Letter from Julie Anne Smith, Raptor's President and Chief Executive Officer, to Raptor consultants, contractors and temporary employees (the **CC&T Letter** ). The CC&T Letter was first used or made available on September 12, 2016.

September 12, 2016

Dear Consultants, Contractors and Temporary Employees,

This morning we announced that Raptor has entered into an agreement to be acquired by Horizon Pharma plc. We are excited about the proposed transaction and its benefits for all Raptor stakeholders. The press release, which includes more information regarding the proposed transaction, can be found [here](#).

With Horizon's broad commercial portfolio and financial capability to invest in promising clinical development opportunities, Raptor will be better positioned to bring our medicines to patients globally after the consummation of the proposed transaction. We expect the proposed transaction to close in the fourth quarter of 2016, subject to regulatory approvals and other customary closing conditions. Until that time, Raptor and Horizon will remain separate companies and will continue to operate independently.

Please remember that we have only just announced the proposed transaction and many decisions have yet to be made. Over the coming weeks, Horizon Pharma will be in contact with us as to staffing requirements, and we will communicate important updates as information becomes available.

Today's announcement of the proposed transaction may generate interest from those outside Raptor. If you receive inquiries from the media or investors, please forward them to Kim Lee, Vice President Corporate Strategy and Communications, at 415-408-6351. In addition, please be mindful that all communications around this proposed transaction need to be done by Raptor so refrain from commenting, sharing or posting anything related to today's news.

Thank you for your tremendous support and partnership. We look forward to continuing our business relationships and expanding those relationships in the future. In the meantime, if you have any questions, please do not hesitate to reach out to your usual Raptor representative.

Sincerely,

Julie Anne Smith

President and Chief Executive Officer
