Item 8.01 Other Items.

As previously disclosed, pursuant to the Registration Rights Agreement entered into as of September 25, 2013 and effective as of October 1, 2013 by and among Premier, Inc. (the Company) and the limited partners of Premier Healthcare Alliance, L.P. (Premier LP) (the Registration Rights Agreement), the Company generally is required to conduct a company-directed underwritten public offering (CDO) to allow the limited partners (also referred to as member owners) to resell shares of the Company's Class A common stock (Class A Stock) following the first quarterly exchange date of each of the first three years during which the member owners have the right to exchange their Class B common units of Premier LP (Class B Units) for shares of Class A Stock. The Company is not required to conduct a CDO unless the number of shares of Class A Stock proposed to be sold in the applicable CDO constitutes the equivalent of at least 3.5% of the aggregate number of Class A common units of Premier LP and Class B Units collectively outstanding. If the offering minimum has not been met, the Company may, in its sole discretion, either proceed with a voluntary CDO or notify the member owners that the Company will not conduct a CDO. Based on indicated CDO participation for the upcoming October 31, 2016 exchange process, on October 11, 2016, the Company notified member owners that the offering minimum would not be met and that the Company would not conduct a CDO in connection with the October 31, 2016 quarterly exchange date.

As previously disclosed, pursuant to the Exchange Agreement, entered into as of September 25, 2013 and effective as of October 1, 2013 by and among the Company, Premier LP and its limited partners (the Exchange Agreement), commencing on October 31, 2014, and during each year thereafter, each limited partner will generally have the cumulative right to exchange, on a quarterly basis, a portion of its Class B Units for shares of Class A Stock, cash or a combination of both, the form of consideration to be at the discretion of the audit and compliance committee of the Company's board of directors (the Audit Committee). In connection with the October 31, 2016 quarterly exchange date, the Audit Committee determined to settle exchanged Class B Units for a combination of cash (not to exceed \$100.0 million) and shares of Class A Stock.

For additional information regarding the Exchange Agreement and the Registration Rights Agreement, see Note 2 Initial Public Offering and Reorganization Reorganization Exchange Agreement and Registration Rights Agreement to the consolidated financial statements contained in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2016, filed with the Securities Exchange Commission (the SEC) on August 26, 2016. A copy of the Exchange Agreement is filed as Exhibit 10.2 and a copy of the Registration Rights Agreement is filed as Exhibit 10.4 to the Company's Form 8-K filed with the SEC on October 7, 2013.
