Settlement Period: The closing will occur on October 31, 2016, which will be more than three U.S. business days after the date of this pricing term sheet. Rule 15c6-1 under the Securities Exchange Act of 1934 generally requires that securities trades in the secondary market settle in three business days, unless the parties to a trade expressly agree otherwise. Accordingly, purchasers who wish to trade their Shares on the initial pricing date of the Shares or the succeeding business day will be required, by virtue of the fact that the Shares initially will settle in T+5, to specify an alternate settlement arrangement at the time of any such trade to prevent a failed settlement and should consult their advisors.
