Important Notice

Supplement Dated August 25, 2016

to the currently effective Summary Prospectus, Statutory Prospectus and

Statement of Additional Information

for the Fund

The following information should be read in conjunction with the Prospectus and Statement of Additional Information listed above for the Fund.

At the recommendation of WisdomTree Asset Management, Inc., the Fund's investment adviser, after continued review of the product lineup and anticipated limited future prospects of investor demand for the Fund, the Board of Trustees voted to close and liquidate the Fund.

After the close of business on September 22, 2016, the Fund will no longer accept creation orders. The last day of trading of shares of the Fund on the NYSE Arca will be September 22, 2016. Shareholders may sell Fund shares through a broker in the standard manner through this date. Customary brokerage charges may apply to such transactions. When the Fund commences liquidation of its portfolio, which may occur before September 22, 2016, the Fund will be increasing its cash holdings and deviating from the investment objective and strategies stated in its Prospectus.

It is anticipated that shareholders remaining in the Fund on September 29, 2016 will have their shares redeemed automatically on this date and will receive cash in an amount equal to the net asset value of their shares as of the close of business on September 29, 2016. This amount is expected to include any accrued capital gains and dividends. Shareholders remaining in the Fund on September 29, 2016 will not be charged any transaction fees by the Fund. Whether you sell your shares or are automatically redeemed on September 29, 2016, you will generally recognize a capital gain (or loss) equal to the amount you receive for your shares above (or below) your adjusted cost basis in such shares. Please consult your personal tax advisor about the potential tax consequences.
