undertakings for the benefit of the indemnifying party by the other party; and

any untrue statement of material fact in the New Parkway Form 10.

Mutual Releases. Neither party will be liable to the other for indirect, punitive, exemplary, remote, speculative or similar damages in excess of compensatory damages, other than with respect to a third-party claim. Each of Cousins and New Parkway will also release the other party and its directors, officers, employees, agents and equity holders from all pre-closing liabilities related to the releasing party's business or assets owned by such party after the Spin-Off, other than liabilities for any willful or intentional misconduct, fraud, gross negligence or bad faith. Neither party will make any claim against the other or such directors, officers, employees, agents or equity holders with respect to any such liability. The foregoing in no way limits the rights of the parties under the Merger Agreement.

The Spin-Off is subject to certain conditions, including:

the effectiveness of the New Parkway Form 10, with no stop order in effect with respect thereto, and no proceedings for such purpose pending before or threatened by the SEC;

the receipt by each of Parkway and Cousins of solvency and surplus opinions;

the approval for listing on the NYSE of shares of New Parkway common stock to be issued or reserved for issuance in connection with the Spin-Off;

the mailing of the information statement that forms a part of the New Parkway Form 10;

the execution of all ancillary documents required by the Spin-Off;

the absence of injunction or law preventing consummation, or limiting the benefits of, the Spin-Off;

the consummation of the Separation and the UPREIT Reorganization; and

the entering into by New Parkway, through New Parkway LP, of the New Parkway Credit Facilities, pursuant to which New Parkway LP shall distribute \$200 million to its partners, which funds will then be contributed to Cousins LP.

Employee Benefits Matters

For a period of one year following the effective time of the Merger (or, if earlier, the date of the applicable employee's termination of employment), Cousins will provide, or will cause to be provided, to each employee of Parkway and its subsidiaries who is employed by Cousins or its subsidiaries as of the effective time of the

Table of Contents

Merger (which we refer to as the Continuing Employees) (i) at least the base compensation provided to such Continuing Employee immediately prior to the effective time of the Merger; (ii) an annual bonus opportunity that is no less favorable than is provided to a similarly situated employee of Cousins or its subsidiaries; (iii) long-term incentive award opportunities, whether cash or equity, that are no less favorable than are provided to a similarly situated employee of Cousins or its subsidiaries; (iv) severance benefits that are no less favorable, in the aggregate, than the severance benefits that would have been provided to such Continuing Employee pursuant to the terms, as in effect on the date of the Merger Agreement, of the severance pay policies and arrangements of Parkway; and (v) other compensation and employee benefits (excluding, for this purpose, the compensation contemplated by the foregoing clauses (i)-(iv) above and defined benefit pension plans, post-retirement medical and welfare plans, and retention change in control or similar plans, policies or agreements) that are substantially comparable in the aggregate to those provided to a similarly situated employee of Cousins or its subsidiaries. For purposes of clause (v), the employee benefits generally provided to employees of Parkway and its subsidiaries as of immediately prior to the effective time of the Merger will be deemed to be substantially comparable in the aggregate to those provided to a similarly situated employee of Cousins or its subsidiaries, and the Continuing Employees may commence participation in the benefit plans maintained by Cousins and its subsidiaries at such times as are determined by Cousins.

For purposes of any benefit plans maintained by Cousins and its subsidiaries that provide benefits to any Continuing Employees after the effective time of the Merger, Cousins will, or will cause its applicable subsidiary to, (i) waive all preexisting conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Continuing Employees and their eligible dependents, except, with respect to pre-existing conditions or exclusions, to the extent such preexisting conditions or exclusions would apply under the analogous Parkway benefit plan; (ii) provide each Continuing Employee and his or her eligible dependents with credit for any co-payments and deductibles paid during the portion of the plan year of the corresponding Parkway benefit plan ending on the date such Continuing Employee's participation in the Cousins benefit plan begins (to the same extent that such credit was given under the analogous Parkway benefit plan prior to the date that the Continuing Employee first participates in the Cousins benefit plan) in satisfying any applicable deductible or out-of-pocket requirements; and (iii) recognize all service of the Continuing Employees with Parkway and its subsidiaries (and any predecessors or affiliates thereof) for all purposes to the same extent such service was taken into account under the analogous Parkway benefit plan prior to the date that the Continuing Employee first participates in the Cousins benefit plan. The foregoing clause (iii) will not apply to the extent it would result in duplication of benefits or for any purpose with respect to any defined benefit pension plan, postretirement welfare plan or any Cousins benefit plan under which similarly situated employees of Cousins and its subsidiaries do not receive credit for prior service or that is grandfathered or frozen, either with respect to level of benefits or participation.

Dividends

The Merger Agreement provides that between April 28, 2016 and the earlier of the effective time of the Merger and the termination of the Merger Agreement, none of Cousins, Parkway or Parkway LP may make, declare or set aside for payment of any dividend or other distribution to its respective stockholders or stockholders without the prior written consent of Cousins (in the case of distributions by Parkway or Parkway LP) or Parkway (in the case of distributions by Cousins), except that such written consent will not be required for the authorization and payment of quarterly distributions at a rate not in excess of the regular quarterly cash dividend most recently declared prior to April 28, 2016 (\$0.08 per share of Cousins common stock and \$0.1875 per share of Parkway common stock).

Cousins and Parkway have agreed to coordinate their regular quarterly dividends for their common stockholders so that, if one group of common stockholders receives any dividend for a calendar quarter, the other group of common stockholders will also receive a dividend for such calendar quarter with the same record and payment dates. Cousins and Parkway have also agreed that one party, with notice to the other, can declare or pay the minimum dividend that

may be required in order for such party to qualify as a REIT and to avoid to the

Table of Contents

extent reasonably possible the incurrence of income or excise tax. If one party declares a REIT dividend, the other party can declare a dividend per share in the same amount, as adjusted by the exchange ratio.

Conditions to Completion of the Merger

The obligations of Cousins and Parkway to complete the Merger are subject to certain conditions being satisfied or, where legally permissible, waived. These conditions include, among others:

the affirmative vote of the majority of the votes cast by Cousins common stockholders to approve the Cousins Issuance Proposal;

the affirmative vote of the holders of a majority of the outstanding shares of Cousins common stock to approve the Cousins Articles Amendment Proposal;

the affirmative vote of the holders of a majority of the outstanding Parkway common and limited voting stock, voting together as a single class, to approve the Merger;

the approval of listing on the NYSE of shares of Cousins common stock to be issued or reserved for issuance in connection with the Merger;

the SEC having declared effective the registration statement of which this joint proxy statement/prospectus forms a part;

the absence of any temporary restraining order, preliminary or permanent injunction or other legal restraint, prohibition or binding order of any court or other governmental entity that prohibits the Merger;

the absence of any action taken or statute, rule, regulation or order enacted by any governmental entity which makes the consummation of the Merger illegal; and

the Spin-Off being fully ready to be consummated contemporaneously with the closing of the Merger, including that the SEC shall have declared the New Parkway Form 10 effective and the Spin-Off will close on the business day following the closing of the Merger.

In addition, the obligation of Parkway to effect the Merger is subject to the satisfaction or waiver of the following additional conditions:

the representations and warranties of Cousins set forth in the Merger Agreement with respect to its organization, standing and power, capital structure (other than representations with respect to share count),

authority, required vote, status as an investment company, brokers and finders and opinion of Cousins financial advisor being true and correct in all material respects as of April 28, 2016 and the closing date (except to the extent made as of an earlier date, in which case as of such earlier date);

the representations and warranties of Cousins set forth in the Merger Agreement with respect to its share count shall be true and correct in all but de minimis respects as of April 28, 2016 and the closing date;

No Solicitation

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each of Cousins and Parkway has agreed that none of Cousins or Parkway, or their respective subsidiaries, officers or directors, will, directly or indirectly, (i) initiate, solicit or knowingly encourage or facilitate any inquiries or the making of any acquisition proposal, (ii) participate in any discussions or negotiations with or provide any confidential information to any person concerning an acquisition proposal, or knowingly facilitate any effort attempt to make or implement an acquisition proposal, (iii) approve or execute or enter into any letter of intent, agreement in principle, merger agreement, asset purchase or share exchange agreement, option agreement or other similar agreement related to any acquisition proposal or (iv) propose or agree to any of the foregoing.

For purposes of the Merger Agreement, an acquisition proposal means any proposal or offer with respect to, or a transaction to effect, (i) a merger, reorganization, share exchange, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving Cousins, Parkway or any of their significant subsidiaries, (ii) any purchase or sale of 20% or more of the consolidated assets (including stock or

other ownership interests of its subsidiaries) of Cousins or Parkway, in each case taken as a whole with each of its subsidiaries or (iii) any purchase or sale of, or tender or exchange offer for, its voting securities that, if consummated, would result in any person (or the stockholders or other equity interest holders of such person) beneficially owning securities representing 20% or more of the total voting power of either Cousins or Parkway (or of the surviving parent entity in such transaction) or the voting power of any significant subsidiary of either Cousins or Parkway (in each case other than any proposal or offer made by one party to the Merger Agreement to another such party). A significant subsidiary is any subsidiary of Cousins or Parkway that would constitute a significant subsidiary of such party within the meaning of Rule 1-02 of Regulation S-X promulgated by the SEC.

Notwithstanding the foregoing, upon the terms and subject to the conditions of the Merger Agreement, each of the Cousins board of directors and the Parkway board of directors will be permitted, prior to its respective special meeting of stockholders and subject to first entering into a confidentiality agreement and subject to its compliance with the other provisions of this covenant, to engage in discussion and negotiations with, or provide nonpublic information to, any person making an unsolicited bona fide written acquisition proposal with respect to Cousins or Parkway which did not result from a breach of the terms of this covenant and which the Cousins board of directors or the Parkway board of directors concludes in good faith (after consultation with outside legal counsel and financial advisors) constitutes, or is reasonably likely to result in, an acquisition proposal that is both (i) more favorable to its stockholders, as the case may be, than the transactions contemplated by the Merger Agreement, and (ii) is reasonably likely to receive all required governmental approvals on a timely basis and otherwise reasonably capable of being completed on the terms proposed, in each case taking into account all legal, financial, regulatory and other aspects of such proposal and the person making the proposal, including any break-up fees or expense reimbursement provisions and conditions to consummation and *provided that* the references to 20% or more in the definition of acquisition proposal are replaced with a reference to 75% or more (we refer to any proposal meeting such criteria as a superior proposal). The foregoing actions may be undertaken only if the directors conclude in good faith (after consultation with outside legal counsel) that failure to do so would reasonably be expected to result in a breach of their duties to stockholders.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each party has agreed to notify the other party within 24 hours after receipt of an acquisition proposal or receipt of any request for nonpublic information relating to a party or its subsidiaries, or if either party enters into discussions or negotiations concerning any acquisition proposal or provides nonpublic information to any person in connection with an acquisition proposal. Each party has agreed to keep the other party informed of the status and terms of any such proposals. Each party may contact a person submitting an acquisition proposal to clarify and understand the terms of the acquisition proposal, so as to determine whether such acquisition proposal constitutes or is reasonably likely to result in a superior proposal.

Stockholder Vote

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Cousins has agreed to take all lawful action to call, give notice of, convene and hold a meeting of its stockholders as promptly as practicable following the effective date of the registration statement of which this joint proxy statement/prospectus forms a part for the purpose of obtaining Cousins stockholder approval of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal. Unless a permitted change in recommendation has occurred as described below, the Cousins board of directors has agreed to use its reasonable best efforts to obtain such stockholder approval, which includes issuing a recommendation to its stockholders to approve the Merger.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, Parkway has agreed to take all lawful action to call, give notice of, convene and hold a meeting of its stockholders as promptly as practicable following the effective date of the registration statement of which this joint proxy statement/prospectus

forms a part for the purpose of obtaining Parkway stockholder approval of the Parkway Merger Proposal. Unless a permitted change in recommendation has occurred as described below, the

Parkway board of directors has agreed to use its reasonable best efforts to obtain such stockholder approval, which includes issuing a recommendation to its stockholders to approve the Merger.

Each party has agreed to use its reasonable best efforts to cause the Cousins special meeting and the Parkway special meeting to be held on the same date.

Permitted Change in Recommendation

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each of the Cousins board of directors and the Parkway board of directors have agreed they will not, and will not publicly propose to, withhold, withdraw or modify in any manner adverse to the other party its approval, recommendation or declaration of advisability with respect to the Merger Agreement or the transactions contemplated thereby (which we refer to as a change in recommendation). Nevertheless, the Cousins board of directors or the Parkway board of directors may make a change in recommendation in the following circumstances:

if the board of directors has concluded in good faith that an unsolicited bona fide written acquisition proposal that it has received from a third party and has not been withdrawn and which did not result from any violation of the nonsolicitation covenant constitutes a superior proposal, and that the failure to make such change in recommendation would reasonably be expected to result in a breach of its duties to the stockholders of Cousins or Parkway, as applicable; or

if a material development or change in circumstances, which does not relate to an acquisition proposal and was neither known to nor reasonably foreseeable by the directors as of April 28, 2016, has occurred on or after such date, and the directors have reasonably determined that the failure to make such a change in recommendation would reasonably be expected to result in a breach of their duties to the stockholders of Cousins or Parkway, as applicable.

Prior to making any change in recommendation, upon the terms and subject to the conditions of the Merger Agreement, the Cousins board of directors or the Parkway board of directors, as applicable, must give five business days notice of its intention to do so to the other party, which notice must contain certain information relating to the acquisition proposal, development or change in circumstances leading to the proposed change in recommendation, and must engage in good faith discussions with the other party regarding any adjustments or modifications to the terms of the Merger Agreement proposed by such party. Following such five business day period and prior to making any change in recommendation, the party proposing to make a change in recommendation must again reasonably determine in good faith (after consultation with outside legal counsel, and taking into account any adjustment or modification of the terms of the Merger Agreement proposed by the other party) that failure to do so would reasonably be expected to result in a breach of its duties to Cousins or Parkway stockholders.

In addition, subject to compliance with the foregoing terms, either of Cousins or Parkway may terminate the Merger Agreement to enter into a superior proposal.

Fees and Expenses

Other than as provided below, all fees and expenses incurred in connection with the Merger and the transactions contemplated by the Merger Agreement will be paid by the party incurring those expenses, whether or not the Merger is completed; *provided that* (i) if the Merger is completed, Cousins will pay all property or transfer taxes imposed on

either party in connection with the Merger and (ii) each party will share equally the expenses incurred in connection with this joint proxy statement/prospectus and all filings in connection with the Spin-Off, including the filing of the New Parkway Form 10.

Termination of the Merger Agreement

Termination. The Merger Agreement may be terminated at any time prior to the effective time of the Merger, whether before or after the receipt of the requisite stockholder approvals, under the following circumstances:

by mutual written consent of Cousins and Parkway;

by either Cousins or Parkway:

if any governmental entity of competent jurisdiction issues a final and nonappealable order, decree or ruling or takes any other action that permanently enjoins or otherwise prohibits the Merger, *provided* that such right to terminate will not be available to any party whose failure to comply with any provision of the Merger Agreement has been the cause of such action;

if the Merger is not consummated on or before December 31, 2016 (which either party may extend to March 31, 2017 if the only closing condition that has not been met is that related to the readiness of the Spin-Off); *provided* that such right to terminate will not be available to any party whose failure to comply with any provision of the Merger Agreement has been the cause of such delay;

if there has been a breach by the other party of any covenants or agreements or any of the representations and warranties set forth in the Merger Agreement, which breach would result in the related closing conditions set forth in the Merger Agreement not being satisfied on the closing date, and such breach is not cured or is not curable by the earlier of December 31, 2016 (subject to extension to March 31, 2017, if the sole condition that has not been satisfied is the full readiness for consummation of the Spin-Off) or 60 days after receiving notice of such breach;

if the required approvals of either Cousins stockholders or Parkway stockholders have not been obtained upon a vote thereon at the duly convened Cousins special meeting or Parkway special meeting; or

to enter into a superior proposal (subject to compliance with the provisions of the Merger Agreement regarding nonsolicitation of acquisition proposals), *provided* that the Merger Agreement may not be so terminated unless the termination fees discussed below have been paid in full substantially concurrently with such termination;

by Parkway:

upon a change in recommendation of the Cousins board of directors regarding the approval of Cousins Issuance Proposal and the Cousins Articles Amendment Proposal; or

upon a material breach by Cousins of its obligations under the Merger Agreement regarding nonsolicitation of acquisition proposals, subject to a five-day cure period;

by Cousins:

upon a change in recommendation of the Parkway board of directors regarding the approval of the Parkway Merger Proposal; or

upon a material breach by Parkway of its obligations under the Merger Agreement regarding nonsolicitation of acquisition proposals, subject to a five-day cure period.

Effect of Termination. If the Merger Agreement is validly terminated, the Merger Agreement will become void and have no effect, without any liability or obligation on the part of any party, except that no party will be relieved or released from any liabilities or damages arising out of its fraud or willful and material breach of the Merger Agreement, and except that the provisions of the Merger Agreement relating to confidentiality, fees and expenses, effects of termination, termination fees, expense reimbursement, governing law, jurisdiction, waiver of jury trial and specific performance will continue in effect notwithstanding termination of the Merger Agreement.

Table of Contents

Termination Fees and Expense Reimbursement.

Cousins. Cousins has agreed to pay a termination fee of \$65 million, less any previously paid expense reimbursement, to Parkway in the following circumstances:

if Cousins terminates the Merger Agreement to enter into a superior proposal;

if Parkway terminates the Merger Agreement because of a change of recommendation by the Cousins board of directors;

if Parkway terminates the Merger Agreement due to a material breach by Cousins of its obligations regarding nonsolicitation of alternative proposals; or

(1) an acquisition proposal is made to Cousins, (2) thereafter the Merger Agreement is terminated (i) because Cousins stockholders have not approved the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, (ii) because December 31, 2016 is reached and Cousins stockholders shall not have approved the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal or (iii) due to Cousins breach of its representations or covenants and (3) within 12 months of such termination, Cousins enters into or consummates a transaction in which a third party generally acquires at least 65% of Cousins common stock or assets. This fourth bullet exclusively shall be paid only upon the date of consummation of such transaction.

Such termination fee will be the maximum amount owed by Cousins in connection with any termination of the Merger Agreement, except in the case of any fraud or willful and material breach of the Merger Agreement by Cousins. The amount payable by Cousins may also be reduced to the extent necessary to maintain Parkway's qualification as a REIT under the Code. Should any amount of the fee be unpaid because of REIT requirements, the unpaid amount of the fee will be escrowed and paid out over a five-year period.

Parkway. Parkway has agreed to pay a termination fee of \$65 million, less any previously paid expense reimbursement, to Cousins in the following circumstances:

if Parkway terminates the Merger Agreement to enter into a superior proposal;

if Cousins terminates the Merger Agreement because of a change of recommendation by the Parkway board of directors;

if Cousins terminates the Merger Agreement due to a material breach by Parkway of its obligations regarding nonsolicitation of alternative proposals; or

(1) an acquisition proposal is made to Parkway, (2) thereafter the Merger Agreement is terminated (i) because Parkway stockholders have not approved the Parkway Merger Proposal, (ii) because December 31, 2016 is reached and Parkway's stockholders shall not have approved the Parkway Merger Proposal or (iii) due to Parkway's breach of its representations or covenants and (3) within 12 months of such termination, Parkway enters into or consummates a transaction in which a third party generally acquires at least 65% of Parkway common stock or assets. This fourth bullet exclusively shall be paid only upon the date of consummation of such transaction.

Such termination fee will be the maximum amount owed by Parkway in connection with any termination of the Merger Agreement, except in the case of any fraud or willful and material breach of the Merger Agreement by Parkway. The amount payable by Parkway may also be reduced to the extent necessary to maintain Cousins qualification as a REIT under the Code. Should any amount of the fee be unpaid because of REIT requirements, the unpaid amount of the fee will be escrowed and paid out over a five-year period.

If either party terminates the Merger Agreement due solely to a failure to receive the required votes at either Cousins or Parkway's special meeting, the non-terminating party will pay an expense reimbursement amount of \$20 million, which may be later set-off against the termination fee discussed above. The amount payable may

also be reduced to the extent necessary to maintain the other party's qualification as a REIT under the Code. The amount payable by Parkway may also be reduced to the extent necessary to maintain Cousins' qualification as a REIT under the Code. Should any amount of the fee be unpaid because of REIT requirements, the unpaid amount of the fee will be escrowed and paid out over a five-year period.

Indemnification and Insurance

The Merger Agreement provides that Cousins will indemnify present and former directors and officers of Parkway, Cousins and their respective subsidiaries to the fullest extent permitted by law against all costs or expenses (including advancement of expenses), for pre-closing acts or omissions (whether asserted or claimed prior to, at or after closing of the Merger) to the same extent as they are exculpated or indemnified pursuant to the organizational documents of Parkway, Cousins or their respective subsidiaries.

Prior to the effective time of the Merger, pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each of Parkway and Cousins may obtain and fully pay for tail prepaid insurance policies with respect to directors' and officers' liability insurance and fiduciary insurance, for the current and former directors and officers of Parkway, Cousins and each of their subsidiaries, as applicable, as to such persons' status as a director or officer of Parkway, Cousins or their respective subsidiaries and for facts and events that occurred at or prior to the effective time of the Merger, with a claim period of six years from the effective time of the Merger, subject to an annual premium cap of 300% of the last annual premium paid by Parkway or Cousins respectively, so long as each such policy has terms, conditions, retentions, and limits of coverage at least as favorable as existing policies. If a policy meeting these requirements is not available at this price, Parkway and Cousins may each buy a policy that offers the maximum coverage available subject to the 300% cap.

Prior to the effective time of the Merger, pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, each of Parkway and Cousins may obtain and fully pay for tail prepaid insurance policies with respect to employment practices liability insurance, covering respectively, Parkway and Cousins and each of their subsidiaries, directors, officers, managers, general partners and employees, as applicable, and for wrongful acts that occurred at or prior to the effective time of the Merger, with a claim period of six years from the effective time of the Merger, subject to an annual premium cap of 300% of the last annual premium paid by Parkway or Cousins respectively, so long as each such policy has terms, conditions, retentions, and limits of coverage at least as favorable as existing policies. If a policy meeting these requirements is not available at this price, Parkway and Cousins may each buy a policy that offers the maximum coverage available subject to the 300% cap.

Additionally, pursuant to the Separation and Distribution Agreement, upon the terms and subject to the conditions of the Separation and Distribution Agreement, neither Cousins nor Parkway will be liable to the other party for indirect, punitive, exemplary, remote, speculative or similar damages in excess of compensatory damages, other than with respect to a third-party claim. Each of Cousins and New Parkway will also release the other party and its directors, officers, employees, agents and equity holders from all pre-closing liabilities related to the releasing party's business or assets owned by such party after the Spin-Off, other than liabilities for any willful or intentional misconduct, fraud, gross negligence or bad faith. Neither party will make any claim against the other or such directors, officers, employees, agents or equity holders with respect to any such liability. The foregoing in no way limits the rights of the parties under the Merger Agreement.

Amendment, Extension and Waiver of the Merger Agreement

Amendment. At any time prior to the receipt of stockholder approval, the Merger Agreement may be amended by authorization of the boards of directors of Cousins and Parkway. After any such stockholder approval, no amendment

which requires further approval by stockholders of Cousins or Parkway may be made without such further approval by such stockholders. In addition, certain financing provisions may not be amended in a way that is materially adverse to financing sources.

Table of Contents

Extension; Waiver. At any time prior to the effective time of the Merger, any party may (i) extend the time for the performance of any of the obligations or other acts of the other party; (ii) waive any inaccuracies in the representations and warranties contained in the Merger Agreement or other related documents; and (iii) waive compliance by the other party with any of the agreements or conditions contained in the Merger Agreement.

Governing Law

The Merger Agreement is governed by the laws of the State of Maryland (without giving effect to choice of law principles thereof).

Voting Agreement

The following section summarizes material provisions of the voting agreement between Cousins and the TPG Parties. This summary does not purport to be complete and may not contain all of the information about the voting agreement that is important to you. This summary is subject to, and qualified in its entirety by reference to, the voting agreement, which is attached as Annex E to this joint proxy statement/prospectus and is incorporated by reference into this joint proxy statement/prospectus. The rights and obligations of the parties are governed by the express terms and conditions of the voting agreement and not by this summary or any other information contained in this joint proxy statement/prospectus. You are urged to read the voting agreement carefully and in its entirety before making any decisions regarding the Merger Agreement and the Merger contemplated thereby.

Concurrently with the execution of the Merger Agreement, Cousins entered into a voting agreement with the TPG Parties, which as of April 28, 2016 collectively beneficially owned 23,663,397 shares of Parkway common stock, or approximately 21.2% of the outstanding shares of Parkway common stock. The voting agreement generally requires, subject to certain exceptions, the TPG Parties (i) to retain ownership of all of the shares of Parkway common stock beneficially owned by them or otherwise purchased by them prior to the earlier of adoption of the Merger Agreement, termination or material amendment of the Merger Agreement or termination of the voting agreement and (ii) to vote all such shares in favor of adoption and approval of the Merger Agreement, the Merger and any other proposals in connection with the transactions contemplated thereby and against actions or agreements that would reasonably be expected to result in the failure of a closing condition set forth in the Merger Agreement, alternative acquisitions, any action that would reasonably be expected to materially delay, materially postpone or materially adversely affect the consummation of the transactions contemplated by the Merger or would dilute in any material respect the benefit of such transactions to Cousins or its stockholders.

This summary is subject to, and qualified in its entirety by reference to, the Cousins stockholders agreement, which is attached as Annex F to this joint proxy statement/prospectus and is incorporated by reference into this joint proxy statement/prospectus. Parties after the effective time of the Merger. Effectiveness of the Cousins stockholders agreement is conditioned on the closing of the Merger.

Pursuant to the terms of the Cousins stockholders agreement, for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera and its affiliates) beneficially owns at least 5% of Cousins common stock on an as-converted basis, TPG Pantera will have the right to nominate one director to the Cousins board of directors, subject to the qualifications, independence standards, and other criteria set forth in the Cousins stockholders agreement. In addition, for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera and its affiliates) beneficially owns at least 5% of Cousins common stock on an as-converted basis, TPG Pantera will have the right to have its designee to the Cousins board of directors appointed to the Investment Committee and the Compensation, Succession, Nominating, and Governance Committee of the Cousins board of directors.

The Cousins stockholders agreement provides that Cousins shall file or have filed, within 30 days of the closing of the Merger, a registration statement registering for sale all of the registrable securities held by the TPG Parties. The Cousins stockholders agreement also provides the TPG Parties with customary registration rights following the closing of the Merger, subject to the terms and conditions of the Cousins stockholders agreement.

In addition, pursuant to the Cousins stockholders agreement, TPG Pantera and its affiliates (other than non-private equity portfolio companies of TPG Pantera and its affiliates) will be subject to certain standstill obligations through the earliest of (i) the time that TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera and its affiliates) no longer collectively owns at least 5% of the outstanding shares of Cousins common stock, (ii) the third anniversary of the effective time of the Merger or (iii) the occurrence of a change of control transaction. The standstill allows TPG Pantera and/or its affiliates to acquire up to 15% of the outstanding voting securities of Cousins, but restricts their ability to, among other things, propose a merger or other acquisition transaction relating to all or part of Cousins, call a meeting of the stockholders, initiate any stockholder proposal, participate in a group for such actions, enter into any voting trust or other agreement with respect to the voting of Cousins common stock, or seek a change in the composition of the Cousins board of directors.

In addition, in connection with the Merger Agreement, the Cousins board of directors granted to the TPG Parties an exemption from the ownership limit set forth in the Cousins Articles, establishing for the TPG Parties an aggregate substitute in lieu of the ownership limit to permit them to constructively and beneficially own (without duplication) (i) during the term of the standstill provided by the Cousins stockholders agreement, up to 15% of Cousins outstanding voting securities, subject to the terms and conditions of the Cousins stockholders agreement, and (ii) following the term of the standstill provided by the Cousins stockholders agreement, shares of Cousins common stock held by the TPG Parties at the expiration of the standstill, subject to the terms, conditions, limitations, reductions and terminations set forth in an executed investor representation letter to be entered into prior to the effective time of the Merger.

Pursuant to the terms of the New Parkway stockholders agreement, on the closing date of the Merger, New Parkway will have a seven-member board of directors, including two directors designated by TPG Pantera. Following closing of the Merger, TPG Pantera will have the right to nominate a specified number of directors to the New Parkway board of directors, subject to the qualifications, independence standards, and other criteria set forth in the New Parkway stockholders agreement, for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera and its affiliates) beneficially owns at least 2.5% of the outstanding shares of New Parkway common stock. TPG Pantera is entitled to nominate to the New Parkway board of directors (i) three directors if TPG Pantera's beneficial ownership is at least 30% of the outstanding shares of New Parkway common stock, (ii) two directors if TPG Pantera's beneficial ownership is at least 5%, but less than 30% of the outstanding shares of New Parkway common stock, and (iii) one director if TPG Pantera's beneficial ownership is at least 2.5% but less than 5% of the outstanding shares of New Parkway common stock. In addition, New Parkway has agreed to constitute each of its committees as a committee of not more than four members and (i) for so long as TPG Pantera beneficially owns at least 5% of the outstanding shares of New Parkway common stock, TPG Pantera will have the right to have two of its designees to the New Parkway board of directors appointed to the Investment Committee of New Parkway and one of its designees to the New Parkway board of directors appointed to the Compensation Committee of New Parkway; and (ii) for so long as TPG Pantera beneficially owns at least 2.5% but less than 5% of outstanding shares of New Parkway common stock, TPG Pantera will have the right to have one of its designees to the New Parkway board of directors appointed to the Investment Committee and the Compensation Committee of New Parkway. Pursuant to the terms of the New Parkway stockholders agreement, TPG Pantera also will have the right to consent to the following actions for so long as TPG Pantera beneficially owns at least 5% of the outstanding shares of New Parkway common stock, other than in connection with any change in control of New Parkway: (i) any increase or decrease in the size of the New Parkway board of directors or any committee of New Parkway; and (ii) any change in the rights and responsibilities of either the Investment Committee or the Compensation Committee of New Parkway.

Pursuant to the terms of the New Parkway stockholders agreement, for so long as TPG Pantera designees are appointed to the Investment Committee or the Compensation Committee pursuant to the paragraph above, the Investment and Compensation Committees of the New Parkway board of directors may only act by majority approval, and the rights and responsibilities of the Investment Committee of the New Parkway board of directors will include, other than in connection with a change of control of New Parkway, approval of: (i) any incurrence of indebtedness with a principal amount greater than \$20 million; and (ii) certain other operational and investment related matters, excluding any and all activities related to the issuance, redemption or buy-back of equity securities or equity-linked securities. All decisions and approvals regarding such equity-related matters of New Parkway shall be made by the New Parkway board of directors in its sole discretion. In addition, during such period, the rights and responsibilities of the Compensation Committee of the New Parkway board of directors will include, other than in connection with a change of control of New Parkway, approval of: (i) the hiring or termination of any of New Parkway's chief executive officer, chief financial officer, chief operating officer and chief investment officer, or any material change in any of the duties of any such executive officers; and (ii) any future compensation arrangements for such officers. During such period, the New Parkway board of directors may not approve such matters without the affirmative approval of the Investment Committee or the Compensation Committee, as applicable.

Pursuant to the terms of the New Parkway stockholders agreement, except for certain permitted issuances, TPG Pantera will have a preemptive right to participate in future New Parkway equity issuances for so long as TPG Pantera (together with its affiliates, other than non-private equity portfolio companies of TPG Pantera)

beneficially owns at least 5% of the outstanding shares of New Parkway common stock. TPG Pantera's preemptive rights with respect to any equity issuances of New Parkway common stock or securities convertible into or exercisable for New Parkway common stock will be subject to NYSE rules that may limit or restrict such rights.

The New Parkway stockholders agreement also provides the TPG Parties with customary registration rights following the closing of the Merger, subject to the terms and conditions of the New Parkway stockholders agreement.

Thomas Letter Agreement

Concurrently with the execution of the Merger Agreement, Parkway and Parkway LP entered into the Thomas Letter Agreement with the chairman of the Parkway board of directors, Mr. James A. Thomas, and certain unitholders of Parkway LP who are affiliated with Mr. Thomas (together with Mr. Thomas, the Thomas Parties). The Thomas Letter Agreement supplements an existing letter agreement among the parties with respect to the same matters. Pursuant to the Thomas Letter Agreement, among other things:

Parkway and Parkway LP have agreed to cause Mr. Thomas to be appointed chairman of the New Parkway board of directors following consummation of the Merger and, subject to certain continuing equity ownership requirements, to nominate Mr. Thomas for election to the board at the 2017 annual meeting of New Parkway stockholders (and, if elected, to cause him to be re-appointed as chairman for three one-year terms, expiring at the 2020 annual meeting of stockholders);

the parties agreed that the Registration Rights Agreement dated as of October 13, 2004 among certain of the Thomas Parties and the Thomas Investors will survive the consummation of the Merger and be binding on New Parkway with respect to the common stock of New Parkway that the Thomas Investors will receive; and

prior to the Merger, Parkway LP will modify existing tax protection agreements (which currently provide Mr. Thomas and the Thomas Investors with an opportunity to contribute up to \$39 million of capital in connection with a mortgage loan) in favor of Mr. Thomas and the Thomas Investors pursuant to which their respective guarantee or contribution opportunities will be increased up to \$129 million, and Mr. Thomas and the Thomas Investors will be given the opportunity to make a capital contribution of up to \$90 million in connection with certain existing mortgage loans (and if those loans are no longer available, Parkway will use commercially reasonable efforts to provide a replacement guarantee or contribution opportunity of up to an aggregate of \$129 million), with this obligation being extended for five years after the current tax protection period expires in October 2016, subject to earlier termination in the event of a going private transaction, sale of all or substantially all of Parkway's assets, or certain similar transactions.

In the event of a going private transaction at any time when the Thomas Investors continue to own collectively at least 50% of the limited partnership units in the successor to Parkway LP that they owned immediately following consummation of the Merger, New Parkway will use commercially reasonable efforts to cause the acquiring entity to offer to the Thomas Investors the opportunity (x) to receive a preferred equity interest in the successor to Parkway LP or the surviving entity (i) with a liquidation preference equal to the cash the Thomas Investors otherwise would have received had Mr. Thomas and the Thomas Investors exchanged their units in Parkway LP for shares of New Parkway common stock immediately prior to such transaction, and (ii) a market dividend (provided that in any event, a dividend rate of at least 5% shall be deemed satisfactory regardless of market conditions) and (y) the opportunity to

provide debt guarantees for the remainder of the five-year period described above. New Parkway will agree to issue REIT shares to the Thomas Investors if they exercise their redemption rights under the limited partnership agreement of the successor to Parkway LP.

The foregoing provisions of the Thomas Letter Agreement will be binding on New Parkway and the successor to Parkway LP following the Merger and the Spin-Off, and, in general, will not be binding upon

Cousins, Cousins LP or any of their subsidiaries. The Thomas Letter Agreement will become effective upon the consummation of the Merger and the Spin-Off and, at that time, the existing letter agreement will terminate. The Thomas Letter Agreement will terminate upon the occurrence of a going private transaction, sale of all or substantially all of Parkway's assets, or certain similar transactions.

The foregoing summary of the Thomas Letter Agreement does not purport to be complete and may not contain all of the information about the Thomas Letter Agreement that is important to you. This summary is subject to, and qualified in its entirety by reference to the Thomas Letter Agreement, which Parkway has filed with the SEC and which is incorporated by reference into this joint proxy statement/prospectus.

Agreements to be Entered into in Connection with the Merger, the Separation and the UPREIT Reorganization***Amended and Restated Agreement of Limited Partnership of Cousins LP***

Prior to the effective time of the Merger, upon the terms and subject to the conditions of the Merger Agreement, Parkway will cause Cousins LP to be formed as a Delaware limited partnership, and Parkway as the initial general partner and Parkway LP as the initial limited partner will enter into an agreement of limited partnership of Cousins LP (which we refer to as the Original Partnership Agreement).

Immediately following the effective time of the Merger, as part of the Separation and the UPREIT Reorganization, Merger Sub, as successor in interest to Parkway, will transfer its general partner interest in Cousins LP to Cousins. Additionally, immediately following the effective time of the Merger, as part of the Separation and the UPREIT Reorganization, (i) Parkway LP will contribute direct or indirect ownership interests in its non-Houston properties (other than 2121 Market Street Associates, L.P.) to Cousins LP in exchange for Class A units of limited partnership interest (which we refer to as Class A Units) in Cousins LP, (ii) Parkway LP will distribute the Class A Units to its partners, (iii) Cousins will contribute direct or indirect ownership interests in its non-Houston properties to Cousins LP in exchange for Class A Units, and (iv) Merger Sub, as the successor to Parkway as general partner of Cousins LP at the effective time of the Merger, will transfer to Cousins the general partner interests in Cousins LP and all Class A Units that Merger Sub will receive in the Separation and the UPREIT Reorganization.

Thereafter, the Original Partnership Agreement will be amended and restated, by Cousins as general partner and a limited partner and by certain other persons who become limited partners in Cousins LP as a result of the distribution of Class A Units by Parkway LP to its partners, in substantially the form set forth as Exhibit F to the Merger Agreement (which we refer to as the Cousins Partnership Agreement). Cousins LP will function as the operating partnership of Cousins in the UPREIT structure following the effective time of the Merger and the UPREIT Reorganization.

This section summarizes material provisions of the Cousins Partnership Agreement. This summary does not purport to be complete and may not contain all of the information about the Cousins Partnership Agreement that is important to you. This summary is subject to, and qualified in its entirety by reference to the Cousins Partnership Agreement, which is included as Exhibit F to the Merger Agreement, which is attached as Annex A to this joint proxy statement/prospectus and is incorporated by reference into this joint proxy statement/prospectus. The terms of the Cousins Partnership Agreement may change prior to closing of the Merger or thereafter.

General

Upon completion of the Merger, the Separation and the UPREIT Reorganization, substantially all of Cousins operations will be conducted through Cousins LP, either directly or through its subsidiaries, including subsidiary

REITs. Ownership of partnership units in Cousins LP will generally entitle the holder to share in cash

Table of Contents

distributions from, and in the profits and losses of, Cousins LP in proportion to such holder's percentage ownership. Cousins does not intend to list the partnership units on any exchange or any national market system.

Management

Except as otherwise expressly provided in the Cousins Partnership Agreement, Cousins, as general partner, will have the exclusive right and full authority and responsibility to manage and operate Cousins LP's business. Limited partners generally will not have any right to participate in or exercise control or management power over the business and affairs of Cousins LP or the power to sign documents for or otherwise bind Cousins LP. The limited partners will have no power to remove Cousins as general partner.

Outside Activities of Cousins

Immediately following the consummation of the UPREIT Reorganization, substantially all of the assets of Cousins will consist of its partnership units in Cousins LP. The Cousins Partnership Agreement authorizes Cousins, in its sole and absolute discretion, from time to time to hold or acquire assets in its own name or otherwise other than through Cousins LP so long as Cousins, as general partner, takes commercially reasonable measures to ensure that the economic benefits and burdens of such assets are otherwise vested in Cousins LP, through assignment, mortgage loan or otherwise or, if it is not commercially reasonable to vest such economic interests in Cousins LP, Cousins will make such amendments to the Cousins Partnership Agreement as Cousins determines are necessary or desirable, including, without limitation, adjusting the one-for-one conversion factor, to reflect such activities and the direct ownership of assets by Cousins.

Fiduciary Responsibilities

The Cousins Partnership Agreement contains provisions that expressly limit the duties, fiduciary or otherwise, that Cousins, as general partner, owes to the limited partners of Cousins LP. Provided that Cousins acts in good faith and pursuant to Cousins' authority under the Cousins Partnership Agreement, any decisions or actions taken or not taken in accordance with the terms of the Cousins Partnership Agreement will not constitute a breach of any duty owed to Cousins LP or its limited partners by law or equity, fiduciary or otherwise. Pursuant to the Cousins Partnership Agreement, Cousins will act on behalf of Cousins LP and its equityholders, and on behalf of Cousins' stockholders, and generally will be under no obligation to consider or give priority to the separate interests of the limited partners in Cousins LP (including, without limitation, the tax consequences to such limited partners) in deciding whether to cause Cousins LP to take (or decline to take) any actions.

Management Liability and Indemnification

Cousins, as general partner of Cousins LP, and Cousins' directors and officers will not be liable or accountable for monetary or other damages to Cousins LP or any partners or assignees for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or of any act or omission, unless Cousins acted in bad faith and the act or omission was material to the matter giving rise to the loss, liability or benefit not derived. To the fullest extent permitted by law, the Cousins Partnership Agreement will provide that Cousins LP will indemnify Cousins, as general partner, any limited partners, any of Cousins' officers, directors, managers, members, shareholders or partners and other persons as Cousins may designate from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including, without limitation, attorneys' fees and other legal fees and expenses), judgments, fines, settlements and other amounts, arising from or in connection with any and all claims, demands, subpoenas, requests for information, formal or informal investigations, actions, suits or proceedings, whether civil, criminal, administrative or investigative, relating to Cousins, Cousins LP or the operations of or

ownership of property by Cousins LP, unless it is established by a final determination of a court of competent jurisdiction that:

the act or omission of the indemnitee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty;

-164-

Table of Contents

the indemnitee actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the indemnitee had reasonable cause to believe that the act or omission was unlawful.

Capital Contributions

In connection with the Separation and the UPREIT Reorganization, Cousins LP will issue Class A Units in exchange for the capital contributions, as described in Exhibit B to the Merger Agreement. If Cousins LP requires additional funds at any time in excess of capital contributions made by Cousins or from borrowings, Cousins may borrow funds from a financial institution or other lender and lend such funds to Cousins LP on the same terms and conditions as are applicable to Cousins' borrowing of such funds. In addition, Cousins is authorized to cause Cousins LP to issue partnership units for less than fair market value if Cousins concludes in good faith that such issuance is in the best interest of Cousins LP and Cousins' stockholders.

Issuance of Additional Partnership Interests

Initially, the Cousins Partnership Agreement will provide for three classes of partnership units: Class A Units, Class B Units, and LTIP Units. The terms and rights of these classes are described below. Cousins, as general partner, will be authorized to cause Cousins LP to issue additional partnership units or other partnership interests to its partners, including Cousins and its affiliates, or other persons without the approval of any limited partners. Partnership units may be issued in one or more classes or in one or more series of any class, with designations, preferences and relative, participating, optional or other special rights, powers and duties, including rights, powers and duties senior to one or more other classes of partnership interests (including partnership units held by Cousins), as determined by Cousins, subject to Delaware law, in its sole and absolute discretion without the approval of any limited partner, subject to limitations described below. No partnership unit or interest may be issued to Cousins as general partner or limited partner unless:

Cousins LP issues partnership units or other partnership interests in connection with the grant, award or issuance of shares or other equity interests in Cousins having designations, preferences and other rights so that the economic interests attributable to the newly issued shares or other equity interests in Cousins are substantially similar to the designations, preferences and other rights, except voting rights, of the partnership units or other partnership interests issued to Cousins; or

Cousins LP issues the additional partnership units or other partnership interests to all partners holding partnership units or other partnership interests in the same class or series in proportion to their respective percentage interests in that class or series.

Common Partnership Units

Initially, the Cousins Partnership Agreement will authorize two classes of common partnership units: Class A Units and Class B Units. Class A Units are the general class of partnership units (not specifically designated by the general partner as being of another specified class of partnership units). Class B Units may be issued between distribution record dates and provide for a distribution of available cash with respect to the distribution period during which they are issued that is based upon the period they are outstanding. Class B Units automatically convert into a like number of Class A Units following the record date for the distribution period in which they are issued. If and when there are

Class B Units outstanding, all Class B Units will be treated as Class A Units for purposes of determining the percentage interest of the partners in voting requirements.

LTIP Units

Cousins LP may issue LTIP Units from time to time to Cousins directors, officers, employees and consultants and persons who have provided or will provide services to Cousins LP or Cousins. In general, LTIP

Table of Contents

Units are a special class of limited partnership units in Cousins LP that are structured to qualify as profits interests for tax purposes, and as further described below regarding tax matters, Cousins in its discretion as general partner may make a safe harbor election with respect to LTIP Units transferred in connection with the performance of services by a partner in a partner capacity. Subject to certain exceptions contained in the Cousins Partnership Agreement, LTIP Units will be treated as Class A Units (or, if so designated in connection with the issuance thereof, as Class B Units for the quarter in which such LTIP Units are issued). For purposes of computing the percentage interests of the partners in Cousins LP, holders of LTIP Units will be treated as Class A Unit holders and LTIP Units will be treated as Class A Units. Cousins LP will be required to maintain at all times a one-to-one correspondence between LTIP Units and Class A Units for conversion, distribution and other purposes. Further, LTIP Units may be subjected to vesting requirements as determined by the Compensation Committee of the Cousins board of directors.

Generally, LTIP Units will receive the same quarterly per-unit profit distributions as the outstanding Class A Units in Cousins LP. However, LTIP Units will not participate in quarterly per-unit cash distributions until the date specified in the vesting agreement pursuant to which the LTIP Units are issued (the Distribution Participation Date). Subject to certain limitations, as of the Distribution Participation Date for each LTIP Unit, the holder of such LTIP Unit shall be entitled to receive a special cash distribution, extraordinary or other distributions in an amount per unit equal to (i) the amount of cash distributions per unit that were paid on the Class A Units during the period from issuance of such LTIP Unit until the Distribution Participation Date, *multiplied* by a percentage set forth in the vesting agreement for such LTIP Unit award, less special cash distributions previously paid with respect to LTIP Units that were part of the same award, *divided* by (ii) the holder's LTIP Units that have the same Distribution Participation Date, are part of the same award, and have not been forfeited.

Initially, each LTIP Unit will have a capital account of zero and, therefore, the holder of the LTIP Unit would receive nothing if Cousins LP were liquidated immediately after the LTIP Unit is awarded. However, the Cousins Partnership Agreement requires that book gain or economic appreciation in Cousins' assets realized by Cousins LP, whether as a result of an actual asset sale or upon the revaluation of Cousins' assets, as permitted by applicable Treasury Regulations, be allocated first to LTIP Units until the capital account per LTIP Unit is equal to the capital account per partnership unit plus any net income allocated to the LTIP Unit prior to the Distribution Participation Date, but less the amount of any special cash distribution payable with respect to such LTIP Unit. The applicable Treasury Regulations and the Cousins Partnership Agreement provide that assets of Cousins LP may be revalued upon specified events, including upon additional capital contributions by Cousins or other partners of Cousins LP, upon a distribution by Cousins LP to a partner in redemption of partnership interests, upon the liquidation of Cousins LP or upon a later issuance of additional units in exchange for services, including LTIP Units. Upon equalization of the capital account of an LTIP Unit with the per unit capital account of the partnership units and full vesting of the LTIP Unit, the LTIP Unit will be convertible into an partnership unit at any time, *provided that* in no event may a holder of vested LTIP Units convert a number of vested LTIP Units that exceeds (i) the capital account balance attributable to the LTIP Units, *divided* by (ii) the capital account balance attributable to an partnership unit, and provided that in no event may Cousins convert any LTIP Units unless any special cash distribution payable with respect to such units has been paid. There is a risk that an LTIP Unit will never become convertible because of insufficient gain realization to equalize capital accounts and, therefore, the value that a holder will realize for a given number of vested LTIP Units may be less than the value of an equal number of shares of common stock.

LTIP Units are not entitled to the redemption right described below, but any partnership units into which LTIP Units are converted are entitled to such redemption right.

LTIP Units generally vote with the Class A Units and do not have any separate voting rights except in connection with actions that would materially and adversely affect the rights of the LTIP Units.

Table of Contents*Preemptive Rights*

Except to the extent expressly granted by Cousins LP in an agreement other than the Cousins Partnership Agreement, no person or entity, including any partner of Cousins LP, will have any preemptive, preferential or other similar right with respect to additional capital contributions or loans to Cousins LP or the issuance or sale of any partnership units or other partnership interests.

Distributions

The Cousins Partnership Agreement will require the distribution of available cash on at least a quarterly basis. Available cash will be, with respect to any period for which such calculation is being made, cash of Cousins LP, regardless of source, including capital contributions and loans to Cousins LP, as determined by Cousins to be appropriate for distribution in its sole and absolute discretion. Unless Cousins otherwise specifically agrees in the Cousins Partnership Agreement or in the terms established for a new class or series of partnership interests in accordance with the Cousins Partnership Agreement, no partnership interest will be entitled to a distribution in preference to any other partnership interest. A partner will not in any event receive a distribution of available cash with respect to a partnership unit for a quarter or shorter period if the partner is entitled to receive a distribution out of that same available cash with respect to a share of Cousins for which that partnership unit has been exchanged or redeemed.

Cousins LP will make reasonable efforts, as determined by Cousins in its sole and absolute discretion and consistent with Cousins' qualification as a REIT, to distribute available cash in an amount sufficient to enable Cousins to pay stockholder dividends that will satisfy the requirements to qualify as a REIT and to avoid any federal income or excise tax liability for Cousins. Cousins may determine, in its sole and absolute discretion, to make a distribution in kind of assets of Cousins LP to the holders of partnership units in Cousins LP. Such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in the same manner as a cash distribution.

Upon the liquidation of Cousins LP, after payment of debts and obligations, any remaining assets of Cousins LP will be distributed to the holders of the partnership units that are entitled to any preference in distribution upon liquidation in accordance with the rights of any such class or series, and the balance, if any, will be distributed to the partners in accordance with their capital accounts, after giving effect to all contributions, distributions and allocations for all periods.

Allocation of Net Income and Net Loss

Net income and net loss of Cousins LP will be determined and allocated with respect to each taxable year of Cousins LP. Except as otherwise provided in the Cousins Partnership Agreement, an allocation of a share of net income or net loss is treated as an allocation of the same share of each item of income, gain, loss or deduction that is taken into account in computing net income or net loss. Except as otherwise provided in the Cousins Partnership Agreement, net income and net loss are allocated to the general partner and the limited partners in accordance with their respective percentage interests in a class at the end of each taxable year. The Cousins Partnership Agreement contains provisions for special allocations intended to comply with certain regulatory requirements under the Code.

Transfers of Partnership Interests; Termination Transactions

Cousins, as general partner, generally may not transfer any of its partnership units in Cousins LP, including any of Cousins' limited partner interests, or withdraw as the general partner of Cousins LP, except (i) in connection with a merger, consolidation or other combination with or into another person following the consummation of which the

equity holders of the surviving entity are substantially identical to Cousins stockholders, (ii) with the consent of a majority of Cousins LP s limited partners (excluding Cousins and any

Table of Contents

limited partners majority owned, directly or indirectly, by Cousins), (iii) to one or more of Cousins' controlled affiliates or (iv) in connection with a termination transaction as described below.

Cousins, as general partner, may not engage in a merger, consolidation or other combination of Cousins with or into another person, sale of all or substantially all of Cousins' assets or a reclassification, recapitalization or other change in outstanding shares of Cousins (except for certain reclassifications, recapitalizations or changes) (which we refer to in each case as a termination transaction), unless, in general, (i) the general partner receives partnership approval (as defined below) of the termination transaction, in the event that partners will receive consideration for their partnership units as described in clause (ii) and Cousins is required to seek approval of its stockholders of the termination, or if Cousins would be required to obtain such stockholder approval but for the fact that a tender offer has been accepted by a sufficient number of stockholders to permit consummation of the termination transaction without such approval, and (ii) each partner receives or has the right to receive in the termination transaction cash, securities or other property for each partnership unit owned by such partner in the same form as, and equal to the greatest per-share amount paid to, a stockholder of Cousins (or equal to a proportional amount, if the partnership units are no longer redeemable for shares on a one-for-one basis).

In order to obtain partnership approval, Cousins must obtain the consent of its limited partners holding Class A Units and LTIP Units (including Cousins and any limited partners majority owned, directly or indirectly, by Cousins) representing a percentage interest of Class A Units and LTIP Units that is equal to or greater than the percentage of outstanding shares of Cousins common stock or votes cast by Cousins' outstanding common stockholders, as the case may be, required to approve the termination transaction. The partnership approval requirement will be satisfied, with respect to such termination transaction, when the sum of the (i) the percentage interest of limited partners consenting to the termination transaction, plus (ii) the product of (a) the percentage of the outstanding Class A Units held by Cousins or certain affiliates of Cousins *multiplied* by (b) the percentage of the votes that were cast in favor of the termination transaction by Cousins common stockholders or the percentage of shares with respect to which the tender offer has been accepted, as the case may be, equals or exceeds the percentage required for Cousins common stockholders to approve the termination transaction.

Cousins may not enter into any agreement or other arrangement providing for or facilitating the creation of a new general partner of Cousins LP, unless the successor general partner (i) is a direct or indirect controlled affiliate of Cousins, and (ii) executes and delivers a counterpart to the Cousins Partnership Agreement in which such successor general partner agrees to be fully bound by all of the terms and conditions contained herein that are applicable to the general partner.

With certain limited exceptions, the limited partners may not transfer their interests in Cousins LP or rights as a limited partner, in whole or in part, without Cousins' prior written consent, which consent may be withheld in Cousins' sole and absolute discretion.

Even if Cousins' consent is not required for a transfer by a limited partner, Cousins, as general partner, may prohibit the transfer of partnership units by a limited partner unless Cousins receives a written opinion of legal counsel that the transfer would not require filing of a registration statement under the Securities Act and would not otherwise violate any federal or state securities laws or regulations applicable to Cousins LP or the partnership units. Further, except for certain limited exceptions, no transfer of partnership units by a limited partner, without Cousins' prior written consent, may be made if, among other things:

Cousins determines in its reasonable discretion that there is a significant risk that such transfer would cause a termination of Cousins LP for U.S. federal or state income tax purposes (except as a result of a redemption or exchange of all partnership units for Cousins common stock as expressly permitted under the Cousins Partnership Agreement);

Cousins determines in its reasonable discretion that there is a significant risk that such transfer would cause Cousins LP to cease to be classified as a partnership for U.S. federal income tax purposes (except

Table of Contents

as a result of a redemption or exchange of all partnership units for Cousins common stock as expressly permitted under the Cousins Partnership Agreement);

such transfer requires the registration of the partnership unit pursuant to any applicable federal or state securities laws;

such transfer is effectuated through an established securities market or a secondary market (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code or such transfer causes Cousins LP to become a publicly traded partnership, as such term is defined in Section 469(k)(2) or Section 7704(b) of the Code;

such transfer subjects Cousins LP or the activities of Cousins LP to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940 or ERISA, each as amended; or

Cousins determines in its reasonable discretion that there is a risk that such transfer would adversely affect the ability of Cousins to continue to qualify as a REIT or subject it to any additional taxes under Section 857, Section 4981, or any other provision of the Code.

Except with Cousins' consent to the admission of the transferee as a limited partner, no transferee will have any rights by virtue of the transfer other than the rights of an assignee, and will not be entitled to vote partnership units in any matter presented to the limited partners for a vote. Cousins, as general partner, will have the right to consent to the admission of a transferee of the interest of a limited partner, which consent may be given or withheld by Cousins in its sole and absolute discretion.

Mergers and Sales of Assets of Cousins LP

Subject to the restrictions on Cousins' ability to transfer interests in Cousins LP described above under Transfers of Partnership Interests; Termination Transactions, Cousins may, and may cause Cousins LP to, engage in a merger, consolidation or other combination transaction only if Cousins has provided notice to the limited partners at least 20 business days, or such shorter period as determined by Cousins in its sole and absolute discretion, before the record date for determining stockholders eligible to vote upon the approval of the merger, consolidation or other combination transaction. Cousins generally will have the exclusive power to cause Cousins LP to merge, reorganize, consolidate, sell all or substantially all of its assets or otherwise combine its assets with another entity.

Redemption of Partnership Interests

Subject to periodic limits and minimum thresholds described below, a limited partner may exercise a redemption right to redeem his or her partnership units at any time beginning 12 months following the date of the initial issuance of the partnership units held by the limited partner, or at such other time as may be set forth in the agreement pursuant to which the applicable partnership units are issued. In addition, Cousins, as general partner, may reduce or waive the holding period.

Further, if Cousins gives the limited partners notice of its intention to make an extraordinary distribution of cash or property to its stockholders or effect a merger, a sale of all or substantially all of Cousins' assets, or any other similar termination transaction, each limited partner may exercise its unit redemption right, regardless of the length of time it

has held its partnership units. This redemption right begins when such notice is given, which must be at least 20 business days before the record date for determining stockholders eligible to receive the distribution or to vote upon the approval of the merger, sale or other termination transaction, and ends on the record date (or if none, on the date of consummation of such distribution or termination transaction). Cousins, in its sole discretion, may shorten the required notice period of not less than 20 business days prior to the record date to determine the stockholders eligible to vote upon a distribution or termination transaction. If no record date is applicable, Cousins may shorten the required notice period of not less than 20 business days before a distribution in Cousins' sole and absolute discretion.

Table of Contents

A limited partner may exercise its unit redemption right by giving written notice to Cousins LP and Cousins. The partnership units specified in the notice generally will be redeemed on the 20th business day following the date Cousins received the redemption notice or, in the case of the exercise of a unit redemption right in connection with a distribution or termination transaction, the date Cousins LP and Cousins received the redemption notice.

The redemption right may be exercised by a limited partner no more than once per fiscal quarter. A limited partner may not exercise the unit redemption right for fewer than 1,000 partnership units, or if the limited partner holds fewer than 1,000 partnership units, all of the partnership units held by that limited partner. The redeeming partner will have no right to receive any distributions paid on or after the redemption date with respect to those partnership units redeemed.

Unless Cousins elects to assume and perform Cousins LP's obligation with respect to the unit redemption right, as described below, a limited partner exercising a unit redemption right will receive cash from Cousins LP in an amount equal to the market value of Cousins common stock for which the partnership units would have been redeemed if Cousins had assumed and satisfied Cousins LP's obligation by paying with Cousins common stock, as described below. The market value of Cousins common stock for this purpose (assuming a market then exists) will be equal to the average of the closing trading price of Cousins common stock on the NYSE for the 10 consecutive trading days before the day on which Cousins received the redemption notice.

In its sole and absolute discretion, Cousins as general partner may elect to assume and perform Cousins LP's obligation to acquire the partnership units being redeemed in exchange for either cash in the amount specified above or a number of shares of Cousins common stock equal to the number of partnership units offered for redemption, adjusted as specified in the Cousins Partnership Agreement to take into account prior share dividends or any subdivisions or combinations of Cousins common stock. No redemption or exchange can occur if delivery of shares of Cousins common stock by Cousins would be prohibited either under the provisions of the Cousins Articles or under applicable federal or state securities laws, in each case regardless of whether Cousins would in fact elect to assume and satisfy the unit redemption right with shares.

Cousins is authorized to take any action that it determines to be necessary or appropriate to cause Cousins LP to comply with any withholding requirements established under the Code or any other federal, state or local law that apply upon a limited partner's exercise of the redemption right.

Cousins is required to place appropriate restrictions on the ability of the limited partners to exercise their redemption rights as and if deemed necessary to ensure that Cousins LP does not constitute a publicly traded partnership taxable as an association under Section 7704 of the Code.

Amendment of Cousins Partnership Agreement

In general, other than as described below, the Cousins Partnership Agreement may only be amended exclusively by Cousins, as general partner, without the consent of the limited partners. Amendments to the Cousins Partnership Agreement requiring approval of the limited partners may only be proposed by Cousins, as general partner. The approval of a majority of the Class A Units held by limited partners, other than Cousins and certain of its affiliates, will be necessary to, among other things:

amend certain provisions regarding the unit redemption right of the limited partners in a manner that adversely affects the limited partners, except as already permitted by the Cousins Partnership Agreement;

amend certain provisions regarding the distribution rights of the limited partners in a manner that adversely affects the limited partners, other than in connection with the creation or issuance of new or additional partnership interests or as otherwise permitted by the Cousins Partnership Agreement;

-170-

Table of Contents

amend certain provisions that would materially alter Cousins LP's allocation of profit and loss to the limited partners, other than in connection with the creation or issuance of new or additional partnership interests or as otherwise permitted by the Cousins Partnership Agreement;

amend provisions that would convert a limited partner's interest in Cousins LP into a general partner's interest, modify the limited liability of a limited partner, or impose on the limited partners any obligation to make additional capital contributions to Cousins LP;

amend certain provisions that set restrictions on the issuance of partnership interests to Cousins, as general partner;

amend certain provisions regarding transfers of partnership interests by Cousins, as general partner, and by the limited partners; or

amend the requirements for amending the Cousins Partnership Agreement.

Tax Matters

Pursuant to the Cousins Partnership Agreement, the general partner is the tax partner of Cousins LP. Accordingly, through Cousins' role as the general partner of Cousins LP, Cousins has authority to make tax elections under the Code on behalf of Cousins LP, take actions with respect to tax audits or tax judicial review proceedings, enter into agreements with the IRS and to take such other actions as permitted under the Cousins Partnership Agreement, including but not limited to, making a safe harbor election with respect to LTIP Units under which the fair market value of any partnership interests (or LTIP Units, if and as elected by Cousins as general partner) issued in connection with the performance of services after the effective date of the applicable Treasury Regulations and guidance will be treated as equal to the liquidation value of such safe harbor interests. In the event that Cousins LP makes a safe harbor election as described in the preceding sentence, each partner will be bound to comply with all safe harbor requirements with respect to transfers of such safe harbor interests while such election remains effective.

Term

Cousins LP will continue until dissolved upon the first to occur of any of the following:

an event of Cousins' withdrawal as the general partner (other than an event of bankruptcy), unless within ninety days after the withdrawal, a majority of the Class A Units held by limited partners, other than Cousins and certain of its affiliates, elect to continue the business of Cousins LP and to the appointment, effective as of the date of withdrawal, of a substitute general partner is obtained;

an election to dissolve Cousins LP by Cousins, as general partner, in its sole and absolute discretion;

entry of a decree of judicial dissolution of Cousins LP pursuant to Delaware law;

ninety days after the sale of all or substantially all of the assets and properties of Cousins LP for cash or for marketable securities; or

entry of a final and non-appealable judgment by a court of competent jurisdiction ruling that Cousins is bankrupt or insolvent, or entry of a final and non-appealable order for relief against Cousins, under any federal or state bankruptcy or insolvency laws, unless prior to or at the time of the entry of such judgment or order, the consent of a majority of the holders of the Class A Units to continue the business of Cousins LP and to the appointment, effective as of a date prior to the date of such order or judgment, of a substitute general partner is obtained.

Amendment to the Parkway Partnership Agreement

Following the Merger and pursuant to the Separation and the UPREIT Reorganization, upon the terms and subject to the conditions of the Merger Agreement, Merger Sub will contribute to New Parkway its limited

partner interest in Parkway LP and its stock in Parkway GP in exchange for shares of New Parkway common stock.

Thereafter, immediately following the Spin-Off, upon the terms and subject to the conditions of the Merger Agreement, New Parkway, as holder of the majority in interest of the limited partnership units of Parkway LP, and Parkway GP, as general partner, will enter into Amendment No. 4 to the Parkway Partnership Agreement in substantially the form set forth as Exhibit D to the Merger Agreement (which we refer to as the Parkway LP Amendment).

This section summarizes material provisions of the Parkway LP Amendment. This summary does not purport to be complete and may not contain all of the information about the Parkway LP Amendment that is important to you. This summary is subject to, and qualified in its entirety by reference to, Exhibit D to the Merger Agreement, which is attached as Annex A to this joint proxy statement/prospectus and is incorporated by reference into this joint proxy statement/prospectus. The terms of the Parkway LP Amendment may change prior to closing of the Merger or thereafter.

The Parkway LP Amendment will amend the Parkway Partnership Agreement to provide for, among other things, the following changes:

Capital Account. The definition of capital account in the Parkway Partnership Agreement will be amended to delete a proviso restricting Parkway GP's authority as general partner to modify, as necessary, the manner in which the capital accounts are computed in order to comply with applicable Treasury regulations upon dissolution of Parkway LP.

Common Unit Economic Balance. The Parkway Partnership Agreement will be revised to add a definition for common unit economic balance, which term is not currently defined in the Parkway Partnership Agreement. As defined by the Parkway LP Amendment, common unit economic balance refers to a ratio of Parkway GP's adjusted capital account to its number of partnership common units, and such concept is used in the Parkway Partnership Agreement with respect to provisions regarding special allocations and conversion of LTIP Units.

REIT Shares Amount. The Parkway Partnership Agreement will be amended to add a proviso specifying that the REIT Shares Amount (as defined in the Parkway Partnership Agreement and being the shares of New Parkway common stock that may be issued upon redemption of partnership units of Parkway LP) shall not be adjusted if, in connection with stock dividends and distributions, stock splits and subdivisions, reverse stock splits and combinations, distributions of rights, warrants or options, and distributions of evidences of indebtedness or assets received by New Parkway pursuant to a distribution by Parkway LP (other than a pro rata distribution to all Parkway LP's partners based on their respective percentage interests), Parkway LP makes a distribution of cash, partnership units, REIT shares (as defined in the Parkway Partnership Agreement) and/or rights, options or warrants to acquire partnership units and/or REIT shares with respect to all applicable partnership common units or effects a reverse split of, or otherwise combines, the partnership common units that is comparable as a whole in all material respects with such event.

Expense Reimbursement. The Parkway Partnership Agreement will be amended to clarify that Parkway LP will pay all expenses related to Parkway LP's, the general partner's and New Parkway's organization and the ownership of their assets and their operations, excluding any expenses related to assets and operations of New Parkway or the general partner that are not owned or conducted by or through Parkway LP.

Redemption Rights. The Parkway Partnership Agreement will be amended to clarify that, if New Parkway acquires or divests material assets other than assets acquired on behalf of or owned through Parkway LP or partnership interests, the REIT Shares Amount (as defined therein and as amended) shall be adjusted, as reasonably agreed to by Parkway GP and a majority in interest of the

Table of Contents

limited partnership units, to reflect the relative fair market value of a REIT share relative to the deemed partnership interest value of the related partnership unit. Currently, the Parkway Partnership Agreement provides that the trigger for these rights is an acquisition or divestment by Parkway GP (rather than New Parkway). Furthermore, the Parkway LP Amendment will provide that redemption rights apply only to partnership common units.

Tax Partner. The Parkway Partnership Agreement will be amended to add provisions designating Parkway GP, as general partner, to be the tax partner of Parkway LP for federal, state and local income tax administrative or judicial proceedings and tax audits, and authorizing Parkway GP to make certain tax elections on behalf of Parkway LP under the Code and related rules, enter into settlement agreements and other agreements with the IRS or other tax authority, seek judicial review of any adjustment assessed by the IRS or other tax authority, intervene in any action brought by another partner for judicial review of a final adjustment, file a request for administrative adjustment with the IRS or other tax authority. The Parkway LP Amendment further provides that Parkway GP will receive no compensation for its services as tax partner, but will be entitled to reimbursement by Parkway LP for any expenses incurred in Parkway GP's capacity as tax partner.

Table of Contents**MATERIAL U.S. FEDERAL INCOME TAX CONSEQUENCES**

The following is a general discussion of the material U.S. federal income tax consequences of the Merger to U.S. holders (as defined below) of Parkway common stock that exchange their shares of Parkway common stock for shares of Cousins common stock in the Merger. The following discussion is based on the Code, U.S. Treasury regulations promulgated thereunder and judicial and administrative authorities, rulings and decisions, all as in effect as of the date of this joint proxy statement/prospectus. These authorities may change, possibly with retroactive effect, and any such change could affect the accuracy of the statements and conclusions set forth in this discussion. This discussion assumes that the Merger will be completed in accordance with the Merger Agreement and as further described in this joint proxy statement/prospectus. This discussion is not a complete description of all of the tax consequences of the Merger and, in particular, does not address any tax consequences arising under the unearned income Medicare contribution tax pursuant to the Health Care and Education Reconciliation Act of 2010, nor does it address any tax consequences arising under the laws of any state, local or foreign jurisdiction, or under any U.S. federal laws other than those pertaining to the income tax.

The following discussion applies only to U.S. holders of shares of Parkway common stock who hold such shares as a capital asset within the meaning of Section 1221 of the Code (generally, property held for investment). Further, this discussion does not purport to consider all aspects of U.S. federal income taxation that might be relevant to U.S. holders in light of their particular circumstances and does not apply to U.S. holders subject to special treatment under the U.S. federal income tax laws (such as, for example, banks and certain other financial institutions, tax-exempt organizations, partnerships, S corporations or other pass-through entities (or investors in partnerships, S corporations or other pass-through entities), regulated investment companies, real estate investment trusts, controlled foreign corporations, passive foreign investment companies, insurance companies, mutual funds, dealers or brokers in stocks and securities, commodities or currencies, traders in securities that elect to apply a mark-to-market method of accounting, holders subject to the alternative minimum tax provisions of the Code, holders who acquired Parkway common stock pursuant to the exercise of employee stock options, through a tax qualified retirement plan or otherwise as compensation, holders who exercise appraisal rights, holders who actually or constructively own more than 5% of Parkway common stock, persons that are not U.S. holders (as defined below), holders whose functional currency is not the U.S. dollar, holders who hold shares of Parkway common stock as part of a hedge, straddle, constructive sale, conversion or other integrated transaction, or United States expatriates).

For purposes of this discussion, the term "U.S. holder" means a beneficial owner of Parkway common stock that is for U.S. federal income tax purposes (i) an individual citizen or resident of the United States, (ii) a corporation, or entity treated as a corporation for U.S. federal income tax purposes, organized in or under the laws of the United States or any state thereof or the District of Columbia, (iii) a trust if (a) a court within the United States is able to exercise primary supervision over the administration of the trust and one or more U.S. persons have the authority to control all substantial decisions of the trust or (b) such trust has made a valid election to be treated as a U.S. person for U.S. federal income tax purposes or (iv) an estate, the income of which is includible in gross income for U.S. federal income tax purposes regardless of its source.

If an entity or an arrangement treated as a partnership for U.S. federal income tax purposes holds Parkway common stock, the U.S. federal income tax treatment of a partner in such partnership generally will depend on the status of the partner and the activities of the partnership. Any entity treated as a partnership for U.S. federal income tax purposes that holds Parkway common stock, and any partners in such partnership should consult their own independent tax advisors regarding the tax consequences of the Merger to their specific circumstances.

Determining the actual tax consequences of the Merger to you may be complex and will depend on your specific situation and on factors that are not within our control. You should consult your own independent tax

advisor as to the specific tax consequences of the Merger in your particular circumstances, including the applicability and effect of the alternative minimum tax and any state, local, foreign and other tax laws and of changes in those laws.

