Item 30: Indemnification.

Article EIGHTH of the Registrant's Articles of Incorporation provides as follows: To the maximum extent permitted by the Minnesota Business Corporation Act, as from time to time amended, the Corporation shall indemnify its currently acting and its former directors, officers, employees and agents, and those persons who, at the request of the Corporation serve or have served another corporation, partnership, joint venture, trust or other enterprise in one or more such capacities. The indemnification provided for herein shall not be deemed exclusive of any other rights to which those seeking indemnification may otherwise be entitled.

Expenses (including attorneys' fees) incurred in defending a civil or criminal action, suit or proceeding (including costs connected with the preparation of a settlement) may be paid by the Corporation in advance of the final disposition of such action, suit or proceeding, if authorized by the Board of Directors in the specific case, upon receipt of an undertaking by or on behalf of the director, officer, employee or agent to repay that amount of the advance which exceeds the amount which it is ultimately determined that he is entitled to receive from the Corporation by reason of indemnification as authorized herein; provided, however, that prior to making any such advance at least one of the following conditions shall have been met: (1) the indemnitee shall provide a security for his undertaking, (2) the Corporation shall be insured against losses arising by reason of any lawful advances, or (3) a majority of a quorum of the disinterested, non-party directors of the Corporation, or an independent legal counsel in a written opinion, shall determine, based on a review of readily available facts, that there is reason to believe that the indemnitee ultimately will be found entitled to indemnification.

Nothing in these Articles of Incorporation or in the By-Laws shall be deemed to protect or provide indemnification to any director or officer of the Corporation against any liability to the Corporation or to its security holders to which he would otherwise be subject by reason of willful misfeasance, bad faith, gross negligence or reckless disregard of the duties involved in the conduct of his office ("disabling conduct"), and the Corporation shall not indemnify any of its officers or directors against any liability to the Corporation or to its security holders unless a determination shall have been made in the manner provided hereafter that such liability has not arisen from such officer's or director's disabling conduct. A determination that an officer or director is entitled to indemnification shall have been properly made if it is based upon (1) a final decision on the merits by a court or other body before whom the proceeding was brought that the indemnitee was not liable by reason of disabling conduct or, (2) in the absence of such a decision, a reasonable determination, based upon a review of the facts, that the indemnitee was not liable by reason of disabling conduct, by (a) the vote of a majority of a quorum of directors who are neither interested persons of the Corporation as defined in the Investment Company Act of 1940 nor parties to the proceeding, or (b) an independent legal counsel in a written opinion.

The directors and officers of the Registrant are covered by the Mutual Fund Professional Liability policy in the aggregate amount of \$70,000,000 against liability and expenses of claims of wrongful acts arising out of their position with the Registrant and other Nuveen Funds, except for matters that involve willful acts, bad faith, gross negligence and willful disregard of duty (*i.e.*, where the insured did not act in good faith for a purpose he or she reasonably believed to be in the best interest of the Registrant or where he or she had reasonable cause to believe this conduct was unlawful). The policy has a \$2,500,000 deductible for operational failures (after the deductible is satisfied, the insurer would cover 80% of any operational failure claims and the Fund would be liable for 20% of any such claims) and \$1,000,000 deductible for all other claims, with \$0 deductible for individual insureds.

Section 6 of the Equity Distribution Agreement filed as Exhibit h.2 to this Registration Statement provides for each of the parties thereto, including the Registrant and the Agent, to indemnify the others, their trustees,

directors, certain of their officers, trustees, directors and persons who control them against certain liabilities in connection with the offering described herein, including liabilities under the federal securities laws.

Insofar as indemnification for liability arising under the Securities Act of 1933 (1933 Act) may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the 1933 Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the 1933 Act and will be governed by the final adjudication of such issue.
