The Partnership is engaged in the business of gathering, compressing, treating, processing and selling natural gas and storing, fractionating, treating, transporting, terminaling and selling NGLs and NGL products, and gathering, storing and terminaling crude oil and refined petroleum products.

On February 17, 2016, Targa completed the transactions contemplated by the Agreement and Plan of Merger, dated November 2, 2015, by and among Targa, the Partnership, the general partner of the Partnership and Spartan Merger Sub LLC, a subsidiary of Targa pursuant to which Targa acquired indirectly all of the outstanding common units representing limited partner interests of the Partnership that Targa and its subsidiaries did not already own.

We will pay certain expenses of the registration of the shares offered hereby, including the SEC filing fees. Brokerage commissions and similar selling expenses, if any, attributable to the sale of the shares will be borne by the selling stockholders. In addition, we have agreed to indemnify the selling stockholders against certain liabilities in connection with the offering of the shares.

Unless otherwise indicated herein, based on representations made to us by the selling stockholders, the selling stockholders do not have nor within the past three years have had any position, office or other material relationship with us or any of our affiliates other than as a result of the transactions contemplated by the Purchase Agreements and the selling stockholders' beneficial ownership of our common stock.

The following table sets forth, to our knowledge, certain information about the selling stockholders. We have not sought to verify such information. The percentage of outstanding shares of our common stock beneficially owned prior to the offering is based on 164,857,339 shares of our common stock outstanding as of June 29, 2016. The selling stockholders may hold or acquire at any time shares of our common stock in addition to those offered by this prospectus supplement and may have acquired additional shares since the date on which the information reflected herein was provided to us. Certain selling stockholders are affiliates of broker-dealers (but are not themselves broker-dealers). Each of these broker-dealer affiliates purchased the securities identified in the table as beneficially owned by it in the ordinary course of business and, at the time of that purchase, had no agreements or understandings, directly or indirectly, with any person to distribute those securities. We have assumed for purposes of the table below that the Warrants held by the selling stockholders will be exercised for the maximum number of shares of our common stock issuable upon exercise of the Warrants, that the selling stockholders will sell all of the common stock issuable upon exercise of the warrants pursuant to this prospectus, and that any other shares of our common stock beneficially owned by the selling stockholders will continue to be beneficially owned. The warrants may be settled in cash or shares of our common stock at our option.

**PLAN OF DISTRIBUTION**

We are registering 20,083,731 shares of our common stock for possible resale by the selling stockholders. The selling stockholders will act independently of us in making decisions with respect to the timing, manner and size of each sale. The selling stockholders may, from time to time on or after September 16, 2016, sell any or all of their shares of our common stock on any stock exchange, market or trading facility on which the shares are traded or in private transactions. These sales may be at fixed prices, at prevailing market prices determined at the time of sale or at varying prices determined at the time of sale or at negotiated prices. Subject to the terms of the Purchase Agreements, the selling stockholders may use any one or more of the following methods when selling shares:

ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;

block trades in which the broker-dealer may attempt to sell the shares as agent, but may resell all or a portion of the block as principal in order to facilitate the transaction;

purchases by a broker-dealer as principal and resale by the broker-dealer for its account;

short sales, whether through a broker-dealer or itself;

broker-dealers, who may agree with the selling stockholder to sell a specified number of such shares at a stipulated price per share;

public or privately negotiated transactions;

through the writing or settlement of options, swaps or other hedging transactions, including warrants, exchangeable securities or forward delivery contracts, whether through an options exchange or otherwise;

sales in other ways not involving market makers or established trading markets, including direct sales to institutions or individual purchasers;

any combination of the foregoing; and

any other method permitted pursuant to applicable law, other than an underwritten offering.

The selling stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus supplement and accompanying prospectus and may transfer the shares by gift.

In no event will such methods of distribution take the form of an underwritten offering of the common stock registered herein, other than any underwritten offering effected in accordance with the terms of the Registration Rights Agreement, dated March 16, 2016, between Targa and the purchasers named therein.

Broker-dealers engaged by the selling stockholders may arrange for other brokers-dealers to participate in sales. Broker-dealers may receive commissions or discounts from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated. The selling stockholders do not expect these commissions and discounts to exceed what is customary in the types of transactions involved. Any profits on the resale of shares of our common stock by a broker-dealer acting as principal might be deemed to be underwriting discounts or commissions under the Securities Act. Discounts, concessions, commissions and similar selling expenses, if any, attributable to the sale of shares will be borne by a selling stockholder.