-174-

Table of Contents**Material U.S. Federal Income Tax Consequences of the Merger**

The parties intend for the Merger to be treated as a reorganization for U.S. federal income tax purposes within the meaning of Section 368(a) of the Code. It is a condition to Parkway's obligation to complete the Merger that Parkway receive an opinion from Hogan Lovells (or other Parkway counsel reasonably satisfactory to Cousins), in form and substance reasonably satisfactory to Parkway, dated the closing date, to the effect that, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. It is a condition to Cousins' obligation to complete the Merger that Cousins receive an opinion from Wachtell, Lipton, Rosen & Katz (or other Cousins counsel reasonably satisfactory to Parkway), in form and substance reasonably satisfactory to Cousins, dated the closing date, to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Code. These opinions will be based on facts, representations, assumptions and exclusions set forth or referred to in the opinions and in representation letters provided by Parkway and Cousins. None of the opinions described above will be binding on the IRS or any court. Parkway and Cousins have not sought and will not seek any ruling from the IRS regarding any matter relating to the Merger and, as a result, there can be no assurance that the IRS will not assert, or that a court would not sustain, a position contrary to any of the conclusions set forth below. In addition, if any of the representations, warranties, covenants or assumptions upon which those opinions are based are inconsistent with the actual facts, the U.S. federal income tax consequences of the Merger could be adversely affected. Assuming that, in accordance with the opinions described above, the Merger qualifies as a reorganization within the meaning of Section 368(a) of the Code, upon the exchange of your Parkway common stock for Cousins common stock and cash in lieu of fractional shares, the U.S. federal income tax consequences will be as follows:

Upon exchanging your Parkway common stock for Cousins common stock, you generally will not recognize gain or loss, except with respect to cash received in lieu of fractional shares of Cousins common stock (as discussed below). The aggregate tax basis of Cousins common stock that you receive in the Merger (including any fractional shares deemed received and exchanged for cash, as discussed below) will equal your aggregate adjusted tax basis in the shares of Parkway common stock you surrender in the Merger. Your holding period for the shares of Cousins common stock that you receive in the Merger (including any fractional share deemed received and exchanged for cash, as discussed below) will include your holding period for the shares of Parkway common stock that you surrender in the Merger. If you acquired different blocks of Parkway common stock at different times or at different prices, the Cousins common stock you receive will be allocated pro rata to each block of Parkway common stock, and the basis and holding period of each block of Cousins common stock you receive will be determined on a block-for-block basis depending on the basis and holding period of the blocks of Parkway common stock exchanged for such Cousins common stock.

If you receive cash in lieu of a fractional share of Cousins common stock, you will be treated as having received such fractional share of Cousins common stock pursuant to the Merger and then as having sold such fractional share of Cousins common stock for cash. As a result, you generally will recognize a capital gain or loss equal to the difference between the amount of cash received for such fractional share and your basis in your fractional share of Cousins common stock as set forth above. Such capital gain or loss generally will be long-term capital gain or loss if, as of the effective time of the Merger, your holding period for such fractional share (as described above) exceeds one year. Long-term capital gains of individuals are generally eligible for reduced rates of taxation. The deductibility of capital losses is subject to limitations.

In addition, assuming that, in accordance with the opinions described above, the Merger qualifies as a reorganization within the meaning of Section 368(a) of the Code, neither Cousins nor Parkway will recognize gain or loss as a result of the Merger.

Backup Withholding

Certain U.S. holders of Parkway common stock may be subject to backup withholding of U.S. federal income tax with respect to any cash received pursuant to the Merger. Backup withholding will not apply,

Table of Contents

however, to a U.S. holder of Parkway common stock that furnishes a correct taxpayer identification number and certifies that it is not subject to backup withholding on IRS Form W-9 or is otherwise exempt from backup withholding and provides appropriate proof of the applicable exemption. Backup withholding is not an additional tax and any amounts withheld will be allowed as a refund or credit against the U.S. holder's U.S. federal income tax liability, if any, *provided that* the holder timely furnishes the required information to the IRS.

This preceding discussion does not purport to be a complete analysis or discussion of all the potential tax consequences of the Merger. Holders of Parkway common stock should consult their tax advisors regarding the specific tax consequences to them of the Merger, including the tax return reporting requirements and the applicability and effect of U.S. federal, state, local and non-U.S. and other applicable tax laws in light of their particular circumstances.

Material U.S. Federal Income Tax Consequences of the Spin-Off to U.S. Stockholders

In general, the Spin-Off will be a taxable transaction for U.S. federal income tax purposes. The following discussion describes the U.S. federal income tax consequences to a U.S. holder of Cousins common stock upon the receipt of New Parkway common stock in the Spin-Off.

While the Merger generally is not expected to result in the recognition of gain or loss for stockholders of either Parkway or Cousins, the distribution of shares of New Parkway common stock in the Spin-Off (including fractional shares for which U.S. holders receive cash) will not qualify for tax-deferred treatment and will be treated as a taxable distribution to U.S. holders for U.S. federal income tax purposes.

An amount equal to the fair market value on the distribution date of the shares of New Parkway common stock (including fractional shares for which a U.S. holder receives cash) received by a U.S. holder in the Spin-Off will generally be treated as a taxable dividend to the extent of such holder's ratable share of any current or accumulated earnings and profits of Cousins (including gain recognized by Cousins in connection with the Separation and the Spin-Off), with the excess treated first as a non-taxable return of capital to the extent of such holder's tax basis in Cousins common stock and any remaining excess treated as capital gain.

A U.S. holder's tax basis in its shares of Cousins common stock held on the distribution date will be reduced (but not below zero) to the extent that the fair market value on the distribution date of the shares of New Parkway common stock received by such U.S. holder from Cousins in the Spin-Off exceeds such U.S. holder's ratable share of Cousins current and accumulated earnings and profits (that is, the amount treated as a taxable dividend). Cousins will not be able to advise holders of the amount of earnings and profits of Cousins until after the end of the calendar year in which the Spin-Off occurs. However, Cousins anticipates that it will recognize a substantial amount of capital gain for tax purposes in connection with the Separation that will have the effect of substantially increasing its earnings and profits for the year in which the Spin-Off occurs.

To the extent that the fair market value on the distribution date of the shares of New Parkway common stock received by a U.S. holder from Cousins in the Spin-Off exceeds such U.S. holder's adjusted tax basis in its shares of Cousins common stock, the U.S. holder generally must include such excess in income as long-term capital gain, or short-term capital gain if the U.S. holder's shares of Cousins common stock have been held for one year or less. In the case of a former Parkway stockholder that is a U.S. holder, such U.S. holder's holding period for its shares of Cousins common stock received in the Merger will include such holder's holding period for its shares of Parkway common stock exchanged in the Merger. A U.S. holder's holding period for its Cousins shares will not be affected by the Spin-Off.

A U.S. holder's tax basis in the shares of New Parkway common stock received in the Spin-Off generally will equal the fair market value of those shares on the distribution date, and a U.S. holder's holding period for those shares will begin the day after the distribution date.

Table of Contents

Although Cousins will ascribe a value to the shares of New Parkway common stock it distributes in the Spin-Off for tax purposes, this valuation is not binding on the IRS or any other tax authority. These taxing authorities could ascribe a higher valuation to those shares, particularly if shares of New Parkway common stock trade at prices significantly above the value ascribed to those shares by Cousins in the period following the distribution. Such a higher valuation may cause a larger reduction in the tax basis of a U.S. holder's shares of Cousins common stock or may cause a U.S. holder to recognize additional dividend or capital gain income.

This preceding discussion does not purport to be a complete analysis or discussion of all of the potential tax consequences of the Spin-Off. Determining the actual tax consequences of the Spin-Off to you may be complex and will depend on your specific situation and on factors that are not within our control. You should consult your own independent tax advisor as to the specific tax consequences of the Spin-Off in your particular circumstances, including (i) the amount of gain, if any, that you could recognize in connection with the Spin-Off to the extent that the value of the New Parkway common stock on the distribution date exceeds that amount required to be treated as a taxable dividend and (ii) the applicability and effect of the alternative minimum tax and any state, local, foreign and other tax laws and of changes in those laws.

In that regard, if you are a non-U.S. stockholder, Cousins or other applicable withholding agents may be required or permitted to withhold at the applicable rate on all or a portion of the distribution of New Parkway common stock payable to you, and any such withholding would be satisfied by Cousins or such agent by withholding and selling a portion of the shares of New Parkway common stock that otherwise would be distributable to you or by withholding from other property held in your account with the withholding agent.

the Cousins Articles Amendment Proposal; and

the Cousins Adjournment Proposal.

Recommendation of the Cousins Board of Directors

The Cousins board of directors unanimously has determined that the Merger Agreement and the transactions contemplated by the Merger Agreement, including the Separation, the UPREIT Reorganization and the Spin-Off, are advisable and in the best interests of Cousins and its stockholders and has unanimously approved the Merger Agreement, the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal.

*The Cousins board of directors unanimously recommends that holders of Cousins common stock vote **FOR** the Cousins Issuance Proposal, **FOR** the Cousins Articles Amendment Proposal and **FOR** the Cousins Adjournment Proposal.*

Cousins Record Date; Stock Entitled to Vote

Only holders of record of shares of Cousins common stock at the close of business on [], 2016, the record date for the Cousins special meeting, will be entitled to notice of, and to vote at, the Cousins special meeting or any adjournments or postponements thereof. You may cast one vote for each share of Cousins common stock that you owned on the record date.

On the record date, there were [] shares of Cousins common stock outstanding and entitled to vote at the Cousins special meeting.

On the record date, approximately []% of the outstanding shares of Cousins common stock were held by Cousins directors and executive officers and their respective affiliates. Cousins currently expects that the directors and executive officers of Cousins will vote their shares in favor of the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal, although none has entered into any agreements obligating them to do so.

Quorum

Stockholders who hold a majority of the total number of shares of Cousins common stock issued and outstanding on the record date must be present or represented by proxy to constitute a quorum at the Cousins special meeting. All shares of Cousins common stock represented at the Cousins special meeting, including abstentions and broker non-votes (shares held by a broker, bank or nominee that are represented at the meeting, but with respect to which the broker, bank or nominee is not instructed by the beneficial owner of such shares to vote on the particular proposal), will be treated as present for purposes of determining the presence or absence of a quorum at the Cousins special meeting.

Table of Contents

Required Vote

Although the Merger Agreement provides that the Cousins Issuance Proposal must be approved by the affirmative vote of the majority of the outstanding shares of Cousins common stock, the parties have agreed to the voting standard contained in Section 312.07 of the NYSE listed company manual. Accordingly, approval of the Cousins Issuance Proposal requires the affirmative vote of the majority of the votes cast by Cousins common stockholders, assuming a quorum is present. Approval of the Cousins Articles Amendment Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Cousins common stock, assuming a quorum is present. Approval of the Cousins Adjournment Proposal requires the affirmative vote of holders of a majority of the Cousins common stock represented, in person or by proxy, at the Cousins special meeting and entitled to vote on the proposal, whether or not a quorum is present.

The approval of both the Cousins Issuance Proposal and the Cousins Articles Amendment Proposal is a condition to the completion of the Merger.

Cousins stockholders do not need to take any action at the Cousins special meeting relating to the Separation, the UPREIT Reorganization or the Spin-Off. The Separation, the UPREIT Reorganization and the Spin-Off will only occur if the Merger is completed.

Abstentions and Broker Non-Votes

If you are a Cousins stockholder and fail to vote, fail to instruct your broker, bank or nominee to vote, or abstain from voting, it will have the same effect as a vote against the Cousins Articles Amendment Proposal, and will have no effect on the Cousins Issuance Proposal, assuming a quorum is present and the Cousins Adjournment Proposal. Although abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present to organize the Cousins special meeting, they will not be counted as present, represented by proxy or cast for purposes of determining whether the requisite vote to approve any such proposal has been obtained.

If you are a Cousins stockholder and you attend the Cousins special meeting and fail to vote or abstain from voting, it will have the same effect as a vote against the Cousins Articles Amendment Proposal and the Cousins Adjournment Proposal, but it will have no effect on the Cousins Issuance Proposal, assuming a quorum is present.

Shares Held in Street Name

If you hold your shares in a stock brokerage account or if your shares are held by a bank or nominee (that is, in street name), you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to Cousins or by voting in person at the Cousins special meeting unless you provide a legal proxy, which you must obtain from your broker, bank or nominee. Further, brokers, banks or nominees who hold shares of Cousins common stock on behalf of their customers may not give a proxy to Cousins to vote those shares without specific instructions from their customers.

If you are a Cousins stockholder and you do not instruct your broker, bank or nominee to vote, your broker, bank or nominee may not vote those shares, and it will have the same effect as a vote against the Cousins Articles Amendment Proposal, but it will have no effect on the Cousins Issuance Proposal and the Cousins Adjournment Proposal.

Voting of Proxies

Edgar Filing: COUSINS PROPERTIES INC - Form S-4

A proxy card is enclosed for your use. Cousins requests that you sign the accompanying proxy and return it promptly in the enclosed postage-paid envelope. You may also vote your shares by telephone or through the

Internet. Information and applicable deadlines for voting proxies by telephone or through the Internet are set forth on the enclosed proxy card. When the accompanying proxy is returned properly executed, the shares of Cousins common stock represented by it will be voted at the Cousins special meeting or any adjournment or postponement thereof in accordance with the instructions contained in the proxy.

If a proxy is signed and returned without an indication as to how the shares of Cousins common stock represented by the proxy are to be voted with regard to a particular proposal, the Cousins common stock represented by the proxy will be voted in favor of each such proposal. At the date hereof, Cousins management has no knowledge of any business that will be presented for consideration at the Cousins special meeting and which would be required to be set forth in this joint proxy statement/prospectus other than the matters set forth in the accompanying Notice of Special Meeting of Stockholders of Cousins. In accordance with the Cousins Bylaws and Georgia law, business transacted at the Cousins special meeting will be limited to those matters set forth in such notice. Nonetheless, if any other matter is properly presented at the Cousins special meeting for consideration, it is intended that the persons named in the enclosed proxy and acting thereunder will vote in accordance with their discretion on such matter.

Your vote is important. Accordingly, please sign and return the enclosed proxy card whether or not you plan to attend the Cousins special meeting in person.

Participants in Benefit Plans

If you beneficially own any Cousins common stock by virtue of participating in any retirement plan of Cousins, then you have received separate voting instruction cards in lieu of a proxy card. These voting instruction cards entitle you, on a confidential basis, to instruct the plan trustees how to vote the shares of Cousins common stock allocated to your plan account. The cards for some of the plans will similarly entitle you to direct the voting of a proportionate number of plan shares of Cousins common stock for which properly executed instructions are not timely received and some will require you to act in your capacity as a named fiduciary, which requires you to exercise your voting rights prudently and in the interest of all plan participants. Plan participants who wish to vote should complete and return voting instruction cards in the manner provided by such cards. If you elect not to vote plan shares of Cousins common stock allocated to your accounts, your plan shares will be voted in the manner specified in the voting instruction cards.

Revocability of Proxies or Voting Instructions

If you are a holder of record of Cousins common stock on the record date for the Cousins special meeting, you have the power to revoke your proxy at any time before your proxy is voted at the Cousins special meeting. You can revoke your proxy in one of three ways:

you can send a signed notice of revocation;

you can grant a new, valid proxy bearing a later date; or

you can attend the Cousins special meeting and vote in person, which will automatically cancel any proxy previously given, or you can revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given.

If you choose either of the first two methods, your notice of revocation or your new proxy must be received by Cousins Secretary at 191 Peachtree Street NE, Suite 500, Atlanta, Georgia 30303, no later than the beginning of the Cousins special meeting. If you have voted your shares by telephone or through the Internet, you may revoke your prior telephone or Internet vote by recording another vote using the telephone or Internet, or by signing and returning a proxy card dated as of a date that is later than your last telephone or Internet vote.

Plan participants who wish to revoke their voting instructions must contact the applicable plan trustee and follow its procedures.

Solicitation of Proxies

In accordance with the Merger Agreement, the cost of proxy solicitation for the Cousins special meeting will be borne by Cousins. In addition to the use of the mail, proxies may be solicited by officers and directors and regular employees of Cousins, without additional remuneration, by personal interview, telephone, facsimile or otherwise. Cousins will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record on the record date and will provide customary reimbursement to such firms for the cost of forwarding these materials. Cousins has retained Georgeson to assist in its solicitation of proxies and has agreed to pay them a fee of \$10,000, plus reasonable expenses, for these services.

COUSINS PROPOSALS

COUSINS PROPOSAL 1: THE COUSINS ISSUANCE PROPOSAL

Pursuant to NYSE rules, stockholder approval is required prior to the issuance of shares if the number of shares to be issued in a transaction equals 20% or more of the number of shares outstanding prior to the issuance. Accordingly, Cousins is requesting that holders of outstanding shares of Cousins common stock consider and vote on a proposal to approve the issuance of additional shares of Cousins common stock, pursuant to the transactions contemplated by the Merger Agreement.

Approval of the Cousins Issuance Proposal is a condition to the closing of the Merger. If the Cousins Issuance Proposal is not approved, the Merger will not occur. For a detailed discussion of the terms and conditions of the Merger, see [The Merger](#) [The Merger Agreement](#) [Conditions to Completion of the Merger](#).

COUSINS PROPOSAL 2: THE COUSINS ARTICLES AMENDMENT PROPOSAL

Cousins proposes to amend the Cousins Articles, which will be the articles of incorporation of Cousins, effective at the effective time of the Merger, in the form attached as Annex H to this joint proxy statement/prospectus.

If the proposed amendment is adopted, the number of authorized shares of Cousins common stock, par value \$1 per share, will be increased from 350 million shares to 700 million shares.

Approval of the Cousins Articles Amendment Proposal is a condition to the closing of the Merger. If the Cousins Articles Amendment Proposal is not approved, the Merger will not occur. For a detailed discussion of the terms and conditions of the Merger, see The Merger The Merger Agreement Conditions to Completion of the Merger.

Required Vote

Approval of the Cousins Articles Amendment Proposal requires the affirmative vote of the holders of a majority of the outstanding shares of Cousins common stock, assuming a quorum is present. For purposes of this vote, an abstention or a failure to vote will have the same effect as a vote **AGAINST** the Cousins Articles Amendment Proposal.

The Cousins board of directors unanimously recommends that Cousins stockholders vote FOR the Cousins Articles Amendment Proposal.

Table of Contents

COUSINS PROPOSAL 3: THE COUSINS ADJOURNMENT PROPOSAL

Cousins stockholders are being asked to approve the adjournment of the Cousins special meeting, if necessary or appropriate, to solicit additional proxies in favor of the above proposals, if there are insufficient votes at the time of such adjournment to approve such proposals.

If, at the Cousins special meeting, the number of shares of Cousins common stock present or represented and voting in favor of the Cousins Issuance Proposal or the Cousins Articles Amendment Proposal is insufficient to approve the corresponding proposal, Cousins may move to adjourn the Cousins special meeting in order to enable the Cousins board of directors to solicit additional proxies for approval of such proposals.

Cousins is asking its stockholders to authorize the holder of any proxy solicited by the Cousins board of directors to vote in favor of granting discretionary authority to the proxy holders, and each of them individually, to adjourn the Cousins special meeting to another time and place for the purpose of soliciting additional proxies. If the Cousins stockholders approve this proposal, Cousins could adjourn the Cousins special meeting and any adjourned session of the Cousins special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from Cousins stockholders who have previously voted.

Required Vote

Approval of the Cousins Adjournment Proposal requires the affirmative vote of holders of a majority of the Cousins common stock represented, in person or by proxy, at the Cousins special meeting and entitled to vote on the proposal, whether or not a quorum is present.

The Cousins board of directors unanimously recommends that Cousins stockholders vote **FOR the Cousins Adjournment Proposal.**

Therefore, the votes cast **FOR** each of the Parkway Compensation Proposal and the Parkway Adjournment Proposal must exceed the votes cast **AGAINST** each such proposal. If a quorum is not present, the holders of a majority of Parkway common stock present in person or by proxy at the Parkway special meeting may adjourn the meeting.

The approval of the Parkway Merger Proposal is a condition to the completion of the Merger.

Parkway stockholders do not need to take any action at the Parkway special meeting relating to the Separation, the UPREIT Reorganization or the Spin-Off. The Separation, the UPREIT Reorganization and the Spin-Off will only occur if the Merger is completed.

Abstentions and Broker Non-Votes

If you are a Parkway stockholder and fail to vote, fail to instruct your broker, bank or nominee to vote, or abstain from voting, it will have the same effect as a vote against the Parkway Merger Proposal, and will have no effect on the Parkway Compensation Proposal and the Parkway Adjournment Proposal, assuming a quorum is present. If a quorum is not present, the holders of a majority of Parkway common stock present in person or by proxy at the Parkway special meeting may adjourn the meeting. Although abstentions and broker non-votes will be counted as present for purposes of determining whether a quorum is present to organize the Parkway special meeting, they will not be counted as cast for purposes of determining whether the requisite vote to approve any of such proposals has been obtained.

Shares Held in Street Name

If you hold your shares in a stock brokerage account or if your shares are held by a bank or nominee (that is, in street name), you must provide the record holder of your shares with instructions on how to vote your shares. Please follow the voting instructions provided by your broker, bank or nominee. Please note that you may not vote shares held in street name by returning a proxy card directly to Parkway or by voting in person at the Parkway special meeting unless you provide a legal proxy, which you must obtain from your broker, bank or nominee. Further, brokers, banks and nominees who hold shares of Parkway common stock on behalf of their customers may not give a proxy to

Parkway to vote those shares without specific instructions from their customers.

Table of Contents

If you are a Parkway stockholder and you do not instruct your broker, bank or nominee to vote, your broker, bank or nominee may not vote those shares, and it will have the effect as described above under Abstentions and Broker Non-Votes.

Voting of Proxies

A proxy card is enclosed for your use. Parkway requests that you sign the accompanying proxy and return it promptly in the enclosed postage-paid envelope. You may also vote your shares by telephone or through the Internet. Information and applicable deadlines for voting by telephone or through the Internet are set forth on the enclosed proxy card. When the accompanying proxy is returned properly executed, the shares of Parkway common or limited voting stock represented by it will be voted at the Parkway special meeting or any adjournment or postponement thereof in accordance with the instructions contained in the proxy.

If a proxy is signed and returned without an indication as to how the shares of Parkway common or limited voting stock represented by the proxy are to be voted with regard to a particular proposal, the shares of Parkway common or limited voting stock represented by the proxy will be voted in favor of each such proposal, as applicable. As of the date hereof, the management of Parkway has no knowledge of any business that will be presented for consideration at the Parkway special meeting and which would be required to be set forth in this joint proxy statement/prospectus other than the matters set forth in the accompanying Notice of Special Meeting of Stockholders of Parkway. In accordance with the Bylaws of Parkway, as amended (which we refer to as the Parkway Bylaws) and the MGCL, business transacted at the Parkway special meeting will be limited to those matters set forth in such notice. Nonetheless, if any other matter is properly presented at the Parkway special meeting for consideration, it is intended that the persons named in the enclosed proxy and acting thereunder will vote in accordance with their discretion on such matter.

Your vote is important. Accordingly, please sign and return the enclosed proxy card whether or not you plan to attend the Parkway special meeting in person.

Revocability of Proxies or Voting Instructions

If you are a holder of record of shares of Parkway common or limited voting stock on the record date for the Parkway special meeting, you have the power to revoke your proxy at any time before your proxy is voted at the Parkway special meeting. You can revoke your proxy in one of three ways:

you can send a signed notice of revocation;

you can grant a new, valid proxy bearing a later date; or

if you are a holder of record, you can attend the Parkway special meeting and vote in person, which will automatically cancel any proxy previously given, or you can revoke your proxy in person, but your attendance alone will not revoke any proxy that you have previously given.

Attending the Parkway special meeting without voting will not, by itself, revoke your proxy. If your shares of Parkway common stock are held by a bank, broker or nominee, you should follow the instructions provided by the bank, broker or nominee.

If you choose either of the first two methods, your notice of revocation or your new proxy must be received by the secretary of Parkway at 390 North Orange Avenue, Suite 2400, Orlando, Florida 32801, no later than the beginning of the Parkway special meeting. If you have voted your shares by telephone or through the Internet, you may revoke your prior telephone or Internet vote by recording a different vote using the telephone or Internet, or by signing and returning a proxy card dated as of a date that is later than your last telephone or Internet vote.

Solicitation of Proxies

In accordance with the Merger Agreement, the cost of proxy solicitation for the Parkway special meeting will be borne by Parkway. In addition to the use of the mail, proxies may be solicited by officers and directors and regular employees of Parkway, without additional remuneration, by personal interview, telephone, facsimile or otherwise. Parkway will also request brokerage firms, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares held of record on the record date and will provide customary reimbursement to such firms for the cost of forwarding these materials. Parkway has retained Alliance Advisors LLC to assist in its solicitation of proxies and has agreed to pay them a fee of \$8,000, plus reasonable expenses, for these services.

PARKWAY PROPOSALS

PARKWAY PROPOSAL 1: THE PARKWAY MERGER PROPOSAL

Parkway is asking its stockholders to approve the Merger Agreement and the Merger contemplated thereby. For a detailed discussion of the terms of the Merger Agreement, see *The Merger* *The Merger Agreement*. As discussed in the section entitled *The Merger* *Parkway's Reasons for the Merger; Recommendations of the Parkway Board of Directors*, after careful consideration, the Parkway board of directors, by a unanimous vote of all directors, approved the Merger Agreement and transactions contemplated thereby, including the Merger, and declared the Merger Agreement and the transactions contemplated thereby, including the Merger, to be advisable and in the best interest of Parkway and its stockholders.

Approval of the Parkway Merger Proposal is a condition to the closing of the Merger. If the Parkway Merger Proposal is not approved, the Merger will not occur. For a detailed discussion of the terms and conditions of the Merger, see *The Merger* *The Merger Agreement* *Conditions to Completion of the Merger*.

Required Vote

Approval of the Parkway Merger Proposal requires the affirmative vote of holders of a majority of the outstanding shares of Parkway common and limited voting stock, voting together as a single class. For purposes of this vote, an abstention or a failure to vote will have the same effect as a vote **AGAINST** the Parkway Merger Proposal.

The Parkway board of directors unanimously recommends that Parkway stockholders vote FOR the Parkway Merger Proposal.

Table of Contents

PROPOSAL 2: THE PARKWAY COMPENSATION PROPOSAL

Under Section 14A of the Exchange Act and the applicable SEC rules issued thereunder, Parkway is required to submit a proposal to its common stockholders for an advisory (nonbinding) vote to approve certain compensation that may become payable to Parkway's named executive officers in connection with the completion of the Merger as discussed in the section entitled "The Merger Interests of Parkway Directors and Executive Officers in the Merger," including the footnotes to the table and the associated narrative discussion.

The Parkway board unanimously recommends that Parkway's common stockholders approve the following resolution:

RESOLVED, that the compensation that may be paid or become payable to the named executive officers of Parkway Properties, Inc. in connection with the Merger, as disclosed pursuant to Item 402(t) of Regulation S-K in the table in the section of the joint proxy statement/prospectus entitled "The Merger Interests of Parkway Directors and Executive Officers in the Merger" including the footnotes to the table and the associated narrative discussion, and the agreements and plans pursuant to which such compensation may be paid or become payable, is hereby APPROVED.

Required Vote

The vote on the Parkway Compensation Proposal is a vote separate and apart from the vote on the Parkway Merger Proposal. Accordingly, you may vote to approve the Parkway Merger Proposal and vote not to approve the Parkway Compensation Proposal and vice versa. Because the vote on the Parkway Compensation Proposal is advisory only, it will not be binding on Parkway, Cousins or New Parkway. Accordingly, if the Merger Agreement is approved and adopted and the Merger is completed, the compensation will be payable, subject only to the conditions applicable thereto, regardless of the outcome of the vote on the Parkway Compensation Proposal.

The approval of the Parkway Compensation Proposal requires the affirmative vote of the holders of a majority of the votes cast by holders of Parkway common stock, assuming a quorum is present; however, such vote is nonbinding and advisory only. For the avoidance of doubt, shares of Parkway limited voting stock are not entitled to vote on the Parkway Compensation Proposal.

The Parkway board of directors unanimously recommends that you vote FOR the Parkway Compensation Proposal.

PROPOSAL 3: THE PARKWAY ADJOURNMENT PROPOSAL

Parkway stockholders are being asked to approve the adjournment of the Parkway special meeting, if necessary or appropriate, to solicit additional proxies in favor of the Parkway Merger Proposal, if there are insufficient votes at the time of such adjournment to approve such proposal

If, at the Parkway special meeting, the number of shares of Parkway common and limited voting stock present or represented and voting in favor of the Parkway Merger Proposal is insufficient to approve such proposal, Parkway may move to adjourn the Parkway special meeting in order to enable the Parkway board of directors to solicit additional proxies for approval of the Parkway Merger Proposal.

Parkway is asking its common stockholders to authorize the holder of any proxy solicited by the Parkway board of directors to vote in favor of granting discretionary authority to the proxy holders, and each of them individually, to adjourn the Parkway special meeting to another time and place for the purpose of soliciting additional proxies. If the Parkway stockholders approve this proposal, Parkway could adjourn the Parkway special meeting and any adjourned session of the Parkway special meeting and use the additional time to solicit additional proxies, including the solicitation of proxies from Parkway stockholders who have previously voted.

Required Vote

Approval of the Parkway Adjournment Proposal requires the affirmative vote of holders of a majority of the votes cast by holders of Parkway common stock, assuming a quorum is present. If a quorum is not present, the holders of a majority of Parkway common stock present in person or by proxy at the Parkway special meeting may adjourn the meeting.

The Parkway board of directors unanimously recommends that Parkway stockholders vote FOR the Parkway Adjournment Proposal.

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

On April 28, 2016, Cousins, Parkway, Parkway LP and Merger Sub entered into the Merger Agreement, pursuant to which, subject to the satisfaction or waiver of certain conditions set forth in the Merger Agreement, Parkway will be merged with and into Merger Sub, with Merger Sub continuing as the surviving corporation of the Merger and a wholly owned subsidiary of Cousins.

Pursuant to the Merger Agreement, upon the terms and subject to the conditions of the Merger Agreement, on the business day following the effective time of the Merger, Cousins will separate the Houston Business and the Third-Party Services Business from the remainder of the combined businesses. After the Separation, Cousins will distribute pro rata to its stockholders all of the outstanding shares of common stock and limited voting stock of New Parkway, which will hold the Houston Business and the Third-Party Services Business. Cousins (or a subsidiary of Cousins) will retain all of the shares of a class of non-voting preferred stock of New Parkway, upon the terms and subject to the conditions of the Merger Agreement. After the Spin-Off, New Parkway will be a separate, publicly-traded entity, and both Cousins and New Parkway intend to operate prospectively as UPREITs. The Merger and Spin-Off are currently expected to close in the fourth quarter of 2016.

At the effective time of the Merger, each share of Parkway common stock, issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive 1.63 shares of newly issued shares of Cousins common stock. In addition, at the effective time of the Merger, each share of Parkway limited voting stock, issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive 1.63 shares of newly issued Cousins limited voting preferred stock, having terms materially unchanged from the terms of the Parkway limited voting stock prior to the effective time of the Merger.

Each limited partner of Parkway LP will continue to be entitled, prior to the effective time of the Merger, to redeem or exchange their partnership interests in Parkway LP for shares of Parkway common stock, which will in turn be converted into the right to receive a number of newly issued shares of Cousins common stock equal to the exchange ratio. Each limited partner of Parkway LP that does not elect to redeem or exchange its partnership interests for shares of Parkway common stock in connection with the Merger will retain its limited partnership interests in Parkway LP and receive pro rata limited partnership interests in the operating partnership of Cousins in connection with the Separation, the UPREIT Reorganization and the Spin-Off.

The Merger Agreement and the other transactions contemplated thereby, including the Merger, the Separation, the UPREIT Reorganization and the Spin-Off, were unanimously approved by the boards of directors of Cousins and Parkway on April 28, 2016.

The following unaudited pro forma condensed consolidated financial statements as of March 31, 2016 for the year ended December 31, 2015 and for the three months ended March 31, 2016 have been prepared (i) as if the Merger and Spin-Off occurred on March 31, 2016 for purposes of the unaudited pro forma consolidated balance sheet and (ii) as if the Merger and Spin-off occurred on January 1, 2015 for purposes of the unaudited pro forma consolidated statements of operations for the year ended December 31, 2015 and three months ended March 31, 2016. The unaudited pro forma condensed consolidated financial statements are not necessarily indicative of what the actual financial position and operating results would have been had the Merger and Spin-Off occurred on March 31, 2016 or January 1, 2015, respectively, nor do they purport to represent Cousins' future financial position or operating results.

The Spin-Off of Cousins' portion of the Houston Business will be accounted for as a discontinued operation of Cousins when the Spin-Off is consummated. The unaudited consolidated statements of operations for the years ended December 31, 2014 and 2013 included herein reflect adjustments to Cousins' historical results of operations related to

the reclassification of Cousins' portion of the Houston Business as discontinued operations. The unaudited consolidated statements of operations contained herein for the years ended December 31, 2014 and 2013 reflect no adjustments associated with the Merger or Spin-Off.

Table of Contents

The preliminary fair value of assets acquired and liabilities assumed and related adjustments for the assets acquired and liabilities assumed related to the Merger and Spin-Off incorporated into the unaudited pro forma condensed consolidated financial statements are based on preliminary estimates and information currently available. The amount of the equity to be issued in connection with the Merger and Spin-Off and the assignment of fair value to assets and liabilities of Parkway and New Parkway have not been finalized and are subject to change. The amount of the equity to be issued in connection with the Merger will be based on the number of Parkway shares and limited partnership units of Parkway LP outstanding immediately prior to the effective time of the Merger, converted pursuant to the Exchange Ratio, and the fair value of the assets and liabilities assumed will be based on the actual net tangible and intangible assets and liabilities of Parkway that exist at the effective time of the Merger. The amount distributed to stockholders in connection with the Spin-Off will be based on the historical cost of the assets and liabilities contributed to New Parkway.

Actual amounts recorded in connection with the Merger and Spin-Off may change based on any increases or decreases in the fair value of the assets acquired and liabilities assumed upon the completion of the final valuation, and may result in variances to the amounts presented in the unaudited pro forma consolidated balance sheet and/or unaudited pro forma consolidated statements of operations. Assumptions and estimates underlying the adjustments to the unaudited pro forma condensed consolidated financial statements are described in the accompanying notes. These adjustments are based on available information and assumptions that management of Cousins considered to be reasonable. The unaudited pro forma condensed consolidated financial statements do not purport to: (1) represent Cousins' actual financial position had the Merger and Spin-Off occurred on March 31, 2016; (2) represent the results of Cousins' operations that would have actually occurred had the Merger and Spin-Off occurred on January 1, 2015; or (3) project Cousins' financial position or results of operations as of any future date or for any future period, as applicable.

During the period from January 1, 2015 to March 31, 2016, Cousins and Parkway acquired and disposed of various real estate operating properties. None of the assets acquired or disposed of by the respective companies during this period exceeded the significance level that requires the presentation of pro forma financial information pursuant to Regulation S-X, Article 11. As such, the following unaudited pro forma consolidated statements of operations for the year ended December 31, 2015 and three months ended March 31, 2016 do not include pro forma adjustments to present the impact of these insignificant acquisitions and dispositions as if they occurred on January 1, 2015. The impact of these insignificant acquisitions and dispositions are reflected in the respective companies' historical consolidated balance sheets as of March 31, 2016. In addition, the pro forma financial statements include the balances and operations associated with properties that are expected to be sold prior to the effective time of the Merger, but for which no factually supportable evidence exists for pro forma adjustments to reflect sales of such properties.

The unaudited pro forma condensed consolidated financial statements have been developed from, and should be read in conjunction with, (i) the consolidated financial statements of Cousins and accompanying notes thereto included in Cousins' annual report filed on Form 10-K for the year ended December 31, 2015 and quarterly report filed on Form 10-Q for the three months ended March 31, 2016, incorporated herein by reference, (ii) the consolidated financial statements of Parkway and accompanying notes thereto included in Parkway's annual report filed on Form 10-K for the year ended December 31, 2015 and quarterly report filed on Form 10-Q for the three months ended March 31, 2016, incorporated herein by reference, (iii) the accompanying notes to the unaudited pro forma condensed consolidated financial statements and (iv) other information relating to Cousins and Parkway contained in or incorporated by reference into this joint proxy statement/prospectus. For more information, see Summary Selected Historical Financial Data of Cousins, Summary Selected Historical Financial Data of Parkway and Where You Can Find More Information. In Cousins' opinion, all adjustments necessary to reflect the Merger with Parkway, Spin-Off of New Parkway and the issuance of Cousins' and New Parkway shares have been made.

Table of Contents**COUSINS PROPERTIES INCORPORATED AND SUBSIDIARIES****NOTES TO UNAUDITED PRO FORMA****CONDENSED CONSOLIDATED FINANCIAL STATEMENTS****(Dollars in thousands unless otherwise noted)****Adjustments to the Unaudited Pro Forma Consolidated Balance Sheet**

The unaudited pro forma consolidated balance sheet as of March 31, 2016 reflects the following adjustments:

A. Real Estate Tangible and Intangible Assets and Liabilities*Merger with Parkway*

The real estate assets acquired in connection with the Merger are reflected in the unaudited pro forma consolidated balance sheet of Cousins at a preliminary fair market value. The preliminary fair market value is based, in part, on a valuation prepared by Cousins with assistance of a third party valuation advisor. The acquired assets and assumed liabilities for an acquired operating property generally include, but are not limited to: land, buildings and improvements, identified tangible and intangible assets and liabilities associated with in-place leases, including tenant improvements, leasing costs, value of above-market and below-market leases, and value of acquired in-place leases.

The adjustments reflected in the unaudited consolidated balance sheet for real estate assets, intangible assets and intangible liabilities represent the differences between the preliminary fair market value of consolidated properties acquired by Cousins in connection with the Merger, and Parkway's historical balances, which are presented as follows:

Fair value is based on estimated cash flow projections that utilize available market information and discount and/or capitalization rates as appropriate. The fair value of land is derived from comparable sales of land within the same submarket and/or region. The fair value of buildings, tenant improvements, and leasing costs are based upon current market replacement costs and other relevant market rate information. The fair value of the above-market or below-market component of an acquired in-place lease is based upon the present value (calculated using a market

discount rate) of the difference between (i) the contractual rents to be paid pursuant to the lease over its remaining term and (ii) management's estimate of the rents that would be paid using fair market rental rates and rent escalations at the date of acquisition over the remaining term of the lease. The fair value of acquired in-place leases is derived based on assessment of lost revenue and costs incurred for the period required to lease the assumed vacant property to the occupancy level when purchased. This fair value is based on a variety of considerations including, but not necessarily limited to: (1) the value associated with avoiding the cost of originating the acquired in-place leases; (2) the value associated with lost revenue related to tenant reimbursable operating costs estimated to be incurred during the assumed lease-up period; and (3) the value associated with lost rental revenue from existing leases during the assumed lease-up period.

B. Cash and Notes Payable

In connection with the Merger and the Spin-Off, Parkway has entered into a debt commitment letter pursuant to which Wells Fargo Bank, National Association, Bank of America, N.A. and JPMorgan Chase Bank, N.A. have agreed to provide to New Parkway LP a senior secured term loan facility in an aggregate principal amount of up to \$350 million, and a senior secured revolving credit facility in an aggregate principal amount of up to \$50 million, that may be increased to \$100 million subject to the satisfaction of certain conditions. For purposes of pro forma adjustments, the New Parkway Credit Facilities have a term of three years.

At the effective time of the Merger, but prior to the Spin-Off, the New Parkway Term Loan will be funded. The proceeds of the New Parkway Term Loan will be used to fund a \$200 million distribution to the partners of New Parkway LP, who will in turn cause such funds to be contributed to Cousins LP, which will use the funds to repay certain indebtedness of Cousins and its subsidiaries, including Parkway's existing credit facilities. The remaining \$150 million of proceeds from the New Parkway Term Loan will be retained by New Parkway LP under the New Parkway Credit Facilities following consummation of the Spin-Off. These remaining proceeds from the New Parkway Term Loan and future proceeds from the Houston Revolving Credit Facility will be used for general corporate purposes of New Parkway following the Spin-Off.

M. Accounts Payable and Accrued Expenses

Represents non-recurring transaction costs to be paid by Cousins or Parkway directly attributable to the Spin-Off. These transaction costs, consisting primarily of fees for accounting, tax and other professional services, are factually supportable because such amounts are based on reliable, documented evidence such as invoices for costs incurred to date and estimates from third parties for additional costs expected to be incurred until the Spin-Off. Adjustments to the Unaudited Pro Forma Consolidated Statements of Operations for the year ended December 31, 2015 and three months ended March 31, 2016

The historical amounts include Cousins' and Parkway's actual operating results for the periods presented, as filed with the SEC on their respective Forms 10-K and Forms 10-Q, which are incorporated in this joint proxy statement/prospectus by reference. The pro forma adjustments to historical amounts, including rental property revenue, rental property operating expenses, general and administrative expenses, interest expense and depreciation and amortization, are presented in the unaudited pro forma consolidated statements of operations for the year ended December 31, 2015 and three months ended March 31, 2016 assuming the Merger and Spin-Off occurred on January 1, 2015 (which we refer to as the Pro Forma Effective Date). The following are the explanations for the adjustments to revenues, costs and expenses, and income from unconsolidated joint ventures included in the unaudited pro forma consolidated statement of operations for the year ended December 31, 2015 and three months ended March 31, 2016:

Merger Adjustments**a. Rental Property Revenues**

The historical rental property revenues for Cousins and Parkway represent contractual, straight-line rents and amortization of above and below-market rents associated with the leases in effect during the periods presented. The adjustments included in the unaudited pro forma consolidated statements of operations are presented to adjust contractual rental property revenue to a straight-line basis and to amortize above and below-market rents in accordance with Accounting Standards Codification 805-10, *Business Combinations*, as if the Merger had occurred on January 1, 2015.

Table of Contents

The following tables summarize the adjustments made to rental property revenues for the real estate properties acquired as part of the Merger for the three months ended March 31, 2016 and year ended December 31, 2015:

	Three Months Ended	
	March 31, 2016	
Adjustment to straight-line rent	\$	3,348
(Above)/below market rent		185
Total	\$	3,533

	Year Ended	
	December 31, 2015	
Adjustment to straight-line rent	\$	9,385
(Above)/below market rent		(7,233)
Total	\$	2,152

b. Rental Property Operating Expenses

Represents amortization of below-market ground leases assumed in connection with the Merger. Below-market ground lease values are based on preliminary fair market value and are amortized on a straight-line basis into rental property operating expenses over the remaining terms of the applicable leases.

c. General and Administrative Expenses

Cousins and Parkway have certain duplicative general and administrative expenses that have not been eliminated as part of the pro forma adjustments in the unaudited pro forma consolidated statements of operations. Cousins anticipates that it will have cost savings, as certain duplicative general and administrative expenses will not be incurred subsequent to the Merger. These duplicative general and administrative expenses include, but are not limited to, compensation and employee related expense, accounting and other professional fees, board of director fees, professional liability insurance premiums, and other office related expenses. Management estimates annualized duplicative general and administrative expenses to be approximately \$18 million, as a result of the Merger.

d. Interest Expense

The adjustments to interest expense related to the Merger represent the (1) the impact of the \$350 million funding of the New Parkway Credit Facilities (for more information, see note B. above), (2) the repayment of \$200 million of certain indebtedness of Cousins and its subsidiaries, including Parkway's existing credit facilities, with proceeds from the New Parkway Credit Facilities (for more information, see note B. above), (3) amortization of deferred financing costs related to the placement of the New Parkway Credit Facilities, (4) the elimination of the impact of Parkway's interest rate swaps (for more information, see note F. above) and (5) amortization of above-market debt values created by marking the assumed Parkway debt to fair market value (for more information, see note B. above). For purposes of pro forma adjustments, the New Parkway Credit Facilities bear interest at London Interbank Offered Rate (which we refer to as LIBOR) plus a spread of 2.50%. At March 31, 2016 and December 31, 2015, LIBOR was approximately

0.43% and 0.19%, respectively, for a total borrowing rate of approximately 2.93% and 2.69%, respectively.

The following tables summarize the adjustments to the unaudited pro forma consolidated statements of operations for the three months ended March 31, 2016 and year ended December 31, 2015 to reflect the impact to

e. Depreciation and Amortization Expense

Depreciation and amortization is calculated, for purposes of the unaudited pro forma consolidated statements of operations, based on estimated useful lives for building and site improvements, and the remaining contractual, in-place lease term for intangible lease assets and liabilities. Cousins uses the straight-line method for all depreciation and amortization. The useful life of a particular building depends upon a number of factors including the condition of the building upon acquisition. For purposes of the unaudited pro forma consolidated statements of operations, the general range of useful lives for buildings is 31 to 40 years; the general range of useful lives for site improvements is seven to 16 years; and the general range of remaining contractual, in-place lease terms was three to nine years. As

Cousins would have commenced depreciation and amortization on January 1, 2015, the depreciation and amortization expense included in the Parkway historical financial statements has been reversed so that the unaudited pro forma consolidated statements of operations reflect the depreciation and amortization that Cousins would have recorded.

The following tables summarize pro forma depreciation and amortization by asset category for the properties acquired in the Merger that would have been recorded for the three months ended March 31, 2016 and

The adjustments in the unaudited pro forma consolidated statements of operations represent the elimination of the effect of the interest rate swaps.

Each share of Cousins limited voting preferred stock will be paired with a limited partnership unit in Cousins Properties LP, issued in connection with the Merger, the Separation, the UPREIT Reorganization and the Spin-Off. A share of Cousins limited voting preferred stock will be automatically redeemed by Cousins without consideration if such share's paired limited partnership unit is transferred to someone other than a permitted transferee, such share is transferred to any person separate and apart from its paired limited partnership unit, its paired limited partnership unit is transferred to any person separate and apart from the share of limited voting stock, such limited partnership unit is redeemed, or such share is not otherwise paired with a limited partnership unit of Cousins Properties LP.

Holders of shares of Cousins limited voting preferred stock are entitled to one vote on the following matters only: the election of directors; any proposed amendment, alteration or repeal of the Cousins Articles; any merger, consolidation, reorganization or other business combination; any sale, lease, exchange, transfer, conveyance or other disposition of all or substantially all of Cousins' assets; and any liquidation of Cousins. Holders of Cousins limited voting preferred stock vote on such matters together with holders of Cousins common stock as a single class. Holders of shares of

Cousins limited voting preferred stock are not entitled to any dividends or distributions, including in the event of any liquidation, dissolution or winding up. Cousins limited voting preferred stock is not convertible into or exchangeable for any other property or securities of Cousins.

Table of Contents**Antitakeover Provisions in the Cousins Articles and Bylaws**

Certain provisions of the Cousins Articles and the Cousins Bylaws could make it less likely that Cousins' management would be changed or someone would acquire voting control of Cousins without the consent of its board of directors. These provisions could delay, deter or prevent tender offers or takeover attempts that Cousins stockholders might believe are in their best interests, including tender offers or takeover attempts that could allow Cousins stockholders to receive premiums over the market price of their common stock.

Restrictions on Ownership and Transfer

For Cousins to maintain its qualification as a REIT, not more than 50% of its outstanding stock may be owned, actually or constructively, by five or fewer individuals during the last half of any taxable year. Furthermore, the stock must be held by a minimum of 100 persons for at least 335 days of a 12-month taxable year (or a proportionate part of a short tax year). In addition, if Cousins actually or constructively owns 10% or more of one of the customers of Cousins (or a customer of any partnership in which the company is a partner), then the rent received by Cousins (either directly or through any such partnership) from that customer will not be qualifying income for purposes of the REIT gross income tests of the Code.

To help Cousins maintain its qualification as a REIT, among other purposes, Cousins prohibits the ownership by any single person, of more than the ownership limit of 3.9% (by value) of the issued and outstanding shares of each of Cousins common stock and preferred stock (unless such limitations are waived by the board of directors). The Cousins Articles provide that shares acquired or held in violation of this ownership limit will be transferred to a trust for the benefit of the prior owner of such transferred shares. The Cousins Articles further provides that any person who acquires shares in violation of the ownership limit will not be entitled to any dividends on the shares or be entitled to vote the shares and such shares shall be deemed offered for sale to Cousins or its designee at the lesser of the price at which they were transferred in violation of the ownership limit or the market price on the date Cousins chooses to accept such offer. A transfer of shares in violation of the above limits may be void under certain circumstances. The ownership limit may have the effect of delaying, deferring or preventing a change in control and, therefore, could adversely affect the Cousins' stockholders' ability to realize a premium over the then-prevailing market price for the shares of Cousins common stock in connection with such transaction.

Preferred Stock

At any time, without stockholder approval, the Cousins board of directors may issue one or more new series of preferred stock. In some cases, the issuance of preferred stock could discourage or make more difficult attempts to take control of Cousins through a merger, tender offer, proxy contest or otherwise. Preferred stock with special voting rights or other features issued to persons favoring Cousins' management could stop a takeover by preventing the person trying to take control of Cousins from acquiring enough voting shares to take control.

Stockholders' Rights Plan

Although Cousins does not have a stockholders' rights plan as of the date of this filing, under Georgia law, the Cousins board of directors can adopt a rights plan without stockholder approval. If adopted, a rights plan could operate to cause substantial dilution to a person or group that attempts to acquire Cousins on terms not approved by the Cousins board of directors.

Extraordinary Actions

Currently, the affirmative vote of stockholders entitled to cast at least two-thirds of the votes entitled to be cast on the matter is required to approve certain extraordinary actions including a merger or similar business combination to which Cousins is a party, a liquidation of Cousins or a reclassification of securities of Cousins or the recapitalization or reorganization of Cousins.

**COMPARISON OF RIGHTS OF COUSINS STOCKHOLDERS
AND PARKWAY STOCKHOLDERS**

If the Merger is consummated, common stockholders of Parkway will become common stockholders of Cousins, and limited voting stockholders of Parkway will become limited voting preferred stockholders of Cousins. The rights of Parkway stockholders are currently governed by the MGCL and the Parkway Articles and Parkway Bylaws. Upon consummation of the Merger, the rights of legacy Parkway common stockholders who receive shares of Cousins common stock and the rights of legacy Parkway limited voting stockholders who receive shares of Cousins limited voting preferred stock will be governed by Georgia law and the Cousins Articles and Cousins Bylaws, rather than the MGCL and the Parkway Articles and the Parkway Bylaws.

The following is a summary of the material differences between the rights of Cousins stockholders and Parkway stockholders, but does not purport to be a complete description of those differences or a complete description of the terms of the Cousins common stock or the Cousins limited voting preferred stock subject to issuance in connection with the Merger. The following summary is qualified in its entirety by reference to the relevant provisions of (i) the MGCL, (ii) Georgia law, (iii) the Cousins Articles (iv) the Parkway Articles, (v) the Cousins Bylaws, (vi) the Parkway Bylaws and (vii) the proposed amendment to the Cousins Articles as described in the section titled Cousins Proposal 2: The Cousins Articles Amendment Proposal.

This section does not include a complete description of all differences between the rights of Cousins common stockholders and Parkway common stockholders, nor does it include a complete description of the specific rights of such holders. Furthermore, the identification of some of the differences in the rights of such holders as material is not intended to indicate that other differences that may be equally important do not exist. You are urged to read carefully the relevant provisions of Maryland and Georgia law, as well as the governing corporate instruments of each of Cousins and Parkway, copies of which are available, without charge, to any person, including any beneficial owner to whom this joint proxy statement/prospectus is delivered, by following the instructions listed under Where You Can Find More Information.

The directors of Parkway hold office for a term of one year and until their successors are duly elected and qualified.
Removal of Directors	Under Section 14-2-808 of the GBCC, a director may be removed only at a meeting called for the purpose of removing him, and the meeting notice must state removal as a purpose. The entire board of directors or any individual director may be removed, with or without cause, by the affirmative vote of the holders of a majority of the shares entitled to vote at an election of directors.	The MGCL provides that stockholders may remove directors with or without cause unless the Parkway Articles provides that directors may be removed only for cause. However, if a director is elected by a particular voting group, that director may only be removed by the requisite vote of that voting group.
		The Parkway Bylaws and Parkway Articles provide that directors may be removed only with cause by the affirmative vote of holders of at least a majority of all shares of capital stock entitled to vote on the election of directors voting together as a single class.
Election of Directors	The Cousins Bylaws provide that, in the case of a non-contested election, directors must receive a majority of votes cast for election at a meeting at which a quorum is present. For this purpose, a majority of the votes cast means that the number of shares voted for a director must exceed the number of shares voted against that director.	A plurality of the votes cast by shares entitled to vote at the election at a meeting at which a quorum is present shall be sufficient to elect a director.
	If a director fails to obtain a majority, he or she must tender his or her resignation to the board. The board will determine whether to accept the tendered resignation after considering the recommendation of the Compensation,

Vacancies created through an increase in the number of directors may be filled by the affirmative vote of a majority of the entire Parkway board of directors. Vacancies created through removal of a director by the stockholders may be filled by the vote required to elect a director.

Charter Amendments

Under Section 14-2-1003 of the GBCC, an amendment to the Cousins Articles generally requires a majority vote of the outstanding shares of each voting group entitled to vote to amend the Cousins Articles; however, the Cousins Articles require the affirmative vote of the holders of at least two-thirds of the outstanding shares of common stock shall be required to alter, amend or repeal Article Nine of the Cousins Articles (which article provides for a supermajority vote for certain extraordinary corporate actions).

The MGCL provides that the affirmative vote of two-thirds of all outstanding stock entitled to vote or of each class if more than one class is entitled to vote is required to amend the charter. However, the MGCL permits a corporation to reduce the voting requirement in its charter to allow for the approval of an amendment to the charter by no less than a majority of the shares outstanding and entitled to be cast.

The Cousins Articles grant the Cousins board of directors the authority to divide preferred stock into classes or series and to fix and determine the relative rights, preferences, qualifications, and limitations of shares of any class or series established pursuant to the articles of incorporation.

The Parkway Articles provide that an amendment to its charter may be approved by the affirmative vote of the holders of a majority of the total number of shares of all classes entitled to vote.

Additionally, any bylaw adopted by the Cousins board of directors may be altered, amended, replaced or new bylaws may be adopted by the vote of holders of a majority of the shares of stock entitled to vote.	Any amendments relating to the indemnification provisions set forth in the Parkway Bylaws will not adversely affect the right to indemnification or advancement of expenses granted to any person with respect to any events occurring or claims made prior to such amendment.
Vote on Merger, Consolidations or Sales of Substantially all Assets	Generally, the affirmative vote of the holders of at least two-thirds of the outstanding shares of Cousins common stock is required to approve extraordinary actions, including a merger or similar business combination of Cousins with or into another corporation, trust or entity.	The MGCL provides that a merger shall be approved by the stockholders of a corporation by the affirmative vote of two-thirds of all the votes entitled to be cast on the merger. However, the MGCL permits a corporation in its charter to reduce the voting requirement to allow for the approval of a merger, consolidation or sale of substantially all of the corporation's assets by the affirmative vote of no less than a majority of the shares outstanding and entitled to be cast.
	Upon the effective time of the Merger and assuming the Cousins Articles Amendment Proposal is approved, Cousins limited voting preferred stock shall be entitled to vote as a single class with Cousins common stock on mergers or other extraordinary corporate actions.	The Parkway Articles allow for the approval of a merger, consolidation or sale of substantially all of the corporation's assets by the affirmative vote of the holders of a majority of the total number of shares of all classes entitled to vote.

Ownership Limitations

With certain exceptions, the actual, constructive or beneficial ownership by any person of more than 3.9% (in value) of the issued and outstanding shares of Cousins common stock is generally prohibited.

With certain limited exceptions, no person shall beneficially own, or be deemed to own by virtue of the attribution provisions of the Code, more than 9.8%, in either number or value of shares (whichever is more restrictive), of any class of outstanding shares of Parkway.

In the event of a purported transfer or other event that would, if effective,

Table of Contents**Rights of Cousins Stockholders**

result in the ownership of shares in violation of the ownership limitation, that number of shares that would be owned by the transferee in excess of the ownership limitation will be deemed excess shares. Excess shares are deemed to be held in trust by Cousins for the benefit of one or more beneficiaries named by the purported transferee to whom an interest in such excess shares may later be transferred, subject to certain conditions and exceptions. Excess shares do not have any voting rights and are not considered for the purpose of any stockholder vote or determining a quorum. No dividends or other distributions will be paid with respect to excess shares. Upon such transfer of an interest in the trust, the corresponding shares of excess stock in the trust will be automatically exchanged for an equal number of shares of equity stock of the same class as such stock had been prior to it becoming excess stock and will be transferred of record to the designated beneficiary.

The Cousins board of directors in its discretion may exempt a person from the ownership limit upon receipt of a ruling from the IRS or an opinion of counsel or other evidence satisfactory to the Cousins board of directors and upon such other conditions as the Cousins board of directors may direct.

The 3.9% ownership limitation applies to preferred stock as well as common stock.

Upon such transfer of an interest in the trust, the corresponding shares of excess stock in the trust will be automatically exchanged for an equal number of shares of equity stock of the same class as such stock had been prior to it becoming excess stock and will be transferred of record to the designated beneficiary. The Parkway board of directors may determine to redeem the excess shares in cash. In the event of Parkway's liquidation, each holder of excess stock shall be entitled to receive that portion of Parkway's assets that would have been distributed to the holder of the equity stock in respect of which such excess stock was issued.

The Parkway board of directors in its discretion may exempt a person from the ownership limit upon receipt of a ruling from the IRS or an opinion of counsel or other evidence satisfactory to the Parkway board of directors and upon such other conditions as the Parkway board of directors may direct.

Liability and Indemnification of Officers and Directors

Subsection (a) of Section 14-2-851 of the GBCC provides that a corporation may indemnify an individual made a party to a proceeding because he or she is or was a director against liability incurred in the proceeding if:

such individual conducted himself or herself in good faith;

such individual reasonably believed:

in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation;

in all other cases, that such conduct was at least not opposed to the best interests of the corporation; and

The MGCL permits a Maryland corporation to include in its charter a provision limiting the liability of its directors and officers to the corporation and its stockholders for money damages except for liability resulting from actual receipt of an improper benefit or profit in money, property or services or active and deliberate dishonesty established by a final judgment as being material to the cause of action. The Parkway Articles contain such a provision that eliminates such liability to the maximum extent permitted by the MGCL.

The MGCL requires a corporation (unless its charter provides otherwise, which Parkway's Articles do not) to indemnify a director or officer who has been successful, on the merits or otherwise, in the defense of any proceeding to which he or she is made or threatened to be made a party by reason of his or her service in that

Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director:

of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct; or

in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity.

Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court shall order a corporation to indemnify or give an advance for expenses to a director if such court determines the director is entitled to indemnification under the indemnification provisions of the GBCC or if it determines that in view of all relevant circumstances, it is fair and reasonable, even if the director has not met the standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC or was adjudged liable in a proceeding referred to in subsection (d) of Section 14-2-851 of the GBCC, but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director, who was wholly successful in the defense of any proceeding to which the director was a party because he or

connection with any proceeding to which they may be made or are threatened to be made a party by reason of their service in those or other capacities unless it is established that:

the act or omission of the director or officer was material to the matter giving rise to the proceeding and (1) was committed in bad faith or (2) was the result of active and deliberate dishonesty;

the director or officer actually received an improper personal benefit in money, property or services; or

in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful.

However, under the MGCL, a Maryland corporation may not indemnify a director or officer for an adverse judgment in a suit by or in the right of the corporation or if the director or officer was adjudged liable on the basis that personal benefit was improperly received, unless in either case a court orders indemnification and then only for expenses.

In addition, the MGCL permits a corporation to advance reasonable expenses to a director or officer upon

GBCC provides that a corporation

may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation:

to the same extent as a director; and

if he or she is not a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes

The Parkway Articles obligate Parkway to provide any indemnification permitted by the laws of Maryland and shall indemnify directors, officers, agents and employees as follows:

Parkway shall indemnify its directors and officers, whether serving Parkway or at its request, any other entity, to the full extent required or permitted by the laws of Maryland now or hereafter in force, including the advance of expenses under the procedures and to the full extent permitted by law; and

Parkway shall indemnify other employees and agents, whether serving Parkway or at its request, any other entity, to such extent as shall be authorized by the Parkway board of directors or Parkway Bylaws and be permitted by law.

Parkway has also entered into an indemnification agreement with certain of its directors and officers, which are intended to provide indemnification to the maximum extent permitted by the MGCL.

under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification or advances for expenses, in each case to the same extent to which a director may be entitled to indemnification or advances for expenses under those provisions.

Parkway has purchased directors and officers liability insurance for the benefit of its directors and officers.

The Cousins Bylaws require the indemnification by Cousins of its directors, except (a) for any appropriation, in violation of his or her duties, of any business opportunity of Cousins; (b) for acts or omissions

which involve intentional misconduct or a knowing violation of law; (c) for the types of liability for unlawful distributions and dividends as set forth in Section 14-2-832 of the GBCC; or (d) for any transaction from which the director derives an improper personal benefit. The Cousins Bylaws require the indemnification by Cousins of its officers to the maximum extent permitted by the GBCC. Cousins directors are entitled to receive advancements for expenses incurred in defending any such action upon receipt of the written affirmation of such director's good faith belief that such director has met the standards of conduct in the Cousins Bylaws.

Cousins has purchased directors' and officers' liability insurance for the benefit of its directors and officers.

Cousins has entered into indemnification agreements with certain of its directors and each of its executive officers. The indemnification agreements require, among other matters, that Cousins indemnify its executive officers to the maximum extent permitted by law.

The Exchange Agent shall accept such Parkway Certificates and Parkway Limited Voting Certificates (or affidavits of loss in lieu thereof) upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with normal exchange practices. (iv) In the event of a transfer of ownership of shares of Parkway Common Stock or Parkway Limited Voting Stock that is not registered in the transfer records of Parkway, it shall be a condition of payment that any Parkway Certificate and/or Parkway Limited Voting Stock Certificate surrendered in accordance with the procedures set forth in this Section 2.2 shall be properly endorsed or shall be otherwise in proper form for transfer, or any Parkway Book-Entry Shares and/or Parkway Limited Voting Book-Entry Shares shall be properly transferred, and that the Person requesting such payment shall have paid any Transfer Taxes and other Taxes required by reason of the payment of the consideration to a Person other than the registered holder of the Parkway Certificate and/or Parkway Limited Voting Stock Certificate surrendered or Parkway Book-Entry Shares and/or Parkway Limited Voting Book-Entry Shares properly transferred, or shall have established to the satisfaction of Cousins that such Tax either has been paid or is not applicable. No interest shall be paid or accrued for the benefit of (A) holders of the Parkway Certificate and/or Parkway Limited Voting Certificates on the consideration otherwise payable upon the surrender of the Parkway Certificate and Parkway Limited Voting Certificates pursuant to this Article II or (B) Parkway Book-Entry Shares and/or Parkway Limited Voting Book-Entry Shares on the consideration otherwise payable in respect of such shares pursuant to this Article II.

(c) Dividends or Distributions with Respect to Cousins Common Stock. Subject to the effect of applicable Laws, following the surrender of any such Parkway Certificate, there shall be paid to the holder of the certificates and/or evidence of shares in book-entry form representing whole shares of Cousins Common Stock issued in exchange therefor, without interest, (i) at the time of such surrender the amount of any cash payable with respect to a fractional share of Cousins Common Stock to which such holder is entitled pursuant to Section 2.2(e) and the amount of dividends or other distributions with a record date after the Effective Time theretofore paid (but withheld pursuant to the immediately preceding sentence) with respect to such whole shares of Cousins Common Stock and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment date subsequent to surrender payable with respect to such whole shares of Cousins Common Stock. For the avoidance of doubt, pursuant to the Organizational Documents of Parkway, the holders of Parkway Limited Voting Stock are not entitled or eligible to receive any dividends or other distributions from Parkway, and as of the Effective Time, the holders of Cousins Limited Voting Preferred Stock formerly represented by such Parkway Limited Voting Stock in accordance with this Article II will not be entitled or eligible to receive any dividends or other distributions from the Surviving Corporation or Cousins.

All shares of Cousins Common Stock or Cousins Limited Voting Preferred Stock issued upon conversion of shares of Parkway Common Stock (including any cash paid pursuant to Section 2.2(c) or 2.2(e)) or Parkway Limited Voting Stock shall be deemed to have been issued in full satisfaction of all rights pertaining to such shares of Parkway Common Stock or Parkway Limited Voting Stock; subject, however, to Cousins' obligation to pay any dividends or make any other distributions with a record date prior to the Effective Time which may have been declared or made by Parkway on such shares of Parkway Common Stock in accordance with the terms of this Agreement on or prior to the Effective Time and which remain unpaid at the Effective Time, and there shall be no further registration of transfers on the stock transfer books of Cousins or the Surviving Corporation of the shares of Parkway Common Stock or Parkway Limited Voting Stock which were outstanding immediately prior to the Effective Time. (e) **No Fractional Shares.** No certificates or scrip representing fractional shares of Cousins Common Stock or Cousins Limited Voting Preferred Stock shall be issued upon the surrender for exchange of Parkway Certificates, Parkway Limited Voting Certificates, Parkway Book-Entry Shares and/or Parkway Limited Voting Book-Entry Shares representing Parkway Common Stock or Parkway Limited Voting Stock or upon the conversion of Scheduled Parkway RSU Awards pursuant to Section 2.3(c), and such fractional share interests will not entitle the owner thereof to vote or to any rights of a stockholder of Cousins. In lieu thereof, upon surrender of the applicable Parkway Certificates, Parkway Limited Voting Certificates, Parkway Book-Entry Shares or Parkway Limited Voting Book-Entry Shares, Cousins shall pay each holder of Parkway Common Stock an amount in cash equal to the product obtained by multiplying (i) the fractional share interest to which such holder (after taking into account all shares of Parkway Common Stock held at the Effective Time by such holder) would otherwise be entitled by (ii) the closing price on the New York Stock Exchange (the NYSE), as reported on the consolidated tape at the close of the NYSE regular session of trading, for a share of Cousins Common Stock on the last trading day immediately preceding the Effective Time. For the avoidance of doubt, the holders of Parkway Limited Voting Stock shall have no right, under this Section 2.2(e) or otherwise, to receive any cash in lieu of fractional share interests of Cousins Limited Voting Preferred Stock into which such shares of Parkway Limited Voting Common Stock have been converted pursuant to this Article II.

(f) **Termination of Exchange Fund.** Any portion of the Exchange Fund that remains undistributed to the former holders of shares of Parkway Common Stock and/or Parkway Limited Voting Stock (whose such shares are entitled to be exchanged shares of Cousins Common Stock and/or Cousins Limited Voting Preferred Stock in accordance with and subject to the provisions of this Article II) for nine (9) months after the Effective Time shall be delivered to the Surviving Corporation, upon demand, and any such former holders of shares of Parkway Common Stock and/or Parkway Limited Voting Stock who have not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation for payment of their claim for Parkway Common Stock and/or Parkway Limited Voting Stock, including any amounts in respect of dividends or other distributions on shares of Cousins Common Stock pursuant to and in accordance with Section 2.2(c) and any cash in lieu of fractional shares of Cousins Common Stock pursuant to and in accordance with Section 2.2(e).

(g) **No Liability.** None of Parkway, Parkway LP, Cousins, Merger Sub or the Surviving Corporation or any employee, officer, director, agent or affiliate of any of them shall be liable to any holder of shares of Parkway Common Stock or Parkway Limited Voting Stock for shares of Cousins Common Stock or Cousins Limited Voting Preferred Stock (or dividends or other distributions with respect thereto) or cash in lieu of fractional shares of Cousins Common Stock from the Exchange Fund delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by holders of any such shares immediately prior to the time at which such amounts would otherwise escheat to, or become property of, any Governmental Entity shall, to the extent permitted by applicable Law, become the property of the Surviving Corporation, free and clear of any claims or interest of any such holders or their successors, assigns or personal representatives previously entitled thereto.

(h) **Withholding.** Each of Cousins, Merger Sub, the Surviving Corporation, Parkway LP or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from the consideration otherwise payable pursuant to this Agreement to any holder of shares of Parkway Common Stock, Parkway Voting Stock or Parkway Equity Awards (including with respect to any related accrued dividends, dividend equivalents or other distributions) such amounts as it is required to deduct and withhold with respect to the making of such payment under the Code and the rules and regulations promulgated thereunder, or any provision of state, local or foreign tax law. To the extent that amounts are so deducted or withheld by Cousins, Merger Sub, the Surviving Corporation, Parkway LP or the Exchange Agent, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by Cousins, Merger Sub, the Surviving Corporation, Parkway LP or the Exchange Agent, as applicable.

Section 2.3 Structure. In the event that the parties mutually agree upon changes regarding the structure of the transactions contemplated herein (including the Reorganization), the parties shall cooperate in the implementation of such changes, which cooperation may include entering into mutually acceptable amendments to this Agreement, to the extent necessary or appropriate.

Section 2.4 Further Assurances. If at any time following the Effective Time the Surviving Corporation shall consider or be advised that any deeds, bills of sale, assignments or assurances or any other acts or things are necessary, desirable or proper (a) to vest, perfect or confirm, of record or otherwise, in Cousins its right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of any party hereto, or (b) otherwise to carry out the purposes of this Agreement, Cousins and its proper officers and directors or their designees shall be authorized to execute and deliver, in the name and on behalf of any such Person, all such deeds, bills of sale, assignments and assurances and to do, in the name and on behalf of any such Person, all such other acts and things as may be necessary, desirable or proper to vest, perfect or confirm Cousins's right, title or interest in, to or under any of the rights, privileges, powers, franchises, properties or assets of such party and otherwise to carry out the purposes of this Agreement.

Section 2.5 Treatment of Parkway Equity Awards.

