**Item 1.01. Entry into a Material Definitive Agreement.**

On September 21, 2016, CareDx, Inc. (the Company) entered into a purchase agreement (the Purchase Agreement) with Piper Jaffray & Co. (the Representative), as representative of the several underwriters named therein (the Underwriters), relating to an underwritten public offering (the Offering) of 2,250,000 shares of the Company's common stock (Common Stock). The public offering price is \$4.00 per share of Common Stock and the Underwriters have agreed to purchase the Common Stock pursuant to the Underwriting Agreement at a price of \$3.75 per share. Under the terms of the Purchase Agreement, the Company also granted to the Underwriters an option, exercisable in whole or in part at any time for a period of 30 days from the date of the closing of the Offering, to purchase up to an additional 337,500 shares of Common Stock at the public offering price to cover over-allotments, if any.

The Offering is being made pursuant to the Company's registration statement on Form S-3 (File No. 333-206277), which was declared effective by the Securities and Exchange Commission (the SEC) on December 4, 2015, a base prospectus dated December 4, 2015 and a prospectus supplement dated September 21, 2016.

Net proceeds from the Offering are expected to be approximately \$7.8 million (excluding any sale of shares of Common Stock pursuant to the over-allotment option granted to the Underwriters), after deducting underwriting discounts and commissions and estimated Offering expenses payable by the Company. The purchase and sale of the Common Stock, and the closing of the Offering, is expected to take place on or about September 26, 2016, subject to the satisfaction of customary closing conditions.

The Purchase Agreement contains customary representations, warranties and covenants made by the Company. It also provides for customary indemnification by each of the Company and the Underwriters, severally and not jointly, for losses or damages arising out of or in connection with the Offering, including for liabilities under the Securities Act of 1933, as amended, other obligations of the parties and termination provisions. In addition, pursuant to the terms of the Purchase Agreement, each of the Company's directors and executive officers have entered into lock-up agreements with the Underwriters that generally prohibit, without the prior written consent of the Representative, the sale, transfer or other disposition of securities of the Company prior to December 16, 2016.

The foregoing description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the copy of the Purchase Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K. A copy of the opinion of Paul Hastings LLP, counsel to the Company, relating to the validity of the shares of Common Stock to be issued in the Offering is filed with this Current Report on Form 8-K as Exhibit 5.1.

The representations, warranties and covenants contained in the Purchase Agreement were made only for purposes of such agreement and as of specific dates, were solely for the benefit of the parties to the Purchase Agreement, and may be subject to limitations agreed upon by the contracting parties. Accordingly, the Purchase Agreement is incorporated herein by reference only to provide investors with information regarding the terms of the Purchase Agreement, and not to provide investors with any other factual information regarding the Company or its business, and should be read in conjunction with the disclosures in the Company's periodic reports and other filings with the SEC.
