***Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to be Held on September 12, 2016***

***In accordance with rules and regulations adopted by the Securities and Exchange Commission, we are furnishing our proxy materials on the Internet. Proxy materials means the proxy statement, our 2016 Annual Report and any amendments or updates to these documents, including this supplement to proxy statement. Our proxy materials are available on the Internet to the general public at [materials.proxyvote.com/703395](http://materials.proxyvote.com/703395).***

The information in the proxy statement is supplemented and amended as follows:

***Rescission and cancellation of portion of prior stock option grant***

We have determined that unexercised stock options to purchase 38,062 shares of common stock granted on July 1, 2015 to Scott P. Anderson, our Chairman, President and Chief Executive Officer, exceeded the limit on the number of shares subject to equity awards that could be granted to any one participant in a calendar year under our Amended and Restated Equity Incentive Plan (the 2012 Incentive Plan ).

As previously reported, Mr. Anderson was granted the following equity awards under the 2012 Incentive Plan on July 1, 2015: (1) nonqualified stock options to purchase up to 42,698 shares of common stock, vesting 100% after three years, at an exercise price of \$49.27 per share, (2) one-time special nonqualified stock options to purchase up to 250,000 shares of common stock, vesting 25% after three years, another 25% after four years and the remaining 50% after five years, at an exercise price of \$56.66 per share, (3) a restricted stock award for 10,148 shares of common stock, vesting 20% each year, starting one year after the date of grant, and (4) performance units having a maximum estimated future payout of 35,216 shares of common stock, which vest only if performance criteria are met three years after the date of grant. The 2012 Incentive Plan limits the number of shares subject to equity awards that may be granted to any individual participant in any calendar year to 300,000 shares. Of the equity awards granted to Mr. Anderson during calendar year 2015, awards for 38,062 shares exceeded that limit. Consequently, a portion of Mr. Anderson's one-time special nonqualified stock option to purchase up to 250,000 shares has been rescinded and cancelled, resulting in an option for the purchase of 211,938 shares of common stock, vesting 25% after three years, another 25% after four years and the remaining 50% after five years, at an exercise price of \$56.66 per share. None of the stock options granted to Mr. Anderson during calendar year 2015 has been exercised.

***Additional supplemental information***

The following additional information is provided to illustrate the effects on certain compensation information presented in the proxy statement had the excess options never been granted in July 2015. Accordingly, the supplemental information below assumes that Mr. Anderson was issued options in July 2015 to purchase only up to (1) 42,698 shares of common stock at an exercise price of \$49.27 per share and (2) 211,938 shares of common stock at an exercise price of \$56.66 per share.

***Summary Compensation Table***

Assuming that the excess stock options had never been granted, the aggregate grant date fair value of stock options awarded to Mr. Anderson for the fiscal year ended April 30, 2016 (as reported in the Summary Compensation Table of the proxy statement in accordance with applicable rules of the Securities and Exchange Commission) would have been \$2,498,856, and his total compensation for fiscal 2016 would have been \$5,685,300.

*Grants of Plan-Based Awards*