(a) Parkway Stock Options. As of the Effective Time, by virtue of the Merger and without any action on the part of the holders thereof, each option to purchase shares of Parkway Common Stock granted under any Parkway Equity Plan (each, a Parkway Stock Option), whether vested or unvested, that is outstanding and unexercised as of immediately prior to the Effective Time shall be assumed by Cousins and shall be converted into an option (a Cousins Stock Option) to acquire (i) that number of shares of Cousins Common Stock (rounded down to the nearest whole share) equal to the product obtained by multiplying (A) the number of shares of Parkway Common Stock subject to such Parkway Stock Option as of immediately prior to the Effective Time by (B) the Exchange Ratio, (ii) at an exercise price per share of Cousins Common Stock (rounded up to the nearest whole cent) equal to the quotient obtained by dividing (A) the exercise price per share of Parkway Common Stock of such Parkway Stock Option by (B) the Exchange Ratio; provided, however, that each such Parkway Stock Option which is an incentive stock option (as defined in Section 422 of the Code) shall be adjusted in accordance with the foregoing in a manner consistent with the requirements of Section 424 of the Code. The parties intend that the adjustments in this Section 2.5(a) are in accordance with Treasury Regulation Section 1.409A-1(B)(5)(v)(D) and will not subject any Parkway Stock Option to Section 409A of the Code. Except as otherwise provided in this Section 2.5(a), each such Parkway Stock Option assumed and converted into a Cousins Stock Option pursuant to this Section 2.5(a) shall continue to have, and shall be subject to, the same terms and conditions as applied to the corresponding Parkway Stock Option as of immediately prior to the Effective Time.

(b) Parkway RSU Awards.

(i) Immediately prior to the Effective Time, by virtue of the Merger and without any action on the part of the holders thereof, each Parkway RSU Award that is scheduled on Schedule 2.5(b)(i) of the Parkway Disclosure Letter (each, a Scheduled Parkway RSU Award) that is outstanding as of immediately prior to the Effective Time (whether or not then vested or subject to any performance condition that has not been satisfied) shall automatically become fully vested (which, for Scheduled Parkway RSU Awards subject to performance conditions, shall mean fully vested based on maximum performance achievement), and all restrictions with respect thereto shall lapse as of immediately prior to the Effective Time. Each share of Parkway Common Stock resulting from the vesting of Scheduled Parkway RSU Awards in accordance with the preceding sentence shall be treated as a share of Parkway Common Stock issued and outstanding immediately prior to the Effective Time and shall be converted into the right to receive a number of shares of Cousins Common Stock equal to the Exchange Ratio in accordance with Section 2.1(a)(i). Immediately prior to the Effective Time, by virtue of the Merger and without any action on the part of the holders thereof, any dividend equivalents (Parkway Dividend Equivalents) associated with Scheduled Parkway RSU Awards that vest in accordance with this Section 2.5(b)(i) that was unvested shall automatically become fully vested and converted into the right to receive an amount in cash equal to the value of such Parkway Dividend Equivalents as of immediately prior to the Effective Time. Within ten (10) Business Days following the Closing, Cousins shall pay, or shall arrange for the

payment of, the cash value attributable to Parkway Dividend Equivalents, in lump sum, to each holder of a Scheduled Parkway RSU Award as of immediately prior to the Effective Time.

Within ten (10) Business Days following the Closing, Cousins shall pay, or shall arrange for the payment of, the cash value attributable to such accrued distributions, in lump sum, to each holder of a Scheduled Parkway Partnership LTIP Unit as of immediately prior to the Effective Time.

(ii) Immediately prior to the Effective Time, each Parkway Partnership LTIP Unit (other than a Scheduled Parkway Partnership LTIP Unit) that is outstanding as of immediately prior to the Effective Time shall be exchanged for a Parkway RSU Award to be treated in accordance with Section 2.5(b)(ii), including any modifications set forth on Schedule 2.5(b)(ii) of the Parkway Disclosure Letter.

(d) Parkway Actions. Prior to the Effective Time, Parkway shall pass resolutions, provide any notices, obtain any consents, make any amendments to the Parkway Equity Plan or Parkway Equity Awards, and take such other actions as are necessary to provide for the treatment of the Parkway Stock Options, Parkway RSU Awards and Parkway Dividend Equivalents (collectively, the Parkway Equity Awards) and Parkway Partnership LTIP Units as contemplated by this Section 2.5 and Schedule 2.5(d) of the Parkway Disclosure Schedule.

(e) Plans and Awards Assumed by Cousins: Cousins Actions. At the Effective Time, Cousins shall assume all obligations in respect of each Parkway Equity Plan, including each outstanding Parkway Equity Award. Effective as of the Effective Time, Cousins shall file a registration statement on Form S-8 (or any successor or other appropriate form) with respect to the shares of Cousins Common Stock subject to such Cousins Stock Options and Cousins RSU Awards. Notwithstanding the terms of Section 2.2, Cousins may

process any cash payments contemplated by this Section 2.5, including accrued distributions and Parkway Dividend Equivalents, through the payroll of Cousins, the Surviving Corporation or their respective Affiliates (rather than through the Exchange Agent).

Statement/Prospectus shall be a part) with respect to the Cousins Stock Issuance (such Form S-4, and any amendments or supplements thereto, the Form S-4). Each of the parties hereto shall use reasonable best efforts to have the Joint Proxy Statement/Prospectus cleared by the SEC and the Form S-4 declared effective by the SEC and to keep the Form S-4 effective as long as is necessary to consummate the Merger and the transactions contemplated thereby. Parkway and Cousins shall, as promptly as practicable after receipt thereof, provide the other party with copies of any written comments and advise the other party of any oral comments with respect to the Joint Proxy Statement/Prospectus or the Form S-4 received from the SEC. Each party shall cooperate and provide the other party with a reasonable opportunity to review and comment on any amendment or supplement to the Joint Proxy Statement/Prospectus and the Form S-4 prior to filing such with the SEC, and each party will provide the other party with a copy of all such filings made with the SEC. Each party shall use its reasonable best efforts to take any action required to be taken under any applicable state securities laws in connection with the Merger, and each party shall furnish all information concerning it and the holders of its capital stock or shares of common stock as may be reasonably requested in connection with any such action. Each party will advise the other party, promptly after it receives notice thereof, of the time when the Form S-4 has become effective, the issuance of any stop order, the suspension of the qualification of the Parkway Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Joint Proxy Statement/Prospectus or the Form S-4. If, at any time prior to the Effective Time, any information relating to either of the parties, or their respective affiliates, officers or directors, should be discovered by either party, and such information should be set forth in an amendment or supplement to any of the Form S-4 or the Joint Proxy Statement/Prospectus so that such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other party hereto and, to the extent required by law, rules or regulations, an appropriate amendment or supplement describing such information shall be promptly filed with the SEC and disseminated to the stockholders of Parkway and Cousins.

(b) Parkway shall duly take all lawful action to call, give notice of, convene and hold a meeting of its stockholders as promptly as practicable following the date upon which the Form S-4 becomes effective (the Parkway Stockholders Meeting) for the purpose of obtaining the Parkway Required Stockholders Vote. Unless a Change in Parkway Recommendation has occurred in accordance with Section 5.4, the Board of Directors of Parkway shall use its reasonable best efforts to obtain from the stockholders of Parkway the Parkway Required Stockholders Vote. Parkway covenants that, unless a Change in Parkway Recommendation has occurred in accordance with Section 5.4, Parkway will, through its Board of Directors, recommend to its stockholders approval of the Merger and further covenants that the Joint Proxy Statement/Prospectus and the Form S-4 will include such recommendation. Notwithstanding the foregoing provisions of this Section 5.1(b), if, on a date for which the Parkway Stockholders Meeting is scheduled, Parkway has not received proxies representing a sufficient number of shares of Parkway Common Stock to obtain the Parkway Required Stockholders Vote, whether or not a quorum is present, Parkway shall have the right to make one or more successive postponements or adjournments of the Parkway Stockholders Meeting; provided that the Parkway Stockholders Meeting is not postponed or adjourned to a date that is more than thirty (30) days after the date for which the Parkway Stockholders Meeting was originally scheduled (excluding any adjournments or postponements required by applicable Law). Parkway agrees that, unless this Agreement shall have been terminated in accordance with Section 7.1, its obligations to hold the Parkway Stockholders Meeting pursuant to this Section 5.1(b) shall not be affected by the commencement, public proposal, public disclosure or communication to Parkway of any Acquisition Proposal or by any Change in Parkway Recommendation.

(c) Cousins shall duly take all lawful action to call, give notice of, convene and hold a meeting of its stockholders as promptly as practicable following the date upon which the Form S-4 becomes effective (the Cousins Stockholders Meeting) for the purpose of obtaining the Cousins Required Vote. Unless a Change in Cousins Recommendation has occurred in accordance with Section 5.4, the Board of Directors of Cousins shall use its reasonable best efforts to obtain from the stockholders of Cousins the Cousins Required Vote. Cousins covenants that, unless a Change in

Cousins Recommendation has occurred in accordance with Section 5.4,

Cousins will, through its Board of Directors, recommend to its stockholders approval of the Merger and further covenants that the Joint Proxy Statement/Prospectus and the Form S-4 will include such recommendation. Notwithstanding the foregoing provisions of this Section 5.1(c), if, on a date for which the Cousins Stockholders Meeting is scheduled, Cousins has not received proxies representing a sufficient number of shares of Cousins Common Stock to obtain the Cousins Required Vote, whether or not a quorum is present, Cousins shall have the right to make one or more successive postponements or adjournments of the Cousins Stockholders Meeting; provided that the Cousins Stockholders Meeting is not postponed or adjourned to a date that is more than thirty (30) days after the date for which the Cousins Stockholders Meeting was originally scheduled (excluding any adjournments or postponements required by applicable Law). Cousins agrees that, unless this Agreement shall have been terminated in accordance with Section 7.1, its obligations to hold the Cousins Stockholders Meeting pursuant to this Section 5.1(c) shall not be affected by the commencement, public proposal, public disclosure or communication to Cousins of any Acquisition Proposal or by any Change in Cousins Recommendation.

(d) Each of the parties hereto shall use their reasonable best efforts to cause the Parkway Stockholders Meeting and the Cousins Stockholders Meeting to be held on the same date.

Section 5.2 Access to Information.

(a) Upon reasonable notice, each of the parties hereto shall (and shall cause each of their respective Subsidiaries to) afford to the Representatives of the other, access, during normal business hours during the period prior to the Effective Time, to all its properties (other than for purposes of invasive testing), books, contracts, records and Representatives, and, during such period, each of the parties hereto shall (and shall cause each of their respective Subsidiaries to) make available to the other, upon the other's reasonable request, (i) a copy of each report, schedule, registration statement and other document filed or received by it during such period pursuant to the requirements of Federal or state securities laws, or the rules and regulations of self-regulatory organizations (other than reports or documents which such party is not permitted to disclose under applicable Law) and (ii) all other information concerning its business, properties and personnel as such other party may reasonably request. Neither party nor any of its Subsidiaries shall be required to provide access to or to disclose information where such access or disclosure would violate or prejudice the rights of its customers, jeopardize the attorney-client privilege of the institution in possession or control of such information or contravene any Law, rule, regulation, order, judgment or decree or binding agreement entered into prior to the date of this Agreement. The parties will make appropriate substitute disclosure arrangements under circumstances in which the restrictions of the preceding sentence apply. For the avoidance of doubt, each party may, as it deems advisable and necessary, designate any competitively sensitive materials provided under this Section 5.2 (or elsewhere in the Agreement) as outside counsel only or outside accounting firm only. Such materials and the information contained therein shall be given only to the recipient's outside counsel or accounting firm, as the case may be, and will not be disclosed by such outside counsel or accounting firm to employees, officers, or directors of the recipient without the advance written consent of the party providing such materials.

(b) Parkway shall, and shall cause each of its Subsidiaries to, afford Cousins, its Subsidiaries, and any nationally recognized accounting firm selected by Cousins access to all of their properties, offices, books, contracts, commitments, personnel and records, and any other items as Cousins or its Subsidiaries or such accounting firm may reasonably request to enable Cousins and its Subsidiaries and such accounting firm to reasonably confirm the accuracy of the representations and warranties in Section 3.1(h)(viii)(A) and (B).

(c) The parties will hold any such information which is nonpublic in confidence to the extent required by, and in accordance with, the provisions of the letter dated June 15, 2015, between Parkway and Cousins, as amended (the Confidentiality Agreement), which Confidentiality Agreement will remain in full force and effect.

(d) No such investigation by either Parkway or Cousins shall affect the representations and warranties of the other.

(a) Subject to the terms and conditions of this Agreement, each of the parties hereto shall use its reasonable best efforts to take, or cause to be taken, all actions and to do promptly, or cause to be done promptly, and to assist and cooperate with each other in doing, all things necessary, proper or advisable under applicable Law to consummate and make effective the Merger and the other transactions contemplated by this Agreement, including preparing and filing as promptly as practicable all documentation to effect all necessary filings, notices, petitions, statements, registrations, submissions of information, applications and other documents necessary to consummate the Merger and the other transactions contemplated by this Agreement. In furtherance and not in limitation of the foregoing, each of the parties hereto agrees to (i) use its reasonable best efforts to cooperate with the other party in determining which filings are required to be made prior to the Closing with, and which consents, clearances, approvals, waiting period expirations or terminations, permits or authorizations are required to be obtained prior to the Closing from, any Governmental Entity in connection with the execution and delivery of this Agreement and the consummation of the Merger and the other transactions contemplated by this Agreement and in timely making all such filings, (ii) promptly furnish the other party, subject in appropriate cases to appropriate confidentiality agreements to limit disclosure to outside lawyers and consultants, with such information and reasonable assistance as such other party and its affiliates may reasonably request in connection with their preparation of necessary filings, registrations and submissions of information to any Governmental Entity, (iii) supply as promptly as reasonably practicable any additional information and documentary material that may be reasonably requested pursuant to any applicable Laws by any Governmental Entity, and (iv) take or cause to be taken all other actions necessary, proper or advisable to obtain applicable clearances, consents, authorizations, approvals or waivers and cause the expiration or termination of the applicable waiting periods with respect to the Merger and the other transactions contemplated by this Agreement under any applicable Laws as promptly as practicable.

(b) Each of the parties hereto shall, in connection with the efforts referenced in Section 5.3(b), use its reasonable best efforts to: (i) cooperate in all respects with each other in connection with any investigation or other inquiry, including any proceeding initiated by a private party; (ii) promptly notify the other party of any communication concerning this Agreement or any of the transactions contemplated hereby to that party from or with any Governmental Entity and consider in good faith the views of the other party and keep the other party reasonably informed of the status of matters related to the transactions contemplated by this Agreement, including furnishing the other with any written notices or other communications received by such party from, or given by such party to, any Governmental Entity and of any communication received or given in connection with any proceeding by a private party, in each case regarding any of the transactions contemplated hereby, except that any materials concerning one party's valuation of the other party may be redacted; and (iii) permit the other party to review in draft any proposed communication to be submitted by it to any Governmental Entity with reasonable time and opportunity to comment, and consult with each other in advance of any in-person or telephonic meeting or conference with any Governmental Entity or, in connection with any proceeding by a private party, with any other Person, and, to the extent permitted by the applicable Governmental Entity or Person, not agree to participate in any meeting or discussion with any Governmental Entity relating to any filings or investigations concerning this Agreement and or any of the transactions contemplated hereby unless invites the other party's Representatives to attend in accordance with applicable Laws. The parties may, as they deem advisable and necessary, designate any competitively sensitive materials provided to the other under this Section 5.3 as outside counsel only. Such materials and the information contained therein shall be given only to outside counsel of the recipient and will not be disclosed by such outside counsel to employees, officers, or directors of the recipient without the advance written consent of the party providing such materials.

(c) In furtherance and not in limitation of the foregoing, each of the parties hereto shall use its reasonable best efforts to resolve objections, if any, as may be asserted with respect to the transactions contemplated by this Agreement under any Laws, including defending any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the transactions contemplated hereby (including seeking to have any stay, temporary restraining order or preliminary injunction entered by any court or other Governmental Entity vacated or

Section 5.4 Acquisition Proposals. (a) Each of Parkway and Cousins agrees that neither it nor any of its Subsidiaries nor any of the officers, and directors of it or its Subsidiaries shall, and that it shall cause its and its Subsidiaries Representatives not to, directly or indirectly, (i) initiate, solicit, knowingly encourage or facilitate any inquiries or the making of any proposal or offer with respect to, or a transaction to effect, a merger, reorganization, share exchange, consolidation, business combination, recapitalization, liquidation, dissolution or similar transaction involving it or any of its Significant Subsidiaries or any purchase or sale of 20% or more of the consolidated assets (including stock or other ownership interests of its Subsidiaries) of it and its Subsidiaries determined on a fair market value basis, taken as a whole, or any purchase or sale of, or tender or exchange offer for, its voting securities that, if consummated, would result in any person (or the stockholders or other equity interest holders of such person) beneficially owning securities representing 20% or more of its total voting power (or of the surviving parent entity in such transaction) or the voting power of any of its Significant Subsidiaries, in each case, other than any proposal, offer or transaction related to any Asset Sale or the Reorganization (any such proposal, offer or transaction (other than a proposal or offer made by one party to this Agreement or an affiliate thereof and other than any proposal, offer or transaction related to any Asset Sale or the Reorganization) being hereinafter referred to as an Acquisition Proposal), (ii) participate in any discussions with or provide any confidential information or data to any person relating to an Acquisition Proposal, or engage in any negotiations concerning an Acquisition Proposal, or knowingly facilitate any effort or attempt to make or implement an Acquisition Proposal, (iii) approve or execute or enter into any letter of intent, agreement in principle, merger agreement, asset purchase or share exchange agreement, option agreement or other similar agreement related to any Acquisition Proposal (an Acquisition Agreement) or (iv) propose or agree to do any of the foregoing.

(b)

(i) Notwithstanding the foregoing, the Board of Directors of Parkway and the Board of Directors of Cousins shall each be permitted, prior to its respective meeting of stockholders to be held pursuant to Section 5.1, and subject to compliance with the other terms of this Section 5.4 and to first entering into a confidentiality agreement having provisions that are no less favorable to such party than those contained in the Confidentiality Agreement (provided that such agreement need not contain any standstill or similar provision prohibiting the making of an Acquisition Proposal), to engage in discussions and negotiations with, or provide any nonpublic information or data to, any Person in response to an unsolicited *bona fide* written Acquisition Proposal by such Person first made after the date of this Agreement (that did not result from a breach of this Section 5.4) and which the Board of Directors of Parkway or the Board of Directors of Cousins, as applicable, concludes in good faith (after consultation with outside legal counsel and financial advisors) constitutes or is reasonably likely to result in a Superior Proposal, if and only to the extent that the directors of Parkway or of Cousins, as applicable, conclude in good faith (after consultation with their outside legal counsel) that failure to do so would reasonably be expected to result in a breach of their duties to the stockholders of Parkway or of Cousins, as applicable. Parkway or Cousins, as applicable, shall provide the other with a copy of any nonpublic information or data provided to a third party pursuant to the prior sentence prior to or simultaneously with furnishing such information to such third party (except to the extent that such nonpublic information or data shall have been previously provided to the other party).

(ii) Each party shall notify the other party promptly (but in no event later than twenty-four (24) hours) after receipt of any Acquisition Proposal, or any request for nonpublic information relating to such party or

any of its Subsidiaries by any person that informs such party or any of its Subsidiaries that it is considering making, or has made, an Acquisition Proposal, or any inquiry from any person seeking to have discussions or negotiations with such party relating to a possible Acquisition Proposal. Such notice shall be made orally and confirmed in writing, and shall indicate the identity of the person making the Acquisition Proposal, inquiry or request and the material terms and conditions of any inquiries, proposals or offers (including a copy thereof if in writing and any related documentation or correspondence). Each party shall also promptly, and in any event within twenty-four (24) hours, notify the other party, orally and in writing, if it enters into discussions or negotiations concerning any Acquisition Proposal or provides nonpublic information or data to any person in accordance with this Section 5.4(b) and keep the other party informed of the status and terms of any such proposals, offers, discussions or negotiations on a current basis, including by providing a copy of all material documentation or correspondence relating thereto. Notwithstanding anything to the contrary in this Agreement, each party may contact any Person submitting an Acquisition Proposal after the date of this Agreement (that did not result from a breach of this Section 5.4) to clarify and understand the terms of the Acquisition Proposal so as to determine whether such Acquisition Proposal constitutes or is reasonably likely to result in a Superior Proposal.

(iii) Except as provided in Section 5.4(b)(iv) or Section 5.4(b)(v), neither the Board of Directors of Parkway, the Board of Directors of Cousins, nor any committee thereof shall withhold, withdraw or modify in any manner adverse to the other party, or propose publicly to withhold, withdraw or modify in any manner adverse to the other party, the approval, recommendation or declaration of advisability by the Board of Directors of Parkway or the Board of Directors of Cousins, as applicable, or any such committee thereof with respect to this Agreement or the transactions contemplated hereby (a Change in Parkway Recommendation or a Change in Cousins Recommendation, respectively).

(iv) Notwithstanding anything in this Agreement to the contrary, with respect to an Acquisition Proposal, the Board of Directors of Parkway or Board of Directors of Cousins, as applicable, may make a Change in Parkway Recommendation or a Change in Cousins Recommendation, as applicable (and in the event that the Board of Directors of Parkway or Board of Directors of Cousins, as applicable, determines such Acquisition Proposal to be a Superior Proposal, in accordance with this Section 5.4, terminate this Agreement pursuant to Section 7.1(d)(i), with respect to Parkway, and Section 7.1(e)(i), with respect to Cousins), in each case (including with respect to any such termination), if and only if (A) an unsolicited *bona fide* written Acquisition Proposal (that did not result from a breach of this Section 5.4) is made to Parkway or Cousins, as applicable, by a third party, and such Acquisition Proposal is not withdrawn, (B) the Board of Directors of Parkway or the Board of Directors of Cousins, as applicable, has concluded in good faith (after consultation with outside legal counsel and financial advisors) that such Acquisition Proposal constitutes a Superior Proposal, (C) the directors of Parkway or of Cousins, as applicable, have concluded in good faith (after consultation with their outside legal counsel) that failure to do so would reasonably be expected to result in a breach of their duties to the stockholders of Parkway or of Cousins, as applicable, (D) five (5) Business Days (the Notice Period) shall have elapsed since the party proposing to take such action has given written notice to the other party advising such other party that the notifying party intends to take such action and specifying in reasonable detail the reasons therefor, including the terms and conditions of any such Superior Proposal that is the basis of the proposed action (a Notice of Recommendation Change) (it being understood that any amendment to any material term of such Superior Proposal shall require a new Notice of Recommendation Change and a new Notice Period), (E) during the Notice Period, the notifying party has considered and, at the reasonable request of the other party, engaged in good faith discussions with such party regarding, any adjustment or modification of the terms of this Agreement proposed by the other party, and (F) the directors of the party proposing to take such action, following the Notice Period, again reasonably determines in good faith (after consultation with outside legal counsel, and taking into account any adjustment or modification of the terms of this Agreement proposed by the other party) that failure to do so would reasonably be expected to result in a breach of their duties to the stockholders of such party.

(v) Notwithstanding anything in this Agreement to the contrary, in circumstances not involving or relating to an Acquisition Proposal, the Board of Directors of Parkway or Board of Directors of Cousins, as applicable, may make a Change in Parkway Recommendation or a Change in Cousins Recommendation, as applicable, if and only if (A) a material development or change in circumstances has occurred or arisen after the date of this Agreement that was neither known to such party nor reasonably foreseeable as of the date of this Agreement (and which change or development does not relate to an Acquisition Proposal), (B) the directors of the party proposing to take such action have first reasonably determined in good faith (after consultation with outside legal counsel) that failure to do so would reasonably be expected to result in a breach of their duties to the stockholders of such party, (C) the Notice Period shall have elapsed since the party proposing to take such action has given a Notice of Recommendation Change to the other party advising that the notifying party intends to take such action and specifying in reasonable detail the reasons therefor, (D) during the Notice Period, the notifying party has considered and, at the reasonable request of the other party, engaged in good faith discussions with such party regarding, any adjustment or modification of the terms of this Agreement proposed by the other party, and (E) the directors of the party proposing to take such action, following the Notice Period, again reasonably determine in good faith (after consultation with outside legal counsel, and taking into account any adjustment or modification of the terms of this Agreement proposed by the other party) that failure to do so would reasonably be expected to result in a breach of their duties to the stockholders of such party.

(vi) Nothing contained in this Section 5.4 shall prohibit either party or its Subsidiaries from taking and disclosing to its stockholders a position contemplated by Rule 14e-2(a) promulgated under the Exchange Act or from making a statement contemplated by Item 1012(a) of Regulation M-A or Rule 14d-9 promulgated under the Exchange Act, or from issuing a stop, look and listen statement pending disclosure of its position thereunder; provided, however, that compliance with such rules shall not in any way limit or modify the effect that any action taken pursuant to such rules has under any other provision of this Agreement, including Section 7.1(d) or Section 7.1(e), as applicable; and provided, further that any such disclosure that addresses or relates to the approval, recommendation or declaration of advisability by the Board of Directors of such party, as applicable, with respect to this Agreement or an Acquisition Proposal shall be deemed to be a Change in Parkway Recommendation or Change in Cousins Recommendation, as applicable, unless the Board of Directors of such party, in connection with such communication publicly states that its recommendation with respect to this Agreement and the transactions contemplated hereby has not changed or refers to the prior recommendation of such party, without disclosing any Change in Parkway Recommendation or Change in Cousins Recommendation, as applicable.

(c) Each of Parkway and Cousins agrees that (i) it will and will cause its Subsidiaries, and its and their Representatives to, cease immediately and terminate any and all existing activities, discussions or negotiations with any third parties conducted heretofore with respect to any Acquisition Proposal, and (ii) except, with respect to Parkway, as set forth in Section 5.4(c) of the Parkway Disclosure Letter, it will not release any third party from, or waive any provisions of, any confidentiality or standstill agreement to which it or any of its Subsidiaries is a party with respect to any Acquisition Proposal, and will use reasonable efforts to enforce the provisions of such agreements. Each of Parkway and Cousins agrees that it will use its reasonable best efforts to promptly inform its, and its Subsidiaries, respective Representatives of the obligations undertaken in this Section 5.4.

(d) Neither party shall submit to the vote of its stockholders any Acquisition Proposal other than the Merger and the other transactions contemplated hereby prior to the termination of this Agreement.

(e) For purposes of this Agreement, Superior Proposal for Parkway or Cousins means a *bona fide* written Acquisition Proposal that the Board of Directors of Parkway or Board of Directors of Cousins, respectively, concludes in good faith, after consultation with its financial advisors and outside legal counsel, taking into account all legal, financial, regulatory and other aspects of the proposal and the person making the proposal (including any break-up fees, expense

reimbursement provisions and conditions to consummation), (i) is more favorable to the stockholders of Parkway or Cousins, respectively, than the transactions contemplated

(b) For purposes of any New Plans providing benefits to any Continuing Employees after the Effective Time, Cousins shall, or shall cause its applicable Subsidiary to: (i) waive all pre-existing conditions, exclusions and waiting periods with respect to participation and coverage requirements applicable to the Continuing Employees and their eligible dependents under any New Plans in which such employees may be eligible to participate after the Effective Time, except, with respect to pre-existing conditions or exclusions, to the extent such pre-existing conditions or exclusions would apply under the analogous Parkway Benefit Plan; (ii) provide each Continuing Employee and their eligible dependents under any New Plan with credit for any co-payments and deductibles paid during the portion of the plan year of the corresponding Parkway Benefit Plan ending on the date such Continuing Employee's participation in the New Plan begins (to the same extent that such credit was given under the analogous Parkway Benefit Plan prior to the date that the Continuing Employee first participates in the New Plan) in satisfying any applicable deductible or out-of-pocket requirements under the New Plan; and (iii) recognize all service of the Continuing Employees with Parkway and its Subsidiaries (and any predecessors or affiliates thereof), for all purposes in any New Plan in which such employees may be eligible to participate after the Effective Time to the same extent such service was taken into account under the analogous Parkway Benefit Plan prior to the date that the Continuing Employee first participates in the New Plan; provided, however, that the foregoing clause (iii) shall not apply (A) to the extent it would result in duplication of benefits, or (B) for any purpose with respect to any defined benefit pension plan, postretirement welfare

Nothing in this Section 5.6(e) shall prohibit Cousins (and its Subsidiaries or Representatives acting on their behalf), on the one hand, or Parkway (and its Subsidiaries or Representatives acting on their behalf), on the other hand, from (i) making general solicitations for employment not specifically directed at the other party, its Subsidiaries or affiliates or any of its employees and employing any person who responds to such solicitations or (ii) soliciting for employment, hiring or employing any person referred to it by a recruiter who has not been engaged for the purpose of specifically recruiting, nor given instructions to recruit specifically, such person or employees of the other party or its Subsidiaries or affiliates generally.

(g) The provisions of this Section 5.6 are solely for the benefit of the parties to this Agreement, no current or former director, employee or other service provider or any other person shall be a third-party beneficiary of this Agreement, and nothing herein shall be construed as an amendment to any Cousins Benefit Plan, Parkway Benefit Plan or other compensation or benefit plan or arrangement for any purpose. (b) Notwithstanding the foregoing or anything else to the contrary in this Agreement, each of Parkway and Cousins, as applicable, shall be permitted to declare and pay a dividend to its stockholders, the record date and payment date for which shall be the close of business on the last Business Day prior to the Closing Date, distributing any amounts determined by such party (in each case in consultation with the other party) to be the minimum dividend required to be distributed in order for such party to qualify as a REIT and to avoid to the extent reasonably possible the incurrence of income or excise Tax (any dividend paid pursuant to this paragraph, a REIT Dividend).

(c) If either party determines that it is necessary to declare a REIT Dividend, it shall notify the other party at least twenty (20) days prior to the date for the Parkway Stockholders Meeting, in the case of a declaration by Parkway, or the Cousins Stockholders Meeting, in the case of a declaration by Cousins, and such other party shall be entitled to declare a dividend per share payable (i) in the case of Parkway, to holders of Parkway Common Stock, in an amount per share of Parkway Common Stock equal to the quotient obtained by dividing (A) the REIT Dividend declared by Cousins with respect to each share of Cousins Common Stock by (B) the Exchange Ratio and (ii) in the case of Cousins, to holders of shares of Cousins Common Stock, in an amount per share of Cousins Common Stock equal to the product of (x) the REIT Dividend declared by Parkway with respect to each share of Parkway Common Stock and (y) the Exchange Ratio. The record date and payment date for any dividend payable pursuant to this Section 5.10(c) shall be the close of business on the last Business Day prior to the Closing Date.

Section 5.11 Public Announcements. Parkway and Cousins shall use reasonable best efforts (a) to develop a joint communications plan, (b) to ensure that all press releases and other public statements with respect to the transactions contemplated hereby (including the Houston Distribution) shall be consistent with such joint communications plan, and (c) except in respect of any announcement required by applicable Law or by obligations pursuant to any listing agreement with or rules of any securities exchange, or as required in connection with required notifications or filings under the HSR Act or any foreign antitrust, competition, or merger control law or in response to any request by a Governmental Entity investigating the transactions described herein, to consult with each other before issuing any press release or, to the extent practical, otherwise making any public statement with respect to this Agreement or the transactions contemplated hereby (including the Houston Distribution). In addition to the foregoing, except to the extent disclosed in or consistent with the Joint Proxy Statement/Prospectus or Houston Distribution Prospectus in accordance with the provisions of Section 5.1 or as otherwise permitted under Section 5.4, or as required in connection with required notifications or filings under the HSR Act or any foreign antitrust, competition, or merger control law or in response to any request by a Governmental Entity investigating the transactions described herein, no party shall issue any press release or otherwise make any public statement or disclosure concerning the other party or the other party's business, financial condition or results of operations without the consent of such other party, which consent shall not be unreasonably withheld or delayed. Each party shall provide the other party with its stockholder lists and allow and facilitate the other party's contact with its stockholders and prospective investors and following a Change in Parkway Recommendation or Change in Cousins Recommendation, as the case may be; such contacts may be made without regard to the above limitations of this Section 5.11.

Section 5.12 Additional Agreements. In case at any time after the Effective Time any further action is necessary or desirable to carry out the purposes of this Agreement or to vest Cousins with full title to all properties, assets, rights, approvals, immunities and franchises of Parkway, the proper officers and directors of each party to this Agreement shall take all such necessary action.

Section 5.13 Tax Matters. (a) Parkway and Cousins agree to use their reasonable best efforts to (i) cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code and (ii) effect the Reorganization in a manner such that Step 5(a) set forth on Exhibit B will be treated, for U.S. federal income tax purposes, as a taxable transaction to Cousins and Step 6 set forth on Exhibit B will be treated, for U.S. federal income tax purposes, as a taxable transaction to both Cousins and the stockholders of Cousins. The parties shall treat the Merger as a tax-free

reorganization under Section 368(a) of the Code and no party shall take any

position for tax purposes inconsistent therewith, except to the extent otherwise required pursuant to a determination within the meaning of Section 1313(a) of the Code.

(b) Cousins shall, with Parkway's good faith cooperation and assistance, prepare, execute and file, or cause to be prepared, executed and filed, all returns, questionnaires, applications or other documents regarding any real property transfer, sales, use, transfer, value added, stock transfer, recording, registration stamp or similar Taxes that become payable in connection with the transactions contemplated by this Agreement (collectively, Transfer Taxes) and Parkway and Cousins shall cooperate to minimize the amount of Transfer Taxes to the extent permitted by applicable Law. In addition, Parkway and Cousins shall cooperate in good faith to minimize (i) the recognition of built-in gain under Treasury Regulation Section 1.337(d)-7(b), and (ii) any state Taxes, in each case, imposed with respect to the transactions contemplated by this Agreement.

(c) Parkway and Cousins shall take the actions described in Section 4.1(b)(xvi) of the Parkway Disclosure Letter.

(d) At or prior to Closing, Parkway shall provide information reasonably requested by Cousins regarding its good faith estimate of built-in gain (under Section 704(c) of the Code), if any, on each of the assets held by Parkway LP.

Section 5.14 Financing.

(a) Parkway will use reasonable best efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, all things necessary, proper or advisable, to cause the Debt Financing to be consummated (including by taking enforcement action to cause the Lenders to provide the Debt Financing), or in the event any portion or all of the Debt Financing becomes unavailable (other than as a result of a material breach by Cousins of its obligations under this Agreement) and subject to the following sentence, alternative debt financing (in an amount sufficient, together with the remaining Debt Financing, if any, and any other sources available to Parkway, to provide net proceeds in an amount equal to or greater than the net proceeds contemplated to be funded on the Closing Date by the Debt Commitment Letters as of the date hereof) (any such alternate financing shall also be referred to as a Debt Financing for purposes of this Section 5.14 and any commitment letters or other documentation relating thereto shall also be referred to as Debt Commitment Letters for purposes of this Section 5.14). Without the prior written consent of Cousins (not to be unreasonably withheld, conditioned or delayed), Parkway shall not, and shall cause the Borrower not to, consent or agree to any material amendment or modification to, or any waiver of any material provision under, or any replacement of, the Debt Commitment Letters or the definitive agreements relating to the Debt Financing, or enter into any material agreement or arrangement with respect to the Debt Financing (including in respect of any alternative financing) that, in any case, taken as a whole, would be materially adverse to the interests of Cousins, other than definitive agreements relating to the Debt Financing as contemplated by (and substantially upon the express terms set forth in, with such modifications as would not, taken as a whole, be materially adverse to the interests of Cousins) the Debt Commitment Letters, as in effect on the date hereof. For the avoidance of doubt and without limiting the foregoing, any amendment, modification, or replacement of or waiver under any Debt Commitment Letter shall be deemed materially adverse to the interests of Cousins if it (i) reduces the aggregate amount of the net proceeds of the Debt Financing to be funded on the Closing Date, (ii) expands the conditions or other contingencies relating to the receipt or funding of the Debt Financing (whether by making any of such conditions or other contingencies less likely to be satisfied on a timely basis or otherwise) or imposes new or additional conditions or other contingencies relating to the receipt or funding of the Debt Financing, or (iii) materially adversely impacts the ability of Parkway or Borrower to enforce its rights relating to the funding of the Debt Financing against any of the other parties to the Debt Commitment Letters or the definitive agreements relating to the Debt Financing. At Cousins's reasonable request from time to time, Parent shall inform Cousins in reasonable detail of the status of its efforts to arrange the Debt Financing; provided that in no event will Parkway be under any obligation to disclose any information that is subject to attorney-client, attorney work product or other legal privilege (provided, however, that

Parkway shall use its reasonable best efforts, including entering into a common defense

or common interest, or other similar agreement, to allow for such disclosure to the maximum extent that does not result in a loss of any such attorney-client, attorney work product or other legal privilege).

(b) Without limiting Section 5.14(a) hereof, consistent with applicable Laws, (i) Cousins shall (and shall cause its Subsidiaries to and shall use commercially reasonable efforts to cause each of its and its Subsidiaries' respective Representatives to) provide to Parkway and its Subsidiaries such cooperation as may be reasonably requested by Parkway that is customary in connection with the arranging, obtaining and syndication of the Debt Financing, and (ii) Parkway shall (and shall cause its Subsidiaries to and shall use commercially reasonable efforts to cause each of its and its Subsidiaries' respective Representatives to) provide to Cousins and its Subsidiaries such cooperation as may be reasonably requested by Cousins that is customary in connection with the arranging, obtaining and syndication of such financing arrangements (including, without limitation, amendments, supplements, modifications, refinancings, replacements, repayments or prepayments of existing financing arrangements) as Cousins may determine necessary or advisable in connection with the completion of the Merger or the other transactions contemplated hereby or with the financing of Cousins and its Subsidiaries and joint ventures (including the Surviving Corporation and its Subsidiaries and joint ventures) at and following the Effective Time (such financing described in this clause (ii), the Cousins Financing, and together with the Debt Financing, the Financing), including, with respect to the Debt Financing (in the case of Cousins) and with respect to the Cousins Financing (in the case of Parkway): (i) participating in, and assisting with, marketing efforts relating to such Financing, including assisting in the preparation of customary confidential information memoranda, private placement memoranda, prospectuses, offering memoranda and other customary offering documents and marketing materials; (ii) assisting in the preparation of rating agency presentations and attending and participating in meetings with rating agencies, roadshows, due diligence sessions, drafting sessions and meetings with prospective lenders and debt investors, in each case, at such times as coordinated reasonably in advance thereof; (iii) delivery of documentation and other information reasonably requested by sources of such Financing with respect to (x) applicable know-your-customer and anti-money laundering rules and regulations, including the PATRIOT Act and (y) the U.S. Treasury Department's Office of Foreign Assets Control and the Foreign Corrupt Practices Act; (iv) delivery of financial information customary or reasonably necessary for the completion of the Financing, including in connection with the preparation of customary confidential information memoranda, private placement memoranda, prospectuses, offering memoranda and other customary offering or information documents to be used for such Financing (which financial information, for the avoidance of doubt, may be included in any such confidential information memoranda, private placement memoranda, prospectuses, offering memoranda and other offering or information documents used for or distributed in connection with the Financing); (v) directing their respective independent auditors to cooperate with such Financing consistent with their customary practice; (vi) assisting with the preparation of pro forma financial information and pro forma financial statements; (vii) preparing customary projections, estimates and other forward looking financial information regarding the future performance of such party; and (viii) executing and delivering such definitive financing documents, including certificates, credit agreements and other documents, as may be reasonably necessary to facilitate such Financing, in each case in form and substance reasonably satisfactory to the party executing such document. Each of Cousins and Parkway hereby consents to the use of its and its Subsidiaries' logos in connection with the Financing, provided that such logos are used solely in a manner that is not intended to or reasonably likely to harm or disparage such party or its Subsidiaries or the reputation or goodwill of such party or its Subsidiaries. Notwithstanding any other provision set forth herein or in any other agreement between Cousins and Parkway or its affiliates, the parties hereto agree that such parties may share with the sources of such Financing customary projections and other confidential information with respect to Cousins, Parkway and their Subsidiaries after giving effect to the Merger and the transactions contemplated hereby (including, without limitation, with respect to Parkway and Cousins and their Subsidiaries on a consolidated basis) that the parties have cooperated in preparing, and that Parkway, Cousins, their Subsidiaries and such sources of Financing may share information about Parkway, Cousins and their Subsidiaries (notwithstanding anything to the contrary herein or in the Confidentiality Agreement) with potential sources of the Financing in connection with any marketing efforts in connection with the Financing, provided that the recipients of such information agree to

customary confidentiality agreements.

(c) Notwithstanding the requirements of Section 5.14(b), (i) none of Cousins and its Subsidiaries (in the case of the Debt Financing) or Parkway and its Subsidiaries (in the case of the Cousins Financing) nor their respective Representatives shall be required to enter into any letter, certificate, document, agreement or instrument that will be effective prior to the Closing or that would reasonably be expected to cause any director, officer or employee of any such Person to incur any personal liability relating to the Cousins Financing (in the case of directors, officers or employees of Parkway, its Subsidiaries and their Representatives) or the Debt Financing (in the case of directors, officers or employees of Cousins, its Subsidiaries and their Representatives) and (ii) nothing in Section 5.14(b) shall require cooperation contemplated thereby to the extent it would interfere unreasonably with the business or operations of Cousins or its Subsidiaries (in the case of the Debt Financing) or Parkway or its Subsidiaries (in the case of the Cousins Financing) or require any of them to take any actions that would reasonably be expected to violate applicable Law, contract or Organizational Documents or cause any condition to Closing to fail to be satisfied or otherwise cause any material breach of this Agreement.

(d) Cousins and Parkway shall reasonably cooperate (i) to obtain customary payoff letters from the holders of any Indebtedness (or their agents or trustees) which the parties reasonably determine to be necessary or advisable in connection with any repayment or redemption of such Indebtedness in connection with the Merger and (ii) to make arrangements for such holders of Indebtedness (or their agents or trustees) to deliver to Cousins, subject to the prior receipt of the applicable payoff amounts, releases of all related Liens and terminations of all related guarantees at, and subject to the occurrence of, the Closing.

Notwithstanding the foregoing, it is expressly understood and agreed that the parties' obligation to consummate the Merger and the transactions contemplated hereby are not subject to a financing condition or contingent upon the results of either party's efforts to obtain any or all of the Financing.

Section 5.15 Asset Sales. Parkway shall, (i) subject to clause (ii) of this Section 5.15 and to the extent consistent with applicable Law, use commercially reasonable efforts to take, or cause to be taken, all actions and do promptly, or cause to be done promptly, all things necessary, proper or advisable under Law to effect each of the Asset Sales, in one transaction or a series of transactions; provided that each Asset Sale (a) shall be subject to the prior written approval of Cousins (except to the extent prohibited by applicable Law) unless such Asset Sale is conducted on the terms set forth on Section 5.15 of the Parkway Disclosure Letter and (b) may be conditioned upon the occurrence of the Closing (or upon such time when all conditions to the Closing are satisfied or waived, subject to applicable Law); and (ii) use commercially reasonable efforts to take, or cause to be taken, all actions and to do promptly, or cause to be done promptly, all things necessary, proper or advisable under Law to effect any modifications to the Asset Sales that are mutually agreed upon by Parkway and Cousins. Parkway and its Subsidiaries agree to: (x) cooperate with Cousins in developing and implementing a strategy and process for effecting the Asset Sales, including with respect to identifying and seeking any notifications, authorizations, approvals or consents required in connection therewith; (y) consult with Cousins on a regular basis and in good faith in carrying out the foregoing strategy and process; and (z) make such notifications and use commercially reasonable efforts to take or cause to be taken all actions necessary, proper or advisable to obtain such authorizations, approvals or consents, as promptly as practicable.

Section 5.16 Reorganization. Each of the parties hereto shall, (i) subject to clause (ii), take, or cause to be taken, all actions and to do promptly, or cause to be done promptly, all things reasonably necessary, proper or advisable under Law to effect the Reorganization in all material respects, including each of the transactions set forth on Exhibit B; and (ii) use reasonable best efforts to take, or cause to be taken, all actions and to do promptly, or cause to be done promptly, all things necessary, proper or advisable under Law to effect any modifications to the Reorganization mutually agreed upon by Parkway and Cousins, including in connection with the timing of the Houston Distribution relative to the Closing.

Section 5.17 Houston Distribution. stockholders after the Closing (such prospectus, and any amendments or supplements thereto, the Houston Distribution Prospectus), and Parkway shall use reasonable best efforts, with Cousins' s cooperation, to prepare and cause HoustonCo to file with the SEC a registration statement on Form 10 (of which the Houston Distribution Prospectus shall be a part) with respect to the Houston Distribution (such Form 10, and any amendments or supplements thereto, the Form 10). Parkway shall use reasonable best efforts, with Cousins' s cooperation, to have the Houston Distribution Prospectus cleared by the SEC and the Form 10 declared effective by the SEC and to keep the Form 10 effective as long as is necessary to consummate the Houston Distribution and the transactions contemplated thereby. Parkway shall, as promptly as practicable after receipt thereof, provide Cousins with copies of any written comments and advise Cousins of any oral comments with respect to the Houston Distribution Prospectus or the Form 10 received from the SEC. Parkway shall cooperate and provide Cousins with a reasonable opportunity to review and comment on any filing, amendment or supplement to the Houston Distribution Prospectus and the Form 10 prior to filing such with the SEC, and Parkway will provide Cousins with a copy of all such filings made with the SEC. Each party shall use its reasonable best efforts to take any action required to be taken under any applicable state securities laws in connection with Houston Distribution, and each party shall furnish all information concerning it and the holders of its capital stock or shares of common stock as may be reasonably requested in connection with any such action. Parkway will advise Cousins, promptly after it receives notice thereof, of the time when the Form 10 has become effective, the issuance of any stop order, the suspension of the qualification of the securities of HoustonCo issuable in connection with the Houston Distribution for offering or sale in any jurisdiction, or any request by the SEC for amendment of the Houston Distribution Prospectus or the Form 10. If, at any time prior to the Effective Time, any information relating to either of the parties, or their respective affiliates, officers or directors, should be discovered by either party, and such information should be set forth in an amendment or supplement to any of the Houston Distribution Prospectus or the Form 10 so that such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party that discovers such information shall promptly notify the other party hereto and, to the extent required by law, rules or regulations, Parkway, with Cousins' s cooperation shall cause HoustonCo to file an appropriate amendment or supplement describing such information shall be promptly filed with the SEC.

(b) Parkway shall, and shall cause its Subsidiaries to, use reasonable best efforts to cooperate with Cousins in order to effect the Houston Distribution on the business day following the closing of the Merger in accordance with the timing set forth in Exhibit B hereto.

(c) Each of Parkway and Cousins will promptly advise the other upon receiving any communication from any Governmental Entity and any material communication given or received in connection with any proceeding by a private party, in each case in connection with the Houston Distribution.

(d) The parties expressly acknowledge that, notwithstanding any other provision hereof prior to the Effective Time, Parkway and its Subsidiaries shall not carry out any particular action in respect of the Houston Distribution other than in coordination with and as approved by Cousins.

(e) As promptly as reasonably practicable following the date hereof, Parkway and Cousins shall cooperate in good faith and use their reasonable best efforts to agree on, and cause to be approved and executed, all agreements necessary to effect the Houston Distribution, including a separation and distribution agreement (the Distribution Agreement) that shall contain, among other provisions, the terms set forth on Exhibit C. Parkway and Cousins shall agree and cooperate in good faith on the implementation of customary adjustments to preserve the value of outstanding equity awards in connection with the consummation of the Houston Distribution.

Section 7.1 Termination. This Agreement may be terminated at any time prior to the Effective Time, by action taken or authorized by the Board of Directors of the terminating party or parties, whether before or after approval of the Merger by the stockholders of Parkway or Cousins:

(a) by mutual consent of Parkway and Cousins in a written instrument;

(b) by either Parkway or Cousins, upon written notice to the other party, if any Governmental Entity of competent jurisdiction shall have issued an order, decree or ruling or taken any other action permanently enjoining or otherwise prohibiting the Merger, and such order, decree, ruling or other action has become final and nonappealable; provided, however, that the right to terminate this Agreement under this Section 7.1(b) shall not be available to any party whose failure to comply with any provision of this Agreement has been the cause of, or resulted in, such action;

(c) by either Parkway or Cousins, upon written notice to the other party, if the Merger shall not have been consummated on or before December 31, 2016; provided, however, that if the Merger has not been consummated by such date solely because the conditions set forth in Section 6.1(e) have not been met or satisfied by such date, either Parkway or Cousins, upon written notice to the other party, may extend such date until March 31, 2017 (such date, as may be so extended, the Outside Date); provided, further, that the right to terminate this Agreement or extend the Outside Date under this Section 7.1(c) shall not be available to any party whose failure to comply with any provision of this Agreement has been the primary cause of, or resulted in, the failure of the Merger to occur on or before such date;

payment required by Section 7.2(b)(i) is made in full to Cousins substantially concurrently with the occurrence of such termination and the entry into such Acquisition Agreement with respect to such Superior Proposal, and in the event that such Acquisition Agreement is not substantially concurrently entered into and such payment is not concurrently made, such termination shall be null and void; and

(ii) upon (x) a Change in Cousins Recommendation, or (y) a material breach by Cousins of its obligations pursuant to Section 5.4 (other than any immaterial or inadvertent violations thereof not intended to result in an Acquisition Proposal with respect to Cousins), which material breach, in each case in this clause (ii), if curable by Cousins, shall not have been fully cured by Cousins within five (5) days following Cousins' receipt of written notice of such material breach (provided that any such material breach pursuant to this clause (y) that results in an Acquisition Proposal with respect to Cousins that is publicly disclosed shall not be curable);

(e) by Cousins, upon written notice to Parkway;

(i) at any time prior to the receipt of the Cousins Required Vote in order to enter into an Acquisition Agreement with respect to a Superior Proposal in accordance with the express terms and conditions of Section 5.4; provided, however, that this Agreement may not be so terminated unless the payment required by Section 7.2(c)(i) is made in full to Parkway substantially concurrently with the occurrence of such termination and the entry into such Acquisition Agreement with respect to such Superior Proposal, and in the event that such Acquisition Agreement is not substantially concurrently entered into and such payment is not concurrently made, such termination shall be null and void; and

(ii) upon (x) a Change in Parkway Recommendation, or (y) a material breach by Parkway of its obligations pursuant to Section 5.4 (other than any immaterial or inadvertent violations thereof not intended to result in an Acquisition Proposal with respect to Parkway), which material breach, in each case in this clause (ii), if curable by Parkway, shall not have been fully cured by Parkway within five (5) days following Parkway's receipt of written notice of such material breach (provided that any such material breach pursuant to this clause (y) that results in an Acquisition Proposal with respect to Parkway that is publicly disclosed shall not be curable).

(f) by Parkway, upon written notice to Cousins, if either Cousins or Merger Sub shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (other than with respect to a material breach of Section 5.4, as to which Section 7.1(d) will apply, and other than with respect to Section 5.17), or if any representation or warranty of Cousins shall have become untrue, which breach or failure to perform or to be true, either individually or in the aggregate, if occurring or continuing on the Closing Date, (A) would result in the failure to be satisfied of the condition set forth in Section 6.2(a) or (b) and (B) cannot be or has not been cured by the earlier of (1) the Outside Date and (2) sixty (60) days after the giving of written notice to Cousins of such breach; provided that Parkway shall not have the right to terminate this Agreement pursuant to this Section 7.1(f) if Parkway or Parkway LP is then in material breach of any of its covenants or agreements set forth in this Agreement;

(g) by Cousins, upon written notice to Parkway, if either Parkway or Parkway LP shall have breached or failed to perform any of its representations, warranties, covenants or agreements set forth in this Agreement (other than with respect to a material breach of Section 5.4, as to which Section 7.1(e) will apply), or if any representation or warranty of Parkway shall have become untrue, which breach or failure to perform or to be true, either individually or in the aggregate, if occurring or continuing on the Closing Date, (A) would result in the failure to be satisfied of the condition set forth in Section 6.3(a) or (b) and (B) cannot be or has not been cured by the earlier of (1) the Outside Date and (2) sixty (60) days after the giving of written notice to Parkway of such breach; provided that Cousins shall not have the right to terminate this Agreement pursuant to this Section 7.1(g) if Cousins or Merger Sub is then in

(h) by either Parkway or Cousins, if the Parkway Required Stockholders Vote shall not have been obtained upon a vote taken thereon at the duly convened Parkway Stockholders Meeting or at any adjournment or postponement thereof, in each case at which a vote on obtaining the Parkway Required Stockholders Vote was taken; provided, however, that the right to terminate this Agreement under this Section 7.1(h) shall not be available to Parkway where a failure to obtain the Parkway Required Stockholders Vote was primarily caused by any action or failure to act of a Parkway or its Subsidiaries that constitutes a material breach of its obligations under Section 5.1 or Section 5.4; or

(i) by either Parkway or Cousins, if the Cousins Required Vote shall not have been obtained upon a vote taken thereon at the duly convened Cousins Stockholders Meeting or at any adjournment or postponement thereof, in each case at which a vote on obtaining the Cousins Required Vote was taken; provided, however, that the right to terminate this Agreement under this Section 7.1(i) shall not be available to Cousins where a failure to obtain the Cousins Required Vote was primarily caused by any action or failure to act of a Cousins or its Subsidiaries that constitutes a material breach of its obligations under Section 5.1 or Section 5.4.

Section 7.2 Effect of Termination. (a) In the event of termination of this Agreement by either Parkway or Cousins as provided in Section 7.1, this Agreement shall forthwith become void and there shall be no liability or obligation on the part of Parkway or Cousins or their respective officers or directors, except with respect to Section 5.2(c), Section 5.7, this Section 7.2 and Article VIII and except for the Confidentiality Agreement, each of which shall survive such termination and except that no party shall be relieved or released from any liabilities or damages arising out of its fraud or willful and material breach of this Agreement.

(b) Parkway Termination Fee.

(i) If Parkway shall terminate this Agreement pursuant to Section 7.1(d)(i), then Parkway shall pay to Cousins the Parkway Termination Fee as a condition to the effectiveness of such termination.

(ii) If Cousins shall terminate this Agreement pursuant to Section 7.1(e)(ii), then Parkway shall pay to Cousins the Parkway Termination Fee within three (3) Business Days after termination of this Agreement.

(iii) In the event that (A) an Acquisition Proposal shall have been communicated to or otherwise made known to the stockholders, senior management or Board of Directors of Parkway and publicly announced, (B) thereafter this Agreement is terminated (1) by Cousins or Parkway pursuant to Section 7.1(c) (if the Parkway Required Stockholders Vote has not theretofore been obtained) or Section 7.1(h) or (2) by Cousins pursuant to Section 7.1(g) and (C) prior to the date that is twelve (12) months after the date of such termination, Parkway consummates a transaction of a type set forth in the definition of Acquisition Proposal or enters into an Acquisition Agreement, then Parkway shall, on the date such Acquisition Proposal is consummated, pay to Cousins a onetime fee equal to the Parkway Termination Fee less the amount of any Cousins Expense Reimbursement previously paid to Cousins (if any) pursuant to Section 7.2(b)(iii) (provided that, for purposes of this clause (C), each reference to 20% in the definitions of Acquisition Proposal and Acquisition Agreement shall be deemed to be a reference to 65%).

(iv) In the event that Parkway or Cousins terminates this Agreement pursuant to Section 7.1(h) under circumstances in which the Parkway Termination Fee is not then payable, then Parkway shall pay to Cousins a onetime fee equal to the Cousins Expense Reimbursement; provided that the payment by Parkway of the Cousins Expense Reimbursement pursuant to this Section 7.2(b)(iii), shall not relieve Parkway of any subsequent obligation to pay the Parkway Termination Fee pursuant to Section 7.2(b)(ii).

(iii) In the event that (A) an Acquisition Proposal shall have been communicated to or otherwise made known to the stockholders, senior management or Board of Directors of Cousins and publicly announced, (B) thereafter this Agreement is terminated (1) by Cousins or Parkway pursuant to Section 7.1(c) (if the Cousins Required Vote has not theretofore been obtained) or Section 7.1(i) or (2) by Parkway pursuant to Section 7.1(f) and (C) prior to the date that is twelve (12) months after the date of such termination, Cousins consummates a transaction of a type set forth in the definition of Acquisition Proposal or enters into an Acquisition Agreement, then Cousins shall, on the date such Acquisition Proposal is consummated, pay to Parkway a onetime fee equal to the Cousins Termination Fee less the amount of any Parkway Expense Reimbursement previously paid to Parkway (if any) pursuant to Section 7.2(c)(iii) (provided that, for purposes of this clause (C), each reference to 20% in the definitions of Acquisition Proposal and Acquisition Agreement shall be deemed to be a reference to 65%).

(iv) In the event that Parkway or Cousins terminates this Agreement pursuant to Section 7.1(i) under circumstances in which the Cousins Termination Fee is not then payable, then Cousins shall pay to Parkway a onetime fee equal to the Parkway Expense Reimbursement; provided that the payment by Cousins of the Parkway Expense Reimbursement pursuant to this Section 7.2(c)(iii), shall not relieve Cousins of any subsequent obligation to pay the Cousins Termination Fee pursuant to Section 7.2(c)(ii).

(d) In no event shall this Section 7.2 require (i) Parkway to pay the Parkway Termination Fee on more than one occasion or (ii) Cousins to pay the Cousins Termination Fee on more than one occasion.

(e) Each of the parties hereto acknowledges that the agreements contained in this Section 7.2 are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, the parties would not enter into this Agreement. Accordingly, if either Parkway or Cousins fails to pay all amounts due to the other party under this Section 7.2 on the dates specified, then either Parkway or Cousins, as applicable, shall pay all costs and expenses (including legal fees and expenses) incurred by such other party in connection with any action or proceeding (including the filing of any lawsuit) taken by it to collect such unpaid amounts, together with interest on such unpaid amounts at the prime lending rate prevailing at such time, as published in *The Wall Street Journal*, from the date such amounts were required to be paid until the date actually received by such other party. Each of the parties hereto acknowledges that each of the Cousins Expense Reimbursement, Parkway Expense Reimbursement, Cousins Termination Fee and Parkway Termination Fee is not a penalty, but rather are liquidated damages in a reasonable amount that will compensate a party in the circumstances in which such amounts are due and payable, which amounts would otherwise be impossible to calculate with precision

(f) The Parkway Termination Fee shall be an amount equal to the lesser of (i) the Parkway Base Amount (as defined below) and (ii) the maximum amount, if any, that can be paid to Cousins without causing it to fail to meet the requirements of Sections 856(c)(2) and (3) of the Code (the REIT Requirements) for such year determined as if (a) the payment of such amount did not constitute Qualifying Income, and (b) Cousins has 0.5% of its gross income from unknown sources during such year which was not Qualifying Income (in addition to any known or anticipated income of Cousins which was not Qualifying Income), in each case as determined by independent accountants to Cousins. Notwithstanding the foregoing, in the event Cousins receives Tax Guidance providing that Cousins's receipt of the Parkway Base Amount would either constitute Qualifying Income or would be excluded from gross income within the meaning of the REIT Requirements, the Parkway Termination Fee shall be an amount equal to the Parkway Base Amount and Parkway shall, upon receiving notice that Cousins has received the Tax Guidance, pay to Cousins the unpaid Parkway Base Amount within five (5) Business Days. In the event that Cousins is not able to receive the full Parkway Base Amount due to the above limitations, Parkway shall place the unpaid amount in escrow by wire transfer within three (3) days of termination and shall not release any portion thereof to Cousins unless and until Cousins receives either one or a combination of the following once or more often: (i) a letter from Cousins's independent accountants indicating the maximum amount that can be paid at that time to Cousins without causing Cousins to fail to

meet the REIT Requirements (calculated as described above) or (ii) the Tax Guidance, in either of which events Parkway shall pay to Cousins the lesser of the unpaid Parkway Base Amount or the maximum amount stated in the letter referred to in (i) above within five (5) Business Days after Parkway has been notified thereof. The obligation of

Parkway to pay any unpaid portion of the Parkway Termination Fee shall terminate on the December 31 following the date which is five (5) years from the date of this Agreement. Amounts remaining in escrow after the obligation of Parkway to pay the Parkway Termination Fee terminates shall be released to Parkway. Qualifying Income shall mean income described in Sections 856(c)(2)(A) (H) and 856(c)(3)(A) (I) of the Code. Tax Guidance shall mean a reasoned opinion from outside counsel or a ruling from the IRS. The Parkway Base Amount shall mean \$65,000,000.

The Cousins Termination Fee shall be an amount equal to the lesser of (i) the Cousins Base Amount (as defined below) and (ii) the maximum amount, if any, that can be paid to Parkway without causing it to fail to meet the REIT Requirements for such year determined as if (a) the payment of such amount did not constitute Qualifying Income, and (b) Parkway has 0.5% of its gross income from unknown sources during such year which was not Qualifying Income (in addition to any known or anticipated income of Parkway which was not Qualifying Income), in each case as determined by independent accountants to Parkway. Notwithstanding the foregoing, in the event Parkway receives Tax Guidance providing that Parkway's receipt of the Cousins Base Amount would either constitute Qualifying Income or would be excluded from gross income within the meaning of the REIT Requirements, the Cousins Termination Fee shall be an amount equal to the Cousins Base Amount and Cousins shall, upon receiving notice that Parkway has received the Tax Guidance, pay to Parkway the unpaid Cousins Base Amount within five Business Days. In the event that Parkway is not able to receive the full Cousins Base Amount due to the above limitations, Cousins shall place the unpaid amount in escrow by wire transfer within three days of termination and shall not release any portion thereof to Parkway unless and until Parkway receives either one or a combination of the following once or more often: (i) a letter from Parkway's independent accountants indicating the maximum amount that can be paid at that time to Parkway without causing Parkway to fail to meet the REIT Requirements (calculated as described above) or (ii) the Tax Guidance, in either of which events Cousins shall pay to Parkway the lesser of the unpaid Cousins Base Amount or the maximum amount stated in the letter referred to in (i) above within five (5) Business Days after Cousins has been notified thereof. The obligation of Cousins to pay any unpaid portion of the Cousins Termination Fee shall terminate on the December 31 following the date which is five (5) years from the date of this Agreement. Amounts remaining in escrow after the obligation of Cousins to pay the Cousins Termination Fee terminates shall be released to Cousins. The Cousins Base Amount shall mean \$65,000,000.

(g) The Cousins Expense Reimbursement shall be an amount equal to the lesser of (i) the Cousins Expense Reimbursement Base Amount (as defined below) and (ii) the maximum amount, if any, that can be paid to Cousins without causing it to fail to meet the REIT Requirements for such year determined as if (a) the payment of such amount did not constitute Qualifying Income, and (b) Cousins has 0.5% of its gross income from unknown sources during such year which was not Qualifying Income (in addition to any known or anticipated income of Cousins which was not Qualifying Income), in each case as determined by independent accountants to Cousins. Notwithstanding the foregoing, in the event Cousins receives Tax Guidance providing that Cousins's receipt of the Cousins Expense Reimbursement Base Amount would either constitute Qualifying Income or would be excluded from gross income within the meaning of the REIT Requirements, the Cousins Expense Reimbursement shall be an amount equal to the Cousins Expense Reimbursement Base Amount and Parkway shall, upon receiving notice that Cousins has received the Tax Guidance, pay to Cousins the unpaid Cousins Expense Reimbursement Base Amount within five (5) Business Days. In the event that Cousins is not able to receive the full Cousins Expense Reimbursement Base Amount due to the above limitations, Parkway shall place the unpaid amount in escrow by wire transfer within three (3) days of termination and shall not release any portion thereof to Cousins unless and until Cousins receives either one or a combination of the following once or more often: (i) a letter from Cousins's independent accountants indicating the maximum amount that can be paid at that time to Cousins without causing Cousins to fail to meet the REIT Requirements (calculated as described above) or (ii) the Tax Guidance, in either of which events Parkway shall pay to Cousins the lesser of the unpaid Cousins Expense Reimbursement Base Amount or the maximum amount stated in the letter referred to in (i) above within five (5) Business Days after Parkway has been notified thereof. escrow after the obligation of Parkway to pay the Cousins Expense Reimbursement terminates shall be released to Parkway. The Cousins Expense Reimbursement Base Amount shall mean \$20,000,000.

The Parkway Expense Reimbursement shall be an amount equal to the lesser of (i) the Parkway Expense Reimbursement Base Amount (as defined below) and (ii) the maximum amount, if any, that can be paid to Parkway without causing it to fail to meet the REIT Requirements for such year determined as if (a) the payment of such amount did not constitute Qualifying Income, and (b) Parkway has 0.5% of its gross income of income from unknown sources during such year which was not Qualifying Income (in addition to any known or anticipated income of Parkway which was not Qualifying Income), in each case as determined by independent accountants to Parkway. Notwithstanding the foregoing, in the event Parkway receives Tax Guidance providing that Parkway's receipt of the Parkway Expense Reimbursement Base Amount would either constitute Qualifying Income or would be excluded from gross income within the meaning of the REIT Requirements, the Parkway Expense Reimbursement shall be an amount equal to the Parkway Expense Reimbursement Base Amount and Cousins shall, upon receiving notice that Parkway has received the Tax Guidance, pay to Parkway the unpaid Parkway Expense Reimbursement Base Amount within five (5) Business Days. In the event that Parkway is not able to receive the full Parkway Expense Reimbursement Base Amount due to the above limitations, Cousins shall place the unpaid amount in escrow by wire transfer within three (3) days of termination and shall not release any portion thereof to Parkway unless and until Parkway receives either one or a combination of the following once or more often: (i) a letter from Parkway's independent accountants indicating the maximum amount that can be paid at that time to Parkway without causing Parkway to fail to meet the REIT Requirements (calculated as described above) or (ii) the Tax Guidance, in either of which events Cousins shall pay to Parkway the lesser of the unpaid Cousins Base Amount or the maximum amount stated in the letter referred to in (i) above within five (5) Business Days after Cousins has been notified thereof. The obligation of Cousins to pay any unpaid portion of the Parkway Expense Reimbursement shall terminate on the December 31 following the date which is five (5) years from the date of this Agreement. Amounts remaining in escrow after the obligation of Cousins to pay the Parkway Expense Reimbursement terminates shall be released to Cousins. The Parkway Expense Reimbursement Base Amount shall mean \$20,000,000.

Section 7.3 Amendment. This Agreement may be amended by the parties hereto, by action taken or authorized by the Board of Directors of Parkway or the Board of Directors of Cousins, as applicable, at any time before or after approval of the matters presented in connection with the Merger by the stockholders of Parkway or Cousins, but, after any such approval, no amendment shall be made which by law requires further approval by such stockholders without such further approval by such stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the parties hereto. Notwithstanding anything in this Agreement to the contrary, none of the last two sentences of Section 8.5, Section 8.6, the second paragraph of Section 8.9, Section 8.11 or the last sentence of this Section 7.3 or the definitions of Cousins, Debt Financing or Financing Sources as and to the extent used in such provisions shall be amended, supplemented, waived or otherwise modified in a manner that is materially adverse to any Financing Source without the prior written consent of such Financing Source.

Section 7.4 Extension; Waiver. At any time prior to the Effective Time, the parties hereto, by action taken or authorized by the Board of Directors of Parkway or the Board of Directors of Cousins, as applicable, may, to the extent legally allowed, (a) extend the time for the performance of any of the obligations or other acts of the other party hereto, (b) waive any inaccuracies in the representations and warranties contained herein or in any document delivered pursuant hereto, and (c) waive compliance with any of the agreements or conditions contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in a written instrument signed on behalf of such party. The failure of a party to assert any of its rights under this Agreement or otherwise shall not constitute a waiver of those rights. No single or partial exercise of any right, remedy, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. Any waiver shall be effective only in the specific instance and for the specific purpose for which given and shall not

constitute a waiver to any subsequent or other exercise of any right, remedy, power or privilege hereunder.

Section 8.3 Interpretation. When a reference is made in this Agreement to Sections, Exhibits or Schedules, such reference shall be to a Section of or Exhibit or Schedule to this Agreement unless otherwise indicated. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The phrase made available in this Agreement shall mean that the information referred to has been made available if requested by the party to whom such information is to be made available. The phrases herein, hereof, hereunder and words of similar import shall be deemed to refer to this Agreement as a whole, including the Exhibits and Schedules hereto, and not to any particular provision of this Agreement. Any pronoun shall include the corresponding masculine, feminine and neuter forms. In the event that an ambiguity or a question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement.

Section 8.4 Counterparts. This Agreement may be executed in counterparts, each of which shall be considered one and the same agreement and shall become effective when counterparts have been signed by each of the parties and delivered to each other party (including by means of electronic delivery), it being understood that the parties need not sign the same counterpart. Signatures to this Agreement transmitted by facsimile transmission, by electronic mail in portable document format (.pdf) form, or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, will have the same effect as physical delivery of the paper document bearing the original signature.

Section 8.5 Entire Agreement; No Third-Party Beneficiaries. This Agreement (including the documents and the instruments referred to herein) (a) constitutes the entire agreement and supersedes all prior agreements and understandings, both written and oral, between the parties with respect to the subject matter hereof, other than the Confidentiality Agreement, which shall survive the execution and delivery of this Agreement, and (b) except as provided in Section 5.9(e) or as otherwise provided herein, is not intended to confer upon any person other than the parties hereto any rights or remedies hereunder. Notwithstanding anything in this Agreement to the contrary, in no event shall any Financing Source have any liability to Cousins or any Subsidiary of Cousins (other than following the Closing), relating to or arising out of this Agreement, the Debt Financing or any Debt Commitment Letter, whether at law or equity, in contract, in tort or otherwise and in no event shall Cousins or any of Cousins's Subsidiaries (other than following the Closing) bring, or support the bringing of, any claim, whether at law or in equity, whether in contract or in tort or otherwise, against any Financing Source in any way relating to this Agreement, the Debt Financing or any Debt Commitment Letter, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof. The Financing Sources are third party beneficiaries of the last sentence of Section 7.3, Section 8.6, the second paragraph of Section 8.9, Section 8.11 and the last two sentences of this Section 8.5.

Section 8.6 Governing Law. This Agreement shall be governed and construed in accordance with the laws of the State of Maryland (without giving effect to choice of law principles thereof).

Section 8.7 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability and, unless the effect of such invalidity or unenforceability would prevent the parties from realizing the major portion of the economic benefits of the Merger that they currently anticipate obtaining therefrom, shall not render invalid or unenforceable the remaining terms and provisions of this Agreement or affect the validity or enforceability of any of the terms or provisions of this Agreement in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, the provision shall be interpreted to be only so broad as is enforceable.

Section 8.8 Assignment. Neither this Agreement nor any of the rights, interests or obligations of the parties hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties, and any attempt to make any such assignment without such consent

shall be null and void. Subject to the preceding sentence, this Agreement will be binding upon, inure to the benefit of and be enforceable by the parties and their respective successors and permitted assigns.