The selling stockholders may agree to indemnify any agent, dealer or broker-dealer that participates in transactions involving sales of the shares if liabilities are imposed on that person under the Securities Act. If the selling stockholders use this prospectus supplement and accompanying prospectus for any sale of the shares of our common stock, they will be subject to the prospectus delivery requirements of the Securities Act.

**Table of Contents**

The selling stockholders and any broker-dealer or agents participating in the distribution of the shares of our common stock may be deemed to be underwriters within the meaning of Section 2(11) of the Securities Act in connection with such sales. In such event, any commissions paid, or any discounts or concessions allowed to, any such broker-dealer or agent and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act. Selling stockholders who are underwriters within the meaning of Section 2(11) of the Securities Act will be subject to the applicable prospectus delivery requirements of the Securities Act and may be subject to certain statutory liabilities of, including but not limited to, Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Exchange Act.

The selling stockholders also may transfer the shares of our common stock in certain other circumstances, in which case the transferees or other successors in interest will be the selling beneficial owners for purposes of this prospectus supplement and accompanying prospectus and may sell the shares of our common stock from time to time under this prospectus supplement and accompanying prospectus after we have filed an amendment to this prospectus supplement, if required by law, supplementing or amending the list of selling stockholders to include the transferee or other successors in interest as selling stockholders under this prospectus supplement.

The selling stockholders and other persons participating in the sale or distribution of the shares will be subject to applicable provisions of the Exchange Act, and the rules and regulations thereunder, including Regulation M. This regulation may limit the timing of purchases and sales of any of the shares by the selling stockholders and any other person. The anti-manipulation rules under the Exchange Act may apply to sales of shares in the market and to the activities of the selling stockholders and their affiliates. Furthermore, Regulation M may restrict the ability of any person engaged in the distribution of the shares to engage in market-making activities with respect to the particular shares being distributed for a period of up to five business days before the distribution. These restrictions may affect the marketability of the shares and the ability of any person or entity to engage in market-making activities with respect to the shares.

In addition, the selling stockholders may, from time to time and subject to the terms of the Purchase Agreements, sell the shares short or enter into derivative or hedging transactions with third parties, and, in those instances, this prospectus may be delivered in connection with these transactions and the shares offered under this prospectus may be used to cover short sales or close out any related positions resulting from these transactions.

Subject to the terms of the Purchase Agreements, the selling stockholders may also enter into derivative or hedging transactions with broker-dealers and the broker-dealers may engage in short sales of the shares in the course of hedging the positions they assume with that selling stockholder, including, without limitation, in connection with distributions of the shares by those broker-dealers. The selling stockholders may enter into options or other transactions with broker-dealers that involve the delivery of the shares offered hereby to the broker-dealers, who may then resell or otherwise transfer those shares. The selling stockholders may also loan or pledge the shares offered hereby to a broker-dealer and the broker-dealer may sell the shares offered hereby so loaned or upon a default may sell or otherwise transfer the pledged shares offered hereby.

**TARGA RESOURCES CORP.**

Targa Resources Corp. is a publicly traded Delaware corporation formed in October 2005. Targa does not directly own any operating assets; our main source of future revenue therefore is from distributions received from Targa Resources Partners LP (the Partnership), a Delaware limited partnership, that is a leading provider of midstream natural gas and natural gas liquid services in the United States. The Partnership is engaged in the business of gathering, compressing, treating, processing and selling natural gas and storing, fractionating, treating, transporting, terminaling and selling natural gas liquids (NGL), NGL products, and gathering, storing and terminaling crude oil and refined petroleum products.

On February 17, 2016, Targa completed the transactions (the TRC/TRP Merger) contemplated by the Agreement and Plan of Merger, dated November 2, 2015, by and among Targa, the Partnership, the general partner of the Partnership and Spartan Merger Sub LLC, a subsidiary of TRC, pursuant to which Targa acquired indirectly all of the outstanding common units representing limited partner interests of the Partnership (the Common Units) that Targa and its subsidiaries did not already own. As a result of the TRC/TRP Merger, Targa owns all of the outstanding Common Units.

Our principal executive offices are located at 1000 Louisiana St., Suite 4300, Houston, Texas 77002, and our telephone number at that location is (713) 584-1000. Our common stock is listed on the NYSE under the symbol TRGP.