Section 8.9 Submission to Jurisdiction. Each party hereto irrevocably submits to the jurisdiction of the courts of the State of Maryland and the federal courts of the United States of America located in the State of Maryland, for the purposes of any suit, action or other proceeding arising out of this Agreement or any transaction contemplated hereby. Each party hereto agrees to commence any action, suit or proceeding relating hereto in a Maryland state court or, if such action, suit or proceeding may not be brought in such court for reasons of subject matter jurisdiction, in a federal court of the United States located in the State of Maryland. Each party hereto irrevocably and unconditionally waives any objection to the laying of venue of any action, suit or proceeding arising out of this Agreement or the transactions contemplated hereby in the courts of the State of Maryland and the federal courts of the United States of America located in the State of Maryland, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such action, suit or proceeding brought in any such court has been brought in an inconvenient forum. Each party hereto further irrevocably consents to the service of process out of any of the aforementioned courts in any such suit, action or other proceeding by the mailing of copies thereof by registered mail to such party at its address set forth in this Agreement, such service of process to be effective upon acknowledgment of receipt of such registered mail; provided that nothing in this Section shall affect the right of any party to serve legal process in any other manner permitted by Law. The consent to jurisdiction set forth in this Section shall not constitute a general consent to service of process in the State of Maryland and shall have no effect for any purpose except as provided in this Section. The parties hereto agree that a final judgment in any such suit, action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

Notwithstanding anything to the contrary in this Agreement to the contrary, each of the parties hereto, (i) agrees that neither it nor its Subsidiaries will bring, or support the bringing of, any claim, whether at law or in equity, whether in contract or in tort or otherwise, against any Financing Source in any way relating to this Agreement, the Debt Financing or the Debt Commitment Letter, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction vested in the federal courts, the United States District Court for the Southern District of New York (and appellate courts thereof), (ii) submits for itself and its property with respect to any such action to the exclusive jurisdiction of such courts, (iii) agrees that service of process, summons, notice or document by registered mail addressed to it at its address provided in Section 8.2 shall be effective service of process against it for any such action brought in any such court, (iv) waives and hereby irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of, and the defense of an inconvenient forum to the maintenance of, any such action in any such court and (v) agrees that a final judgment in any such action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Without limiting the foregoing, each of the parties hereto agrees that it will not bring or support any action, cause of action, claim, cross-claim or third-party claim of any kind or description, whether in law or in equity, whether in contract or in tort or otherwise, against the Financing Sources in any way relating to this Agreement, the Debt Financing or any Debt Commitment Letter, including any dispute arising out of or relating in any way to the Debt Financing or the performance thereof, in any forum other than the Supreme Court of the State of New York, County of New York, or, if under applicable law exclusive jurisdiction vested in the federal courts, the United States District Court for the Southern District of New York (and, in each case, appellate courts thereof).

Section 8.10 Enforcement. The parties agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms on a timely basis or were otherwise breached. It is accordingly agreed that the parties shall be entitled to an injunction or other equitable relief

to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in any court identified in the Section above, this being in addition to any other remedy to which they are entitled at law or in equity.

EXHIBIT B

REORGANIZATION STEPS PLAN

Capitalized terms used in this Exhibit B and not otherwise defined herein shall have the meanings ascribed to them in the Agreement and Plan of Merger Agreement of which this Exhibit B is a part.

The transaction steps listed hereunder shall, unless otherwise indicated, occur in accordance with the order listed herein (e.g., the transactions described in Section 1 shall be completed before the transactions described in Section 2 and the transactions described in each subsection of a Section shall occur in the order listed, so that Section 3(a) shall be completed before the transactions described in Section 3(b)).

By mutual agreement, the parties may modify the steps set forth in this Exhibit B to facilitate the contemplated financing and repayment of indebtedness and to achieve the parties objectives in the most efficient manner.

1. Preliminary Matters

- (a) Prior to the filing with the SEC of a registration statement on Form 10 and the related Houston Distribution Prospectus relating to the Distribution of shares of common stock of HoustonCo, Parkway shall organize a new Maryland corporation that will be HoustonCo.
 - (i) HoustonCo's charter will provide for three classes of stock: voting common stock, non-voting preferred stock, and limited voting stock (the HoustonCo Limited Voting Stock). The terms of the HoustonCo Limited Voting Stock will be substantially identical to the terms of the Cousins Limited Voting Preferred Stock set forth in Exhibit E to the Merger Agreement. Upon formation, HoustonCo will issue to Parkway, for nominal consideration, 1,000 shares of voting common stock. The non-voting preferred stock will have a liquidation preference of \$5 million, and will be entitled to dividends at a market rate, to be set at the time of the transactions (the HoustonCo Non-Voting Preferred Stock).
 - (ii) At all times prior to the distribution of cash contemplated in Paragraph 4, HoustonCo is intended to be a qualified REIT subsidiary of Parkway (and, following the Effective Time, Cousins) within the meaning of Section 856(i)(2) of the Internal Revenue Code of 1986, as amended. Immediately prior to the distribution of cash contemplated in Paragraph 4, Cousins will cause the HoustonCo Non-Voting Preferred Stock to be issued to Cousins LP, in exchange for a capital contribution of \$5 million in cash, so as to cause HoustonCo to be regarded as a corporation for federal income tax purposes that is not a qualified REIT subsidiary.
- (b) Prior to the Effective Time, Parkway and Parkway LP shall organize two new Delaware limited partnerships, for each of which Parkway will be the initial general partner and Parkway LP will be the

initial limited partner.

- (i) One limited partnership is referred to in this Exhibit B as Cousins LP and will become the operating partnership of Cousins following the completion of the Reorganization.
 - (ii) The other limited partnership is referred to as Houston Sub LP, which will be a direct and indirect subsidiary of HoustonCo following the completion of the Reorganization. Parkway GP will be the general partner of Houston Sub LP, with a nominal economic interest as general partner.
- (c) Promptly following the later to occur of (i) the approval of the Cousins Required Vote and Parkway Required Stockholders Vote by the shareholders of Cousins and Parkway at the Cousins Stockholders Meeting and the Parkway Stockholders Meeting, respectively, and (ii) the completion of the SEC's review of the Houston Distribution Prospectus, and confirmation by each

Parkway GP will distribute the cash it receives to HoustonCo, which is its sole stockholder. Parkway LP will distribute its share of the \$200 million in loan proceeds previously received from Houston Sub LP in one of the following manners:
 - (i) a ratable distribution to each of its partners, if each of its partners agrees to cause its share of the distributed cash to be contributed to Cousins LP in exchange for limited partner interests in Cousins LP (see Step 5(b) below); or

In allocating the units in Cousins LP, the goal will be to have (i) the total number of Cousins LP units to be issued to Cousins and Merger Sub as the general partner of Cousins LP equal (ii) the total number of shares of Cousins voting common stock to be outstanding immediately following the Distribution.

SCHEDULE 1

EQUITY CAPITALIZATION STEPS PLAN

This Schedule 1 sets out the methodology for determining the number of shares of common stock, amount of preferred stock, and limited partnership units to be issued by Cousins, Parkway LP, Cousins LP, Houston Sub LP, and HoustonCo in the various steps of the Reorganization Steps Plan to which this Schedule 1 is attached. The information under Capitalization Prior to Effective Time will be updated immediately prior to the Effective Time to reflect any changes from the date of the Merger Agreement and to reflect the Estimated Cousins Share Value for Cash Consideration. The methodology will not be revised without the mutual consent of Cousins and Parkway.

Accounts**

amount cannot be paid over, hold in trust) any amounts received rightfully owed to the other party, subject to regulatory compliance.

Novation

The parties will use commercially reasonable efforts to obtain any consent or amendment required to novate or assign all liabilities to the appropriate party based on the separation of liabilities described above.

Each party will use commercially reasonable efforts to have the other party removed as the guarantor or obligor (and to remove any security interest over such other party's assets serving as collateral) with respect to any obligations or liabilities of such first party, including, to the extent required to obtain the applicable releases, by executing replacement guarantees. To the extent such release or removal cannot be obtained, the party benefiting from the guarantee or obligation will indemnify and hold harmless the other from any liability arising from such guarantee or obligation, and will not renew or extend the term of, increase any obligations under, or transfer, the applicable obligation or liability.

At closing, HoustonCo will borrow \$350 million under a new term loan credit facility.

HoustonCo will then distribute \$200 million to its partners who in turn will, directly or indirectly, cause the funds to be contributed to Cousins LP and retain \$150 million of unrestricted cash.

Employee Matters

The parties will enter into an Employee Matters Agreement that will address the following topics, among other customary topics, in a manner substantially similar to the provisions in Section 5.6 of the Merger Agreement:

Allocation of Assets and Liabilities Cousins generally will retain assets and liabilities related to benefit plans and employees who are not transferring to HoustonCo. HoustonCo generally will assume assets and liabilities related to benefit plans and employees who are transferring to HoustonCo. Notwithstanding the foregoing, liability for claims incurred under a health and welfare benefit plan prior to the distribution shall remain the liability of the party who sponsors such benefit plan following the distribution. In addition, Cousins shall, with respect to employees who do not transfer to HoustonCo, pay any severance obligations owed pursuant to the terms of the existing employment agreements, change in control agreements and the Parkway Separation Pay Plan.

 - i For legacy Parkway employees who are transferring to HoustonCo, the Parkway RSU Awards that converted into Cousins RSU Awards under the Merger Agreement shall be converted into, or exchanged for, restricted stock units covering the common stock of HoustonCo, as adjusted for the Houston Distribution, under terms and conditions substantially similar to the terms applicable to the Parkway RSU Awards as of immediately prior to the Effective Time.
 - i For legacy Parkway employees who do not transfer to HoustonCo but will not be offered a long-term position with Cousins, the Parkway RSU Awards that converted into Cousins RSU Awards under the Merger Agreement shall be divided on a proportional basis into (i) fully vested Parkway RSU Awards and (ii) fully vested restricted stock units covering the common stock of HoustonCo, in each case as adjusted for the Houston Distribution.

Ø Refunds, tax attributes, deductions

Ø Conduct of tax proceedings

Such topics may alternatively be addressed in the Distribution Agreement.

The parties will agree to report the transaction consistently on their tax returns.

HoustonCo shall retain the rights to the Parkway name and all related intellectual property, including internet domain names and the [PKY] ticker symbol (the Houston IP).

Transition Services Agreement

Each party will enter into a Transition Services Agreement pursuant to which it will cooperate with regard to various post-Distribution Date matters (including property level audits and financial reporting) and provide certain continuing administrative services with respect to the assets previously owned by it (or its predecessor) prior to closing.

Insurance

Cousins and Parkway will work in good faith to consider the appropriateness (from an economic cost and liability standpoint) of Cousins, Parkway and HoustonCo continuing coverage on properties owned by Cousins and HoustonCo after the Houston Distribution under their existing property (casualty) insurance coverage through 12/31/16, but in no event will Cousins or HoustonCo be required to extend such coverage on the Houston assets and non-Houston assets, respectively, past 12/31/16; provided that allocation and reimbursement of premiums will be required in connection with any such continuation. Following the Houston Distribution, Cousins and HoustonCo would each be solely responsible for any uninsured loss (including deductible) on property it owns after the Houston Distribution. At the Effective Time of the Merger, Parkway's existing property insurance coverage shall be transferred to HoustonCo and shall remain in place (for such properties which continue to be owned by Cousins) through and until 4/1/17, which is the expiration of the current term thereunder.

Valuation Date means the date of receipt by the General Partner of a Notice of Redemption or, if such date is not a Business Day, the first Business Day thereafter.

Value means, with respect to one Share of a class of outstanding Shares of the General Partner Entity that are Publicly Traded, the average of the daily market price for the ten consecutive trading days immediately preceding the date with respect to which value must be determined. The market price for each such trading day shall be the closing price, regular way, on such day, or if no such sale takes place on such day, the average of the closing bid and asked prices on such day. If the outstanding Shares of the General Partner Entity are Publicly Traded and the Shares Amount includes, in addition to the Shares, rights or interests that a holder of Shares has received or would be entitled to receive, then the Value of such rights shall be determined by the General Partner acting in good faith on the basis of such quotations and other information as it considers, in its reasonable judgment, appropriate. If the Shares of the General Partner Entity are not Publicly Traded, the Value of the Shares Amount per Partnership Unit tendered for redemption (which will be the Cash Amount per Partnership Unit offered for redemption payable pursuant to Section 8.6.A) means the amount that a holder of one Partnership Unit would receive if each of the assets of the Partnership were to be sold for its fair market value on the Specified Redemption Date, the Partnership were to pay all of its outstanding liabilities, and the remaining proceeds were to be distributed to the Partners in accordance with the terms of this Agreement. Such Value shall be determined by the General Partner, acting in good faith and based upon a commercially reasonable estimate of the amount that would be realized by the Partnership if each asset of the Partnership (and each asset of each partnership, limited liability company, trust, joint venture or other entity in which the Partnership owns a direct or indirect interest) were sold to an unrelated purchaser in an arms length transaction where neither the purchaser nor the seller were under economic compulsion to enter into the transaction (without regard to any discount in value as a result of the Partnership's minority interest in any property or any illiquidity of the Partnership's interest in any property).

Vested LTIP Units has the meaning set forth in Section 4.6.C.

Vesting Agreement means each or any, as the context implies, agreement or instrument entered into by a holder of LTIP Units upon acceptance of an award of LTIP Units under an Equity Incentive Plan.

In connection with the foregoing, and without limiting the General Partner or the General Partner Entity's right, in its sole and absolute discretion, to cease

qualifying as a REIT, the Partners acknowledge that the status of the General Partner or, if different, the General Partner Entity as a REIT inures to the benefit of all the Partners and not solely to the General Partner, the General Partner Entity or their or its Affiliates, members and shareholders. The Partnership is empowered to do any and all acts and things necessary, appropriate, proper, advisable, incidental to or convenient for the furtherance and accomplishment of the purposes and business described herein and for the protection and benefit of the Partnership, including, without limitation, full power and authority, directly or through its ownership interest in other entities, to enter into, perform and carry out contracts of any kind, borrow money and issue evidences of indebtedness, whether or not secured by mortgage, deed of trust, pledge or other lien, acquire, own, manage, improve and develop real property, and lease, sell, transfer and dispose of real property; provided, however, that the Partnership shall not take, or shall refrain from taking, any action which, in the judgment of the General Partner, in its sole and absolute discretion, (i) could adversely affect the ability of any of the General Partner or the General Partner Entity to continue to qualify as a REIT (if such entity has chosen to attempt to qualify as a REIT), (ii) could subject any of the General Partner or the General Partner Entity to any taxes under Section 857, Section 4981, or any other provision of the Code, or (iii) could violate any law or regulation of any governmental body or agency having jurisdiction over any of the General Partner or the General Partner Entity or its securities, unless such action (or inaction) shall have been specifically consented to by the General Partner in writing.

ARTICLE IV**CAPITAL CONTRIBUTIONS AND ISSUANCES
OF PARTNERSHIP INTERESTS****Section 4.1 Capital Contributions of the Partners**

Prior to or concurrently with the execution of this Agreement, the Partners have made the Capital Contributions as set forth in the Partner Registry. On the date hereof, the Partners own Partnership Units in the amounts set forth in the Partner Registry and have Percentage Interests in the Partnership as set forth in the Partner Registry. The number of Partnership Units and Percentage Interest shall be adjusted in the Partner Registry from time to time by the General Partner to the extent necessary to reflect accurately exchanges, redemptions, Capital Contributions, the issuance of additional Partnership Units or similar events having an effect on a Partner's Percentage Interest occurring after the date hereof in accordance with the terms of this Agreement. One thousand (1,000) Partnership Units shall be deemed to be the General Partner's Partnership Units and shall be the General Partner Interest of the General Partner, and all other Partnership Units held by the General Partner shall be deemed to be Limited Partner Interests and shall be held by the General Partner in its capacity as a Limited Partner in the Partnership. Except as provided in Sections 7.5 and 10.5 hereof, the Partners shall have no obligation to make any additional Capital Contributions or provide any additional funding to the Partnership (whether in the form of loans, repayments of loans or otherwise). No Partner shall have any obligation to restore any deficit that may exist in its Capital Account, either upon a liquidation of the Partnership or otherwise, provided that such Capital Account deficit did not arise by reason of distributions in violation of this Agreement or applicable law or other actions in violation of this Agreement or applicable law.

Section 4.2 Issuances of Partnership Interests

A. General. The General Partner is hereby authorized to cause the Partnership from time to time to issue to Partners (including the General Partner and its Affiliates) or other Persons (including, without limitation, in connection with the contribution of property to the Partnership or any of its Subsidiaries) Partnership Units or other Partnership Interests in one or more classes, or in one or more series of any of such classes, with such designations, preferences and relative, participating, optional or other special rights, powers and duties, including rights, powers and duties

senior to one or more other classes of Partnership Interests, all as shall be determined, subject to applicable Delaware law, by the General Partner in its sole and absolute discretion, including, without limitation, (i) the allocations of items of Partnership income, gain, loss, deduction and credit to each such class or series of Partnership Interests, (ii) the right of each such class or series of Partnership Interests to share in Partnership distributions, (iii) the rights of each such class or series of Partnership Interests upon dissolution and

A-129

liquidation of the Partnership, (iv) the rights, if any, of each such class to vote on matters that require the vote or Consent of the Limited Partners, and (v) the consideration, if any, to be received by the Partnership; provided, however, that no such Partnership Units or other Partnership Interests shall be issued to the General Partner Entity unless either (a) the Partnership Interests are issued in connection with the grant, award or issuance of Shares or other equity interests in the General Partner Entity (including a transaction described in Section 7.5.F) having designations, preferences and other rights such that the economic interests attributable to such Shares or other equity interests are substantially similar to the designations, preferences and other rights (except voting rights) of the Partnership Interests issued to the General Partner Entity in accordance with this Section 4.2.A, or (b) the additional Partnership Interests are issued to all Partners holding Partnership Interests in the same class in proportion to their respective Percentage Interests in such class. If the Partnership issues Partnership Interests pursuant to this Section 4.2.A, the General Partner shall make such revisions to this Agreement (including but not limited to the revisions described in Section 5.5, Section 6.2 and Section 8.6) as it deems necessary to reflect the issuance of such Partnership Interests.

B. Classes of Partnership Units. From and after the date of the Agreement, the Partnership shall have three classes of Partnership Units entitled Class A Units, Class B Units and LTIP Units, and such additional classes of Partnership Units as may be created by the General Partner pursuant to Section 4.2.A (collectively, the Units). Class A Units, Class B Units, LTIP Units or a class of Partnership Interests created pursuant to Section 4.2.A, at the election of the General Partner, in its sole and absolute discretion, may be issued to newly admitted Partners in exchange for the contribution by such Partners of cash, real estate partnership interests, stock, notes or other assets or consideration; provided, however, that any Partnership Unit that is not specifically designated by the General Partner as being of a particular class shall be deemed to be a Class A Unit. Each Class B Unit shall be converted automatically into a corresponding series of Class A Unit on the day immediately following the Partnership Record Date for the Distribution Period in which such Class B Unit was issued, without the requirement for any action by the General Partner, the Partnership or the Partner holding the Class B Unit. The terms of the LTIP Units shall be in accordance with Sections 4.6 and 4.7.

Section 4.3 No Preemptive Rights

Except to the extent expressly granted by the Partnership pursuant to another Agreement, no Person shall have any preemptive, preferential or other similar right with respect to (i) additional Capital Contributions or loans to the Partnership or (ii) issuance or sale of any Partnership Units or other Partnership Interests.

Section 4.4 Other Contribution Provisions

A. General. If any Partner is admitted to the Partnership and is given a Capital Account in exchange for services rendered to the Partnership, such transaction shall be treated by the Partnership and the affected Partner as if the Partnership had compensated such Partner in cash, and the Partner had made a Capital Contribution of such cash to the capital of the Partnership.

B. Mergers. To the extent the Partnership acquires any property (or an indirect interest therein) by the merger of any other Person into the Partnership or with or into a Subsidiary of the Partnership, Persons who receive Partnership Interests in exchange for their interest in the Person merging into the Partnership or with or into a Subsidiary of the Partnership shall be deemed to have been admitted as Additional Limited Partners pursuant to Section 12.2 and shall be deemed to have made Capital Contributions as provided in the applicable merger agreement (or if not so provided, as determined by the General Partner in its sole and absolute discretion) and as set forth in the Partner Registry.

Section 4.5 No Interest on Capital

No Partner shall be entitled to interest on its Capital Contributions or its Capital Account.

Table of Contents**Section 4.6 LTIP Units**

A. Issuance of LTIP Units. The General Partner may from time to time issue LTIP Units to Persons who have provided, or will provide, services to the Partnership or the General Partner, for such consideration (if any) as the General Partner may determine to be appropriate, and admit such Persons as Limited Partners. Subject to the following provisions of this Section 4.6 and the special provisions of Sections 4.7 and 6.1.E, LTIP Units shall be treated as Class A Units, with all of the rights, privileges and obligations attendant thereto (or, if so designated by the General Partner in connection with the issuance thereof, as Class B Units for the quarter in which such LTIP Units are issued). For purposes of computing the Partners' Percentage Interests, holders of LTIP Units shall be treated as Class A Unit holders and LTIP Units shall be treated as Class A Units. In particular, the Partnership shall maintain at all times a one-to-one correspondence between LTIP Units and Class A Units for conversion, distribution and other purposes, including, without limitation, complying with the following procedures:

(i) If an Adjustment Event occurs, then the General Partner shall make a corresponding adjustment to the LTIP Units to maintain a one-for-one conversion and economic equivalence ratio between Class A Units and LTIP Units. If more than one Adjustment Event occurs, the adjustment to the LTIP Units need be made only once using a single formula that takes into account each and every Adjustment Event as if all Adjustment Events occurred simultaneously. If the Partnership takes an action affecting the Class A Units other than actions specifically defined as Adjustment Events and in the opinion of the General Partner such action would require an adjustment to the LTIP Units to maintain the one-to-one correspondence described above, the General Partner shall have the right to make such adjustment to the LTIP Units, to the extent permitted by law and by any applicable Equity Incentive Plan, in such manner and at such time as the General Partner, in its sole discretion, may determine to be appropriate under the circumstances. If an adjustment is made to the LTIP Units, as herein provided, the Partnership shall promptly file in the books and records of the Partnership an officer's certificate setting forth such adjustment and a brief statement of the facts requiring such adjustment, which certificate shall be conclusive evidence of the correctness of such adjustment absent manifest error. Promptly after filing of such certificate, the Partnership shall mail a notice to each LTIP Unitholder setting forth the adjustment to his or her LTIP Units and the effective date of such adjustment; and

(ii) Subject to the provisions of Sections 5.1.E, 5.1.F and 5.1.G, the LTIP Unitholders shall, when, as and if authorized and declared by the General Partner out of assets legally available for that purpose, be entitled to receive distributions in an amount per LTIP Unit equal to the distributions per Class A Unit paid to holders of Class A Units on such Partnership Record Date established by the General Partner with respect to such distribution. So long as any LTIP Units are outstanding, no distributions (whether in cash or in kind) shall be authorized, declared or paid on Class A Units or Class B Units, unless equal distributions have been or contemporaneously are authorized, declared and paid on the LTIP Units that are then entitled to payment of distributions.

B. Priority. Subject to the provisions of this Section 4.6 and the special provisions of Sections 4.7, 5.1.E, 5.1.F and 5.1.G, the LTIP Units shall rank pari passu with the Class A Units and Class B Units as to the payment of regular and special periodic or other distributions and distribution of assets upon liquidation, dissolution or winding up. As to the payment of distributions and as to distribution of assets upon liquidation, dissolution or winding up, any class or series of Partnership Units which by its terms specifies that it shall rank junior to, on a parity with, or senior to the Class A Units shall also rank junior to, or pari passu with, or senior to, as the case may be, the LTIP Units. Subject to the terms of any Vesting Agreement, an LTIP Unitholder shall be entitled to transfer his or her LTIP Units to the same extent, and subject to the same restrictions as holders of Class A Units are entitled to transfer their Class A Units pursuant to Article XI.

C. Special Provisions. LTIP Units shall be subject to the following special provisions:

(i) Vesting Agreements. LTIP Units may, in the sole discretion of the General Partner, be issued subject to vesting, forfeiture and additional restrictions on transfer pursuant to the terms of a Vesting Agreement. The terms of any Vesting Agreement may be modified by the General Partner from time to time in its sole

A-131

discretion, subject to any restrictions on amendment imposed by the relevant Vesting Agreement or by any applicable Equity Incentive Plan. LTIP Units that have vested under the terms of a Vesting Agreement are referred to as **Vested LTIP Units** ; all other LTIP Units shall be treated as **Unvested LTIP Units**.

(ii) Forfeiture. Unless otherwise specified in the Vesting Agreement, upon the occurrence of any event specified in a Vesting Agreement as resulting in either the right of the Partnership or the General Partner to repurchase LTIP Units at a specified purchase price or some other forfeiture of any LTIP Units, then if the Partnership or the General Partner exercises such right to repurchase or such forfeiture occurs in accordance with the applicable Vesting Agreement, the relevant LTIP Units shall immediately, and without any further action, be treated as cancelled and no longer outstanding for any purpose. Unless otherwise specified in the Vesting Agreement, no consideration or other payment shall be due with respect to any LTIP Units that have been forfeited, other than any distributions declared with respect to a Partnership Record Date prior to the effective date of the forfeiture. In connection with any repurchase or forfeiture of LTIP Units, the balance of the portion of the Capital Account of the LTIP Unitholder that is attributable to all of his or her LTIP Units shall be reduced by the amount, if any, by which it exceeds the target balance contemplated by Section 6.1.E hereof, calculated with respect to the LTIP Unitholder's remaining LTIP Units, if any.

(iii) Allocations. LTIP Unitholders shall be entitled to certain special allocations of gain under Section 6.1.E. LTIP Units shall be allocated Net Income and Net Loss, for any taxable year or portion of a taxable year occurring after such issuance and prior to the Distribution Participation Date for such LTIP Units, in amounts per LTIP Unit equal to the amounts allocated per Class A Unit for the same period multiplied by the LTIP Unit Sharing Percentage for such LTIP Units. Commencing with the portion of the taxable year of the Partnership that begins on the Distribution Participation Date established for any LTIP Units, such LTIP Units shall be allocated Net Income and Net Loss in amounts per LTIP Unit equal to the amounts allocated per Class A Unit. The allocations provided by the preceding sentence shall be subject to Section 6.1.A and Section 6.1.B of the Agreement. The General Partner is authorized in its discretion to delay or accelerate the participation of the LTIP Units in allocations of Net Income and Net Loss, or to adjust the allocations made after the Distribution Participation Date, so that the ratio of (i) the total amount of Net Income or Net Loss allocated with respect to each LTIP Unit in the taxable year in which that LTIP Unit's Distribution Participation Date falls, to (ii) the total amount distributed to that LTIP Unit with respect to such period, is equal to such ratio as computed for the Class A Units held by the General Partner.

(iv) Redemption. The Redemption Right provided to the holders of Class A Units under Section 8.6 hereof shall not apply with respect to LTIP Units unless and until they are converted to Class A Units as provided in clause (v) below and Section 4.7.

(v) Conversion to Class A Units. Vested LTIP Units are eligible to be converted into Class A Units in accordance with Section 4.7.

D. Voting. LTIP Unitholders shall (a) have the same voting rights as the Limited Partners, with the LTIP Units voting as a single class with the Class A Units and having one vote per LTIP Unit; and (b) have the additional voting rights that are expressly set forth below. So long as any LTIP Units remain outstanding, the Partnership shall not, without the affirmative vote of the holders of a majority of the LTIP Units outstanding at the time, given in person or by proxy, either in writing or at a meeting (voting separately as a class), amend, alter or repeal, whether by merger, consolidation or otherwise, the provisions of this Agreement applicable to LTIP Units so as to materially and adversely affect any right, privilege or voting power of the LTIP Units or the LTIP Unitholders as such, unless such amendment, alteration, or repeal affects equally, ratably and proportionately the rights, privileges and voting powers of all of Class A Units (including the Class A Units held by the General Partner); but subject, in any event, to the following provisions:

(i) With respect to any Class A Unit Transaction (as defined in Section 4.7.F hereof), so long as the LTIP Units are treated in accordance with Section 4.7.F hereof, the consummation of such Class A Unit

A-132

Table of Contents

Transaction shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unitholders as such; and

(ii) Any creation or issuance of any Partnership Units or of any class or series of Partnership Interest in accordance with the terms of this Agreement, including, without limitation, additional Class A Units or LTIP Units, whether ranking senior to, junior to, or on a parity with the LTIP Units with respect to distributions and the distribution of assets upon liquidation, dissolution or winding up, shall not be deemed to materially and adversely affect such rights, preferences, privileges or voting powers of the LTIP Units or the LTIP Unitholders as such.

The foregoing voting provisions will not apply if, at or prior to the time when the act with respect to which such vote would otherwise be required will be effected, all outstanding LTIP Units shall have been converted into Class A Units.

Section 4.7 Conversion of LTIP Units.

A. **Conversion Right**. An LTIP Unitholder shall have the right (the **Conversion Right**), at his or her option, at any time to convert all or a portion of his or her Vested LTIP Units into fully paid and non-assessable Class A Units; **provided, however**, that a holder may not exercise the Conversion Right for fewer than one thousand (1,000) Vested LTIP Units or, if such holder holds fewer than one thousand (1,000) Vested LTIP Units, all of the Vested LTIP Units held by such holder. LTIP Unitholders shall not have the right to convert Unvested LTIP Units into Class A Units until they become Vested LTIP Units; **provided, however**, that when an LTIP Unitholder is notified of the expected occurrence of an event that will cause his or her Unvested LTIP Units to become Vested LTIP Units, such LTIP Unitholder may give the Partnership a Conversion Notice conditioned upon and effective as of the time of vesting and such Conversion Notice, unless subsequently revoked by the LTIP Unitholder, shall be accepted by the Partnership subject to such condition. The General Partner shall have the right at any time to cause a conversion of Vested LTIP Units into Class A Units, **provided, however**, that any Special LTIP Unit Distribution payable with respect to such Vested LTIP Units is paid prior to such conversion. In all cases, the conversion of any LTIP Units into Class A Units shall be subject to the conditions and procedures set forth in this **Section 4.7**.

B. **Exercise by an LTIP Unitholder**. A holder of Vested LTIP Units may convert such LTIP Units into an equal number of fully paid and non-assessable Class A Units, giving effect to all adjustments (if any) made pursuant to **Section 4.6** hereof. Notwithstanding the foregoing, in no event may a holder of Vested LTIP Units convert a number of Vested LTIP Units that exceeds (x) the Economic Capital Account Balance of such Limited Partner, to the extent attributable to its ownership of LTIP Units, divided by (y) the Class A Unit Economic Balance, in each case as determined as of the effective date of conversion (the **Capital Account Limitation**). In order to exercise his or her Conversion Right, an LTIP Unitholder shall deliver a notice (a **Conversion Notice**) in the form attached as **Exhibit E** to this Agreement to the Partnership (with a copy to the General Partner) not less than ten (10) nor more than sixty (60) days prior to a date (the **Conversion Date**) specified in such Conversion Notice; **provided, however**, that if the General Partner has not given to the LTIP Unitholders notice of a proposed or upcoming Class A Unit Transaction (as defined in **Section 4.7.F** hereof) at least thirty (30) days prior to the effective date of such Class A Unit Transaction, then LTIP Unitholders shall have the right to deliver a Conversion Notice until the earlier of (x) the tenth day after such notice from the General Partner of a Class A Unit Transaction or (y) the third business day immediately preceding the effective date of such Class A Unit Transaction. A Conversion Notice shall be provided in the manner provided in **Section 15.1**. Each LTIP Unitholder covenants and agrees with the Partnership that all Vested LTIP Units to be converted pursuant to this **Section 4.7.B** shall be free and clear of all liens and encumbrances. Notwithstanding anything herein to the contrary, a holder of LTIP Units may deliver a Notice of Redemption pursuant to **Section 8.6** relating to those Class A Units that will be issued to such holder upon conversion of such LTIP Units into Class A

Units in advance of the Conversion Date; provided, however, that the redemption of such Class A Units by the Partnership shall in no event take place until after the Conversion Date. For clarity, it is noted that the objective of this paragraph is to put an LTIP Unitholder in a position where, if he or she so wishes, the Class A Units into

A-133

Table of Contents

which his or her Vested LTIP Units will be converted can be redeemed by the Partnership simultaneously with such conversion, with the further consequence that, if the General Partner elects to assume and perform the Partnership's redemption obligation with respect to such Class A Units under Section 8.6 hereof by delivering to such holder Shares rather than cash, then such holder can have such Shares issued to him or her simultaneously with the conversion of his or her Vested LTIP Units into Class A Units. The General Partner and LTIP Unitholder shall reasonably cooperate with each other to coordinate the timing of the events described in the foregoing sentence.

C. **Forced Conversion**. The Partnership, at any time at the election of the General Partner, may cause any number of Vested LTIP Units held by an LTIP Unitholder to be converted (a **Forced Conversion**) into an equal number of fully paid and non-assessable Class A Units, giving effect to all adjustments (if any) made pursuant to Section 4.6; **provided, however**, that the Partnership may not cause Forced Conversion of any LTIP Units that would not at the time be eligible for conversion at the option of such LTIP Unitholder pursuant to Section 4.7.B or with respect to which a Special LTIP Unit Distribution is payable and has not been paid. In order to exercise its right of Forced Conversion, the Partnership shall deliver a notice (a **Forced Conversion Notice**) in the form attached **as Exhibit F** to this Agreement to the applicable LTIP Unitholder not less than ten (10) nor more than sixty (60) days prior to the Conversion Date specified in such Forced Conversion Notice. A Forced Conversion Notice shall be provided in the manner provided in Section 15.1.

D. **Completion of Conversion**. A conversion of Vested LTIP Units for which the holder thereof has given a Conversion Notice or the Partnership has given a Forced Conversion Notice shall occur automatically after the close of business on the applicable Conversion Date without any action on the part of such LTIP Unitholder, as of which time such LTIP Unitholder shall be credited on the books and records of the Partnership with the issuance as of the opening of business on the next day of the number of Class A Units issuable upon such conversion. After the conversion of LTIP Units as aforesaid, the Partnership shall deliver to such LTIP Unitholder, upon his or her written request, a certificate of the General Partner certifying the number of Class A Units and remaining LTIP Units, if any, held by such person immediately after such conversion. The Assignee of any Limited Partner pursuant to Article XI hereof may exercise the rights of such Limited Partner pursuant to this Section 4.7 and such Limited Partner shall be bound by the exercise of such rights by the Assignee.

E. **Impact of Conversions for Purposes of Section 6.1.E**. For purposes of making future allocations under Section 6.1.E hereof and applying the Capital Account Limitation, the portion of the Economic Capital Account Balance of the applicable LTIP Unitholder that is treated as attributable to his or her LTIP Units shall be reduced, as of the date of conversion, by the product of the number of LTIP Units converted and the Class A Unit Economic Balance.

F. **Class A Unit Transactions**. If the Partnership or the General Partner Entity shall be a party to any Class A Unit Transaction, then the General Partner shall, immediately prior to the Class A Unit Transaction, exercise its right to cause a Forced Conversion with respect to the maximum number of LTIP Units then eligible for conversion, taking into account any allocations that occur in connection with the Class A Unit Transaction or that would occur in connection with the Class A Unit Transaction if the assets of the Partnership were sold at the Class A Unit Transaction price or, if applicable, at a value determined by the General Partner in good faith using the value attributed to the Partnership Units in the context of the Class A Unit Transaction (in which case the Conversion Date shall be the effective date of the Class A Unit Transaction). In anticipation of such Forced Conversion and the consummation of the Class A Unit Transaction, the Partnership shall use commercially reasonable efforts to cause each LTIP Unitholder to be afforded the right to receive in connection with such Class A Unit Transaction in consideration for the Class A Units into which his or her LTIP Units will be converted the same kind and amount of cash, securities and other property (or any combination thereof) receivable upon the consummation of such Class A Unit Transaction by a holder of the same number of Class A Units, assuming such holder of Class A Units is not a Person with which the Partnership consolidated or into which the Partnership merged or which merged into the Partnership or to which such

sale or transfer was made, as the case may be (a **Constituent Person**), or an affiliate of a Constituent Person. In the event that holders of Class A

A-134

Units have the opportunity to elect the form or type of consideration to be received upon consummation of the Class A Unit Transaction, prior to such Class A Unit Transaction the General Partner shall give prompt written notice to each LTIP Unitholder of such election, and shall use commercially reasonable efforts to afford the LTIP Unitholders the right to elect, by written notice to the General Partner, the form or type of consideration to be received upon conversion of each LTIP Unit held by such holder into Class A Units in connection with such Class A Unit Transaction. If an LTIP Unitholder fails to make such an election, such holder (and any of its transferees) shall receive upon conversion of each LTIP Unit held him or her (or by any of his or her transferees) the same kind and amount of consideration that a holder of a Class A Unit would receive if such Class A Unit holder failed to make such an election. Subject to the rights of the Partnership and the General Partner under any Vesting Agreement and any applicable Equity Incentive Plan, to the extent any LTIP Units are then outstanding, the Partnership shall use commercially reasonable effort to cause the terms of any Class A Unit Transaction to be consistent with the provisions of this Section 4.7.F and to enter into an agreement with the successor or purchasing entity, as the case may be, for the benefit of any LTIP Unitholders whose LTIP Units will not be converted into Class A Units in connection with the Class A Unit Transaction that will (i) contain provisions enabling the holders of LTIP Units that remain outstanding after such Class A Unit Transaction to convert their LTIP Units into securities as comparable as reasonably possible under the circumstances to the Class A Units and (ii) preserve as far as reasonably possible under the circumstances the distribution, special allocation, conversion, and other rights set forth in this Agreement for the benefit of the LTIP Unitholders.

ARTICLE V**DISTRIBUTIONS****Section 5.1 Requirement and Characterization of Distributions**

A. Distribution of Operating Income. The General Partner shall distribute at least quarterly an amount equal to one hundred percent (100%) of the Available Cash of the Partnership with respect to such quarter or shorter period to the Partners in accordance with the terms established for the class or classes of Partnership Interests held by such Partners who are Partners on the respective Partnership Record Date with respect to such quarter or shorter period as provided in Sections 5.1.B, 5.1.C and 5.1.D and in accordance with the respective terms established for each class of Partnership Interest. Notwithstanding anything to the contrary contained herein, in no event may a Partner receive a distribution of Available Cash with respect to a Partnership Unit for a quarter or shorter period if such Partner is entitled to receive a distribution with respect to a Share for which such Partnership Unit has been redeemed or exchanged. Unless otherwise expressly provided for herein, or in the terms established for a new class or series of Partnership Interests created in accordance with Article IV hereof, no Partnership Interest shall be entitled to a distribution in preference to any other Partnership Interest. If the General Partner Entity has chosen to attempt to qualify as a REIT, the General Partner shall make such reasonable efforts, as determined by it in its sole and absolute discretion and consistent with the qualification of the General Partner Entity as a REIT, to distribute Available Cash to the General Partner Entity in an amount sufficient to enable the General Partner Entity to make distributions to its shareholders that will enable the General Partner Entity to (1) satisfy the requirements for qualification as a REIT under the Code and the Regulations (the **REIT Requirements**), and (2) avoid any federal income or excise tax liability.

B. Method.

(i) Each holder of Partnership Interests, if any, that is entitled to any preference in distribution shall be entitled to a distribution in accordance with the rights of any such class of Partnership Interests (and, within such class, pro rata in

proportion to the respective Percentage Interests on such Partnership Record Date); and

(ii) To the extent there is Available Cash remaining after the payment of any preference in distribution in accordance with the foregoing clause (i) (if applicable), with respect to Partnership Interests that are not entitled to any preference in distribution, such Available Cash shall be distributed pro rata to each such class in

A-135

Table of Contents

accordance with the terms of such class (and, within each such class, pro rata in proportion to the respective Percentage Interests on such Partnership Record Date).

C. **Distributions When Class B Units Are Outstanding.** If for any quarter or shorter period with respect to which a distribution is to be made pursuant to Section 5.1.A. (a **Distribution Period**) Class B Units are outstanding on the Partnership Record Date for such Distribution Period, the General Partner shall allocate the Available Cash with respect to such Distribution Period available for distribution with respect to the Class A Units and Class B Units collectively between the Partners who are holders of Class A Units (**Class A**) and the Partners who are holders of Class B Units (**Class B**) as follows:

- (1) Class A shall receive that portion of the Available Cash (the **Class A Share**) determined by multiplying the amount of Available Cash by the following fraction:

$$\frac{A \times Y}{(A \times Y) + (B \times X)}$$

- (2) Class B shall receive that portion of the Available Cash (the **Class B Share**) determined by multiplying the amount of Available Cash by the following fraction:

$$\frac{B \times X}{(A \times Y) + (B \times X)}$$

- (3) For purposes of the foregoing formulas, (i) **A** equals the number of Class A Units outstanding on the Partnership Record Date for such Distribution Period; (ii) **B** equals the number of Class B Units outstanding on the Partnership Record Date for such Distribution Period; (iii) **Y** equals the number of days in the Distribution Period; and (iv) **X** equals the number of days in the Distribution Period for which the Class B Units were issued and outstanding.

The Class A Share shall be distributed pro rata among Partners holding Class A Units on the Partnership Record Date for the Distribution Period in accordance with the number of Class A Units held by each Partner on such Partnership Record Date; provided, however, that in no event may a Partner receive a distribution of Available Cash with respect to a Class A Unit if a Partner is entitled to receive a distribution with respect to a Share for which such Class A Unit has been redeemed or exchanged. If Class B Units were issued on the same date, the Class B Share shall be distributed pro rata among the Partners holding Class B Units on the Partnership Record Date for the Distribution Period in accordance with the number of Class B Units held by each Partner on such Partnership Record Date. In no event shall any Class B Units be entitled to receive any distribution of Available Cash for any Distribution Period ending prior to the date on which such Class B Units are issued. For purposes of the foregoing calculations, LTIP Units with an associated Distribution Participation Date that falls on or before the date of the relevant distribution shall be treated as outstanding Class A Units.

D. **Distributions When Class B Units Have Been Issued on Different Dates.** If Class B Units which have been issued on different dates are outstanding on the Partnership Record Date for any Distribution Period, then the Class B Units issued on each particular date shall be treated as a separate series of Partnership Units for purposes of making the

allocation of Available Cash for such Distribution Period among the holders of Partnership Units (and the formula for making such allocation, and the definitions of variables used therein, shall be modified accordingly). Thus, for example, if two series of Class B Units are outstanding on the Partnership Record Date for any Distribution Period, the allocation formula for each series, Series B1 and Series B2 would be as follows:

- (1) Series B1 shall receive that portion of the Available Cash determined by multiplying the amount of Available Cash by the following fraction:

$$\frac{B1 \times X1}{(A \times Y) + (B \times X1) + (B2 \times X2)}$$

A-136

Table of Contents

- (2) Series B2 shall receive that portion of the Available Cash determined by multiplying the amount of Available Cash by the following fraction:

$$\frac{B2 \times X2}{(A \times Y) + (B1 \times X1) + (B2 \times X2)}$$

- (3) For purposes of the foregoing formulas the definitions set forth in Section 5.1.C(3) remain the same except that (i) B1 equals the number of Partnership Units in Series B1 outstanding on the Partnership Record Date for such Distribution Period; (ii) B2 equals the number of Partnership Units in Series B2 outstanding on the Partnership Record Date for such Distribution Period; (iii) X1 equals the number of days in the Distribution Period for which the Partnership Units in Series B1 were issued and outstanding; and (iv) X2 equals the number of days in the Distribution Period for which the Partnership Units in Series B2 were issued and outstanding.

For purposes of the foregoing calculations, LTIP Units with an associated Distribution Participation Date that falls on or before the date of the relevant distribution shall be treated as outstanding Class A Units.

E. Distributions With Respect to LTIP Units. Commencing from the Distribution Participation Date established for any LTIP Units, for any quarterly or other period holders of such LTIP Units shall be entitled to receive, if, when and as authorized by the General Partner out of funds legally available for the payment of distributions, regular cash distributions in an amount per unit equal to the distribution payable on each Class A Unit for the corresponding quarterly or other period (the LTIP Distribution Amount). In addition, from and after the Distribution Participation Date, LTIP Units shall be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, non-liquidating special, extraordinary or other distributions in an amount per unit equal to the amount of any non-liquidating special, extraordinary or other distributions payable on the Class A Units which may be made from time to time. LTIP Units shall also be entitled to receive, if, when and as authorized by the General Partner out of funds or other property legally available for the payment of distributions, distributions representing proceeds of a sale or other disposition of all or substantially all of the assets of the Partnership in an amount per unit equal to the amount of any such distributions payable on the Class A Units, whether made prior to, on or after the Distribution Participation Date, provided that the amount of such distributions shall not exceed the positive balances of the Capital Accounts of the holders of such LTIP Units to the extent attributable to the ownership of such LTIP Units. Distributions on the LTIP Units, if authorized, shall be payable on such dates and in such manner as may be authorized by the General Partner (any such date, a Distribution Payment Date); provided that the Distribution Payment Date and the record date for determining which holders of LTIP Units are entitled to receive a distribution shall be the same as the corresponding dates relating to the corresponding distribution on the Class A Units.

F. Special LTIP Unit Distribution. As of the Distribution Participation Date for an LTIP Unit that is not forfeited on or prior to such Distribution Participation Date, the holder of such LTIP Unit will be entitled to receive a special distribution (the Special LTIP Unit Distribution) with respect to such unit, equal to the Aggregate Special LTIP Unit Distribution Amount with respect to such LTIP Unit, divided by the total number of such holder's LTIP Units that (A) have the same Distribution Participation Date, (B) were issued as part of the same award or program for purposes of Section 4.6 as specified in the Vesting Agreement or other documentation pursuant to which such LTIP Units are issued (the Same Award with respect to such LTIP Unit), and (C) are not forfeited on or prior to such Distribution Participation Date; provided, however, that such amount shall not exceed either (x) the amount of non-liquidating cash distributions per unit that were paid on the Class A Units on or after the date of the issuance of such LTIP Unit (or such other date as is specified as the Distribution Measurement Date in the Vesting Agreement or other documentation

pursuant to which such LTIP Unit is issued) (such date being referred to as the **Distribution Measurement Date** with respect to such LTIP Unit) and prior to such Distribution Participation Date or (y) an amount that, together with all other Special LTIP Unit Distributions made to such holder on the same date with respect to such holder's other LTIP Units issued as

A-137

Table of Contents

part of the Same Award as such LTIP Unit, exceeds the positive balance of the Capital Account of such holder to the extent attributable to such LTIP Units. The **Aggregate Special LTIP Unit Distribution Amount** with respect to a holder's LTIP Unit equals the aggregate amount determined by totaling, for each of such holder's LTIP Units that were issued as part of the Same Award, (x) the amount of non-liquidating cash distributions per unit that were paid on the Class A Units on or after the Distribution Measurement Date with respect to such LTIP Unit and prior to the earlier of the Distribution Participation Date for such LTIP Unit or the Distribution Participation Date for the LTIP Unit with respect to which the Aggregate Special LTIP Unit Distribution Amount is being calculated, multiplied by (y) the LTIP Unit Sharing Percentage for such LTIP Unit, and subtracting from such total aggregate amount all Special LTIP Unit Distributions previously made with respect to LTIP Units that were issued as part of the Same Award. The Special LTIP Unit Distribution for an LTIP Unit will be payable on the first Distribution Payment Date on or after the Distribution Participation Date for such LTIP Unit if and when authorized by the General Partner out of funds legally available for the payment of distributions; provided that, to the extent not otherwise prohibited by the terms of any class of Partnership Interests entitled to any preference in distribution and authorized by the General Partner out of funds legally available for the payment of distributions, such Special LTIP Unit Distribution may be paid prior to such Distribution Payment Date. On or after the Distribution Participation Date with respect to an LTIP Unit, if such LTIP Unit is outstanding, no distributions (other than in Class A Units, Class B Units, LTIP Units or other Partnership Interests ranking on par with or junior to such units as to distributions and upon liquidation, dissolution or winding up of the affairs of the Partnership) shall be declared or paid or set apart for payment upon the Class A Units, the Class B Units, the LTIP Units or any other Partnership Interests ranking junior to or on a parity with the LTIP Unit as to distributions for any period (other than Special LTIP Unit Distributions with respect to LTIP Units that had an earlier Distribution Participation Date) unless the full amount of any Special LTIP Unit Distributions due with respect to such LTIP Unit have been or contemporaneously are declared and paid.

G. LTIP Units Intended to Qualify as Profits Interests.

(i) Distributions made pursuant to this Section 5.1 shall be adjusted as necessary to ensure that the amount apportioned to each LTIP Unit does not exceed the amount attributable to items of Partnership income or gain realized after the date such LTIP Unit was issued by the Partnership. The intent of this Section 5.1.G is to ensure that any LTIP Units issued after the date of this Agreement qualify as profits interests under Revenue Procedure 93-27, 1993-2 C.B. 343 (June 9, 1993) and Revenue Procedure 2001-43, 2001-2 C.B. 191 (August 3, 2001), and this Section 5.1 and Article VI shall be interpreted and applied consistently therewith. The General Partner at its discretion may amend this Section 5.1.G to ensure that any LTIP Units granted after the date of this Agreement will qualify as profits interests under Revenue Procedure 93-27, 1993-2 C.B. 343 (June 9, 1993) and Revenue Procedure 2001-43, 2001-2 C.B. 191 (August 3, 2001) (and any other similar rulings or regulations that may be in effect at such time).

(ii) The Partners agree that the General Partner may make a Safe Harbor Election (as defined below), on behalf of itself and of all Partners, to have the LTIP Safe Harbor apply irrevocably with respect to LTIP Units transferred in connection with the performance of services by a Partner in a partner capacity. The Safe Harbor Election shall be effective as of the date of issuance of such LTIP Units. If such election is made, (A) the Partnership and each Partner agree to comply with all requirements of the LTIP Safe Harbor with respect to all interests in the Partnership transferred in connection with the performance of services by a Partner in a partner capacity, whether such Partner was admitted as a Partner or as the transferee of a previous Partner, and (B) the General Partner shall cause the Partnership to comply with all record keeping requirements and other administrative requirements with respect to the LTIP Safe Harbor as shall be required by proposed or final regulations relating thereto.

(iii) The Partners agree that if a Safe Harbor Election is made by the General Partner, (A) each LTIP Unit issued hereunder is a Safe Harbor Interest, (B) each LTIP Unit represents a profits interest received for services rendered or to be rendered to or for the benefit of the Partnership by the LTIP Unitholder in his or her capacity as a Partner or in

anticipation of becoming a Partner, and (C) the fair market value of each LTIP Unit

A-138

issued by the Partnership upon receipt by the LTIP Unitholder as of the date of issuance is zero (plus the amount, if any, of any Capital Contributions made to the Partnership by such LTIP Unitholder in connection with the issuance of such LTIP Unit), representing the liquidation value of such interest upon receipt (with such valuation being consented to and hereby approved by all Partners).

(iv) Each Partner, by signing this Agreement or by accepting such transfer, hereby agrees to comply with all requirements of any Safe Harbor Election made by the General Partner with respect to each LTIP Unitholder's Safe Harbor Interest.

(v) The General Partner shall file or cause the Partnership to file all returns, reports and other documentation as may be required, as reasonably determined by the General Partner, to perfect and maintain any Safe Harbor Election made by the General Partner with respect to granting of each LTIP Unitholder's Safe Harbor Interest.

(vi) The General Partner is hereby authorized and empowered, without further vote or action of the Partners, to amend this Agreement to the extent necessary or helpful in accordance with the advice of Partnership tax counsel or accountants to sustain the Partnership's position that (A) it has complied with the LTIP Safe Harbor requirements in order to provide for a Safe Harbor Election and it has ability to maintain the same, or (B) the issuance of the LTIP Units is not a taxable event with respect to the LTIP Unitholders, and the General Partner shall have the authority to execute any such amendment by and on behalf of each Partner pursuant to the power of attorney granted by this Agreement. Any undertaking by any Partner necessary or desirable to (A) enable or preserve a Safe Harbor Election or (B) otherwise to prevent to the issuance of LTIP Units to LTIP Unitholders from being a taxable event may be reflected in such amendments and, to the extent so reflected, shall be binding on each Partner.

(vii) Each Partner agrees to cooperate with the General Partner to perfect and maintain any Safe Harbor Election, and to timely execute and deliver any documentation with respect thereto reasonably requested by the General Partner, at the expense of the Partnership.

(viii) No Transfer of any interest in the Partnership by a Partner shall be effective unless prior to such Transfer, the assignee or intended recipient of such interest shall have agreed in writing to be bound by the provisions of this Section 5.1.G, in a form reasonably satisfactory to the General Partner.

(ix) The provisions of this Section 5.1.G shall apply regardless of whether or not an LTIP Unitholder files an election pursuant to Section 83(b) of the Code.

(x) The General Partner may amend this Section 5.1.G as it deems necessary or appropriate to maximize the tax benefit of the issuance of LTIP Units to any LTIP Unitholder if there are changes in the law or Regulations concerning the issuance of partnership interests for services.

Section 5.2 Distributions in Kind

The General Partner may determine, in its sole and absolute discretion, to make a distribution in kind of Partnership assets to the holders of Partnership Interests, and such assets shall be distributed in such a fashion as to ensure that the fair market value is distributed and allocated in the same manner as a cash distribution in accordance with Articles V, VI and XIII hereof. Notwithstanding anything to the contrary herein, no Partner shall be entitled to demand property other than cash in connection with any distributions by the Partnership.

Section 5.3 Amounts Withheld

All amounts withheld pursuant to the Code or any provisions of any state or local tax law and Section 10.5 with respect to any allocation, payment or distribution to the General Partner, the Limited Partners or Assignees shall

A-139

Table of Contents

be treated as amounts distributed to the General Partner, Limited Partners or Assignees, as the case may be, pursuant to Section 5.1 for all purposes under this Agreement.

Section 5.4 Distributions upon Liquidation

Proceeds from a Liquidating Event shall be distributed to the Partners in accordance with Section 13.2.

Section 5.5 Revisions to Reflect Issuance of Partnership Interests

If the Partnership issues Partnership Interests to the General Partner or any Additional Limited Partner pursuant to Article IV hereof, the General Partner shall make such revisions to this Article V and the Partner Registry in the books and records of the Partnership as it deems necessary to reflect the terms of the issuance of such Partnership Interests. Such revisions shall not require the consent or approval of any other Partner.

ARTICLE VI

ALLOCATIONS

Section 6.1 Allocations for Capital Account Purposes

For purposes of maintaining the Capital Accounts and in determining the rights of the Partners among themselves, the Partnership's items of income, gain, loss and deduction (computed in accordance with Exhibit B) shall be allocated among the Partners in each taxable year (or portion thereof) as provided herein below.

A. Net Income. Subject to Section 4.6.C(iii), after giving effect to the special allocations set forth in Section 1 of Exhibit C of the Partnership Agreement and any special allocations required to be made pursuant to Section 6.1.E, Net Income shall be allocated:

- (1) first, to the General Partner to the extent that Net Loss previously allocated to the General Partner pursuant to Section 6.1.B(5) exceeds Net Income previously allocated to the General Partner pursuant to this clause (1);
- (2) second, to the General Partner until the cumulative Net Income allocated under this clause (2) equals the cumulative Net Loss allocated the General Partner under Section 6.1.B(4);
- (3) third, to the holders of any Partnership Interests that are entitled to any preference upon liquidation until the cumulative Net Income allocated under this clause (3) equals the cumulative Net Loss allocated to such Partners under Section 6.1.B(3);
- (4)

fourth, to the holders of any Partnership Interests that are entitled to any preference in distribution in accordance with the rights of any other class of Partnership Interests until each such Partnership Interest has been allocated, on a cumulative basis pursuant to this clause (4), Net Income equal to the amount of distributions payable that are attributable to the preference of such class of Partnership Interests, whether or not paid (and, within such class, pro rata in proportion to the respective Percentage Interests as of the last day of the period for which such allocation is being made);

- (5) fifth, to the holders of any Partnership Interests that are not entitled to any preference upon liquidation until the cumulative Net Income allocated under this clause (5) equals the cumulative Net Loss allocated to such Partners under Section 6.1.B(2); and

- (6) finally, with respect to Partnership Interests that are not entitled to any preference in distribution or with respect to which distributions are not limited to any preference in distribution, pro rata to each such class in accordance with the terms of such class (and, within such class, pro rata in proportion to the respective Percentage Interests as of the last day of the period for which such allocation is being made).

A-140

Table of Contents

B. Net Loss. Subject to Section 4.6.C(iii), after giving effect to the special allocations set forth in Section 1 of Exhibit C of the Partnership Agreement and any special allocations required to be made pursuant to Sections 6.1.E, Net Loss shall be allocated:

- (1) first, to the holders of Partnership Interests that are not entitled to any preference in distribution or with respect to which distributions are not limited to any preference in distribution, in proportion to, and to the extent that, their share of the Net Income previously allocated pursuant to Section 6.1.A(6) exceeds, on a cumulative basis, the sum of (a) distributions with respect to such Partnership Interests pursuant to clause (ii) of Section 5.1.B and (b) Net Loss allocated under this clause (1);
- (2) second, with respect to classes of Partnership Interests that are not entitled to any preference in distribution upon liquidation, pro rata to each such class in accordance with the terms of such class (and, within such class, pro rata in proportion to the respective Percentage Interests as of the last day of the period for which such allocation is being made); provided, however, that Net Loss shall not be allocated to any Partner pursuant to this Section 6.1.B(2) to the extent that such allocation would cause such Partner to have an Adjusted Capital Account Deficit (or increase any existing Adjusted Capital Account Deficit) (determined in the case of a Partner who also holds classes of Partnership Interests that are entitled to any preferences in distribution upon liquidation, by subtracting from such Partners Adjusted Capital Account the amount of such preferred distribution to be made upon liquidation) at the end of such taxable year (or portion thereof);
- (3) third, with respect to classes of Partnership Interests that are entitled to any preference in distribution upon liquidation, in reverse order of the priorities of each such class (and within each such class, pro rata in proportion to their respective Percentage Interests as of the last day of the period for which such allocation is being made); provided, however, that Net Loss shall not be allocated to any Partner pursuant to this Section 6.1.B(3) to the extent that such allocation would cause such Partner to have an Adjusted Capital Account Deficit (or increase any existing Adjusted Capital Account Deficit) at the end of such taxable year (or portion thereof);
- (4) fourth, to the General Partner in an amount equal to the amount of the Partnership's Recourse Liabilities; and
- (5) thereafter, to the General Partner.

C. Allocation of Nonrecourse Debt. For purposes of Regulation Section 1.752-3(a), the Partners agree that Nonrecourse Liabilities of the Partnership in excess of the sum of (i) the amount of Partnership Minimum Gain and (ii) the total amount of Nonrecourse Built-in Gain shall be allocated by the General Partner by taking into account facts and circumstances relating to each Partner's respective interest in the profits of the Partnership unless and to the extent provided otherwise in an agreement between any Partner and the Partnership. For this purpose, the General Partner shall have the sole and absolute discretion in any Fiscal Year to allocate such excess Nonrecourse Liabilities among the Partners in any manner permitted under Code Section 752 and the Regulations thereunder.

D. Recapture Income. Any gain allocated to the Partners upon the sale or other taxable disposition of any Partnership asset shall, to the extent possible after taking into account other required allocations of gain pursuant to Exhibit C, be characterized as Recapture Income in the same proportions and to the same extent as such Partners have been

allocated any deductions directly or indirectly giving rise to the treatment of such gains as Recapture Income.

E. Special Allocations Regarding LTIP Units. Notwithstanding the provisions of Section 6.1.A, Liquidating Gains shall first be allocated to the LTIP Unitholders until their Economic Capital Account Balances, to the extent attributable to their ownership of LTIP Units, are equal to (i) the Class A Unit Economic Balance, multiplied by (ii) the number of their LTIP Units, plus the aggregate net amount of Net Income and Net Loss allocated to such LTIP Units prior to the Distribution Participation Date with respect to such LTIP Units less the amount of any Special LTIP Unit Distributions with respect to such LTIP Units; provided, however, that no such

A-141

Table of Contents

Liquidating Gains will be allocated with respect to any particular LTIP Unit unless and to the extent that such Liquidating Gains, when aggregated with other Liquidating Gains realized since the issuance of such LTIP Unit, exceed Liquidating Losses realized since the issuance of such LTIP Unit. After giving effect to the special allocations set forth in Section 1 of Exhibit C hereto, and notwithstanding the provisions of Sections 6.1.A and 6.1.B above, in the event that, due to distributions with respect to Class A Units in which the LTIP Units do not participate or otherwise, the Economic Capital Account Balances of any present or former holder of LTIP Units, to the extent attributable to the holder's ownership of LTIP Units, exceed the target balance specified above, then Liquidating Losses shall be allocated to such holder to the extent necessary to reduce or eliminate the disparity. In the event that Liquidating Gains or Liquidating Losses are allocated under this Section 6.1.E, Net Income allocable under Section 6.1.A(6) and any Net Loss shall be recomputed without regard to the Liquidating Gains or Liquidating Losses so allocated. For this purpose, Liquidating Gains means net gains that are or would be realized in connection with the actual or hypothetical sale of all or substantially all of the assets of the Partnership, including but not limited to net capital gain realized in connection with an adjustment to the value of Partnership assets under Section 704(b) of the Code made pursuant to Section 1.D of Exhibit B of the Partnership Agreement. Liquidating Losses means any net capital loss realized in connection with any such event. The Economic Capital Account Balances of the LTIP Unitholders will be equal to their Capital Account balances to the extent attributable to their ownership of LTIP Units, plus the amount of their share of any Partner Minimum Gain or Partnership Minimum Gain, in either case to the extent attributable to their ownership of LTIP Units and computed on a hypothetical basis after taking into account all allocations through the date on which any allocation is made under this Section 6.1.E, but prior to the realization of any Liquidating Gains. Similarly, the Class A Unit Economic Balance shall mean (i) the Capital Account balance of the General Partner, plus the amount of the General Partner's share of any Partner Minimum Gain or Partnership Minimum Gain, in either case to the extent attributable to the General Partner's ownership of Class A Units and computed on a hypothetical basis after taking into account all allocations through the date on which any allocation is made under this Section 6.1.E, but prior to the realization of any Liquidating Gains, divided by (ii) the number of the General Partner's Class A Units. Any such allocations shall be made among the LTIP Unitholders in proportion to the amounts required to be allocated to each under this Section 6.1.E. The parties agree that the intent of this Section 6.1.E is to make the Capital Account balance associated with each LTIP Unit to be economically equivalent to the Capital Account balance associated with the General Partner's Class A Units (on a per-Unit basis, other than differences resulting from the allocation of Net Income and Net Loss allocated to such LTIP Units prior to the Distribution Participation Date with respect to such LTIP Units in excess of the amount of Special LTIP Unit Distributions paid with respect to such LTIP Units), provided that Liquidating Gains are of a sufficient magnitude to do so upon a sale of all or substantially all of the assets of the Partnership, or upon an adjustment to the Partners' Capital Accounts pursuant to Section 1.D of Exhibit B. To the extent the LTIP Unitholders receive a distribution in excess of their Capital Accounts, such distribution will be a guaranteed payment under Section 707(c) of the Code.

Section 6.2 Revisions to Allocations to Reflect Issuance of Partnership Interests

If the Partnership issues Partnership Interests to the General Partner or any Additional Limited Partner pursuant to Article IV hereof, the General Partner shall make such revisions to this Article VI and the Partner Registry in the books and records of the Partnership as it deems necessary to reflect the terms of the issuance of such Partnership Interests, including making preferential allocations to classes of Partnership Interests that are entitled thereto. Such revisions shall not require the consent or approval of any other Partner.

ARTICLE VII**MANAGEMENT AND OPERATIONS OF BUSINESS**

Section 7.1 Management

A. Powers of General Partner. Except as otherwise expressly provided in this Agreement, all management powers over the business and affairs of the Partnership are and shall be exclusively vested in the General Partner, and no Limited Partner shall have any right to participate in or exercise control or management power over the

A-142

business and affairs of the Partnership. The General Partner may not be removed by the Limited Partners with or without cause. In addition to the powers now or hereafter granted a general partner of a limited partnership under applicable law or which are granted to the General Partner under any other provision of this Agreement, the General Partner shall have full power and authority to do all things deemed necessary or desirable by it to conduct the business of the Partnership, to exercise all powers set forth in Section 3.2 and to effectuate the purposes set forth in Section 3.1, including, without limitation:

- (1) the making of any expenditures, the lending or borrowing of money (including, without limitation, making prepayments on loans and borrowing money to permit the Partnership to make distributions to its Partners in such amounts as are required under Section 5.1.A or will permit the General Partner Entity (so long as the General Partner Entity chooses to attempt to qualify as a REIT) to avoid the payment of any U.S. federal income tax (including, for this purpose, any excise tax pursuant to Section 4981 of the Code) and to make distributions to its shareholders sufficient to permit the General Partner Entity to maintain its REIT status), the assumption or guarantee of, or other contracting for, indebtedness and other liabilities including, without limitation, the assumption or guarantee of or otherwise contracting for (including by becoming a co-obligor, co-borrower, guarantor or surety or otherwise providing credit support of any kind) any indebtedness or other obligations of the General Partner, its Subsidiaries or the Partnership's Subsidiaries, the issuance of evidences of indebtedness (including the securing of same by mortgage, deed of trust or other lien or encumbrance on the Partnership's assets) and the incurring of any obligations the General Partner deems necessary for the conduct of the activities of the Partnership;
- (2) the making of tax, regulatory and other filings, or rendering of periodic or other reports to governmental or other agencies having jurisdiction over the business or assets of the Partnership;

The execution, delivery or performance by the General Partner or the Partnership of any agreement authorized or permitted under this Agreement shall be in the sole and absolute discretion of the General Partner without consideration of any other obligation or duty, fiduciary or otherwise, of the Partnership or the Limited Partners and shall not constitute a breach by the General Partner of any duty that

A-145

the General Partner may owe the Partnership or the Limited Partners or any other Persons under this Agreement or of any duty stated or implied by law or equity. The Limited Partners acknowledge that the General Partner is acting for the collective benefit of the Partnership, the Limited Partners and the shareholders of the General Partner or the General Partner Entity.

C. Insurance. At all times from and after the date hereof, the General Partner may cause the Partnership to obtain and maintain (i) casualty, liability and other insurance on the properties of the Partnership and its Subsidiaries and (ii) liability insurance for the Indemnitees hereunder, and (iii) such other insurance as the General Partner, in its sole and absolute discretion, determines to be necessary.

Section 7.2 Certificate of Limited Partnership

The General Partner has previously filed the Certificate of Limited Partnership with the Secretary of State of Delaware. To the extent that such action is determined by the General Partner to be reasonable and necessary or appropriate, the General Partner shall file amendments to and restatements of the Certificate of Limited Partnership and do all the things to maintain the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) under the laws of the State of Delaware and each other state, the District of Columbia or other jurisdiction in which the Partnership may elect to do business or own property. Subject to the terms of Section 8.5.A(4), the General Partner shall not be required, before or after filing, to deliver or mail a copy of the Certificate of Limited Partnership or any amendment thereto to any Limited Partner. The General Partner shall use all reasonable efforts to cause to be filed such other certificates or documents as may be reasonable and necessary or appropriate for the formation, continuation, qualification and operation of a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware and any other state, the District of Columbia or other jurisdiction in which the Partnership may elect to do business or own property.

Section 7.3 Title to Partnership Assets

Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partners, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, in its sole and absolute discretion, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner for the use and benefit of the Partnership in accordance with the provisions of this Agreement. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

Section 7.4 Reimbursement of the General Partner

A. No Compensation. Except as provided in this Section 7.4 and elsewhere in this Agreement (including Section 10.3.C and the provisions of Articles V and VI regarding distributions, payments and allocations to which it may be entitled), the General Partner shall not be compensated for its services as the general partner of the Partnership.

B. Responsibility for Partnership, General Partner and General Partner Entity Expenses. The Partnership shall be responsible for and shall pay all expenses relating to the Partnership's organization, the ownership of its

assets and its operations. The General Partner shall be reimbursed on a monthly basis, or such other basis as the General Partner may determine in its sole and absolute discretion, for all expenses it incurs relating to or resulting from the ownership and operation of, or for the benefit of, the Partnership (including, without limitation, (i) expenses relating to the ownership of interests in and operation of the Partnership, (ii) compensation of the officers and employees including, without limitation, payments under any stock option or incentive plan that provides for stock units, or other phantom stock, pursuant to which employees will receive payments based upon dividends on or the value of Shares, (iii) auditing expenses, (iv) director fees and expenses of the General Partner Entity, (v) all costs and expenses of being a public company, including costs of filings with the Securities and Exchange Commission, reports and other distributions to its shareholders, and (vi) all costs and expenses associated with litigation involving the General Partner and the General Partner Entity, the Partnership or any Subsidiary); provided, however, that (i) the amount of any such reimbursement shall be reduced by (x) any interest earned by the General Partner with respect to bank accounts or other instruments or accounts held by it on behalf of the Partnership as permitted in Section 7.5.A (which interest is considered to belong to the Partnership and shall be paid over to the Partnership to the extent not applied to reimburse the General Partner for expenses hereunder); and (y) any amount derived by the General Partner from any investments permitted in Section 7.5.A; (ii) if the General Partner or General Partner Entity qualifies as a REIT, the Partnership shall not be responsible for any taxes that the General Partner Entity would not have been required to pay if that entity qualified as a REIT for federal income tax purposes or any taxes imposed on the General Partner or General Partner Entity by reason of that entity's failure to distribute to its shareholders an amount equal to its taxable income; (iii) the Partnership shall not be responsible for expenses or liabilities incurred by the General Partner in connection with any business or assets of the General Partner other than its ownership of Partnership Interests or operation of the business of the Partnership or ownership of interests in Qualified Assets to the extent permitted in Section 7.5.A; and (iv) the Partnership shall not be responsible for any expenses or liabilities of the General Partner that are excluded from the scope of the indemnification provisions of Section 7.7.A by reason of the provisions of clause (i), (ii) or (iii) thereof. The General Partner shall determine in good faith the amount of expenses incurred by it or the General Partner Entity related to the ownership of Partnership Interests or operation of, or for the benefit of, the Partnership. If certain expenses are incurred that are related both to the ownership of Partnership Interests or operation of, or for the benefit of, the Partnership and to the ownership of other assets (other than Qualified Assets as permitted under Section 7.5.A) or the operation of other businesses, such expenses will be allocated to the Partnership and such other entities (including the General Partner and General Partner Entity) owning such other assets or businesses in such a manner as the General Partner in its sole and absolute discretion deems fair and reasonable. Such reimbursements shall be in addition to any reimbursement to the General Partner and the General Partner Entity pursuant to Section 10.3.C and as a result of indemnification pursuant to Section 7.7. All payments and reimbursements hereunder shall be characterized for U.S. federal income tax purposes as expenses of the Partnership incurred on its behalf, and not as expenses of the General Partner or General Partner Entity.

C. Partnership Interest Issuance Expenses. The General Partner shall also be reimbursed for all expenses it incurs relating to any issuance of Partnership Interests, Shares, Debt of the Partnership, Funding Debt of the General Partner or the General Partner Entity or rights, options, warrants or convertible or exchangeable securities pursuant to Article IV (including, without limitation, all costs, expenses, damages and other payments resulting from or arising in connection with litigation related to any of the foregoing), all of which expenses are considered by the Partners to constitute expenses of, and for the benefit of, the Partnership.

D. Repurchases of Shares. If the General Partner Entity exercises its rights under its organizational documents to purchase Shares or otherwise elects or is required to purchase from its shareholders Shares in connection with a share repurchase or similar program or otherwise, or for the purpose of delivering such Shares to satisfy an obligation under any dividend reinvestment or equity purchase program adopted by the General Partner Entity, any employee equity purchase plan adopted by the General Partner Entity or any similar obligation or arrangement undertaken by the General Partner Entity in the future, the purchase price paid by the General Partner Entity for those Shares and any

other expenses incurred by the General Partner Entity in connection with such purchase shall be considered expenses of the Partnership and shall be reimbursable to the

A-147

General Partner Entity, subject to the conditions that: (i) if those Shares subsequently are to be sold by the General Partner Entity, the General Partner Entity shall pay to the Partnership any proceeds received by the General Partner Entity for those Shares (provided, however, that a transfer of Shares for Partnership Units pursuant to Section 8.6 would not be considered a sale for such purposes); and (ii) if such Shares are required to be cancelled pursuant to applicable law or are not retransferred by the General Partner Entity within thirty (30) days after the purchase thereof, the General Partner shall cause the Partnership to cancel a number of Partnership Units (rounded to the nearest whole Partnership Unit) held by the General Partner equal to the product attained by multiplying the number of those Shares by a fraction, the numerator of which is one and the denominator of which is the Conversion Factor.

E. Reimbursement not a Distribution. Except as set forth in the succeeding sentence, if and to the extent any reimbursement made pursuant to this Section 7.4 is determined for U.S. federal income tax purposes not to constitute a payment of expenses of the Partnership, the amount so determined shall constitute a guaranteed payment with respect to capital within the meaning of Section 707(c) of the Code, shall be treated consistently therewith by the Partnership and all Partners and shall not be treated as a distribution for purposes of computing the Partners' Capital Accounts. Amounts deemed paid by the Partnership to the General Partner in connection with redemption of Partnership Units pursuant to Section 7.5.B shall be treated as a distribution for purposes of computing the Partners' Capital Accounts.

F. Funding for Certain Capital Transactions. In the event that the General Partner Entity shall undertake to acquire (whether by merger, consolidation, purchase, or otherwise) the assets or equity interests of another Person and such acquisition shall require the payment of cash by the General Partner Entity (whether to such Person or to any other selling party or parties in such transaction or to one or more creditors, if any, of such Person or such selling party or parties), (a) the Partnership shall advance to the General Partner Entity the cash required to consummate such acquisition if, and to the extent that, such cash is not to be obtained by the General Partner Entity through an issuance of Shares described in Section 4.2 or pursuant to a transaction described in Section 7.5.B, (b) the General Partner Entity shall, upon consummation of such acquisition, transfer to the Partnership (or cause to be transferred to the Partnership), in full and complete satisfaction of such advance and as required by Section 7.5, the assets or equity interests of such Person acquired by the General Partner Entity in such acquisition (or equity interests in Persons owning all of such assets or equity interests), and (c) pursuant to and in accordance with Section 4.2 and Section 7.5.B, the Partnership shall issue to the General Partner, Partnership Interests and/or rights, options, warrants or convertible or exchangeable securities of the Partnership having designations, preferences and other rights that are substantially the same as those of any additional Shares, other equity securities, New Securities and/or Convertible Funding Debt, as the case may be, issued by the General Partner Entity in connection with such acquisition (whether issued directly to participants in the acquisition transaction or to third parties in order to obtain cash to complete the acquisition). In addition to, and without limiting, the foregoing, in the event that the General Partner Entity engages in a transaction in which (x) the General Partner Entity (or a wholly owned direct or indirect Subsidiary of the General Partner Entity) merges with another entity (referred to as the Parent Entity) that is organized in the UPREIT form (i.e., where the Parent Entity holds substantially all of its assets and conducts substantially all of its operations through a partnership, limited liability company or other entity (referred to as an Operating Entity)) (UPREIT) and the General Partner Entity survives such merger, (y) such Operating Entity merges with or is otherwise acquired by the Partnership in exchange in whole or in part for Partnership Interests, and (z) the General Partner Entity is required or elects to pay part of the consideration in connection with such merger involving the Parent Entity in the form of cash and part of the consideration in the form of Shares, the Partnership shall distribute to the General Partner with respect to its existing Partnership Interest an amount of cash sufficient to complete such transaction and the General Partner shall cause the Partnership to cancel a number of Partnership Units (rounded to the nearest whole number) held by the General Partner equal to the product attained by multiplying the number of additional Shares of the General Partner Entity that the General Partner Entity would have issued to the Parent Entity or the owners of the Parent Entity in such transaction if the entire consideration therefor were to have been paid in Shares by a fraction, the numerator of which

is one and the denominator of which is the Conversion Factor.

A-148

Table of Contents**Section 7.5 Outside Activities of the General Partner; Relationship of Shares to Partnership Units; Funding Debt**

A. **General**. The General Partner may, in its sole and absolute discretion, from time to time hold or acquire assets in its own name or otherwise other than through the Partnership so long as the General Partner takes commercially reasonable measures to ensure that the economic benefits and burdens of such assets are otherwise vested in the Partnership, through assignment, mortgage loan or otherwise or, if it is not commercially reasonable to vest such economic interests in the Partnership, the General Partner shall make such amendments to this Agreement as the General Partner determines are necessary or desirable, including, without limitation, adjusting the Conversion Factor to reflect such activities and the direct ownership of assets by the General Partner. Nothing contained in this Agreement (including this Section 7.5) shall be deemed to prohibit the General Partner from guaranteeing or being a co-obligor, co-borrower, guarantor or surety of, or otherwise providing credit support of any kind in respect of, any Debt or other indebtedness or obligations of the Partnership.

B. **Repurchase of Shares and Other Securities**. If the General Partner Entity exercises its rights under its organizational documents to purchase Shares or otherwise elects to purchase from the holders thereof Shares, other equity securities of the General Partner Entity, New Securities or Convertible Funding Debt, then the General Partner Entity shall cause the Partnership to purchase from the General Partner Entity (a) in the case of a purchase of Shares, that number of Partnership Units of the appropriate class equal to the product obtained by multiplying the number of Shares purchased by the General Partner Entity times a fraction, the numerator of which is one and the denominator of which is the Conversion Factor, or (b) in the case of the purchase of any other securities on the same terms and for the same aggregate price that the General Partner Entity purchased such securities.

C. **Equity Incentive Plan**. If, at any time or from time to time, the General Partner Entity sells or otherwise issues Shares pursuant to any Equity Incentive Plan, the General Partner Entity shall transfer or cause to be transferred the proceeds of the sale of such Shares, if any, to the Partnership as an additional Capital Contribution and the Partnership shall issue to the General Partner Entity an amount of additional Partnership Units equal to the number of Shares so sold or issued divided by the Conversion Factor. If the Partnership or the General Partner Entity acquires Shares as a result of the forfeiture of such Shares under any Equity Incentive Plan, then the General Partner shall cause the Partnership to cancel, without payment of any consideration to the General Partner, that number of Partnership Units of the appropriate class equal to the number of Shares so acquired, and, if the Partnership acquired such Shares, it shall transfer such Shares to the General Partner for cancellation.

D. **Issuances of Shares and Other Securities**. So long as the common shares of the General Partner Entity are Publicly Traded, the General Partner Entity shall not grant, award or issue any additional Shares (other than Shares issued pursuant to Section 8.6 hereof or pursuant to a dividend or distribution (including any share split) of Shares to all of its shareholders that results in an adjustment to the Conversion Factor pursuant to clause (i), (ii) or (iii) of the definition thereof), other equity securities of the General Partner Entity, New Securities or Convertible Funding Debt unless (i) the General Partner shall cause, pursuant to Section 4.2.A hereof, the Partnership to issue to the General Partner, Partnership Interests or rights, options, warrants or convertible or exchangeable securities of the Partnership having designations, preferences and other rights, all such that the economic interests are substantially the same as those of such additional Shares, other equity securities, New Securities or Convertible Funding Debt, as the case may be, and (ii) in exchange therefor, the General Partner Entity transfers or otherwise causes to be transferred to the Partnership, as an additional Capital Contribution, the proceeds from the grant, award, or issuance of such additional Shares, other equity securities, New Securities or Convertible Funding Debt, as the case may be, or from the exercise of rights contained in such additional Shares, other equity securities, New Securities or Convertible Funding Debt, as the case may be (or, in the case of an acquisition described in Section 7.4.F in which all or a portion of the cash required to consummate such acquisition is to be obtained by the General Partner Entity through an issuance of Shares described in Section 4.2, the General Partner Entity complies with such Section 7.4.F). Without limiting the foregoing, the

General Partner Entity is expressly authorized to issue additional Shares, other equity securities, New Securities or Convertible

A-149

Table of Contents

Funding Debt, as the case may be, for less than fair market value, and the General Partner is expressly authorized, pursuant to Section 4.2.A hereof, to cause the Partnership to issue to the General Partner corresponding Partnership Interests (for example, and not by way of limitation, the issuance of Shares and corresponding Partnership Units pursuant to a share purchase plan providing for purchases of Shares, either by employees or shareholders, at a discount from fair market value or pursuant to employee share options that have an exercise price that is less than the fair market value of the Shares, either at the time of issuance or at the time of exercise), as long as (a) the General Partner concludes in good faith that such issuance is in the interests of the General Partner and the Partnership and (b) the General Partner Entity transfers all proceeds from any such issuance or exercise to the Partnership as an additional Capital Contribution.

E. Funding Debt. The General Partner or the General Partner Entity or any wholly owned Subsidiary of either of them may incur a Funding Debt, including, without limitation, Funding Debt that is convertible into Shares or otherwise constitutes a class of New Securities (**Convertible Funding Debt**), subject to the condition that the General Partner, the General Partner Entity or such Subsidiary, as the case may be, lend to the Partnership the net proceeds of such Funding Debt; provided, however, that Convertible Funding Debt shall be issued in accordance with the provisions of Section 7.5.D above; and, provided further that, if the General Partner Entity attempts to qualify as a REIT, the General Partner, the General Partner Entity or such Subsidiary shall not be obligated to lend the net proceeds of any Funding Debt to the Partnership in a manner that would be inconsistent with the General Partner's or General Partner Entity's ability to remain qualified as a REIT. If the General Partner, General Partner Entity or such Subsidiary enters into any Funding Debt, the loan to the Partnership shall be on comparable terms and conditions, including interest rate, repayment schedule, costs and expenses and other financial terms, as are applicable with respect to or incurred in connection with such Funding Debt.

F. Capital Contributions of the General Partner. The Capital Contributions by the General Partner pursuant to Sections 7.5.C and 7.5.D will be deemed to equal the cash contributed by the General Partner plus, (i) in the case of cash contributions funded by an offering of any equity interests in or other securities of the General Partner Entity, the offering costs attributable to the cash contributed to the Partnership to the extent not reimbursed pursuant to Section 7.4.C and (ii) in the case of Partnership Units issued pursuant to Section 7.5.C, an amount equal to the difference between the Value of the Shares sold pursuant to the Equity Incentive Plan and the net proceeds of such sale.

G. Tax Loans. The General Partner or the General Partner Entity may in its sole and absolute discretion, cause the Partnership to make an interest free loan to the General Partner or the General Partner Entity, as applicable, provided that the proceeds of such loans are used to satisfy any tax liabilities of the General Partner or the General Partner Entity, as applicable.

Section 7.6 Transactions with Affiliates

A. Transactions with Certain Affiliates. Except as expressly permitted by this Agreement with respect to any non-arms length transaction with an Affiliate, the Partnership shall not, directly or indirectly, sell, transfer or convey any property to, or purchase any property from, or borrow funds from, or lend funds to, any Partner or any Affiliate of the Partnership that is not also a Subsidiary of the Partnership, except (i) loans from the General Partner, the General Partner Entity, or any wholly owned Subsidiary of either of them to the extent required pursuant to Section 7.5E, and (ii) pursuant to transactions that are determined in good faith by the General Partner to be on terms that are fair and reasonable.

B. Conflict Avoidance. The General Partner is expressly authorized to enter into, in the name and on behalf of the Partnership, a non-competition arrangement and other conflict avoidance agreements with various Affiliates of the

Partnership and General Partner on such terms as the General Partner, in its sole and absolute discretion, believes are advisable.

C. Benefit Plans Sponsored by the Partnership. The General Partner in its sole and absolute discretion and without the approval of the Limited Partners, may propose and adopt on behalf of the Partnership employee benefit plans funded by the Partnership for the benefit of employees of the General Partner, the Partnership, Subsidiaries of the Partnership or any Affiliate of any of them.

Section 7.7 Indemnification

A. General. To the fullest extent permitted by law, the Partnership shall indemnify each Indemnitee from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including, without limitation, attorneys' fees and other legal fees and expenses), judgments, fines, settlements and other amounts, arising from or in connection with any and all claims, demands, subpoenas, requests for information, formal or informal investigations, actions, suits or proceedings, whether civil, criminal, administrative or investigative, incurred by the Indemnitee and relating to the Partnership, the General Partner or the General Partner Entity or the direct or indirect operation of, or the direct or indirect ownership of property by, the Indemnitee, Partnership or the General Partner or the General Partner Entity as set forth in this Agreement in which any such Indemnitee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established by a final determination of a court of competent jurisdiction that: (i) the act or omission of the Indemnitee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty, (ii) the Indemnitee actually received an improper personal benefit in money, property or services or (iii) in the case of any criminal proceeding, the Indemnitee had reasonable cause to believe that the act or omission was unlawful. Without limitation, the foregoing indemnity shall extend to any liability of any Indemnitee, pursuant to a loan guarantee, contractual obligation for any indebtedness or other obligation or otherwise, for any indebtedness of the Partnership or any Subsidiary of the Partnership (including, without limitation, any indebtedness which the Partnership or any Subsidiary of the Partnership has assumed or taken subject to), and the General Partner is hereby authorized and empowered, on behalf of the Partnership, to enter into one or more indemnity agreements consistent with the provisions of this Section 7.7 in favor of any Indemnitee having or potentially having liability for any such indebtedness. The termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnitee did not meet the requisite standard of conduct set forth in this Section 7.7.A. The termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the Indemnitee acted in a manner contrary to that specified in this Section 7.7.A with respect to the subject matter of such proceeding. Any indemnification pursuant to this Section 7.7 shall be made only out of the assets of the Partnership, and any insurance proceeds from the liability policy covering the General Partner and any Indemnitee, and neither the General Partner nor any Limited Partner shall have any obligation to contribute to the capital of the Partnership or otherwise provide funds to enable the Partnership to fund its obligations under this Section 7.7.

B. Reimbursement of Expenses. To the fullest extent permitted by law, reasonable expenses expected to be incurred by an Indemnitee shall be paid or reimbursed by the Partnership in advance of the final disposition of any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative made or threatened against an Indemnitee upon receipt by the Partnership of (i) a written affirmation by the Indemnitee of the Indemnitee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in this Section 7.7 has been met and (ii) a written undertaking by or on behalf of the Indemnitee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

C. No Limitation of Rights. The indemnification provided by this Section 7.7 shall be in addition to any other rights to which an Indemnitee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnitee who has ceased to serve in such capacity unless otherwise provided in a written agreement pursuant to which such Indemnitee is indemnified.

D. Insurance. The Partnership may purchase and maintain insurance on behalf of the Indemnitees and such other Persons as the General Partner shall determine against any liability that may be asserted against or expenses

A-151

that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Indemnitee or Person against such liability under the provisions of this Agreement.

E. No Personal Liability for Partners. In no event may an Indemnitee subject any of the Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

F. Interested Transactions. An Indemnitee shall not be denied indemnification in whole or in part under this Section 7.7 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

G. Benefit. The provisions of this Section 7.7 are also for the benefit of the Indemnitees, their employees, officers, directors, trustees, heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons. Any amendment, modification or repeal of this Section 7.7, or any provision hereof, shall be prospective only and shall not in any way affect the limitation on the Partnership's liability to any Indemnitee under this Section 7.7 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or related to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

H. Indemnification Payments Not Distributions. If and to the extent any payments to the General Partner pursuant to this Section 7.7 constitute gross income to the General Partner (as opposed to the repayment of advances made on behalf of the Partnership), such amounts shall constitute guaranteed payments within the meaning of Section 707(c) of the Code, shall be treated consistently therewith by the Partnership and all Partners, and shall not be treated as distributions for purposes of computing the Partners' Capital Accounts.

I. Exception to Indemnification. Notwithstanding anything to the contrary in this Agreement, the General Partner shall not be entitled to indemnification hereunder for any loss, claim, damage, liability or expense for which the General Partner is obligated to indemnify the Partnership under any other agreement between the General Partner and the Partnership.

Section 7.8 Liability of the General Partner

A. General. Notwithstanding anything to the contrary set forth in this Agreement, to the fullest extent permitted by law, the General Partner (which for the purposes of this Section 7.8 shall include the directors, trustees and officers of the General Partner) shall not be liable or accountable for monetary or other damages or otherwise to the Partnership, any Partners or any Assignees for losses sustained, liabilities incurred or benefits not derived as a result of errors in judgment or mistakes of fact or law or of any act or omission unless the General Partner acted in bad faith and the act or omission was material to the matter giving rise to the loss, liability or benefit not derived.

B. Tax Consequences of General Partner Entity and Limited Partners. The Limited Partners expressly acknowledge that the General Partner, in considering whether to dispose of any of the Partnership assets, shall take into account the tax consequences to the General Partner Entity of any such disposition and shall have no liability whatsoever to the Partnership or any Limited Partner for decisions that are based upon or influenced by such tax consequences. In addition, in exercising its authority under this Agreement with respect to other matters, the General Partner may, but shall be under no obligation to, take into account the tax consequences to any Partner (including the General Partner Entity) of any action taken (or not taken) by the General Partner. No decision or action (or failure to act) contemplated by the preceding sentence shall constitute a breach of any duty owed to the Partnership or the Limited Partners by law

or equity, fiduciary or otherwise. The General Partner and the Partnership shall not have liability to any Limited Partner for monetary or other damages or otherwise for losses sustained, liabilities incurred or benefits not derived by such Limited Partner in connection with any taking

A-152

or omission to take any such actions by the General Partner unless the General Partner acted in bad faith and the act or omission was material to the matter giving rise to the loss, liability or benefit not derived.

C. No Obligation to Consider Separate Interests of Limited Partners or Shareholders. The Limited Partners expressly acknowledge that the General Partner is acting on behalf of the Partnership, its equityholders (and, to the extent separate, the equityholders of the General Partner Entity), and the equityholders of the Limited Partners, collectively, and that, except as otherwise set forth herein, the General Partner is under no obligation to consider or give priority to the separate interests of the Limited Partners (including, without limitation, the tax consequences to Limited Partners or Assignees) in deciding whether to cause the Partnership to take (or decline to take) any actions. Any decisions or actions taken or not taken in accordance with the terms of this Agreement shall not constitute a breach of any duty owed to the Partnership or the Limited Partners by law or equity, fiduciary or otherwise. The General Partner and the Partnership shall not have liability to any Limited Partner for monetary or other damages or otherwise for losses sustained, liabilities incurred or benefits not derived by such Limited Partner in connection with any taking or omission to take any such actions by the General Partner unless the General Partner acted in bad faith and the act or omission was material to the matter giving rise to the loss, liability or benefit not derived.

D. Actions of Agents. Subject to its obligations and duties as General Partner set forth in Section 7.1.A, the General Partner may exercise any of the powers granted to it by this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents. The General Partner shall not be liable to the Partnership or any Partner for any misconduct or negligence on the part of any such agent appointed by the General Partner in good faith.

E. Effect of Amendment. Notwithstanding any other provision contained herein, any amendment, modification or repeal of this Section 7.9 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's liability to the Partnership and the Limited Partners or any other Person bound by this Agreement under this Section 7.8 as in effect immediately prior to such amendment, modification or repeal with respect to claims arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when such claims may arise or be asserted.

F. Limitations of Fiduciary Duty. Sections 7.1.B, 7.1.E and this Section 7.8 and any other Section of this Agreement limiting the liability of the General Partner and/or its trustees, directors and officers shall constitute an express limitation of any duties, fiduciary or otherwise, that they would owe the Partnership or the Limited Partners if such duty would be imposed by any law, in equity or otherwise.

G. Reliance on this Agreement. To the extent that, at law or in equity, the General Partner in its capacity as a Limited Partner, has duties (including fiduciary duties) and liabilities relating thereto to the Partnership or the Limited Partners, the General Partner shall not be liable to the Partnership or to any other Partner for its good faith reliance on the provisions of this Agreement. The provisions of this Agreement, to the extent that they restrict or eliminate the duties and liabilities of the General Partner or any other Person under the Act or otherwise existing at law or in equity, are agreed by the Partners to replace such other duties and liabilities of the General Partner.

Section 7.9 Other Matters Concerning the General Partner

A. Reliance on Documents. The General Partner may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, bond, debenture or other paper or document believed by it in good faith to be genuine and to have been signed or presented by the proper party or parties.

B. Reliance on Advisors. The General Partner may consult with legal counsel, accountants, appraisers, management consultants, investment bankers and other consultants and advisers selected by it, and any act taken

A-153

Table of Contents

or omitted to be taken in reliance upon the opinion of such Persons as to matters which the General Partner reasonably believes to be within such Person's professional or expert competence shall be conclusively presumed to have been done or omitted in good faith and in accordance with such opinion.

C. Action Through Agents. The General Partner shall have the right, in respect of any of its powers or obligations hereunder, to act through any of its duly authorized officers and a duly appointed attorney or attorneys-in-fact. Each such attorney shall, to the extent provided by the General Partner in the power of attorney, have full power and authority to do and perform all and every act and duty that is permitted or required to be done by the General Partner hereunder.

D. Actions to Maintain REIT Status or Avoid Taxation of the General Partner Entity. Notwithstanding any other provisions of this Agreement or the Act, if the General Partner Entity attempts to qualify as a REIT, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the General Partner Entity to qualify as a REIT or (ii) to allow the General Partner Entity to avoid incurring any liability for taxes under Section 857, 4981, or any other provision of the Code, is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

Section 7.10 Reliance by Third Parties

Notwithstanding anything to the contrary in this Agreement, any Person dealing with the Partnership shall be entitled to assume that the General Partner has full power and authority, without consent or approval of any other Partner or Person, to encumber, sell or otherwise use in any manner any and all assets of the Partnership, to enter into any contracts on behalf of the Partnership and to take any and all actions on behalf of the Partnership, and such Person shall be entitled to deal with the General Partner as if the General Partner were the Partnership's sole party in interest, both legally and beneficially. Each Limited Partner hereby waives any and all defenses or other remedies that may be available against such Person to contest, negate or disaffirm any action of the General Partner in connection with any such dealing, in each case except to the extent that such action imposes, or purports to impose, liability on the Limited Partner. In no event shall any Person dealing with the General Partner or its representatives be obligated to ascertain that the terms of this Agreement have been complied with or to inquire into the necessity or expedience of any act or action of the General Partner or its representatives. Each and every certificate, document or other instrument executed on behalf of the Partnership by the General Partner or its representatives shall be conclusive evidence in favor of any and every Person relying thereon or claiming thereunder that (i) at the time of the execution and delivery of such certificate, document or instrument, this Agreement was in full force and effect, (ii) the Person executing and delivering such certificate, document or instrument was duly authorized and empowered to do so for and on behalf of the Partnership, and (iii) such certificate, document or instrument was duly executed and delivered in accordance with the terms and provisions of this Agreement and is binding upon the Partnership.

Section 7.11 Indebtedness to Third Parties

The Partnership may incur Debt and other indebtedness, or enter into similar credit, guarantee, financing or refinancing arrangements for any purpose (including, without limitation, in connection with any acquisition of property and any borrowings from, or guarantees of Debt of the General Partner or any of its Affiliates) with any Person upon such terms as the General Partner determines appropriate.

ARTICLE VIII

RIGHTS AND OBLIGATIONS OF LIMITED PARTNERS

Section 8.1 Limitation of Liability

The Limited Partners, including the General Partner Entity, in its capacity as a Limited Partner, shall have no liability under this Agreement except as expressly provided in this Agreement, including Section 10.5, or under the Act.

A-154

Table of Contents**Section 8.2 Management of Business**

No Limited Partner or Assignee (other than the General Partner, any of its Affiliates, or any officer, director, employee, partner, agent or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such) shall take part in the operation, management or control (within the meaning of the Act) of the Partnership's business, transact any business in the Partnership's name or have the power to sign documents for or otherwise bind the Partnership. The transaction of any such business by the General Partner, any of its Affiliates or any officer, director, employee, partner, agent or trustee of the General Partner, the Partnership or any of their Affiliates, in their capacity as such, shall not affect, impair or eliminate the limitations on the liability of the Limited Partners or Assignees under this Agreement.

Section 8.3 Outside Activities of Limited Partners

Subject to Section 7.5 hereof, and subject to any agreements entered into pursuant to Section 7.6.B hereof and to any other agreements entered into by a Limited Partner or its Affiliates with the General Partner, the Partnership or a Subsidiary, any Limited Partner (other than the General Partner) and any officer, director, manager, employee, agent, trustee, Affiliate, member or shareholder of any Limited Partner shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities in direct or indirect competition with the Partnership. Neither the Partnership nor any Partners shall have any rights by virtue of this Agreement in any business ventures of any Limited Partner, officer, director, manager, employee, agent, trustee, Affiliate, member, shareholder or Assignee of any Limited Partner. None of the Limited Partners (other than the General Partner) or any other Person shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any business ventures of any other Person (other than the General Partner to the extent expressly provided herein), and no Person (other than the General Partner) shall have any obligation pursuant to this Agreement to offer any interest in any such business venture to the Partnership, any Limited Partner or any such other Person, even if such opportunity is of a character which, if presented to the Partnership, any Limited Partner or such other Person, could be taken by such Person.

Section 8.4 Return of Capital

Except pursuant to the right of redemption set forth in Section 8.6, no Limited Partner shall be entitled to the withdrawal or return of its Capital Contribution, except to the extent of distributions made pursuant to this Agreement or upon termination of the Partnership as provided herein. No Limited Partner or Assignee shall have priority over any other Limited Partner or Assignee either as to the return of Capital Contributions (except as permitted by Section 4.2.A) or, except to the extent provided by Exhibit C or as permitted by Sections 4.2.A, 5.1.B(i), 6.1.A and 6.1.B, or otherwise expressly provided in this Agreement, as to profits, losses, distributions or credits.

Section 8.5 Rights of Limited Partners Relating to the Partnership

A. General. In addition to other rights provided by this Agreement or by the Act, and except as limited by Section 8.5.D, each Limited Partner shall have the right, for a business purpose reasonably related to such Limited Partner's interest as a limited partner in the Partnership, upon written demand with a statement of the purpose of such demand and at such Limited Partner's own expense (including such administrative charges as the General Partner may establish from time to time):

- (1) to obtain a copy of the Partnership's U.S. federal, state and local income tax returns for each Fiscal Year;
- (2) to obtain a current list of the name and last known business, residence or mailing address of each Partner;

A-155

Table of Contents

(3) to obtain a copy of this Agreement and the Certificate of Limited Partnership and all amendments thereto, together with executed copies of all powers of attorney pursuant to which this Agreement, the Certificate of Limited Partnership and all amendments thereto have been executed;

(4) to obtain true and full information regarding the amount of cash and a description and statement of the Agreed Value of any other property or services contributed by each Partner and which each Partner has agreed to contribute in the future, and the date on which each Partner became a Partner; and

(5) other information regarding the affairs of the Partnership as is just and reasonable.

B. Notice of Conversion Factor. The Partnership shall notify each Limited Partner upon request (i) of the then current Conversion Factor and (ii) of any changes to the Conversion Factor.

C. Notice of Termination Transaction of the General Partner Entity. Prior to making any extraordinary distributions of cash or property to its shareholders or effecting a Termination Transaction, the General Partner Entity shall provide written notice to the Limited Partners of its intention to effect such distribution or Termination Transaction at least twenty (20) Business Days (or such shorter period determined by the General Partner Entity in its sole and absolute discretion) prior to the record date to determine shareholders eligible to receive such distribution or to vote upon such Termination Transaction (or, if no such record date is applicable, at least twenty (20) Business Days (or such shorter period determined by the General Partner Entity in its sole and absolute discretion) before consummation of such distribution or Termination Transaction). This provision for such notice shall not be deemed (i) to permit any transaction that otherwise is prohibited by this Agreement or requires a Consent of the Partners or (ii) to require a Consent on the part of any one or more of the Limited Partners to a transaction that does not otherwise require Consent under this Agreement. Each Limited Partner agrees, as a condition to the receipt of the notice pursuant hereto, to keep confidential the information set forth therein until such time as the General Partner Entity has made public disclosure thereof, to use such information during such period of confidentiality solely for purposes of determining whether to exercise the Redemption Right (if applicable) and to execute a confidentiality agreement provided by the General Partner Entity; provided, however, that a Limited Partner may disclose such information to its attorney, accountant and/or financial advisor for purposes of obtaining advice with respect to such exercise so long as such attorney, accountant and/or financial advisor agrees to receive and hold such information subject to this confidentiality requirement.

D. Confidentiality. Notwithstanding any other provision of this Section 8.5, the General Partner may keep confidential from the Limited Partners, for such period of time as the General Partner determines in its sole and absolute discretion, any information that (i) the General Partner reasonably believes to be in the nature of trade secrets or other information the disclosure of which the General Partner in good faith believes is not in the best interests of the Partnership or could damage the Partnership or its business or (ii) the Partnership is required by law or by agreements with unaffiliated third parties to keep confidential, provided, however, that this Section 8.5.D shall not affect the notice requirements set forth in Section 8.5.C.

Section 8.6 Redemption Right

A. General.

(i) Subject to Section 8.6.C, Section 8.6.E, and Section 11.6.E, at any time on or after one year following the later of (a) the beginning of the first full calendar month following the first date on which the common shares of the General

Partner Entity are Publicly Traded or (b) the date of the initial issuance thereof (which, in the event of the transfer of a Class A Unit or Class B Unit, shall be deemed to be the date that the Class A Unit or such Class B Unit, as the case may be, was issued to the original recipient thereof for purposes of this Section 8.6), or at such other time as may be set forth in the agreement pursuant to which the applicable Class A Units or Class B Units are issued, the holder of a Class A Unit or a Class B Unit (if other than the General Partner Entity or any Subsidiary of the General Partner Entity) shall have the right (the Redemption Right) to require the Partnership to redeem such Partnership Unit, with such redemption to occur on the

A-156

Table of Contents

Specified Redemption Date and at a redemption price equal to and in the form of the Cash Amount to be paid by the Partnership. Any such Redemption Right shall be exercised pursuant to a Notice of Redemption delivered to the Partnership (with a copy to the General Partner Entity) by the holder of the Partnership Units who is exercising the Redemption Right (the **Redeeming Partner**). A Limited Partner may exercise the Redemption Right from time to time, subject to a limit of once per fiscal quarter, with respect to part or all of the Partnership Units that it owns, as selected by the Limited Partner, provided, however, that a Limited Partner may not exercise the Redemption Right for fewer than one thousand (1,000) Partnership Units of a particular class unless such Redeeming Partner then holds fewer than one thousand (1,000) Partnership Units in that class, in which event the Redeeming Partner must exercise the Redemption Right for all of the Partnership Units held by such Redeeming Partner in that class, and provided further that, with respect to a Limited Partner which is an entity, such Limited Partner may exercise the Redemption Right for fewer than one thousand (1,000) Partnership Units without regard to whether or not such Limited Partner is exercising the Redemption Right for all of the Partnership Units held by such Limited Partner as long as such Limited Partner is exercising the Redemption Right on behalf of one or more of its equity owners in respect of one hundred percent (100%) of such equity owners' interests in such Limited Partner. For purposes hereof, a Class A Unit issued upon conversion of a Class B Unit shall be deemed to have been issued when the Class B Unit was issued.

(ii) The Redeeming Partner shall have no right with respect to any Partnership Units so redeemed to receive any distributions paid in respect of a Partnership Record Date for distributions in respect of Partnership Units after the Specified Redemption Date with respect to such Partnership Units.

(iii) The Assignee of any Limited Partner may exercise the rights of such Limited Partner pursuant to this Section 8.6, and such Limited Partner shall be deemed to have assigned such rights to such Assignee and shall be bound by the exercise of such rights by such Limited Partner's Assignee. In connection with any exercise of such rights by such Assignee on behalf of such Limited Partner, the Cash Amount shall be paid by the Partnership directly to such Assignee and not to such Limited Partner.

(iv) Notwithstanding the foregoing, and subject to Section 8.6.B(iv), if the General Partner Entity provides notice to the Limited Partners pursuant to Section 8.5.C hereof, the Redemption Right shall be exercisable, without regard to whether the Partnership Units have been outstanding for any specified period, during the period commencing on the date on which the General Partner Entity provides such notice and ending on the record date to determine shareholders eligible to receive such distribution or participate in such Termination Transaction (or if none, ending on the date of consummation of such distribution or Termination Transaction). If this subparagraph (iv) applies, the Specified Redemption Date is the date on which the Partnership and the General Partner receive notice of exercise of the Redemption Right, rather than ten (10) Business Days after receipt of the Notice of Redemption.

B. General Partner Entity Assumption of Redemption Right.

(i) If a Limited Partner has delivered a Notice of Redemption, the General Partner Entity may, in its sole and absolute discretion (subject to the limitations on ownership and transfer of Shares set forth in the organizational documents of the General Partner Entity), elect to assume directly and satisfy a Redemption Right. If such election is made by the General Partner Entity, the Partnership shall determine whether the General Partner Entity shall pay the Redemption Amount in the form of the Cash Amount or the Shares Amount. The Partnership's decision regarding whether such payment shall be made in the form of the Cash Amount or the Shares Amount shall be made by the General Partner, in its capacity as the general partner of the Partnership and in its sole and absolute discretion. Payment of the Redemption Amount in the form of Shares shall be in Shares duly authorized, validly issued, fully paid and nonassessable and if applicable, free and clear of any pledge, lien, encumbrance or restriction, other than those provided in the organizational documents of the General Partner Entity, the Securities Act, relevant state securities or blue sky laws and any applicable registration rights agreement with respect to such Shares entered into by the

Redeeming Partner, and shall bear a legend in form and substance determined by the General Partner Entity. Upon such payment by the General Partner Entity, the

A-157

Table of Contents

General Partner Entity shall acquire the Partnership Units offered for redemption by the Redeeming Partner and shall be treated for all purposes of this Agreement as the owner of such Partnership Units. Unless the General Partner Entity, in its sole and absolute discretion, shall exercise its right to assume directly and satisfy the Redemption Right, the General Partner Entity shall not have any obligation to the Redeeming Partner or to the Partnership with respect to the Redeeming Partner's exercise of the Redemption Right. If the General Partner Entity shall exercise its right to assume directly and satisfy the Redemption Right in the manner described in the first sentence of this Section 8.6B and shall fully perform its obligations in connection therewith, the Partnership shall have no right or obligation to pay any amount to the Redeeming Partner with respect to such Redeeming Partner's exercise of the Redemption Right, and each of the Redeeming Partner, the Partnership and the General Partner Entity shall, for U.S. federal income tax purposes, treat the transaction between the General Partner Entity and the Redeeming Partner as a sale of the Redeeming Partner's Partnership Units to the General Partner Entity.

(ii) If the General Partner determines that the General Partner Entity shall pay the Redeeming Partner the Redemption Amount in the form of Shares, the total number of Shares to be paid to the Redeeming Partner in exchange for the Redeeming Partner's Partnership Units shall be the applicable Shares Amount. If this amount is not a whole number of Shares, the Redeeming Partner shall be paid (i) that number of Shares which equals the nearest whole number less than such amount plus (ii) an amount of cash which the General Partner Entity determines, in its reasonable discretion, to represent the fair value of the remaining fractional Share which would otherwise be payable to the Redeeming Partner.

(iii) Each Redeeming Partner agrees to execute such documents or provide such information or materials as the General Partner Entity may reasonably require in connection with the issuance of Shares upon exercise of the Redemption Right.

C. Exceptions to Exercise of Redemption Right. Notwithstanding the provisions of Sections 8.6.A and 8.6.B, a Partner shall not be entitled to exercise the Redemption Right pursuant to Section 8.6.A if (but only as long as) the delivery of Shares to such Partner on the Specified Redemption Date would (i) be prohibited under the restrictions on the ownership or transfer of Shares in the organizational documents of the General Partner Entity, (ii) be prohibited under applicable federal or state securities laws or regulations (in each case regardless of whether the General Partner Entity would in fact assume and satisfy the Redemption Right), (iii) without limiting the foregoing, result in the General Partner's Entity's Shares being owned by fewer than 100 persons (determined without reference to rules of attribution), (iv) without limiting the foregoing, result in the General Partner Entity being closely held within the meaning of Section 856(h) of the Code or cause the General Partner to own, actually or constructively, ten percent (10%) or more of the ownership interests in a tenant of the General Partner Entity, the Partnership or a subsidiary of the Partnership within the meaning of Section 856(d)(2)(B) of the Code, (v) otherwise cause the General Partner Entity to fail to qualify as a REIT, or (v) without limiting the foregoing, cause the acquisition of the Shares by the Redeeming Partner to be integrated with any other distribution of Shares for purposes of complying with the registration provision of the Securities Act, as amended. Notwithstanding the foregoing, the General Partner may, in its sole and absolute discretion, waive such prohibition set forth in this Section 8.6.C.

D. No Liens on Partnership Units Delivered for Redemption. Each Limited Partner covenants and agrees that all Partnership Units delivered for redemption shall be delivered to the Partnership or the General Partner Entity, as the case may be, free and clear of all liens; and, notwithstanding anything contained herein to the contrary, neither the General Partner Entity nor the Partnership shall be under any obligation to acquire Partnership Units which are or may be subject to any liens. Each Limited Partner further agrees that, if any Federal, state or local tax is payable as a result of the transfer of its Partnership Units to the Partnership or the General Partner Entity, such Limited Partner shall assume and pay such transfer tax.

E. Additional Partnership Interests: Modification of Holding Period. If the Partnership issues Partnership Interests to any Additional Limited Partner pursuant to Article IV, the General Partner may make such revisions

A-158

Table of Contents

to this Section 8.6 as it determines are necessary to reflect the issuance of such Partnership Interests (including setting forth any restrictions on the exercise of the Redemption Right with respect to such Partnership Interests which differ from those set forth in this Agreement); provided, however, that no such revisions shall materially adversely affect the rights of any other Limited Partner to exercise its Redemption Right without that Limited Partner's prior written consent. In addition, the General Partner may, with respect to any holder or holders of Partnership Units, at any time and from time to time, as it shall determine in its sole and absolute discretion, (i) reduce or waive the length of the period prior to which such holder or holders may not exercise the Redemption Right or (ii) reduce or waive the length of the period between the exercise of the Redemption Right and the Specified Redemption Date. Notwithstanding the first sentence of Section 8.6.A(i), the Class A Units issued in connection with the consummation of the Reorganization under the Merger Agreement shall be entitled to exercise the Redemption Right with respect to such Class A Units at any time following the issuance of such Class A Units.

F. Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law that apply upon a Redeeming Partner's exercise of the Redemption Right. If a Redeeming Limited Partner believes that it is exempt from such withholding upon the exercise of the Redemption Right, such Partner must furnish the General Partner with a FIRPTA Certificate in substantially the form attached hereto as Exhibit G-1 or Exhibit G-2 and any other documentation reasonably requested by the General Partner.

G. Notwithstanding any other provision of this Agreement, the General Partner shall place appropriate restrictions on the ability of the Partners to exercise their Redemption Rights as and if deemed necessary to ensure that the Partnership does not constitute a publicly traded partnership taxable as an association under Section 7704 of the Code. If and when the General Partner determines that imposing such restrictions is necessary, the General Partner shall give prompt written notice thereof to each of the Partners.

ARTICLE IX

BOOKS, RECORDS, ACCOUNTING AND REPORTS

Section 9.1 Records and Accounting

The General Partner shall keep or cause to be kept at the principal office of the Partnership appropriate books and records with respect to the Partnership's business, including, without limitation, all books and records necessary to provide to the Limited Partners any information, lists and copies of documents required to be provided pursuant to Section 9.3. Any records maintained by or on behalf of the Partnership in the regular course of its business may be kept on, or be in the form of, punch cards, magnetic tape, photographs, micrographics or any other information storage device, provided, however, that the records so maintained are convertible into clearly legible written form within a reasonable period of time. The books of the Partnership shall be maintained, for financial and tax reporting purposes, on an accrual basis in accordance with generally accepted accounting principles.

Section 9.2 Fiscal Year

The Fiscal Year shall be the calendar year.

Section 9.3 Reports

A. Annual Reports. If and to the extent that the General Partner Entity mails its annual report to its shareholders, as soon as practicable, but in no event later than the date on such reports are mailed, the General Partner Entity shall cause to be mailed to each Limited Partner an annual report, as of the close of the most

A-159

recently ended Fiscal Year, containing financial statements of the Partnership, or of the General Partner Entity (and, if different, the General Partner) if such statements are prepared on a consolidated basis with the Partnership, for such Fiscal Year, presented in accordance with generally accepted accounting principles, such statements to be audited by a nationally recognized Big Four firm of independent public accountants selected by the General Partner Entity.

B. **Quarterly Reports.** If and to the extent that the General Partner Entity mails quarterly reports to its shareholders, as soon as practicable, but in no event later than the date on such reports are mailed, the General Partner Entity shall cause to be mailed to each Limited Partner a report containing unaudited financial statements, as of the last day of such fiscal quarter, of the Partnership, or of the General Partner Entity (and, if different, the General Partner) if such statements are prepared on a consolidated basis with the Partnership, and such other information as may be required by applicable law or regulation, or as the General Partner determines to be appropriate.

C. The General Partner shall have satisfied its obligations under **Sections 9.3.A** and **9.3.B** by (i) to the extent the General Partner Entity or the Partnership is subject to periodic reporting requirements under the Exchange Act, filing the quarterly and annual reports required thereunder within the time periods provided for the filing of such reports, including any permitted extensions, or (ii) posting or making available the reports required by this **Section 9.3** on the website maintained from time to time by the Partnership or the General Partner Entity, provided that such reports are able to be printed or downloaded from such website.

ARTICLE X

TAX MATTERS

Section 10.1 Preparation of Tax Returns

The General Partner shall arrange for the preparation and timely filing of all returns of Partnership income, gains, deductions, losses and other items required of the Partnership for U.S. federal and state income tax purposes and shall use all reasonable efforts to furnish, within ninety (90) days of the close of each taxable year, the tax information reasonably required by Limited Partners for federal and state income tax reporting purposes.

Section 10.2 Tax Elections

A. Except as otherwise provided herein, the General Partner shall, in its sole and absolute discretion, determine whether to make any available election pursuant to the Code (including the election under Section 754 of the Code). The General Partner shall have the right to seek to revoke any such election upon the General Partner's determination in its sole and absolute discretion that such revocation is in the best interests of the Partners.

B. To the extent provided for in Treasury Regulations, revenue rulings, revenue procedures and/or other IRS guidance issued after the date hereof, the Partnership is hereby authorized to, and at the direction of the General Partner shall, elect a safe harbor (the **LITP Safe Harbor** and such election, the **Safe Harbor Election**) under which the fair market value of any Partnership Interests issued in connection with the performance of services after the effective date of such Treasury Regulations (or other guidance) (such interests, **Safe Harbor Interests**) will be treated as equal to the liquidation value of such Safe Harbor Interests (i.e., a value equal to the total amount that would be distributed with respect to such interests if the Partnership sold all of its assets for their fair market value immediately after the issuance of such Safe Harbor Interests, satisfied its liabilities (excluding any non-recourse liabilities to the extent the balance of such liabilities exceeds the fair market value of the assets that secure them) and distributed the net proceeds

to the Partners under the terms of this Agreement). In the event that the Partnership makes a Safe Harbor Election as described in the preceding sentence, each Partner hereby agrees to comply with all Safe Harbor requirements with respect to transfers of such Safe Harbor Interests while the Safe Harbor Election remains effective.

Table of Contents**Section 10.3 Tax Partner and Partnership Tax Audit Matters**

A. **General.** The General Partner shall be the tax partner of the Partnership for federal, state and local income tax administrative or judicial proceedings (such administrative proceedings being referred to as a tax audit and such judicial proceedings being referred to as a judicial review) and is treated as the tax matters partner pursuant to Section 6231(a)(7) of the Code as in effect on November 1, 2015 (Subchapter C of Chapter 63 of the Code as in effect on November 1, 2015 referred to as the **Current Partnership Audit Rules**) and the partnership representative pursuant to Section 6223(a) of the Code as included in the Bipartisan Budget Act of 2015 (with the changes to Subchapter C of Chapter 63 of the Code as made by the Bipartisan Budget Act of 2015 referred to as the **2015 Budget Act Partnership Audit Rules**). The General Partner is authorized to conduct all tax audits and judicial reviews for the Partnership. So long as Section 6223(c)(3) of the Current Partnership Audit Rules is in effect, upon receipt of notice from the IRS of the beginning of an administrative proceeding with respect to the Partnership, the tax partner shall furnish the IRS with the name, address, taxpayer identification number and profit interest of each of the Limited Partners and any Assignees; **provided, however,** that such information is provided to the Partnership by the Limited Partners.

B. **Powers.** The tax partner is authorized, but not required (and the Partners hereby consent to the tax partner taking the following actions):

- (1) to elect out of the 2015 Budget Act Partnership Audit Rules, if available;
- (2) to enter into any settlement with the IRS with respect to any tax audit or judicial review for the adjustment of Partnership items required to be taken into account by a Partner or the Partnership for income tax purposes, and in the settlement agreement the tax partner may expressly state that such agreement shall bind the Partnership and all Partners, except that so long as the Current Partnership Audit Rules are in effect, such settlement agreement shall not bind any Partner (i) who (within the time prescribed pursuant to the Code and Regulations under the Current Partnership Audit Rules) files a statement with the IRS providing that the tax partner shall not have the authority to enter into a settlement agreement on behalf of such Partner or (ii) who is a notice partner (as defined in Section 6231(a)(8) of the Current Partnership Audit Rules) or a member of a notice group (as defined in Section 6223(b)(2) of the Current Partnership Audit Rules);
- (3) to seek judicial review of any adjustment assessed by the IRS or any other tax authority, including the filing of a petition for readjustment with the Tax Court or the filing of a complaint for refund with the United States Claims Court or the District Court of the United States for the district in which the Partnership's principal place of business is located;
- (4) to intervene in any action brought by any other Partner for judicial review of a final adjustment;
- (5) to file a request for an administrative adjustment with the IRS or other tax authority at any time and, if any part of such request is not allowed by the IRS or other tax authority, to file an appropriate pleading (petition or complaint) for judicial review with respect to such request;

- (6) to enter into an agreement with the IRS or other tax authority to extend the period for assessing any tax which is attributable to any item required to be taken into account by a Partner for tax purposes, or an item affected by such item;

- (7) to take any other action on behalf of the Partners of the Partnership in connection with any tax audit or judicial review proceeding, to the extent permitted by applicable law or regulations, including, without limitation, the following actions to the extent that the 2015 Budget Act Partnership Audit Rules apply to the Partnership and its current or former Partners:
 - a. electing to have the alternative method for the underpayment of taxes set forth in Section 6226 of the Code, as included in the 2015 Budget Act Partnership Audit Rules, apply to the Partnership and its current or former Partners; and

 - b. for Partnership level assessments under Section 6225 of the Code, as included in the 2015 Budget Act Partnership Audit Rules, determining apportionment of responsibility for payment among the

current or former Partners, setting aside reserves from Available Cash of the Partnership, withholding of distributions of Available Cash to the Partners, and requiring current or former Partners to make cash payments to the Partnership for their share of the Partnership level assessments; and

- (8) to take any other action required or permitted by the Code and Regulations in connection with its role as tax partner.

The taking of any action and the incurring of any expense by the tax partner in connection with any such audit or proceeding referred to in clause (7) above, except to the extent required by law, is a matter in the sole and absolute discretion of the tax partner and the provisions relating to indemnification of the General Partner set forth in Section 7.7 shall be fully applicable to the tax partner in its capacity as such. In addition, the General Partner shall be entitled to indemnification set forth in Section 7.7 for any liability for tax imposed on the Partnership under the 2015 Budget Act Partnership Audit Rules that is collected from the General Partner.

The current and former Partners agree to provide the following information and documentation to the Partnership and the tax partner to the extent that the 2015 Budget Act Partnership Audit Rules apply to the Partnership and its current or former Partners:

- (1) information and documentation to determine and prove eligibility of the Partnership to elect out of the 2015 Budget Act Partnership Audit Rules;
- (2) information and documentation to reduce the Partnership level assessment consistent with Section 6225(c) of the Code, as included in the 2015 Budget Act Partnership Audit Rules; and
- (3) information and documentation to prove payment of the attributable liability under Section 6226 of the Code, as included in the 2015 Budget Act Partnership Audit Rules.

In addition to the foregoing, and notwithstanding any other provision of this Agreement, including, without limitation, Section 14.1 of this Agreement, the General Partner is authorized (without any requirement of the consent or approval of any other Partners) to make all such amendments to this Section 10.3 as it shall determine, in its sole judgment, to be necessary, desirable or appropriate to implement the 2015 Budget Act Partnership Audit Rules and any regulations, procedures, rulings, notices, or other administrative interpretations thereof promulgated by the U.S. Treasury Department.

C. Reimbursement. The tax partner shall receive no compensation for its services. All third party costs and expenses incurred by the tax partner in performing its duties as such (including legal and accounting fees and expenses) shall be borne by the Partnership. Nothing herein shall be construed to restrict the Partnership from engaging an accounting firm and/or law firm to assist the tax partner in discharging its duties hereunder, so long as the compensation paid by the Partnership for such services is reasonable.

D. Survival. The obligations of each Partner under this Section 10.3 shall survive such Partner's withdrawal from the Partnership, and each Partner agrees to execute such documentation requested by the Partnership at the time of such Partner's withdrawal from the Partnership to acknowledge and confirm such Partner's continuing obligations under this Section 10.3.

Section 10.4 Organizational Expenses

The Partnership shall elect to deduct expenses as provided in Section 709 of the Code.

Section 10.5 Withholding

Each Limited Partner hereby authorizes the Partnership to withhold from or pay on behalf of or with respect to such Limited Partner any amount of U.S. federal, state, local, or foreign taxes that the General Partner determines

A-162

that the Partnership is required to withhold or pay with respect to any cash or property distributable, allocable or otherwise transferred to such Limited Partner pursuant to this Agreement, including, without limitation, any taxes required to be withheld or paid by the Partnership pursuant to Section 1441, 1442, 1445, or 1446 of the Code. Any amount withheld with respect to a Limited Partner pursuant to this Section 10.5 shall be treated as paid or distributed, as applicable, to such Limited Partner for all purposes under this Agreement to the extent that the Partnership is contemporaneously making distributions against which such amount can be offset. Any amount paid on behalf of or with respect to a Limited Partner, in excess of any such amount of contemporaneous distributions against which such amount paid can be offset, shall constitute a loan by the Partnership to such Limited Partner, which loan shall be repaid by such Limited Partner within fifteen (15) days after notice from the General Partner that such payment must be made unless (i) the Partnership withholds such payment from a distribution which would otherwise be made to the Limited Partner or (ii) the General Partner determines, in its sole and absolute discretion, that such payment may be satisfied out of the available funds of the Partnership which would, but for such payment, be distributed to the Limited Partner. Any amounts withheld pursuant to the foregoing clauses (i) or (ii) shall be treated as having been distributed or otherwise paid to such Limited Partner. Each Limited Partner hereby unconditionally and irrevocably grants to the Partnership a security interest in such Limited Partner's Partnership Interest to secure such Limited Partner's obligation to pay to the Partnership any amounts required to be paid pursuant to this Section 10.5. Any amounts payable by a Limited Partner hereunder shall bear interest at the base rate on corporate loans at large United States money center commercial banks, as published from time to time in The Wall Street Journal, plus four (4) percentage points (but not higher than the maximum rate that may be charged under applicable law) from the date such amount is due (i.e., fifteen (15) days after demand) until such amount is paid in full. Each Limited Partner shall take such actions as the Partnership or the General Partner shall request to perfect or enforce the security interest created hereunder.

ARTICLE XI**TRANSFERS AND WITHDRAWALS****Section 11.1 Transfer**

A. Definition. The term "transfer," when used in this Article XI with respect to a Partnership Interest or a Partnership Unit, shall be deemed to refer to a transaction by which the General Partner purports to assign all or any part of its General Partner Interest to another Person or by which a Limited Partner purports to assign all or any part of its Limited Partner Interest to another Person, and includes a transfer, sale, merger, consolidation, combination, assignment, bequest, conveyance, devise, gift, pledge, encumbrance, hypothecation, mortgage, exchange or any other disposition, whether voluntary or involuntary, by operation of law or otherwise. The term "transfer" when used in this Article XI does not include any redemption or repurchase of Partnership Units by the Partnership from a Partner or acquisition of Partnership Units from a Limited Partner by the General Partner Entity pursuant to Section 8.6 or otherwise. When used in this Article XI, the verb "transfer" shall have correlative meaning. No Partnership Interest shall be subject to the claims of any creditor, any spouse (for alimony, support or otherwise), or to legal process, and may not be voluntarily or involuntarily alienated or encumbered except as may be specifically provided for in this Agreement or consented to in writing by the General Partner, in its sole and absolute discretion.

B. General. No Partnership Interest shall be transferred, in whole or in part, except in accordance with the terms and conditions set forth in this Article XI. Any transfer or purported transfer of a Partnership Interest not made in accordance with this Article XI shall be null and void *ab initio*.

Section 11.2 Transfers and Withdrawals by General Partner and General Partner Entity

A. General. Neither the General Partner nor the General Partner Entity shall transfer any of its Partnership Interests, and, if the General Partner Entity is not the General Partner, the General Partner Entity may not transfer any of its direct or indirect interests in the General Partner, or withdraw from the Partnership, except (i) in

A-163

connection with a transaction permitted under Section 11.2.B, (ii) in connection with any merger (including a triangular merger), consolidation or other combination with or into another Person following the consummation of which the equity holders of the surviving entity are substantially identical to the shareholders of the General Partner Entity, (iii) with the Consent of the Outside Limited Partners; or (iv) to any Person that is, at the time of such transfer, an Affiliate of the General Partner Entity that is controlled by the General Partner Entity, including any Qualified REIT Subsidiary.

B. Termination Transactions. Notwithstanding the restrictions set forth in Section 11.2.A or any other provision of this Agreement, the General Partner Entity shall not engage in any merger (including, without limitation, a triangular merger), consolidation or other combination with or into another Person, sale of all or substantially all of its assets or any reclassification, recapitalization or other change in outstanding Shares (other than a change in par value, or from par value to no par value, or as a result of a subdivision or combination as described in the definition of Conversion Factor) (each, a **Termination Transaction**), unless, in connection with such Termination Transaction:

(1) the General Partner shall have obtained Partnership Approval of the Termination Transaction, as set forth below, if (x) the Termination Transaction would result in the Partners receiving consideration for their Partnership Units pursuant to clause (2) below and the General Partner Entity is required to seek the approval of its common shareholders of the Termination Transaction (**Shareholder Approval**) in a shareholder vote (a **Shareholder Vote**), or (y) the General Partner Entity would be required to obtain Shareholder Approval of the Termination Transaction but for the fact that a Tender Offer shall have been accepted with respect to a sufficient number of Shares to permit consummation of the Termination Transaction without Shareholder Approval, and

(2) all Partners either will receive, or will have the right to receive, for each Partnership Unit cash, securities or other property in the same form as, and equal in amount to the product of the Conversion Factor and the greatest amount of, the cash, securities or other property paid to a holder of Shares, if any, corresponding to such Partnership Unit in consideration of one such Share at any time during the period from and after the date on which the Termination Transaction is consummated; provided, however, that if in connection with the Termination Transaction, a purchase, tender or exchange offer (a **Tender Offer**) shall have been made to and accepted by the holders of the percentage required for the approval of mergers under the organizational documents of the General Partner Entity, each holder of Partnership Units shall receive, or shall have the right to receive, consideration equal to the fair market value of the greatest amount of cash, securities, or other property which such holder would have received had it exercised the Redemption Right and received Shares in exchange for its Partnership Units immediately prior to the expiration of such purchase, tender or exchange offer and had thereupon accepted such purchase, tender or exchange offer. In connection with any transaction permitted by Section 11.2B(2), fair market values shall be reasonably determined by the General Partner as of the time of such transaction.

C. Partnership Approval. As used above, **Partnership Approval** means Consent of the Limited Partners holding Class A Units and LTIP Units representing a Percentage Interest of Class A Units and LTIP Units that equals or exceeds the percentage of (x) the Shares outstanding or (y) the Shares cast, as applicable, in the Shareholder Vote ((x) or (y), as applicable, the **Required Denominator Shares**) required to be voted in favor of the Termination Transaction in the Shareholder Vote, provided that, for purposes of determining whether Partnership Approval has been obtained, the Percentage Interest of Limited Partners consenting to the Termination Transaction shall be calculated as follows: Such Percentage Interest shall be equal to the sum of (i) the Percentage Interest of Class A Units and LTIP Units held by Limited Partners consenting to the Termination Transaction (excluding for this purpose any Class A Units held by (1) the General Partner or the General Partner Entity, (2) any Person of which the General Partner or the General Partner Entity directly or indirectly owns or controls more than fifty percent (50%) of either the voting interests or economic interests and (3) any Person directly or indirectly owning or controlling more than fifty percent (50%) of the outstanding voting interests of the General Partner or the General Partner Entity (collectively, the

Excluded Units), *plus* (ii) the product of (1) the Percentage Interest attributable to the Excluded Units, *multiplied by* (2) either (x) the percentage of the

Required Denominator Shares voted in favor of the Termination Transaction by the General Partner Entity's shareholders in the Shareholder Vote to obtain Shareholder Approval, or (y) in the event a Tender Offer shall have been accepted with respect to a sufficient number of Shares to permit consummation of the Termination Transaction without Shareholder Approval, the percentage of outstanding Shares with respect to which such Tender Offer shall have been accepted.

D. Creation of New General Partner. The General Partner shall not enter into an agreement or other arrangement providing for or facilitating the creation of a general partner of the Partnership other than the General Partner, unless the successor general partner (i) is a direct or indirect controlled Affiliate of the General Partner, and (ii) executes and delivers a counterpart to this Agreement in which such successor general partner agrees to be fully bound by all of the terms and conditions contained herein that are applicable to the General Partner.

Section 11.3 Transfers by Limited Partners

A. General. Except to the extent expressly permitted in Sections 11.3.B and 11.3.C or in connection with the exercise of a Redemption Right pursuant to Section 8.6, a Limited Partner (other than the General Partner and the General Partner Entity, in their capacities as Limited Partners) may not transfer any portion of its Partnership Interest, or any of such Limited Partner's rights as a Limited Partner, without the prior written consent of the General Partner, which consent may be withheld in the General Partner's sole and absolute discretion. Any transfer otherwise permitted under Sections 11.3.B and 11.3.C shall be subject to the conditions set forth in Section 11.3.D and 11.3.E, and all permitted transfers shall be subject to Sections 11.4, 11.5 and 11.6.

B. Incapacitated Limited Partner. If a Limited Partner is subject to Incapacity, the executor, administrator, trustee, committee, guardian, conservator or receiver of such Limited Partner's estate shall have all the rights of a Limited Partner, but not more rights than those enjoyed by other Limited Partners, for the purpose of settling or managing the estate and such power as the Incapacitated Limited Partner possessed to transfer all or any part of his, her or its interest in the Partnership. The Incapacity of a Limited Partner, in and of itself, shall not dissolve or terminate the Partnership.

C. Permitted Transfers. Subject to Sections 11.3.D, 11.3.E, 11.4, 11.5 and 11.6, a Limited Partner may transfer, with or without the consent of the General Partner, all or a portion of its Partnership Interest (i) in the case of a Limited Partner who is an individual, to a member of his Immediate Family, any trust formed for the benefit of himself and/or members of his Immediate Family, or any partnership, limited liability company, joint venture, corporation or other business entity comprised only of himself and/or members of his Immediate Family and entities the ownership interests in which are owned by or for the benefit of himself and/or members of his Immediate Family, (ii) in the case of a Limited Partner which is a trust, to the beneficiaries of such trust, (iii) in the case of a Limited Partner which is a partnership, limited liability company, joint venture, corporation or other business entity to which Partnership Units were transferred pursuant to clause (i) above, to its partners, owners or shareholders, as the case may be, who are members of the Immediate Family of or are actually the Person(s) who transferred Partnership Units to it pursuant to clause (i) above, (iv) in the case of a Limited Partner which acquired Partnership Units as of the date hereof and which is a partnership, limited liability company, joint venture, corporation or other business entity, to its partners, owners, shareholders or Affiliates thereof, as the case may be, or the Persons owning the beneficial interests in any of its partners, owners or shareholders or Affiliates thereof (it being understood that this clause (iv) will apply to all of each Person's Partnership Interests whether the Partnership Units relating thereto were acquired on the date hereof or hereafter), (v) in the case of a Limited Partner which is a partnership, limited liability company, joint venture, corporation or other business entity other than any of the foregoing described in clause (iii) or (iv), in accordance with the terms of any agreement between such Limited Partner and the Partnership pursuant to which such Partnership

Interest was issued, (vi) pursuant to a gift or other transfer without consideration, (vii) pursuant to applicable laws of descent or distribution, (viii) to another Limited Partner, and (ix) pursuant to a grant of security interest or other

encumbrance thereof effectuated in a bona fide pledge transaction with a bona fide financial institution as a result of the exercise of remedies related thereto, subject to the provisions of Section 11.3.F hereof. A trust or other entity will be considered formed for the benefit of a Partner's Immediate Family even though some other Person has a remainder interest under or with respect to such trust or other entity.

D. No Transfers Violating Securities Laws. The General Partner may prohibit any transfer of Partnership Units by a Limited Partner unless it receives a written opinion of legal counsel (which opinion and counsel shall be reasonably satisfactory to the Partnership) to such Limited Partner to the effect that such transfer would not require filing of a registration statement under the Securities Act or would not otherwise violate any federal or state securities laws or regulations applicable to the Partnership or the Partnership Unit or, at the option of the Partnership, an opinion of legal counsel to the Partnership to the same effect.

E. No Transfers to Holders of Nonrecourse Liabilities. No pledge or transfer of any Partnership Units may be made to a lender to the Partnership or any Person who is related (within the meaning of Section 1.752-4(b) of the Regulations) to any lender to the Partnership whose loan otherwise constitutes a Nonrecourse Liability unless (i) the General Partner is provided prior written notice thereof and (ii) the lender enters into an arrangement with the Partnership and the General Partner to exchange or redeem for the Redemption Amount any Partnership Units in which a security interest is held simultaneously with the time at which such lender would be deemed to be a partner in the Partnership for purposes of allocating liabilities to such lender under Section 752 of the Code.

Section 11.4 Substituted Limited Partners

A. Consent of General Partner. No Limited Partners shall have the right to substitute a transferee as a Limited Partner in its place (including any transferees permitted by Section 11.3). The General Partner shall, however, have the right to consent to the admission of a transferee of the interest of a Limited Partner pursuant to this Section 11.4 as a Substituted Limited Partner, which consent may be given or withheld by the General Partner in its sole and absolute discretion. The General Partner's failure or refusal to permit a transferee of any such interests to become a Substituted Limited Partner shall not give rise to any cause of action against the Partnership, the General Partner or any Partner. The General Partner hereby grants its consent to the admission as a Substituted Limited Partner to any bona fide financial institution that loans money or otherwise extends credit to a holder of Partnership Units and thereafter becomes the owner of such Partnership Units pursuant to the exercise by such financial institution of its rights under a pledge of such Partnership Units granted in connection with such loan or extension of credit.

B. Rights of Substituted Partner. A transferee who has been admitted as a Substituted Limited Partner in accordance with this Article XI shall have all the rights and powers and be subject to all the restrictions and liabilities of a Limited Partner under this Agreement. The admission of any transferee as a Substituted Limited Partner shall be conditioned upon the transferee executing and delivering to the Partnership an acceptance of all the terms and conditions of this Agreement (including, without limitation, the provisions of Section 15.11) and such other documents or instruments as may be required or advisable, in the sole and absolute discretion of the General Partner, to effect the admission, each in form and substance reasonably satisfactory to the General Partner.

C. Partner Registry. Upon the admission of a Substituted Limited Partner, the General Partner shall update the Partner Registry in the books and records of the Partnership as it deems necessary to reflect such admission in the Partner Registry.

Section 11.5 Assignees

If the General Partner, in its sole and absolute discretion, does not consent to the admission of any permitted transferee under Section 11.3 as a Substituted Limited Partner, as described in Section 11.4, such transferee shall be considered an Assignee for purposes of this Agreement. An Assignee shall be entitled to all the rights of an

A-166

assignee of a limited partnership interest under the Act, including the right to receive distributions from the Partnership and the share of Net Income, Net Loss, gain, loss and Recapture Income attributable to the Partnership Units assigned to such transferee, and shall have the rights granted to the Limited Partners under Section 8.6, but shall not be deemed to be a holder of Partnership Units for any other purpose under this Agreement, and shall not be entitled to vote such Partnership Units in any matter presented to the Limited Partners for a vote (such Partnership Units being deemed to have been voted on such matter in the same proportion as all other Partnership Units held by Limited Partners are voted). If any such transferee desires to make a further assignment of any such Partnership Units, such transferee shall be subject to all the provisions of this Article XI to the same extent and in the same manner as any Limited Partner desiring to make an assignment of Partnership Units.

Section 11.6 General Provisions

A. Withdrawal of Limited Partner. No Limited Partner may withdraw from the Partnership other than as a result of a permitted transfer of all of such Limited Partner's Partnership Units in accordance with this Article XI and the transferee of such Partnership Units being admitted to the Partnership as a Substituted Limited Partner, or pursuant to redemption of all of its Partnership Units under Section 8.6.

B. Termination of Status as Limited Partner. Any Limited Partner who shall transfer all of its Partnership Units in a transfer permitted pursuant to this Article XI where such transferee was admitted as a Substituted Limited Partner or pursuant to redemption of all of its Partnership Units under Section 8.6 shall cease to be a Limited Partner.

C. Timing of Transfers. Transfers pursuant to this Article XI may only be made upon ten (10) Business Days prior notice to the General Partner, unless the General Partner otherwise agrees.

D. Allocations. If any Partnership Interest is transferred during any the Fiscal Year in compliance with the provisions of this Article XI or redeemed or transferred pursuant to Section 8.6, Net Income, Net Loss, each item thereof and all other items attributable to such interest for such Fiscal Year shall be divided and allocated between the transferor Partner and the transferee Partner by taking into account their varying interests during the Fiscal Year in accordance with Section 706(d) of the Code and corresponding Regulations, using the interim closing of the books method (unless the General Partner, in its sole and absolute discretion, elects to adopt a daily, weekly, or a monthly proration period, in which event Net Income, Net Loss, each item thereof and all other items attributable to such interest for such Fiscal Year shall be prorated based upon the applicable method selected by the General Partner). Solely for purposes of making such allocations, at the discretion of the General Partner, each of such items for the calendar month in which the transfer or redemption occurs shall be allocated to the Person who is a Partner as of midnight on the last day of said month. All distributions of Available Cash attributable to any Partnership Unit with respect to which the Partnership Record Date is before the date of such transfer, assignment or redemption shall be made to the transferor Partner or the Redeeming Partner, as the case may be, and, in the case of a transfer or assignment other than a redemption, all distributions of Available Cash thereafter attributable to such Partnership Unit shall be made to the transferee Partner.

E. Additional Restrictions. Notwithstanding anything to the contrary herein, and in addition to any other restrictions on transfer contained herein or in any Equity Incentive Plan, including, without limitation, the provisions of Article VII and this Article XI, in no event may any transfer or assignment of a Partnership Interest by any Partner (including pursuant to Section 8.6) be made without the express consent of the General Partner, in its sole and absolute discretion, (i) to any person or entity who lacks the legal right, power or capacity to own a Partnership Interest; (ii) in violation of applicable law; (iii) of any component portion of a Partnership Interest, such as the Capital Account, or rights to distributions, separate and apart from all other components of a Partnership Interest; (iv) if the General

Partner determines in its reasonable discretion that there is a significant risk that such transfer would cause a termination of the Partnership for U.S. federal or state income tax purposes (except as a result of the redemption or exchange for Shares of all Partnership Units held by all Limited Partners

other than the General Partner, or any Subsidiary of either, or pursuant to a transaction expressly permitted under Section 11.2); (v) if the General Partner determines in its reasonable discretion that there is a significant risk that such transfer would cause the Partnership to cease to be classified as a partnership for U.S. federal income tax purposes (except as a result of the redemption or exchange for Shares of all Units held by all Limited Partners other than the General Partner, or any Subsidiary of either, or pursuant to a transaction expressly permitted under Section 11.2); (vi) if such transfer requires the registration of such Partnership Interest pursuant to any applicable federal or state securities laws; (vii) if such transfer is effectuated through an established securities market or a secondary market (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code or such transfer causes the Partnership to become a publicly traded partnership, as such term is defined in Section 469(k)(2) or Section 7704(b) of the Code (provided, however, that, this clause (vii) shall not be the basis for limiting or restricting in any manner the exercise of the Redemption Right under Section 8.6 unless, and only to the extent that, outside tax counsel provides to the General Partner an opinion to the effect that, in the absence of such limitation or restriction, there is a significant risk that the Partnership will be treated as a publicly traded partnership and, by reason thereof, taxable as a corporation); (viii) if such transfer subjects the Partnership or the activities of the Partnership to regulation under the Investment Company Act of 1940, the Investment Advisors Act of 1940 or ERISA, each as amended; (ix) if the General Partner Entity attempts to qualify as a REIT and if the General Partner determines in its reasonable discretion that there is a risk that such transfer would adversely affect the ability of the General Partner Entity to continue to qualify as a REIT or subject the General Partner Entity to any additional taxes under Section 857, Section 4981, or any other provision of the Code.

F. Avoidance of Publicly Traded Partnership Status. The General Partner shall monitor the transfers of interests in the Partnership to determine (i) if such interests are being traded on an established securities market or a secondary market (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code and (ii) whether additional transfers of interests would result in the Partnership being unable to qualify for at least one of the safe harbors set forth in Regulations Section 1.7704-1 (or such other guidance subsequently published by the IRS setting forth safe harbors under which interests will not be treated as readily tradable on a secondary market (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code) (the **Safe Harbors**). The General Partner shall take all steps reasonably necessary or appropriate to prevent any trading of interests or any recognition by the Partnership of transfers made on such markets and, except as otherwise provided herein, to ensure that at least one of the Safe Harbors is met; provided, however, that the foregoing shall not authorize the General Partner to limit or restrict in any manner the right of any holder of a Partnership Unit to exercise the Redemption Right in accordance with the terms of Section 8.6 unless, and only to the extent that, outside tax counsel provides to the General Partner an opinion to the effect that, in the absence of such limitation or restriction, there is a significant risk that the Partnership will be treated as a publicly traded partnership and, by reason thereof, taxable as a corporation.

ARTICLE XII**ADMISSION OF PARTNERS****Section 12.1 Admission of a Successor General Partner**

A successor to all of the General Partner's General Partner Interest pursuant to Section 11.2 who is proposed to be admitted as a successor General Partner shall be admitted to the Partnership as the General Partner, effective upon such transfer. Any such successor shall carry on the business of the Partnership without dissolution. In such case, the admission shall be subject to such successor General Partner executing and delivering to the Partnership an acceptance of all of the terms and conditions of this Agreement and such other documents or instruments as may be required to effect the admission.

Section 12.2 Admission of Additional Limited Partners

A. General. No Person shall be admitted as an Additional Limited Partner without the consent of the General Partner, which consent shall be given or withheld in the General Partner's sole and absolute discretion. A

A-168

Table of Contents

Person who makes a Capital Contribution to the Partnership in accordance with this Agreement shall be admitted to the Partnership as an Additional Limited Partner only with the consent of the General Partner and only upon furnishing to the General Partner (i) evidence of acceptance in form satisfactory to the General Partner of all of the terms and conditions of this Agreement, including, without limitation, the power of attorney granted in Section 15.11 and (ii) such other documents or instruments as may be required in the discretion of the General Partner to effect such Person's admission as an Additional Limited Partner. The admission of any Person as an Additional Limited Partner shall become effective on the date upon which the name of such Person is recorded on the books and records of the Partnership, following the consent of the General Partner to such admission.

B. Allocations to Additional Limited Partners. If any Additional Limited Partner is admitted to the Partnership on any day other than the first day of a Fiscal Year, then Net Income, Net Loss, each item thereof and all other items allocable among Partners and Assignees for such Fiscal Year shall be allocated among such Additional Limited Partner and all other Partners and Assignees by taking into account their varying interests during the Fiscal Year in accordance with Section 706(d) of the Code and corresponding Regulations, using the interim closing of the books method (unless the General Partner, in its sole and absolute discretion, elects to adopt a daily, weekly or monthly proration method, in which event Net Income, Net Loss, and each item thereof would be prorated based upon the applicable period selected by the General Partner). Solely for purposes of making such allocations, at the discretion of the General Partner, each of such items for the calendar month in which an admission of any Additional Limited Partner occurs shall be allocated among all the Partners and Assignees including such Additional Limited Partner. All distributions of Available Cash with respect to which the Partnership Record Date is before the date of such admission shall be made solely to Partners and Assignees other than the Additional Limited Partner, and all distributions of Available Cash thereafter shall be made to all the Partners and Assignees including such Additional Limited Partner.

Section 12.3 Amendment of Agreement and Certificate of Limited Partnership

For the admission to the Partnership of any Partner, the General Partner shall take all steps necessary and appropriate under the Act to amend the records of the Partnership and, if necessary, to prepare as soon as practical an amendment of this Agreement (including an amendment to the Partner Registry) and, if required by law, shall prepare and file an amendment to the Certificate of Limited Partnership and may for this purpose exercise the power of attorney granted pursuant to Section 15.11 hereof.

ARTICLE XIII**DISSOLUTION AND LIQUIDATION****Section 13.1 Dissolution**

The Partnership shall not be dissolved by the admission of Substituted Limited Partners or Additional Limited Partners or by the admission of a successor General Partner in accordance with the terms of this Agreement. Upon the withdrawal of the General Partner, any successor General Partner shall continue the business of the Partnership. The Partnership shall dissolve, and its affairs shall be wound up, upon the first to occur of any of the following (Liquidating Events):

(i) an event of withdrawal of the General Partner (other than an event of bankruptcy), unless within ninety (90) days after the withdrawal, the Consent of the Outside Limited Partners to continue the business of the Partnership and to the appointment, effective as of the date of withdrawal, of a substitute General Partner is obtained;

- (ii) an election to dissolve the Partnership made by the General Partner in its sole and absolute discretion;
- (iii) entry of a decree of judicial dissolution of the Partnership pursuant to the provisions of the Act;

(iv) ninety (90) days after the sale of all or substantially all of the assets and properties of the Partnership for cash or for marketable securities; or

(v) a final and non-appealable judgment is entered by a court of competent jurisdiction ruling that the General Partner is bankrupt or insolvent, or a final and non-appealable order for relief is entered by a court with appropriate jurisdiction against the General Partner, in each case under any federal or state bankruptcy or insolvency laws as now or hereafter in effect, unless prior to or at the time of the entry of such order or judgment, the Consent of the Partners holding more than 50% of the Percentage Interests represented by the Class A Units is obtained to continue the business of the Partnership and to the appointment, effective as of a date prior to the date of such order or judgment, of a substitute General Partner.

Section 13.2 Winding Up

A. General. Upon the occurrence of a Liquidating Event, the Partnership shall continue solely for the purposes of winding up its affairs in an orderly manner, liquidating its assets, and satisfying the claims of its creditors and Partners. No Partner shall take any action that is inconsistent with, or not necessary to or appropriate for, the winding up of the Partnership's business and affairs. The General Partner (or, if there is no remaining General Partner, any Person elected by a majority in interest of the Limited Partners (the Liquidator)) shall be responsible for overseeing the winding up and dissolution of the Partnership and shall take full account of the Partnership's liabilities and property and the Partnership property shall be liquidated as promptly as is consistent with obtaining the fair value thereof, and the proceeds therefrom (which may, to the extent determined by the General Partner, include equity or other securities of the General Partner or any other entity) shall be applied and distributed in the following order:

- (1) First, to the payment and discharge of all of the Partnership's debts and liabilities to creditors other than the Partners;
- (2) Second, to the payment and discharge of all of the Partnership's debts and liabilities to the General Partner;
- (3) Third, to the payment and discharge of all of the Partnership's debts and liabilities to the Limited Partners;
- (4) Fourth, to the holders of Partnership Interests that are entitled to any preference in distribution upon liquidation in accordance with the rights of any such class or series of Partnership Interests (and, within each such class or series, to each holder thereof pro rata based on its Percentage Interest in such class); and
- (5) Fifth, the balance, if any, to the Partners, including, without limitation, the holders of the Vested LTIP Units, in proportion to their respective positive Capital Account balances, determined after giving effect to all contributions, distributions, and allocations for all periods.

The General Partner shall not receive any additional compensation for any services performed pursuant to this Article XIII, other than reimbursement of its expenses as provided in Section 7.4.

B. Deferred Liquidation. Notwithstanding the provisions of Section 13.2.A which require liquidation of the assets of the Partnership, but subject to the order of priorities set forth therein, if prior to or upon dissolution of the Partnership the Liquidator determines that an immediate sale of part or all of the Partnership's assets would be impractical or would cause undue loss to the Partners, the Liquidator may, in its sole and absolute discretion, defer for a reasonable time the liquidation of any assets except those necessary to satisfy liabilities of the Partnership (including to those Partners as creditors) or distribute to the Partners, in lieu of cash, in accordance with the provisions of Section 13.2.A, undivided interests in such Partnership assets as the Liquidator deems not suitable for liquidation. Any such distributions in kind shall be made only if, in the good faith judgment of the Liquidator, such distributions in kind are in the best interest of the Partners, and shall be subject to such

conditions relating to the disposition and management of such properties as the Liquidator deems reasonable and equitable and to any agreements governing the operation of such properties at such time. The Liquidator shall determine the fair market value of any property distributed in kind using such reasonable method of valuation as it may adopt.

Section 13.3 Compliance with Timing Requirements of Regulations; Deficit Capital Accounts

A. **Timing of Distributions**. If the Partnership is liquidated within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g), distributions shall be made under this **Article XIII** to the General Partner and Limited Partners who have positive Capital Accounts in compliance with Regulations Section 1.704-1(b)(2)(ii)(b)(2). In the discretion of the General Partner a pro rata portion of the distributions that would otherwise be made to the General Partner and Limited Partners pursuant to this **Article XIII** may be: (A) distributed to a trust established for the benefit of the General Partner and Limited Partners for the purposes of liquidating Partnership assets, collecting amounts owed to the Partnership and paying any contingent or unforeseen liabilities or obligations of the Partnership or of the General Partner arising out of or in connection with the Partnership (in which case the assets of any such trust shall be distributed to the General Partner and Limited Partners from time to time, in the reasonable discretion of the General Partner, in the same proportions as the amount distributed to such trust by the Partnership would otherwise have been distributed to the General Partner and Limited Partners pursuant to this Agreement); or (B) withheld to provide a reasonable reserve for Partnership liabilities (contingent or otherwise) and to reflect the unrealized portion of any installment obligations owed to the Partnership; provided, however, that such withheld amounts shall be distributed to the General Partner and Limited Partners as soon as practicable.

B. **Deficit Capital Accounts Upon Liquidation of the Partnership**. If any Partner has a deficit balance in its Capital Account (after giving effect to all contributions, distributions and allocations for all taxable years, including the year during which such liquidation occurs), such Partner shall have no obligation to make any contribution to the capital of the Partnership with respect to such deficit, and such deficit shall not be considered a debt owed to the Partnership or to any other Person for any purpose whatsoever, except as otherwise expressly agreed in writing by the affected Partner and the Partnership after the date hereof.

Section 13.4 Rights of Limited Partners

Except as otherwise provided in this Agreement, each Limited Partner shall look solely to the assets of the Partnership for the return of its Capital Contributions and shall have no right or power to demand or receive property other than cash from the Partnership. Except as otherwise expressly provided in this Agreement, no Limited Partner shall have priority over any other Limited Partner as to the return of its Capital Contributions, distributions, or allocations.

Section 13.5 Notice of Dissolution

If a Liquidating Event occurs or an event occurs that would, but for provisions of an election or objection by one or more Partners pursuant to **Section 13.1**, result in a dissolution of the Partnership, the General Partner shall, within thirty (30) days thereafter, provide written notice thereof to each of the Partners and to all other parties with whom the Partnership regularly conducts business (as determined in the discretion of the General Partner).

Section 13.6 Cancellation of Certificate of Limited Partnership

Upon the completion of the liquidation of the Partnership cash and property as provided in Section 13.2, the Partnership shall be terminated and the Certificate of Limited Partnership and all qualifications of the Partnership as a foreign limited partnership in jurisdictions other than the State of Delaware shall be canceled and such other actions as may be necessary to terminate the Partnership shall be taken.

Section 13.7 Reasonable Time for Winding Up

A reasonable time shall be allowed for the orderly winding up of the business and affairs of the Partnership and the liquidation of its assets pursuant to Section 13.2, to minimize any losses otherwise attendant upon such winding-up, and the provisions of this Agreement shall remain in effect among the Partners during the period of liquidation.

Section 13.8 Waiver of Partition

Each Partner hereby waives any right to partition of the Partnership property.

Section 13.9 Liability of Liquidator

The Liquidator shall be indemnified and held harmless by the Partnership in the same manner and to the same degree as an Indemnitee may be indemnified pursuant to Section 7.8.

ARTICLE XIV

AMENDMENT OF PARTNERSHIP

AGREEMENT; MEETINGS

Section 14.1 Amendments

A. General. The General Partner's prior written consent shall be required to amend or waive any provisions of this Agreement. The General Partner, without consent of the Limited Partners, may amend this Agreement in any respect; provided, however, that the following amendments shall require Consent of the Outside Limited Partners:

(i) any amendment to Section 8.6, its related defined terms or otherwise affecting the operation of the Conversion Factor or the Redemption Right, except as permitted pursuant to Section 8.6.E, in each case in a manner that adversely affects the Limited Partners in any material respects;

(ii) any amendment to Article V, its related defined terms or otherwise affecting the rights of the Limited Partners to receive the distributions payable to them hereunder, other than in connection with the creation or issuance of new or additional Partnership Interests pursuant to Section 4.2 and except as permitted pursuant to Section 4.2 and Section 5.5, in each case in a manner that adversely affects the Limited Partners in any material respects;

(iii) any amendment to Article VI, its related defined terms or otherwise that would materially alter the Partnership's allocation of Profit and Loss to the Limited Partners, other than in connection with the creation or issuance of new or additional Partnership Interests pursuant to Section 4.2 and except as permitted pursuant to Section 6.2;

(iv) any amendment that would (x) convert a Limited Partner's interest in the Partnership into a general partner's interest, (y) modify the limited liability of a Limited Partner, or (z) impose on the Limited Partners any obligation to make additional Capital Contributions to the Partnership, or

(v) any amendment to Section 4.2.A (proviso only), Section 11.2, Section 11.3 and this Section 14.1.A, in each case together with their related defined terms.

B. The General Partner shall notify the Limited Partners in writing of any amendment or waiver not requiring the Consent of the Outside Limited Partners made pursuant to Section 14.1.A in the next regular communication to the Limited Partners or within ninety (90) days of such amendment, whichever is earlier. For

any amendment or waiver requiring the Consent of the Outside Limited Partners pursuant to Section 14.1.A, the General Partner shall seek the written Consent of the Partners as set forth in Section 14.2 on such proposed amendments or waivers or shall call a meeting to vote thereon and to transact any other business that it may deem appropriate. For purposes of obtaining a written Consent, the General Partner may require a response within a reasonable specified time, but not less than seven (7) days, and failure to respond in such time period shall constitute a vote in favor of the recommendation of the General Partner. Any such proposed amendment or waiver shall be adopted and be effective as an amendment or waiver hereto if it is approved by the General Partner and receives the Consent of the Outside Limited Partners, as applicable, in accordance with Sections 14.1.A.

C. Amendment and Restatement of Partner Registry Not an Amendment. Notwithstanding anything in this Article XIV or elsewhere in this Agreement to the contrary, any amendment and restatement of the Partner Registry by the General Partner to reflect events or changes otherwise authorized or permitted by this Agreement, including any adjustments in the number of Class A Units and Class B Units made in lieu of an adjustment to the Conversion Factor, as contemplated by the last sentence of the definition thereof, shall not be deemed an amendment of this Agreement and may be done at any time and from time to time, as determined by the General Partner without the Consent of the Outside Limited Partners and without any notice requirement.

Section 14.2 Meetings of the Partners

A. General. Meetings of the Partners may be called by the General Partner. The call shall state the nature of the business to be transacted. Notice of any such meeting shall be given to all Partners not less than seven (7) days nor more than thirty (30) days prior to the date of such meeting. Partners may vote in person or by proxy at such meeting. Whenever the vote or Consent of Partners is permitted or required under this Agreement, such vote or Consent may be given at a meeting of Partners or may be given in accordance with the procedure prescribed in Section 14.1.B. Except as otherwise expressly provided in this Agreement, the Consent of holders of Partnership Interests representing a majority of the Percentage Interests of the Class A Units shall control (including Class A Units held by the General Partner).

B. Actions Without a Meeting. Except as otherwise expressly provided by this Agreement, any action required or permitted to be taken at a meeting of the Partners may be taken without a meeting if a written consent setting forth the action so taken is signed by Partners holding Partnership Interests representing more than fifty percent (50%) (or such other percentage as is expressly required by this Agreement) of the Percentage Interest of the Class A Units (including Class A Units held by the General Partner). Such consent may be in one instrument or in several instruments, and shall have the same force and effect as a vote of Partners. Such consent shall be filed with the General Partner. An action so taken shall be deemed to have been taken at a meeting held on the date on which written consents from the Partners holding the required Percentage Interest of the Class A Units have been filed with the General Partner.

C. Proxy. Each Limited Partner may authorize any Person or Persons to act for him by proxy on all matters in which a Limited Partner is entitled to participate, including waiving notice of any meeting, or voting or participating at a meeting. Every proxy must be signed by the Limited Partner or its attorney-in-fact. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy. Every proxy shall be revocable at the pleasure of the Limited Partner executing it, such revocation to be effective upon the Partnership's receipt of written notice thereof.

D. Votes. On matters on which Limited Partners are entitled to vote, each Limited Partner shall have the number of votes equal to the number of Class A Units held.

E. Conduct of Meeting. Each meeting of Partners shall be conducted by the General Partner or such other Person as the General Partner may appoint pursuant to such rules for the conduct of the meeting as the General Partner or such other Person deem appropriate.

F. **Record Date.** The General Partner may set, in advance, the Partnership Record Date for the purpose of determining the Partners (i) entitled to Consent to any action, (ii) entitled to receive notice of or vote at any meeting of the Partners or (iii) in order to make a determination of Partners for any other proper purpose. Such date, in any case, (x) shall not be prior to the close of business on the day the Partnership Record Date is fixed and shall be not more than ninety (90) days and, in the case of a meeting of the Partners, not less than ten (10) days, before the date on which the meeting is to be held or Consent is to be given and (y) shall be, with respect to the determination of the existence of Partnership Approval, the record date established by the General Partner for the approval of its shareholders for the event constituting a Termination Transaction. If no record date is fixed, the record date for the determination of Partners entitled to notice of or to vote at a meeting of the Partners shall be at the close of business on the day on which the notice of the meeting is sent, and the record date for any other determination of Partners shall be the effective date of such Partner action, distribution or other event. When a determination of the Partners entitled to vote at any meeting of the Partners has been made as provided in this section, such determination shall apply to any adjournment thereof.

A. **General.** Each Limited Partner and each Assignee who accepts Partnership Units (or any rights, benefits or privileges associated therewith) is deemed to irrevocably constitute and appoint the General Partner, any Liquidator and authorized officers and attorneys-in-fact of each, and each of those acting singly, in each case with full power of substitution, as its true and lawful agent and attorney-in-fact, with full power and authority in its name, place and stead to:

- (1) execute, swear to, acknowledge, deliver, file and record in the appropriate public offices (a) all certificates, documents and other instruments (including, without limitation, this Agreement and the Certificate of Limited Partnership and all amendments or restatements thereof) that the General Partner or any Liquidator deems appropriate or necessary to form, qualify or continue the existence or qualification of the Partnership as a limited partnership (or a partnership in which the limited partners have limited liability) in the State of Delaware and in all other jurisdictions in which the Partnership may conduct business or own property, (b) all instruments that the General Partner or any Liquidator deem appropriate or necessary to reflect any amendment, change, modification or restatement of this Agreement in accordance with its terms, (c) all conveyances and other instruments or documents that the General Partner or any Liquidator deems appropriate or necessary to reflect the dissolution and liquidation of the Partnership pursuant to the terms of this Agreement, including, without limitation, a certificate of cancellation, (d) all instruments relating to the admission, withdrawal, removal or substitution of any Partner pursuant to, or other events described in, Article XI, XII or XIII hereof or the Capital Contribution of any Partner and (e) all certificates, documents

Table of Contents

Nothing contained in this Section 15.11 shall be construed as authorizing the General Partner or any Liquidator to amend this Agreement except in accordance with Article XIV hereof or as may be otherwise expressly provided for in this Agreement.

B. Irrevocable Nature. The foregoing power of attorney is hereby declared to be irrevocable and a power coupled with an interest, in recognition of the fact that each of the Partners will be relying upon the power of the General Partner or any Liquidator to act as contemplated by this Agreement in any filing or other action by it on behalf of the Partnership, and it shall survive and not be affected by the subsequent Incapacity of any Limited Partner or Assignee and the transfer of all or any portion of such Limited Partner s or Assignee s Partnership Units and shall extend to such Limited Partner s or Assignee s heirs, successors, assigns and personal representatives. Each such Limited Partner or Assignee hereby agrees to be bound by any representation made by the General Partner or any Liquidator, acting in good faith pursuant to such power of attorney; and each such Limited Partner or Assignee hereby waives any and all defenses which may be available to contest, negate or disaffirm the action of the General Partner or any Liquidator, taken in good faith under such power of attorney. Each Limited Partner or Assignee shall execute and deliver to the General Partner or the Liquidator, within fifteen (15) days after receipt of the General Partner s or Liquidator s request therefor, such further designation, powers of attorney and other instruments as the General Partner or the Liquidator, as the case may be, deems necessary to effectuate this Agreement and the purposes of the Partnership.

Section 15.12 Entire Agreement

This Agreement contains the entire understanding and agreement among the Partners with respect to the subject matter hereof and supersedes any prior written oral understandings or agreements among them with respect thereto.

Section 15.13 No Rights as Shareholders

Nothing contained in this Agreement shall be construed as conferring upon the holders of the Partnership Units any rights whatsoever as shareholders of the General Partner Entity, including, without limitation, any right to receive dividends or other distributions made to shareholders of the General Partner Entity, or to vote or to consent or receive notice as shareholders in respect to any meeting of shareholders for the election of trustees (or directors, if applicable) of the General Partner Entity or any other matter.

Section 15.14 Limitation to Preserve REIT Status

If the General Partner Entity attempts to qualify as a REIT, to the extent that any amount paid or credited to the General Partner Entity or any of its officers, trustees, employees or agents pursuant to Section 7.4 or Section 7.7 would constitute gross income to the General Partner for purposes of Section 856(c)(2) or 856(c)(3) of the Code (a General Partner Payment) then, notwithstanding any other provision of this Agreement, the amount of such General Partner Payment for any Fiscal Year shall not exceed the lesser of:

(i) an amount equal to the excess, if any, of (a) 4% of the General Partner Entity s total gross income (within the meaning of Section 856(c)(3) of the Code but not including the amount of any General Partner Payments) for the Fiscal Year which is described in subsections (A) through (I) of Section 856(c)(2) of the Code over (b) the amount of gross income (within the meaning of Section 856(c)(2) of the Code) derived by the General Partner Entity from sources other than those described in subsections (A) through (H) of Section 856(c)(2) of the Code (but not including the amount of any General Partner Payments); or

(ii) an amount equal to the excess, if any of (a) 24% of the General Partner Entity's total gross income (but not including the amount of any General Partner Payments) for the Fiscal Year which is described in subsections (A) through (I) of Section 856(c)(3) of the Code over (b) the amount of gross income (within the meaning of Section 856(c)(3) of the Code but not including the amount of any General Partner Payments) derived by the General Partner Entity from sources other than those described in subsections (A) through (I) of Section 856(c)(3) of the Code;

provided, however, that General Partner Payments in excess of the amounts set forth in subparagraphs (i) and (ii) above may be made if the General Partner Entity, as a condition precedent, obtains an opinion of tax counsel that the receipt of such excess amounts would not adversely affect the General Partner Entity's ability to qualify as a REIT. To the extent General Partner Payments may not be made in a given Fiscal Year due to the foregoing limitations, such General Partner Payments shall carry over and be treated as arising in the following year; provided, however, that such amounts shall not carry over for more than five Fiscal Years, and if not paid within such five Fiscal Year period, shall expire; and provided further that (i) as General Partner Payments are made, such payments shall be applied first to carry over amounts outstanding, if any, and (ii) with respect to carry over amounts for more than one Fiscal Year, such payments shall be applied to the earliest Fiscal Year first.

CAPITAL ACCOUNT MAINTENANCE

1. Capital Accounts of the Partners

A. The Partnership shall maintain for each Partner a separate Capital Account in accordance with the rules of Regulations Section 1.704-1(b)(2)(iv). Such Capital Account shall be increased by (i) the amount of all Capital Contributions and any other deemed contributions made by such Partner to the Partnership pursuant to this Agreement and (ii) all items of Partnership income and gain (including income and gain exempt from tax) computed in accordance with Section 1.B hereof and allocated to such Partner pursuant to Section 6.1 of the Agreement and this **Exhibit B**, and decreased by (x) the amount of cash or Agreed Value of property actually distributed or deemed to be distributed to such Partner pursuant to this Agreement and (y) all items of Partnership deduction and loss computed in accordance with Section 1.B hereof and allocated to such Partner pursuant to Section 6.1 of the Agreement and this **Exhibit B**.

B. For purposes of computing Net Income, Net Loss or the amount of any item of income, gain, loss and deduction to be reflected in the Partners' Capital Accounts, unless otherwise specified in this Agreement, the determination, recognition and classification of any such item shall be the same as its determination, recognition and classification for federal income tax purposes determined in accordance with Section 703(a) of the Code (for this purpose all items of income, gain, loss or deduction required to be stated separately pursuant to Section 703(a)(1) of the Code shall be included in taxable income or loss), with the following adjustments:

(1) Except as otherwise provided in Regulations Section 1.704-1(b)(2)(iv)(m), the computation of Net Income, Net Loss and all items of income, gain, loss and deduction shall be made without regard to any adjustments to the adjusted bases of the assets of the Partnership pursuant to Sections 754 of the Code, provided, however, that the amounts of any adjustments to the adjusted bases of the assets of the Partnership made pursuant to Section 734 of the Code as a result of the distribution of property by the Partnership to a Partner (to the extent that such adjustments have not previously been reflected in the Partners' Capital Accounts) shall be reflected in the Capital Accounts of the Partners in the manner and subject to the limitations prescribed in Regulations Section 1.704-1(b)(2)(iv)(m)(4).

(2) The computation of Net Income, Net Loss and all items of income, gain, loss and deduction shall be made without regard to the fact that items described in Sections 705(a)(1)(B) or 705(a)(2)(B) of the Code are not includible in gross income or are neither currently deductible nor capitalized for federal income tax purposes.

(3) Any income, gain or loss attributable to the taxable disposition of any Partnership property shall be determined as if the adjusted basis of such property as of such date of disposition were equal in amount to the Partnership's Carrying Value with respect to such property as of such date.

(4) In lieu of the depreciation, amortization, and other cost recovery deductions taken into account in computing such taxable income or loss, there shall be taken into account Depreciation for such Fiscal Year or shorter period.

(5) In the event the Carrying Value of any Partnership asset is adjusted pursuant to Section 1.D hereof, the amount of any such adjustment shall be taken into account as gain or loss from the disposition of such asset.

(6) Any items specially allocated under Section 1 of **Exhibit C** to the Agreement hereof shall not be taken into account.

C. A transferee (including any Assignee) of a Partnership Unit shall succeed to a pro rata portion of the Capital Account of the transferor in accordance with Regulations Section 1.704-1(b)(2)(iv)(I).

Table of Contents

D. (1) Consistent with the provisions of Regulations Section 1.704-1(b)(2)(iv)(f), and as provided in Section 1.D(2), the Carrying Values of all Partnership assets shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as of the times of the adjustments provided in Section 1.D(2) hereof, as if such Unrealized Gain or Unrealized Loss had been recognized on an actual sale of each such property and allocated pursuant to Section 6.1 of the Agreement.

(2) Such adjustments shall be made as of the following times: (a) immediately prior to the acquisition of an additional interest in the Partnership by any new or existing Partner in exchange for more than a de minimis Capital Contribution; (b) immediately prior to the distribution by the Partnership to a Partner of more than a de minimis amount of property as consideration for an interest in the Partnership; (c) immediately prior to the liquidation of the Partnership within the meaning of Regulations Section 1.704-1(b)(2)(ii)(g); (d) immediately prior to the grant of an interest in the Partnership (other than a de minimis interest) as consideration for the provision of services to or for the benefit of the Partnership by an existing Partner acting in a Partner capacity or by a new partner acting in a Partner capacity or in anticipation of becoming a Partner (including the issuance of any LTIP Units); and (e) at such other times as permitted or required under Regulations; provided, however, that adjustments pursuant to clauses (a), (b), (d) and (e) (to the extent not required by Regulations) above shall be made only if the General Partner determines that such adjustments are necessary or appropriate to reflect the relative economic interests of the Partners in the Partnership.

(3) In accordance with Regulations Section 1.704-1(b)(2)(iv)(e), the Carrying Value of Partnership assets distributed in kind shall be adjusted upward or downward to reflect any Unrealized Gain or Unrealized Loss attributable to such Partnership property, as of the time any such asset is distributed.

(4) In determining Unrealized Gain or Unrealized Loss for purposes of this Exhibit B, the aggregate cash amount and fair market value of all Partnership assets (including cash or cash equivalents) shall be determined by the General Partner using such reasonable method of valuation as it may adopt, or in the case of a liquidating distribution pursuant to Article XIII of the Agreement, shall be determined and allocated by the Liquidator using such reasonable methods of valuation as it may adopt. The General Partner, or the Liquidator, as the case may be, shall allocate such aggregate fair market value among the assets of the Partnership in such manner as it determines in its sole and absolute discretion to arrive at a fair market value for individual properties.

E. The provisions of the Agreement (including this Exhibit B and the other Exhibits to the Agreement) relating to the maintenance of Capital Accounts are intended to comply with Regulations Section 1.704-1(b), and shall be interpreted and applied in a manner consistent with such Regulations. In the event the General Partner shall determine that it is prudent to modify the manner in which the Capital Accounts, or any debits or credits thereto (including, without limitation, debits or credits relating to liabilities which are secured by contributed or distributed property or which are assumed by the Partnership, the General Partner, or the Limited Partners) are computed in order to comply with such Regulations, the General Partner may make such modification without regard to Article XIV of the Agreement, provided that it is not likely to have a material effect on the amounts distributable to any Person pursuant to Article XIII of the Agreement upon the dissolution of the Partnership. The General Partner also shall (i) make any adjustments that are necessary or appropriate to maintain equality between the Capital Accounts of the Partners and the amount of Partnership capital reflected on the Partnership's balance sheet, as computed for book purposes, in accordance with Regulations Section 1.704-1(b)(2)(iv)(q), and (ii) make any appropriate modifications in the event unanticipated events might otherwise cause this Agreement not to comply with Regulations Section 1.704-1(b).

2. No Interest

No interest shall be paid by the Partnership on Capital Contributions or on balances in Partners' Capital Accounts.

3. No Withdrawal

No Partner shall be entitled to withdraw any part of its Capital Contribution or Capital Account or to receive any distribution from the Partnership, except as provided in Articles IV, V, VII and XIII of the Agreement.

Table of Contents**EXHIBIT C****SPECIAL ALLOCATION RULES****1. Special Allocation Rules.**

Notwithstanding any other provision of the Agreement or this **Exhibit C**, the following special allocations shall be made in the following order:

A. **Minimum Gain Chargeback**. Notwithstanding the provisions of **Section 6.1** of the Agreement or any other provisions of this **Exhibit C**, if there is a net decrease in Partnership Minimum Gain during any Fiscal Year, each Partner shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain, as determined under Regulations Section 1.704-2(g). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(f)(6). This **Section 1.A** is intended to comply with the minimum gain chargeback requirements in Regulations Section 1.704-2(f) and for purposes of this **Section 1.A** only, each Partner's Adjusted Capital Account Deficit shall be determined prior to any other allocations pursuant to **Section 6.1** of the Agreement or this **Exhibit C** with respect to such Fiscal Year and without regard to any decrease in Partner Minimum Gain during such Fiscal Year.

B. **Partner Minimum Gain Chargeback**. Notwithstanding any other provision of **Section 6.1** of this Agreement or any other provisions of this **Exhibit C** (except **Section 1.A** hereof), if there is a net decrease in Partner Minimum Gain attributable to Partner Nonrecourse Debt during any Fiscal Year, each Partner who has a share of the Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(5), shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Partner's share of the net decrease in Partner Minimum Gain attributable to such Partner Nonrecourse Debt, determined in accordance with Regulations Section 1.704-2(i)(4). Allocations pursuant to the previous sentence shall be made in proportion to the respective amounts required to be allocated to each General Partner and Limited Partner pursuant thereto. The items to be so allocated shall be determined in accordance with Regulations Section 1.704-2(i)(4). This **Section 1.B** is intended to comply with the minimum gain chargeback requirement in such Section of the Regulations and shall be interpreted consistently therewith. Solely for purposes of this **Section 1.B**, each Partner's Adjusted Capital Account Deficit shall be determined prior to any other allocations pursuant to **Section 6.1** of the Agreement or this **Exhibit C** with respect to such Fiscal Year, other than allocations pursuant to **Section 1.A** hereof.

C. **Qualified Income Offset**. In the event any Partner unexpectedly receives any adjustments, allocations or distributions described in Regulations Sections 1.704-1(b)(2)(ii)(d)(4), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), and after giving effect to the allocations required under **Sections 1.A** and **1.B** hereof with respect to such Fiscal Year, such Partner has an Adjusted Capital Account Deficit, items of Partnership income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income and gain for the Fiscal Year) shall be specifically allocated to such Partner in an amount and manner sufficient to eliminate, to the extent required by the Regulations, its Adjusted Capital Account Deficit created by such adjustments, allocations or distributions as quickly as possible. This **Section 1.C** is intended to constitute a qualified income offset under Regulations Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.

D. Gross Income Allocation. In the event that any Partner has an Adjusted Capital Account Deficit at the end of any Fiscal Year (after taking into account allocations to be made under the preceding paragraphs hereof with respect to such Fiscal Year), each such Partner shall be specially allocated items of Partnership income and gain (consisting of a pro rata portion of each item of Partnership income, including gross income and gain for the Fiscal Year) in an amount and manner sufficient to eliminate, to the extent required by the Regulations, its Adjusted Capital Account Deficit.

E. Nonrecourse Deductions. Except as may otherwise be expressly provided by the General Partner pursuant to Section 4.2 of the Agreement with respect to other classes of Partnership Units, Nonrecourse Deductions for any Fiscal Year shall be allocated only to the Partners holding Class A Units and Class B Units in accordance with their respective Percentage Interests. If the General Partner determines in its good faith discretion that the Partnership's Nonrecourse Deductions must be allocated in a different ratio to satisfy the safe harbor requirements of the Regulations promulgated under Section 704(b) of the Code, the General Partner is authorized, upon notice to the Limited Partners, to revise the prescribed ratio for such Fiscal Year to the numerically closest ratio which would satisfy such requirements.

F. Partner Nonrecourse Deductions. Any Partner Nonrecourse Deductions for any Fiscal Year shall be specially allocated to the Partner who bears the economic risk of loss with respect to the Partner Nonrecourse Debt to which such Partner Nonrecourse Deductions are attributable in accordance with Regulations Sections 1.704-2(b)(4) and 1.704-2(i).

G. Adjustments Pursuant to Code Section 734 and Section 743. To the extent an adjustment to the adjusted tax basis of any Partnership asset pursuant to Section 734(b) or 743(b) of the Code is required, pursuant to Regulations Section 1.704-1(b)(2)(iv)(m), to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis), and such item of gain or loss shall be specially allocated to the Partners in a manner consistent with the manner in which their Capital Accounts are required to be adjusted pursuant to such Section of the Regulations.

H. Forfeiture Allocations. Upon a forfeiture of any unvested Partnership Interest by any Partner, gross items of income, gain, loss or deduction shall be allocated to such Partner if and to the extent required by final Treasury Regulations promulgated after the date hereof (or, if final Treasury Regulations have not yet been promulgated, to the extent determined by the General Partner, in its sole discretion, as necessary) to ensure that allocations made with respect to all unvested Partnership Interests are recognized under Code Section 704(b).

I. The allocations set forth in clauses (A) through (F) of this Section 1 (Regulatory Allocations) are intended to comply with certain regulatory requirements, including the requirements of Regulations Section 1.704-1(b) and 1.704-2. Notwithstanding the provisions of Section 6.1 of the Agreement, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Partners so that, to the extent possible without violating the requirements giving rise to the Regulatory Allocations, the net amount of such allocations of other items and the Regulatory Allocations to each Partner shall be equal to the net amount that would have been allocated to each such Partner if the Regulatory Allocations had not been made.

2. Allocations for Tax Purposes

A. Except as otherwise provided in this Section 2, for federal income tax purposes, each item of income, gain, loss and deduction shall be allocated among the Partners in the same manner as its correlative item of book income, gain, loss or deduction is allocated pursuant to Section 6.1 of the Agreement and Section 1 of this Exhibit C.

B. In an attempt to eliminate Book-Tax Disparities attributable to a Contributed Property or Adjusted Property, items of income, gain, loss and deduction shall be allocated for federal income tax purposes among the Partners as follows:

(1) (a) In the case of a Contributed Property, such items attributable thereto shall be allocated among the Partners consistent with the principles of Section 704(c) of the Code to take into account the variation between the Section

704(c) Value of such property and its adjusted basis at the time of contribution (taking into account Section 2.C of this **Exhibit C**); and

A-183

Table of Contents

(b) any item of Residual Gain or Residual Loss attributable to a Contributed Property shall be allocated among the Partners in the same manner as its correlative item of book gain or loss is allocated pursuant to Section 6.1 of the Agreement and Section 1 of this **Exhibit C**.

(2) (a) In the case of an Adjusted Property, such items shall

(i) first, be allocated among the Partners in a manner consistent with the principles of Section 704(c) of the Code to take into account the Unrealized Gain or Unrealized Loss attributable to such property and the allocations thereof pursuant to **Exhibit B**;

(ii) second, in the event such property was originally a Contributed Property, be allocated among the Partners in a manner consistent with Section 2.B(1) of this **Exhibit C**; and

(b) any item of Residual Gain or Residual Loss attributable to an Adjusted Property shall be allocated among the Partners in the same manner its correlative item of book gain or loss is allocated pursuant to Section 6.1 of the Agreement and Section 1 of this **Exhibit C**.

(3) all other items of income, gain, loss and deduction shall be allocated among the Partners the same manner as their correlative item of book gain or loss is allocated pursuant to Section 6.1 of the Agreement and Section 1 of this **Exhibit C**.

C. To the extent Regulations promulgated pursuant to Section 704(c) of the Code permit a Partnership to utilize alternative methods to eliminate the disparities between the Carrying Value of property and its adjusted basis, the General Partner shall, subject to any agreements between the Partnership and a Partner, have the authority to elect the method to be used by the Partnership and such election shall be binding on all Partners.

Further, (i) for any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members of the Company Board, the Company Board shall not nominate, in the aggregate, a number of nominees greater than the number of members of the Company Board, (ii) subject to the Company Board's fiduciary duties, the Company Board shall not recommend the election of any other person to a position on the Company Board for which the TPG Nominated Director has been nominated, and (iii) the Company shall use commercially reasonable efforts to cause the TPG Nominated Director to be elected to the Company Board. (c) If TPG no longer has the right to appoint the TPG Nominated Director pursuant to Section 2.1(a), TPG shall cause the TPG Nominated Director to resign from any Committees on which such TPG Nominated Director serves effective as of the date that is the earlier of the end of such TPG Nominated Director's term and six months from the date on which TPG's Beneficial Ownership fell below the applicable percentage. If TPG no longer has the right to appoint the TPG Nominated Director pursuant to Section 2.1(a), the number of directors that TPG shall be entitled to designate for nomination or appointment at any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members of the Company Board or any Committee thereof shall forever be reduced to zero (even if TPG or its Affiliates shall subsequently acquire additional shares of Common Stock). The TPG Nominated Director resigning as a result of the preceding sentence shall resign as of the date that is the earlier of the end of the TPG Nominated Director's term and six (6) months from the date on which TPG's Beneficial Ownership fell below the applicable percentage. In addition, TPG shall cause the TPG Nominated Director to resign promptly from the Company Board and any Committees on which the TPG Nominated Director serves if the TPG Nominated Director, as determined by the Company Board in good faith after consultation with outside legal counsel, (i) is prohibited or disqualified from serving as a director of the Company or a member of any such Committees under any rule or regulation of the SEC, the NYSE or by applicable Law, (ii) has engaged in acts or omissions constituting a breach of the TPG Nominated Director's duty of loyalty to the Company and its stockholders, (iii) has engaged in acts or omissions that involve intentional misconduct or an intentional violation of Law or (iv) has engaged in any transaction involving the Company from which the TPG Nominated Director derived an improper personal benefit that was not disclosed to the Company Board prior to the authorization of such transaction; provided, however, that, subject to the limitations set forth in Section 2.1(a) and Section 2.1(b), TPG shall have the right to replace such resigning TPG Nominated Director with a new TPG Nominated Director, such newly named TPG Nominated Director to be appointed promptly to the Company Board in place of the resigning TPG Nominated Director in the manner set forth in the Company's governing documents for filling vacancies on the Company Board. Nothing in this paragraph (c) or elsewhere in this Agreement (except Section 2.1(e)) shall confer any third-party beneficiary or other rights upon any person designated hereunder as a TPG Nominated Director, whether during or after such person's service on the Company Board.

(d) For so long as TPG has the right to designate the TPG Nominated Director for nomination to the Company Board pursuant to Section 2.1(a) above, the Company Board shall (i) fill vacancies created by reason of death, removal or resignation of the TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(a) above and Sections 2.1(f) and 2.1(g) below, and (ii) fill vacancies created by reason of death, removal or resignation of any director who is not a TPG Nominated Director (a Non-TPG Director) promptly upon request by the Non-TPG Directors and only as directed by the Non-TPG Directors; provided, however, that any such director designated by the Non-TPG Directors shall, as a condition precedent to his or her nomination, meet each of the requirements set forth in clauses (i)–(iv) of Section 2.1(f) below (it being understood that, for the purposes hereof, the word "TPG" appearing in clause (i) thereof shall be replaced with the words "the Non-TPG Directors"), other than, in the case of any non-independent or management director, the requirements of clause (iii) thereof. Further, for so long as TPG has the right to designate the TPG Nominated Director for appointment to any Committee pursuant to Section 2.1(b) above, the Company Board shall appoint and remove the TPG Nominated Director as members of any such Committee promptly upon request by TPG and only as directed by TPG, and shall fill vacancies created by reason of death, removal or resignation of the TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(b) and 2.1(c) above and Sections 2.1(f) and 2.1(g) below. So long as TPG has promptly named a replacement, following any death, removal or resignation of the TPG Nominated Director, and prior to any the appointment of such replacement in accordance with this Agreement, the Company Board agrees not to authorize or take, and agrees to

cause each Committee not to authorize or take, any action that would otherwise require the consent of a TPG Nominated Director until such time as such newly named TPG Nominated Director has been so appointed to the Company Board or such Committee.

(e) Each TPG Nominated Director that is elected to the Company Board shall be indemnified by the Company and its subsidiaries, if applicable, in connection with his or her service as a member of the Company Board or any Committee to the fullest extent permitted by Law and will be exculpated from liability for damages to the fullest extent permitted by Law. Without limiting the foregoing in this [Section 2.1\(e\)](#), each TPG Nominated Director who is elected to the Company Board shall be entitled to receive from the Company and its subsidiaries, if applicable, the same insurance coverage in connection with his or her service as a member of the Company Board and any Committee as is provided for each of the other members of the Company Board or Committee, as applicable.

(f) TPG shall only designate a person to be a TPG Nominated Director (i) who TPG believes in good faith has the requisite skill and experience to serve as a director of a publicly-traded company, (ii) who is not prohibited from or disqualified from serving as a director of the Company pursuant to any rule or regulation of the SEC, the NYSE or applicable Law, (iii) who meets the independence standards set forth in Section 303A.02(b) of the NYSE Listed Company Manual and (iv) with respect to which no event required to be disclosed pursuant to Item 401(f) of Regulation S-K of the 1934 Act has occurred. Notwithstanding anything to the contrary in this [Section 2.1](#), the parties hereto agree that members of the Company Board shall retain the right to object to the nomination, election or appointment of any TPG Nominated Director for service on the Company Board or any Committee if the members of the Company Board determine in good faith, after consultation with outside legal counsel, that such TPG Nominated Director fails to meet the criteria set forth above or, with respect to any TPG Nominated Director to be appointed to the Company's Audit Committee or Compensation Committee, any other rule or regulation of the SEC, the NYSE or applicable Law that applies to members of a company's audit committee, governance committee or compensation committee (including for purposes of Section 16 of the Exchange Act and Section 162(m) of the Internal Revenue Code of 1986, as amended (the [Code](#))). In the event that the members of the Company Board object to the nomination, election or appointment of any TPG Nominated Director to the Company Board or any Committee pursuant to the terms of this [Section 2.1\(f\)](#), the Company Board shall nominate or appoint, as applicable, another individual designated by TPG as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, that meets the criteria set forth in this [Section 2.1\(f\)](#) and [Section 2.1\(g\)](#).

(g) Notwithstanding anything to the contrary in this [Section 2.1](#), nothing shall prevent the Company Board from acting in accordance with its fiduciary duties or applicable Law or stock exchange requirements. The Company Board shall have no obligation to nominate, elect or appoint any TPG Nominated Director if such nomination, election or appointment would violate applicable Law or NYSE requirements or result in a breach by the Company Board of its fiduciary duties to its stockholders; provided, however, that the foregoing shall not affect the right of TPG to designate an alternative individual as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, subject to the other terms, conditions and provisions in this [Article II](#).

(h) For purposes of calculating the Beneficial Ownership of the Company's outstanding Common Stock owned by TPG and its Affiliates on an as-converted basis pursuant to this Article II, to the extent shares of the Company's Capital Stock are issued or become issuable under any outstanding equity award, the vesting of which remains contingent on the satisfaction of any performance goals under such award that have yet to be achieved (and whether or not such goals are deemed to be satisfied as a result of the transactions contemplated by the Merger Agreement), such shares shall be deemed to be not outstanding and shall be excluded from the denominator in such calculation.

(i) The rights of TPG set forth in this [Section 2.1](#) shall be in addition to, and not in limitation of, such voting rights that TPG may otherwise have as a holder of capital stock of the Company, subject to [Section 4.1](#) below.

Table of Contents**ARTICLE III****REGISTRATION RIGHTS**

Section 3.1 **Registration at Closing**. The Company shall file, within thirty (30) days of Closing, a Registration Statement registering for sale all of the Registrable Securities held by the Holders and shall use commercially reasonable efforts to cause such Registration Statement to become effective as soon as practicable thereafter (and remain effective until the completion of the distribution contemplated thereby) and to file a final prospectus relating thereto. The plan of distribution set forth in the prospectus included in the Registration Statement shall include such methods of distribution as reasonably requested by the Holders. For the avoidance of doubt, such registration shall not be deemed a Demand Registration for purposes of the limitations set forth in Section 3.2(a).

Section 3.2 **Demand Registration**.

(a) Subject to the provisions hereof, at any time on or after the date that is 180 days after the Closing Date, the Holders of a majority of Registrable Securities shall have the right to require the Company to file a Registration Statement registering for sale all or part of their respective Registrable Securities under the Securities Act (a **Demand Registration**) by delivering a written request therefor to the Company (i) specifying the number of Registrable Securities to be included in such registration by such Holder or Holders, (ii) specifying whether the intended method of disposition thereof is pursuant to an Underwritten Offering (as defined below), and (iii) containing all information about such Holder required to be included in such Registration Statement in accordance with applicable Law. As soon as practicable after the receipt of such demand, the Company shall (x) promptly notify all Holders from whom the request for registration has not been received and (y) use reasonable best efforts to effect such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities Laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) of the Registrable Securities that the Company has been so requested to register; provided, however, that (i) the Holders shall not make a request for a Demand Registration under this Section 3.2(a) for Registrable Securities having an anticipated aggregate offering price of less than \$5,000,000, (ii) the Holders will not be entitled to require the Company to effect more than three (3) Demand Registrations in the aggregate under this Agreement, and (iii) the Company will not be obligated to effect more than one (1) Demand Registration in any six (6) month period.

(b) The offering of the Registrable Securities pursuant to such Demand Registration may be in the form of an underwritten public offering (an **Underwritten Offering**). In such case, (i) the Company may designate the managing underwriter(s) of the Underwritten Offering, provided that such Holders may designate a co-managing underwriter to participate in the Underwritten Offering, subject to the approval of the Company, which approval shall not be unreasonably withheld or delayed and (ii) the Company shall (together with the Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form for underwriting agreements for firm commitment offerings of equity securities with the managing underwriter(s) proposing to distribute their securities through such Underwritten Offering, which underwriting agreement shall have indemnification provisions in substantially the form as set forth in Section 3.9 of this Agreement; provided, that (i) the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the underwriter(s) shall also be made to and for the benefit of the Holders proposing to distribute their securities through the Underwritten Offering, (ii) no Holder shall be required to make any representations and warranties to, or agreements with, any underwriter in a registration other than customary representations, warranties and agreements and (iii) the liability of each Holder in respect of any indemnification, contribution or other obligation of such Holder arising under such underwriting agreement (a) shall be limited to losses arising out of or based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or

other such disclosure document or other document or report, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Holder expressly for inclusion therein and (b) shall not in any

event, absent fraud or intentional misrepresentation, exceed an amount equal to the net proceeds to such Holder (after deduction of all underwriters' discounts and commissions) from the disposition of the Registrable Securities disposed of by such Holder pursuant to such Underwritten Offering. No Holder may participate in any such Underwritten Offering unless such Holder agrees to sell its Registrable Securities on the basis provided in such underwriting agreement and completes and executes all questionnaires, powers of attorney, indemnities and other documents reasonably required under the terms of such underwriting agreement. The Company shall not be obligated to effect or participate (a) more than two (2) Underwritten Offerings in any twelve (12) month period, and (b) in any Underwritten Offering during any lock-up period required by the underwriter(s) in any prior underwritten offering conducted by the Company on its own behalf or on behalf of the Holders.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' maximum number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' maximum number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been effected for purposes of clause (ii) of the proviso to Section 3.2(a). If (i) a registration requested pursuant to this Section 3.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 3.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 3.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 3.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 3.2(a).

Section 3.3 Piggyback Registration.

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Purchase Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 3.1 or Section 3.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date

thereof being herein referred to as a Piggyback Registration), the Company shall give written notice to all Holders of such proposal promptly, but in no event later than ten (10) Business Days prior to the anticipated filing date.

A-199

(b) Subject to the provisions contained in paragraphs (a) and (c) of this Section 3.3 and in the last sentence of this paragraph (b), the Company will be obligated and required to include in each Piggyback Registration such Registrable Securities as requested in a written notice from any Holder delivered to the Company no later than five (5) Business Days following delivery of the notice from the Company specified in Section 3.3(a). The Holders of Registrable Securities shall be permitted to withdraw all or any part of their shares from any Piggyback Registration at any time on or before the fifth (5th) Business Day prior to the planned effective date of such Piggyback Registration, except as otherwise provided in any written agreement with the Company's underwriter(s) establishing the terms and conditions under which such Holders would be obligated to sell such securities in such Piggyback Registration. The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the Holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 3.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(d) In any Piggyback Registration that is an Underwritten Offering, the Company shall have the right to select the managing underwriter(s) for such registration.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 3.3.

Section 3.4 Registration Expenses. In connection with registrations pursuant to Section 3.1, Section 3.2 or Section 3.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the Registration Expenses), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky Laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders' Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the

managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 3.4 and to pay or reimburse the Holders for the expenses described in this Section 3.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 3.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

- (a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 3.2(a), prepare and file with the SEC a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.
- (b) The Company will (i) promptly prepare and file with the SEC such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii) comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.
- (c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each Holder of Registrable Securities covered by such Registration Statement, (ii) Holders Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.
- (d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or

blue sky Laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky Laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of [Section 3.5\(a\)](#) and [Section 3.5\(b\)](#), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 3.6 Holder's Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of [Section 3.7](#) hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in [Section 3.5\(f\)](#) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by [Section 3.5\(f\)](#) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to [Section 3.5\(f\)](#) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of [Section 3.5\(f\)](#) hereof.

Section 3.7 Blackout Provisions.

(a) Notwithstanding anything in this Agreement to the contrary, by delivery of written notice to the participating Holders (a Suspension Notice) stating which one or more of the following limitations shall apply

A-203

Table of Contents

to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 3.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 3.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 3.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 3.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 3.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the DTC) (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 3.9 Indemnification.

(a) Indemnification by the Company. The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by Law, each Holder and each of its

managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a Controlling Person), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, Damages) and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

(b) Indemnification by the Holder. The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information related to the Holders, or their plan of distribution, furnished in writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 3.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 3.9(a) or Section 3.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified

Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that

A-205

Table of Contents

the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 3.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 3.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 3.12 Termination of Registration Rights. The rights granted under this Article III shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 3.9 shall survive such termination.

Section 3.13 Assignment; Binding Effect. The rights and obligations provided in this Article III may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article

III as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 3.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all

purposes of this Article III. Except as set forth in this Section 3.13, the rights and obligations provided in this Article III may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

(b) The limitations provided in Section 4.1(a) shall, upon the occurrence of any of the following events, immediately be suspended until the expiration of the time period set forth below in this Section 4.1(b), but only so long as TPG or any of its Affiliates (other than any Non Private Equity Business of TPG or its Affiliates) did not directly or indirectly assist, facilitate, encourage or participate in any such events:

(i) on the commencement (as defined in Rule 14d-2 of the Exchange Act) by any Person of a tender or exchange offer seeking to acquire Beneficial Ownership of a number outstanding shares of Voting Securities of the Company that, if consummated, would result in a Change of Control and which is recommended by the Company Board; provided, that TPG has not facilitated, encouraged, or otherwise participated in such tender offer; or

provided, however, that upon (y) any withdrawal or lapsing of any such tender or exchange offer referred to in Section 4.1(b)(i) which does not result in a Change of Control, or (z) the abandonment by the Company Board or a duly constituted committee of the Company Board of a process to solicit a proposal of the type referred to in Section 4.1(b)(ii) without a Change of Control having occurred and without an agreement to effect a Change of Control, as the case may be, the limitations provided in Section 4.1(a) (except to the extent then suspended as a result of any other event specified in this Section 4.1(b)) shall again be applicable for so long as and only to the extent provided in this Agreement.

Section 4.2 No Conflicting Agreements. For so long as this Agreement remains in effect, neither the Company nor TPG shall enter into any stockholder agreement or arrangement of any kind with any Person with respect to any Shares or other Securities, or otherwise act or agree to act in concert with any Person with respect to any Shares or other Securities, to the extent such agreement, arrangement, or concerted act would controvert, or otherwise be inconsistent in any material respect with, the provisions of this Agreement. The Company (as successor to Parkway) and TPG hereby agree that, as of the execution of this Agreement, the Stockholders Agreement, dated as of June 5, 2012, by and among TPG, TPG Manager and Parkway shall be deemed terminated, null and void, and no longer of any effect.

Section 4.3 Further Assurances. Each of TPG and the Company agrees to execute and deliver all such further documents and do all acts and things that from time to time may reasonably be required to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

ARTICLE V

MISCELLANEOUS

Section 5.1 Amendment and Waiver. This Agreement may not be amended, except by an agreement in writing, executed by each of TPG and the Company, and compliance with any term of this Agreement may not be waived, except by an agreement in writing executed on behalf of the party against whom the waiver is intended to be effective. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 5.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law, shall not be affected and shall remain in full force and effect. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 5.3 Entire Agreement. Except as otherwise expressly set forth herein, this Agreement and the Purchase Agreement, together with the agreements and other documents and instruments referred to herein, embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersede and preempt any prior understandings, agreements, or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 5.4 Successors and Assigns. Except as expressly set forth herein, neither this Agreement nor any of the rights or obligations of any party under this Agreement (including any rights under Article II and Article III hereof) may be assigned, in whole or in part (except by operation of Law), by either party without the prior written consent of the other party, and any such transfer or attempted transfer without such consent shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns.

Section 5.5 Counterparts. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which, when taken together, shall constitute one and the same agreement.

Section 5.6 Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that each and every one of the covenants or agreements in this Agreement are not performed in accordance with their terms, and it is therefore agreed that, in addition to, and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order, or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically each and every one of the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such party.

Section 5.7 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, telecopied (upon telephonic confirmation of receipt), on the first (1st) Business Day following the date of dispatch if delivered by a recognized next day courier service, or on the third (3rd) Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of New York, without regard to, or otherwise giving effect to, any body of Law or other rule that would cause or otherwise require the application of the Laws of any other jurisdiction.

(b) Any action or proceeding against either the Company or TPG relating in any way to this Agreement may be brought exclusively in the courts of the State of New York or (to the extent subject matter jurisdiction exists therefore) the United States District Court for the Southern District of New York, and each of the Company and TPG irrevocably submits to the jurisdiction of both such courts in respect of any such action or proceeding. ARISING. EACH OF THE COMPANY AND TPG ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTY THAT THIS SECTION 5.8(C) CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING, AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. THE COMPANY OR TPG MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 5.8(C) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 5.9 Third Party Benefits. Except for the provisions in Section 5.10, none of the provisions of this Agreement is for the benefit of, or shall be enforceable by, any third-party beneficiary.

Section 5.10 No Recourse Against Others. All claims, causes of action (whether in contract or in tort, in law or in equity, or granted by statute), obligations, or liabilities that may be based upon, be in respect of, arise under, out of or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, performance or breach of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are those solely of) the entities that are expressly identified as parties in the preamble to this Agreement (the Contracting Parties). No Person who is not a Contracting Party, including any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any Contracting Party, and any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any of the foregoing, and any and all former, current or future heirs, executors, administrators, trustees, successors or assigns of any of the foregoing (the Non-Recourse Parties), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations or liabilities arising under, out of, in connection with, or related in any manner to this Agreement, or the negotiation, execution, performance, or breach of this Agreement; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims and causes of action against any such Non-Recourse Parties. Nothing in this paragraph (c) or elsewhere in this Agreement (except Section 2.1(e)) shall confer any third-party beneficiary or other rights upon any person designated hereunder as a TPG Nominated Director, whether during or after such person's service on the Company Board.

(d) For so long as TPG has the right to designate at least one (1) TPG Nominated Director for nomination to the Company Board pursuant to Section 2.1(a) above, the Company Board shall (i) fill vacancies created by reason of death, removal or resignation of any TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(a) above and Sections 2.1(f) and 2.1(g) below, and (ii) fill vacancies created by reason of death, removal or resignation of any director who is not a TPG Nominated Director (a Non-TPG Director) promptly upon request by the Non-TPG Directors and only as directed by the Non-TPG Directors; provided, however, that any such director designated by the Non-TPG Directors shall, as a condition precedent to his or her nomination, meet each of the requirements set forth in clauses (i)–(iv) of Section 2.1(f) below (it being understood that, for the purposes hereof, the word "TPG" appearing in clause (i) thereof shall be replaced with the words "the Non-TPG Directors"), other than, in the case of any non-independent or management director, the requirements of clause (iii) thereof. Further, for so long as TPG has the right to designate at least one (1) TPG Nominated Director for appointment to any Committee pursuant to Section 2.1(b) above, the Company Board shall appoint and remove the TPG Nominated Directors as members of any such Committee promptly upon request by TPG and only as directed by TPG, and shall fill vacancies created by reason of death, removal or resignation of any TPG Nominated Director promptly upon request by TPG and only as directed by TPG,

subject to the terms and conditions set forth in Section 2.1(b) and 2.1(c) above and Sections 2.1(f) and 2.1(g) below. So long as TPG has promptly named a replacement,

following any death, removal or resignation of any TPG Nominated Director, and prior to any the appointment of such replacement in accordance with this Agreement, the Company Board agrees not to authorize or take, and agrees to cause each Committee not to authorize or take, any action that would otherwise require the consent of a TPG Nominated Director until such time as such newly named TPG Nominated Director has been so appointed to the Board or such Committee.

(e) Each TPG Nominated Director that is elected to the Company Board shall be indemnified by the Company and its subsidiaries, if applicable, in connection with his or her service as a member of the Company Board or any Committee to the fullest extent permitted by law and will be exculpated from liability for damages to the fullest extent permitted by law. Without limiting the foregoing in this Section 2.1(e), each TPG Nominated Director who is elected to the Company Board shall be entitled to receive from the Company and its subsidiaries, if applicable, the same insurance coverage in connection with his or her service as a member of the Company Board and any Committee as is provided for each of the other members of the Company Board or Committee, as applicable.

(f) TPG shall only designate a person to be a TPG Nominated Director (i) who TPG believes in good faith has the requisite skill and experience to serve as a director of a publicly-traded company, (ii) who is not prohibited from or disqualified from serving as a director of the Company pursuant to any rule or regulation of the SEC, the NYSE or applicable Law, (iii) who meets the independence standards set forth in Section 303A.02(b) of the NYSE Listed Company Manual and (iv) with respect to which no event required to be disclosed pursuant to Item 401(f) of Regulation S-K of the 1934 Act has occurred. Notwithstanding anything to the contrary in this Section 2.1, the parties hereto agree that members of the Company Board shall retain the right to object to the nomination, election or appointment of any TPG Nominated Director for service on the Company Board or any Committee if the members of the Company Board determine in good faith, after consultation with outside legal counsel, that such TPG Nominated Director fails to meet the criteria set forth above or, with respect to any TPG Nominated Director to be appointed to the Company's Audit Committee, Governance Committee or Compensation Committee, any other rule or regulation of the SEC, the NYSE or applicable Law that applies to members of a company's audit committee, governance committee or compensation committee (including for purposes of Section 16 of the Exchange Act and Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code)). In the event that the members of the Company Board object to the nomination, election or appointment of any TPG Nominated Director to the Company Board or any Committee pursuant to the terms of this Section 2.1(f), the Company Board shall nominate or appoint, as applicable, another individual designated by TPG as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, that meets the criteria set forth in this Section 2.1(f) and Section 2.1(g).

(g) Notwithstanding anything to the contrary in this Section 2.1, nothing shall prevent the Company Board from acting in accordance with their respective fiduciary duties or applicable Law or stock exchange requirements. The Company Board shall have no obligation to nominate, elect or appoint any TPG Nominated Director if such nomination, election or appointment would violate applicable Law or NYSE requirements or result in a breach by the Company Board of its fiduciary duties to its stockholders; provided, however, that the foregoing shall not affect the right of TPG to designate an alternative individual as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, subject to the other terms, conditions and provisions in this Article II.

(h) The rights of TPG set forth in this Section 2.1 shall be in addition to, and not in limitation of, such voting rights that TPG may otherwise have as a holder of capital stock of the Company.

Section 2.2 Consent Rights.

(a) For so long as TPG, together with its Affiliates, Beneficially Owns at least five percent (5%) of the outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, prior written consent

of TPG will be required for:

- (i) Any increase or decrease of the size of any Committee; and

(ii) Any change in the rights and responsibilities of either the Investment Committee or the Compensation Committee (or any additional Committee created in accordance with the last sentence of Section 2.1(b)) as set forth in Exhibit A or Exhibit B, as applicable (other than as expressly contemplated hereby).

(b) Notwithstanding the foregoing and for the avoidance of doubt, the consent rights set forth in paragraph (a) above shall not apply, and TPG's prior written consent shall not be required for any actions taken or to be taken, in connection with a Change of Control of the Company. The rights of TPG and its Affiliates set forth in this Section 3.2 shall be in addition to, and not in limitation of, such voting rights that TPG and its Affiliates may otherwise have as holders of capital stock of the Company.

Section 2.3 Domestically Controlled Status. The Company shall, at least once in each calendar year, and, upon the prior request of TPG, one additional time within such calendar year, determine whether the Company is a domestically controlled qualified investment entity within the meaning of Section 897(h)(4) of the Code (a DCR); provided, however, that such examination shall be limited to information filed publicly with the SEC with respect to the ownership of stock of the Company (i.e., Schedules 13) and any information related to the ownership of the Company provided by TPG, and that the Company shall not be required to take any action (or to not take any action) so as to be treated as a DCR at any given time; provided, further, that TPG shall not request that the Company conduct an examination within 180 days prior to the Company's completion of its most recent prior examination.

ARTICLE III

PRE-EMPTIVE RIGHTS

Section 3.1 Pre-Emptive Rights.

(a) For so long as TPG, together with its Affiliates, Beneficially Owns at least five percent (5%) of the outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, and subject to any rules of the NYSE that may limit or restrict such purchases, TPG or one or more TPG Affiliates designated by TPG shall have the option and right (but not the obligation) to participate (or nominate any of TPG's Affiliates to participate) in any Equity Issuance by purchasing in the aggregate up to TPG's and its Affiliates' Pro Rata Portion of such Equity Issuance at the same price and the same terms and conditions as offered to other investors in the Equity Issuance.

(b) The Company agrees to use its reasonable best efforts to take any and all action, or to cause such action to be taken, as is necessary or appropriate to allow TPG or its Affiliate(s), as applicable, to fully participate in any Equity Issuance in accordance with the provisions of this Agreement.

(c) In the event the Company proposes to undertake an Equity Issuance, the Company shall promptly give TPG prior written notice of its intention, describing the type of equity interests, the price at which such securities are proposed to be issued (or, in the case of an underwritten or privately placed offering in which the price is not known at the time the notice is given, the method of determining the price and an estimate thereof), the timing of such proposed Equity Issuance and the general terms and conditions upon which the Company proposes to effect the Equity Issuance. TPG and its Affiliates shall have fifteen (15) Business Days (or, if the Company expects that the proposed Equity Issuance will be effected in less than fifteen (15) Business Days, such shorter period, that shall be as long as practicable, as may be required in order for TPG and its Affiliates to participate in such proposed Equity Issuance) from the date TPG receives notice of the proposed Equity Issuance to elect to purchase their Pro Rata Portion of such Equity Issuance for the consideration and upon the terms specified in the notice provided by the Company pursuant to this Section 3.1(b) by giving written notice to the Company and stating therein the quantity of equity interests to be purchased. Any such

notice shall be irrevocable. Any purchase of Equity Interests by TPG and its Affiliates pursuant to this Section 3.1 shall occur contemporaneously with, and be subject to the same terms and conditions as, the closing of the sale of the Equity Interests by the Company to the other parties.

A-224

(d) The purchase by TPG and its Affiliates of Equity Interests pursuant to this Section 3.1 shall be subject to the limitations on stock ownership set forth in the Company's organizational documents; provided, that Company shall provide any necessary waiver of such limitations upon receipt of a representation letter from TPG and its Affiliates (or updated representation letter, as the case may be, similar to the representation letter provided by TPG and its Affiliates in connection with the Distribution).

(e) In the event that neither TPG nor any of its Affiliates exercises the right forth in this Section 3.1 within the applicable period as set forth above, the Company shall be permitted to sell the equity interests in respect of which such pre-emptive rights were not exercised. In the event that the Company has not sold the equity interests within ninety (90) days of its notice to TPG as contemplated by Section 3.1(b), for purposes of this Section 3.1 such proposed Equity Issuance shall be deemed to have been terminated, and the Company shall provide TPG with a new notice prior to undertaking a subsequent Equity Issuance.

(f) The Company shall have the right, in its sole discretion, at all times prior to consummation of any proposed Equity Issuance giving rise to the rights granted by this Section 3.1, to abandon, withdraw or otherwise terminate such proposed Equity Issuance, without any liability to TPG or its Affiliates.

ARTICLE IV

REGISTRATION RIGHTS

Section 4.1 Registration at Closing. The Company shall use commercially reasonable efforts to file, within thirty (30) days of Closing, a Registration Statement registering for sale all of the Registrable Securities held by the Holders and, as soon as practicable thereafter, cause such Registration Statement to become effective (and remain effective until the completion of the distribution contemplated thereby) and file a final prospectus relating thereto, subject, in each of the foregoing cases, to the ability of the Company to satisfy financial statement requirements related to the closing of the Merger. The plan of distribution set forth in the prospectus included in the Registration Statement shall include such methods of distribution as reasonably requested by the Holders. For the avoidance of doubt, such registration shall not be deemed a Demand Registration for purposes of the limitations set forth in Section 4.2(a).

Section 4.2 Demand Registration.

(a) Subject to the provisions hereof, at any time on or after the date that is 180 days after the Closing Date (as defined in the Merger Agreement), the Holders of a majority of Registrable Securities shall have the right to require the Company to file a Registration Statement registering for sale all or part of their respective Registrable Securities under the Securities Act (a Demand Registration) by delivering a written request therefor to the Company (i) specifying the number of Registrable Securities to be included in such registration by such Holder or Holders, (ii) specifying whether the intended method of disposition thereof is pursuant to an Underwritten Offering (as defined below), and (iii) containing all information about such Holder required to be included in such Registration Statement in accordance with applicable law. As soon as practicable after the receipt of such demand, the Company shall (x) promptly notify all Holders from whom the request for registration has not been received and (y) use reasonable best efforts to effect such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) of the Registrable Securities that the Company has been so requested to register; provided, however, that (i) the Holders shall not make a request for a Demand Registration under this Section 4.2(a) for Registrable Securities having an anticipated aggregate offering price of less than \$5,000,000, (ii) the Holders will not be entitled to require the Company to effect more than three (3) Demand Registrations in the aggregate under this Agreement, and (iii) the Company will not be obligated to effect more than one (1) Demand

Registration in any six (6) month period.

A-225

(b) The offering of the Registrable Securities pursuant to such Demand Registration may be in the form of an underwritten public offering (an Underwritten Offering). In such case, (i) the Company may designate the managing underwriter(s) of the Underwritten Offering, provided that such Holders may designate a co-managing underwriter to participate in the Underwritten Offering, subject to the approval of the Company, which approval shall not be unreasonably withheld or delayed and (ii) the Company shall (together with the Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form for underwriting agreements for firm commitment offerings of equity securities with the managing underwriter(s) proposing to distribute their securities through such Underwritten Offering, which underwriting agreement shall have indemnification provisions in substantially the form as set forth in Section 4.9 of this Agreement; provided, that (i) the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the underwriter(s) shall also be made to and for the benefit of the Holders proposing to distribute their securities through the Underwritten Offering, (ii) no Holder shall be required to make any representations and warranties to, or agreements with, any underwriter in a registration other than customary representations, warranties and agreements and (iii) the liability of each Holder in respect of any indemnification, contribution or other obligation of such Holder arising under such underwriting agreement (a) shall be limited to losses arising out of or based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or other such disclosure document or other document or report, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Holder expressly for inclusion therein and (b) shall not in any event, absent fraud or intentional misrepresentation, exceed an amount equal to the net proceeds to such Holder (after deduction of all underwriters' discounts and commissions) from the disposition of the Registrable Securities disposed of by such Holder pursuant to such Underwritten Offering. No Holder may participate in any such Underwritten Offering unless such Holder agrees to sell its Registrable Securities on the basis provided in such underwriting agreement and completes and executes all questionnaires, powers of attorney, indemnities and other documents reasonably required under the terms of such underwriting agreement. The Company shall not be obligated to effect or participate (a) more than two (2) Underwritten Offerings in any twelve (12) month period, and (b) in any Underwritten Offering during any lock-up period required by the underwriter(s) in any prior underwritten offering conducted by the Company on its own behalf or on behalf of the Holders.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' Maximum Number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the

effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been

effected for purposes of clause (ii) of the proviso to Section 4.2(a). If (i) a registration requested pursuant to this Section 4.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 4.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 4.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 4.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 4.2(a).

Section 4.3 Piggyback Registration.

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Merger Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 4.1 or Section 4.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date thereof being herein referred to as a Piggyback Registration), the Company shall give written notice to all Holders of such proposal promptly, but in no event later than ten (10) Business Days prior to the anticipated filing date.

(b) Subject to the provisions contained in paragraphs (a) and (c) of this Section 4.3 and in the last sentence of this paragraph (b), the Company will be obligated and required to include in each Piggyback Registration such Registrable Securities as requested in a written notice from any Holder delivered to the Company no later than five (5) Business Days following delivery of the notice from the Company specified in Section 4.3(a). The Holders of Registrable Securities shall be permitted to withdraw all or any part of their shares from any Piggyback Registration at any time on or before the fifth business day prior to the planned effective date of such Piggyback Registration, except as otherwise provided in any written agreement with the Company's underwriter(s) establishing the terms and conditions under which such Holders would be obligated to sell such securities in such Piggyback Registration. The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 4.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(d) In any Piggyback Registration that is an Underwritten Offering, the Company shall have the right to select the managing underwriter(s) for such registration.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 4.3.

Section 4.4 Registration Expenses. In connection with registrations pursuant to Section 4.1, Section 4.2 or Section 4.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder

(the Registration Expenses), including all (a) registration and filing fees and expenses,

including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 4.4 and to pay or reimburse the Holders for the expenses described in this Section 4.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 4.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

(a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 4.2(a), prepare and file with the Commission a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.

(b) The Company will (i) promptly prepare and file with the Commission such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii) comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.

(c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each

Holder of Registrable Securities covered by such Registration Statement, (ii) Holders Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such

Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.

(d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate

the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of Section 4.5(a) and Section 4.5(b), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 4.6 Holder's Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from

time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of Section 4.7 hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4.5(f) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 4.5(f) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to Section 4.5(f) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of Section 4.5(f) hereof.

Section 4.7 Blackout Provisions.

(a) Notwithstanding anything in this Agreement to the contrary, by delivery of written notice to the participating Holders (a Suspension Notice) stating which one or more of the following limitations shall apply to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 4.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 4.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 4.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 4.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 4.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144

(assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a

sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the "DTC") (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 4.9 Indemnification.

(a) **Indemnification by the Company.** The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by law, each Holder and each of its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a "Controlling Person"), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, "Damages") and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

(b) **Indemnification by the Holder.** The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information

related to the Holders, or their plan of distribution, furnished in

writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 4.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 4.9(a) or Section 4.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided, that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 4.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 4.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which

Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or

otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 4.12 Termination of Registration Rights. The rights granted under this Article IV shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 4.9 shall survive such termination.

Section 4.13 Assignment; Binding Effect. The rights and obligations provided in this Article IV may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article IV as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 4.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all purposes of this Article IV. Except as set forth in this Section 4.13, the rights and obligations provided in this Article IV may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

ARTICLE V

COVENANTS

Section 5.1 No Conflicting Agreements. For so long as this Agreement remains in effect, neither the Company nor TPG shall enter into any stockholder agreement or arrangement of any kind with any Person with respect to any Shares or other Securities, or otherwise act or agree to act in concert with any Person with respect to any Shares or other Securities, to the extent such agreement, arrangement, or concerted act would controvert, or otherwise be inconsistent in any material respect with, the provisions of this Agreement.

Section 5.2 Further Assurances. Each of TPG and the Company agrees to execute and deliver all such further documents and do all acts and things that from time to time may reasonably be required to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

ARTICLE VI

MISCELLANEOUS

Section 6.1 Amendment and Waiver. This Agreement may not be amended, except by an agreement in writing, executed by each of TPG and the Company, and compliance with any term of this Agreement may not be waived, except by an agreement in writing executed on behalf of the party against whom the waiver is intended to be effective. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 6.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law,

shall not be affected and shall remain in full force and effect. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 6.3 Entire Agreement. Except as otherwise expressly set forth herein, this Agreement, together with the agreements and other documents and instruments referred to herein, embodies the complete agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes and preempts any prior understandings, agreements, or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 6.4 Successors and Assigns. Except as expressly set forth herein, neither this Agreement nor any of the rights or obligations of any party under this Agreement (including any rights under Article II and Article III hereof) may be assigned, in whole or in part (except by operation of Law), by either party without the prior written consent of the other party, and any such transfer or attempted transfer without such consent shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns.

Section 6.5 Counterparts. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which, when taken together, shall constitute one and the same agreement.

Section 6.6 Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that each and every one of the covenants or agreements in this Agreement are not performed in accordance with their terms, and it is therefore agreed that, in addition to, and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order, or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically each and every one of the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such party.

Section 6.7 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, telecopied (upon telephonic confirmation of receipt), on the first (1st) Business Day following the date of dispatch if delivered by a recognized next day courier service, or on the third (3rd) Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

Section 6.8 Governing Law; Venue and Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of New York, without regard to, or otherwise giving effect to, any body of Law or other rule that would cause or otherwise require the application of the Laws of any other jurisdiction.

(b) Any action or proceeding against either the Company or TPG relating in any way to this Agreement may be brought exclusively in the courts of the State of New York or (to the extent subject matter jurisdiction exists therefore) the United States District Court for the Southern District of New York, and each of the Company and TPG irrevocably submits to the jurisdiction of both such courts in respect of any such action or proceeding. Any actions or proceedings to enforce a judgment issued by one of the foregoing courts may be enforced in any jurisdiction.

EACH OF THE COMPANY AND TPG ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTY THAT THIS SECTION 6.8(C) CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING, AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. THE COMPANY OR TPG MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6.8(C)

WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 6.9 Third Party Benefits. Except the provisions in Section 6.10, none of the provisions of this Agreement are for the benefit of, or shall be enforceable by, any third-party beneficiary.

Section 6.10 No Recourse Against Others. All claims, causes of action (whether in contract or in tort, in law or in equity, or granted by statute), obligations, or liabilities that may be based upon, be in respect of, arise under, out of or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, performance or breach of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are those solely of) the entities that are expressly identified as parties in the preamble to this Agreement (the Contracting Parties). Affiliates of Goldman, Sachs & Co. also may have co-invested with TPG and its affiliates from time to time and may have invested in limited partnership units of affiliates of TPG from time to time and may do so in the future.

In connection with this opinion, we have reviewed, among other things, the Agreement; annual reports to stockholders and Annual Reports on Form 10-K of the Company and Parkway for the five fiscal years ended December 31, 2015; certain publicly available research analyst reports for the Company and Parkway; certain internal financial analyses and forecasts for Parkway on a stand-alone basis prepared by its management (the Parkway Management Forecasts); and certain internal financial analyses and forecasts for the Company on a stand-alone basis as prepared by management of the Company, the Parkway Management Forecasts as adjusted by management of the Company, and certain financial analyses and forecasts for the Company after giving effect to the Merger and the Spin-off (the Post-Spin-off Company) and certain financial analyses and forecasts for HoustonCo, in each case, as approved for our use by the Company (collectively, the Forecasts), including certain cost savings projected by the management of the Company to be realized by the Post-Spin-off Company and HoustonCo as a result of the Transaction, as approved for our use by the Company (the Synergies). We have also held discussions with members of the senior managements of the Company and Parkway regarding their assessment of the strategic rationale for, and the potential benefits of, the Transaction, the past and current business operations, financial condition and future prospects of the Company, Parkway and the future prospects of the Post-Spin-off Company and HoustonCo; reviewed the reported price and trading activity for the shares of Company Common Stock and the shares of Parkway Common Stock; compared certain financial and stock market information for the Company and Parkway and certain financial information for the Post-Spin-off Company and HoustonCo with similar financial and stock market information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent business combinations in the real estate investment trust industry; and performed such other studies and analyses, and considered such other factors, as we deemed appropriate.

For purposes of rendering this opinion, we have, with your consent, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by, us, without assuming any responsibility for independent verification thereof. In that regard, we have assumed with your consent that the Forecasts, including the Synergies, have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company. We have not made an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of the Company, Parkway, the Post-Spin-off Company, HoustonCo or any of their respective subsidiaries and we have not been furnished with any such evaluation or appraisal. We have assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company, Parkway, the Post-Spin-off Company or HoustonCo or on the expected benefits of the Transaction in any way meaningful to our analysis. We also have assumed that the Transaction will be consummated on the terms set forth in the Agreement, without the waiver or modification of any

term or condition the effect of which would be in any way meaningful to our analysis.

Our opinion does not address the underlying business decision of the Company to engage in the Transaction, or the relative merits of the Transaction as compared to any strategic alternatives that may be available to the Company; nor does it address any legal, regulatory, tax or accounting matters. This opinion addresses only the fairness from a financial point of view to the Company, as of the date hereof, of the Exchange Ratio pursuant to the Agreement. We do not express any view on, and our opinion does not address, any other term or aspect of the

Agreement or Transaction, including the Spin-off, or any term or aspect of any other agreement or instrument contemplated by the Agreement or entered into or amended in connection with the Transaction, including, the fairness of the Transaction to, or any consideration received in connection therewith by, the holders of any class of securities, creditors, or other constituencies of the Company or the fairness of the consideration to be paid to any holder of shares of limited voting stock, par value \$0.001, of Parkway or units of Parkway LP; nor as to the fairness of the amount or nature of any compensation to be paid or payable to any of the officers, directors or employees of the Company or Parkway, or any class of such persons in connection with the Transaction, whether relative to the Exchange Ratio pursuant to the Agreement or otherwise. We are not expressing any opinion as to the prices at which shares of Company Common Stock or the shares of common stock of HoustonCo will trade at any time or as to the impact of the Transaction on the solvency or viability of the Company, Parkway, the Post-Spin-off Company or HoustonCo or the ability of the Company, Parkway, the Post-Spin-off Company or HoustonCo to pay their respective obligations when they come due. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof and we assume no responsibility for updating, revising or reaffirming this opinion based on circumstances, developments or events occurring after the date hereof. Our advisory services and the opinion expressed herein are provided for the information and assistance of the Board of Directors of the Company in connection with its consideration of the Transaction and such opinion does not constitute a recommendation as to how any holder of shares of Company Common Stock should vote with respect to such Transaction or any other matter. This opinion has been approved by a fairness committee of Goldman, Sachs & Co.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Exchange Ratio pursuant to the Agreement is fair from a financial point of view to the Company.

Very truly yours,

/s/ Goldman, Sachs & Co.

Annex C

OPINION OF MERRILL LYNCH, PIERCE, FENNER & SMITH INCORPORATED

April 28, 2016

The Board of Directors

Parkway Properties, Inc.

390 North Orange Avenue, Suite 2400

Orlando, Florida 32801

The Board of Directors:

We understand that Parkway Properties, Inc. (Parkway) proposes to enter into an Agreement and Plan of Merger (the Agreement) among Parkway, Parkway Properties LP (Parkway LP), Cousins Properties Incorporated (Cousins) and Clinic Sub Inc., a wholly owned subsidiary of Cousins (Merger Sub), pursuant to which, among other things, Parkway will merge with and into Merger Sub (the Merger) and each outstanding share of the common stock, par value \$0.001 per share, of Parkway (Parkway Common Stock) will be converted into the right to receive 1.63 (the Exchange Ratio) shares of the common stock, par value \$1.00 per share, of Cousins (Cousins Common Stock).

We understand that, pursuant to or as contemplated by the Agreement, Parkway and Cousins will undertake a series of reorganization and related transactions involving, among other things, (i) the sale or other disposition by Parkway of certain assets (any such sale or other disposition, an Asset Sale), (ii) the contribution of Parkway LP's and Cousins core assets and any assets not sold or otherwise disposed of in the Asset Sales to, and assumption of related liabilities by, a newly-formed partnership subsidiary of Parkway LP (which, after giving effect to certain related transactions, will be a newly-formed partnership subsidiary of Cousins), other than assets and liabilities of Parkway LP and Cousins related to the ownership of real properties in Houston, Texas (such assets and related liabilities, as applicable, together with certain other specified assets, the Houston Businesses), and (iii) the consolidation of the Houston Businesses into a newly-formed subsidiary of Cousins (HoustonCo) and a newly-formed partnership subsidiary of Parkway LP, which, through certain related transactions, will be owned by HoustonCo and the pro rata distribution by Cousins to holders of Cousins Common Stock (including former holders of Parkway Common Stock) of all of the outstanding shares of HoustonCo voting common stock (such reorganization and related transactions described in clauses (i) through (iii) above and the other transactions contemplated by the Agreement (other than the Merger), collectively, the Related Transactions). The terms and conditions of the Merger and the Related Transactions are more fully set forth in the Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to the holders of Parkway Common Stock of the Exchange Ratio provided for in the Merger.

In connection with this opinion, we have, among other things:

- (iv) discussed the past and current business, operations, financial condition and prospects of Parkway with members of the senior managements of Parkway and Cousins, and discussed the past and current business, operations, financial condition and prospects of Cousins with members of the senior managements of Cousins and Parkway;
- (v) reviewed the trading histories for Parkway Common Stock and Cousins Common Stock and a comparison of such trading histories with each other and the trading histories of other companies we deemed relevant;
- (vi) compared certain financial and stock market information of Parkway and Cousins with similar information of other companies we deemed relevant;
- (vii) considered the results of the efforts on behalf of Parkway to solicit, at the direction of the Board of Directors of Parkway (the Board), indications of interest and definitive proposals from selected third parties with respect to a possible acquisition of all or a portion of Parkway;
- (viii) reviewed a draft, dated April 28, 2016, of the Agreement (the Draft Agreement); and
- (ix) performed such other analyses and studies and considered such other information and factors as we deemed appropriate.

We have not relied, for purposes of our opinion, on a comparison of the financial terms of the Merger to the financial terms of other transactions given, in our view, the lack of sufficient comparability or publicly available information with respect to other transactions similar to the Merger. In arriving at our opinion, we have assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with us and have relied upon the assurances of the managements of Parkway and Cousins that they are not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the Parkway Forecasts, we have been advised by Parkway, and we have assumed, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Parkway as to the future financial performance of Parkway and the other matters covered thereby. With respect to the Cousins Forecasts, we have been advised by Cousins, and we have assumed, with the consent of Parkway, that they have been reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Cousins as to

the future financial performance of Cousins and the other matters covered thereby. At the direction of Parkway, we have relied upon the assessments of the managements of Parkway and Cousins as to, among other things, (i) the potential impact on Parkway and Cousins of certain market and other trends in and prospects for the real estate industry and related credit and financial markets, including in the Southeastern and Southwestern United States markets generally and the Houston, Texas market specifically, (ii) existing and future relationships, agreements and arrangements with, and the ability to attract and retain, key employees and tenants of Parkway and Cousins and (iii) the ability to integrate the businesses and operations of Parkway and Cousins as contemplated. We have assumed, with the consent of Parkway, that there will be no developments with respect to any such matters that would have an adverse effect on Parkway, Cousins, the Merger or any Related Transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion.

We have not made or been provided with any independent evaluation or appraisal of the assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Parkway, Cousins or any other entity, nor have we made any physical inspection of the properties or assets of Parkway, Cousins or any other entity. We have assumed, with the consent of Parkway, that (i) the pro forma entities resulting from the Merger and the Related

Transactions will retain or acquire all assets, properties and rights necessary for their respective operations, (ii) appropriate reserves, indemnification arrangements or other provisions have been made with respect to liabilities that such pro forma entities and/or their respective subsidiaries will assume in connection with the Merger and the Related Transactions, and (iii) neither such pro forma entities nor any of their respective subsidiaries will directly or indirectly retain, assume or incur any liabilities that are contemplated to be excluded as a result of the Merger, the Related Transactions or otherwise. We have not made any analysis of, nor do we express any opinion or view as to, the adequacy or sufficiency of allowances for credit losses with respect to leases or any other matters and we have been advised by the managements of Parkway and Cousins and therefore have assumed, with the consent of Parkway, that any such allowances for credit losses with respect to leases are, and on a pro forma basis will be, in the aggregate appropriate to cover such losses. We also have not evaluated the solvency or fair value of Parkway, Cousins or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. We have assumed, at the direction of Parkway, that the Merger and the Related Transactions will be consummated in accordance with their respective terms and in compliance with all applicable laws, documents and other requirements, without waiver, modification or amendment of any material term, condition or agreement, and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Merger and the Related Transactions, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on Parkway, Cousins, the Merger or the Related Transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion. We also have assumed, at the direction of Parkway, that the Merger will qualify for U.S. federal income tax purposes as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), and that the contributions contemplated as part of the Related Transactions will qualify as contributions of property pursuant to Section 721 of the Code. We have been advised by Parkway and Cousins, and we have assumed, at the direction of Parkway, that each of Parkway and Cousins has operated in conformity with the requirements for qualification as a real estate investment trust (REIT) for U.S. federal income tax purposes since its election to be taxed as a REIT and have assumed, at the direction of Parkway, that the Merger and the Related Transactions will not adversely affect such REIT status or operations of the pro forma combined entity resulting from the Merger. We further have assumed, at the direction of Parkway, that the final executed Agreement will not differ in any material respect from the Draft Agreement reviewed by us.

We express no view or opinion as to the Related Transactions or any terms or other aspects or implications of the Merger (other than the Exchange Ratio to the extent expressly specified herein), including, without limitation, the form or structure of the Merger, the form or structure, or financial or other terms, of any Related Transactions or any terms, aspects or implications of any voting and support agreement, stockholders agreements or separation and distribution agreement or any governance or other arrangements, agreements or understandings entered into in connection with or related to the Merger, the Related Transactions or otherwise. Our opinion is limited to the fairness, from a financial point of view, of the Exchange Ratio to holders of Parkway Common Stock, without regard to individual circumstances of specific holders that may distinguish such holders or the securities of Parkway held by such holders (including any rights, preferences, restrictions or limitations that may be attributable to shares of

Parkway Common Stock or other securities of Parkway), and no opinion or view is expressed with respect to, or the relative fairness of, any consideration received in connection with the Merger or the Related Transactions by the holders of any class of securities, creditors or other constituencies of any party. In addition, no opinion or view is expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Merger or the Related Transactions or any related entities or class of such persons, relative to the Exchange Ratio or otherwise. Furthermore, no opinion or view is expressed as to the relative merits of the Merger or the Related

Transactions in comparison to other strategies or transactions that might be available to Parkway or in which Parkway might engage or as to the underlying business decision of Parkway to proceed with or effect the Merger or the Related Transactions. We are not expressing any opinion as to what the value of Cousins Common Stock actually will be when issued or the prices at which Cousins Common Stock, Parkway Common Stock or any other securities (including, without limitation, the securities of HoustonCo) will trade or otherwise be transferable at any time, including following announcement or consummation of the Merger and the Related Transactions. We also are not expressing any view or opinion with respect to, and we have relied at the direction of Parkway upon the assessments of Parkway and Cousins and their respective representatives regarding, legal, regulatory, accounting, tax and similar matters relating to Parkway and Cousins, their related entities and stockholders and the Merger and the Related Transactions, as to which we understand that Parkway and Cousins obtained such advice as they deemed necessary from qualified professionals. In addition, we express no opinion or recommendation as to how any stockholder should vote or act in connection with the Merger, any Related Transactions or any other matter.

We have acted as financial advisor to Parkway in connection with the Merger and will receive a fee for our services, a portion of which is payable upon delivery of this opinion and the principal portion of which is contingent upon consummation of the Merger. In addition, at the request of the Board, we and certain of our affiliates expect to arrange and participate in the financing for HoustonCo (or an affiliate thereof), for which services we and our affiliates will receive significant compensation, including acting as joint lead arranger, joint bookrunner and administrative agent for, and as a lender under, a senior secured credit facility of HoustonCo (or an affiliate thereof). In addition, Parkway has agreed to reimburse our expenses and indemnify us against certain liabilities arising out of our engagement.

We and our affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of our businesses, we and our affiliates may invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of Parkway, Cousins and certain of their respective affiliates.

We and our affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Parkway and certain of its affiliates and have received or in the future may receive compensation for the rendering of these services, including (i) having acted or acting as a lender to Parkway, (ii) having acted or acting as a joint bookrunner on certain equity offerings for Parkway, and (iii) having provided or providing certain treasury and trade management services and products to Parkway. In addition, we and/or certain of our affiliates currently lease or in the past have leased various properties from Parkway and, as of January 1, 2016, were one of Parkway's 20 largest tenants in terms of annualized rental revenue. We and certain of our affiliates may continue to maintain significant commercial (including vendor and/or customer)

relationships with Parkway and certain of its affiliates in the future.

In addition, we and our affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Cousins and certain of its affiliates and have received or in the future may receive compensation for the rendering of these services, including (i) having acted or acting as an administrative agent, co-lead arranger and bookrunner for, and as a

lender to, Cousins, (ii) having acted or acting as a joint bookrunner on an equity offering for Cousins, and (iii) having provided or providing certain treasury and trade management services and products to Cousins. We and/or certain of our affiliates also currently have a joint venture arrangement with respect to one of Cousins' properties, currently lease or in the past have leased various properties from Cousins and, during the fiscal year ended December 31, 2015, were one of Cousins' 20 largest office tenants in terms of annualized rental revenue. We and certain of our affiliates may continue to maintain significant commercial (including joint venture, vendor and/or customer) relationships with Cousins and certain of its affiliates in the future.

It is understood that this letter is for the benefit and use of the Board (in its capacity as such) in connection with and for purposes of its evaluation of the Merger.

Our opinion is necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to us as of, the date hereof. As you are aware, the credit, financial and stock markets, and the industries and regions in which Parkway and Cousins operate, have experienced and continue to experience volatility and we express no opinion or view as to any potential effects of such volatility on Parkway, Cousins (or their respective businesses), the Merger or the Related Transactions (including the contemplated benefits thereof). It should be understood that subsequent developments may affect this opinion, and we do not have any obligation to update, revise or reaffirm this opinion. The issuance of this opinion was approved by our Americas Fairness Opinion Review Committee.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion on the date hereof that the Exchange Ratio provided for in the Merger is fair, from a financial point of view, to the holders of Parkway Common Stock.

Very truly yours,

OPINION OF WELLS FARGO SECURITIES, LLC

April 28, 2016

The Board of Directors

Parkway Properties, Inc.

390 North Orange Avenue, Suite 2400

Orlando, Florida 32801

The Board of Directors:

The Board of Directors (the Board) of Parkway Properties, Inc., a Maryland corporation (Parkway), has asked Wells Fargo Securities, LLC (Wells Fargo Securities) to advise it with respect to the fairness, from a financial point of view, to holders of the common stock, par value \$0.001 per share, of Parkway (Parkway Common Stock) of the Exchange Ratio (defined below) provided for pursuant to an Agreement and Plan of Merger (the Merger Agreement) among Parkway, Parkway Properties LP, a Delaware limited partnership (Parkway LP), Cousins Properties Incorporated, a Georgia corporation (Cousins), and Clinic Sub Inc., a Maryland corporation and wholly owned subsidiary of Cousins (Merger Sub). Pursuant to the Merger Agreement, Parkway will be merged with and into Merger Sub (the Merger), with Merger Sub as the surviving entity of the Merger, and each outstanding share of Parkway Common Stock will be converted into the right to receive 1.63 (the Exchange Ratio) shares of the common stock, par value \$1.00 per share, of Cousins (Cousins Common Stock).

We understand that, pursuant to or as contemplated by the Merger Agreement, Parkway and Cousins will undertake a series of reorganization and related transactions involving, among other things, (i) the sale or other disposition by Parkway of certain assets (any such sale or other disposition, an Asset Sale), (ii) the contribution of Parkway LP's and Cousins' core assets and any assets not sold or otherwise disposed of in the Asset Sales to, and assumption of related liabilities by, a newly-formed partnership subsidiary of Parkway LP (which, after giving effect to certain related transactions, will be a newly-formed partnership subsidiary of Cousins), other than assets and liabilities of Parkway LP and Cousins related to the ownership of real properties in Houston, Texas (such assets and related liabilities, as applicable, together with certain other specified assets, the Houston Businesses), and (iii) the consolidation of the Houston Businesses into a newly-formed subsidiary of Cousins (HoustonCo) and a newly-formed partnership subsidiary of Parkway LP, which, through certain related transactions, will be owned by HoustonCo and the pro rata distribution by Cousins to holders of Cousins Common Stock (including former holders of Parkway Common Stock) of all of the outstanding shares of HoustonCo voting common stock (such reorganization and related transactions described in clauses (i) through (iii) above and the other transactions contemplated by the Merger Agreement (other than the Merger), collectively, the Related Transactions). The terms and conditions of the Merger and the Related Transactions are more fully set forth in the Merger Agreement.

In arriving at our opinion, we have, among other things:

Reviewed a draft, dated April 28, 2016, of the Merger Agreement, including the financial terms thereof;

Discussed with the managements of Parkway and Cousins the strategic rationale for the Merger and the Related Transactions;

Participated in discussions and negotiations among representatives of Parkway, Cousins and their respective advisors regarding the Merger and the Related Transactions;

Considered such other information, such as financial studies and analyses, as well as financial, economic and market criteria, and made such other inquiries, as we deemed relevant.

We have not relied, for purposes of our opinion, on a comparison of the proposed financial terms of the Merger to the financial terms of other transactions given, in our view, the lack of sufficient comparability or publicly available information with respect to other transactions similar to the Merger. In connection with our review, we have assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or

otherwise made available to us, including all accounting, tax, regulatory and legal information, and we have not made (and have not assumed any responsibility for) any independent verification of such information. We have relied upon assurances of the managements of Parkway and Cousins that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts, estimates and other information relating to Parkway and Cousins that we have been directed to utilize in our analyses, we have been advised by the respective managements of Parkway and Cousins and we have assumed that they have been reasonably prepared and reflect the best currently available estimates, judgments and assumptions of the managements of Parkway and Cousins, as the case may be, as to the future financial performance of Parkway and Cousins, as the case may be, and the other matters covered thereby. We assume no responsibility for, and express no view as to, any forecasts, estimates or other information utilized in our analyses or the judgments or assumptions upon which they are based. We also have assumed that there have been no meaningful changes in the condition (financial or otherwise), results of operations, businesses or prospects of Parkway or Cousins since the respective dates of the most recent financial statements and other information provided to us. We have relied, at the direction of Parkway, upon the assessments of the managements of Parkway and Cousins as to, among other things, (i) the potential impact on Parkway and Cousins of certain market and other trends in and prospects for the real estate industry and related credit and financial markets, including in the Southeastern and Southwestern United States markets generally and the Houston, Texas market specifically, (ii) existing and future relationships, agreements and arrangements with, and the ability to attract and retain, key employees and tenants of Parkway and Cousins and (iii) the ability to integrate the businesses and operations of Parkway and Cousins as contemplated. We have assumed, with

Parkway's consent, that there will be no developments with respect to any such matters that would have an adverse effect on Parkway, Cousins, the Merger or any Related Transactions (including the contemplated benefits thereof) or that otherwise would be meaningful in any respect to our analyses or opinion.

In arriving at our opinion, we have not conducted physical inspections of the properties or assets of Parkway, Cousins or any other entity, nor have we made or been provided with any evaluations or appraisals of the properties, assets or liabilities (contingent, derivative, off-balance sheet or otherwise) of Parkway, Cousins or any other entity. We have assumed, with Parkway's consent, that (i) the pro forma entities resulting from the Merger and the Related Transactions will retain or acquire all assets, properties and rights necessary for their respective operations, (ii) appropriate reserves, indemnification arrangements or other provisions have been made with respect to liabilities that such pro forma entities and/or their respective subsidiaries will assume in connection with the Merger and the Related Transactions, and (iii) neither such pro forma entities nor any of their respective subsidiaries will directly or indirectly retain, assume or incur any liabilities that are contemplated to be excluded as a result of the Merger, the Related Transactions or otherwise. We also have not evaluated the solvency or fair value of Parkway, Cousins or any other entity under any state, federal or other laws relating to bankruptcy, insolvency or similar matters.

In rendering our opinion, we have assumed, at the direction of Parkway, that the final form of the Merger Agreement, when signed by the parties thereto, will not differ from the draft Merger Agreement reviewed by us in any respect meaningful to our analyses or opinion, that the Merger and the Related Transactions will be consummated in accordance with the terms described in the Merger Agreement and related documents and in compliance with all applicable laws, documents and other requirements without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary governmental, regulatory or third party consents, approvals or agreements for the Merger and the Related Transactions, no delay, limitation or restriction, including any divestiture or other requirements, will be imposed or action will be taken that will have an adverse effect on Parkway, Cousins, the Merger or the Related Transactions (including the contemplated benefits thereof) or that otherwise will be meaningful in any respect to our analyses or opinion. We also have assumed, at the direction of Parkway, that the Merger will qualify for U.S. federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code), and that the contributions contemplated as part of the Related Transactions will qualify as contributions of property pursuant to Section 721 of the Code. We have been advised by Parkway and Cousins, and we have assumed, at the direction of Parkway, that each of Parkway and Cousins has operated in conformity with the requirements for qualification as a real estate investment trust (REIT) for U.S. federal income tax purposes since its election to be taxed as a REIT and we further have assumed, at the direction of Parkway, that the Merger and the Related Transactions will not adversely affect such REIT status or operations of the pro forma combined entity resulting from the Merger.

We are not expressing any opinion as to what the value of Cousins Common Stock actually will be when issued pursuant to the Merger or the prices at which Cousins Common Stock, Parkway Common Stock or any other securities (including, without limitation, the securities of HoustonCo) will trade or otherwise be transferable at any

time, including following announcement or consummation of the Merger and the Related Transactions. Our opinion is necessarily based on economic, market, financial and other conditions existing, and information made available to us, as of the date hereof. As the Board is aware, the credit, financial and stock markets, and the industries and regions in which Parkway and Cousins operate, have experienced and continue to experience volatility and we express no opinion or view as to any potential effects of such volatility on Parkway, Cousins (or their respective businesses), the Merger or the Related Transactions (including the contemplated benefits

thereof). Although subsequent developments may affect the matters set forth in this opinion, we do not have any obligation to update, revise, reaffirm or withdraw this opinion or otherwise comment on or consider any such events occurring or coming to our attention after the date hereof.

Our opinion only addresses the fairness, from a financial point of view and as of the date hereof, to holders of Parkway Common Stock of the Exchange Ratio to the extent expressly specified herein, without regard to individual circumstances of specific holders that may distinguish such holders or the securities of Parkway held by such holders (including any rights, preferences, restrictions or limitations that may be attributable to shares of Parkway Common Stock or other securities of Parkway), and no opinion or view is expressed with respect to, or the relative fairness of, any consideration received in connection with the Merger or the Related Transactions by the holders of any class of securities, creditors or other constituencies of any party. Our opinion does not address the Related Transactions or any other terms, aspects or implications of the Merger, including, without limitation, the form or structure of the Merger, the form or structure, or financial or other terms, of any Related Transactions or any terms, aspects or implications of any voting and support agreement, stockholders agreements or separation and distribution agreement or any governance or other arrangements, agreements or understandings entered into in connection with or contemplated by the Merger, the Related Transactions or otherwise. In addition, our opinion does not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger or the Related Transactions or any related entities, or class of such persons, relative to the Exchange Ratio or otherwise. Our opinion also does not address the merits of the underlying decision by Parkway to enter into the Merger Agreement or the relative merits of the Merger or the Related Transactions compared with other business strategies or transactions available or that have been or might be considered by Parkway or the Board or in which Parkway might engage. We also are not expressing any opinion or view with respect to, and at the direction of Parkway have relied upon the assessments of representatives of Parkway and Cousins regarding, accounting, tax, regulatory, legal or similar matters as to which we understand that Parkway and Cousins obtained such advice as they deemed necessary from qualified professionals.

The issuance of this opinion was approved by an authorized committee of Wells Fargo Securities. Wells Fargo Securities is the trade name for certain capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Securities, LLC. Wells Fargo Securities has been engaged to act as financial advisor to Parkway in connection with the Merger and will receive a fee for such services, a portion of which will be payable upon delivery of this opinion and the principal portion of which is contingent upon consummation of the Merger. In addition, at the request of the Board, Wells Fargo & Company and certain of its affiliates expect to arrange and participate in the financing for HoustonCo (or an affiliate thereof), for which services Wells Fargo & Company and such affiliates will receive significant compensation, including acting as joint lead arranger and joint bookrunner for, and as a lender under, a senior secured credit facility of HoustonCo (or an affiliate thereof). Parkway has agreed to reimburse certain of Wells Fargo Securities' expenses and to indemnify us and certain related parties against certain liabilities that may arise out of our engagement. Wells Fargo Securities and our affiliates provide a full range of investment banking and financial advisory, securities trading, brokerage and lending services in the ordinary

course of business, for which we and such affiliates receive customary fees and, given certain policies and procedures designed to preserve the independence of our research and credit analysts, the views of such analysts may differ from those reflected in our analyses and opinion. In connection with unrelated matters, Wells Fargo Securities and our affiliates in the past have provided, currently are providing and in the future may provide investment banking and other financial services to Parkway, Cousins and certain of their respective affiliates for which Wells Fargo Securities and our affiliates have received and would expect to receive fees including, during the past two years, having acted or acting as (i) in the case of Parkway, (a) financial advisor to Parkway in connection with its acquisition of certain

real estate assets, (b) joint bookrunning manager or selling agent for equity offerings of Parkway and (c) joint lead arranger, joint bookrunner and administrative agent for, and as a lender and/or letter of credit provider under, credit facilities of an affiliate of Parkway and (ii) in the case of Cousins, (a) debt placement agent and broker to Cousins for the acquisition and disposition of certain real estate assets, (b) sole bookrunning manager for an equity offering of Cousins and (c) co-documentation agent for, and as a lender under, a credit facility of Cousins. In addition, Wells Fargo Securities and/or certain of our affiliates currently lease or in the past have leased various properties from Parkway and, as of January 1, 2016, were one of Parkway's 20 largest tenants in terms of annualized rental revenue. Wells Fargo Securities and/or certain of our affiliates also currently lease or in the past have leased various properties from Cousins and, during the fiscal year ended December 31, 2015, were one of Cousins' 20 largest office tenants in terms of annualized rental revenue. Wells Fargo Securities and certain of our affiliates may continue to maintain significant commercial (including vendor and/or customer) relationships with Parkway, Cousins and certain of their respective affiliates in the future. In the ordinary course of business, Wells Fargo Securities and our affiliates may actively trade, hold or otherwise effect transactions in the securities or financial instruments (including bank loans or other obligations) of Parkway, Cousins and certain of their respective affiliates for our and our affiliates' own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities or financial instruments.

It is understood that this opinion is for the information and use of the Board (in its capacity as such) in connection with its evaluation of the Merger. Our opinion does not constitute a recommendation to the Board or any other person or entity in respect of the Merger or any Related Transactions, including as to how any stockholder should vote or act in connection with the Merger, any Related Transactions or any other matters.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above and other factors we deemed relevant, it is our opinion that, as of the date hereof, the Exchange Ratio provided for in the Merger is fair, from a financial point of view, to the holders of Parkway Common Stock.

Very truly yours,

WELLS FARGO SECURITIES, LLC

VOTING AGREEMENT

This VOTING AGREEMENT, dated as of April 28, 2016 (this Agreement), is made and entered into by and among Cousins Properties Incorporated, a Georgia corporation (Cousins) and the stockholders of Parkway Properties, Inc., a Maryland corporation (Parkway) that are listed on Schedule A hereto (each, a Stockholder and, collectively, the Stockholders).

RECITALS

WHEREAS, concurrently with the execution and delivery of this Agreement, Parkway, Parkway Properties LP, a Delaware limited partnership (Parkway LP), Cousins and Clinic Sub Inc., a Maryland corporation and wholly owned subsidiary of Cousins (Merger Sub), are entering into an Agreement and Plan of Merger (the Merger Agreement), that provides, among other things, for the merger of Parkway with and into Merger Sub (the Merger), upon the terms and subject to the conditions set forth in the Merger Agreement;

WHEREAS, in connection with the transactions contemplated by the Merger Agreement, (i) the Stockholders have, concurrently with the execution and delivery of this Agreement, entered into a Stockholders Agreement with Cousins in the form attached hereto as Exhibit A (the Cousins Stockholders Agreement) and (ii) Cousins will cause HoustonCo (as defined in the Merger Agreement) to enter into a Stockholders Agreement with the Stockholders in the form attached hereto as Exhibit B (the HoustonCo Stockholders Agreement);

WHEREAS, as a condition and an inducement to Cousins' willingness to enter into the Merger Agreement, Cousins has required that the Stockholders agree, and the Stockholders have agreed to, enter into this Agreement with respect to all common stock, par value \$0.001 per share, of Parkway (the Parkway Common Stock) that the Stockholders own, if any, beneficially (as defined in Rule 13d-3 under the Exchange Act) or of record;

WHEREAS, the Stockholders are the beneficial or record owners, and have either sole or shared voting power over, such number of shares of the Parkway Common Stock (the Parkway Stock) as is indicated opposite each such Stockholder's name on Schedule A attached hereto; and

WHEREAS Cousins desires that the Stockholders agree, and the Stockholders are willing to agree, subject to the limitations herein, not to Transfer (as defined below) any of their Subject Securities (as defined below), and to vote their Subject Securities in a manner so as to facilitate consummation of the Merger.

NOW, THEREFORE, in consideration of the foregoing and the respective representations, warranties, covenants and agreements set forth below and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto, intending to be legally bound, do hereby agree as follows:

1. Definitions. Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to such terms in the Merger Agreement. When used in this Agreement, the following terms in all of their tenses, cases and correlative forms shall have the meanings assigned to them in this Section 1 or elsewhere in this Agreement.

Expiration Time shall mean the earliest to occur of (i) the approval and adoption of the Merger Agreement (and the approval of all other proposals covered by Section 3(i) of this Agreement) at the Parkway Stockholders Meeting, (ii) such date and time as the Merger Agreement shall be terminated pursuant to Article VII thereof, (iii) the date that any amendment to, or waiver of, Parkway's rights under the Merger Agreement is

effected without the Stockholders' consent (which shall not be unreasonably withheld, conditioned or delayed) that decreases the Exchange Ratio or otherwise diminishes the merger consideration payable to holders of Parkway Common Stock, or (iv) the termination of this Agreement by mutual written consent of the parties hereto.

Permitted Transfer shall mean, in each case, with respect to each Stockholder, so long as (i) such Transfer is in accordance with applicable Law and (ii) such Stockholder is in compliance with this Agreement, any Transfer of Subject Securities by the Stockholder to another Stockholder or to an Affiliate of such Stockholder, so long as such Affiliate, in connection with such Transfer, executes a joinder to this Agreement pursuant to which such Affiliate agrees to become a party to this Agreement and be subject to the restrictions applicable to such Stockholder and otherwise become a party for all purposes of this Agreement; provided that no such Transfer shall relieve the transferring Stockholder from its obligations under this Agreement, other than with respect to the Parkway Stock transferred in accordance with the foregoing provision.

Subject Securities shall mean, collectively, the Parkway Stock and the New Parkway Stock.

Transfer shall mean (i) any direct or indirect offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), either voluntary or involuntary, or entry into any contract, option or other arrangement or understanding with respect to any offer, sale, assignment, encumbrance, pledge, hypothecation, disposition, loan or other transfer (by operation of Law or otherwise), of any Subject Securities (or any security convertible or exchangeable into Subject Securities) or interest in any Subject Securities, excluding, for the avoidance of doubt, entry into this Agreement, or (ii) entering into any swap or any other agreement, transaction or series of transactions that hedges or transfers, in whole or in part, directly or indirectly, the economic consequence of ownership of such capital stock or interest in capital stock, whether any such swap, agreement, transaction or series of transactions is to be settled by delivery of securities, in cash or otherwise. For purposes of this Agreement, capital stock shall include interests in a limited partnership.

2. Agreement to Retain Parkway Stock.

2.1 Transfer and Encumbrance of Subject Securities. Other than a Permitted Transfer, hereafter until the Expiration Time, the Stockholders agree, with respect to any Subject Securities beneficially owned by the Stockholders, not to (i) Transfer any such Subject Securities, or (ii) deposit any such Subject Securities into a voting trust or enter into a voting agreement or arrangement with respect to such Subject Securities or grant any proxy (except as otherwise provided herein) or power of attorney with respect thereto.

2.2 Additional Purchases. The Stockholders agree that any Parkway Common Stock and other capital shares of Parkway that such Stockholder purchases or otherwise acquires or with respect to which such Stockholder otherwise acquires sole voting power (or with respect to which the Stockholders collectively acquire sole voting power) after the execution of this Agreement and prior to the Expiration Time (the New Parkway Stock) shall be subject to the terms and conditions of this Agreement to the same extent as if they constituted the Parkway Stock.

2.3 Unpermitted Transfers. Any Transfer or attempted Transfer of any Subject Securities in violation of this Section 2 shall, to the fullest extent permitted by Law, be null and void *ab initio*. Notwithstanding the foregoing or any other provision in this Agreement to the contrary, to the extent any of the Subject Securities held by a Stockholder subject to any Lien (as set forth on Schedule A hereto) become subject to foreclosure, forfeiture or other similar proceedings (other than in an attempt to evade the provisions of this Agreement), thereby causing such Stockholder to be unable to comply with its obligations under this Agreement with respect to such securities, such Stockholder shall not be deemed to be in breach of this Agreement with respect to such Stockholder's obligations with respect to such Parkway Stock.

3. Agreement to Vote and Approve. Hereafter until the Expiration Time, at every meeting of the stockholders of Parkway called with respect to any of the following matters, and at every adjournment or postponement thereof, and on every action or approval by written consent of the stockholders of Parkway with respect to any of the following matters, the Stockholders shall, or shall cause the holder of record on any applicable record date to (including via proxy), vote the Parkway Stock and any New Parkway Stock owned by the Stockholder: (i) in favor of the Merger and in favor of the adoption and approval of the Merger Agreement and in favor of any other proposals in connection with the transactions contemplated by the Merger Agreement (including, without limitation, the HoustonCo Distribution and any changes to the governing documents of Cousins, Parkway or HoustonCo proposed in connection with the Reorganization, the Merger, the HoustonCo Distribution and the other transactions contemplated by the Merger Agreement), and (ii) against (a) any action or agreement that would reasonably be expected to result in any condition to the consummation of the Merger as set forth in Article VI of the Merger Agreement not being fulfilled, (b) any merger agreement, merger or Acquisition Proposal (other than the Merger Agreement and the Merger) and (c) any action which could reasonably be expected to materially delay, materially postpone or materially adversely affect the consummation of the transactions contemplated by the Merger Agreement (including the HoustonCo Distribution) or dilute in any material respect the benefit of such transactions to Cousins or to Cousins' stockholders; provided, however, that nothing in this Agreement shall require any Stockholder to vote or otherwise consent to any amendment to the Merger Agreement or the taking of any action that would decrease the Exchange Ratio or otherwise diminish the merger consideration payable to holders of Parkway Common Stock.

4. Irrevocable Proxy. By execution of this Agreement, the Stockholders do hereby appoint and constitute Cousins, until the Expiration Time (at which time this proxy shall automatically be revoked), with full power of substitution and resubstitution, as the Stockholders' true and lawful attorneys-in-fact and irrevocable proxies, to the fullest extent of the Stockholders' rights with respect to the Subject Securities beneficially owned by the Stockholders, to vote such Subject Securities solely with respect to the matters set forth in Section 3 hereof; provided, however, that the foregoing shall only be effective if the Stockholders fail to be counted as present, to consent or to vote the Stockholders' Subject Securities, as applicable, in accordance with this Agreement. The Stockholders intend this proxy to be irrevocable and coupled with an interest (in accordance with Section 2-507(d) of the Maryland General Corporation Law) hereafter until the Expiration Time (at which time this proxy shall automatically be revoked) for all purposes and hereby revokes any proxy previously granted by the Stockholders with respect to its Subject Securities. Each Stockholder hereby ratifies and confirms all actions that the proxies appointed hereunder may lawfully do or cause to be done in accordance with this Agreement.

5. Representations and Warranties of the Stockholders. Each Stockholder hereby represents and warrants to Cousins as follows:

5.1 Due Authority. Such Stockholder has the full power and authority to make, enter into and carry out the terms of this Agreement and to grant the irrevocable proxy as set forth in Section 4 hereof. This Agreement has been duly and validly executed and delivered by such Stockholder and constitutes a valid and binding agreement of such Stockholder enforceable against it in accordance with its terms, except to the extent enforceability may be limited by the effect of applicable bankruptcy, reorganization, insolvency, moratorium or other Laws affecting the enforcement of creditors' rights generally and the effect of general principles of equity, regardless of whether such enforceability is considered in a proceeding at Law or in equity.

5.2 Ownership of the Parkway Stock. As of the date hereof, such Stockholder (i) is the beneficial or record owner of the Parkway Common Stock indicated on Schedule A hereto opposite such Stockholder's name, free and clear of any and all Liens, other than those created by this Agreement, as disclosed on Schedule A or as would not prevent such Stockholder from performing its obligations under this Agreement, and (ii) has sole voting power over all of the Parkway Stock beneficially owned by such Stockholder. As of the date hereof, such Stockholder does not own,

beneficially or of record, any capital stock or other securities of Parkway other than the Parkway Common Stock set forth on Schedule A opposite such Stockholder's name. As of the date hereof, such Stockholder does not own, beneficially or of record, any rights to purchase or acquire any shares of capital stock of Parkway except as set forth on Schedule A opposite such Stockholder's name.

5.3 No Conflict: Consents.

(a) The execution and delivery of this Agreement by such Stockholder does not, and the performance by such Stockholder of the obligations under this Agreement and the compliance by such Stockholder with any provisions hereof do not and will not: (i) conflict with or violate in any material respect any Laws applicable to such Stockholder, or (ii) result in any material breach of or constitute a material default (or an event that with notice or lapse of time or both would become a material default) under, or give to others any rights of termination, amendment, acceleration or cancellation of, or result in the creation of a Lien on any of the Parkway Stock beneficially owned by such Stockholder pursuant to, any note, bond, mortgage, indenture, contract, agreement, lease, license, permit, franchise or other instrument or obligation to which such Stockholder is a party or by which such Stockholder is bound.

(b) Except for the applicable requirements of the Securities Exchange Act of 1934, as amended, no consent, approval, order or authorization of, or registration, declaration or filing with, any Governmental Authority or any other Person, is required by or with respect to such Stockholder in connection with the execution and delivery of this Agreement or the consummation by such Stockholder of the transactions contemplated hereby.

5.4 Absence of Litigation. There is no action, suit, investigation or proceeding (whether judicial, arbitral, administrative or other) (each an Action) pending against, or, to the knowledge of such Stockholder, threatened against or affecting, such Stockholder that could reasonably be expected to materially impair or materially adversely affect the ability of such Stockholder to perform such Stockholder's obligations hereunder or to consummate the transactions contemplated hereby on a timely basis.

5.5 Ownership of Cousins Common Stock. As of the date hereof, such Stockholder does not own, beneficially or of record, any shares of Cousins Common Stock.

6. Termination. This Agreement shall terminate and shall have no further force or effect immediately as of and following the Expiration Time.

7. Notice of Certain Events. Hereafter until the Expiration Time, the Stockholders shall notify Cousins promptly of (a) any fact, event or circumstance that would cause, or reasonably be expected to cause or constitute, a breach in any material respect of the representations and warranties of the Stockholders under this Agreement and (b) the receipt by the Stockholders of any notice or other communication from any Person alleging that the consent of such Person is or may be required in connection with this Agreement; provided, however, that the delivery of any notice pursuant to this Section 7 shall not limit or otherwise affect the remedies available to any party.

8. Miscellaneous.

8.1 HoustonCo Stockholders Agreement. Upon consummation of the HoustonCo Distribution, Cousins will cause HoustonCo to execute and deliver to the Stockholders, the HoustonCo Stockholders Agreement. Notwithstanding anything herein to the contrary, the obligations of Cousins set forth in this Section 8.1 shall survive and continue in full force and effect notwithstanding the events described in clause (i) of the definition of Expiration Time having occurred.

8.2 Severability. If any term or other provision of this Agreement is determined to be invalid, illegal or incapable of being enforced by any rule of Law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith

to modify this Agreement so as to effect the original intent of the parties as closely as possible to the fullest extent permitted by applicable law in an acceptable manner to the end that the transactions contemplated hereby are fulfilled to the extent possible.

8.4 Amendments and Modifications. This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by the parties hereto.

8.5 Specific Performance; Injunctive Relief. The parties hereto agree that irreparable damage would occur in the event any provision of this Agreement was not performed in accordance with the terms hereof or was otherwise breached. It is accordingly agreed that the parties shall be entitled to specific relief hereunder, including, without limitation, an injunction or injunctions to prevent and enjoin breaches of the provisions of this Agreement and to enforce specifically the terms and provisions hereof in any court identified in Section 8.7 of this Agreement. Any requirements for the securing or posting of any bond or security with respect to any such remedy are hereby waived.

Each party hereto hereby irrevocably and unconditionally waives any objection to the laying of venue of any Action arising out of this Agreement or the transactions contemplated hereby in the courts of the State of Maryland and the federal courts of the United States of America located in the State of Maryland, and hereby further irrevocably and unconditionally waives and agrees not to plead or claim in any such court that any such Action brought in any such court has been brought in an inconvenient forum. 8.12 No Agreement Until Executed. Irrespective of negotiations among the parties or the exchanging of drafts of this Agreement, this Agreement shall not constitute or be deemed to evidence a contract, agreement, arrangement or understanding between the parties hereto unless and until (i) the Merger Agreement is executed and delivered by all parties thereto, and (ii) this Agreement is executed and delivered by all parties hereto.

The parties acknowledge and agree that

(a) Subject to the provisions hereof, at any time on or after the date that is 180 days after the Closing Date, the Holders of a majority of Registrable Securities shall have the right to require the Company to file a Registration Statement registering for sale all or part of their respective Registrable Securities under the Securities Act (a **Demand Registration**) by delivering a written request therefor to the Company (i) specifying the number of Registrable Securities to be included in such registration by such Holder or Holders, (ii) specifying whether the intended method of disposition thereof is pursuant to an Underwritten Offering (as defined below), and (iii) containing all information about such Holder required to be included in such Registration Statement in accordance with applicable Law. As soon as practicable after the receipt of such demand, the Company shall (x) promptly notify all Holders from whom the request for registration has not been received and (y) use reasonable best efforts to effect such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities Laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) of the Registrable Securities that the Company has been so requested to register; provided, however, that (i) the Holders shall not make a request for a Demand Registration under this Section 3.2(a) for Registrable Securities having an anticipated aggregate offering price of less than \$5,000,000, (ii) the Holders will not be entitled to require the Company to effect more than three (3) Demand Registrations in the aggregate under this Agreement, and (iii) the Company will not be obligated to effect more than one (1) Demand Registration in any six (6) month period.

(b) The offering of the Registrable Securities pursuant to such Demand Registration may be in the form of an underwritten public offering (an **Underwritten Offering**). In such case, (i) the Company may designate the managing underwriter(s) of the Underwritten Offering, provided that such Holders may designate a co-managing underwriter to participate in the Underwritten Offering, subject to the approval of the Company, which approval shall not be unreasonably withheld or delayed and (ii) the Company shall (together with the Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form for underwriting agreements for firm commitment offerings of equity securities with the managing underwriter(s) proposing to distribute their securities through such Underwritten Offering, which underwriting agreement shall have indemnification provisions in substantially the form as set forth in Section 3.9 of this Agreement; provided, that (i) the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the underwriter(s) shall also be made to and for the benefit of the Holders proposing to distribute their securities through the Underwritten Offering, (ii) no Holder shall be required to make any representations and warranties to, or agreements with, any underwriter in a registration other than customary representations, warranties and agreements and (iii) the liability of each Holder in respect of any indemnification, contribution or other obligation of such Holder arising under such underwriting agreement (a) shall be limited to losses arising out of or based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or

The Company shall not be obligated to effect or participate (a) more than two (2) Underwritten Offerings in any twelve (12) month period, and (b) in any Underwritten Offering during any lock-up period required by the underwriter(s) in any prior underwritten offering conducted by the Company on its own behalf or on behalf of the Holders.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' maximum number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' maximum number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been effected for purposes of clause (ii) of the proviso to Section 3.2(a). If (i) a registration requested pursuant to this Section 3.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 3.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 3.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 3.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 3.2(a).

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Purchase Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 3.1 or Section 3.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date

The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the Holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 3.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 3.3.

Section 3.4 Registration Expenses. In connection with registrations pursuant to Section 3.1, Section 3.2 or Section 3.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the Registration Expenses), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky Laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders' Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the

managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 3.4 and to pay or reimburse the Holders for the expenses described in this Section 3.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 3.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

- (a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 3.2(a), prepare and file with the SEC a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.
- (b) The Company will (i) promptly prepare and file with the SEC such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii) comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.
- (c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each Holder of Registrable Securities covered by such Registration Statement, (ii) Holders Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.
- (d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue

sky Laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky Laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of Section 3.5(a) and Section 3.5(b), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 3.6 Holders' Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of Section 3.7 hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3.5(f) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.5(f) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to Section 3.5(f) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of Section 3.5(f) hereof.

Section 3.7 Blackout Provisions.

(a) Notwithstanding anything in this Agreement to the contrary, by delivery of written notice to the participating Holders (a Suspension Notice) stating which one or more of the following limitations shall apply

E-24

to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 3.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 3.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 3.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 3.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 3.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the DTC) (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 3.9 Indemnification.

(a) Indemnification by the Company. The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by Law, each Holder and each of its

managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a Controlling Person), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, Damages) and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

(b) Indemnification by the Holder. The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information related to the Holders, or their plan of distribution, furnished in writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 3.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 3.9(a) or Section 3.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified

Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that

E-26

Table of Contents

the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 3.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 3.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 3.12 Termination of Registration Rights. The rights granted under this Article III shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 3.9 shall survive such termination.

Section 3.13 Assignment; Binding Effect. The rights and obligations provided in this Article III may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article

III as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 3.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all

purposes of this Article III. Except as set forth in this Section 3.13, the rights and obligations provided in this Article III may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

(b) The limitations provided in Section 4.1(a) shall, upon the occurrence of any of the following events, immediately be suspended until the expiration of the time period set forth below in this Section 4.1(b), but only so long as TPG or any of its Affiliates (other than any Non Private Equity Business of TPG or its Affiliates) did not directly or indirectly assist, facilitate, encourage or participate in any such events:

(i) on the commencement (as defined in Rule 14d-2 of the Exchange Act) by any Person of a tender or exchange offer seeking to acquire Beneficial Ownership of a number outstanding shares of Voting Securities of the Company that, if consummated, would result in a Change of Control and which is recommended by the Company Board; provided, that TPG has not facilitated, encouraged, or otherwise participated in such tender offer; or

provided, however, that upon (y) any withdrawal or lapsing of any such tender or exchange offer referred to in Section 4.1(b)(i) which does not result in a Change of Control, or (z) the abandonment by the Company Board or a duly constituted committee of the Company Board of a process to solicit a proposal of the type referred to in Section 4.1(b)(ii) without a Change of Control having occurred and without an agreement to effect a Change of Control, as the case may be, the limitations provided in Section 4.1(a) (except to the extent then suspended as a result of any other event specified in this Section 4.1(b)) shall again be applicable for so long as and only to the extent provided in this Agreement.

Section 4.2 No Conflicting Agreements. For so long as this Agreement remains in effect, neither the Company nor TPG shall enter into any stockholder agreement or arrangement of any kind with any Person with respect to any Shares or other Securities, or otherwise act or agree to act in concert with any Person with respect to any Shares or other Securities, to the extent such agreement, arrangement, or concerted act would controvert, or otherwise be inconsistent in any material respect with, the provisions of this Agreement. The Company (as successor to Parkway) and TPG hereby agree that, as of the execution of this Agreement, the Stockholders Agreement, dated as of June 5, 2012, by and among TPG, TPG Manager and Parkway shall be deemed terminated, null and void, and no longer of any effect.

Section 4.3 Further Assurances. Each of TPG and the Company agrees to execute and deliver all such further documents and do all acts and things that from time to time may reasonably be required to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 5.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law, shall not be affected and shall remain in full force and effect. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 5.3 Entire Agreement. Except as otherwise expressly set forth herein, this Agreement and the Purchase Agreement, together with the agreements and other documents and instruments referred to herein, embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersede and preempt any prior understandings, agreements, or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

For so long as TPG has the right to designate any TPG Nominated Directors to serve on the Committees, (x) the Company Board shall maintain a committee called the Investment Committee, the rights and responsibilities of which shall include those described on Exhibit A hereto, and a committee called the Compensation Committee, the rights and responsibilities of which shall include those described on Exhibit B hereto, (y) each Committee may only take action with the affirmative vote of at least a majority of its members and (z) (A) the Company Board will not authorize, and the Company Board will not cause to be taken, any action described on Exhibit A or in clause (ii) of Exhibit B hereto, as the case may be, absent the affirmative approval of the Investment Committee or the Compensation Committee, as the case may be, and (B) subject to and only following the receipt of Stockholder Approval, the Company Board will not authorize, and the Company Board will not cause to be taken, any action described in clause (i) of Exhibit B hereto absent the affirmative approval of the Compensation Committee. Furthermore, for so long as TPG has the right to designate any TPG Nominated Directors to serve on the Committees, if to the extent that any TPG Nominated Director is not permitted to serve on the Compensation Committee for any reason, including pursuant to Section 2.1(f) or Section 2.1(g) below, the Company Board shall create a new Committee in accordance with this Section 2.1(b), that includes the requisite number of TPG Nominated Directors, and that has the rights and responsibilities described on Exhibit B hereto. Any such Committee may only take action with the affirmative vote of at least a majority of its members and (x) the Company Board will not authorize, and the Company will not cause to be taken, any action described in clause (ii) of Exhibit B hereto absent the affirmative approval of such action by such Committee, and (y) subject to and only following receipt of Stockholder Approval, the Company Board will not authorize, and the Company Board will not cause to be taken, any action described in clause (i) of Exhibit B hereto absent the affirmative approval by such Committee.

(c) If TPG's, together with its Affiliates', Beneficial Ownership of outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, falls below any percentage threshold set forth in Section 2.1(b) above, TPG shall cause one or more, as applicable, of the TPG Nominated Directors to resign from any Committees on which such TPG Nominated Directors serve effective as of the date that is the earlier of the end of such TPG Nominated Director's term and six months from the date on which TPG's Beneficial Ownership fell below

the applicable percentage, such that the remaining number of TPG Nominated Directors on such Committees does not exceed the number that TPG is then entitled to designate appointment

pursuant to the terms and conditions of Section 2.1(b). If TPG's, together with its Affiliates', Beneficial Ownership of outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, falls below any percentage threshold set forth in Section 2.1(a) and Section 2.1(b) above, the number of directors that TPG shall be entitled to designate for nomination or appointment at any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members of the Company Board or any Committee thereof shall be reduced to such number that does not exceed the number that TPG is then entitled to designate for nomination or appointment pursuant to the terms and conditions of Section 2.1(a) and Section 2.1(b) above, as applicable, and TPG shall cause one or more, as applicable, of the TPG Nominated Directors to resign as of the date that is the earlier of the end of such TPG Nominated Director's term and six months from the date on which TPG's Beneficial Ownership fell below the applicable percentage. If, after the date on which TPG's Beneficial Ownership fell below the applicable percentage and before the effective date of the TPG Director's resignation in accordance with the preceding sentence, TPG or its Affiliates acquire additional shares of Common Stock which meet the percentage thresholds set forth in Sections 2.1(a) and 2.1(b) above, then the number of directors that TPG shall be entitled to designate for nomination or appointment at any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members to the Company Board or any Committee thereof shall be increased to the applicable number set forth in Sections 2.1(a) and 2.1(b) (otherwise, the number of directors that TPG shall be entitled to so designate shall be forever so reduced, even if TPG or its Affiliates shall subsequently acquire additional shares of Common Stock). In addition, TPG shall cause any TPG Nominated Director to resign promptly from the Company Board and any Committees on which such TPG Nominated Director serves if such TPG Nominated Director, as determined by the Company Board in good faith after consultation with outside legal counsel, (i) is prohibited or disqualified from serving as a director of the Company or a member of any such Committees under any rule or regulation of the SEC, the NYSE or by applicable Law, (ii) has engaged in acts or omissions constituting a breach of the TPG Nominated Director's duty of loyalty to the Company and its stockholders, (iii) has engaged in acts or omissions that involve intentional misconduct or an intentional violation of Law or (iv) has engaged in any transaction involving the Company from which the TPG Nominated Director derived an improper personal benefit that was not disclosed to the Company Board prior to the authorization of such transaction; provided, however, that, subject to the limitations set forth in Section 2.1(a) and Section 2.1(b), TPG shall have the right to replace such resigning TPG Nominated Director with a new TPG Nominated Director, such newly named TPG Nominated Director to be appointed promptly to the Company Board in place of the resigning TPG Nominated Director in the manner set forth in the Company's governing documents for filling vacancies on the Company Board. Nothing in this paragraph (c) or elsewhere in this Agreement (except Section 2.1(e)) shall confer any third-party beneficiary or other rights upon any person designated hereunder as a TPG Nominated Director, whether during or after such person's service on the Company Board.

(d) For so long as TPG has the right to designate at least one (1) TPG Nominated Director for nomination to the Company Board pursuant to Section 2.1(a) above, the Company Board shall (i) fill vacancies created by reason of death, removal or resignation of any TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(a) above and Sections 2.1(f) and 2.1(g) below, and (ii) fill vacancies created by reason of death, removal or resignation of any director who is not a TPG Nominated Director (a Non-TPG Director) promptly upon request by the Non-TPG Directors and only as directed by the Non-TPG Directors; provided, however, that any such director designated by the Non-TPG Directors shall, as a condition precedent to his or her nomination, meet each of the requirements set forth in clauses (i)–(iv) of Section 2.1(f) below (it being understood that, for the purposes hereof, the word "TPG" appearing in clause (i) thereof shall be replaced with the words "the Non-TPG Directors"), other than, in the case of any non-independent or management director, the requirements of clause (iii) thereof. Further, for so long as TPG has the right to designate at least one (1) TPG Nominated Director for appointment to any Committee pursuant to Section 2.1(b) above, the Company Board shall appoint and remove the TPG Nominated Directors as members of any such Committee promptly upon request by TPG and only as directed by TPG, and shall fill vacancies created by reason of death, removal or resignation of any TPG Nominated Director promptly upon request by TPG and only as directed by TPG,

subject to the terms and conditions set forth in Section 2.1(b) and 2.1(c) above and Sections 2.1(f) and 2.1(g) below. So long as TPG has promptly named a replacement,

following any death, removal or resignation of any TPG Nominated Director, and prior to any the appointment of such replacement in accordance with this Agreement, the Company Board agrees not to authorize or take, and agrees to cause each Committee not to authorize or take, any action that would otherwise require the consent of a TPG Nominated Director until such time as such newly named TPG Nominated Director has been so appointed to the Board or such Committee.

(e) Each TPG Nominated Director that is elected to the Company Board shall be indemnified by the Company and its subsidiaries, if applicable, in connection with his or her service as a member of the Company Board or any Committee to the fullest extent permitted by law and will be exculpated from liability for damages to the fullest extent permitted by law. Without limiting the foregoing in this Section 2.1(e), each TPG Nominated Director who is elected to the Company Board shall be entitled to receive from the Company and its subsidiaries, if applicable, the same insurance coverage in connection with his or her service as a member of the Company Board and any Committee as is provided for each of the other members of the Company Board or Committee, as applicable.

(f) TPG shall only designate a person to be a TPG Nominated Director (i) who TPG believes in good faith has the requisite skill and experience to serve as a director of a publicly-traded company, (ii) who is not prohibited from or disqualified from serving as a director of the Company pursuant to any rule or regulation of the SEC, the NYSE or applicable Law, (iii) who meets the independence standards set forth in Section 303A.02(b) of the NYSE Listed Company Manual and (iv) with respect to which no event required to be disclosed pursuant to Item 401(f) of Regulation S-K of the 1934 Act has occurred. Notwithstanding anything to the contrary in this Section 2.1, the parties hereto agree that members of the Company Board shall retain the right to object to the nomination, election or appointment of any TPG Nominated Director for service on the Company Board or any Committee if the members of the Company Board determine in good faith, after consultation with outside legal counsel, that such TPG Nominated Director fails to meet the criteria set forth above or, with respect to any TPG Nominated Director to be appointed to the Company's Audit Committee, Governance Committee or Compensation Committee, any other rule or regulation of the SEC, the NYSE or applicable Law that applies to members of a company's audit committee, governance committee or compensation committee (including for purposes of Section 16 of the Exchange Act and Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code)). In the event that the members of the Company Board object to the nomination, election or appointment of any TPG Nominated Director to the Company Board or any Committee pursuant to the terms of this Section 2.1(f), the Company Board shall nominate or appoint, as applicable, another individual designated by TPG as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, that meets the criteria set forth in this Section 2.1(f) and Section 2.1(g).

(g) Notwithstanding anything to the contrary in this Section 2.1, nothing shall prevent the Company Board from acting in accordance with their respective fiduciary duties or applicable Law or stock exchange requirements. The Company Board shall have no obligation to nominate, elect or appoint any TPG Nominated Director if such nomination, election or appointment would violate applicable Law or NYSE requirements or result in a breach by the Company Board of its fiduciary duties to its stockholders; provided, however, that the foregoing shall not affect the right of TPG to designate an alternative individual as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, subject to the other terms, conditions and provisions in this Article II.

(h) The rights of TPG set forth in this Section 2.1 shall be in addition to, and not in limitation of, such voting rights that TPG may otherwise have as a holder of capital stock of the Company.

Section 2.2 Consent Rights.

(a) For so long as TPG, together with its Affiliates, Beneficially Owns at least five percent (5%) of the outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, prior written consent of TPG will be required for:

(i) Any increase or decrease of the size of any Committee; and

(ii) Any change in the rights and responsibilities of either the Investment Committee or the Compensation Committee (or any additional Committee created in accordance with the last sentence of Section 2.1(b)) as set forth in Exhibit A or Exhibit B, as applicable (other than as expressly contemplated hereby).

(b) Notwithstanding the foregoing and for the avoidance of doubt, the consent rights set forth in paragraph (a) above shall not apply, and TPG's prior written consent shall not be required for any actions taken or to be taken, in connection with a Change of Control of the Company. The rights of TPG and its Affiliates set forth in this Section 3.2 shall be in addition to, and not in limitation of, such voting rights that TPG and its Affiliates may otherwise have as holders of capital stock of the Company.

Section 2.3 Domestically Controlled Status. The Company shall, at least once in each calendar year, and, upon the prior request of TPG, one additional time within such calendar year, determine whether the Company is a domestically controlled qualified investment entity within the meaning of Section 897(h)(4) of the Code (a DCR); provided, however, that such examination shall be limited to information filed publicly with the SEC with respect to the ownership of stock of the Company (i.e., Schedules 13) and any information related to the ownership of the Company provided by TPG, and that the Company shall not be required to take any action (or to not take any action) so as to be treated as a DCR at any given time; provided, further, that TPG shall not request that the Company conduct an examination within 180 days prior to the Company's completion of its most recent prior examination.

ARTICLE III

PRE-EMPTIVE RIGHTS

Section 3.1 Pre-Emptive Rights.

(a) For so long as TPG, together with its Affiliates, Beneficially Owns at least five percent (5%) of the outstanding Common Stock on the basis of the number of shares of Common Stock issued and outstanding, and subject to any rules of the NYSE that may limit or restrict such purchases, TPG or one or more TPG Affiliates designated by TPG shall have the option and right (but not the obligation) to participate (or nominate any of TPG's Affiliates to participate) in any Equity Issuance by purchasing in the aggregate up to TPG's and its Affiliates' Pro Rata Portion of such Equity Issuance at the same price and the same terms and conditions as offered to other investors in the Equity Issuance.

(b) The Company agrees to use its reasonable best efforts to take any and all action, or to cause such action to be taken, as is necessary or appropriate to allow TPG or its Affiliate(s), as applicable, to fully participate in any Equity Issuance in accordance with the provisions of this Agreement.

(c) In the event the Company proposes to undertake an Equity Issuance, the Company shall promptly give TPG prior written notice of its intention, describing the type of equity interests, the price at which such securities are proposed to be issued (or, in the case of an underwritten or privately placed offering in which the price is not known at the time the

notice is given, the method of determining the price and an estimate thereof), the timing of such proposed Equity Issuance and the general terms and conditions upon which the Company proposes to effect the Equity Issuance. TPG and its Affiliates shall have fifteen (15) Business Days (or, if the Company expects that the proposed Equity Issuance will be effected in less than fifteen (15) Business Days, such shorter period, that shall be as long as practicable, as may be required in order for TPG and its Affiliates to participate in such proposed Equity Issuance) from the date TPG receives notice of the proposed Equity Issuance

to elect to purchase their Pro Rata Portion of such Equity Issuance for the consideration and upon the terms specified in the notice provided by the Company pursuant to this Section 3.1(b) by giving written notice to the Company and stating therein the quantity of equity interests to be purchased. Any such notice shall be irrevocable. Any purchase of Equity Interests by TPG and its Affiliates pursuant to this Section 3.1 shall occur contemporaneously with, and be subject to the same terms and conditions as, the closing of the sale of the Equity Interests by the Company to the other parties.

(d) The purchase by TPG and its Affiliates of Equity Interests pursuant to this Section 3.1 shall be subject to the limitations on stock ownership set forth in the Company's organizational documents; provided, that Company shall provide any necessary waiver of such limitations upon receipt of a representation letter from TPG and its Affiliates (or updated representation letter, as the case may be, similar to the representation letter provided by TPG and its Affiliates in connection with the Distribution).

(e) In the event that neither TPG nor any of its Affiliates exercises the right forth in this Section 3.1 within the applicable period as set forth above, the Company shall be permitted to sell the equity interests in respect of which such pre-emptive rights were not exercised. In the event that the Company has not sold the equity interests within ninety (90) days of its notice to TPG as contemplated by Section 3.1(b), for purposes of this Section 3.1 such proposed Equity Issuance shall be deemed to have been terminated, and the Company shall provide TPG with a new notice prior to undertaking a subsequent Equity Issuance.

(f) The Company shall have the right, in its sole discretion, at all times prior to consummation of any proposed Equity Issuance giving rise to the rights granted by this Section 3.1, to abandon, withdraw or otherwise terminate such proposed Equity Issuance, without any liability to TPG or its Affiliates.

ARTICLE IV

REGISTRATION RIGHTS

Section 4.1 Registration at Closing. The Company shall use commercially reasonable efforts to file, within thirty (30) days of Closing, a Registration Statement registering for sale all of the Registrable Securities held by the Holders and, as soon as practicable thereafter, cause such Registration Statement to become effective (and remain effective until the completion of the distribution contemplated thereby) and file a final prospectus relating thereto, subject, in each of the foregoing cases, to the ability of the Company to satisfy financial statement requirements related to the closing of the Merger. The plan of distribution set forth in the prospectus included in the Registration Statement shall include such methods of distribution as reasonably requested by the Holders. For the avoidance of doubt, such registration shall not be deemed a Demand Registration for purposes of the limitations set forth in Section 4.2(a).

Section 4.2 Demand Registration.

(a) Subject to the provisions hereof, at any time on or after the date that is 180 days after the Closing Date (as defined in the Merger Agreement), the Holders of a majority of Registrable Securities shall have the right to require the Company to file a Registration Statement registering for sale all or part of their respective Registrable Securities under the Securities Act (a Demand Registration) by delivering a written request therefor to the Company (i) specifying the number of Registrable Securities to be included in such registration by such Holder or Holders, (ii) specifying whether the intended method of disposition thereof is pursuant to an Underwritten Offering (as defined below), and (iii) containing all information about such Holder required to be included in such Registration Statement in accordance with applicable law. As soon as practicable after the receipt of such demand, the Company shall (x) promptly notify all Holders from whom the request for registration has not been received and (y) use reasonable best efforts to effect

such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) of the Registrable Securities that the Company has been so requested to register;

E-45

provided, however, that (i) the Holders shall not make a request for a Demand Registration under this Section 4.2(a) for Registrable Securities having an anticipated aggregate offering price of less than \$5,000,000, (ii) the Holders will not be entitled to require the Company to effect more than three (3) Demand Registrations in the aggregate under this Agreement, and (iii) the Company will not be obligated to effect more than one (1) Demand Registration in any six (6) month period.

(b) The offering of the Registrable Securities pursuant to such Demand Registration may be in the form of an underwritten public offering (an Underwritten Offering). In such case, (i) the Company may designate the managing underwriter(s) of the Underwritten Offering, provided that such Holders may designate a co-managing underwriter to participate in the Underwritten Offering, subject to the approval of the Company, which approval shall not be unreasonably withheld or delayed and (ii) the Company shall (together with the Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form for underwriting agreements for firm commitment offerings of equity securities with the managing underwriter(s) proposing to distribute their securities through such Underwritten Offering, which underwriting agreement shall have indemnification provisions in substantially the form as set forth in Section 4.9 of this Agreement; provided, that (i) the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the underwriter(s) shall also be made to and for the benefit of the Holders proposing to distribute their securities through the Underwritten Offering, (ii) no Holder shall be required to make any representations and warranties to, or agreements with, any underwriter in a registration other than customary representations, warranties and agreements and (iii) the liability of each Holder in respect of any indemnification, contribution or other obligation of such Holder arising under such underwriting agreement (a) shall be limited to losses arising out of or based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or other such disclosure document or other document or report, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Holder expressly for inclusion therein and (b) shall not in any event, absent fraud or intentional misrepresentation, exceed an amount equal to the net proceeds to such Holder (after deduction of all underwriters' discounts and commissions) from the disposition of the Registrable Securities disposed of by such Holder pursuant to such Underwritten Offering. No Holder may participate in any such Underwritten Offering unless such Holder agrees to sell its Registrable Securities on the basis provided in such underwriting agreement and completes and executes all questionnaires, powers of attorney, indemnities and other documents reasonably required under the terms of such underwriting agreement. The Company shall not be obligated to effect or participate (a) more than two (2) Underwritten Offerings in any twelve (12) month period, and (b) in any Underwritten Offering during any lock-up period required by the underwriter(s) in any prior underwritten offering conducted by the Company on its own behalf or on behalf of the Holders.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' Maximum Number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested

to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale

or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been effected for purposes of clause (ii) of the proviso to Section 4.2(a). If (i) a registration requested pursuant to this Section 4.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 4.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 4.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 4.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 4.2(a).

Section 4.3 Piggyback Registration.

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Merger Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 4.1 or Section 4.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date thereof being herein referred to as a Piggyback Registration), the Company shall give written notice to all Holders of such proposal promptly, but in no event later than ten (10) Business Days prior to the anticipated filing date.

(b) Subject to the provisions contained in paragraphs (a) and (c) of this Section 4.3 and in the last sentence of this paragraph (b), the Company will be obligated and required to include in each Piggyback Registration such Registrable Securities as requested in a written notice from any Holder delivered to the Company no later than five (5) Business Days following delivery of the notice from the Company specified in Section 4.3(a). The Holders of Registrable Securities shall be permitted to withdraw all or any part of their shares from any Piggyback Registration at any time on or before the fifth business day prior to the planned effective date of such Piggyback Registration, except as otherwise provided in any written agreement with the Company's underwriter(s) establishing the terms and conditions under which such Holders would be obligated to sell such securities in such Piggyback Registration. The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 4.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(d) In any Piggyback Registration that is an Underwritten Offering, the Company shall have the right to select the managing underwriter(s) for such registration.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 4.3.

Section 4.4 Registration Expenses. In connection with registrations pursuant to Section 4.1, Section 4.2 or Section 4.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the Registration Expenses), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 4.4 and to pay or reimburse the Holders for the expenses described in this Section 4.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 4.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

(a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 4.2(a), prepare and file with the Commission a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.

(b) The Company will (i) promptly prepare and file with the Commission such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii)

the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.

(c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each Holder of Registrable Securities covered by such Registration Statement, (ii) Holders' Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders' Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders' Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders' Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.

(d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders' Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such

Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to

make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of Section 4.5(a) and Section 4.5(b), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 4.6 Holders Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of Section 4.7 hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 4.5(f) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 4.5(f) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to Section 4.5(f) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of Section 4.5(f) hereof.

Section 4.7 Blackout Provisions.

(a) Notwithstanding anything in this Agreement to the contrary, by delivery of written notice to the participating Holders (a Suspension Notice) stating which one or more of the following limitations shall apply to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 4.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 4.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 4.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 4.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 4.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of

Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly

available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the DTC) (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 4.9 Indemnification.

(a) Indemnification by the Company. The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by law, each Holder and each of its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a Controlling Person), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, Damages) and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in

connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

E-52

(b) Indemnification by the Holder. The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information related to the Holders, or their plan of distribution, furnished in writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 4.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 4.9(a) or Section 4.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided, that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 4.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 4.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other

public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or

exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 4.12 Termination of Registration Rights. The rights granted under this Article IV shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 4.9 shall survive such termination.

Section 4.13 Assignment; Binding Effect. The rights and obligations provided in this Article IV may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article IV as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 4.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all purposes of this Article IV. Except as set forth in this Section 4.13, the rights and obligations provided in this Article IV may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

ARTICLE V

COVENANTS

Section 5.1 No Conflicting Agreements. For so long as this Agreement remains in effect, neither the Company nor TPG shall enter into any stockholder agreement or arrangement of any kind with any Person with respect to any Shares or other Securities, or otherwise act or agree to act in concert with any Person with respect to any Shares or other Securities, to the extent such agreement, arrangement, or concerted act would controvert, or otherwise be inconsistent in any material respect with, the provisions of this Agreement.

Section 5.2 Further Assurances. Each of TPG and the Company agrees to execute and deliver all such further documents and do all acts and things that from time to time may reasonably be required to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

ARTICLE VI

MISCELLANEOUS

Section 6.1 Amendment and Waiver. This Agreement may not be amended, except by an agreement in writing, executed by each of TPG and the Company, and compliance with any term of this Agreement may not be waived, except by an agreement in writing executed on behalf of the party against whom the waiver is intended to be

effective. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Table of Contents

Section 6.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law, shall not be affected and shall remain in full force and effect. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 6.3 Entire Agreement. Except as otherwise expressly set forth herein, this Agreement, together with the agreements and other documents and instruments referred to herein, embodies the complete agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes and preempts any prior understandings, agreements, or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 6.4 Successors and Assigns. Except as expressly set forth herein, neither this Agreement nor any of the rights or obligations of any party under this Agreement (including any rights under Article II and Article III hereof) may be assigned, in whole or in part (except by operation of Law), by either party without the prior written consent of the other party, and any such transfer or attempted transfer without such consent shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns.

Section 6.5 Counterparts. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which, when taken together, shall constitute one and the same agreement.

Section 6.6 Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that each and every one of the covenants or agreements in this Agreement are not performed in accordance with their terms, and it is therefore agreed that, in addition to, and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order, or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically each and every one of the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such party.

Section 6.7 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, telecopied (upon telephonic confirmation of receipt), on the first (1st) Business Day following the date of dispatch if delivered by a recognized next day courier service, or on the third (3rd) Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

Section 6.8 Governing Law; Venue and Jurisdiction; Waiver of Jury Trial.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of New York, without regard to, or otherwise giving effect to, any body of Law or other rule that would cause or otherwise require the application of the Laws of any other jurisdiction.

(b) Any action or proceeding against either the Company or TPG relating in any way to this Agreement may be brought exclusively in the courts of the State of New York or (to the extent subject matter jurisdiction exists therefore) the United States District Court for the Southern District of New York, and each of the Company and TPG irrevocably submits to the jurisdiction of both such courts in respect of any such action or proceeding. Any actions or proceedings to enforce a judgment issued by one of the foregoing courts may be enforced in any jurisdiction.

(c) TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW THAT CANNOT BE WAIVED, EACH OF THE COMPANY AND TPG HEREBY WAIVES AND COVENANTS THAT IT WILL NOT ASSERT (WHETHER AS PLAINTIFF, DEFENDANT, OR OTHERWISE) ANY RIGHT TO TRIAL BY JURY IN ANY FORUM IN RESPECT OF ANY ISSUE OR ACTION, CLAIM, CAUSE OF ACTION, OR SUIT (WHETHER IN CONTRACT, TORT, OR OTHERWISE), INQUIRY, PROCEEDING, OR INVESTIGATION ARISING OUT OF, OR BASED UPON, THIS AGREEMENT OR THE SUBJECT MATTER HEREOF, OR IN ANY WAY CONNECTED WITH OR RELATED OR INCIDENTAL TO THE TRANSACTIONS CONTEMPLATED HEREBY, IN EACH CASE WHETHER NOW EXISTING OR HEREAFTER ARISING. EACH OF THE COMPANY AND TPG ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTY THAT THIS SECTION 6.8(C) CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING, AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. THE COMPANY OR TPG MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 6.8(C) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 6.9 Third Party Benefits. Except the provisions in Section 6.10, none of the provisions of this Agreement are for the benefit of, or shall be enforceable by, any third-party beneficiary.

Section 6.10 No Recourse Against Others. All claims, causes of action (whether in contract or in tort, in law or in equity, or granted by statute), obligations, or liabilities that may be based upon, be in respect of, arise under, out of or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, performance or breach of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are those solely of) the entities that are expressly identified as parties in the preamble to this Agreement (the Contracting Parties). No Person who is not a Contracting Party, including any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any Contracting Party, and any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any of the foregoing, and any and all former, current or future heirs, executors, administrators, trustees, successors or assigns of any of the foregoing (the Non-Recourse Parties), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations or liabilities arising under, out of, in connection with, or related in any manner to this Agreement, or the negotiation, execution, performance, or breach of this Agreement; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims and causes of action against any such Non-Recourse Parties. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Non-Recourse Party, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the corporate, limited liability company or limited partnership veil, unfairness, undercapitalization, or otherwise, in each case in connection with, or related in any manner to this Agreement, or the negotiation, execution, performance, or breach of this Agreement; and (b) each Contracting Party disclaims any reliance upon any Non-Recourse Parties with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement.

Section 6.11 Interpretation. The table of contents and headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

Section 6.12 Expenses. Except to the extent otherwise expressly provided herein, the Company shall reimburse TPG and its Affiliates, upon presentation of appropriate documentation, for all reasonable out-of-pocket expenses incurred by TPG and its Affiliates after the date hereof in connection with enforcement of this Agreement.

Section 6.13 Termination. Except to the extent otherwise expressly provided herein, this Agreement, and all of the rights and obligations set forth herein, shall terminate and be of no further force or effect in the event that (a) TPG and its Affiliates cease to Beneficially Own any shares of Common Stock and (b) the registration rights and obligations set forth in Article IV (other than those set forth in Section 4.9) have terminated pursuant to Section 4.12.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' maximum number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' maximum number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been effected for purposes of clause (ii) of the proviso to Section 3.2(a). If (i) a registration requested pursuant to this Section 3.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 3.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 3.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 3.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 3.2(a).

Section 3.3 Piggyback Registration.

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Purchase Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 3.1 or Section 3.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date

thereof being herein referred to as a Piggyback Registration), the Company shall give written notice to all Holders of such proposal promptly, but in no event later than ten (10) Business Days prior to the anticipated filing date.

(b) Subject to the provisions contained in paragraphs (a) and (c) of this Section 3.3 and in the last sentence of this paragraph (b), the Company will be obligated and required to include in each Piggyback Registration such Registrable Securities as requested in a written notice from any Holder delivered to the Company no later than five (5) Business Days following delivery of the notice from the Company specified in Section 3.3(a). The Holders of Registrable Securities shall be permitted to withdraw all or any part of their shares from any Piggyback Registration at any time on or before the fifth (5th) Business Day prior to the planned effective date of such Piggyback Registration, except as otherwise provided in any written agreement with the Company's underwriter(s) establishing the terms and conditions under which such Holders would be obligated to sell such securities in such Piggyback Registration. The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the Holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 3.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(d) In any Piggyback Registration that is an Underwritten Offering, the Company shall have the right to select the managing underwriter(s) for such registration.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 3.3.

Section 3.4 Registration Expenses. In connection with registrations pursuant to Section 3.1, Section 3.2 or Section 3.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the Registration Expenses), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky Laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders' Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the

managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 3.4 and to pay or reimburse the Holders for the expenses described in this Section 3.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 3.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

- (a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 3.2(a), prepare and file with the SEC a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.
- (b) The Company will (i) promptly prepare and file with the SEC such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii) comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.
- (c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each Holder of Registrable Securities covered by such Registration Statement, (ii) Holders Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.
- (d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or blue

sky Laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky Laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of Section 3.5(a) and Section 3.5(b), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 3.6 Holders' Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of Section 3.7 hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3.5(f) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.5(f) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to Section 3.5(f) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of Section 3.5(f) hereof.

Section 3.7 Blackout Provisions.

(a) Notwithstanding anything in this Agreement to the contrary, by delivery of written notice to the participating Holders (a Suspension Notice) stating which one or more of the following limitations shall apply

F-14

to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 3.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 3.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 3.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 3.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 3.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the DTC) (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 3.9 Indemnification.

(a) Indemnification by the Company. The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by Law, each Holder and each of its

managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a Controlling Person), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, Damages) and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

(b) Indemnification by the Holder. The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information related to the Holders, or their plan of distribution, furnished in writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 3.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 3.9(a) or Section 3.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified

Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that

F-16

Table of Contents

the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 3.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 3.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 3.12 Termination of Registration Rights. The rights granted under this Article III shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 3.9 shall survive such termination.

Section 3.13 Assignment; Binding Effect. The rights and obligations provided in this Article III may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article

III as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 3.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all

purposes of this Article III. Except as set forth in this Section 3.13, the rights and obligations provided in this Article III may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

MISCELLANEOUS

Section 5.1 Amendment and Waiver. This Agreement may not be amended, except by an agreement in writing, executed by each of TPG and the Company, and compliance with any term of this Agreement may not be waived, except by an agreement in writing executed on behalf of the party against whom the waiver is intended to be effective. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 5.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law, shall not be affected and shall remain in full force and effect. Upon any such determination, the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Further, (i) for any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members of the Company Board, the Company Board shall not nominate, in the aggregate, a number of nominees greater than the number of members of the Company Board, (ii) subject to the Company Board's fiduciary duties, the Company Board shall not recommend the election of any other person to a position on the Company Board for which the TPG Nominated Director has been nominated, and (iii) the Company shall use commercially reasonable efforts to cause the TPG Nominated Director to be elected to the Company Board. If elected to the Company Board, the TPG Nominated Director will hold his or her office as a member of the Company Board for such term as is provided in the articles of incorporation and bylaws of the Company, or until his or her death, resignation or removal from the Company Board or until his or her successor has been duly elected and qualified in accordance with the provisions of this Agreement, the articles of incorporation and bylaws of the Company, and applicable Law.

(b) On the Closing Date, the Company shall promptly cause the TPG Nominated Director to be appointed (i) to the committee of the Company Board called the Investment Committee (the Investment Committee) and (ii) to the committee of the Company Board called the Compensation, Succession, Nominating and Governance Committee (the Compensation Committee) and together with the Investment Committee, each a Committee); provided, that, to the extent TPG has not designated the TPG Nominated Director before Closing, the Company shall promptly cause such person to be appointed to the Committees when such person is designated by TPG. Following such appointment(s), so long as TPG has the right to designate the TPG Nominated Director pursuant to Section 2.1(a) the Company Board

shall cause the TPG Nominated Director designated by TPG to serve on the Committees. For so long as TPG has the right to designate the TPG

Nominated Director to serve on the Committees, (x) the Company Board shall maintain a committee called the Investment Committee and a committee called the Compensation Committee and (y) each Committee may only take action with the affirmative vote of at least a majority of its members.

(c) If TPG no longer has the right to appoint the TPG Nominated Director pursuant to Section 2.1(a), TPG shall cause the TPG Nominated Director to resign from any Committees on which such TPG Nominated Director serves effective as of the date that is the earlier of the end of such TPG Nominated Director's term and six months from the date on which TPG's Beneficial Ownership fell below the applicable percentage. If TPG no longer has the right to appoint the TPG Nominated Director pursuant to Section 2.1(a), the number of directors that TPG shall be entitled to designate for nomination or appointment at any meeting (or consent in lieu of a meeting) of the Company's stockholders for the election of members of the Company Board or any Committee thereof shall forever be reduced to zero (even if TPG or its Affiliates shall subsequently acquire additional shares of Common Stock). The TPG Nominated Director resigning as a result of the preceding sentence shall resign as of the date that is the earlier of the end of the TPG Nominated Director's term and six (6) months from the date on which TPG's Beneficial Ownership fell below the applicable percentage. In addition, TPG shall cause the TPG Nominated Director to resign promptly from the Company Board and any Committees on which the TPG Nominated Director serves if the TPG Nominated Director, as determined by the Company Board in good faith after consultation with outside legal counsel, (i) is prohibited or disqualified from serving as a director of the Company or a member of any such Committees under any rule or regulation of the SEC, the NYSE or by applicable Law, (ii) has engaged in acts or omissions constituting a breach of the TPG Nominated Director's duty of loyalty to the Company and its stockholders, (iii) has engaged in acts or omissions that involve intentional misconduct or an intentional violation of Law or (iv) has engaged in any transaction involving the Company from which the TPG Nominated Director derived an improper personal benefit that was not disclosed to the Company Board prior to the authorization of such transaction; provided, however, that, subject to the limitations set forth in Section 2.1(a) and Section 2.1(b), TPG shall have the right to replace such resigning TPG Nominated Director with a new TPG Nominated Director, such newly named TPG Nominated Director to be appointed promptly to the Company Board in place of the resigning TPG Nominated Director in the manner set forth in the Company's governing documents for filling vacancies on the Company Board. Nothing in this paragraph (c) or elsewhere in this Agreement (except Section 2.1(e)) shall confer any third-party beneficiary or other rights upon any person designated hereunder as a TPG Nominated Director, whether during or after such person's service on the Company Board.

(d) For so long as TPG has the right to designate the TPG Nominated Director for nomination to the Company Board pursuant to Section 2.1(a) above, the Company Board shall (i) fill vacancies created by reason of death, removal or resignation of the TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(a) above and Sections 2.1(f) and 2.1(g) below, and (ii) fill vacancies created by reason of death, removal or resignation of any director who is not a TPG Nominated Director (a Non-TPG Director) promptly upon request by the Non-TPG Directors and only as directed by the Non-TPG Directors; provided, however, that any such director designated by the Non-TPG Directors shall, as a condition precedent to his or her nomination, meet each of the requirements set forth in clauses (i)–(iv) of Section 2.1(f) below (it being understood that, for the purposes hereof, the word "TPG" appearing in clause (i) thereof shall be replaced with the words "the Non-TPG Directors"), other than, in the case of any non-independent or management director, the requirements of clause (iii) thereof. Further, for so long as TPG has the right to designate the TPG Nominated Director for appointment to any Committee pursuant to Section 2.1(b) above, the Company Board shall appoint and remove the TPG Nominated Director as members of any such Committee promptly upon request by TPG and only as directed by TPG, and shall fill vacancies created by reason of death, removal or resignation of the TPG Nominated Director promptly upon request by TPG and only as directed by TPG, subject to the terms and conditions set forth in Section 2.1(b) and 2.1(c) above and Sections 2.1(f) and 2.1(g) below. So long as TPG has promptly named a replacement, following any death, removal or resignation of the TPG Nominated Director, and prior to any the appointment of such replacement in accordance with this Agreement, the Company Board agrees not to authorize or take, and agrees to

cause each Committee not to authorize or take, any action that would otherwise require the consent of a TPG Nominated Director until such time as such newly named TPG Nominated Director has been so appointed to the Company Board or such Committee.

(e) Each TPG Nominated Director that is elected to the Company Board shall be indemnified by the Company and its subsidiaries, if applicable, in connection with his or her service as a member of the Company Board or any Committee to the fullest extent permitted by Law and will be exculpated from liability for damages to the fullest extent permitted by Law. Without limiting the foregoing in this [Section 2.1\(e\)](#), each TPG Nominated Director who is elected to the Company Board shall be entitled to receive from the Company and its subsidiaries, if applicable, the same insurance coverage in connection with his or her service as a member of the Company Board and any Committee as is provided for each of the other members of the Company Board or Committee, as applicable.

(f) TPG shall only designate a person to be a TPG Nominated Director (i) who TPG believes in good faith has the requisite skill and experience to serve as a director of a publicly-traded company, (ii) who is not prohibited from or disqualified from serving as a director of the Company pursuant to any rule or regulation of the SEC, the NYSE or applicable Law, (iii) who meets the independence standards set forth in Section 303A.02(b) of the NYSE Listed Company Manual and (iv) with respect to which no event required to be disclosed pursuant to Item 401(f) of Regulation S-K of the 1934 Act has occurred. Notwithstanding anything to the contrary in this [Section 2.1](#), the parties hereto agree that members of the Company Board shall retain the right to object to the nomination, election or appointment of any TPG Nominated Director for service on the Company Board or any Committee if the members of the Company Board determine in good faith, after consultation with outside legal counsel, that such TPG Nominated Director fails to meet the criteria set forth above or, with respect to any TPG Nominated Director to be appointed to the Company's Audit Committee or Compensation Committee, any other rule or regulation of the SEC, the NYSE or applicable Law that applies to members of a company's audit committee, governance committee or compensation committee (including for purposes of Section 16 of the Exchange Act and Section 162(m) of the Internal Revenue Code of 1986, as amended (the Code)). In the event that the members of the Company Board object to the nomination, election or appointment of any TPG Nominated Director to the Company Board or any Committee pursuant to the terms of this [Section 2.1\(f\)](#), the Company Board shall nominate or appoint, as applicable, another individual designated by TPG as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, that meets the criteria set forth in this [Section 2.1\(f\)](#) and [Section 2.1\(g\)](#).

(g) Notwithstanding anything to the contrary in this [Section 2.1](#), nothing shall prevent the Company Board from acting in accordance with its fiduciary duties or applicable Law or stock exchange requirements. The Company Board shall have no obligation to nominate, elect or appoint any TPG Nominated Director if such nomination, election or appointment would violate applicable Law or NYSE requirements or result in a breach by the Company Board of its fiduciary duties to its stockholders; provided, however, that the foregoing shall not affect the right of TPG to designate an alternative individual as the TPG Nominated Director nominated for election to the Company Board or appointed to the Committee, as applicable, subject to the other terms, conditions and provisions in this [Article II](#).

(h) For purposes of calculating the Beneficial Ownership of the Company's outstanding Common Stock owned by TPG and its Affiliates on an as-converted basis pursuant to this Article II, to the extent shares of the Company's Capital Stock are issued or become issuable under any outstanding equity award, the vesting of which remains contingent on the satisfaction of any performance goals under such award that have yet to be achieved (and whether or not such goals are deemed to be satisfied as a result of the transactions contemplated by the Merger Agreement), such shares shall be deemed to be not outstanding and shall be excluded from the denominator in such calculation.

(i) The rights of TPG set forth in this [Section 2.1](#) shall be in addition to, and not in limitation of, such voting rights that TPG may otherwise have as a holder of capital stock of the Company, subject to [Section 4.1](#) below.

Table of Contents**ARTICLE III****REGISTRATION RIGHTS**

Section 3.1 **Registration at Closing**. The Company shall file, within thirty (30) days of Closing, a Registration Statement registering for sale all of the Registrable Securities held by the Holders and shall use commercially reasonable efforts to cause such Registration Statement to become effective as soon as practicable thereafter (and remain effective until the completion of the distribution contemplated thereby) and to file a final prospectus relating thereto. The plan of distribution set forth in the prospectus included in the Registration Statement shall include such methods of distribution as reasonably requested by the Holders. For the avoidance of doubt, such registration shall not be deemed a Demand Registration for purposes of the limitations set forth in Section 3.2(a).

Section 3.2 **Demand Registration**.

(a) Subject to the provisions hereof, at any time on or after the date that is 180 days after the Closing Date, the Holders of a majority of Registrable Securities shall have the right to require the Company to file a Registration Statement registering for sale all or part of their respective Registrable Securities under the Securities Act (a **Demand Registration**) by delivering a written request therefor to the Company (i) specifying the number of Registrable Securities to be included in such registration by such Holder or Holders, (ii) specifying whether the intended method of disposition thereof is pursuant to an Underwritten Offering (as defined below), and (iii) containing all information about such Holder required to be included in such Registration Statement in accordance with applicable Law. As soon as practicable after the receipt of such demand, the Company shall (x) promptly notify all Holders from whom the request for registration has not been received and (y) use reasonable best efforts to effect such registration (including, without limitation, appropriate qualification under applicable blue sky or other state securities Laws and appropriate compliance with applicable regulations issued under the Securities Act and any other governmental requirements or regulations) of the Registrable Securities that the Company has been so requested to register; provided, however, that (i) the Holders shall not make a request for a Demand Registration under this Section 3.2(a) for Registrable Securities having an anticipated aggregate offering price of less than \$5,000,000, (ii) the Holders will not be entitled to require the Company to effect more than three (3) Demand Registrations in the aggregate under this Agreement, and (iii) the Company will not be obligated to effect more than one (1) Demand Registration in any six (6) month period.

(b) The offering of the Registrable Securities pursuant to such Demand Registration may be in the form of an underwritten public offering (an **Underwritten Offering**). In such case, (i) the Company may designate the managing underwriter(s) of the Underwritten Offering, provided that such Holders may designate a co-managing underwriter to participate in the Underwritten Offering, subject to the approval of the Company, which approval shall not be unreasonably withheld or delayed and (ii) the Company shall (together with the Holders proposing to distribute their securities through such underwriting) enter into an underwriting agreement in customary form for underwriting agreements for firm commitment offerings of equity securities with the managing underwriter(s) proposing to distribute their securities through such Underwritten Offering, which underwriting agreement shall have indemnification provisions in substantially the form as set forth in Section 3.9 of this Agreement; provided, that (i) the representations and warranties by, and the other agreements on the part of, the Company to and for the benefit of the underwriter(s) shall also be made to and for the benefit of the Holders proposing to distribute their securities through the Underwritten Offering, (ii) no Holder shall be required to make any representations and warranties to, or agreements with, any underwriter in a registration other than customary representations, warranties and agreements and (iii) the liability of each Holder in respect of any indemnification, contribution or other obligation of such Holder arising under such underwriting agreement (a) shall be limited to losses arising out of or based upon an untrue statement or alleged untrue statement or omission or alleged omission made in such Registration Statement, any such preliminary prospectus, final prospectus, summary prospectus, amendment or supplement, incorporated document or

other such disclosure document or other document or report, in reliance upon and in conformity with written information furnished to the Company by or on behalf of such Holder expressly for inclusion therein and (b) shall not in any

event, absent fraud or intentional misrepresentation, exceed an amount equal to the net proceeds to such Holder (after deduction of all underwriters' discounts and commissions) from the disposition of the Registrable Securities disposed of by such Holder pursuant to such Underwritten Offering. No Holder may participate in any such Underwritten Offering unless such Holder agrees to sell its Registrable Securities on the basis provided in such underwriting agreement and completes and executes all questionnaires, powers of attorney, indemnities and other documents reasonably required under the terms of such underwriting agreement. The Company shall not be obligated to effect or participate (a) more than two (2) Underwritten Offerings in any twelve (12) month period, and (b) in any Underwritten Offering during any lock-up period required by the underwriter(s) in any prior underwritten offering conducted by the Company on its own behalf or on behalf of the Holders.

(c) If, in connection with an Underwritten Offering, the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' maximum number, then (i) the Company shall so advise all Holders of Registrable Securities to be included in such Underwritten Offering and (ii) the Company will be obligated and required to include in such Underwritten Offering only that number of Registrable Securities requested by the Holders thereof to be included in such registration that does not exceed such Underwriters' maximum number, such Registrable Securities to be allocated pro rata among the Holders thereof on the basis of the number of Registrable Securities requested to be included therein by each such Holder. No shares of Common Stock held by any Person other than Registrable Securities held by the Holders shall be included in a Demand Registration without the prior written consent of the holders of a majority in interest of the Registrable Securities.

(d) A registration will not be deemed to have been effected as a Demand Registration unless the Registration Statement relating thereto has been declared effective by the SEC, at least 75% of the Registrable Securities requested to be included in the registration by the Holders are included in such registration, and the Company has complied in all material respects with its obligations under this Agreement with respect thereto; provided, however, that if, after it has become effective, (i) such Registration Statement or the related offer, sale or distribution of Registrable Securities thereunder is or becomes the subject of any stop order, injunction or other order or requirement of the SEC or any other governmental or administrative agency, or if any court prevents or otherwise limits the sale of the Registrable Securities pursuant to the registration, and in each case less than all of the Registrable Securities covered by the effective Registration Statement are actually sold by the selling Holder or Holders pursuant to the Registration Statement, or (ii) if, in the case of an Underwritten Offering, the Company fails to provide Full Cooperation, then such registration will be deemed not to have been effected for purposes of clause (ii) of the proviso to Section 3.2(a). If (i) a registration requested pursuant to this Section 3.2 is deemed not to have been effected as a Demand Registration or (ii) the registration requested pursuant to this Section 3.2 does not remain continuously effective until forty-five (45) days after the commencement of the distribution by the Holders of the Registrable Securities covered by such registration, then the Company shall continue to be obligated to effect a Demand Registration pursuant to this Section 3.2 of the Registrable Securities included in such registration. In circumstances not including the events described in the immediately two preceding sentences of this Section 3.2(d), each Holder of Registrable Securities shall be permitted voluntarily to withdraw all or any part of its Registrable Securities from a Demand Registration at any time prior to the commencement of marketing of such Demand Registration, provided that such registration nonetheless shall count as a Demand Registration for purposes of clause (ii) of the proviso to Section 3.2(a).

Section 3.3 Piggyback Registration.

(a) At any time after the one (1) year anniversary of the Closing Date (as defined in the Purchase Agreement), if (and on each occasion that) the Company proposes to register any of its securities under the Securities Act (other than pursuant to Section 3.1 or Section 3.2) for the account of any of its security holders and such registration permits the inclusion of the Registrable Securities (each such registration not withdrawn or abandoned prior to the effective date

thereof being herein referred to as a Piggyback Registration), the Company shall give written notice to all Holders of such proposal promptly, but in no event later than ten (10) Business Days prior to the anticipated filing date.

(b) Subject to the provisions contained in paragraphs (a) and (c) of this Section 3.3 and in the last sentence of this paragraph (b), the Company will be obligated and required to include in each Piggyback Registration such Registrable Securities as requested in a written notice from any Holder delivered to the Company no later than five (5) Business Days following delivery of the notice from the Company specified in Section 3.3(a). The Holders of Registrable Securities shall be permitted to withdraw all or any part of their shares from any Piggyback Registration at any time on or before the fifth (5th) Business Day prior to the planned effective date of such Piggyback Registration, except as otherwise provided in any written agreement with the Company's underwriter(s) establishing the terms and conditions under which such Holders would be obligated to sell such securities in such Piggyback Registration. The Company may terminate or withdraw any Piggyback Registration prior to the effectiveness of such registration, whether or not the Holders have elected to include Registrable Securities in such registration.

(c) If a Piggyback Registration is an Underwritten Offering on behalf of a holder of Company securities other than Holders, and the managing underwriter(s) advise the Company that in its or their reasonable opinion the number of securities proposed to be included in such registration exceeds the Underwriters' Maximum Number, then the Company shall include in such registration (i) first, the number of securities requested to be included therein by the Holder(s) originally requesting such registration, (ii) second, the number of securities requested to be included therein by all Holders who have requested registration of Registrable Securities in accordance with Section 3.3(a), pro rata on the basis of the aggregate number of Registrable Securities requested to be included by each such Holder and (iii) third, any other securities that have been requested to be so included by any other person.

(d) In any Piggyback Registration that is an Underwritten Offering, the Company shall have the right to select the managing underwriter(s) for such registration.

(e) The Company shall not grant to any Person the right to request the Company to register any shares of Company securities in a Piggyback Registration unless such rights are consistent with the provisions of this Section 3.3.

Section 3.4 Registration Expenses. In connection with registrations pursuant to Section 3.1, Section 3.2 or Section 3.3 hereof, the Company shall pay all of the costs and expenses incurred in connection with the registrations thereunder (the Registration Expenses), including all (a) registration and filing fees and expenses, including, without limitation, those related to filings with the SEC, (b) fees and expenses of compliance with state securities or blue sky Laws (including reasonable fees and disbursements of counsel in connection with blue sky qualifications of the Registrable Securities), (c) reasonable processing, duplicating and printing expenses, including expenses of printing prospectuses reasonably requested by any Holder, (d) of the Company's internal expenses (including, without limitation, all salaries and expenses of its officers and employees performing legal or accounting duties, the expense of any liability insurance and the expense of any annual audit or quarterly review), (e) fees and expenses incurred in connection with listing the Registrable Securities for trading on a national securities exchange, (f) fees and expenses in connection with the preparation of the registration statement and related documents covering the Registrable Securities, (g) fees and expenses, if any, incurred with respect to any filing with FINRA, (h) any documented out-of-pocket expenses of the underwriter(s) incurred with the approval of the Company, (i) the cost of providing any CUSIP or other identification numbers for the Registrable Securities, (j) fees and expenses and disbursements of counsel for the Company and fees and expenses for independent certified public accountants retained by the Company (including, without limitation, the expenses of any comfort letters or costs associated with the delivery by independent certified public accountants of a comfort letter or comfort letters requested), (k) fees and expenses of any special experts retained by the Company in connection with such registration, and (l) reasonable and documented fees and expenses of one firm of counsel for the Holders to be selected by the Holders of a majority of the Registrable Securities to be included in such registration (Holders' Counsel); provided, however, that the Company shall reimburse the Holders for the reasonable and documented fees and disbursements one, but not more than one, additional counsel retained by any Holder for the purpose of rendering any opinion required by the Company or the

managing underwriter(s) to be rendered on behalf of such Holder in connection with any Demand Registration. Other than as provided in the foregoing sentence, the Company shall have no obligation to pay any out-of-pocket expenses of the Holders relating to the registrations effected pursuant to this Agreement. Notwithstanding the foregoing, Holders shall be responsible, on a pro rata basis based on the number of Registrable Securities included in the applicable registered offering by each such Holder, for any underwriting discounts and commissions attributable to the sale of Registrable Securities pursuant to a Registration Statement. The obligation of the Company to bear the expenses described in this Section 3.4 and to pay or reimburse the Holders for the expenses described in this Section 3.4 shall apply irrespective of whether any sales of Registrable Securities ultimately take place.

Section 3.5 Registration Procedures. In the case of each registration effected by the Company pursuant to this Agreement, the Company shall keep each Holder advised in writing as to the initiation of each registration and as to the completion thereof. In connection with any such registration:

- (a) The Company will, as soon as reasonably practicable (and in any event, within 90 days) after its receipt of the request for registration under Section 3.2(a), prepare and file with the SEC a Registration Statement on Form S-1, Form S-3 or another appropriate Securities Act form reasonably acceptable to the Holders, and use reasonable best efforts to cause such Registration Statement to become and remain effective until the completion of the distribution contemplated thereby.
- (b) The Company will (i) promptly prepare and file with the SEC such amendments to each Registration Statement as may be necessary to keep such Registration Statement effective for as long as such registration is required to remain effective pursuant to the terms hereof, (ii) cause the prospectus to be supplemented by any required prospectus supplement, and, as so supplemented, to be filed pursuant to Rule 424 under the Securities Act, and (iii) comply with the provisions of the Securities Act applicable to it with respect to the disposition of all Registrable Securities covered by such Registration Statement during the applicable period in accordance with the intended methods of disposition by the Holders set forth in such Registration Statement or supplement to the prospectus.
- (c) The Company will, at least ten (10) days prior to filing a Registration Statement or at least five (5) days prior to filing a prospectus or any amendment or supplement to such Registration Statement or prospectus, furnish to (i) each Holder of Registrable Securities covered by such Registration Statement, (ii) Holders Counsel and (iii) each underwriter of the Registrable Securities covered by such Registration Statement, copies of such Registration Statement and each amendment or supplement as proposed to be filed, together with any exhibits thereto, which documents will be subject to reasonable review and comment by each of the foregoing Persons within five (5) days after delivery, and thereafter, furnish to such Holders, Holders Counsel and the underwriter(s), if any, such number of copies of such Registration Statement, each amendment and supplement thereto (in each case including all exhibits thereto and documents incorporated by reference therein), the prospectus included in such Registration Statement (including each preliminary prospectus) and such other documents or information as such Holder, Holders Counsel or the underwriter(s) may reasonably request in order to facilitate the disposition of the Registrable Securities in accordance with the plan of distribution set forth in the prospectus included in the Registration Statement; provided, however, that notwithstanding the foregoing, if the Company intends to file any prospectus, prospectus supplement or prospectus sticker that does not make any material changes in the documents already filed, then Holders Counsel will be afforded such opportunity to review such documents prior to filing consistent with the time constraints involved in filing such document, but in any event no less than one (1) day.
- (d) The Company will promptly notify each Holder of any stop order issued or threatened by the SEC and, if entered, use reasonable best efforts to prevent the entry of such stop order or to remove it as soon as reasonably possible.

(e) On or prior to the date on which the Registration Statement is declared effective, the Company shall use reasonable best efforts to register or qualify such Registrable Securities under such other securities or

blue sky Laws of such jurisdictions as any Holder reasonably requests and do any and all other lawful acts and things which may be reasonably necessary or advisable to enable the Holders to consummate the disposition in such jurisdictions of such Registrable Securities, and use commercially reasonable efforts to keep each such registration or qualification (or exemption therefrom) effective during the period which the Registration Statement is required to be kept effective; provided that the Company will not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this paragraph (e), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction.

(f) The Company will notify each Holder, Holders Counsel and the underwriter(s) promptly and (if requested by any such Person) confirm such notice in writing, (i) when a prospectus or any prospectus supplement or post-effective amendment has been filed and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective, (ii) of any request by the SEC or any other federal or state governmental authority for amendments or supplements to a Registration Statement or prospectus or for additional information to be included in any Registration Statement or prospectus or otherwise, (iii) of the issuance by any state securities commission or other regulatory authority of any order suspending the qualification or exemption from qualification of any of the Registrable Securities under state securities or blue sky Laws or the initiation of any proceedings for that purpose, and (iv) of the happening of any event that requires the making of any changes in a Registration Statement or related prospectus or any document incorporated or deemed to be incorporated by reference therein so that they will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements in the Registration Statement and prospectus not misleading in light of the circumstances in which they were made; and, as promptly as practicable thereafter, prepare and file with the SEC and furnish a supplement or amendment to such prospectus so that, as thereafter deliverable to the purchasers of such Registrable Securities, such prospectus will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Each Holder hereby agrees to keep any disclosures under subsection (iv) above confidential until such time as a supplement or amendment is filed.

(g) The Company will furnish customary closing certificates and other deliverables to the underwriter(s) and the Holders and enter into customary agreements satisfactory to the Company (including, if applicable, an underwriting agreement in customary form) and take such other actions as are reasonably required in order to expedite or facilitate the disposition of the Registrable Securities.

(h) The Company will make available for inspection by any underwriter participating in any disposition pursuant to a Registration Statement, and any attorney, accountant or other agent retained by any such seller or underwriter (in each case after reasonable prior notice and at reasonable times during normal business hours and without unnecessary interruption of the Company's business or operations), all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with the Registration Statement.

(i) The Company, during the period when the prospectus is required to be delivered under the Securities Act, promptly will file all documents required to be filed with the SEC pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act.

(j) The Company shall use reasonable best efforts to cause all Registrable Securities registered pursuant to the terms hereof to be listed on each national securities exchange on which the Common Stock of the Company is then listed.

(k) The Company shall use commercially reasonable efforts to cooperate and assist in obtaining of all necessary approvals from FINRA, if any.

(l) The Company shall provide a transfer agent and registrar for the Registrable Securities not later than the effective date of such Registration Statement.

(m) If requested, the Company shall furnish to each Holder a copy of all documents filed with and all correspondence from or to the SEC in connection with the offering of Registrable Securities.

(n) The Company otherwise shall use its reasonable best efforts to comply with all applicable rules and regulations of the SEC.

(o) The Company shall furnish to any requesting underwriter in an Underwritten Offering, addressed to such underwriter, (i) an opinion of the Company's counsel (which may be the Company's General Counsel), dated the date of closing of the sale of any Registrable Securities thereunder, as well as a consent to be named in the Registration Statement or any prospectus thereto, and (ii) comfort letters and consent to be named in the Registration Statement or any prospectus relating thereto signed by the Company's independent public accountants who have examined and reported on the Company's financial statements included in the Registration Statement, in each case covering substantially the same matters with respect to the Registration Statement (and the prospectus included therein) and (in the case of the accountants' comfort letters) with respect to events subsequent to the date of the financial statements, as are customarily covered in opinions of issuer's counsel and in accountants' comfort letters delivered to the underwriters in underwritten public offerings of securities, to the extent that the Company is required to deliver or cause the delivery of such opinion or comfort letters to the underwriters in an Underwritten Offering.

(p) In connection with each Demand Registration, the Company shall cause there to occur Full Cooperation.

For purposes of Section 3.5(a) and Section 3.5(b), the period of distribution of Registrable Securities in a firm commitment underwritten public offering shall be deemed to extend until each underwriter has completed the distribution of all securities purchased by it, and the period of distribution of Registrable Securities in any other registration shall be deemed to extend until the earlier of the sale of all Registrable Securities covered thereby and one hundred twenty (120) days after the effective date thereof.

Section 3.6 Holders' Obligations. The Company may require each Holder to promptly furnish in writing to the Company such information regarding the distribution of the Registrable Securities as the Company may from time to time reasonably request and such other information as may be legally required in connection with such registration, including all such information as may be requested by the SEC. Each Holder agrees that, notwithstanding the provisions of Section 3.7 hereof, upon receipt of any notice from the Company of the happening of any event of the kind described in Section 3.5(f) hereof, such Holder will forthwith discontinue disposition of Registrable Securities pursuant to the Registration Statement covering such Registrable Securities until such Holder's receipt of the copies of the supplemented or amended prospectus contemplated by Section 3.5(f) hereof, and, if so directed by the Company, such Holder will deliver to the Company all copies, other than permanent file copies then in such Holder's possession and retained solely in accordance with record retention policies then-applicable to such Holder, of the most recent prospectus covering such Registrable Securities at the time of receipt of such notice. In the event the Company shall give such notice, the Company shall extend the period during which such Registration Statement shall be maintained effective by the number of days during the period from and including the date of the giving of notice pursuant to Section 3.5(f) hereof to the date when the Company shall make available to the Holders a prospectus supplemented or amended to conform with the requirements of Section 3.5(f) hereof.

to the addressee of such Suspension Notice, the Company may (i) postpone effecting a registration under this Agreement, or (ii) require such addressee to refrain from disposing of Registrable Securities under the registration, in either case for a period of no more than forty-five (45) consecutive days from the delivery of such Suspension Notice (which period may not be extended or renewed). The Company may postpone effecting a registration or apply the limitations on dispositions specified in clause (ii) of this Section 3.7(a) if (x) the Company Board, in good faith, determines that such registration or disposition would materially impede, delay or interfere with any material transaction then pending or proposed to be undertaken by the Company or any of its subsidiaries, or (y) the Company in good faith determines that the Company is in possession of material non-public information the disclosure of which during the period specified in such notice the Company Board, in good faith, reasonably believes would not be in the best interests of the Company; provided that the Company may not take any actions pursuant to this Section 3.7(a) for a period of time in excess of ninety (90) days in the aggregate in any twelve (12)-month period.

(b) If the Company shall take any action pursuant to clause (ii) of Section 3.7(a) with respect to any participating Holder in a period during which the Company shall be required to cause a Registration Statement to remain effective under the Securities Act and the prospectus to remain current, such period shall be extended for such Person by one (1) day beyond the end of such period for each day that, pursuant to Section 3.7(a), the Company shall require such Person to refrain from disposing of Registrable Securities owned by such Person.

Section 3.8 Exchange Act Registration. The Company will use its reasonable best efforts to timely file with the SEC such information as the SEC may require under Section 13(a) or Section 15(d) of the Exchange Act, and the Company shall use its reasonable best efforts to take all action as may be required as a condition to the availability of Rule 144 or Rule 144A under the Securities Act with respect to its Common Stock. The Company shall furnish to any holder of Registrable Securities forthwith upon request such reports and documents as a holder may reasonably request in availing itself of any rule or regulation of the SEC allowing a holder to sell any such Registrable Securities without registration to the extent that such reports or documents are not publicly available on the SEC's Electronic Data Gathering, Analysis and Retrieval system or any successor system thereto. Certificates evidencing Registrable Securities shall not contain any legend at such time as a Holder has provided reasonable evidence to the Company (including any customary broker's or selling stockholder's letters but expressly excluding an opinion of counsel other than with respect to clauses (d) or (e) below), that (a) there has been a sale of such Registrable Securities pursuant to an effective registration statement, (b) there has been a sale of such Registrable Securities pursuant to Rule 144 (assuming the transferor is not an affiliate of the Company), (c) such Registrable Securities are then eligible for sale under Rule 144(b)(i), (d) in connection with a sale, assignment or other transfer (other than under Rule 144), upon request of the Company, such Holder provides the Company with an opinion of counsel to such Holder, in a reasonably acceptable form, to the effect that such sale, assignment or transfer of the Registrable Securities may be made without registration under the applicable requirements of the Securities Act or (e) such legend is not required under applicable requirements of the Securities Act (including controlling judicial interpretations and pronouncements issued by the SEC). Following such time as restrictive legends are not required to be placed on certificates representing Registrable Securities pursuant to the preceding sentence, the Company will, no later than three (3) Business Days following the delivery by a Holder to the Company or the Company's transfer agent of a certificate representing Registrable Securities containing a restrictive legend and the foregoing evidence (and opinion if applicable), deliver or cause to be delivered to such Holder a certificate representing such Registrable Securities that is free from all restrictive and other legends or credit the balance account of such Holder's or such Holder's nominee with the Depository Trust Company (the DTC) (if DTC is then offered by the Company and its transfer agent) with a number of shares of Common Stock equal to the number of shares of Common Stock represented by the certificate so delivered by such Holder.

Section 3.9 Indemnification.

(a) Indemnification by the Company. The Company agrees, notwithstanding the termination of this Agreement, to indemnify and hold harmless, to the fullest extent permitted by Law, each Holder and each of its

managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each Person, if any, who controls such Holder within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person (each, a Controlling Person), from and against any and all losses, claims, damages, settlement amounts (only if the Company consented in writing to the settlement, which consent shall not be unreasonably withheld), liabilities, reasonable attorneys' fees, costs and expenses of investigating and defending any such claim (collectively, Damages) and any action in respect thereof to which such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and any such Controlling Persons may become subject to under the Securities Act or otherwise, but only insofar as such Damages (or proceedings in respect thereof) arise out of, or are based upon, any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement or prospectus of the Company (or any amendment or supplement thereto) or any preliminary prospectus of the Company, or arise out of, or are based upon, any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances in which they were made, except insofar as the same are based upon information furnished in writing to the Company by such Holder or any of its managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons expressly for use therein, and, consistent with and subject to the foregoing, shall reimburse such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, and each such Controlling Person for any legal and other expenses reasonably incurred by such Holder, its managers, members, managing members, general and limited partners, officers, directors, employees and agents, or any such Controlling Person in investigating or defending or preparing to defend against any such Damages or proceedings. In addition to the indemnity contained herein, the Company will reimburse each Holder for its reasonable out-of-pocket legal and other expenses (including the reasonable out-of-pocket cost of any investigation, preparation and travel in connection therewith) as incurred in connection therewith, as promptly as practicable after such expenses are incurred and invoiced.

(b) Indemnification by the Holder. The Holders agree, severally and not jointly, to indemnify and hold harmless the Company, its officers, directors, employees and agents and each Person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20 of the Exchange Act, together with the managers, members, managing members, general and limited partners, officers, directors, employees and agents of such controlling Person, to the same extent as the foregoing indemnity from the Company to the Holders, but only with respect to information related to the Holders, or their plan of distribution, furnished in writing by the Holders or any of their managers, members, managing members, general partners, officers, directors, employees, agents and Controlling Persons to the Company expressly for use in any Registration Statement or prospectus, or any amendment or supplement thereto, or any preliminary prospectus. No Holder shall be required to indemnify any Person pursuant to this Section 3.9(b) for any amount in excess of the net proceeds received by such Holder from the sale of the Registrable Securities sold for the account of such Holder.

(c) Conduct of Indemnification Proceedings. Promptly after receipt by any Person (an Indemnified Party) of notice of any claim or the commencement of any action in respect of which indemnity may be sought pursuant to Section 3.9(a) or Section 3.9(b), the Indemnified Party shall, if a claim in respect thereof is to be made against the Person against whom such indemnity may be sought (an Indemnifying Party), notify the Indemnifying Party in writing of the claim or the commencement of such action; provided that the failure to notify the Indemnifying Party shall not relieve it from any liability that it may have to an Indemnified Party except to the extent of any actual prejudice resulting therefrom. If any such claim or action shall be brought against an Indemnified Party, and it shall notify the Indemnifying Party thereof, the Indemnifying Party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified Indemnifying Party, to assume the defense thereof with counsel reasonably satisfactory to the Indemnified Party. After notice from the Indemnifying Party to the Indemnified Party of its election to assume the defense of such claim or action, the Indemnifying Party shall not be liable to the Indemnified

Party for any legal or other expenses subsequently incurred by the Indemnified Party in connection with the defense thereof; provided, that

G-16

the Indemnified Party shall have the right to employ separate counsel to represent the Indemnified Party and its Controlling Persons who may be subject to liability arising out of any claim in respect of which indemnity may be sought by the Indemnified Party against the Indemnifying Party, but the fees and expenses of such counsel shall be for the account of such Indemnified Party unless (i) the Indemnifying Party and the Indemnified Party shall have mutually agreed to the retention of, and reimbursement of fees for, such counsel or (ii) in the reasonable opinion of counsel to such Indemnified Party representation of both parties by the same counsel would be inappropriate due to actual or potential conflicts of interest between them, it being understood, however, that the Indemnifying Party shall not, in connection with any one such claim or action or separate but substantially similar or related claims or actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the fees and expenses of more than one separate firm of attorneys (together with appropriate local counsel) at any time for all Indemnified Parties. No Indemnifying Party shall, without the prior written consent of the Indemnified Party, effect any settlement of any claim or pending or threatened proceeding in respect of which the Indemnified Party is or would reasonably have been a party and indemnity would reasonably have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Party from all liability arising out of such claim or proceeding. Whether or not the defense of any claim or action is assumed by the Indemnifying Party, such Indemnifying Party will not be subject to any liability for any settlement made without its written consent.

Section 3.10 No Inconsistent Agreements. The Company shall not hereafter enter into any agreement with respect to any of its securities (including any registration or similar agreement) which is inconsistent with or violates the material rights granted to the Holders in this Agreement.

Section 3.11 Lock-Up Agreements. Each of the Holders and the Company agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, or in connection with any other public offering of Common Stock by the Company, if requested by the underwriter(s), it will enter into customary lock-up agreements pursuant to which it will agree not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions) for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s). The Company further agrees that, in connection with an Underwritten Offering in respect of which Registrable Securities are being sold, if requested by the managing underwriter(s), it will exercise its best efforts to obtain agreements (in the underwriters' customary form) from its directors and executive officers not to, directly or indirectly, sell, offer to sell, grant any option for the sale of, or otherwise dispose of, any Common Stock or any securities convertible or exchangeable into Common Stock (subject to customary exceptions), for a period not to exceed ninety (90) days from the effective date of the Registration Statement pertaining to such Registrable Securities or from such other date as may be requested by the underwriter(s).

Section 3.12 Termination of Registration Rights. The rights granted under this Article III shall terminate on the earlier of the date that (a) the Holders no longer Beneficially Own any Registrable Securities or (b) all Registrable Securities are eligible for sale without any volume or other limitations or restrictions; provided, however, that the indemnification provisions set forth in Section 3.9 shall survive such termination.

Section 3.13 Assignment; Binding Effect. The rights and obligations provided in this Article III may be assigned in whole or in part by any Holder to a controlled affiliate of such Holder or to any member, general or limited partner or stockholder of any such Holder (each, a Permitted Transferee) without the consent of the Company or any other Holder. Such assignment shall be effective upon receipt by the Company of (a) written notice from the Holder certifying that the transferee is a Permitted Transferee, stating the name and address of the Permitted Transferee and identifying the amount of Registrable Securities with respect to which the rights under this Agreement are being transferred, and (b) a written agreement from the Permitted Transferee to be bound by all of the terms of this Article

III as a Holder. Upon receipt of the documents referenced in clauses (a) and (b) of this Section 3.13, the Permitted Transferee shall thereafter be deemed to be a Holder for all

purposes of this Article III. Except as set forth in this Section 3.13, the rights and obligations provided in this Article III may not be assigned by any party hereto without the prior written consent of each of the other parties hereto.

(i) acquire, offer or propose to acquire or agree to acquire, Beneficial Ownership of more than fifteen percent (15%) of the outstanding Voting Securities of the Company in the aggregate, other than Voting Securities in excess of fifteen percent (15%) of the outstanding Voting Securities of the Company acquired (A) as a result of the exercise of any rights or obligations set forth in this Agreement, (B) pursuant to a stock split, stock dividend, recapitalization, reclassification or similar transaction, (C) with the consent of the majority of the non-TPG Directors or (D) directly from the Company;

(iii) other than a solicitation of a proxy (as such terms are defined under Regulation 14A under the Exchange Act, disregarding clause (iv) of Rule 14a-1(1)(2) and including any otherwise exempt solicitation pursuant to Rule 14a-2(b)) seeking approval of the election to the Company Board solely with respect to any of the TPG Nominated Directors permitted by the terms hereof to serve on such Company Board, make, or in any way participate in, any such solicitation of proxies to vote, or seek to advise or influence any person or entity with respect to the voting of, any Common Stock of the Company or any of its subsidiaries;

(iv) call or seek to call a meeting of the stockholders of the Company or any of the Company's subsidiaries or initiate any stockholder proposal for action by the stockholders of the Company, form, join or in any way participate in a group (within the meaning of Section 13(d)(3) of the Exchange Act and the rules and regulations thereunder) with respect to any Voting Securities;

(b) The limitations provided in Section 4.1(a) shall, upon the occurrence of any of the following events, immediately be suspended until the expiration of the time period set forth below in this Section 4.1(b), but only so long as TPG or any of its Affiliates (other than any Non Private Equity Business of TPG or its Affiliates) did not directly or indirectly assist, facilitate, encourage or participate in any such events:

(i) on the commencement (as defined in Rule 14d-2 of the Exchange Act) by any Person of a tender or exchange offer seeking to acquire Beneficial Ownership of a number outstanding shares of Voting Securities of the Company that, if consummated, would result in a Change of Control and which is recommended by the Company Board; provided, that TPG has not facilitated, encouraged, or otherwise participated in such tender offer; or

(ii) on the public announcement by the Company Board or a duly constituted committee of the Company Board (a) to solicit one or more proposals for a transaction that, if consummated, would result in a Change of Control or (b) to pursue discussions or negotiations or make diligence materials available, with respect to an unsolicited proposal for a transaction that, if consummated, would result in a Change of Control; provided, that in each case TPG has not facilitated, encouraged, or otherwise participated in such tender offer.

provided, however, that upon (y) any withdrawal or lapsing of any such tender or exchange offer referred to in Section 4.1(b)(i) which does not result in a Change of Control, or (z) the abandonment by the Company Board or a duly constituted committee of the Company Board of a process to solicit a proposal of the type referred to in Section 4.1(b)(ii) without a Change of Control having occurred and without an agreement to effect a Change of Control, as the case may be, the limitations provided in Section 4.1(a) (except to the extent then suspended as a result of any other event specified in this Section 4.1(b)) shall again be applicable for so long as and only to the extent provided in this Agreement.

Section 4.2 No Conflicting Agreements. For so long as this Agreement remains in effect, neither the Company nor TPG shall enter into any stockholder agreement or arrangement of any kind with any Person with respect to any Shares or other Securities, or otherwise act or agree to act in concert with any Person with respect to any Shares or other Securities, to the extent such agreement, arrangement, or concerted act would controvert, or otherwise be inconsistent in any material respect with, the provisions of this Agreement. The Company (as successor to Parkway) and TPG hereby agree that, as of the execution of this Agreement, the Stockholders Agreement, dated as of June 5, 2012, by and among TPG, TPG Manager and Parkway shall be deemed terminated, null and void, and no longer of any effect.

Section 4.3 Further Assurances. Each of TPG and the Company agrees to execute and deliver all such further documents and do all acts and things that from time to time may reasonably be required to effectively carry out or better evidence or perfect the full intent and meaning of this Agreement.

ARTICLE V

MISCELLANEOUS

Section 5.1 Amendment and Waiver. This Agreement may not be amended, except by an agreement in writing, executed by each of TPG and the Company, and compliance with any term of this Agreement may not be waived, except by an agreement in writing executed on behalf of the party against whom the waiver is intended to be effective. The failure of any party to enforce any of the provisions of this Agreement shall in no way be construed as a waiver of any such provision and shall not affect the right of such party thereafter to enforce each and every provision of this Agreement in accordance with its terms.

Section 5.2 Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void, or otherwise unenforceable, all other provisions of this Agreement, to the extent permitted by Law, shall not be affected and shall remain in full force and effect. Upon any such determination,

G-19

the parties shall negotiate in good faith in an effort to agree upon a suitable and equitable substitute provision to effect the original intent of the parties.

Section 5.3 Entire Agreement. Except as otherwise expressly set forth herein, this Agreement and the Purchase Agreement, together with the agreements and other documents and instruments referred to herein, embody the complete agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersede and preempt any prior understandings, agreements, or representations by or among the parties, written or oral, that may have related to the subject matter hereof in any way.

Section 5.4 Successors and Assigns. Except as expressly set forth herein, neither this Agreement nor any of the rights or obligations of any party under this Agreement (including any rights under Article II and Article III hereof) may be assigned, in whole or in part (except by operation of Law), by either party without the prior written consent of the other party, and any such transfer or attempted transfer without such consent shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of, and be enforceable by, the parties hereto and their respective successors and permitted assigns.

Section 5.5 Counterparts. This Agreement may be executed in separate counterparts, each of which shall be an original and all of which, when taken together, shall constitute one and the same agreement.

Section 5.6 Remedies.

(a) Each party hereto acknowledges that monetary damages would not be an adequate remedy in the event that each and every one of the covenants or agreements in this Agreement are not performed in accordance with their terms, and it is therefore agreed that, in addition to, and without limiting any other remedy or right it may have, the non-breaching party will have the right to an injunction, temporary restraining order, or other equitable relief in any court of competent jurisdiction enjoining any such breach and enforcing specifically each and every one of the terms and provisions hereof. Each party hereto agrees not to oppose the granting of such relief in the event a court determines that such a breach has occurred, and to waive any requirement for the securing or posting of any bond in connection with such remedy.

(b) All rights, powers, and remedies provided under this Agreement or otherwise available in respect hereof at Law or in equity shall be cumulative and not alternative, and the exercise or beginning of the exercise of any thereof by any party shall not preclude the simultaneous or later exercise of any other such right, power, or remedy by such party.

Section 5.7 Notices. All notices and other communications hereunder shall be in writing and shall be deemed given if delivered personally, telecopied (upon telephonic confirmation of receipt), on the first (1st) Business Day following the date of dispatch if delivered by a recognized next day courier service, or on the third (3rd) Business Day following the date of mailing if delivered by registered or certified mail, return receipt requested, postage prepaid. All notices hereunder shall be delivered as set forth below, or pursuant to such other instructions as may be designated in writing by the party to receive such notice.

(a) This Agreement shall be governed by and construed in accordance with the Laws of the State of New York, without regard to, or otherwise giving effect to, any body of Law or other rule that would cause or otherwise require the application of the Laws of any other jurisdiction.

(b) Any action or proceeding against either the Company or TPG relating in any way to this Agreement may be brought exclusively in the courts of the State of New York or (to the extent subject matter jurisdiction exists therefore) the United States District Court for the Southern District of New York, and each of the Company and TPG irrevocably submits to the jurisdiction of both such courts in respect of any such action or proceeding. EACH OF THE COMPANY AND TPG ACKNOWLEDGES THAT IT HAS BEEN INFORMED BY THE OTHER PARTY THAT THIS SECTION 5.8(C) CONSTITUTES A MATERIAL INDUCEMENT UPON WHICH IT IS RELYING, AND WILL RELY IN ENTERING INTO THIS AGREEMENT AND THE TRANSACTIONS CONTEMPLATED HEREBY. THE COMPANY OR TPG MAY FILE AN ORIGINAL COUNTERPART OR A COPY OF THIS SECTION 5.8(C) WITH ANY COURT AS WRITTEN EVIDENCE OF THE CONSENT OF EACH SUCH PARTY TO THE WAIVER OF ITS RIGHT TO TRIAL BY JURY.

Section 5.9 Third Party Benefits. Except for the provisions in Section 5.10, none of the provisions of this Agreement is for the benefit of, or shall be enforceable by, any third-party beneficiary.

Section 5.10 No Recourse Against Others. All claims, causes of action (whether in contract or in tort, in law or in equity, or granted by statute), obligations, or liabilities that may be based upon, be in respect of, arise under, out of or by reason of, be connected with, or relate in any manner to this Agreement, or the negotiation, execution, performance or breach of this Agreement (including any representation or warranty made in, in connection with, or as an inducement to, this Agreement), may be made only against (and are those solely of) the entities that are expressly identified as parties in the preamble to this Agreement (the Contracting Parties). No Person who is not a Contracting Party, including any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any Contracting Party, and any and all former, current or future directors, officers, employees, incorporators, members, general or limited partners, controlling persons, managers, management companies, equityholders, affiliates, agents, attorneys, or representatives of, and any and all former, current or future financial advisors or lenders to, any of the foregoing, and any and all former, current or future heirs, executors, administrators, trustees, successors or assigns of any of the foregoing (the Non-Recourse Parties), shall have any liability (whether in contract or in tort, in law or in equity, or granted by statute) for any claims, causes of action, obligations or liabilities arising under, out of, in connection with, or related in any manner to this Agreement, or the negotiation, execution, performance, or breach of this Agreement; and, to the maximum extent permitted by Law, each Contracting Party hereby waives and releases all such claims and causes of action against any such Non-Recourse Parties. Without limiting the foregoing, to the maximum extent permitted by Law, (a) each Contracting Party hereby waives and releases any and all rights, claims, demands, or causes of action that may otherwise be available at law or in equity, or granted by statute, to avoid or disregard the entity form of a Contracting Party or otherwise impose liability of a Contracting Party on any Non-Recourse Party, whether granted by statute or based on theories of equity, agency, control, instrumentality, alter ego, domination, sham, single business enterprise, piercing the corporate, limited liability company or limited partnership veil, unfairness, undercapitalization, or otherwise, in each case in connection with, or related in any manner to this Agreement, or the negotiation, execution, performance, or breach of this Agreement; and (b) each Contracting Party disclaims any reliance upon any Non-Recourse Parties with respect to the performance of this Agreement or any representation or warranty made in, in connection with, or as an inducement to this Agreement.

Table of Contents**PART II****INFORMATION NOT REQUIRED IN PROSPECTUS****Item 20. Indemnification of Directors and Officers**

Subsection (a) of Section 14-2-851 of the GBCC provides that a corporation may indemnify an individual made party to a proceeding because he or she is or was a director against liability incurred in the proceeding if: (a) such individual conducted himself or herself in good faith; and (b) such individual reasonably believed: (i) in the case of conduct in his or her official capacity, that such conduct was in the best interests of the corporation; (ii) in all other cases, that such conduct was at least not opposed to the best interests of the corporation; and (iii) in the case of any criminal proceeding, that the individual had no reasonable cause to believe such conduct was unlawful. Subsection (d) of Section 14-2-851 of the GBCC provides that a corporation may not indemnify a director: (1) in connection with a proceeding by or in the right of the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director has met the relevant standard of conduct; or (2) in connection with any proceeding with respect to conduct for which he or she was adjudged liable on the basis that personal benefit was improperly received by him or her, whether or not involving action in his or her official capacity. Subsection (a) of Section 14-2-853 of the GBCC provides that a corporation may, before final disposition of a proceeding, advance funds to pay for or reimburse reasonable expenses incurred by a director who is a party to the proceeding because he or she is a director if he or she delivers to the corporation: (1) a written affirmation of his or her good faith belief that he or she has met the relevant standard of conduct described in Section 14-2-851 of the GBCC or that the proceeding involves conduct for which liability has been eliminated as part of the corporation's articles of incorporation; and (2) his or her written undertaking to repay any funds advanced if it is ultimately determined that the director is not entitled to indemnification under the GBCC. Notwithstanding the foregoing, pursuant to Section 14-2-854 of the GBCC, a court shall order a corporation to indemnify or give an advance for expenses to a director if such court determines the director is entitled to indemnification under the indemnification provisions of the GBCC or if it determines that in view of all relevant circumstances, it is fair and reasonable, even if the director has not met the standard of conduct set forth in subsections (a) and (b) of Section 14-2-851 of the GBCC, failed to comply with Section 14-2-853 of the GBCC regarding the advancement of expenses or was adjudged liable in a proceeding referred to in subsection (d) of Section 14-2-851 of the GBCC, but if the director was adjudged so liable, the indemnification shall be limited to reasonable expenses incurred by the director in connection with the proceeding.

Section 14-2-852 of the GBCC provides that a corporation shall indemnify a director who was wholly successful in the defense of any proceeding to which the director was a party because he or she was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding. Subsection (a) of Section 14-2-857 of the GBCC provides that a corporation may indemnify and advance expenses to an officer of the corporation who is a party to a proceeding because he or she is an officer of the corporation: (1) to the same extent as a director; and (2) if he or she is not a director, to such further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for liability arising out of conduct that constitutes (a) appropriation, in violation of his or her duties, of any business opportunity of the corporation; (b) acts of omission which involve intentional misconduct or a knowing violation of the law; (c) the types of liability set forth in Section 14-2-832 of the GBCC, or (d) receipt of an improper personal benefit. Subsection (c) of Section 14-2-857 of the GBCC provides that an officer of the corporation who is not a director is entitled to mandatory indemnification under Section 14-2-852 of the GBCC and may apply to a court under Section 14-2-854 of the GBCC for indemnification or advances for expenses, in each case to the same extent to which a director may be entitled to indemnification or advances for expenses under those provisions.

Cousins Properties Incorporated's amended and restated bylaws require the indemnification by the company of its directors and officers to the maximum extent permitted by applicable law. Cousins Properties Incorporated has purchased directors' and officers' liability insurance for the benefit of its directors and officers.

Item 21. Exhibits and Financial Statement Schedules

The exhibits listed below in the Exhibit Index are part of this registration statement and are numbered in accordance with Item 6.01 of Regulation S-K.

Item 22. Undertakings

The undersigned registrant hereby undertakes:

(a) to file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(1) to include any prospectus required by section 10(a)(3) of the Securities Act of 1933, as amended (the Securities Act of 1933);

(2) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Securities and Exchange Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(3) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

(b) that, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof;

(c) to remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering;

(d) that, for the purpose of determining liability under the Securities Act of 1933 to any purchaser, if the registrant is subject to Rule 430C, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectus filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness; provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(e) that for the purpose of determining liability of the registrant under the Securities Act of 1933 to any purchaser:

(1) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

Table of Contents

(2) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(3) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(4) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

(f) for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(g) that prior to any public reoffering of the securities registered hereunder through use of a prospectus which is a part of this registration statement, by any person or party who is deemed to be an underwriter within the meaning of Rule 145(c), the issuer undertakes that such reoffering prospectus will contain the information called for by the applicable registration form with respect to reofferings by persons who may be deemed underwriters, in addition to the information called for by the other Items of the applicable form.

(h) that every prospectus that (i) is filed pursuant to paragraph (g) immediately preceding, or (ii) purports to meet the requirements of section 10(a)(3) of the Securities Act of 1933 and is used in connection with an offering of securities subject to Rule 415, will be filed as a part of an amendment to this registration statement and will not be used until such amendment is effective, and that, for purposes of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(i) to respond to requests for information that is incorporated by reference into the prospectus pursuant to Items 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(j) to supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.

(k) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 as is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
